Item 8.01. Other Events.

eMagin Corporation (the “Company”) will hold its 2011 Annual Meeting of Stockholders (the “Annual Meeting”) on Thursday, November 3. At the Annual Meeting, the Company’s stockholders will vote upon, among other items, a proposal to adopt the Company’s 2011 Incentive Stock Plan (the “Plan”). In response to shareholder feedback, the Board has resolved that with respect to awards granted over the next fiscal year, starting in 2012, the Company will maintain an average run rate over that period that does not exceed 4.5% of the Company’s fully diluted shares outstanding. Run rate is defined as the sum of the number of stock options granted during the year, divided by the Company’s fully diluted shares outstanding. Fully diluted shares outstanding is defined as the sum of all outstanding common shares, outstanding preferred share common equivalents, outstanding warrants and outstanding options. The Board also commits that it will submit and recommend an amendment to the 2011 Plan that will eliminate the evergreen provision in the Plan and expressly prohibit the re-pricing or exchange of stock options without stockholder approval.
