PROXY STATEMENT OF

VILLAGE BANK AND TRUST FINANCIAL CORP.

Suite 200

Midlothian, Virginia 23113

General Information

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of Village Bank and Trust Financial Corp. to be used at the 2009 annual meeting of shareholders to be held on May 26, 2009 at 10:00 a.m. Eastern Daylight Time at Village Bank at Watkins Centre, 15521 Midlothian Turnpike, Midlothian, Virginia. The notice of annual meeting, the proxy card, and this proxy statement are being first mailed on or about April 28, 2009, to shareholders of record of Village Bank and Trust Financial Corp. common stock as of the close of business on April 7, 2009.

Who Can Vote

You can vote at the annual meeting if you owned shares of Village Bank and Trust Financial Corp. common stock, par value \$4.00 per share, as of the close of business on April 7, 2009 (Record Date). Each share of common stock is entitled to one vote. The number of shares outstanding on the Record Date was 4,230,590. When you give Village Bank and Trust Financial Corp. your proxy, you authorize Village Bank and Trust Financial Corp. to vote your shares per your instructions whether or not you attend the annual meeting. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of common stock is necessary to constitute a quorum at the annual meeting.

Executing Your Right to Vote

By completing and returning the enclosed proxy card in time to be voted at the annual meeting, the shares represented by it will be voted in accordance with the instructions marked on the card. Signed but unmarked proxies will be voted on all business matters as recommended by the board of directors. Proxies marked as abstentions and proxies for shares held in the name of a bank, broker or other nominee marked as not voted will be counted only for purposes of determining a quorum at the annual meeting.

The board of directors does not know of any other matters that are to come before the annual meeting except for incidental, procedural matters. If any other matters are properly brought before the annual meeting, the persons named in the accompanying proxy card will vote the shares represented by each proxy on such matters as determined by a majority of the board of directors.

Costs of Proxy Solicitation

The cost of soliciting proxies will be borne by Village Bank and Trust Financial Corp. In addition to the solicitation of proxies by mail, Village Bank and Trust Financial Corp. also may solicit proxies through its directors, officers, and employees. Village Bank and Trust Financial Corp. also will request persons, firms, and corporations holding shares in their names or in the name of nominees that are beneficially owned by others to send proxy materials to and obtain proxies from those beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

Changing Your Vote

Your presence at the annual meeting will not automatically revoke your proxy. However, you may revoke a proxy at any time prior to its exercise by 1) filing a written notice of revocation with C. Harril Whitehurst, Jr., Secretary, which may be sent to Mr. Whitehurst's attention at 15521 Midlothian Turnpike, Suite 200, Midlothian, VA 23113; or 2) delivering to Village Bank and Trust Financial Corp. a duly executed proxy bearing a later date; or 3) attending the annual meeting and casting a ballot in person.

PROPOSAL ONE ELECTION OF DIRECTORS

The board of directors consists of twelve directors. Four members of the board of directors have been nominated for election as directors at the annual meeting for a three-year term ending in 2012. One member of the board of directors has been nominated for election as a director at the annual meeting for a two-year term ending in 2011 and another for a one-year term ending in 2010. Six other directors are serving terms that end in either 2010 or 2011, as indicated below.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of common stock cast in the election of directors. If the proxy is executed in such manner as not to withhold authority for the election of any or all of the nominees for directors, then the persons named in the proxy will vote the shares represented by the proxy for the election of the nominees named below. If the proxy indicates that the shareholder wishes to withhold a vote from one or more nominees for director, such instructions will be followed by the persons named in the proxy.

Each nominee has consented to being named in this proxy statement and has agreed to serve, if elected. The board of directors has no reason to believe that any of the nominees will be unable or unwilling to serve. If, at the time of the annual meeting, any nominee is unable or unwilling to serve as a director, votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by the board of directors. There are no current arrangements between any nominee and any other person pursuant to which a nominee was selected. No family relationships exist among any of the directors or between any of the directors and executive officers of Village Bank and Trust Financial Corp.

The following biographical information discloses each nominee's age, business experience in the past five years and the year each individual was first elected to the board of directors of Village Bank and Trust Financial Corp. or its predecessor and current subsidiary, Village Bank. Committees of the Board

Village Bank and Trust Financial Corp. has an Audit Committee and a Compensation Committee. Village Bank and Trust Financial Corp. does not have a standing nominating committee.

Audit Committee

Village Bank and Trust Financial Corp.'s Audit Committee assists the board of directors in fulfilling its oversight responsibility to the shareholders relating to the integrity of Village Bank and Trust Financial Corp.'s financial statements, Village Bank and Trust Financial Corp.'s compliance with legal and regulatory requirements and the qualifications, independence and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for Village Bank and Trust Financial Corp. The board of directors has adopted a written charter for the Audit Committee. A copy of the charter was attached to our 2007 proxy statement.

The members of the Audit Committee are Messrs. Esleeck, Walton, Chandler and Toalson, all of whom the board of directors, in its business judgment, has determined are independent as defined by NASDAQ's listing standards. The board of directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Mr. Esleeck and Mr. Walton qualify as audit committee financial experts as defined by SEC regulations.

The Audit Committee met two times in 2008. For additional information regarding the Audit Committee, see "Audit Information" "Audit Committee Report" later in this Proxy Statement.

Compensation Committee

Village Bank and Trust Financial Corp.'s Compensation Committee assists the board of directors in fulfilling their responsibility to the shareholders to ensure that Village Bank and Trust Financial Corp.'s officers, key executives, and board members are compensated in accordance with Village Bank and Trust Financial Corp.'s total compensation objectives and executive compensation policy. The Compensation Committee shall advise and recommend for approval compensation policies, strategies, and pay levels necessary to support organizational objectives. The board of directors has adopted a written charter for the Compensation Committee. A copy of the charter was attached to our 2007 proxy statement.

Edgar Filing: Village Bank & Trust Financial Corp. - Form PRE 14A

The members of the Compensation Committee are Messrs. Chandler, Hogg, Bell, Katzen, Toalson, Walton and Whittemore, all of whom the board in its business judgment has determined are independent as defined by NASDAQ's listing standards.

The Compensation Committee's primary objective is to provide competitive levels of compensation to attract, retain and reward outstanding executive officers. In a highly competitive community banking marketplace, excellent leadership is essential. Our executive officers are expected to manage the business of Village Bank and Trust Financial Corp. in a manner that promotes its growth and profitability for the benefit of our shareholders. To that end, we believe that:

Our key executives should have compensation opportunities at levels that are competitive with peer institutions.

Total compensation should include significant at risk components that are linked to annual and longer term performance results.

Stock-based compensation should form a key component of total compensation as a means of linking senior management to the long term performance of Village Bank and Trust Financial Corp. and aligning their interests with those of shareholders.

The Compensation Committee's compensation philosophy with respect to its executive officers is one of pay for performance. Accordingly, an executive officer's annual compensation consists of a base salary, an annual monetary bonus and stock-based compensation. The annual monetary bonus is utilized to reward our executives for achieving short-term financial and productivity goals, and stock-based compensation is utilized for achieving long-term financial and productivity goals.

The Compensation Committee has engaged Lockton Companies, LLC as an independent executive compensation advisor. The compensation advisor advises the Compensation Committee on matters relating to compensation benchmarking, staying current with regulatory and legal issues related to executive compensation, and designing appropriate compensation programs. As part of its consultation with the Compensation Committee, the compensation advisor provides the Committee with peer group comparisons. The Compensation Committee has direct access to the consultant and control over its engagement.

The Compensation Committee met five times in 2008.

Director Nomination Process

The independent members of the board of directors perform the functions of a nominating committee. The board of directors does not believe it needs a separate nominating committee because the independent directors (as that term is defined in the NASDAQ listing standards) have the time and resources to perform the function of recommending nominees to the board of directors. The board of directors has adopted a resolution that provides that it will not nominate any person who has not been recommended for nomination by a majority of the independent directors.

In identifying potential nominees, the board of directors takes into account such factors as it deems appropriate, including the current composition of the board of directors, the range of talents, experiences and skills that would best complement those that are already represented on the board of directors, the balance of management and independent directors and the need for specialized expertise. The board of directors considers candidates for board membership suggested by its members and by management, and the board of directors will also consider candidates suggested informally by a shareholder of Village Bank and Trust Financial Corp.

In the consideration of director nominees, including any nominee that a shareholder may submit, the board of directors considers, at a minimum, the following factors for new directors, or the continued service of existing directors:

The ability of the prospective nominee to represent the interests of the shareholders of Village Bank and Trust Financial Corp.;

The prospective nominee's standards of integrity, commitment and independence of thought and judgment;

The prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

The extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the board of directors; and

The prospective nominee's involvement within the communities Village Bank and Trust Financial Corp. serves.

Shareholders entitled to vote for the election of directors may recommend candidates for the independent directors to consider formally in connection with an annual meeting as long as the recommendation is made on or before the last date on which a shareholder may nominate an individual for election to the board of directors under Village Bank and Trust Financial Corp.'s Bylaws.

Under the process used by Village Bank and Trust Financial Corp. for selecting new board candidates, the President and Chief Executive Officer and the board of directors identify the need to add a new board member with specific qualifications or to fill a vacancy on the board. The Chairman of the board of directors will initiate a search, working with staff support and seeking input from board members and senior management, hiring a search firm, if necessary, and considering any candidates recommended by shareholders. An initial slate of candidates that will satisfy criteria and otherwise qualify for membership on the board may be presented to the board of directors. A determination is made as to whether board members have relationships with preferred candidates and can initiate contacts. The President and Chief Executive Officer and the Chairman of the board of directors interview prospective candidates. The board of directors meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval.

Mr. Winfree has an employment agreement with Village Bank and Trust Financial Corp. and Village Bank, and Messrs. Whitehurst and Sanders have employment agreements with Village Bank. Additional information on these employment agreements is described later in this Proxy Statement. Information on the components of executive compensation is set forth below.

12

Salary. A competitive salary for senior management is essential. Furthermore, flexibility to adapt to the particular skills of an individual or the specific needs of Village Bank and Trust Financial Corp. is required. Proposed salary adjustments for senior management are presented to the Compensation Committee by Mr. Winfree, typically during the second quarter. The Compensation Committee reviews the recommendations, makes any further adjustments and generally approves the recommendations with input from the Compensation Committee's external compensation advisor. Recommendations regarding adjustments to Mr. Winfree's salary are reviewed and, if appropriate, approved by the Compensation Committee in executive session.

Stock-Based Compensation. The Compensation Committee recommends for approval by the board of directors stock option and restricted stock awards to employees under the 2000 Incentive Plan, as amended and restated. These awards of stock options and restricted stock are utilized to attract new employees as well as to reward existing employees for performance.

In December 2008, the Compensation Committee asked its external compensation advisor to propose a 2008 restricted stock award for senior management. At the January 2009 meeting of the Compensation Committee, the compensation advisor recommended restricted stock awards for each executive intended to compensate them for not accepting cash compensation they could have received in 2007 and 2008. The Compensation Committee approved restricted stock awards of 8,667, 4,333 and 4,333 to Mr. Winfree, Mr. Whitehurst and Mr. Sanders, respectively. In approving these awards, the Compensation Committee concluded that they should all be time-vested stock awards. In accordance with FAS 123R the compensation expense for these restricted stock awards will be recognized in the 2009 fiscal year.

In October 2008, the Compensation Committee determined that the executive officers should be rewarded for the successful completion of the merger with River City Bank. Based on the recommendation of Mr. Winfree, the Compensation Committee approved the issuance of stock options to purchase 5,000, 1,000 and 1,000 shares of stock to Mr. Winfree, Mr. Whitehurst and Mr. Sanders, respectively.

Non-Equity Incentive Plan Compensation. We offer senior management an opportunity to receive an annual target non-equity incentive bonus of 15 to 20 percent of their year-end base salary, depending on the executive's responsibilities. To determine an executive officer's non-equity incentive, the Compensation Committee adopted the 2006 Management Incentive Plan (the Plan). Under the Plan, an executive officer can earn a bonus by achieving short-term financial and productivity goals established by the Compensation Committee. These goals are customized for each executive before the beginning of the Plan year to reflect a mix of corporate and individual initiatives and reflect a minimum, target and maximum amount of incentive. For example, Mr. Winfree's targeted incentive awards under the Plan are weighted between corporate (70%) and individual (30%) goals. For others in senior management, the mix of corporate and individual weights is generally 60% / 40% or 50% / 50%, respectively, depending on the organizational responsibility of each executive. At a meeting of the Compensation Committee, usually in December, the Compensation Committee's external compensation advisor recommends award targets and the award schedule (minimum to maximum awards and their relationship to performance intervals), for the upcoming year.

For 2008, Mr. Winfree presented performance results for corporate and individual measures and corresponding proposed incentive amounts that were calculated in accordance with the award schedule in the Plan. The Compensation Committee reviewed the performance of Village Bank and Trust Financial Corp. and each executive's performance against the Plan. At the request of the Compensation Committee, the external compensation advisor validated the award calculations prior to the Compensation Committee's approval of the Plan award amounts. Following approval by the Compensation Committee, the named executive officers all declined their awards under the Plan for both 2007 and 2008.

In general, the target award opportunities under the Plan were below comparative practices of our peer group. As with all components of pay, the Compensation Committee will consider future increases to each executive's annual target incentive opportunity to bring total cash compensation in line with targeted compensation levels and mix as defined in Village Bank and Trust Financial Corp.'s executive compensation philosophy.

Supplemental Executive Retirement Plan. We believe that retirement compensation plays an important role in retaining key executives, as well as helping them provide for retirement. The Compensation Committee retained the compensation advisor to analyze the total retirement benefits provided by Village Bank and Trust Financial Corp. and Social Security to employees with various levels of compensation and years of service so that the Compensation Committee could determine the projected replacement ratio of income at retirement compared with active employment. Because of limits under our qualified retirement plan on the amount of deferrals that our executives can make, several of our executives can expect to have a lower retirement replacement ratio than we have targeted for all employees. Consequently, as a matter of pension equity, we have adopted a supplemental plan which should provide a benefit for designated executives that will help approach the targeted retirement replacement ratio.

For that reason, we provide a benefit for senior management, including each of the named executive officers. Village Bank and Trust Financial Corp. provides a potential supplemental retirement plan benefit of \$50,000 annually for 15 years to Mr. Winfree and a potential benefit of \$25,000 annually for 15 years to Messrs. Whitehurst and Sanders. To qualify for the benefit, the executive must remain in the employment of Village Bank and Trust Financial Corp. for a stated period of time. Under the plan's vesting schedule, Mr. Winfree has completed five years of a six year vesting schedule. Messrs. Whitehurst and Sanders have completed four years of a ten year vesting schedule. In the event of a pre-retirement death, vesting is accelerated and the executive's named beneficiary receives the benefit over the 15 year payout schedule. In the event of a post-retirement death, the executive's named beneficiary receives any remaining benefit payments of the 15 year payout schedule. In the event of a termination of employment resulting from a change in control of Village Bank and Trust Financial Corp., vesting is accelerated and the benefit is paid under the 15 year payout schedule.

The following table sets forth certain information with respect to the amount and value of outstanding equity awards on an award-by-award basis held by the named executive officers at December 31, 2008.

Employment and Change-in-Control Agreements

Securing the continued service of key executives is essential to the successful future of Village Bank and Trust Financial Corp. Employment agreements and management continuity agreements (which help retain key executives during a possible change of control situation) assist Village Bank and Trust Financial Corp. by providing security to key executives.

Edgar Filing: Village Bank & Trust Financial Corp. - Form PRE 14A

Village Bank and Trust Financial Corp. and Village Bank have entered into an employment agreement with Mr. Winfree and Village Bank has entered into employment agreements with Messrs. Whitehurst and Sanders. Mr. Winfree's employment agreement was entered into May 1, 2001 with an initial term of three years. Under the agreement, Mr. Winfree agrees to perform the services and duties appropriate to his capacity as the Chief Executive Officer of Village Bank and Trust Financial Corp. and

Village Bank, responsible for all day-to-day operations. Annually, the executive committee of the board of directors reviews Mr. Winfree's performance for the immediately preceding year and, after such review, may extend the employment agreement for an additional three year period. Mr. Winfree's current employment agreement covers the period from June 15, 2008 to June 14, 2011.

Messrs. Whitehurst's and Sanders' employment agreements were entered into on January 1, 2009 with terms of two years and automatic annual renewals thereafter. Under the agreements, the executives agree to perform the services and duties appropriate to their capacities as Senior Vice Presidents of Village Bank. Annually, the Compensation Committee of the board of directors reviews Messrs. Whitehurst's and Sanders' performance for the immediately preceding year and, after such review, may extend their employment agreements for twelve months by an appropriate written instrument executed by Messrs. Whitehurst and Sanders and on behalf of Village Bank. If the employment agreement is not extended in writing before the end of its term or expressly terminated, it automatically renews for an additional term of twelve months. Messrs. Whitehurst's and Sanders' current employment agreements cover the period from January 1, 2009 to December 31, 2010.

Under the terms of the agreements, each of the named executive officers is entitled to severance payments equal to his respective salary for the balance of the term of his agreement if he is terminated without Cause or if he terminates with Good Reason, each as defined in the respective agreement. In addition, for a period of six months, he will continue to receive benefits under all other employee benefit plans or programs in which he was participating prior to termination or, if continued participation is not possible, an equivalent value. At December 31, 2008, the value of the severance payments following termination without Cause or with Good Reason was:

	Salary	Benefits	Total
Winfree	\$ 479,375	\$ 24,375	\$ 503,750
Whitehurst	260,000	16,250	276,250
Sanders	260,000	17,550	277,550
Total	\$ 999,375	\$ 58,175	\$ 1,057,550

The agreements also provide for termination benefits following a change in control of Village Bank and Trust Financial Corp. If Mr. Winfree's employment is terminated for any reason other than for Cause during the term of the employment agreement and any renewal term following a change of control of Village Bank and Trust Financial Corp., he will be entitled to a severance payment in an amount equal to 2.99 times his salary and bonus received during the twelve months ending with the termination of his employment to be paid in equal monthly installments over the thirty-six months succeeding the date of termination. Additionally, for a period of 2.99 years following termination or until such time that Mr. Winfree has secured full time employment with another employer, he is entitled to continued participation in all group, life, health, accident and disability insurance programs and other employee benefit plans that he was eligible to participate in prior to his date of termination. If any other named executive officer's employment is terminated for any reason other than for Cause during the term of his employment agreement and any renewal term following a change of control of Village Bank and Trust Financial Corp., he will be entitled to a severance payment in an amount equal to his monthly base salary plus an amount equal to the monthly cost for the group health and welfare benefits in which he participated immediately prior to such termination in equal monthly installments for twenty-four months succeeding the date of termination.

Had Mr. Winfree's employment terminated on December 31, 2008 following a change of control of Village Bank and Trust Financial Corp., he would be entitled to approximately \$583,000 (2.99 times his 2008 base salary and bonus, given that his agreement restricts payments that would constitute an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code) payable in equal monthly

installments over 36 months (plus the value of benefits of approximately \$145,750). Had

Edgar Filing: Village Bank & Trust Financial Corp. - Form PRE 14A

any of the other named executive officer's employment terminated on December 31, 2008 following a change of control of Village Bank and Trust Financial Corp., Mr. Whitehurst and Mr. Sanders would be entitled to approximately \$260,000 (plus the value of benefits of approximately \$65,000 and \$71,500, respectively).

Transactions with Management

Some of the directors and officers of Village Bank and Trust Financial Corp. are customers of Village Bank and Trust Financial Corp., and Village Bank and Trust Financial Corp. has had banking transactions in the ordinary course of its business with directors, officers, and their associates, on substantially the same terms, including interest rates, collateral and repayment terms on loans, as those prevailing at the same time for comparable transactions with others. All outstanding loans to such officers

and directors and their associates are current as to principal and interest and do not involve more than the normal risk of collectability or present other unfavorable features. None of such outstanding loans are classified as non-accrual, past due, restructured or potential problems. As of December 31, 2008, all loans to directors, executive officers and their affiliates totaled approximately \$9,985,000 or approximately 22% of stockholders' equity at such date.

There are no legal proceedings to which any director, officer or associate is a party that would be material and adverse to Village Bank and Trust Financial Corp.

PROPOSAL TWO

NON-BINDING VOTE ON EXECUTIVE COMPENSATION

On February 17, 2009, President Obama signed the American Recovery and Reinvestment Act of 2009 (the ARRA) into law. The ARRA includes a provision, commonly referred to as Say-on-Pay, that requires any recipient of funds in the Troubled Assets Relief Program (the TARP) to permit a separate shareholder vote to approve the compensation of executives, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

The Company is evaluating participating in the TARP Capital Purchase Program. In the event that the Company does participate and in order to comply with ARRA as a recipient of TARP funds, the Board of Directors of the Company is providing you the opportunity, as a shareholder, to endorse or not endorse our executive pay programs and policies through the following resolution:

RESOLVED, that the shareholders approve the compensation of executive officers as disclosed in this proxy statement pursuant to the rules of the Securities and Exchange Commission.

Non-binding approval of the Company's executive compensation program would require that a majority of the shares present or represented at the annual meeting vote in favor of the proposal. Abstentions and broker non-votes will not be counted as votes cast and therefore will not affect the determination as to whether the Company's executive compensation program as disclosed in this proxy statement is approved.

Because your vote is advisory, it will not be binding upon the Board of Directors, overrule any decision made by the Board of Directors or create or imply any additional fiduciary duty by the Board of Directors. The Compensation Committee may, however, take into account the outcome of the vote when considering future executive compensation arrangements.
