Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

None

Item 3.02 - Unregistered Sales of Equity Securities

(a) (1) On October 26, 2004, the Company completed a Plan and Agreement with Lifeline Nutraceuticals Corporation whereby the shareholders holding approximately 81% of the outstanding stock of Lifeline Nutraceuticals exchanged their stock in Lifeline Nutraceuticals for 15,385,110 shares of newly issued stock in the Company. The newly issued shares represent approximately 94% of the outstanding stock of the Company.

(2) In addition the Company exchanged \$240,000 in new promissory notes for a like amount of convertible debt obligations of Lifeline Nutraceuticals. The new promissory notes contain the same privilege as the original notes to convert to shares of stock in the Company at the rate of fifty cents per share. These notes bear a 10% rate of interest and mature December 15, 2005, if not earlier converted.

(3) The Company also exchanged \$559,000 in new promissory notes for a like amount of bridge note obligations of Lifeline Nutraceuticals. The bridge notes bear interest at 10% per annum and are due the earlier of six months from the date of the exchange or the closing of the first \$1,000,000 of the Company's proposed private placement offering. The bridge note holder shall also receive warrants to purchase common stock to be issued in the private placement equal to the principal amount divided by the per-share offering price, with an exercise price equal to the offering pricing. The warrants shall be exercisable for a period of one year after the closing of the offering. By way of example, if the bridge note is for \$100,000 and the private placement offering occurs at \$2.00 per share (of which there can be no assurance), then the bridge note holder would have a warrant allowing for the purchase of 50,000 shares of Lifeline Therapeutics, Inc. common stock at \$2.00.

(b) The Company used no underwriter to complete this transaction. No finders' fee, commission, or other compensation was paid. The persons who received the Company's securities are all persons who represented to the Company that they were accredited investors and who were previously securities holders associated with Lifeline Nutraceuticals.

(c) None of the securities were sold for cash, but were issued in exchange for other securities in the reorganization described above.

(d) The Company relied on the exemption from registration provided by Sections 4(2) and 4(6) under the Securities Act of 1933 for this transaction. The Company did not engage in any public advertising or general solicitation in connection with this transaction. The Company provided the accredited investor with disclosure of all aspects of our business, including providing the accredited investor with the Company's reports filed with the Securities and Exchange Commission, press releases, access to the Company's auditors, and other financial, business, and corporate information. Based on the Company's investigation, the Company believes that the accredited investors obtained all information regarding the Company they requested, received answers to all questions the posed, and otherwise understood the risks of accepting the Company's securities for investment purposes.

(e) The common stock issued is not convertible or exchangeable. The notes issued

## Edgar Filing: LIFELINE THERAPEUTICS, INC. - Form 8-K

by the Company are convertible into common stock on the terms described above in paragraphs (a) (2) and (a) (3).

(f) Since the Company received no cash proceeds from the issuance of the securities, there is no use of proceeds to report.

Mr. Streets graduated from The Ohio State University in 1975 with a bachelor's degree in business administration.

The Company does not have an audit committee, nominating committee, or other committees of the board. Since the Company has not historically had a nominating committee, all directors participated in determining who the nominees to the board of directors would be. All directors review the financial statements and interact with the Company's auditors. Consequently the entire board of directors will continue to perform those functions.

The board of directors has established a process to communicate with the directors. All communications should be sent to one of the named directors at the Company's address, Lifeline Therapeutics, Inc., Suite 1750, 6400 South Fiddler's Green Circle, Englewood, CO 80111.
