January 19, 2001

Dear Willamette Shareholder:

As you know, Weyerhaeuser, one of the world's leading forest products companies, has commenced a tender offer to acquire all of the outstanding shares of Willamette Industries for \$48.00 per share in cash. The combination of Weyerhaeuser and Willamette will create a new global paper and forest products leader headquartered in the Pacific Northwest and will strengthen the region's role in the forest products industry.

The Weyerhaeuser offer will provide you with a substantial premium for your shares. Based on Willamette's closing share price on Friday, November 10, 2000, the last trading day prior to Weyerhaeuser's announcement of the proposal, our offer represents a premium of approximately 38 percent. It is also a substantial premium of approximately 60 percent to Willamette's average share price for the 60 days prior to the announcement.

Despite the fact that Weyerhaeuser's all cash offer would provide substantial value to you at a premium well beyond what Willamette could achieve alone, now or later, the Willamette board of directors has rejected the offer and continues to refuse to negotiate. A rapid negotiated resolution would be in the best interest of both companies, their shareholders, and other constituencies.

SEND A MESSAGE TO WILLAMETTE'S BOARD OF DIRECTORS.

By tendering your shares, you will be sending a strong message to your board of directors that you, the real owners of the company, want to receive substantial value now for your Willamette investment. You are also telling your board of directors that they should negotiate with Weyerhaeuser because a combination of Weyerhaeuser and Willamette is too compelling to ignore.

Weyerhaeuser's tender offer is scheduled to expire on February 1, 2001, unless extended. While no one can predict what Willamette's share price would be absent the Weyerhaeuser offer, remember that within the last six months Willamette shares have traded as low as \$25.50.

INDEPENDENT INVESTMENT PROFESSIONALS OVERWHELMINGLY SUPPORT THE COMBINATION. HERE'S WHAT THEY HAVE TO SAY\*:

"[W]e view the potential combination as a win-win for shareholders of both companies."

First Call, Lehman Brothers: Peter Ruschmeier, January 8, 2001.

## Edgar Filing: WILLAMETTE INDUSTRIES INC - Form DFAN14A

"Investors trying to decide whether or not to tender their Willamette shares are asking the wrong question. As we see it, the question isn't whether or not to tender, but rather whether to tender or to sell."

First Call, Credit Suisse First Boston: Mark Connelly, December 20, 2000.

"[W]e continue to believe that [Willamette's] stand alone ability to significantly improve its profile cannot match that of what's possible through a combination with [Weyerhaeuser]."

First Call, CIBC World Markets: Don Roberts, December 13, 2000.

"This is a good deal that should happen for the sake of [Willamette] and [Weyerhaeuser] shareholders."

First Call, Bear Stearns: Linda Lieberman, December 5, 2000.

"We haven't met an outside shareholder that wouldn't like to see the two companies sit down."

First Call, Deutsche Banc Alex. Brown: Mark Wilde, November 29, 2000.

"Willamette and Weyerhaeuser would fit together superbly."

First Call, D.A. Davidson: Steven Chercover, November 13, 2000.
