Classification of continuing and discontinued operations under U.S. GAAP for the year ended March

National Grid Transco plc ("NGT") reports that it intends to make a correction to its classification of continuing and discontinued operations under U.S. GAAP for the year ended March 31, 2002. The effect of this correction will be to re-classify certain statement data and presentation for that year only, the results of operations of certain businesses owned or controlled by NGT in accordance with the equity method of accounting, will be re-classified from discontinued operations to "Interest in equity accounted affiliates" within continuing operations. The businesses concerned are in the alternative network telecommunications sector in Europe and Latin America, from which NGT has previously reported income. This correction will be reflected in NGT's annual report on Form 20-F for the year ended March 31, 2004, filed with the Securities and Exchange Commission later this month.

NGT's primary financial statements presented under U.K. GAAP will not be affected for any period. The correction will not affect net income under U.S. GAAP for any period.
