A copy of this letter is attached as an exhibit to this Schedule 13D.

Keefe intends to review its investment in the Issuer on a continuing basis and continue to attempt to engage in discussions with management and the Board of Directors of the Issuer concerning the business, operations, corporate governance and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and strategy, the price levels of the Shares, conditions in the securities markets and general

Re: Federal Trust Corporation Corporate Governance

Dear Members of the Board of Directors:

I write to you on behalf of Keefe Managers, LLC which beneficially owns approximately 9.6% of the outstanding common stock of Federal Trust Corporation (the "Company"). As the Company's largest reported non-management stockholder, our interests are perfectly aligned with the stockholders of the Company.

We have been a stockholder of the Company since February 2002. As we have expressed to James V. Suskiewich on several occasions, we believe that the composition and geographic location of the Company's banking operations position it to provide significant but as yet unrealized capital appreciation to its stockholders.

Consistent with the sweeping legislation enacted by Congress including the Sarbanes-Oxley Act of 2002, we believe that proper corporate governance procedures and practices and the level of management accountability that a board of directors requires are highly relevant to share price and financial performance. We believe that adding an additional experienced independent director who has no prior relationship with management will enhance the Company's efforts to create value for stockholders. Specifically, we are recommending that the Company take steps to appoint or nominate for election Robert B. Goldstein to the Company's Board of Directors as soon as possible, but in any event not later than the Company's 2006 annual meeting of stockholders.

As I am sure you are already aware, Bob Goldstein is a seasoned bank executive with more than 30 years of board and senior level leadership experience with financial institutions and has a proven track record of bank turnarounds and restructurings, combined with extensive experience in commercial business development and commercial lending. Bob is currently Chairman of Bay View Capital Corporation, where he previously served as President and Chief Executive Officer, and a director of F.N.B. Corporation. Bob's experience

Edgar Filing: FEDERAL TRUST CORP - Form SC 13D

ideally suits him to work with and monitor your existing management team and provide meaningful input regarding all aspects of potential strategic initiatives that a growing financial institution might adopt, including raising capital, resolving or disposing of off-strategy assets, building the commercial customer portfolio, maintaining strong relationships with regulators, developing exit strategies and substantially enhancing stockholder value. In short, we know that Bob will be committed to the highest standards of corporate governance, creating initiatives that will provide value to stockholders and providing adequate oversight of management.

Although we believe the entire Board of Directors should be held accountable to stockholders, we are seeking only a non-majority position on the Board of Directors. As a significant stockholder, we firmly believe that adding Bob Goldstein to the Company's Board of Directors will increase investor confidence. In the event that the Company's Board of Directors does not take steps to cause Bob Goldstein to become a director of the Company in a timely manner, we reserve the right to take any actions necessary to assure that the stockholders will have the right to consider his candidacy, including directly nominating him in accordance with the Company's established procedures and engaging in a proxy campaign.

Please note that we will be filing a required Schedule 13D to report this correspondence. If there is any additional information concerning this request or Bob Goldstein that you require, please do not hesitate to contact me.

Sincerely,

/s/ JOHN J. LYONS
