### ITEM 4 Description Of Securities.

-----

Not applicable; the class of securities to be offered is registered under Section 12 of the Securities Exchange Act of 1934.

### ITEM 5 Interest Of Named Experts And Counsel.

-----

Attorney Jerry Gruenbaum has an option to purchase 15,000 shares of the Registrant at \$0.40 per share, increased monthly by an additional 5,000 shares per month up to a total of 60,000 shares. To date, Attorney Gruenbaum has not exercised any of his options.

### ITEM 6 Indemnification Of Officers And Directors.

-----

Under the Corporation's Articles of Incorporation and Bylaws, the Corporation may indemnify an officer or director who is made a party to any proceeding, including a lawsuit, because of his position, if he acted in good faith and in a matter he reasonably believed to be in the Company's best interest. We may advance expenses incurred in defending a proceeding. To the extent that the officer or director is successful on the merits in a proceeding as to which he is to be indemnified, the Corporation must indemnify him against all expenses incurred, including attorney's fees. With respect to a derivative action, indemnity may be made only for expenses actually and reasonably incurred in defending the proceeding, and if the officer or director is judged liable, only by a court order. This indemnification is intended to be to the fullest extent permitted by the laws of the State of Maryland.

The officers and directors of the Corporation are accountable to the Corporation as fiduciaries, which means such officers and directors are required to exercise good faith and integrity in handling the Corporation's affairs. A shareholder may be able to institute legal action on behalf of himself and all others similarly stated shareholders to recover damages where the Corporation has failed or refused to observe the law.

Regarding indemnification for liabilities arising under the Securities Act of 1933 (the "Act"), which may be permitted to directors or officers under Maryland law, the Corporation is informed that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy, as expressed in the Act and is, therefore, unenforceable.

The Corporation has entered into agreements with certain of its directors and officers that require the Corporation to indemnify such person to the fullest extent permitted by the Articles of Incorporation, the Bylaws, resolution of the Board of Directors or under Maryland law against all cost, expense, liability and loss incurred in connection with any proceeding, whether actual or threatened, to which any such person may be made a party by reason of the fact that such person is or was a director, officer, employee or agent of

the Corporation or any entity at the request of the Corporation. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder. In addition, the Corporation maintains, and is required to maintain pursuant to such indemnification agreements, director and officer liability insurance.

At present, there is no litigation pending, and the Registrant does not know of any threatened litigation, which might result in a claim for indemnification by any director or officer.

ITEM 9. Undertakings.  
-----

1. The undersigned, Corporation, hereby undertakes:

(a) To file, during any period in which the Company offers or sells securities, a post-effective amendment(s) to this registration statement:

i. To include any prospectus required by Section 10(a)(3) of the Securities Act;

## Edgar Filing: INTERNATIONAL WIRELESS INC - Form S-8

ii. To reflect in the prospectus any facts or events which, individually or together, represent a fundamental change in the information in the registration statement; and

iii. To include any additional or changed material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs 1(a)(i) and 1(a)(ii) do not apply if the information required to be included in a post-effective, amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission (the "Commission") such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
