Plan Administrator  
Reckson Management Group Inc. 401(k) Plan  
Retirement and Benefits Committee

We have audited the accompanying statements of net assets available for benefits of Reckson Management Group, Inc. 401(k) Plan as of December 31, 2000 and 1999, and the related statement of changes in net assets available for benefits for the year ended December 31, 2000. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form 11-K

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2000 and 1999, and the changes in its net assets available for benefits for the year ended December 31, 2000, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment at December 31, 2000 is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes To Financial Statements

December 31, 2000

1. DESCRIPTION OF THE PLAN

The following description of the Reckson Management Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The purpose of the Plan is to provide eligible employees of Reckson Management Group, Inc. (the "Employer") and its related companies (collectively, the "Affiliates") that participate in the Plan (collectively, the "Participating Employers") with an opportunity to increase their savings on a tax-favored basis. Shares of the Class A common stock of Reckson Associates Realty Corp. ("Reckson") and the common stock of FrontLine Capital Group ("FrontLine") are among the investment options offered to participants pursuant to the Plan.

The Plan is a defined contribution plan sponsored by the Employer covering all eligible full-time employees of the following Participating Employers who have completed six months of service and are age twenty-one or older. The following

## Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form 11-K

Participating Employers participated in the Plan during the years ended December 31, 2000 and 1999:

FrontLine Capital Group

Reckson Management Group, Inc.

Reckson Construction Group, Inc. ("RCG")

RANY Management Group, Inc. ("RANY")

Reckson Strategic Venture Partners, LLC ("RSVP")

### 1. DESCRIPTION OF THE PLAN (CONTINUED)

#### CONTRIBUTIONS

Each year, participants may contribute up to 15 percent of pretax annual compensation, as defined in the Plan (subject to the limitations of section 401(k) of the Internal Revenue Code). Participants may also rollover amounts representing distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2000, the Plan offered 15 mutual funds, the Class A common stock of Reckson and the common stock of FrontLine as investment options for participants. Additional discretionary matching contributions may be contributed at the option of the Participating Employers. Contributions are subject to certain limitations.

For the years ended December 31, 2000 and 1999, the Participating Employers have not made any contributions to the Plan.

#### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of Plan earnings, and charged with an allocation of the Plan's administrative expenses, if not paid by the Employer. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### VESTING

Participants are immediately 100% vested in their contributions. Additionally, a participant vests ratably in employer matching contributions, if any, based on five years of credited service.

## Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form 11-K

### PARTICIPANT LOANS

Participants may borrow from their fund accounts up to 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the U.S. prime lending rate plus one-half percentage point.

Notes To Financial Statements (continued)

### 1. DESCRIPTION OF THE PLAN (CONTINUED)

#### PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or receive annual installments.

#### PLAN TERMINATION

On January 1, 2001, the Plan was amended to, among other things, change the employer and administrator under the Plan from the Employer to FrontLine (see note 7). Additionally in 2001, FrontLine terminated the Plan subject to the provisions of ERISA.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared under the accrual basis of accounting.

#### INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. The participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

#### USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that effect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

The Internal Revenue Service issued an opinion dated June 29, 1993, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps, if any, to maintain the Plan's qualified status.

7. SUBSEQUENT EVENT

On January 1, 2001, the Employer created the Reckson 401(k) Plan (the "2001 Plan") for the benefit of its employees of the Employer, RCG and RANY. In addition, RSVP created its own 401(k) plan for the benefit of its employees. As a result, the Employer, RCG, RANY and RSVP ceased to be Participating Employers under the Plan leaving FrontLine as the sole remaining Participating Employer under the Plan and the administrator of the Plan. During 2001, FrontLine terminated the Plan and distributed the remaining Plan assets to the remaining participants.
