SHORT FORM BASE SHELF PROSPECTUS

New Issue

February 21, 2014

ROGERS COMMUNICATIONS INC.

US\$4,000,000,000  
Debt Securities

We may offer from time to time, during the 25-month period that this prospectus, including any amendments hereto, remains valid, debt securities in an aggregate amount not to exceed US\$4,000,000,000 (or its equivalent in any other currency used to denominate the debt securities at the time of offering). These debt securities may consist of debentures, notes or other types of debt and may be issuable in one or more series. The basis for calculating the dollar value of debt securities distributed under this prospectus will be the aggregate principal amount of debt securities that we issue except in the case of any debt securities that are issued at an original issue discount, the dollar value of which will be calculated on the basis of the gross proceeds that we receive.

This offering is made by a foreign issuer that is permitted, under a multijurisdictional disclosure system adopted by the United States, to prepare this prospectus in accordance with the disclosure requirements of its home country. Prospective investors should be aware that such requirements are different from those of the United States. The financial statements included or incorporated herein, if any, have been prepared in accordance with foreign generally accepted accounting principles, and may be subject to foreign auditing and auditor independence standards, and thus may not be comparable to financial statements of United States companies.

Prospective investors should be aware that the acquisition of securities described herein may have tax consequences both in the United States and in the home country of the Registrant. Such consequences for investors who are resident in, or citizens of, the United States may not be described fully herein.

The enforcement by investors of civil liabilities under the federal securities laws may be affected adversely by the fact that the Registrants are organized under the laws of a foreign country, that some or all of our officers and directors may be residents of a foreign country, that some or all of the underwriters or experts named in the registration statement may be residents of a foreign country and that all or a substantial portion of the assets of the Registrants and said persons may be located outside the United States.

**THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION NOR HAS THE COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.**

The debt securities offered hereby have not been qualified for sale under the securities laws of any province or territory of Canada (other than the Province of Ontario) and, unless otherwise provided in the prospectus supplement relating to a particular issue of debt securities, will not be offered or sold, directly or indirectly, in Canada or to any resident of Canada except in the Province of Ontario.

The debt securities may be offered separately or together, in amounts, at prices and on terms to be determined based on market conditions and other factors. We will provide the specific terms of any debt securities we offer in one or more prospectus supplements which will accompany this prospectus. You should read this prospectus and any applicable prospectus supplement carefully before you invest. This prospectus may not be used to offer debt securities unless accompanied by a prospectus supplement.

We may sell debt securities to or through underwriters or dealers purchasing as principals, and may also sell debt securities to one or more purchasers directly or through agents. The prospectus supplement relating to a particular issue of debt securities will identify each underwriter, dealer or agent engaged by us in connection with the offering and sale of that issue, and will set forth the terms of the offering of such issue, including, to the extent applicable, the proceeds to be received by us and any compensation payable to underwriters, dealers or agents.

Unless otherwise specified in the applicable prospectus supplement, each issue of debt securities will be a new issue of debt securities with no established trading market. There is currently no market through which the debt securities may be sold and purchasers may not be able to resell the debt securities purchased under this prospectus. This may affect the pricing of the debt securities in the secondary market, the transparency and availability of trading prices, the liquidity of the debt securities, and the extent of issuer regulation.

The debt securities may be sold from time to time in one or more transactions at a fixed price or prices or at non-fixed prices. If offered on a non-fixed price basis, debt securities may be offered at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices to be negotiated with purchasers. The price at which the debt securities will be offered and sold may vary from purchaser to purchaser and during the distribution period.

Our head office is located at 333 Bloor Street East, 10th Floor, Toronto, Ontario, M4W 1G9 and our registered office is located at 550 Burrard Street, Suite 2900, Vancouver, British Columbia, V6C 0A3.

The underwriters, dealers and agents with whom we enter into agreements may be customers of, engage in transactions with or perform services for us in the ordinary course of business.

DESCRIPTION OF DEBT SECURITIES

We may offer unsecured general obligations or secured obligations, which may be senior (the “senior debt securities”) or subordinated (the “subordinated debt securities”). The senior debt securities and the subordinated debt securities are together referred to in this prospectus as the “debt securities”. Unless otherwise provided in a prospectus supplement, the senior debt securities will have the same rank as all our other unsubordinated debt. The subordinated debt securities may be senior or junior to, or rank pari passu with, our other subordinated obligations and will be entitled to payment only after payment on our unsubordinated indebtedness.

The following description sets forth certain general terms of the debt securities. The particular terms of a series of debt securities offered by any prospectus supplement and the extent, if any, to which such general terms may apply to those debt securities will be described in the related prospectus supplement. Accordingly, for a description of the terms of a particular issue of debt securities, reference must be made to both the related prospectus supplement and to the following description. Prospective investors should rely on information in the applicable prospectus supplement if it is different from the following information. In this description, the words “we”, “us”, “our”, “RCI” and “Rogers Communication Inc.” refer to Rogers Communications Inc. (or its successors, if any) and not any of its subsidiaries.

Unless otherwise specified in a prospectus supplement, the senior debt securities and the subordinated debt securities will be issued under the base indenture (the “base indenture”) between us and The Bank of New York Mellon, as trustee, dated as of August 6, 2008, as supplemented by one or more supplemental indentures. A copy of the base indenture is attached as an exhibit to the registration statement of which this prospectus forms a part. A copy of the base indenture may also be obtained over the Internet at the Canadian Securities Administrators’ website at [www.sedar.com](http://www.sedar.com). When we issue a series of debt securities, the terms and provisions that are particular to those securities will be set forth in a supplemental indenture. When we refer to the “indenture” in this prospectus in respect of a particular series of debt securities, we are referring to the base indenture, as supplemented by the supplemental indenture applicable to such series. The following summary is of certain provisions of the base indenture and certain general features of the debt securities and this summary does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the base indenture and the applicable provisions of the United States Trust Indenture Act of 1939 (the “TIA”), as amended.

General

The base indenture does not limit the amount of debt securities that may be issued. The debt securities may be issued in one or more series as may be authorized from time to time. The particular terms of any series of debt securities will be established at the time of issuance and will be described in the applicable prospectus supplement. These terms may include, but are not limited to, any of the following where applicable:

- the title of that series,
- any limit on the amount that may be issued in respect of that series,
- whether we will issue the series of debt securities in global form and, if so, who the depository will be,

- the maturity date of the debt securities,
