SECURED CONVERTIBLE DEBENTURE

SCD-1 [Issue Date]

Up to \$12,500,000 Rancho Cordova, California

1. **Principal.** For value received, CESCO THERAPEUTICS INC., a Delaware corporation (the “**Company**”), hereby promises to pay to the order of Boyalife Investments Inc. (the “**Payee**”), whose address is as set forth below, or such other address as the holder of this Secured Convertible Debenture (this “**Debenture**”) may designate in writing, the principal amount outstanding under this Debenture from time to time, up to \$12,500,000. This Debenture is part of the Securities offered and sold to the Payee pursuant to the terms of that certain Purchase Agreement dated on or about the date hereof (the “**Purchase Agreement**”). This Debenture and any shares of Common Stock issued pursuant to the terms hereof are subject to the terms of the Purchase Agreement. The principal amount outstanding as of the Issue Date is \$8,000,000, with an additional \$4,500,000 added to the principal amount upon the occurrence of the Subsequent Closing under the Purchase Agreement. All capitalized terms used but not defined herein shall have the meanings assigned to them in the Purchase Agreement.

2. **Interest.** This Debenture shall bear simple interest at a rate per annum of 22% of the principal amount of this Debenture outstanding from time to time, which interest shall accrue and be payable on the Maturity Date. This Debenture shall be convertible into shares of the Company’s Common Stock, \$0.001 par value per share (the “**Common Stock**”) pursuant to the terms of Section 5 hereof.

3. Maturity. Subject to the conversion provision set forth in Section 5 hereof, the outstanding principal amount of this Debenture outstanding from time to time, together with all accrued and unpaid interest thereon, shall be due and payable in full on the third anniversary of the date hereof (the “**Maturity Date**”).

4. Security Agreement. Pursuant to a Security Agreement between the Company and the Payee dated as of the Issue Date (the “**Security Agreement**”), this Debenture is secured by substantially all of the assets of the Company.

5. Conversion.

(i) Optional Conversion by the Company. To the extent outstanding and prior to prepayment being tendered by the Company or the Maturity Date, the principal amount of this Debenture outstanding from time to time and all accrued and outstanding interest thereon may be converted, in whole, at the option of the Company at any time so long as both (i) the Twenty Day Moving Average Price of the Common Stock is at least 125% of the Conversion Price as of the date this Debenture is to be converted hereunder and (ii) the Current Market Price of the Common Stock has been greater than the Conversion Price for ten consecutive days. A conversion of this Debenture into shares of Common Stock shall be effected at a conversion price equal to \$0.17 per share (as adjusted for stock splits and recapitalizations) (the “**Conversion Price**”). For the purposes of this Section 5(i), the “**Current Market Price**” means, generally, (y) the VWAP, for the 10 consecutive trading days ending on the applicable date or (z) if the Common Shares are not listed or quoted on the Nasdaq Capital Market or another securities exchange or market, the fair value as reasonably determined by the Board of Directors and the Payee. For the purposes of this Section 5(i), the “**VWAP**” means the volume weighted average trading price of the Common Stock for the applicable period (which must be calculated utilizing days in which the Common Stock actually trade) on the Nasdaq Capital Market (or if the Common Stock is no longer traded on the Nasdaq Capital Market, on such other exchange as the Common Stock are then traded). In the event of a conversion of the entire outstanding principal amount outstanding from time to time under this Section 5(i) prior to the Maturity Date, the Debenture shall convert into such amount of shares as if the Debenture had been held until the Maturity Date. Further, for the purposes of this Section 5(i), the “**Twenty Day Moving Average Price**” means an amount equal to the sum of the closing price of the Common Stock on the Nasdaq Capital Market Market (or if the Common Stock is no longer traded on the Nasdaq Capital Market, on such other exchange as the Common Stock are then traded) on each of the immediately preceding twenty trading days, divided by twenty.

(ii) Optional Conversion by the Payee before Maturity Date. The outstanding principal amount of this Debenture outstanding from time to time and all accrued and unpaid interest as of date of conversion (such date, the “**Optional Conversion Date**”) may be converted, in whole, at the option of the Payee into shares of Common Stock so long as the Subsequent Closing contemplated by the Purchase Agreement has occurred, upon any of the following events:

(a) for such period beginning on the occurrence of a Company Cash Deficiency and ending 15 days thereafter; for the purposes hereof, a “**Company Cash Deficiency**” means such time that the Company’s cash balance and short-term investments, net of debt or borrowed funds that are payable within one year, is less than Two Million One Hundred Thousand Dollars (\$2,100,000), calculated at the month’s end;

(b) the Company effecting a Change in Control other than in connection with the Payee or its affiliates; and

(c) the delisting of the Company's Common Stock from Nasdaq's markets.

A conversion of this Debenture under this Section 5(ii) into shares of Common Stock shall be effected at the Conversion Price. A conversion of this Debenture under this Section 5(ii) shall convert the outstanding principal and interest accrued and unpaid as of the Optional Conversion Date together with any interest that would have accrued after the Optional Conversion Date up to and including the Maturity Date. To effect a conversion under this Section 5(ii), the Payee shall provide written notice of such conversion to the Company, along with such other documents required under Section 5(iv) hereof, on or prior to the Optional Conversion Date. To assist Payee with the exercise of its rights hereunder, the Company shall provide notice to the Payee upon such time that the Company's cash balance and short-term investments, net of debt or borrowed funds that are payable within one year, is less than Three Million One Hundred Thousand Dollars (\$3,000,000), calculated at the month's end.

(iii) Optional Conversion by the Payee on Maturity Date. On the Maturity Date (but not before), the outstanding principal amount of this Debenture outstanding from time to time and all accrued and unpaid interest thereon may be converted, in whole, at the option of the Payee into shares of Common Stock so long as the Subsequent Closing contemplated by the Purchase Agreement has occurred. A conversion of this Debenture under this Section 5(iii) into shares of Common Stock shall be effected at the Conversion Price. To effect a conversion under this Section 5(iii), the Payee shall provide written notice of such conversion to the Company, along with such other documents required under Section 5(iv) hereof, on or prior to the Maturity Date.

(iv) Mechanics of Conversion. Upon a conversion of the outstanding principal balance of this Debenture and accrued and unpaid interest thereon under Section 5(ii) or Section 5(iii) hereof, Payee shall surrender this Debenture, duly endorsed, together with the Payee's duly executed form of subscription attached hereto as Exhibit A, at the principal offices of the Company. At its expense, the Company will, as soon as practicable thereafter, issue and deliver to Payee a legended certificate (which such certificate shall include the legends required by Section 5.7 and Section 5.12(b) of the Purchase Agreement) for the number of shares of Common Stock to which Payee is entitled upon such conversion, together with any cash or a check payable to Payee for any amounts payable as described in Section 5(v) below. Upon conversion of this Debenture into Common Stock under Section 5(i), Section 5(ii) or Section 5(iii), the Company will be forever released from all its obligations and liabilities under this Debenture, including without limitation the obligation to pay the principal amount and any accrued interest.

(v) Fractional Shares. No fractional shares of capital stock shall be issued upon conversion of this Debenture. In lieu of any fractional share to which Payee would otherwise be entitled, the Company shall pay to Payee the amount of the outstanding principal balance and/or accrued interest due that is not so converted, such payment to be in cash or by check.

(vi) No Rights as Stockholder. Payee understands that Payee shall not have any of the rights of a stockholder with respect to the shares of Common Stock issuable upon conversion of any principal or accrued interest of this

Debenture, until such principal or accrued interest is converted into capital stock of the Company as provided herein.

6. Payment and Prepayment. Notwithstanding the conversion provision set forth in Section 5 above, the Company shall not have the right to prepay the Debenture at any time prior to the Maturity Date without the prior written consent of the Payee. All payments shall be made in lawful money of the United States of America at the principal office of the Company, or at such other place as the Payee hereof may from time to time designate in writing to the Company.

7. Certain Adjustments. The Conversion Price is subject to adjustment from time to time as set forth in this Section 7:

(i) Splits and Subdivisions. In the event the Company should at any time or from time to time fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock into a greater number of shares, then, as of such record date (or the date of such split or subdivision if no record date is fixed), the Conversion Price shall be appropriately decreased.

(ii) Combination of Shares. If the number of shares of Common Stock outstanding at any time after the date hereof is decreased by a combination of the outstanding shares of Common Stock, the Conversion Price shall be appropriately increased.

(iii) Reclassification or Reorganization. If the shares of Common Stock issuable upon the conversion of this Debenture shall be changed into the same or different number of shares of any class or classes of stock, whether by capital reorganization, reclassification or otherwise (other than a split or subdivision provided for in Section 7(i) above or a combination of shares provided for in Section 7(ii) above), then and in each such event the Payee shall be entitled to receive upon the conversion of this Debenture the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification or other change, to which a holder of the number of shares of Common Stock issuable upon the conversion of this Debenture would have received if this Debenture had been converted immediately prior to such reorganization, reclassification or other change, all subject to further adjustment as provided herein.

8. Default. The Payee shall have the right upon the occurrence of any of the following events to declare an event of default and elect to accelerate the amount owing hereunder (individually, an “**Event of Default**” and collectively, “**Events of Default**”):

(i) the termination of the existence of the Company, whether by dissolution or otherwise, or the appointment of a receiver or custodian for the Company or any part of its property if such appointment is not terminated or dismissed within thirty (30) days;

(ii) the institution against Company of any proceedings under the United States Bankruptcy Code or any other federal or state bankruptcy, reorganization, receivership or other similar law affecting the rights of creditors generally, which proceeding is not dismissed within sixty (60) days of filing;

(iii) the commencement by Company of any voluntary proceedings under the United States Bankruptcy Code or any other federal or state bankruptcy, reorganization, receivership or other similar law affecting the rights of creditors generally;

(iv) the failure to pay interest or principal on the Debenture in accordance with Section 2 hereunder; or

(v) an assignment by Company for the benefit of its creditors or an admission in writing by the Company of its inability to pay its debts as they become due.

9. Cumulative Rights. No delay on the part of Payee in the exercise of any power or right under this Debenture shall operate as a waiver thereof, nor shall a single or partial exercise of any other power or right. Enforcement by the Payee of any right or remedy for the payment hereof shall not constitute any election by the Payee of remedies so as to preclude the exercise of any other remedy available to the Payee.

10. Waivers. Except as otherwise set forth in this Debenture, the Company, for itself and its legal representatives, successors and assigns, expressly waives presentment, protest, demand, notice of dishonor, notice of nonpayment, notice of maturity, notice of protest, presentment for the purpose of accelerating maturity, and diligence in collection.

11. Modifications in Writing. No waiver or modification of any of the terms or provisions of this Debenture shall be valid or binding unless set forth in a writing signed by the Company and Payee, and then only to the extent therein specifically set forth.

12. Notices. All notices and other communications hereunder shall be in writing and shall be deemed received (a) on the date of delivery if delivered personally and/or by messenger service, (b) on the date of confirmation of receipt of transmission by facsimile (or, the first Business Day following such receipt if (i) the date is not a Business Day or (ii) confirmation of receipt is given after 5:00 p.m., Pacific Time) or (c) on the date of confirmation of receipt if delivered by a nationally or internationally recognized courier service (or, the first Business Day following such receipt if (i) the date is not a Business Day or (ii) confirmation of receipt is given after 5:00 p.m., Pacific Time), to the parties at the addresses set forth in the Purchase Agreement (or at such other address for a party as shall be specified by like notice).

13. Entire Agreement; Severability. This Debenture, together with the Purchase Agreement, constitutes the full and entire understanding, promise and agreement between the Company and Payee with respect to the subject matter hereof, and it supersedes, merges and renders void every other prior written and/or oral understanding, promise or agreement between the Company and Payee. If one or more provisions of this Debenture are held to be unenforceable under applicable law, such provision shall be excluded from this Debenture, the balance of the Debenture shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms, and the parties shall use good faith to negotiate a substitute, valid and enforceable provision that replaces the excluded provision and that most nearly effects the parties' intent in entering into this Debenture.

THIS DEBENTURE, TOGETHER WITH THE PURCHASE AGREEMENT, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS OF THE PARTIES.

14. Governing Law. This Debenture is being executed and delivered and is intended to be performed, in the State of California, and the laws of such state shall govern the construction, validity, enforcement and interpretation hereof, except to the extent federal laws otherwise govern the validity, construction, enforcement and interpretation hereof.

15. Headings. The headings of the paragraphs of this Debenture are inserted for convenience only and shall not be deemed to constitute a part hereof.

16. Successors and Assigns. Payee may not, without the prior written consent of the Company, assign any rights, duties, or obligations under this Debenture. The Company may not, without the prior written consent of the Payee, assign any rights, duties, or obligations under this Debenture; *provided, however*, the Company may assign any rights, duties, or obligations under this Debenture without obtaining prior written consent in connection with a Change in Control (as defined below). All of the promises and agreements in this Debenture contained by or on behalf of the Company shall bind its permitted successors and assigns, whether so expressed or not. For the purpose of this Section 16, a “**Change in Control**” shall mean the acquisition of the Company by another entity by means of any transaction or series of related transactions to which the Company is party (including, without limitation, any stock acquisition, reorganization, merger or consolidation but excluding a consolidation with a wholly-owned subsidiary of the Company, a merger effected exclusively to change the domicile of the Company) other than a transaction or series of transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction continue to retain (either by such voting securities remaining outstanding or by such voting securities being converted into voting securities of the surviving entity), as a result of shares in the Company held by such holders prior to such transaction, at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such transaction or series of transactions.

17. Counterparts. This instrument may be executed in counterparts and delivered by facsimile, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

FORM OF WARRANT

THE TRANSFER OF THIS WARRANT AND THE COMMON STOCK ISSUABLE UPON EXERCISE HEREOF IS SUBJECT TO RESTRICTIONS CONTAINED HEREIN. THIS WARRANT AND THE COMMON STOCK ISSUABLE UPON EXERCISE HEREOF HAS BEEN ISSUED IN RELIANCE UPON THE REPRESENTATION OF WARRANTHOLDER THAT IT HAS BEEN ACQUIRED FOR INVESTMENT PURPOSES AND NOT WITH A VIEW TOWARDS THE RESALE OR OTHER DISTRIBUTION THEREOF. THIS WARRANT AND THE COMMON STOCK ISSUABLE UPON EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED, HYPOTHECATED OR OTHERWISE TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER SAID ACT AND ANY APPLICABLE STATE SECURITIES LAWS, OR AN OPINION OF COUNSEL SATISFACTORY TO COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED.

THIS WARRANT SHALL BE VOID AFTER 5:00 P.M. PACIFIC TIME ON [], 2021 (the “**EXPIRATION DATE**”).

No. [] [Issue Date]

CESCA THERAPEUTICS INC.

COMMON STOCK PURCHASE WARRANT

For VALUE RECEIVED, [] (the “**Warrantholder**”), is entitled to purchase, subject to the provisions of this Common Stock Purchase Warrant (this “**Warrant**”), from Cesca Therapeutics Inc., a Delaware corporation (the “**Company**”), at any time from and after the six month anniversary of the Initial Closing Date (as defined in the Purchase Agreement) and not later than 5:00 P.M. Pacific Time on the Expiration Date, at an exercise price per share equal to \$0.40 (as adjusted, and the exercise price in effect being herein called, the “**Warrant Price**”), [] shares (the “**Warrant Shares**”) of the Company’s Common Stock, par value \$0.001 per share (the “**Common Stock**”). The number of Warrant Shares purchasable upon exercise of this Warrant and the Warrant Price shall be subject to adjustment from time to time as described herein. This Warrant is part of the Securities offered and sold to the Warrantholder pursuant to the terms of the Purchase Agreement dated on or about the date hereof by and between the Company and the Warrantholder (the “**Purchase Agreement**”). This Warrant and the Warrant Shares issued pursuant to the terms hereof are subject to the terms of the Purchase Agreement. All capitalized terms used but not defined herein shall have the meanings assigned

to them in the Purchase Agreement.

1. Records. The Company shall maintain records for the transfer and recording of this Warrant. Upon the initial issuance of this Warrant, the Company shall issue and record the Warrant in the name of the Warrantholder.

¹ Five years from issue date.

2. Transfers. This Warrant is not transferrable or assignable by the Warrantholder.

3. Exercise of Warrant. Subject to the provisions hereof, the Warrantholder may exercise this Warrant in whole or in part at any time prior to its expiration upon surrender of this Warrant, together with delivery of the duly executed Warrant exercise form attached hereto as Appendix A (the “**Exercise Agreement**”) and payment by cash, certified check or wire transfer of funds for the aggregate Warrant Price for that number of Warrant Shares then being purchased, to the Company during normal business hours on any Business Day at the Company’s principal executive offices (or such other office or agency of the Company as it may designate by notice to the Warrantholder). The Warrant Shares so purchased shall be deemed to be issued to the Warrantholder, as the record owner of such shares, as of the close of business on the date on which this Warrant shall have been surrendered (or evidence of loss, theft or destruction thereof and security or indemnity satisfactory to the Company), the aggregate Warrant Price shall have been paid and the completed Exercise Agreement shall have been delivered. Certificates for the Warrant Shares so purchased, representing the aggregate number of shares specified in the Exercise Agreement, shall be delivered to the Warrantholder within a reasonable time, not exceeding five Business Days after the Warrantholder has delivered all documents reasonably requested by the Company’s transfer agent and its counsel, after this Warrant shall have been so exercised. The certificates so delivered shall be in such denominations as may be requested by the Warrantholder and shall be registered in the name of the Warrantholder. If this Warrant shall have been exercised only in part, then, unless this Warrant has expired, the Company shall, at its expense, at the time of delivery of such certificates, deliver to the Warrantholder a new Warrant representing the number of shares with respect to which this Warrant shall not then have been exercised. Each exercise hereof shall constitute the re-affirmation by the Warrantholder that the representations and warranties contained in Section 5 of the Purchase Agreement are true and correct in all material respects with respect to the Warrantholder as of the time of such exercise. The Company shall cause any certificates evidencing the Warrant Shares to include the legends required by Section 5.7 and Section 5.12(b) of the Purchase Agreement.

4. Compliance with the Securities Act of 1933. Except as provided in the Purchase Agreement, the Company may cause the legend set forth on the first page of this Warrant to be set forth on each Warrant or similar legend on any security issued or issuable upon exercise of this Warrant, unless counsel for the Company is of the opinion as to any such security that such legend is unnecessary.

5. Payment of Taxes. The Company will pay any documentary stamp taxes attributable to the initial issuance of the Warrant Shares issuable upon the exercise of the Warrant; *provided, however*, that the Company shall not be required to pay any tax or taxes which may be payable in respect of any transfer involved in the issuance or delivery of any certificates for the Warrant Shares in a name other than that of the Warrantholder in respect of which such shares are issued, and in such case, the Company shall not be required to issue or deliver any certificate for the Warrant Shares or any Warrant until the person requesting the same has paid to the Company the amount of such tax or has established to the Company’s reasonable satisfaction that such tax has been paid. The Warrantholder shall be responsible for income taxes due under federal, state or other law, if any such tax is due.

6. Mutilated or Missing Warrants. In case this Warrant shall be mutilated, lost, stolen, or destroyed, the Company shall issue in exchange and substitution of and upon cancellation of the mutilated Warrant, or in lieu of and substitution for the Warrant lost, stolen or destroyed, a new Warrant of like tenor and for the purchase of a like number of the Warrant Shares, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction of the Warrant, and with respect to a lost, stolen or destroyed Warrant, reasonable indemnity or bond with respect thereto, if requested by the Company.

7. Reservation of Common Stock. The Company hereby represents and warrants that there have been reserved, and the Company shall at all applicable times keep reserved until issued (if necessary) as contemplated by this Section 7, out of the authorized and unissued shares of Common Stock, sufficient shares to provide for the exercise of the rights of purchase represented by this Warrant. The Company agrees that all the Warrant Shares issued upon due exercise of the Warrant shall be, at the time of delivery of the certificates for such Warrant Shares, duly authorized, validly issued, fully paid and non-assessable shares of the Common Stock of the Company.

8. Adjustments. Subject and pursuant to the provisions of this Section 8, the Warrant Price and the number of Warrant Shares subject to this Warrant shall be subject to adjustment from time to time as set forth hereinafter:

(a) If the Company shall, at any time or from time to time while this Warrant is outstanding, pay a dividend or make a distribution on its Common Stock in shares of Common Stock, subdivide its outstanding shares of Common Stock into a greater number of shares or combine its outstanding shares of Common Stock into a smaller number of shares or issue by reclassification of its outstanding shares of Common Stock any shares of its capital stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing corporation), then the number of Warrant Shares purchasable upon exercise of the Warrant and the Warrant Price in effect immediately prior to the date upon which such change shall become effective, shall be adjusted by the Company so that the Warrantholder thereafter exercising the Warrant shall be entitled to receive the number of shares of Common Stock or other capital stock which the Warrantholder would have received if the Warrant had been exercised immediately prior to such event upon payment of a Warrant Price that has been adjusted to reflect a fair allocation of the economics of such event to the Warrantholder. Such adjustments shall be made successively whenever any event listed above shall occur.

(b) If any capital reorganization, reclassification of the capital stock of the Company, consolidation or merger of the Company with another corporation in which the Company is not the survivor, or sale, transfer or other disposition of all or substantially all of the Company's assets to another corporation shall be effected, then, as a condition of such reorganization, reclassification, consolidation, merger, sale, transfer or other disposition, lawful and adequate provision shall be made whereby the Warrantholder shall thereafter have the right to purchase and receive upon the basis and upon the terms and conditions herein specified and in lieu of the Warrant Shares immediately theretofore issuable upon exercise of the Warrant, such shares of stock, securities or assets as would have been issuable or payable with respect to or in exchange for a number of Warrant Shares equal to the number of Warrant Shares immediately theretofore issuable upon exercise of the Warrant, had such reorganization, reclassification, consolidation, merger, sale, transfer or other disposition not taken place, and in any such case appropriate provision shall be made with respect to the rights and interests of the Warrantholder to the end that the provisions hereof (including, without limitation, provision for adjustment of the Warrant Price) shall thereafter be applicable, as nearly equivalent as may be practicable in relation to any shares of stock, securities or assets thereafter deliverable upon the exercise hereof. The Company shall not effect any such consolidation, merger, sale, transfer or other disposition unless prior to or simultaneously with the consummation thereof the successor corporation (if other than the Company) resulting from such consolidation or merger, or the corporation purchasing or otherwise acquiring such assets or other appropriate corporation or entity shall assume the obligation to deliver to the Warrantholder, at the address of the Warrantholder set forth in the Purchase Agreement, such shares of stock, securities or assets as, in accordance with the foregoing provisions, the Warrantholder may be entitled to purchase, and the other obligations

under this Warrant. The provisions of this paragraph (b) shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales, transfers or other dispositions.

(c) In case the Company shall fix a payment date for the making of a distribution to all holders of Common Stock (including any such distribution made in connection with a consolidation or merger in which the Company is the continuing corporation) of evidences of indebtedness or assets (other than cash dividends or cash distributions payable out of consolidated earnings or earned surplus or dividends or distributions referred to in Section 8(a)), or subscription rights or warrants, the Warrant Price to be in effect after such payment date shall be determined by multiplying the Warrant Price in effect immediately prior to such payment date by a fraction, the numerator of which shall be the total number of shares of Common Stock outstanding multiplied by the Market Price (as defined below) per share of Common Stock immediately prior to such payment date, less the fair market value (as determined by the Company's Board of Directors in good faith) of said assets or evidences of indebtedness so distributed, or of such subscription rights or warrants, and the denominator of which shall be the total number of shares of Common Stock outstanding multiplied by such Market Price per share of Common Stock immediately prior to such payment date. "**Market Price**" as of a particular date (the "**Valuation Date**") shall mean the following: (a) if the Common Stock is then listed on a national stock exchange (including the Nasdaq Stock Market LLC ("**Nasdaq**"), the closing sale price of one share of Common Stock on such exchange on the last trading day prior to the Valuation Date; (b) if the Common Stock is then quoted on the OTC Bulletin Board (the "**Bulletin Board**") or such similar exchange or association, the closing sale price of one share of Common Stock on the Bulletin Board or such other exchange or association on the last trading day prior to the Valuation Date or, if no such closing sale price is available, the average of the high bid and the low asked price quoted thereon on the last trading day prior to the Valuation Date; or (c) if the Common Stock is not then listed on a national stock exchange or quoted on Nasdaq, the Bulletin Board or such other exchange or association, the fair market value of one share of Common Stock as of the Valuation Date, shall be determined in good faith by the Board of Directors of the Company and the Warrantholder. If the Common Stock is not then listed on a national securities exchange, the Bulletin Board or such other exchange or association, the Board of Directors of the Company shall respond promptly, in writing, to an inquiry by the Warrantholder prior to the exercise hereunder as to the fair market value of a share of Common Stock as determined by the Board of Directors of the Company. In the event that the Board of Directors of the Company and the Warrantholder are unable to agree upon the fair market value in respect of subpart (c) hereof, the Company and the Warrantholder shall jointly select an appraiser, who is experienced in such matters. The decision of such appraiser shall be final and conclusive, and the cost of such appraiser shall be borne equally by the Company and the Warrantholder. Such adjustment shall be made successively whenever such a payment date is fixed.

(d) An adjustment to the Warrant Price shall become effective immediately after the payment date in the case of each dividend or distribution and immediately after the effective date of each other event which requires an adjustment.

(e) In the event that, as a result of an adjustment made pursuant to this Section 8, the Warrantholder shall become entitled to receive any shares of capital stock of the Company other than shares of Common Stock, the number of such other shares so receivable upon exercise of this Warrant shall be subject thereafter to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Warrant Shares contained in this Warrant.

9. Fractional Interest. The Company shall not be required to issue fractions of Warrant Shares upon the exercise of this Warrant. If any fractional share of Common Stock would, except for the provisions of the first sentence of this Section 9, be deliverable upon such exercise, the Company, in lieu of delivering such fractional share, shall pay to the exercising Warrantholder an amount in cash equal to the Market Price of such fractional share of Common Stock on the date of exercise.

10. Benefits. Nothing in this Warrant shall be construed to give any person, firm or corporation (other than the Company and the Warrantholder) any legal or equitable right, remedy or claim, it being agreed that this Warrant shall be for the sole and exclusive benefit of the Company and the Warrantholder.

11. Notices to Warrantholder. Upon the happening of any event requiring an adjustment of the Warrant Price, the Company shall promptly give written notice thereof to the Warrantholder at the address appearing in the records of the Company, stating the adjusted Warrant Price and the adjusted number of Warrant Shares resulting from such event and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Failure to give such notice to the Warrantholder or any defect therein shall not affect the legality or validity of the subject adjustment.

12. Notices. Unless otherwise provided, all notices and other communications hereunder shall be in writing and shall be deemed received (a) on the date of delivery if delivered personally and/or by messenger service, (b) on the date of confirmation of receipt of transmission by facsimile (or, the first Business Day following such receipt if (i) the date is not a Business Day or (ii) confirmation of receipt is given after 5:00 p.m., Pacific Time) or (c) on the date of confirmation of receipt if delivered by a nationally or internationally recognized courier service (or, the first Business Day following such receipt if (i) the date is not a Business Day or (ii) confirmation of receipt is given after 5:00 p.m., Pacific Time), to the parties at the address set forth in the Purchase Agreement (or at such other address or facsimile number for a party as shall be specified by like notice):

13. Successors. All the covenants and provisions hereof by or for the benefit of the Warrantholder shall bind and inure to the benefit of its respective successors and assigns hereunder.

14. Governing Law: Consent to Jurisdiction. This Warrant shall be governed by, and construed in accordance with, the internal laws of the State of California, without reference to the choice of law provisions thereof. The Company and, by accepting this Warrant, the Warrantholder, each irrevocably submits to the exclusive jurisdiction of the courts of the State of California located in Sacramento County and the United States District Court for the Northern District of California for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Warrant and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each party hereto by the same methods as are specified for the giving of notices under this Warrant. The Company and, by accepting this Warrant, the Warrantholder, each irrevocably consents to the jurisdiction of any such court in any such suit, action or proceeding and to the laying of venue in such court. The Company and, by accepting this Warrant, the Warrantholder, each irrevocably waives any objection to the laying of venue of any such suit, action or proceeding brought in such courts and irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

15. No Rights as Stockholder. Prior to the exercise of this Warrant, the Warrantholder shall not have or exercise any rights as a stockholder of the Company by virtue of its ownership of this Warrant.

16. Amendment; Waiver. Any term of this Warrant may be amended or waived (including the adjustment provisions included in Section 8 of this Warrant) upon the written consent of the Company and the Warrantholder.

17. Section Headings. The section headings in this Warrant are for the convenience of the Company and the Warrantholder and in no way alter, modify, amend, limit or restrict the provisions hereof.

IN WITNESS WHEREOF, the Company has caused this Warrant to be duly executed, as of the ____ day of [], 2016.

among the Company and the Investors. If one or more provisions of this Agreement are held to be unenforceable under applicable law, such provision shall be excluded from this Agreement, the balance of the Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms, and the parties shall use good faith to negotiate a substitute, valid and enforceable provision that replaces the excluded provision and that most nearly effects the parties' intent in entering into this Agreement.

(h) Specific Performance. It is agreed and understood that monetary damages would not adequately compensate an injured party for the breach of this Agreement by any party, that this Agreement shall be specifically enforceable, and that any breach or threatened breach of this Agreement shall be the proper subject of a temporary or permanent injunction or restraining order. Further, each party hereto waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach.

(j) No Waiver. The failure or delay by a party to enforce any provision of this Agreement will not in any way be construed as a waiver of any such provision or prevent that party from thereafter enforcing any other provision of this Agreement. The rights granted both parties hereunder are cumulative and will not constitute a waiver of either party's right to assert any other legal remedy available to it.
