\$200,000,000 aggregate principal amount at maturity of 12 1/2% senior notes due 2010, which we refer to as the old notes. SpectraSite entered into a registration rights agreement with the initial purchaser of the old notes in the private offering in which it agreed, among other things, to complete an exchange offer for the old notes. On January 26, 2001, SpectraSite commenced an offer to exchange the old notes for its Series B 12 1/2% senior notes due 2010, which have been registered under the Securities Act of 1933. In order to be exchanged, outstanding old notes must be properly tendered and accepted. SpectraSite will exchange all old notes validly tendered and not validly withdrawn. SpectraSite will issue registered notes on or promptly after the expiration of the exchange offer. The exchange offer will expire at 5:00 p.m., New York City time, February 26, 2001 unless SpectraSite decides to extend the expiration date. This report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the registered notes in any State in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such State.
