-

**Item 7.01 Regulation FD Disclosure.**

On March 28, 2008, Career Education Corporation (the “Company”) intends to make the financial information attached hereto (the “Financial Information”) available on its website at [www.careered.com](http://www.careered.com) under “Financial Information” in the “Investor Relations” section within the "SEC Filings" section. The Financial Information is attached hereto as Exhibit 99.1, and is incorporated herein by reference. The Financial Information reflects the Company’s revenue and operating profit for 2007 on an actual basis, and after giving effect to the Company’s new reporting structure, on both a quarterly and full-year basis.

The Financial Information may be deemed to be a non-GAAP financial measure in this presentation. As a general matter, the Company uses these non-GAAP measures in addition to and in conjunction with results presented in accordance with GAAP. Among other things, the Company may use non-GAAP financial measures, such as the Financial Information, in addition to and in conjunction with corresponding GAAP measures, to help analyze the performance of its core business, in connection with the preparation of annual budgets, and in measuring performance for some forms of compensation. In addition, the Company believes that non-GAAP financial information is used by analysts and others in the investment community to analyze the Company's historical results and in providing estimates of future performance and that failure to report these non-GAAP measures could result in confusion among analysts and others and a misplaced perception that the Company's results have underperformed or exceeded expectations.

These non-GAAP financial measures reflect an additional way of viewing aspects of the Company's operations that, when viewed with the Company’s GAAP results and the reconciliations to corresponding GAAP financial measures, provide a more complete understanding of the Company's results of operations and the factors and trends affecting the Company's business. However, these non-GAAP measures should be considered as a supplement to, and not as a substitute for, or superior to, the corresponding measures calculated in accordance with GAAP.

By filing this report on Form 8-K and furnishing the Financial Information, the Company makes no admission as to the materiality of any information in this report that is required to be disclosed solely by reason of Regulation FD.

The Company is furnishing the Financial Information pursuant to the Securities and Exchange Commission’s Regulation FD. This information is furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that Section, unless the Company specifically incorporates it by reference in a document filed under the Exchange Act, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as previously set forth by specific reference in such a filing.
