<b>Exhibit No.</b>	<b>Description</b>
99.1	Revised Financial and Business Information Regarding the Registrant.

**Item 9. Regulation FD Disclosure.**

On October 18, 2002, Newport Corporation, a Nevada corporation (the Registrant), made available the following revised unaudited financial and business information regarding the Registrant for the six quarters through June 30, 2002:

1. Consolidated statement of operations;
2. Consolidated balance sheets;
3. Sales and orders by market segment; and
4. Business segment information.

On August 20, 2002, the Registrant announced a reorganization of its operating segments and the planned divestiture of its operations in Plymouth, Minnesota, along with other cost cutting initiatives. As a result of the reorganization, the Registrant now operates in two market-focused business segments: Advanced Packaging and Automation Systems and Industrial and Scientific Technologies. In connection with the reorganization, the Registrant also revised the manner in which it measures its segment operating income. Operating income reported for each individual business segment now includes only the costs that are directly attributable to the operations of that segment, and excludes corporate expenses, interest expense, income taxes, restructuring and other non-recurring charges. In addition, in accordance with generally accepted accounting principles, the Plymouth operations now represent a discontinued operation, which requires the Registrant to revise its previously issued financial statements to remove all previously reported operating results for Plymouth from the Registrant's continuing operations.

The information disclosed has been revised to reflect the impact of the reorganization of the Registrant's operating segments, the change in the manner in which it measures segment operating income, and the discontinuation of the Registrant's Plymouth, Minnesota operations.

The information disclosed by the Registrant is attached to this report as Exhibit 99.1.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
