PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of VCA Antech, Inc., a Delaware corporation ("VCA," the "Company", "we", or "us"), of Proxies to be voted at our 2002 Annual Meeting of Stockholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Stockholders on June 10, 2002, beginning at 10:00 a.m. Pacific Time. The meeting will be held at the Company's principal offices at 12401 West Olympic Boulevard, Los Angeles, California 90064-1022.

It is anticipated that the 2001 Annual Report and this Proxy Statement and the accompanying Proxy will be mailed to stockholders on or about May 20, 2002.

STOCKHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on April 25, 2002 are entitled to receive this notice and to vote their shares at the Annual Meeting. Common stock is the only outstanding class of securities entitled to vote at the Annual Meeting. As of April 25, 2002, there were 36,736,081 shares of common stock outstanding.

PROXIES. Your vote is important. If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All stockholders can vote by written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. All street name stockholders also can vote by Proxy via the Internet, pursuant to the instructions set forth on their Proxy card. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING. If you are a stockholder of record, you may revoke your Proxy at any time before the meeting either by filing with our Secretary, at our principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

INTERNET VOTING BY SHARES HELD IN STREET NAME. A number of brokerage firms and

Edgar Filing: VCA ANTECH INC - Form DEF 14A

banks offer Internet voting options. The Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Specific instructions to be followed by owners of shares of common stock held in street name are set forth on your Proxy card. Stockholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from telephone companies and Internet access providers, that must be borne by the stockholder.

QUORUM. The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

VOTING. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to stockholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

ELECTION OF DIRECTORS. The eight nominees for director receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

OTHER MATTERS. At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

ITEM 1: ELECTION OF DIRECTORS

Item 1 is the election of eight members of the Board of Directors. In accordance with our Bylaws, the Board of Directors has fixed the number of directors at eight. As provided in our Bylaws, the Board of Directors will be grouped into three classes, as nearly equal in number as possible. Directors designated as Class I directors will hold office until the 2003 Annual Meeting and thereafter for a term of three years. Directors designated as Class II directors will hold office until the 2004 Annual Meeting and thereafter for a term of three years. Directors designated as Class III directors will hold office for a term of three years until the 2005 Annual Meeting and thereafter for a term of three years. Eight directors will be elected at this Annual Meeting as either Class I, Class II or Class III directors as set forth below.

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Audit Committee currently consists of John Heil, Melina Higgins and Frank Reddick. The Audit Committee recommends the engagement of our independent public accountants, reviews the scope of the audit to be conducted by the independent public accountants, and periodically meets with the independent public accountants and our Chief Financial Officer to review matters relating to our financial statements, our accounting principles and our system of internal accounting controls, and reports its recommendations as to the approval of our financial statements to the Board of Directors. The role and responsibilities of the Audit Committee are more fully set forth in a written Charter adopted by the Board of Directors attached hereto as EXHIBIT A. The Audit Committee was formed and its members appointed in February 2002. Therefore, the Audit Committee did not hold any meetings during fiscal 2001.

The Compensation Committee currently consists of John M. Baumer and Frank Reddick, each a non-employee director. The Compensation Committee is responsible for considering and making recommendations to the Board of Directors or its other committees regarding executive compensation. Following review and approval by the committee, determinations pertaining to executive compensation will be submitted to the full Board of Directors (or, in the case of stock options, to any committee administering the stock option programs) for approval. In connection with its deliberations, the committee will seek, and will be significantly influenced by, the views of the Chief Executive Officer with respect to appropriate compensation levels of the other officers. The Compensation Committee was formed and its members appointed in April 2002. Therefore, the Compensation Committee did not hold any meetings during fiscal 2001.

All directors attended 75% or more of all the meetings of the Board of Directors during fiscal 2001.

Upon appointment to the Board, each non-employee director receives an initial grant of ten-year options to purchase 15,000 shares of common stock at the fair market value of the common stock on the date of grant, which options vest in two equal annual installments on the anniversary date of the grant. In addition, each non-employee director receives an annual automatic grant of ten-year options to purchase 5,000 shares of common stock at the fair market value of the common stock on the date of grant, which options vest one year after the date of grant.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. In the case of termination due to death or disability, any unexercised options will remain exercisable for the full term.

If Mr. Antin terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a change of control, in which event the employment of Mr. Antin terminates automatically, we will pay Mr. Antin his remaining base salary during the remaining scheduled term of the employment agreement and an amount based on his past bonuses, accelerate the vesting of his options and continue to provide specified benefits and perquisites. If Mr. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Antin his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Antin), accelerate the vesting of his options and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any unexercised options will remain exercisable for the full term.

If Mr. Antin terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a change of control, in which event the employment of Mr. Antin terminates automatically, we will pay Mr. Antin his remaining base salary during the remaining scheduled term of the employment agreement and an amount based on his past bonuses, accelerate the vesting of his options and continue to provide specified benefits and perquisites. County, and to participate in a bonus plan based on annual performance standards to be established by the board of directors.

If Mr. Tauber's employment is terminated due to his death or disability, the employment agreement provides that we will pay Mr. Tauber or his estate, as applicable, the amount he would have earned as base salary during the 12 months following the termination date (reduced by any amounts paid under any life insurance policy or long-term disability insurance policy, as applicable, maintained by us for the benefit of Mr. Tauber), accelerate the vesting of his options and continue to provide specified benefits for the 12 months following the termination date. In these circumstances, Mr. Tauber may exercise his options during the remainder of their term.

If Mr. Tauber terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a change of control, in which event the employment of Mr. Tauber terminates automatically, we will pay Mr. Tauber the amount he would have earned as base salary during the 12 months following the termination date (or a lesser amount if Mr. Tauber is terminated by us without cause and he had not completed 15 months of consecutive service), an amount based on his past bonuses, accelerate the vesting of his options and continue to provide specified benefits for the 12 months following the termination date. In these circumstances, Mr. Tauber may exercise his options during the full term of the option.

Mr. Tauber may terminate his employment with us at anytime in which event he is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay.

If any of the payments due Mr. Tauber upon termination qualify as "excess parachute payments" under the Internal Revenue Code, Mr. Tauber also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

TOMAS W. FULLER. Mr. Fuller's employment agreement dated as of November 27, 2001, provides for Mr. Fuller to serve as our Chief Financial Officer, Vice President and Assistant Secretary for a term equal to two years from any given date, such that there shall always be a minimum of at least two years remaining under his employment agreement. The employment agreement provides for Mr. Fuller to receive an annual base salary of not less than \$244,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the compensation committee.

If Mr. Fuller's employment is terminated due to his death, the employment agreement provides that we will pay Mr. Fuller's estate his remaining base salary during the remaining scheduled term of the employment agreement, accelerate the vesting of his options and continue to provide family medical benefits. If Mr. Fuller's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Fuller his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Fuller), accelerate the vesting of his options and the continuation of specified benefits and perquisites. In the case of termination due to death or disability, any unexercised options will remain exercisable for the full term.

If Mr. Fuller terminates the employment agreement for cause, if we terminate the

Edgar Filing: VCA ANTECH INC - Form DEF 14A

employment agreement without cause or in the event of a change of control, in which event the employment of Mr. Fuller terminates automatically, we will pay Mr. Fuller his remaining base salary during the remaining scheduled term of the employment agreement and an amount based on his past bonuses, accelerate the vesting of his options and continue to provide specified benefits and perquisites. In these circumstances, Mr. Fuller may exercise his options immediately upon termination and thereafter for the full term of the option.

If Mr. Fuller terminates the employment agreement without cause or we terminate the employment agreement for cause, Mr. Fuller is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay.

If any of the payments due Mr. Fuller upon termination qualify as "excess parachute payments" under the Internal Revenue Code, Mr. Fuller also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a change of control and at our request, each of Messrs. Robert L. Antin, Arthur J. Antin, Neil Tauber and Tomas W. Fuller is obligated to continue to serve under his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

COMPENSATION REPORT

THE INFORMATION IN THIS COMPENSATION REPORT SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL," OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION OR TO BE SUBJECT TO REGULATION 14A OR 14C AS PROMULGATED BY THE SECURITIES AND EXCHANGE COMMISSION, OR TO THE LIABILITIES OF SECTION 18 OF THE SECURITIES AND EXCHANGE ACT OF 1934.

Prior to November 21, 2001, VCA Antech, Inc. was a privately held company. During this period, the Company did not have a Compensation Committee, and the Board of Directors of the Company was responsible for administering the Company's executive compensation programs. In April 2002, the Compensation Committee was established.

COMPENSATION PHILOSOPHY

TOTAL COMPENSATION. The compensation program for executive officers is designed to attract, motivate, reward and retain highly skilled executives who have the talent and experience necessary to advance the company's short- and long-term interests. We believe that this approach effectively serves VCA Antech's stockholders' best interests by tying a significant portion of incentive compensation to the achievement of goals that are aligned with your goals. The principal elements of total compensation paid to executives of the Company consist of base salary, annual incentive bonuses and periodic grants of stock options.

BASE SALARY. The base salaries for our executive officers in 2001 and 2002 were established through negotiation with each executive and incorporated in their respective employment agreement. Pursuant to the terms of each employment agreement, we review the base salaries for the executive officers annually. We considered the following factors in determining the base salaries reflected in each employment agreement and intend to use the same factors in the annual review of each base salary: compensation levels of similarly positioned executives in comparable companies;

Edgar Filing: VCA ANTECH INC - Form DEF 14A

the performance of the business area or function for which the executive is responsible; and qualitative factors reflecting the individual performance of the particular executive officer.

ANNUAL INCENTIVES. We have designed an annual incentive bonus program that we believe creates a direct link between pay and performance for our senior executives. We establish specific annual performance goals and set target awards for our executives. We believe that the awards should be determined with specific reference to the company's overall performance and goals, as well as the performance and goals of the division or function over which each individual executive has primary responsibility. Cash bonuses paid to the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer for performance in 2001 were based on adjusted EBITDA targets. 40% of the cash bonus paid to the Senior Vice President of Development was based on adjusted EBITDA targets and 60% was based on annual acquisition goals. The extent to which annual performance goals are met determines a range of percentages for which the cash bonus may be calculated based on that executive's annual base salary. Potential annual target awards in 2001 ranged from 0% to 100% of an executive's base salary. Actual annual target awards in 2001 ranged from 42% to 60% of an executive's base salary. The maximum annual target award payable to any particular executive for 2001 was payable to Mr. Antin, who received 60% of his base salary, or \$300,000 dollars.

STOCK OPTIONS AND AWARDS. We believe that awarding stock options to our executive officers will motivate them to focus on the company's long-term performance. Stock option grants are generally made to an executive upon commencement of service or entering into an employment agreement and periodically during their tenure with the company. Stock options generally vest in equal monthly installments over two years and have an exercise price equal to the closing price of our common stock on the last trading day immediately preceding the grant. We did not make any awards to the executives in 2001 in light of the substantial equity incentives provided to our executive officers in the fall of 2000 in connection with our reorganization.

DETERMINATION OF CHIEF EXECUTIVE OFFICER'S COMPENSATION. At January 2001, the Chief Executive Officer's annual base salary was \$410,000. This salary was increased to \$520,000 in November 2001, in connection with entering into a new employment agreement with Mr. Antin. For performance in fiscal 2001, the Chief Executive Officer received a cash bonus of \$300,000 and an automobile allowance of \$2,377. This compensation package was established based on the factors we use to determine executive base salaries.

OMNIBUS BUDGET RECONCILIATION ACT IMPLICATIONS FOR EXECUTIVE COMPENSATION. Effective January 1, 1994, under Section 162(m) of the Internal Revenue Code of 1986, as amended, a public company generally will not be entitled to a deduction for non-performance-based compensation paid to certain executive officers to the extent such compensation exceeds \$1.0 million. Special rules apply for "performance-based" compensation, including the approval of the performance goals by the stockholders of the Company.

All compensation paid to the Company's employees in fiscal 2001 will be fully deductible. With respect to compensation to be paid to executives in 2002 and future years, in certain instances such compensation may exceed \$1.0 million. However, in order to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the board has not adopted a policy that all compensation must be deductible.

REPORT OF AUDIT COMMITTEE

THE INFORMATION IN THIS AUDIT COMMITTEE REPORT SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL," OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION OR TO BE SUBJECT TO REGULATION 14A OR 14C AS PROMULGATED BY THE SECURITIES AND EXCHANGE COMMISSION, OR TO THE LIABILITIES OF SECTION 18 OF THE SECURITIES AND EXCHANGE ACT OF 1934.

The Audit Committee of the Board of Directors, consisting solely of independent directors (as that term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers' Marketplace Rules), has furnished the following report:

Page 11

The Audit Committee assists the Board of Directors in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Audit Committee and the Board of Directors, which is attached as EXHIBIT A to this Proxy Statement. The Audit Committee reviews and reassesses the Charter periodically and recommends any changes to the Board of Directors for approval. While the Committee has the responsibilities and powers set forth in its Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Committee to conduct investigations or to resolve disagreements, if any, between management and the outside auditor.

The Audit Committee evaluates and recommends to the Board of Directors an accounting firm to be engaged as the Corporation's independent auditors. Additionally, the Audit Committee reviews and evaluates, and discusses and consults with management and the independent auditors about the following:

- o The plan for, and the independent auditor's report on, the audit of the Company's financial statements;
- o The Company's financial disclosure documents, including all financial statements and reports filed with the SEC or sent to stockholders;
- o The Company's critical accounting policies and significant estimates used in preparing the financial statements;
- o Changes in the Company's accounting practices, principles, or controls, or the Company's financial statements;
- o Significant developments in accounting rules and their impact on the Company's financial statements;
- o The adequacy of the Company's internal accounting controls, and

Edgar Filing: VCA ANTECH INC - Form DEF 14A

accounting, financial and auditing personnel; and

- o The establishment and maintenance of an environment at the Company that promotes ethical behavior.

The Company completed its initial public offering on November 21, 2001, and the Audit Committee was formed on February 18, 2002. The Audit Committee recommended to the Board of Directors that the Company's financial statements be included in the Company's annual report. The Audit Committee took a number of steps in making this recommendation for 2001:

- o The Audit Committee discussed with Arthur Andersen, LLP, the Company's independent auditors, the overall scope of the audit completed by that firm (the Audit Committee had not been formed when the audit plan for 2001 was completed);
- o The Audit Committee met with the independent auditors, both with and without management present, to discuss the results of its audit, its evaluation of the Company's internal accounting controls and the overall quality of the Company's financial reporting;
- o The Audit Committee reviewed the audited financial statements with management including a discussion of the quality, not just the acceptability, of the accounting principles and the reasonableness of significant judgements;
- o The Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and the other matters required to be discussed with the Audit Committee under auditing standards generally accepted in the United States;
- o The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit; and
- o The Audit Committee discussed with the independent auditors the auditor's independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the independent auditor's independence (and found that all such non-audit services were compatible).

The Audit Committee also considered the status of pending litigation and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Page 12

Based on the Audit Committee's review of the audited financial statements and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the SEC.

CERTAIN TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Except as disclosed in this Proxy Statement, neither the nominees for election as directors, our directors or senior officers, nor any stockholder owning more than five percent of our issued shares, nor any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which we were a party during fiscal 2001, or which is presently proposed.

See "Employment and Severance Agreements" for a summary of employment agreements with certain of our executive officers.

MANAGEMENT SERVICES AGREEMENT

On September 20, 2000, we entered into a 10-year management services agreement with Leonard Green & Partners. The agreement was terminated on November 27, 2001. The agreement provided that Leonard Green & Partners would provide general investment-banking services, management, consulting and financial planning services and transaction-related financial advisory and investment banking services to us and our subsidiaries. We paid a one-time structuring fee of \$7.5 million to Leonard Green & Partners in September 2000 under the agreement. Leonard Green & Partners received an annual fee of \$2.5 million as compensation for the general services and normal and customary fees for transaction-related services. If the group of investors led by Leonard Green & Partners had invested any additional capital pursuant to the agreement, this annual fee would have increased by 1.6% of the amount of the additional investment. We also agreed to indemnify Leonard Green & Partners and the other investors for any losses and liabilities arising out of the agreement. In 2001 and 2000, we paid management fees in an aggregate amount of \$2.3 million and \$620,000. In connection with the termination of this agreement, we paid Leonard Green & Partners \$8.0 million.

INVESTMENT IN ZOASIS.COM

During the year ended December 31, 2000, VCA made a \$5.0 million investment in Zoasis.com, an internet start-up company, majority owned by Robert Antin, our Chief Executive Officer and Chairman of the Board. During the years ended December 31, 2001 and 2000, we incurred \$709,000 and \$81,000 of marketing

Edgar Filing: VCA ANTECH INC - Form DEF 14A

expense for services provided by Zoasis, respectively. In December 2000, the company determined that the value of this investment was impaired and, as a result, recognized a loss of \$5.0 million on the write-down of its investment in Zoasis. The pricing of these services is comparable to what we have paid third parties for the same services.

REDEMPTION OF PREFERRED STOCK AND REPAYMENT OF SENIOR NOTES AND SENIOR SUBORDINATED NOTES

We used the aggregate proceeds from our initial public offering and the concurrent issuance of senior subordinated notes by our subsidiary, together with cash on hand, to:

- o repay \$100.0 million of borrowings under our senior credit facility;
- o repay \$59.1 million of the outstanding principal amount of our 15.5% senior notes due 2010, at a redemption price of 110%, plus accrued and unpaid interest;
- o repay \$5.0 million of outstanding principal amount of our subsidiary's 13.5% senior subordinated notes due 2010 , at a redemption price of 110%, plus accrued and unpaid interest;
- o redeem all of our outstanding series A and series B redeemable preferred stock for \$173.8 million.

Affiliates of Leonard Green & Partners owned 2,826,000 shares of our 14% series A redeemable preferred stock and 2,800,000 shares of our 12% series B redeemable preferred stock. Each of John M. Baumer, John G. Danhakl and Peter J. Nolan is one of our directors and a partner of Leonard Green & Partners. Affiliates of Goldman, Sachs & Co. owned 122,123 shares of our 14% series A redeemable preferred stock and 121,000 shares of our 12% series B redeemable preferred stock and held approximately \$82.5 million aggregate principal amount of our senior notes and approximately \$14.2 million aggregate principal amount of our senior subordinated notes. Goldman Sachs held warrants to purchase 814,575 shares of our common stock which were exercised immediately prior to our initial public offering at an exercise price of \$0.0007 per share. An affiliate of Goldman, Sachs & Co. was the syndication agent and a lender under our senior credit facility. Melina Higgins is one of our directors and a managing director of Goldman, Sachs & Co.

PURCHASE OF COMMON STOCK IN VCA'S INITIAL PUBLIC OFFERING

Affiliates of Leonard Green & Partners purchased 2,000,000 shares of common stock in our initial public offering at the initial public offering price of \$10.00 per share. Each of John M. Baumer, John G. Danhakl and Peter J. Nolan is one of our directors and a partner of Leonard Green & Partners. These shares are subject to lock-up agreements under which

Page 16

these affiliates of Leonard Green & Partners agree not to offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly any share of common stock or any securities convertible into or exchangeable or exercisable for any shares of common stock without the prior written consent of Credit Suisse First Boston until May 20, 2002.

Robert L. Antin, our Chairman, Chief Executive Officer and President, purchased in our initial public offering 40,000 of the 725,000 shares of the common stock

Edgar Filing: VCA ANTECH INC - Form DEF 14A

reserved by the underwriters of our initial public offering for sale to employees and other persons associated with us.

RELATED PARTY VENDORS

Patricia Antin, wife of our Chief Operating Officer Arthur Antin, is an independent sales representative for Citi Print and Westpro Graphics, both local printing companies. We use these companies' services to print forms and marketing materials for our hospitals nationwide. Transactions are based on arms-length market prices and we have no, nor have we ever had, any contractual obligation binding us to their services. We paid Citi Print \$345,000, \$321,000 and \$339,000 for the years ended December 31, 2001, 2000 and 1999, respectively. We paid Westpro Graphics \$7,000, \$17,000 and \$106,000 for the years ended December 31, 2001, 2000 and 1999, respectively.

RELATED PARTY DIRECTOR

The law firm of Akin, Gump, Strauss, Hauer & Feld, L.L.P. currently provides, and provided during fiscal year 2001, legal services to us. Frank Reddick, who joined us as a director in February 2002, is a partner in the Los Angeles office of Akin, Gump, Strauss, Hauer & Feld, L.L.P.

We believe, based on our reasonable judgement, but without further investigation, that the terms of each of the foregoing transactions or arrangements between us on one hand and our affiliates, officers, directors or stockholders which were parties to the transactions on the other hand, were, on an overall basis, at least as favorable to us as could then have been obtained from unrelated parties.

These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person.

Except as indicated in the notes to this table, and except pursuant to applicable community property laws, each stockholder named in the table has sole voting and investment power with respect to the shares shown as beneficially owned by them. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the our executive officers, directors, and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. Based solely on our review of the copies of the forms received by us and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that, during the year ended December 31, 2001, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements.

STOCKHOLDER PROPOSALS

Any stockholder who intends to present a proposal at the 2002 Annual Meeting of Stockholders for inclusion in the our Proxy Statement and Proxy form relating to such Annual Meeting must submit such proposal to us at our principal executive offices by January 11, 2003. In addition, in the event a stockholder proposal is not received by us by March 17, 2003, the Proxy to be solicited by the Board of Directors for the 2003 Annual Meeting will confer discretionary authority on the holders of the Proxy to vote the shares if the proposal is presented at the 2003 Annual Meeting without any discussion of the proposal in the Proxy Statement for such meeting.

SEC rules and regulations provide that if the date of our 2003 Annual Meeting is advanced or delayed more than 30 days from the date of the 2002 Annual Meeting, stockholder proposals intended to be included in the proxy materials for the 2003 Annual Meeting must be received by us within a reasonable time before the we begin to print and mail the proxy materials for the 2003 Annual Meeting.

INDEPENDENT PUBLIC ACCOUNTANTS

Arthur Andersen, LLP, independent public accountants, were selected by the Board of Directors to serve as our independent public accountants for the year ended December 31, 2001. The engagement of Arthur Andersen was renewed by the Board upon the recommendation of the Audit Committee. On March 14, 2002, Arthur Andersen was indicted in connection with the destruction of documents related to the audit of Enron Corporation. As a result of the uncertainty regarding the future of Arthur Andersen, the Board is considering whether it is appropriate to continue the engagement of Arthur Andersen as our independent auditor for the remainder of 2002.

Should the Board conclude that Arthur Andersen should not serve as our independent auditor for 2002, the Audit Committee intends to carefully consider a potential accounting firm's qualifications as independent accountants before

Page 19

recommending an independent auditor for appointment. This may include a review of the qualifications of the engagement team, the quality control procedures the firm has established, and any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee also intends to analyze matters required to be considered under the committee's charter and under the Commission's Rules on Auditor Independence, including the nature and extent of non-audit services to ensure that they will not impair the independence of the accountants.

Any decision by the Board to discharge Arthur Andersen and engage a different independent public accountant will be made after additional information is obtained and the Audit Committee has completed a review and made a recommendation to the Board. If we decide to change our independent public accountants, we will promptly provide disclosure required by the regulations of the Securities and Exchange Commission. A representative of Arthur Andersen will be present at the annual meeting, will be afforded the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from shareholders.

The following summarizes the fees paid to Arthur Andersen during fiscal 2001.

AUDIT FEES

The aggregate fees billed by the independent auditors for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2001, were \$155,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

No fees were billed by the independent auditors for professional services rendered for information technology services relating to financial information systems design and implementation for the fiscal year ended December 31, 2001.

ALL OTHER FEES

The aggregate fees billed by the independent auditors for services rendered to the Company other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," for the fiscal year ended December 31, 2001, were \$701,000.
