**UNAUDITED PRO FORMA FINANCIAL INFORMATION**

On May 15, 2008, AdCare Health Systems, Inc. (the Company), completed the acquisition of 99% ownership in The New Lincoln, Ltd. (NLL). The sole asset of The New Lincoln, Ltd. is the New Lincoln Lodge Retirement Residence (NLLRR). NLLRR is a 53 unit assisted living residence located in Columbus, Ohio. NLLRR began providing independent living and assisted living services in 1997.

On June 10, 1995, the Company formed New Lincoln Co. (in which the Company owned 49%) to serve as a 1% general partner in NLL. NLL was formed to acquire, renovate and operate NLLRR. In January 1999, the Company transferred its interest in New Lincoln, Ltd. to the majority owner. In connection with the transfer of the Company's interest in NLL, the Company received a promissory note in the amount of \$1,425,000. The note was due to be paid in full on or prior to December 31, 2004. At December 31, 2004, the outstanding principal balance was \$1,389,935. The Company granted an extension of the due date to December 31, 2005.

In October, 2005, the terms of the promissory note were retroactively amended. The amended terms called for interest at 10%, and a lump sum payment of the outstanding principal and accrued interest on December 31, 2006, the maturity date. The promissory note was personally guaranteed by the owner of the facility. This note was subsequently extended to December 31, 2007.

On March 7, 2008, the Company entered into a letter of intent to acquire 99% of NLL effective April 1, 2008. The Company completed the acquisition on May 14, 2008.

The consideration paid by the Company to NLL was approximately \$2,392,000 consisting of \$12,500 in cash, the residual value of the Company's note receivable of approximately \$218,000, 1% ownership of NLL which the Company has valued at approximately \$6,600, liabilities assumed of approximately \$2,144,000 and 25,000 warrants to purchase the Company's stock at a price equal to the stock price of \$1.21. Preliminarily, the Company has estimated the value of these warrants to be approximately \$10,500 using the Black-Scholes option-pricing model.

Additionally, the Company granted an option and right of first refusal to the seller. The terms of the agreement include an option to purchase the NLL for a period of two years ending on April 1, 2010 at a price equal to \$2,750,000 plus any capital expenditures, cash loans, refinancing charges made to refinance the property. The Company also granted a right of first refusal for an additional three years ending on April 1, 2013 in the event the seller does not exercise its option to purchase by April 1, 2010. The right of first refusal grants the seller the opportunity to meet any offer to purchase the property for a period of sixty days from the time the offer is made. The Company has treated this option and right of first refusal as a contingent liability but has not recorded a liability due to the low probability that the option or right of first refusal will be exercised.

The Company evaluated the acquisition of a 99% interest in New Lincoln Lodge pursuant to FAS 109, Accounting for Income Taxes, and determined that the excess of the book carrying value over the Company's tax basis would result in a deferred tax liability. The effect of recording the deferred tax liability results in a corresponding decrease to the valuation allowance against the net deferred tax asset on the balance sheet. Therefore, there is no tax expense or benefit recorded in the statement of operations as it related to the acquisition.
