(the "**Company**") executed a Supplemental Executive Retirement Program ("**SERP**") agreement with each of the following executive officers of the Company: Robert L. Antin, Arthur J. Antin, Neil Tauber and Tomas W. Fuller. The material provisions of the SERP agreement for each executive officer are summarized below.

ROBERT L. ANTIN

Pursuant to the SERP agreement Mr. Antin will be entitled to monthly benefit payments when he reaches the age of 66 (the "**Benefit Commencement Date**"). The annual amount of the benefit payments will be equal to the vested percentage of Final Salary as of the date his employment terminates. Final Salary is equal to the greater of (i) Mr. Antin's annual base compensation paid in cash pursuant to his employment agreement immediately prior to the Benefit Commencement Date, or (ii) the average of Mr. Antin's annual base compensation paid in cash pursuant to his employment agreement for the three highest years during the ten year period ending on December 31st immediately preceding the Benefit Commencement Date. The vested percentage on the date Mr. Antin's employment terminates is as follows:

Date	Vested Percentage
Effective Date of SERP	20%
December 31, 2010	30%
December 31, 2011	40%
December 31, 2012	50%

The payments to which Mr. Antin is entitled will extend for 12 years following the Benefit Commencement Date.

The applicable percentage immediately will be 50% if before or coincident with Mr. Antin's separation from employment there occurs a Change in Control, an involuntary termination by the Company without Cause, a voluntary termination by Mr. Antin for Good Reason, or Mr. Antin's death or Disability. If before the Benefit Commencement Date, there is a change in control that qualifies as a "change in control event" within the meaning of Treasury Regulation section 1.409A-3(i)(5) or Mr. Antin dies or becomes Disabled, then the actuarial equivalent of the monthly benefits owing to Mr. Antin must be paid in a lump sum on the date of such event. In addition, if a change in control that is also a "change in control event" occurs after the Benefit Commencement Date, then the SERP agreement terminates and the actuarial equivalent of any remaining monthly benefits owing to Mr. Antin must be paid in a lump sum on the date of such change in control event.

ARTHUR J. ANTIN

Pursuant to the SERP agreement Mr. Antin will be entitled to monthly benefit payments when he reaches the age of 67 (the “**Benefit Commencement Date**”). The annual amount of the benefit payments will be equal to the vested percentage of Final Salary as of the date his employment terminates. The vested percentage on the date Mr. Antin’s employment terminates is as follows:

Date	Vested Percentage
Effective Date of SERP	20%
December 31, 2010	30%
December 31, 2011	40%
December 31, 2012	50%

If before the Benefit Commencement Date, there is a change in control that qualifies as a “change in control event” within the meaning of Treasury Regulation section 1.409A-3(i)(5) or Mr. Antin dies or becomes Disabled, then the actuarial equivalent of the monthly benefits owing to Mr. Antin must be paid in a lump sum on the date of such event. In addition, if a change in control that is also a “change in control event” occurs after the Benefit Commencement Date, then the SERP agreement terminates and the actuarial equivalent of any remaining monthly benefits owing to Mr. Antin must be paid in a lump sum on the date of such change in control event.

Edgar Filing: VCA ANTECH INC - Form 8-K
