Item 1.01 Entry into a Material Definitive Agreement.

(a) On October 27, 2006, the board of directors of RTI International Metals, Inc. (RTI or the Company) resolved to amend the Company s Directors Compensation Program. The amendments were adopted to enhance the Company s ability to attract and retain independent directors and to align the Company s Director Compensation Program with public companies of comparable size. Prior to the amendments, the directors sought information and advice on director compensation matters from Towers Perrin HR, a consulting firm. The amendments are effective on January 1, 2007 and will raise the retainer compensation to \$120,000 for all non-employee directors other than the chairman and to \$180,000 for the chairman. Half of retainer compensation will be paid in cash and half in stock. Meeting fees will not be paid except in unusual circumstances. Additional compensation of committee chairs is unchanged. Barring unforeseen developments or a substantial change in director responsibility and activities, RTI intends going forward to review and amend the compensation of its non-employee directors not more frequently than bi-annually. The Company s full amended Directors Compensation Program is summarized on Exhibit 10.1 attached hereto and made a part hereof.
