Any person giving a proxy pursuant to this Proxy Statement may revoke it at any time before it is exercised at the Annual Meeting by notifying in writing the Secretary of the Company, Mark D. Slusser, at the address above, prior to the Annual Meeting date. In addition, if the person executing the proxy is present at the Annual Meeting, he may, but need not, revoke the proxy, by notice of such revocation to the Secretary of the Annual Meeting, and vote his shares in person. Proxies in the form enclosed, if duly signed and received in time for voting, and not so revoked, will be voted at the Annual Meeting in accordance with the instructions specified therein. Where no choice is specified, proxies will be voted FOR the election of the nominees for director named herein and, on any other matters presented for a vote, in accordance with the judgment of the persons acting under the proxies.

Return of Proxy Card

Please complete, sign, date and return the accompanying proxy card promptly in the enclosed addressed envelope, even if you plan to attend the Annual Meeting. Postage need not be affixed to the envelope if mailed in the United States.

The immediate return of your proxy card will be of great assistance in preparing for the Annual Meeting and is, therefore, urgently requested. If you attend the Annual Meeting and vote in person, your proxy card will not be used.

Record Date and Share Ownership

Only stockholders of record at the close of business on August 20, 2004 will be entitled to notice of and to vote at the Annual Meeting and any adjournments thereof. Each share of common stock of the Company issued and outstanding on such record date is entitled to one vote. As of August 20, 2004, the Company had outstanding 7,804,457 shares of common stock.

Expenses of Solicitation

We will bear the entire cost of the proxy solicitation, including preparation, assembly, printing and mailing of this proxy statement, the proxy card, and any additional materials furnished to stockholders. Copies

of proxy solicitation material will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others to forward to such beneficial owners. In addition, we may reimburse such persons for their cost of forwarding the solicitation material to such beneficial owners. Solicitation of proxies by mail may be supplemented by one or more of telephone, email, telegram, facsimile or personal solicitation by our directors, officers or regular employees. No additional compensation will be paid for such services. We may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be material.

Quorum; Required Vote; Abstentions and Broker Non-Votes

The presence at the Annual Meeting of the holders of a majority of the outstanding shares of our common stock as of the record date is necessary to constitute a quorum. Stockholders will be counted as present at the meeting if they are present in person at the Annual Meeting or if they have properly submitted a proxy card. A plurality of the votes duly cast is required for the election of directors.

Any abstaining votes and broker non-votes will be counted as present and entitled to vote and therefore will be included for purposes of determining whether a quorum is present at the Annual Meeting. Neither abstentions nor broker non-votes will be deemed to be votes cast. As a result, broker non-votes and abstentions will not be included in the tabulation of the voting results on the election of directors and, therefore, will not have any effect on such votes. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Independence

Our Board presently consists of five members. For the last fiscal year, our board consisted of six members. On May 4, 2004, Nan R. Smith resigned from the Board. Upon Ms. Smith's resignation, our Board was reduced from six to five members. The Board has determined that Mr. Carl E. Baggett, Mr. Robert J. Kehl and Mr. John David Simmons have no relationship with our company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent within the rules of the NASDAQ National Market (NASDAQ).

Committees of the Board of Directors

The Board of Directors of the Company presently has a standing Audit Committee and a standing Compensation and Stock Option Committee (the Compensation Committee). The Board of Directors does not have a standing nominating committee or any committee performing the function of such a committee.

Audit Committee. The Audit Committee assists the Board in overseeing our accounting and financial reporting processes and audits of our financial statements. It is directly responsible for the appointment, compensation, retention, and oversight of the work of our registered public accounting firm. It reviews the auditing accountant's audit of our financial statements and its report thereon, management's report on our system of internal controls over financial reporting, the auditing accountant's annual management letter, various other accounting and auditing matters and the independence of the auditing accountants. The Committee reviews and pre-approves all audit and non-audit services performed by our auditing accountants, or other accounting firms, other than as may be allowed by applicable law. It has established procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of concerns

regarding questionable accounting and auditing matters. The Audit Committee meets with management to review any issues related to matters within the scope of the Audit Committee's duties.

The Audit Committee is currently composed of Messrs. Simmons, Kehl and Baggett, each of whom is an independent director as such term is defined by the NASD's listing standards. The Board has determined

that Carl E. Baggett is an audit committee financial expert, as defined by the rules of the Securities and Exchange Commission (the SEC). None of the members of the committee receives any compensation from us other than for service as a member of the Board of Directors and committees of the Board. The Audit Committee held eight meetings during the last fiscal year.

Compensation Committee. The Compensation Committee is currently composed of Messrs. Simmons, Kehl and Baggett. This Committee recommends compensation levels for executive officers of the Company, and is authorized to consider and make grants of options pursuant to the Company's 1997 Stock Option Plan and to administer the 1997 Stock Option Plan and the Company's other stock option plans. The Compensation Committee met once during fiscal 2004.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee is or has been one of our officers or employees. There are no compensation committee interlocks and no insider participation in compensation decisions that are required to be reported under the rules and regulations of the Securities Exchange Act of 1934, as amended (the Exchange Act).

Nomination of Directors

The Board of Directors does not have a separately constituted nominating committee, and consequently has no nominating committee charter. The Board believes that it is appropriate under existing circumstances not to have a separate nominating committee because the Board is comprised of only five existing members, three of whom are independent within the meaning of the NASDAQ director independence standards. All members of the Board of Directors participate in the consideration of director nominees. The Board of Directors does not have a formal policy with regard to the consideration of any director candidates recommended by stockholders because the Board believes that it can adequately evaluate any such nominee on a case-by-case basis. However, the Board of Directors would consider for possible nomination qualified nominees recommended by stockholders. Stockholders who wish to propose a qualified nominee for consideration should submit complete information as to the identity and qualifications of that person to the Secretary of the Company at 1501 Southeast Walton Boulevard, Suite 213, Bentonville, Arkansas 72712. See "Stockholder Proposals for 2005 Annual Meeting" below for information regarding procedures that must be followed by stockholders in order to nominate directors at the 2005 annual meeting. Absent special circumstances, the Board of Directors will continue to nominate qualified incumbent Directors whom the Board of Directors believes will continue to make important contributions to the Board of Directors. The Board generally requires that nominees be persons of sound ethical character, be able to represent all stockholders fairly, have no material conflicts of interest, have demonstrated professional achievement, have meaningful experience and have a general appreciation of the major business issues facing the Company. The Board of Directors does not have a formal process for identifying and evaluating nominees for Director.

Stockholder Communications with the Board

The Board of Directors has implemented a process for stockholders to send communications to the Board. Any stockholder desiring to communicate with the Board, or with specific individual directors, may do so by writing to the Secretary of the Company at 1501 Southeast Walton Boulevard, Suite 213, Bentonville, Arkansas 72712. The Secretary of the Company has been instructed by the Board to promptly forward all such communications to the Board or such individual directors.

Stockholder Proposals for 2005 Annual Meeting

Any proposal to be presented at the 2005 Annual Meeting of Stockholders must be received at the principal executive offices of the Company not later than April 29, 2005, directed to the attention of the Secretary, for consideration for inclusion in the Company's proxy statement and form of proxy relating to that meeting. In connection with next year's Annual Meeting, if the Company does not receive notice of a matter or proposal to be considered by July 13, 2005, then the persons appointed by the Board of Directors to act as the proxies for such Annual Meeting (named in the form of proxy) will be allowed to use their discretionary

voting authority with respect to any such matter or proposal at the Annual Meeting, if such matter or proposal is raised at that Annual Meeting. Any such proposals must comply in all respects with the rules and regulations of the SEC.

Director Compensation

Effective November 1, 2003, each non-employee director receives a \$2,667 monthly retainer. Directors who are also employees of the Company do not receive separate compensation for their services as a director. Pursuant to the 1997 Stock Option Plan, on the first business day of July in each year, each then serving non-employee director of the Company is automatically granted an option to purchase 2,500 shares of common stock, at an exercise price equal to the fair market value of such stock as of the close of business on the date of grant. Options granted under the 1997 Stock Option Plan are exercisable for a period of up to ten years. In the event that a director ceases to be a director of the Company for any reason, options granted to the director will generally expire upon the earlier to occur of (1) the tenth anniversary of the date of grant of the option, or (2) ninety days following the date on which such director ceased to be a director.

Board Members Attendance at Board Meetings and Prior Year's Annual Meeting

During the Company's last fiscal year, the Board of Directors held four meetings and took action six times by unanimous written consent. Each incumbent director attended at least 75% of the aggregate number of meetings held by the Board and by the Committees of the Board on which such director served.

It is the Board's policy that all directors should attend the Annual Meeting of Stockholders unless unavoidably prevented from doing so by unforeseen circumstances. All of our directors attended the 2003 Annual Meeting of Stockholders.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all employees, including executive officers and directors. A copy of the Company's Code was filed as Exhibit 14.1 to our Annual Report on Form 10-K for the fiscal year ended April 30, 2004. In the event that we make any amendment to, or grant any waiver from, a provision of the Code that requires disclosure under applicable SEC or NASDAQ rules, we shall disclose such amendment or waiver and the reasons therefor, as required.

PROPOSAL TO BE VOTED ON

Election of Directors

Pursuant to the Bylaws of the Company, the Board of Directors has set the number of directors for the ensuing year at five, all of whom are proposed to be elected at the Annual Meeting. In the event any nominee is unable or declines to serve as a director at the time of the meeting, the persons named as proxies therein will have discretionary authority to vote the proxies for the election of such person or persons as may be nominated in substitution by the present Board of Directors. Management knows of no current circumstances that would render any nominee named herein unable to accept nomination or election. Directors shall be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election of directors at a meeting of stockholders at which a quorum is present.

Members of the Board of Directors are elected annually to serve until the next annual meeting of stockholders and until their successors are elected and qualified.

The following persons were nominated for election to the Board of Directors in accordance with the process described under Corporate Governance and Board Matters - Nomination of Directors and were therefore selected by a majority of independent directors.

REPORT OF THE AUDIT COMMITTEE

In accordance with the written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During the fiscal year ended April 30, 2004, the Audit Committee met eight times and discussed internal controls, accounting, auditing and financial reporting practices of the Company with the Company's Chief Financial Officer and the independent auditors and accountants for the Company, Grant Thornton LLP. In discharging its oversight responsibility as to the audit process, each member of the Audit Committee has reviewed the Company's audited financial statements as of and for the year ended April 30, 2004 and the Audit Committee held one meeting with management and Grant Thornton LLP to discuss the audited financial statements prior to filing the Company's Annual Report on Form 10-K. The Audit Committee also met with Grant Thornton LLP to discuss the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU § 380) prior to filing the Company's Annual Report on Form 10-K.

The Audit Committee has received and reviewed the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Grant Thornton LLP its independence in connection with its audit of the Company's financial statements for the year ended April 30, 2004. The Audit Committee has also considered whether Grant Thornton LLP's provision of non-audit services to the Company is compatible with maintaining such firm's independence with respect to the Company and has determined that the provision of certain non-audit services is consistent with and compatible with Grant Thornton LLP maintaining its independence. See Principal Accountant Fees and Services. Based upon the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended April 30, 2004.

Respectfully submitted,
John David Simmons

Carl E. Baggett

Robert J. Kehl

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors of the Company recommends compensation levels for the executive officers of the Company, including the Chief Executive Officer, and is authorized to consider and make grants of options pursuant to the Company's 1997 Stock Option Plan and to administer the 1997 Stock Option Plan and the Company's other option plans. It is the Committee's responsibility to review and make recommendations to the Board of Directors with respect to compensation of officers of the Company. In formulating its compensation policies and decisions, the Committee endeavors to provide a competitive compensation package that enables the Company to attract and retain key executives and to integrate compensation programs with the Company's annual and long-term business strategies and objectives and focus executive actions on the fulfillment of the objectives. The Compensation Committee met once during fiscal 2004.

The Company's executive compensation program generally consists of base salary and annual incentive compensation through the payment of cash bonuses. Stock options are also occasionally utilized in order to align executives' interests more closely with the interests of the stockholders of the Company. During the fiscal year ended April 30, 2004, Mr. Falgout, the Company's Chief Executive Officer, received a base salary of \$300,000 and a bonus of \$75,000. The Compensation Committee established Mr. Falgout's salary and bonus taking into consideration (i) the Company's recent operating results, (ii) the Company's growth, (iii) the increase in the Company's market capitalization, and (iv) the compensation levels paid to chief executive officers of other public companies of comparable size. For fiscal 2004, Mr. Falgout's salary and bonus increased to \$375,000 from \$300,000 in fiscal 2003, an increase of 25%. During the same period, the Company's revenues and income from continuing operations increased 14% and 15%, respectively. Further, from the end of fiscal 2003 to the end of fiscal 2004, the Company's market capitalization increased approximately 86%.

The Compensation Committee takes action from time to time, based upon guidelines and recommendations provided by the Board of Directors, to provide additional incentive compensation to the executive officers and other employees through the award of stock options under the Company's existing stock option plan. During the year ended April 30, 2004, no options were granted to Mr. Falgout or any other executive officer of the Company.

The Company's future compensation policies will be developed in light of the Company's financial position and results of operations and with the goal of rewarding members of management for their contributions to the Company's success.

Respectfully submitted,
John David Simmons

Carl E. Baggett

Robert J. Kehl
