Item 5. Other Events.

On February 1, 2001, The Lubrizol Corporation released its earnings for the year ended December 31, 2000. The earnings release contained the Consolidated Statements of Income for the fourth quarter and twelve months ended December 31, 2000 and 1999. These statements were prepared in accordance with a recently issued accounting rule that was effective for Lubrizol in the fourth quarter of 2000, which provides that shipping fee revenues and shipping costs are to be reported in net sales and cost of sales, respectively. Prior to the fourth quarter of 2000, Lubrizol netted shipping fee revenues and costs within cost of sales. Below is shown for each quarter of 2000 and 1999 and for the respective years, the net sales and cost of sales before and after the reclassification for the effect of the recently issued accounting rule, with detail by operating segment (in thousands of dollars).
