Proposed Amendment of Intelsat Jackson Holdings S.A. Senior Secured Credit Facilities

On February 29, 2016, Intelsat Jackson Holdings S.A., an indirect wholly-owned subsidiary of Intelsat S.A. (“Intelsat Jackson”), contacted the lenders under the credit agreement governing its senior secured credit facilities seeking an amendment to such credit facilities to, among other things, permit second lien pledges by Intelsat (Luxembourg) S.A. over the capital stock of Intelsat Jackson. The proposed amendment also includes technical changes confirming Intelsat Jackson's existing ability to refinance term loans under such credit agreement at certain times with other first lien debt. The proposed amendment also provides that after the proposed amendment becomes effective, if Intelsat Jackson raises at least \$450 million of gross cash proceeds of first lien debt, the revolving credit commitment under such credit agreement will be reduced (to the extent not already reduced) to \$350 million.

The proposed amendment of Intelsat Jackson’s senior secured credit facilities is subject to market and other conditions, and there can be no assurance that Intelsat Jackson will be able to enter into the amendment as described or at all.
