ITEM 5.02. DEPARTURES OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

(e) Compensatory Arrangements of Certain Officers

On March 11, 2013, the Compensation Committee (the “Compensation Committee”) of the Board of Directors (the “Board”) of KVH Industries, Inc. (the “Company”) approved two formulas for calculating the 2013 cash bonuses that will be payable in 2014 with respect to the Company’s “named executive officers” (as defined in the Company’s definitive proxy statement filed with the Securities and Exchange Commission on April 24, 2012) (the “Named Executive Officers”), one formula for executives responsible for sales and one formula for all other executives.

The Compensation Committee also established a target bonus for each executive, ranging from 35% of annual base salary to (in the case of the President, Chief Executive Officer and Chairman of the Board) 90% of annual base salary, and these bonuses will be payable if revenue and earnings before interest, taxes, depreciation and amortization, and equity-based compensation (inclusive of the executive bonus payout) (“Adjusted EBITDA”) growth falls within stated ranges, as determined by the Compensation Committee.

Bonus for Sales Executive

The Compensation Committee approved a formula for the bonus of Mr. Brent Bruun, our Executive Vice President, Mobile Broadband Group and our only Named Executive Officer responsible for sales, based 25% on corporate performance goals and 75% on an individual performance goal for revenue. The portion of the bonus plan based on achieving corporate performance goals for Mr. Bruun uses a sliding scale to determine bonus amounts based on the degree of achievement of the Company’s goals for growth in 2013 in revenue and Adjusted EBITDA. The portion of the bonus based on his individual performance goal uses a sliding scale to determine bonus amounts based on the degree of achievement of his individual budgeted revenue target.

The bonus payment based on the corporate performance goals will be 100% for Mr. Bruun if the Company achieves its budgeted targets for revenue and Adjusted EBITDA. The threshold for payment of the portion of the bonus for corporate performance is the Company’s achievement of 100% of the budgeted target for revenue and 85% of the budgeted target for Adjusted EBITDA, and at this level of achievement, 50% of the target bonus for corporate performance will be earned. The maximum bonus payment for corporate performance will be awarded if the Company exceeds its budgeted targets for revenue and Adjusted EBITDA by 15% and 25%, respectively, in which case the payment will be 233% of the target bonus for corporate performance.

The bonus payment based on Mr. Bruun’s individual performance goal will be 100% if he achieves his budgeted target for revenue. The threshold for payment is achievement of 85% of his individual budgeted revenue target, in which case 60% of the target bonus for individual performance will be earned. The maximum bonus payment for his individual performance will be awarded if he exceeds his individual budgeted revenue target by 25%, in which case the payment will be 200% of the target bonus. If the actual revenue level achieved is less than 85% of the budgeted revenue target, the individual performance portion of the bonus will be zero.

Bonus for Other Executives

The Compensation Committee approved a formula for determining the bonuses of our other Named Executive Officers, including Mr. Martin Kits van Heyningen, our President, Chief Executive Officer and Chairman of the Board, Mr. Peter Rendall, our Chief Financial Officer, Mr. Robert Balog, our Senior Vice President, Engineering, and Mr. James Dodez, our Senior Vice President, Marketing and Strategic Planning, based 75% on corporate performance goals and 25% on individual performance goals. The portion of the bonus plan based on achieving corporate performance goals uses a sliding scale to determine bonus amounts based on the degree of achievement of the Company's goals for growth in 2013 in revenue and Adjusted EBITDA. The portion of the bonuses based on individual performance for such executives is based solely on the discretion of the Compensation Committee.

The bonus payments based on the corporate performance goals uses the same formula as described above for Mr. Bruun.

The Compensation Committee retained the discretion to make adjustments to any bonus calculation under the plan.
