Loan Transaction

The information provided in Item 2.03 of this Current Report on Form 8-K regarding the Notes (as such term is defined below) is incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Loan Transaction

On January 19, 2007, Nu Skin Enterprises, Inc.(the Company) issued a series of U.S. Dollar denominated senior promissory notes (the Notes) to affiliates of Prudential Investment Management, Inc. (Prudential). The Notes were issued pursuant to a \$205 million Private Shelf Agreement entered into between the Company and Prudential on August 26, 2003, as amended from time to time (the Shelf Agreement).

The aggregate principal amount of the Notes is \$40 million, bearing a 6.14% interest rate per annum, with interest payable semi-annually beginning on July 20, 2007. The final maturity date of the Notes is January 20, 2017 and principal prepayments are required annually beginning on January 20, 2011 in equal installments of \$5,714,285.71. The Notes are also governed by the terms of the Shelf Agreement and amendments thereto, which contain certain representations, warranties and covenants by the Company, as well as customary conditions upon which the obligations under the Notes may be accelerated and become due and payable immediately, or become subject to additional obligations. For complete information regarding these terms, please refer to the Shelf Agreement and amendments thereto previously filed with our annual and quarterly reports. The Company intends to use the proceeds from the Notes primarily for stock repurchases and other general corporate purposes.

The Notes are attached as Exhibit 99.1 to this report and incorporated by reference.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

Establishment of Executive Incentive Bonus Targets

On January 22, 2007, the Compensation Committee of the Board of Directors of the Company (the Committee) met and approved incentive targets and bonus percentage levels for the first quarter and first half of 2007 under the Nu Skin Enterprises, Inc. 2006 Senior Executive Incentive Plan (the Plan). The Plan provides for the payment of cash incentive awards on a quarterly as well as a semi-annual basis to the CEO and other key executives of the Company based on the Company s achievement of incentive targets that are measured by objective business criteria selected by the Committee. The incentive targets established by the Committee for the first quarter and first half of 2007 are based on revenue and operating profit measures. The incentive targets are established at three levels, referred to as Minimum , Budget , and Stretch targets. Bonus amounts payable to participants under the Plan are based on a certain pre-established percentage of a participant s salary (Bonus Percentage Levels). If Budget targets are met for a particular incentive period, a participant will receive a bonus amount at the Bonus Percentage Level (the Budget-Level Bonus). If a Budget target is not met, the bonus amount decreases linearly from the Budget-Level Bonus until reaching 50% of the Budget-Level Bonus at the Minimum target level. No bonus is paid if Minimum operating profit targets are not met. The bonus amount increases linearly above the Budget-Level Bonus to the extent actual revenue or operating profit measures exceed Budget level, until reaching 200% of the Budget-Level Bonus at the Stretch level. Beyond the Stretch level, the bonus amount increases in proportion to the extent to which Stretch targets are exceeded.

The Bonus Percentage Levels that were set by the Committee are as follows:

Participant Bonus Percentage Level (% of salary)

Truman Hunt Director, President and CEO	100%
Blake Roney Director, Chairman of the Board	60%
Ritch Wood Chief Financial Officer	60%

Dan Chard Executive Vice President, Distributor Success	60%
Robert Conlee President, North Asia and President, Nu Skin Japan	60%
Joe Chang Chief Scientific Officer and Executive Vice President, Product Development	60%

Item 9.01 Financial Statements and Exhibits.
