Item 9.01 Financial Statements and Exhibits

On August 20, 2004, HMG/Courtland Properties, Inc. (the "Company") filed a Form 8-K, under Item 2 thereto to report that it had purchased a restaurant, office/retail and marina property located in Coconut Grove, Florida. The assets were acquired from Bayshore Restaurant Management Corporation, a privately-held Florida corporation which was part of a larger organization with other Florida

restaurant operations.

In response to parts (a) and (b) of Item 7 of such Form 8-K, the Company stated that it would file the required financial information by amendment, as permitted by Instructions (a) (4) and (b) (2) to Item 7. Effective August 23, 2004, the Securities and Exchange Commission renumbered the Form 8-K item numbers. Thus, the information previously filed under Item 7 is now being filed under item 9.01.

The Company is filing this Current Report on Form 8-K/A to amend the Company's Current Report on Form 8-K filed on August 20, 2004, as described above, to include the required pro-forma financial statements pursuant to Item 9.01(b) (1) of Form 8-K. With regards to audited historical financial statements pursuant to Item 9.01(a) (1) the Company's accountants performed a preliminary inspection of the books and records of the company whose principal assets were purchased by the registrant and determined that the acquired assets were part of a larger privately held entity, which lacked adequate financial internal controls and included other entities operating through separate profit centers. To perform an audit would require a complete transactional audit of the entire organization and would be cost prohibitive. Instead the Company is providing unaudited historical information of the aforementioned entity.

(a) Financial Statements of Assets Acquired (unaudited).
