Item 7.01 Regulation FD Disclosure

The information included in Exhibit 99 is incorporated by reference in response to this Item 7.01, and is deemed to be furnished, not filed, pursuant to Item 7.01 of Form 8-K.

On February 15, 2007, members of PG&E Corporation's management will use the presentation materials attached hereto as Exhibit 99 during meetings to be held with investment professionals. The presentation contains forward-looking statements regarding the Utility's anticipated investment in energy-efficiency programs, expected energy savings related to energy-efficiency programs, projections of future renewable energy procurement, and the Utility's proposed long-term electricity procurement plan submitted to the California Public Utilities Commission, or CPUC, for approval. These statements are based on current expectations and various assumptions which management believes are reasonable. These statements and assumptions are necessarily subject to various risks and uncertainties, the realization or resolution of which are outside of management's control. Actual results may differ materially. Factors that could cause actual results to differ materially are set forth in the presentation materials attached as Exhibit 99.
