Edgar Filing: UGI CORP /PA/ - Form DEF 14A

Meeting. It will be mailed to shareholders on or about January 2, 2003.

Who is entitled to vote? _____

Shareholders of record of our Common Stock at the close of business on December 13, 2002 are entitled to vote at the Annual Meeting, or any postponement or adjournment of the meeting. Each Shareholder has one vote per share on all matters to be voted on. On December 13, 2002, there were 27,790,676 shares of Common Stock outstanding.

What am I voting on? _____

You will be asked to elect nominees to serve on the Company's Board of Directors, and to ratify the appointment of our independent accountants for fiscal year 2003. The Board of Directors is not aware of any other matters to be presented for action at the meeting.

How does the Board of Directors recommend I vote on the proposals? _____

The Board of Directors recommends a vote FOR the election of each of the nominees for director, and FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent certified accountants for fiscal year 2003.

What does it mean if I get more than one proxy card? _____

If your shares are registered differently and are in more than one account, you will receive more than one card. Please follow the directions for voting on each of the proxy cards you receive to ensure that all of your shares are voted.

How do I vote? _____

You may vote in one of three ways:

Vote Over the Internet

- o If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the Internet by accessing the website given on the proxy card you received from such broker, bank, or other nominee. You will need the control number that appears on your proxy card when you access the web page.
- o If your shares are registered in your name: Vote your shares over the Internet by accessing Mellon Investor Services LLC Proxy Vote Online website at <http://www.eproxy.com.ugi> and following the on-screen instructions. You will need the control number that appears on your proxy card when you access the web page.

Vote By Telephone (Touch-Tone Phone Only)

- o If your shares are held in the name of a broker, bank, or other nominee: Vote your shares over the telephone by following the telephone voting instructions, if any, provided on the proxy card you received from such broker, bank or other nominee.
- o If your shares are registered in your name: Vote your shares over the telephone by accessing the telephone voting system toll-free 1-800-435-6710 and following the telephone voting instructions. The telephone instructions will lead you through the voting process. You

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

will need the control number that appears on your proxy card when you call.

Internet and telephone voting will provide proxies the same authority to vote your shares as if you returned your proxy card by mail. In addition, internet and telephone voting will reduce the Company's proxy-related first-class postage expenses.

Vote by Returning Your Proxy Card

You may vote by signing and returning your proxy card. The proxy holders will vote your shares of Common Stock according to your directions. If you sign and return your proxy card without specifying choices, your shares will be voted as recommended by the Board of Directors.

If You Change Your Mind After Voting

You can revoke your proxy at any time before it is voted. Proxies are voted at the Annual Meeting. If you are a shareholder of record, you can write to the Company's Corporate Secretary at our principal offices, 460 North Gulph Road, King of Prussia, Pennsylvania 19406, stating that you wish to revoke your proxy and that you need another proxy card. If you hold

-2-

your shares of Common Stock through a broker, bank or other nominee, you can revoke your proxy by contacting the broker, bank or other nominee and asking for a new proxy card. Alternatively, you can vote again, either over the Internet or by telephone. If you attend the meeting, you may vote by ballot, which will cancel your previous proxy vote. Your last vote is the vote that will be counted.

What is a quorum? _____

A quorum of the holders of the outstanding shares of Common Stock must be present for the Annual Meeting to be held. A "quorum" is the presence at the meeting, in person or represented by proxy, of the holders of a majority of the outstanding shares of Common Stock.

How are votes, abstentions and broker non-votes counted? _____

Abstentions are counted for purposes of determining the presence or absence of a quorum, but are not considered a vote cast under Pennsylvania law. Shares of Common Stock held by brokers in street name and for which the beneficial owners have withheld the discretion to vote from brokers are called "broker non-votes." They are counted to determine if a quorum is present, but are not considered a vote cast under Pennsylvania law. Neither abstentions nor broker non-votes will affect the outcome of a vote on the matters to be considered at the Annual Meeting.

What vote is required to approve each item? _____

The director nominees will be elected by a plurality of the votes cast at the Annual Meeting. The other matter to be considered at the meeting requires the affirmative vote of a majority of the votes cast at the meeting on the item to be approved.

Who will count the vote? _____

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

Mellon Investor Services LLC, our Transfer Agent, will tabulate the votes cast by proxy or in person at the Annual Meeting.

What are the deadlines for shareholders' proposals for next year's Annual Meeting? _____

Shareholder proposals intended for inclusion in next year's proxy statement and proxy card must be received by the Company not later than September 4, 2003. With respect to proposals not intended for inclusion in the Company's proxy materials for next year's annual meeting, if the Company does not receive notice of such a proposal by November 18, 2003 and the matter is raised at that meeting, the proxy holders will have discretionary authority to vote on the matter. All proposals and notifications should be addressed to the Corporate Secretary.

-3-

How much did this proxy solicitation cost? _____

The Company has engaged Georgeson Shareholder to solicit proxies for the Company for a fee of \$6,500 plus expenses. We also reimburse banks, brokerage firms and other institutions, nominees, custodians and fiduciaries for their reasonable expenses for sending proxy materials to beneficial owners and obtaining their voting instructions. Certain directors, officers and regular employees of the Company and its subsidiaries may solicit proxies personally or by telephone or facsimile without additional compensation.

Section 16(a) - Beneficial Ownership
Reporting Compliance _____

Section 16(a) of the Securities Exchange Act of 1934 requires directors, certain officers and any 10% beneficial owners of public companies to send reports of their ownership of Shares and changes in ownership to the Securities and Exchange Commission. Based on our records,

-5-

we believe that during Fiscal 2002, all of such reporting persons complied with all Section 16(a) reporting requirements applicable to them, with three exceptions: On March 1, 2002, the Company mailed a Form 4 on behalf of Mr. Gozon reporting his exercise of options for 1,000 shares together with a Form 4 on behalf of Mr. Stratton reporting his exercise of options for 1,000 shares. The Company expected that the SEC would receive those Form 4 reports prior to their due date of March 11, 2002; however, the SEC did not receive the reports until March 13, 2002. On August 15, 2002, Mr. Bissell instructed the Company's payroll

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

department to terminate withholding from his compensation for voluntary contributions to the Company's dividend reinvestment plan ("DRIP"). The Company did not inform Mr. Bissell that \$800 had already been withheld for the purchase of shares under the DRIP on the first business day of September. On October 17, 2002, Mr. Bissell became aware that the Company had deposited funds with the DRIP on September 3, 2002 to purchase shares for him on that date. The Company immediately filed a Form 4 with the SEC on behalf of Mr. Bissell to report the non-exempt acquisition. Mr. Bovaird filed an amended report on Form 4 on November 4, 2002, correcting a typographical error in the number of shares (in the form of units within the Company's Savings Plan) previously reported in a timely manner in October 2001.

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

retainer of \$22,000 and (ii) 630 Units. A Unit represents an interest equivalent to one share of Common Stock. Directors' annual retainer fees in excess of \$18,500 are paid in Common Stock. The fair market value of the Stock is determined as of the first day of the calendar year. The Stock is issued on the fifth business day in each calendar year. The amount of the annual retainer fee and the corresponding grant of Stock are prorated for any director who commences service during a calendar year. Fractional shares are paid in cash. Prior to the beginning of each calendar year, participants may elect to defer any portion of their cash compensation.

All whole Units credited to a director earn dividend equivalents on each record date for the payment of a dividend by the Company on its Common Stock. A dividend equivalent is an amount determined by multiplying the number of Units credited to a participant's account by the per-share cash dividend, or the per-share fair market value of any non-cash dividend, paid by the Company on its Shares on a dividend payment date. Accrued dividend equivalents are converted to additional whole Units annually, on the last day of the calendar year.

All Units and dividend equivalents are fully vested when credited to the participant's account. Account balances become payable in Shares upon retirement or termination of service, unless the director elected to defer receipt of those benefits.

2000 Directors' Stock Option Plan _____

The 2000 Directors' Stock Option Plan provides for stock option grants to non-employee directors. The number of options to be granted is determined by the Compensation and Management Development Committee of the Board, subject to Board approval. In making awards, the Committee relies on management recommendations made in consultation with the Company's independent compensation consultants. No participant may be granted options relating to more than 10,000 Shares in any calendar year. Except as otherwise provided by the Committee, all options granted under the Plan are fully vested on the date of grant. The option price per Share may not be less than 100% of fair market value of the Stock on the effective date of the option.

Notwithstanding anything to the contrary, the following reports of the Audit Committee and the Compensation and Management Development Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

| REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS _____

The Audit Committee is composed of three directors. Each of us is independent as defined by the listing standards of the New York Stock Exchange. We have recommended, and the Board of Directors has adopted, a written Audit Committee charter.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility as members of the Audit Committee is to oversee these processes on behalf of the

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

Board of Directors. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on the Company's financial statements. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent."

We have reviewed and discussed with management and the independent accountants the Company's audited financial statements for Fiscal 2002. In addition, we have discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees."

We have also received from the independent accountants written disclosures and a letter concerning the independent accountants' independence from the Company, as required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." These disclosures have been reviewed by us and discussed with the independent accountants.

Based on these reviews and discussions, we have recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for Fiscal 2002 for filing with the SEC.

| REPORT OF THE COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE OF THE BOARD OF DIRECTORS_____

Role of the Committee_____

The Committee establishes and oversees the Company's executive compensation policies and programs. The Committee also recommends to the Board of Directors base salaries, target bonus levels, actual bonuses, and long-term incentive awards to be paid to senior executive personnel. In carrying out these functions, we believe it is important to align executive compensation with business objectives and strategies, management initiatives, financial performance and enhanced shareholder value.

Our Committee is comprised of independent outside directors, none of whom is or was an officer or employee of the Company or its subsidiaries. Periodically, we solicit and receive recommendations and advice from independent third party compensation consultants. Towers Perrin has acted in this capacity since 1986. Compensation for the chief executive officers of each of UGI Utilities, Inc. and AmeriGas Propane, Inc. is determined by the Compensation Committee and Board of Directors of those companies under the same process described in this report.

Executive Compensation Program_____

The executive compensation program is designed to attract and retain key executives with outstanding abilities and to motivate them to perform to the full extent of their abilities. We believe that executives should have a greater portion of their compensation at risk than other employees, and that executive compensation, as stated above, should be tied to the performance of the business and be aligned with benefits realized by the Company's shareholders.

Compensation for Company executives consists of both cash and equity-based opportunities. The annual cash compensation consists of (i) base salary and (ii) annual bonus opportunity under the Company's Annual Bonus Plan. Currently long-term equity-based opportunities are provided under the Company's 2000 Stock Incentive Plan.

The Committee determines base salary ranges for executive officers based upon competitive pay practices, particularly those in the energy services industry. The base salary ranges for all executive officers were set at the 50th percentile of the survey companies. For fiscal year 2002, as has been the practice in the past, the Committee reviewed a report from Towers Perrin which compared base salary ranges for executive officers with base salary ranges for

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

similar positions, as reported in published survey results in Towers Perrin's Executive Compensation Database, and Towers Perrin's Energy Services Executive Compensation Database. This comparison was weighted to reflect the Company's approximate business mix.

-16-

Annually, the Committee recommends to the Board of Directors changes in actual salaries of senior executives based on judgments of past performance, job duties, scope and responsibilities, and expected future contributions. The most recent past performance is the prime determinant.

The Committee also oversees the Company's Annual Bonus Plan for senior executives. We establish challenging objectives based on business targets. For Messrs. Greenberg, Mendicino, and Bovaird, the sole objective in 2002 was achieving financial performance for the Company. Mr. Bissell is covered under the AmeriGas Propane, Inc. Annual Bonus Plan. Mr. Bissell had a combination of financial and business performance objectives. Of these objectives, the financial objective was weighted at 80%. Mr. Chaney is covered under the UGI Utilities, Inc. Annual Bonus Plan. For Mr. Chaney, the sole objective was achieving the financial performance goal for UGI Utilities, Inc.

Each year, after completion of the audit of the Company's financial statements, the Committee reviews business results and determines and recommends to the Board cash bonus payments under the terms of the Annual Bonus Plan. The financial objective for fiscal year 2002 for UGI Corporation senior executives was achievement of targeted earnings per share. For executives whose sole objective is achieving a financial performance goal, bonus payments are subject to a maximum 15% adjustment of the calculated bonus based on the individual's contribution having a significant impact on corporate performance. During fiscal year 2002, the financial objective for UGI Utilities, Inc. was net earnings after preferred stock dividends. For AmeriGas Propane, Inc. the financial objective was earnings per AmeriGas Partners, L.P. common unit and the business performance objective measured customer growth.

Periodically, the Committee reviews the overall competitiveness of the Annual Bonus Plan with its compensation consultant. For 2002, using the published survey sources and methodology previously identified, the Annual Bonus Plan target bonus opportunity for each executive remained at the 75th percentile of the survey companies. The 75th percentile level was determined to be appropriate in light of the Committee's view that the annual bonus opportunities should have a high reward potential to recognize the difficulty of achieving the annual goals and the significant corporate impact of doing so.

The Committee believes that the Company competes for key executives from a broad pool of companies in general industry and the energy industry. This pool of companies is much larger than the group of companies comprising the S&P Utilities Index, against which total shareholder return is compared in the "Corporate Performance" section of this Proxy Statement. Therefore, the survey companies used to determine competitive pay practices and to establish base salary ranges, Annual Bonus Plan target opportunities and long-term equity-based awards, are not the same as the companies comprising the S&P Utilities Index.

The Committee oversees the Company's long-term equity-based plans. Long-term equity-based pay is set at the 50th percentile of the survey companies. The 2000 Stock Incentive Plan is an omnibus plan that permits grants of (i) stock options, (ii) dividend equivalents, and (iii) restricted stock. All dividend equivalents and restricted stock grants are subject to objective, performance-based goals. The 2000 Plan is intended to provide a strong incentive for improved financial performance. The Committee established a new program

under the 2000 Plan of annual

-17-

awards during fiscal year 2002. Those awards consisted of stock options, phantom performance-contingent restricted shares of UGI Common Stock and a performance-contingent cash award equivalent to the dividends on the corresponding number of phantom restricted shares paid during the restriction period. For the restricted Share and dividend equivalent awards, the Committee selected total shareholder return compared to those companies comprising the S&P Utility Index as the performance criteria in order to reconfirm the Company's long-standing goal of providing superior shareholder returns. To maintain continuity of payouts of restricted shares and dividend equivalents, the new program is transitioning into annual awards with three-year performance periods by initiating one-, two- and three-year performance periods beginning January 1, 2002. The number of shares and dividend equivalents earned will be determined at the end of each performance period. All shares earned during this transition will vest on December 31, 2004. In the case of Mr. Bissell, the award consisted of phantom performance-contingent restricted AmeriGas Partners' Common Units and a similar performance-contingent cash award based on Partnership distributions paid during the restriction period. The performance-based goal for Mr. Bissell's award is progress on the achievement of strategic objectives, including the Partnership's acquisitions integration, productivity improvement, internal growth, and cash generation objectives. Award levels were set by the Committee based on competitive practices as reported by Towers Perrin.

Fiscal Year 2002 CEO Compensation_____

The compensation for Mr. Greenberg recommended to the Board of Directors was based upon the procedure for determining base salary ranges, actual salaries within ranges, Annual Bonus Plan targets and long-term incentive awards described earlier in this report and the factors and criteria described below.

Base Salary. For 2002, the Committee determined that Mr. Greenberg's base salary be increased by 7.1% over the level set for fiscal year 2001. The Committee's determination was based on Mr. Greenberg's position in salary range, his continuing contributions to the Company's long-term business strategy, his leadership in guiding the Company through acquisitions, and the Company's substantially improved financial performance including improved earnings per share.

Annual Bonus. For 2002, Mr. Greenberg earned the annual bonus shown on page 21. The amount of this bonus is based on the Company's fiscal year 2002 earnings per share, which, although not reaching the earnings target, increased over fiscal year 2001 earnings, despite the impact on earnings of significantly warmer-than-normal weather.

Long-Term Incentive. During Fiscal 2002, after consultation with Towers Perrin, the Board made a grant to Mr. Greenberg under the 2000 Stock Incentive Plan of 120,000 stock options, as well as three grants each consisting of 26,000 phantom performance-contingent restricted shares. These grants were made effective January 1, 2002, and are based on competitive long-term incentive award levels. The performance periods for the restricted share grants will end on December 31, 2002, 2003 and 2004, respectively.

Policy on Deductibility of Compensation _____

Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1,000,000 for compensation paid to the Chief Executive Officer and the other Named Executive Officers unless certain requirements are met. One of the requirements is that compensation over \$1,000,000 must be based upon attainment of performance goals approved by shareholders. The 2000 Stock Incentive Plan was designed to meet the requirements of Section 162(m).

To the extent possible, the Committee intends to preserve deductibility of compensation, but it may choose to provide compensation that is not deductible in order to maximize shareholder return and to retain and reward high-performing executives.

(1) Bonuses earned under the Annual Bonus Plan are for the year reported, regardless of the year paid. The Company's Annual Bonus Plan is based on the achievement of business and/or financial performance objectives, which support business plans and goals. Bonus opportunities vary by position and for Fiscal 2002 ranged from 0% to 184% of base salary for Mr. Greenberg, 0% to 138% for Mr. Mendicino, 0% to 133% for Mr. Bissell, 0% to 86% for Mr. Chaney, and 0% to 104%

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

for Mr. Bovaird.

(2) Amounts represent tax payment reimbursements for certain benefits and, for Mr. Bovaird, above-market interest on deferred compensation during Fiscal 2002.

-21-

(3) Effective January 1, 2002, the Board of Directors of the Company and, with respect to Mr. Chaney, the Board of Directors of UGI Utilities, Inc., approved three phantom performance-contingent restricted stock awards ("Restricted Shares") to the Named Executives, other than Mr. Bissell, under the UGI Corporation 2000 Stock Incentive Plan. Dividend equivalents will accumulate on the Restricted Shares awarded. These dividend equivalents will also be leveraged based on the Company's total shareholder return ("TSR") performance as described below and distributed when the restriction period on the Restricted Shares ends on December 31, 2004. Each award has a separate performance period as follows: January 1, 2002 through December 31, 2002; January 1, 2002 through December 31, 2003; and January 1, 2002 through December 31, 2004. The restriction period for all three awards will end on December 31, 2004. The performance requirement is that the Company's TSR during the relevant performance period equals the median of a peer group. The peer group is the group of companies that comprise the S&P Utilities Index. The share price used for determining the TSR at the beginning and the end of each performance period will be the average price for the 90-day period preceding each December 31st. The actual amount of the award may be higher or lower than the original grant, or even zero, based on the Company's TSR percentile rank relative to the companies in the S&P Utilities Index. The maximum payout potential is 200% of the original award. At the Company's discretion, awards of Restricted Stock may be paid out in stock, cash or a combination of stock and cash. Awards of dividend equivalents will be paid in cash.

Effective January 1, 2002, the Board of Directors of AmeriGas Propane, Inc. approved a phantom performance-contingent restricted Common Unit award ("Restricted Units") to Mr. Bissell under the 2000 AmeriGas Propane, Inc. Long-Term Incentive Plan. Distribution equivalents will accumulate on the Restricted Units awarded. These distributions will also be leveraged based on performance described below and paid out when the restriction period on the Restricted Units ends on December 31, 2004. The restriction period will end on December 31, 2004 provided that certain performance criteria are met on or prior to December 31, 2002. The performance requirement is evidence of AmeriGas' meaningful progress toward the achievement of its strategic objectives during 2002 including the Partnership's acquisition integration, productivity improvement, internal growth, and cash generation goals. The actual amount of the award may be higher or lower than the original grant, or even zero, based on AmeriGas' achievement of its objectives, with a maximum payout potential of 125% of the original award.

The dollar values shown in the restricted stock awards column of the table above for all years represent the aggregate value of each award on the date of grant, determined by multiplying the number of Restricted Shares awarded by the closing price of UGI Common Stock or, for Mr. Bissell, the number of Restricted Units by the closing price of a Common Unit, on the New York Stock Exchange on the effective dates of the respective grants.

Based on the closing stock price of UGI Common Stock on the New York Stock Exchange on September 30, 2002, Mr. Greenberg's 128,000 restricted shares shown in the restricted stock awards column had a market value of \$4,652,800; Mr. Mendicino's 30,500 restricted shares had a market value of \$1,108,675; Mr. Chaney's 19,500 restricted shares had a market value of \$708,825; and Mr. Bovaird's 15,000 restricted shares had a market value of \$545,250. Based on the

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

closing price of Common Units of AmeriGas Partners, L.P. on the New York Stock Exchange on September 30, 2002, Mr. Bissell's 16,150 Restricted units had a market value of \$374,034.

(4) Amounts represent Company contributions in accordance with the provisions of the UGI Utilities, Inc. Employee 401(k) Savings Plan or, for Mr. Bissell, the AmeriGas Propane, Inc. Employee 401(k) Savings Plan and allocations under the Supplemental Executive Retirement Plan. During fiscal years 2002, 2001, and 2000, the following contributions were made to the Named Executives: (i) under the Employee Savings Plan: For each of Messrs. Greenberg, Bovaird, Chaney, and Mendicino, \$3,825, \$3,825, and \$3,825; Mr. Bissell, \$4,957, \$7,576, and \$9,424; and (ii) under the Supplemental Executive Retirement Plan: Mr. Greenberg, \$24,208, \$17,114, and \$16,592; Mr. Mendicino, \$6,535, \$4,401, and \$4,043; Mr. Chaney, \$6,042, \$5,784, and \$3,744; Mr. Bovaird, \$3,586, \$2,287, and \$2,102; and Mr. Bissell, \$37,760, \$48,072, and \$22,462.

Option Grants in Fiscal 2002_____

The table below shows option grants to each of the Named Executives:

Option Grants in Fiscal 2002

Individual Grants

Name	Number of Securities Underlying Options Granted	% of Total Options Granted to Employees in Fiscal 2002(1)	Exercise or Base Price	Expiration Date	Grant Date Present Value (2)
Lon R. Greenberg	120,000	26.77%	\$30.600	12/31/2011	\$613,953
Anthony J. Mendicino	35,000	7.81%	\$30.600	12/31/2011	\$179,070
Eugene V.N. Bissell	35,000	7.81%	\$30.600	12/31/2011	\$179,070
Robert J. Chaney	18,000	4.02%	\$30.600	12/31/2011	\$ 92,093
Brendan P. Bovaird	14,500	3.23%	\$30.600	12/31/2011	\$ 74,186

(1) A total of 448,250 options were granted to employees and executive officers of the Company during fiscal year 2002 under the 2000 Stock Incentive Plan and the 1992 and 2002 Non-Qualified Stock Option Plans. Under these Plans, the option exercise price is not less than 100% of the fair market value of UGI's Common Stock on the effective date of the grant. These options become exercisable in three equal annual installments beginning on the first anniversary of the grant date. All options are nontransferable and generally exercisable only while the optionee is employed by the Company or an affiliate, with exceptions for exercise following retirement, disability and death. Options are subject to adjustment in the event of recapitalizations, stock splits, mergers, and other similar corporate transactions affecting UGI's Common Stock.

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

(2) Based on the Black-Scholes options pricing model. The assumptions used in calculating the grant date present value are as follows:

- o Three years of closing monthly stock price and dividend observations were used to calculate the stock volatility and dividend yield assumptions.
- o Stock volatility 29.10%
- o Stock's dividend yield 6.70%
- o Length of option term 10 years
- o Annualized risk-free interest rate 5.54%
- o Discount of risk of forfeiture 0% per year

All options were granted at fair market value. The actual value, if any, the executive may realize will depend on the excess of the stock price on the date the option is exercised over the exercise price. There is no assurance that the value realized by the executive will be at or near the value estimated by the Black-Scholes model.

- (2) The closing price of the Company's Common Stock as reported on the New York Stock Exchange Composite tape on September 30, 2002 was \$36.35 and is used in calculating the value of unexercised options.

Retirement Benefits _____

The following Pension Plan Benefits Table shows the annual benefits payable upon retirement to the Named Executives other than Mr. Bissell under the Company's Retirement Plan and its Supplemental Executive Retirement Plan. The amounts shown assume the executive retires in 2002 at age 65, and that the aggregate benefits are not subject to statutory maximums. Messrs. Greenberg, Mendicino, Chaney, and Bovaird had, respectively, 22 years, 10 years, 38 years and 7 years of credited service under these Plans at September 30, 2002. Mr. Bissell previously accumulated more than 6 years of credited service with UGI and its subsidiaries before joining AmeriGas Propane, Inc. in 1995. He does not currently participate in the Company's Retirement Plan.

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

- (1) Consists of (i) base salary, commissions and cash payments under the Annual Bonus Plan, and (ii) deferrals thereof permitted under the Internal Revenue Code.
- (2) Annual benefits are computed on the basis of straight life annuity amounts. These amounts include pension benefits, if any, to which a participant may be entitled as a result of participation in a pension plan of a subsidiary during previous periods of employment. The amounts shown do not take into account exclusion of up to 35% of the estimated primary Social Security benefit. The Retirement Plan provides a minimum benefit equal to 25% of a participant's final 12-months' earnings, reduced proportionately for less than 15 years of credited service at retirement. The minimum Retirement Plan benefit is not subject to Social Security offset.
- (3) The maximum benefit under the Retirement Plan and the UGI Supplemental Executive Retirement Plan is equal to 60% of a participant's highest consecutive 12 months' earnings during the last 120 months.

Severance Pay Plan for Senior Executive Employees _____

The UGI Corporation Severance Pay Plan for Senior Executive Employees and the AmeriGas Propane, Inc. Executive Employee Severance Pay Plan assist certain senior level employees of the Company and AmeriGas Propane, Inc. in the event their employment is terminated without fault on their part. Benefits are payable to a senior executive covered by either Severance Plan if the senior executive's employment is involuntarily terminated for any reason other than for cause or as a result of the senior executive's death or disability.

-25-

Each Severance Plan provides for cash payments equal to a participant's compensation for a period of time ranging from 3 months to 15 months (30 months in the case of Mr. Greenberg and 18 months in the case of Mr. Bissell), depending on length of service. In addition, a participant receives the cash equivalent of his target bonus under the Annual Bonus Plan, pro-rated for the number of months served in the fiscal year. However, if the termination occurs in the last two months of the fiscal year, the Chief Executive Officer has the discretion to determine whether the participant will receive a pro-rated target bonus, or the actual annual bonus which would have been paid after the end of the fiscal year, had the participant's entire bonus been contingent on meeting the Company's financial performance goal. Certain employee benefits are continued under the Plan for a period up to 15 months (30 months in the case of Mr. Greenberg and 18 months in the case of Mr. Bissell). The company has the option to pay a participant the cash equivalent of those employee benefits.

In order to receive benefits under the applicable Severance Plan, a senior executive is required to execute a release which discharges the Company and its subsidiaries from liability for any claims the senior executive may have against any of them, other than claims for amounts or benefits due the executive under any plan, program or contract binding on UGI or its subsidiaries. The senior executive is also required to cooperate in attending to matters pending at the time of his termination.

Change of Control Arrangements _____

Messrs. Greenberg, Mendicino, and Bovaird each have an agreement with the Company that provides certain benefits in the event of a change of control of

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

the Company. Mr. Bissell and Mr. Chaney each have a similar agreement with AmeriGas Propane, Inc. and UGI Utilities, Inc., respectively. The agreements operate independently of the Severance Plan, continue through July 2004, and are automatically extended in one-year increments thereafter unless, prior to a change of control, the Company terminates an agreement. In the absence of a change of control, each agreement will terminate when, for any reason, the executive terminates his employment with the Company or its subsidiaries.

A change of control is generally deemed to occur in the following instances:

- o Any person (other than certain persons or entities affiliated with the Company), together with all affiliates and associates of such person, acquires securities representing 20% or more of either (A) the then outstanding shares of Common Stock, or (B) the combined voting power of the Company's then outstanding voting securities; or
- o individuals, who at the beginning of any 24-month period constitute the Board of Directors (the "Incumbent Board") and any new director whose election by the Board of Directors, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the Incumbent Board, cease for any reason to constitute a majority; or

-26-

- o the Company is reorganized, merged or consolidated with or into, or sells all or substantially all of its assets to, another corporation in a transaction in which former shareholders of the Company do not own more than 50% of, respectively, the outstanding common stock and the combined voting power of the then outstanding voting securities of the surviving or acquiring corporation; or
- o the Company is liquidated or dissolved.

The agreements covering Mr. Bissell and Mr. Chaney provide benefits upon a change of control of (i) AmeriGas Propane, Inc. or its subsidiaries (in the case of Mr. Bissell), and (ii) UGI Utilities, Inc. (in the case of Mr. Chaney), in addition to providing benefits in the event of a change of control of the Company.

The agreements provide for payment of severance benefits if there is a termination of the executive's employment without cause at any time within three years after a change of control. In addition, following a change of control, the executive may elect to terminate his employment without loss of severance benefits in certain situations, including termination of officer status; a significant adverse change in authority, duties, responsibilities or compensation; the failure of the Company to comply with any of the terms of the agreement; or a substantial relocation or excessive travel requirements.

An executive terminated with rights to severance compensation under a change of control agreement will receive an amount equal to 1.0 or 1.5 (2.5 in the case of Mr. Greenberg) times his average annual total cash remuneration for the preceding five calendar years. If the severance compensation payable, either alone or together with other payments to an executive, would constitute "excess parachute payments," as defined in Section 280G of the Internal Revenue Code of 1986, as amended, the executive will also receive an amount to satisfy the executive's additional tax burden. In addition, upon a change of control, the agreement provides for an immediate cash payment equal to the market value of

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

any pending target award under the Company's long-term compensation plan.

Stock Ownership Policy and
Indebtedness of Management _____

The Board of Directors established a policy effective October 1, 1997 that requires individuals in key management positions in the Company and its subsidiaries to own significant amounts of Common Stock. The required levels of ownership range from approximately 40% of base salary to approximately 450% of base salary for the Company's Chief Executive Officer. The policy is designed to encourage growth in shareholder value by closely linking executives' risks and rewards with the Company's total shareholder return. Prior to enactment of the Sarbanes-Oxley Act of 2002, the Company assisted officers and employees in purchasing Stock to comply with the policy, by making interest-bearing loans available. Each loan is full recourse to the borrower and is secured by a pledge of the Stock purchased. All loans had 10 year terms. The Company is no longer offering loans under this program.

-27-

All of the Company's executive officers obtained loans to finance the purchase of Stock to comply with the policy. The largest amounts outstanding under these loans during Fiscal 2002 were: Mr. Greenberg, \$1,299,728.61; Mr. Bissell, \$620,789.29; Mr. Chaney, \$428,758.35; Mr. Mendicino, \$431,573.45; Mr. Bovaird, \$256,232.32; and Mr. Hall, \$201,134.69. The executive officers' outstanding loan amounts as of October 31, 2002 were: Mr. Greenberg, \$737,439.27; Mr. Bissell, \$513,191.30; Mr. Chaney, \$324,277.63; Mr. Mendicino, \$384,768.33; Mr. Bovaird, \$235,382.48; and Mr. Hall, \$188,299.27.

Stock Price Information _____

The closing price of the Company's Common Stock as reported on the New York Stock Exchange Composite Transactions tape on December 13, 2002 was \$37.25.

ITEM 2 -- RATIFICATION OF APPOINTMENT OF
INDEPENDENT CERTIFIED ACCOUNTANTS

The Board of Directors appointed PricewaterhouseCoopers LLP ("PWC") as independent certified accountants to examine and report on the consolidated financial statements of the Company for fiscal year 2003 and recommends that the Shareholders ratify the appointment. If the Shareholders do not ratify the appointment of PWC, the Audit Committee and the Board of Directors will consider the appointment of other independent certified accountants. One or more representatives of PWC will be present at the Annual Meeting. They will have the opportunity to respond to appropriate questions and to make a statement if they wish to do so.

On May 21, 2002, the Company determined to terminate the services of its independent auditors, Arthur Andersen LLP ("Andersen"), and to appoint PWC as its new independent auditors. This determination followed the Company's decision to seek proposals from independent accountants to audit the consolidated financial statements of UGI and was approved by the Company's Board of Directors upon the recommendation of its Audit Committee. PWC has audited the consolidated financial statements of UGI for the fiscal year ending September 30, 2002.

During the two most recent fiscal years of UGI ended September 30, 2001, and the subsequent interim period through May 21, 2002, there were no disagreements between UGI and Andersen on any matter of accounting principles or

Edgar Filing: UGI CORP /PA/ - Form DEF 14A

practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of the disagreement in connection with its reports.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the two most recent fiscal years of UGI ended September 30, 2001 or within the subsequent interim period through May 21, 2002.

-28-

The audit reports of Andersen on the consolidated financial statements of UGI as of and for the fiscal years ended September 30, 2000 and 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles except that the fiscal year 2001 report contained an explanatory paragraph indicating that AmeriGas Partners, L.P. changed its methods of accounting for tank installation costs and nonrefundable tank fees and UGI adopted the provisions of SFAS No. 133. UGI provided Andersen with a copy of the foregoing disclosures.

During the two most recent fiscal years of UGI ended September 30, 2001, and the subsequent interim period through May 21, 2002, UGI did not consult PWC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on UGI's consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and 304(a)(2)(ii) of Regulation S-K.

ITEM 3 -- OTHER MATTERS

The Board of Directors is not aware of any other matter to be presented for action at the meeting. If any other matter requiring a vote of the shareholders should arise, the Proxies (or their substitutes) will vote in accordance with their best judgment.
