REFLECT SCIENTIFIC, INC.
Notes to the Consolidated Financial Statements
June 30, 2005 and December 31, 2004

NOTE 1 - BASIS OF FINANCIAL STATEMENT PRESENTATION

The accompanying unaudited condensed financial statements have been prepared by the Company pursuant to accounting principles generally accepted in the United States of America. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted in accordance with such rules and regulations. The information furnished in the interim condensed financial statements include normal recurring adjustments and reflects all adjustments, which, in the opinion of management, are necessary for a fair presentation of such financial statements. Although management believes the disclosures and information presented are adequate to make the information not misleading, it is suggested that these interim condensed financial statements be read in conjunction with the Company's most recent audited financial statements and notes thereto included in its December 31, 2004 financial statements. Operating results for the six months ended June 30, 2005 are not necessarily indicative of the results that may be expected for the year ending December 31, 2005.

NOTE 2 - ACQUISITION OF REFLECT SCIENTIFIC

On December 30, 2003, pursuant to an agreement and plan of reorganization, the Company completed a reverse merger with the shareholder of Reflect Scientific, Inc. in which it acquired 100% of Reflect Scientific, Inc., a California Company in exchange for 22,914,949 common shares of the Company. The terms of the acquisition

Edgar Filing: REFLECT SCIENTIFIC INC - Form 10QSB

are detailed in an 8-K filing dated December 31, 2003. Under the terms of the agreement, the President of Reflect Scientific, Inc. became the President of the Company and was elected to the Board of Directors, the acquisition was accounted for as a recapitalization of Reflect Scientific, Inc. because the members of Reflect Scientific, Inc. controlled the Company after the acquisition. Reflect Scientific, Inc. was treated as the acquiring entity for accounting purposes and Cole, Inc. was the surviving entity for legal purposes. There was no adjustment to the carrying values of the assets or liabilities of Reflect Scientific, Inc. and no goodwill was recorded.

NOTE 3 EQUITY TRANSACTIONS

Dividends

The holders of the Series A Preferred Stock are entitled to dividends at the rate of 8 percent per year of the liquidation preference of \$1.00 per share, payable annually, if and when declared by the board of directors. Dividends are not cumulative and the board of directors are under no obligation to declare dividends.

Convertibility

Upon the approval of the Board of Directors, Series A Preferred Stock may be convertible into the Company's common stock by dividing \$1.00 plus any unpaid dividends by 50% of the five day average closing bid price of the common shares.

During the quarterly period, the Company sold 264,000 shares of Series A Convertible Preferred Stock in exchange for proceeds of \$264,000, bringing sales of the Series A Convertible Preferred Stock for the six month period ended June 30, 2004, to 700,000 shares for aggregate gross proceeds of \$700,000. As a result of the beneficial conversion feature inherent in the conversion rights and preferences of Series A Preferred Stock, the Company has recognized a deemed dividend of \$700,000. This deemed dividend was calculated based on the conversion price above at the time of conversion. Because the Company does not have sufficient retained earnings, dividends were recorded in additional paid-in-capital and have a net affect of zero in that account and is therefore not presented on the statement of shareholders' equity as a separate item. This

7

REFLECT SCIENTIFIC, INC.
Notes to the Consolidated Financial Statements
June 30, 2005 and December 31, 2004

NOTE 3 EQUITY TRANSACTIONS (continued)

beneficial conversion feature was recorded to additional paid in capital and will be recorded as a deemed dividend to preferred shareholders (accretion) over the period to the instruments earliest conversion date. This conversion date has been determined to be July 19, 2005.

8

Item 2. Management's Discussion and Analysis or Plan of Operation.

Edgar Filing: REFLECT SCIENTIFIC INC - Form 10QSB

Results of Operations.

Our revenues decreased during the quarter ended June 30, 2005, to \$547,349, from \$581,656 for the quarter ended June 30, 2004, primarily as a result of softening sales in the second quarter due to general market conditions across several product lines.

Our cost of goods decreased in the quarter ended June 30, 2005, as compared to June 30, 2004, to \$282,735 from \$332,912.

General and administrative expenses increased to \$145,160 during the quarter ended June 30, 2005, from \$67,638 during the quarter ended June 30, 2004. This increase was due to the addition of one full-time employee, increased payroll and increased operational expenses, like legal and accounting fees.

Our revenues decreased during the six months ended June 30, 2005, to \$1,054,741, from \$1,081,707 for the six months ended June 30, 2004, again primarily as a result of softening sales in the 2nd quarter due to general market conditions across several product lines.

Our cost of goods decreased in the six months ending June 30, 2005, as compared to June 30, 2004, to \$593,842 from \$644,035.

General and administrative expenses increased to \$250,430 during the six months ended June 30, 2005, from \$138,168 during the six months ended June 30, 2004. This increase was due to the addition of one full-time employee, increased payroll and increased operational expenses, including legal and accounting fees like those reported in the first quarter ended March 31, 2005.

Liquidity and Capital Resources.

Our cash resources at June 30, 2005, were \$691,192, with accounts receivable of \$347,291. We have relied on revenues and lines of credit for our cash resources; and have received gross proceeds of \$700,000 during the first six months of 2005 from the sale of Series A Convertible Preferred Stock at \$1.00 per share. At June 30, 2005, we had utilized \$269,011 of our \$400,000 line of credit. These funds should be adequate for the next 12 months for continuing operations; however, plans for expansion will require additional capital of between \$500,000 and \$750,000.

Forward-Looking Statements.

The Private Securities Litigation Reform Act of 1995 (the "Act") provides a safe harbor for forward-looking statements made by or on behalf of our Company. Our Company and its representatives may from time to time make written or oral statements that are "forward- looking," including statements contained in this Quarterly Report and other filings with the Securities and Exchange Commission and in reports to our Company's stockholders. Management believes that all statements that express expectations and projections with respect to future matters, as well as from developments beyond our Company's control including changes in global economic conditions are forward-looking statements within the meaning of the Act. These statements are made on the basis of management's views and assumptions, as of the time the statements are made, regarding future events and business performance. There can be no assurance, however, that management's expectations will necessarily come to pass. Factors that may affect forward- looking statements include a wide range of factors that could materially affect future developments and performance, including the following:

Edgar Filing: REFLECT SCIENTIFIC INC - Form 10QSB

Changes in Company-wide strategies, which may result in changes in the types or mix of businesses in which our Company is involved or chooses to invest; changes in U.S., global or regional economic conditions, changes in U.S. and global financial and equity markets, including significant interest rate fluctuations, which may impede our Company's access to, or increase the cost of, external financing for our operations and investments; increased competitive pressures, both domestically and internationally, legal and regulatory developments, such as regulatory actions affecting environmental activities, the imposition by foreign countries of trade restrictions and changes in international tax laws or currency controls; adverse weather conditions or natural disasters, such as hurricanes and earthquakes, labor disputes, which may lead to increased costs or disruption of operations.

This list of factors that may affect future performance and the accuracy of forward-looking statements is illustrative, but by no means exhaustive. Accordingly, all forward-looking statements should be evaluated with the understanding of their inherent uncertainty.

Item 3. Controls and Procedures.

As of the end of the period covered by this Quarterly Report, we carried out an evaluation, under the supervision and with the participation of our President and Treasurer, of the effectiveness of our disclosure controls and procedures. Based on this evaluation, our President and Treasurer concluded that our disclosure controls and procedures are effectively designed to ensure that information required to be disclosed or filed by us is recorded, processed or summarized, within the time periods specified in the rules and regulations of the Securities and Exchange Commission. It should be noted that the design of any system of controls is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote. In addition, we reviewed our internal controls over financial reporting, and there have been no changes in our internal controls or in other factors in the last fiscal quarter that has materially affected or is reasonably likely to materially affect our internal control over financial reporting.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings.

None; not applicable.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

2004 Convertible Preferred Stock.

As of the quarter ended June 30, 2005, we sold 700,000 shares of our 2004 Series A Convertible Preferred Stock at an offering price of \$1.00 per share to 26 persons who were "accredited investors" as that term is defined in Regulation D of the Securities and Exchange Commission.

We issued all of these securities to persons who were either "accredited investors," or "sophisticated investors" who, by reason of education, business acumen, experience or other factors, were fully capable of evaluating the risks and merits of an investment in our company; and each had prior access to all material information about us. We believe that the offer

Edgar Filing: REFLECT SCIENTIFIC INC - Form 10QSB

and sale of these securities were exempt from the registration requirements of the Securities Act, pursuant to Sections 4(2) and 4(6) thereof, and Rule 506 of Regulation D of the Securities and Exchange Commission and from various similar state exemptions. See Note 3 of our consolidated financial statements that accompany this Quarterly Report, in Part I, Item 1, above.

We also issued 380,000 shares of common stock for services during the quarter ended June 30, 2005, valued at \$.0238 per share or \$9,056.00.

Item 3. Defaults Upon Senior Securities.

None; not applicable.

Item 4. Submission of Matters to a Vote of Security Holders.

None; not applicable.

Item 5. Other Information.

None; not applicable.

Item 6. Exhibits.

Exhibits.

- 31.1 302 Certification of Kim Boyce
- 31.2 302 Certification of Kevin Cooksy
- 32 906 Certification.
