The Company was unable to file its Quarterly Report on Form 10-Q for the period ending June 30, 2004, due to additional work required to review its financial statements. The Company was unable to eliminate the delays associated with these matters, as they relate to the preparation of its Quarterly Report on Form 10-Q, without unreasonable effort or expense. Revenues are primarily derived from the sale of asphalt products. Revenue for this quarter was affected by later start dates due to contractor delays and weather. The net loss for the quarter ending June 2004 is estimated to be approximately \$476,260; the 2003 profit for the same period was \$211,280.
