PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
To Be Held May 17, 2005

GENERAL INFORMATION

Who May Vote

Holders of the Company's common stock, par value \$.01 per share, as reflected in our records on March 25, 2005, may vote at the Annual Meeting of Shareholders to be held on May 17, 2005, and any adjournment or postponement thereof.

As of March 25, 2005, the Company had 201,790,771 outstanding shares of common stock. Each outstanding share is entitled to one vote.

How to Vote

You may vote in person at the meeting or by proxy. We recommend that you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How Proxies Work

All properly executed proxies will be voted in accordance with the instructions contained thereon, and if no choice is specified, the proxies will be voted for the election of the directors named elsewhere in this proxy statement and for ratification of the selection of the independent registered accounting firm. Abstentions are counted as present in determining the existence of a quorum but will not have the effect of votes in opposition to the election of a director or a no vote on proposal 2. Under New York Stock Exchange (NYSE) rules, if your broker holds your shares in its name, your broker is permitted to vote your shares on these items even if it does not receive voting instructions from you.

Matters to be presented

We are not aware of any matters to be presented for a vote at the Annual Meeting of Shareholders other than those described in this proxy statement. If any matters not described in this proxy statement are properly presented at the meeting, the proxies will use their own judgment to determine how to vote your shares. If the meeting is postponed or adjourned, the proxies will vote your shares on the new meeting date in accordance with your previous instructions, unless you have revoked your proxy.

Vote necessary to approve proposals

Item	Vote Necessary
Election of directors	Directors are elected by a majority of the votes represented by the shares of common stock present at the meeting in person or by proxy.
Ratification of Independent Registered Accounting Firm	A majority of the votes represented by the shares of common stock present at the meeting in person or by proxy is required for the ratification of the Company's independent registered accounting firm.

Revoking a Proxy

Any proxy may be revoked by a shareholder at any time before it is exercised by giving written notice to that effect to the Corporate Secretary of the Company or by signing and submitting a later-dated proxy. Shareholders who attend the Annual Meeting may revoke any proxy previously granted and vote in person.

CORPORATE GOVERNANCE

The Company has adopted corporate governance standards which, along with board committee charters and key committee practices, provide the framework for the governance of the Company. The corporate governance standards address such matters as director qualifications, director independence, director compensation, board committees and committee evaluations. The Company believes that the corporate governance standards comply with the corporate governance rules recently adopted by the NYSE. A copy of the corporate governance standards of the Company is posted in the corporate governance section on the Company website at www.rclinvestor.com and is available in print to shareholders upon written request to the Corporate Secretary, Royal Caribbean Cruises Ltd., 1050 Caribbean Way, Miami, Florida 33132.

About the Board and its Committees

The Board of Directors has established an Audit Committee, a Nominating and Director Affairs Committee, a Compensation Committee and an Environmental Committee. The functions of each of these committees are described below and a copy of the charter of each committee is posted in the corporate governance section on the Company website at www.rclinvestor.com and is available in print to shareholders upon written request to the Corporate Secretary, Royal Caribbean Cruises Ltd., 1050 Caribbean Way, Miami, Florida 33132.

The Board

The Company is governed by the Board and various committees of the Board that meet throughout the year. During 2004, there were four meetings of the Board and a total of 20 committee meetings. Each of the Board members attended at least 75% of an aggregate of all meetings of the Board and of any committees on which they served. The corporate governance standards provide that, in addition to regularly scheduled Board meetings, non-management directors will hold two regularly scheduled meetings a year and the independent directors will hold one regularly scheduled meeting a year. The Chairman of the Nominating and Director Affairs Committee of the Board will preside at such meetings. There were two meetings in 2004 of Non-Management Directors and two meetings of Independent Directors.

The Company does not have a formal policy regarding the Board members attendance at the annual shareholders meeting. Because the 2004 Annual Meeting of Shareholders was not held in conjunction with a Board meeting, Richard D. Fain was the only Board member who attended such meeting.

Committees of the Board

The Board has four committees. The following describes for each committee its current membership, the number of meetings held during 2004 and its mission.

Audit Committee

The members of the Audit Committee are William K. Kimsey (Chair and Financial Expert), Bernard W. Aronson and Gert W. Munthe. Each member of the committee is independent as defined under NYSE rules. See Director Independence. A copy of the Audit Committee's charter is included in Appendix A to this proxy statement.

The Audit Committee met eight times in 2004.

The Audit Committee is responsible for the oversight of:

the integrity of the financial statements of the Company;

the independent registered accounting firm's qualifications and independence;

the performance of the Company's internal audit function and independent auditors;
and

the compliance by the Company with the legal and regulatory requirements in connection with the foregoing.

In furtherance of its purpose, the Audit Committee regularly reviews and discusses with management and the independent registered accounting firm the annual audited and quarterly financial statements of the Company. The Audit Committee is also responsible for preparing the Audit Committee report required by the rules of the Securities and Exchange Commission, which is included in this proxy statement under the heading "Report of the Audit Committee."

The Board has concluded that William Kimsey qualifies as an audit committee financial expert. Mr. Kimsey also serves on the audit committee of three other public companies. The Board of Directors has determined that Mr. Kimsey's simultaneous service on these other audit committees does not and will not impair his ability to effectively serve on the Company's audit committee.

Compensation Committee

The members of the Compensation Committee are Bernt Reitan (Chair), Bernard W. Aronson, Laura Laviada and Gert W. Munthe. Each member of the Compensation Committee is independent as defined under NYSE rules.

The Compensation Committee met four times in 2004.

The Compensation Committee has overall responsibility for evaluating and approving the executive compensation plans, policies and programs of the Company, including the administration of the stock award plans and the granting of awards under the plans. Among other responsibilities, the Compensation Committee annually reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer of the Company and sets compensation levels based on this evaluation. The Compensation Committee also annually reviews and sets the compensation levels of all other executive officers of the Company. The Compensation Committee is responsible for preparing the Compensation Committee Report required by the rules of the Securities and Exchange Commission, which is included in this proxy statement under the heading "Report of the Compensation Committee."

Nominating and Director Affairs Committee The members of the Nominating and Director Affairs Committee are Thomas J. Pritzker (Chair), Arvid Grundekjoen, Eyal Ofer and Arne Alexander Wilhelmsen. Each member of the committee is independent as defined under NYSE rules.

The Nominating and Director Affairs Committee met five times in 2004. The Nominating and Director Affairs Committee assists the Board by identifying qualified individuals for nomination as members of the Board of Directors and of Board committees, recommending to the Board corporate governance guidelines, reviewing and making recommendations to the Board concerning Board committee structure, operations and board reporting, and evaluating board and management performance.

The Company has engaged in the past and may engage in the future third parties to identify or assist in identifying potential director nominees.

The Nominating and Director Affairs Committee does not have a formal policy on the consideration of director candidates recommended by shareholders because the Committee to date has not felt it necessary to adopt such a policy. Nonetheless, the Company has adopted procedures by which shareholders may communicate to the Board recommendations for director candidates. These procedures are set forth below under "Proposals of Shareholders for Next Year".

In assessing candidates, the Committee considers the personal and professional ethics, integrity and values of the candidate and his or her ability to represent the long-term interests of the shareholders. The Committee also considers the candidate's experience in business and other areas that may be relevant to the activities of the Company, the applicable independence requirements and the current composition of the Board. Although the Shareholders Agreement between the two principal shareholders of the Company limits the ability of the Committee to identify all candidates, the Committee is nonetheless committed to ensuring that all candidates satisfy the foregoing qualifications. For a description of the Shareholders Agreement, see "Shareholders Agreement".

Environmental Committee The members of the Environmental Committee are William K. Reilly (Chair), John D. Chandris and Eyal Ofer. A majority of the members of the Environmental Committee are independent as defined under NYSE rules.

The Environmental Committee met three times in 2004.

The Environmental Committee assists the Board in its oversight of the Company's management concerning the implementation and monitoring of the Company's environmental programs and policies.

Director Independence

The Company's corporate governance standards contain guidelines established by the Board to assist it in determining director independence as defined by the listing standards of the NYSE. The Company's corporate governance standards state that a majority of the Company's directors shall be independent directors under

NYSE rules. The Board believes that Directors who do not meet the NYSE's independence standards also make valuable contributions to the Board and to the Company by reason of their experience and wisdom, and the Board expects that some minority of its Board will not meet the NYSE's independence standards.

To be considered independent under the NYSE rules, the Board must determine that a director does not have any direct or indirect material relationship with the Company or any of its subsidiaries (collectively, the Royal Caribbean Group). The Board has established the following guidelines to assist it in determining director independence in accordance with those rules:

A director will not be independent if, within the preceding three years: (i) the director was employed by the Royal Caribbean Group, or an immediate family member was employed as an executive officer of the Royal Caribbean Group, other than in each instance as interim Chairman or interim Chief Executive Officer (CEO); (ii) the director or an immediate family member received more than \$100,000 in any year in direct compensation from the Royal Caribbean Group other than (A) director and committee fees, (B) pension and other deferred compensation for prior service, (C) compensation for former services as an interim Chairman or interim CEO, or (D) compensation to an immediate family member for service as a non-executive employee of the Royal Caribbean Group; (iii) the director was employed by or affiliated with the Company's independent registered accounting firm; (iv) an immediate family member of the director was affiliated with or employed by the Company's independent registered accounting firm as a partner, principal or manager; or (v) an executive officer of the Company was on the compensation committee of the Board of Directors of a company which employed the Company director as an executive officer, or which employed an immediate family member of the director as an executive officer;

The following commercial relationships will not be considered to be material relationships that would impair a director's independence: (i) if a Company director is an executive officer or employee of another company that does business with the Royal Caribbean Group and the annual payments to, or payments from, the Royal Caribbean Group are less than two percent or \$1,000,000 (whichever is greater) of the annual consolidated revenues of the company he or she serves as an executive officer or employee; (ii) if a Royal Caribbean director is an executive officer or employee of another company which is indebted to the Royal Caribbean Group, or to which the Royal Caribbean Group is indebted, and the total amount of indebtedness to the other is less than two percent or \$1,000,000 (whichever is greater) of the total consolidated assets of the company he or she serves as an executive officer or employee; and (iii) if an immediate family member of a director is an executive officer of another company that does business with the Royal Caribbean Group, and the annual payments to, or payments from, the Royal Caribbean Group, are less than two percent or \$1,000,000 (whichever is greater) of the annual consolidated revenues of the company the immediate family member serves as an executive officer;

A director will not be independent if: (i) the director is an executive officer or employee of another company that does business with the Royal Caribbean Group and the annual payments to, or payments from, the Royal Caribbean Group within any of the three most recently completed fiscal years exceed two percent or \$1,000,000 (whichever is greater) of the annual consolidated revenues of the other company; and (ii) an immediate family member of a director is an executive officer of another company that does business with the Royal Caribbean Group, and the annual payments to, or payments from, the Royal Caribbean Group within any of the three most recently completed fiscal years exceed two percent or \$1,000,000 (whichever is greater) of the consolidated annual revenues of the other company.

Each director must regularly disclose to the Board whether his or her relationships satisfy these independence tests. Based on these disclosures and other information available to it, the Board has determined that each of the directors is independent with the exception of Messrs. Fain and Reilly. Mr. Fain is not considered independent as a result of his position as Chief Executive Officer of the Company. Mr. Reilly is not considered independent due to his consulting arrangement with the Company. See Proposal 1 Election of Directors Director Compensation Consulting Agreement with Mr. William K. Reilly.

Code of Ethics

The Board has adopted a Code of Business Conduct and Ethics that applies to all employees of the Company, including its executive officers, and our directors. A copy of the Code of Business Conduct and Ethics is posted in the corporate governance section on the Company web site at www.rclinvestor.com and is available in print to shareholders upon written request to Corporate Secretary, Royal Caribbean Cruises Ltd., 1050 Caribbean Way, Miami, Florida 33132. Any amendments to the code or any waivers from any provisions of the code granted to executive officers or directors will be promptly disclosed to investors by posting on the Company website at www.rclinvestor.com.

Contacting Members of the Board of Directors

Shareholders who wish to communicate with non-management members of the Board of Directors can address their communications to the attention of the Corporate Secretary of the Company at its principal address or via email at corporatesecretary@rccl.com. The Corporate Secretary will maintain a record of all such communications and promptly forward to the Chairman of the Nominating and Director Affairs Committee (the Committee Chair), who presides at meetings of the independent directors, those that the Corporate Secretary believes require immediate attention. The Corporate Secretary shall periodically provide the Committee Chair with a summary of all such communications. The Committee Chair shall notify the Board of Directors or the chairs of the relevant committees of the Board of those matters that he or she believes are appropriate for further action or discussion.

- (2) These amounts represent the estimated present value of options at the grant date using the Black-Scholes option-valuation model. The following assumptions were used in developing the grant valuations: (i) an expected

volatility of approximately 41.6%; (ii) an expected term to exercise of an average of five years; (iii) an interest rate of approximately 3.0%; and (iv) a dividend yield of 1.10%. The actual value realized by the executive officers will depend on the extent to which the market value of the common stock exceeds the exercise price of the options on the date the options are exercised. There is no assurance that the values realized by the named executive officer will be at or near the values estimated above. These amounts should not be used to predict share performance.

REPORT OF THE COMPENSATION COMMITTEE

The following is the Report on Executive Officer Compensation by Royal Caribbean Cruises Ltd. s (RCL) Compensation Committee, describing the compensation policies applicable to RCL s executive officers with respect to compensation paid to such executive officers for the fiscal year ended December 31, 2004. All executive officers are compensated as employees of RCL.

The Compensation Committee consists of Bernt Reitan (Chair), Bernard Aronson, Laura Laviada and Gert Munthe, none of whom is an executive officer or employee of RCL or its affiliates. All members of the Compensation Committee qualify as independent under the New York Stock Exchange rules.

The Compensation Committee is responsible for making determinations with respect to executive officer compensation, as well as for the oversight and administration of RCL's Executive Incentive Plan and Amended and Restated 2000 Stock Award Plan. This report discusses the executive compensation determinations made by the Compensation Committee with respect to the 2004 compensation of RCL's executive officers (including all named executive officers).

Executive Officer Compensation Philosophy

The executive officer compensation programs are designed to attract and retain executive officers who will contribute to RCL's long-term success, to reward executive officers for achieving RCL's short and long-term strategic goals, to link executive officer compensation and shareholder interests through performance and equity-based plans, and to recognize individual contributions to RCL's performance.

The Compensation Committee is assisted by an independent executive compensation consultant which advises the Committee as to competitive marketplace practices and supplies the Committee with statistical data and other executive officer compensation information. This permits the Committee to compare RCL's compensation against levels and programs at peer companies and other organizations with which RCL competes for executive talent. The companies selected for compensation comparison purposes in 2004 include a direct competitor and companies of similar size in the hospitality, leisure and air transportation industries.

The compensation of RCL's executive officers consists of three principal elements: base salary, annual incentive payments and long-term incentive opportunities, comprised of stock options and time-vested restricted stock units. It is the Compensation Committee's practice to target base salaries at the 50th percentile while delivering target total cash compensation at the 60th percentile, and long-term incentives at the 50th percentile. In making compensation decisions, the Compensation Committee reviews 25th, 50th and 75th percentiles of its compensation comparison group. The Compensation Committee also considers the total direct compensation annually for individual executive officers and the executive officers as a group.

Base Salary

Base salaries of executive officers are compared against tourism and leisure industry companies with which RCL competes for executive talent. RCL reviews annual salaries versus the external market on an annual basis and recommends adjustments that reflect promotions, changes in levels of responsibility and competitive pay levels. In 2004, minimal emphasis was placed on base salary as a component of compensation and increases to base salary were limited to specific situations. This is a deliberate strategy to shift the mix of pay more towards performance-based annual incentives and equity.

Performance-Based Annual Incentives

Annual bonus incentive awards are determined as a percentage of each executive officer's base salary. The amount of the award is tied to RCL's overall financial results and the performance of each executive officer together with his or her area of responsibility or business unit. The annual incentives are comprised of the following components: Corporate, Brand Performance (as applicable) and Department/ Individual Performance. For fiscal 2004, the Committee set a net income target along with threshold and maximum levels of performance. Depending on the level of achievement, the plan will be funded, as follows:

Performance Level

Funding Level

Below Threshold	No funding
At Threshold	5% of funding
At Target	100% of funding
At Maximum	300% of funding

In addition, the incentive award is adjusted by the Company's relative performance in EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization) relative to a defined competitor index. The EBITDA performance will either enhance or diminish the annual bonus incentive award by as much as +/- 15%.

For fiscal 2004, the plan yielded a funding level of between target and maximum after taking into account the effect of the EBITDA multiplier.

Long-Term Incentive Awards

Long-term equity-based incentive compensation awards are granted under the RCL Amended and Restated 2000 Stock Award Plan, which was approved by shareholders in May 2004. Under the Plan, the Committee can grant the following types of awards: stock options, restricted stock, restricted stock units, performance shares, performance units, stock appreciation rights and phantom stock.

In 2004, the Compensation Committee, in consultation with its executive compensation consultant, agreed on targeted annual grant values of long-term incentive awards for each executive officer. The amount of the targeted values was determined based on competitive market data. The targeted aggregate value of the award for each executive officer was divided into the following two types of equity awards:

Stock Options. Options vest over a four-year period, with 25% becoming exercisable on each anniversary of the grant date, and have a ten-year term. All options are granted with an exercise price equal to the fair market value of the RCL common stock on the grant date.

Restricted Stock Units (RSUs). RSUs vest over a four-year period, with 25% converted to unrestricted, actual shares of RCL stock at each of the four anniversaries from grant date.

The targeted annual grant values for each named executive officer, and the targeted allocation of this amount between stock options and RSUs, are as follows:

	Targeted Grant Value	Allocation
Chairman & CEO	\$1,200,000	25% Stock Options; 75% RSUs
President & COO	\$900,000	25% Stock Options; 75% RSUs
EVP & CFO	\$600,000	25% Stock Options; 75% RSUs
Other Named Executive Officers	Between \$300,000 to \$400,000	Between 25% to 50% Stock Options; between 50% to 75% RSUs

In order to enhance the retentive value of the equity program, a special one-time RSU award was made in 2004 to all the executive officers other than the Chairman and CEO.

The equity program is also intended to facilitate compliance with the stock ownership requirements for RCL's executive officers that have been adopted by the Board of Directors. These requirements, described below, further align the interests of executive officers with those of the shareholders by promoting stock ownership.

Stock Ownership Requirements

At the recommendation of the Compensation Committee and RCL's executive compensation consultant, the Company approved and adopted stock ownership requirements for executive officers. The purpose of these requirements is to further align the interests of RCL's executive officers with the shareholders by providing specified levels of RCL common stock ownership for each executive officer. The stock ownership requirements state that an executive officer may not dispose of any shares of RCL common stock if the fair

market value of all common stock held by the executive officer, including all vested and unvested stock options and restricted stock units, is less than the following multiples of his or her base salary:

Chairman & CEO	5 times base salary
President & COO	3 times base salary
EVP & CFO	3 times base salary
All Other Named Executive Officers	Between 2 - 3 times base salary

Chief Executive Officer Compensation

Consistent with RCL's overall compensation philosophy of placing more emphasis on performance-based compensation, the Committee did not increase Mr. Fain's base salary of \$950,000 during 2004. The Compensation Committee determined that Mr. Fain's annual base salary was competitive with that of Chief Executive Officers at peer companies, as evidenced by data obtained from RCL's executive compensation consultant.

The Compensation Committee also awarded Mr. Fain a \$2,119,688 annual incentive payment for fiscal year 2004 performance, which was 223% of his target award. The Compensation Committee's decision to award Mr. Fain the annual incentive payment was based on RCL's overall net income, Mr. Fain's individual performance and EBITDA performance.

In 2004, the Compensation Committee also approved a long-term incentive award to Mr. Fain consisting of 23,566 stock options and 22,466 time-vested restricted stock units. The estimated value of this award on the date of grant was \$1,200,000, which ranks below the 50th percentile of the competitive market. The Compensation Committee determined the amount of this award based on the targeted grant value as described above, competitive market data and Mr. Fain's significant contributions to RCL's long-term strategic goals.

SOLICITATION OF PROXIES

We will pay the cost of this proxy solicitation. None of these employees will receive any additional or special compensation for doing this. We will, on request, reimburse banks, brokerage firms and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners of our common stock and obtaining their voting instructions.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

Under the Securities and Exchange Commission rules, delivery of one proxy statement and annual report to two or more investors sharing the same mailing address is permitted, under certain conditions. This procedure, called householding, applies to you if all of the following criteria are met:

(1) You have the same address as other security holders registered on our books;

(2) You have the same last name as the other security holders; and

(3) Your address is a residential address or post office box.

If you meet this criteria, you are eligible for householding and the following terms apply. If you are not eligible, please disregard this notice.

For Registered Shareholders

Only one proxy statement and annual report will be delivered to the shared mailing address. You will, however, still receive separate mailings of important and personal information, as well as a separate proxy card.

What do I need to do to receive just one set of annual disclosure materials?

You do not have to do anything. Unless Wachovia Bank, N.A. is notified otherwise within 60 days of the mailing of this notice, your consent is implied and only one set of materials will be sent to your household. This consent is considered perpetual, which means you will continue to receive a single proxy statement/annual report in the future unless you notify us otherwise.

What if I want to continue to receive multiple sets of materials?

If you would like to continue to receive a separate set of materials for yourself, call or write Wachovia Bank, N.A. at 1-800-829-8432 or 1525 West W.T. Harris Boulevard, Building 3C3, Charlotte, NC 28262-1153. A separate set of materials will be sent to you promptly.

What if I consent to have one set of materials mailed now, but change my mind later?

Call or write Wachovia Bank, N.A. to turn off the householding instructions for yourself. You will then be sent a separate proxy statement and annual report within 30 days of receipt of your instruction.

The reason I receive multiple sets of materials is because some of the stock belongs to my children. What happens when they move out and no longer live in my household?

When there is an address change for one of the members of the household, materials will be sent directly to the shareholder at his or her new address.

ANNUAL REPORT ON FORM 10-K

WE WILL PROVIDE WITHOUT CHARGE TO EACH PERSON SOLICITED BY THIS PROXY STATEMENT, UPON THE WRITTEN REQUEST OF SUCH PERSON, A COPY OF OUR ANNUAL REPORT ON FORM 10-K, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION FOR OUR MOST RECENT FISCAL YEAR. SUCH WRITTEN REQUESTS SHOULD BE DIRECTED TO INVESTOR RELATIONS AT OUR ADDRESS SET FORTH ON PAGE 1 OF THIS PROXY STATEMENT.
