**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS**

TO BE HELD MAY 15, 2003

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Unity Bancorp, Inc. (the "Company") of proxies to be voted at the Company's 2003 Annual Meeting of Shareholders (the "Annual Meeting"), to be held on May 15, 2003, and at any meeting following postponement or adjournment of the Annual Meeting.

You are cordially invited to attend the Annual Meeting, which will begin at 6:00 p.m. local time. The Annual Meeting will be held at the Stanton Ridge Golf and Country Club, 25 Clubhouse Drive, Whitehouse Station, New Jersey. Shareholders will be admitted beginning at 5:00 p.m. local time.

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

The Company is first mailing this proxy statement and proxy card (including voting instructions) on or about April 7, 2003, to persons who were Unity Bancorp shareholders at the close of business on March 14, 2003, the record date for the Annual Meeting.

PROXIES AND VOTING PROCEDURES

Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of Unity Bancorp's common stock, no par value per share (the "Common Stock"), that you held as of the close of business on the record date. Each share of Common Stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

On March 15, 2003, there were 5,393,441 shares of Common Stock outstanding.

In accordance with New Jersey law, a list of shareholders entitled to vote at the meeting will be available at the Annual Meeting.

Who Is the Record Holder?

You may own Common Stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares of Common Stock are registered directly in your name, the Company is sending these proxy materials directly to you. If the record holder of your shares of Common Stock is a nominee, you will receive proxy materials from such record holder.

How Do I Vote?

Record Holders:

By Mail. If you choose to vote by mail, mark your proxy, date and sign it, and return it in the postage-paid envelope provided. Your vote by mail must be received by the close of voting at the Annual Meeting on May 15, 2003.

1

By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares of Common Stock in person.

Stock Held by Brokers, Banks and Nominees

If your Common Stock is held by a broker, bank or other nominee, you will receive instructions from them that you must follow in order to have your shares voted.

If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of Common Stock on March 14, 2003.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person.

How Many Votes Are Required?

A quorum is required to transact business at the Annual Meeting. The Company will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares of Common Stock entitled to vote are present at the Annual Meeting, either in person or by proxy.

If a quorum is present, a plurality of votes cast at the Annual Meeting is required to elect Directors. Thus, a Director may be elected even if the Director receives less than a majority of the shares of Common Stock represented at the Annual Meeting. Proxies cannot be voted for a greater number of nominees than are named in this Proxy Statement.

How Are Votes Counted?

All shares that have been properly voted, and not revoked, will be voted at the Annual Meeting in accordance with the instructions given. If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy will be voted as recommended by the Board of Directors: "for" the nominees for Director.

Proxies marked as abstaining, and any proxies returned by brokers as "non-votes" on behalf of shares held in street name because beneficial owners' discretion has been withheld as to one or more matters to be acted upon at the Annual Meeting, will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, any shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

How Can I Revoke My Proxy or Change My Vote?

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting.

Who Will Pay the Expenses of Proxy Distribution?

Unity Bancorp will pay the expenses of the preparation of the proxy materials and the solicitation of proxies. Proxies may be solicited on behalf of the Company by Directors, officers or employees of the Company, who will receive no additional compensation for soliciting, in person or by telephone, e-mail or facsimile or other electronic means. In accordance with the regulations of the Securities and Exchange Commission and the NASD, the Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of Common Stock.

**PROPOSAL 1
ELECTION OF DIRECTORS**

In accordance with the Certificate of Incorporation and the Bylaws of the Company, the Board of Directors has fixed the number of directors constituting the Board at 11. The Board of Directors is divided into three classes. One class is elected each year for a term of three years.

Three Directors will be elected at this Annual Meeting to serve for a three-year term expiring at the Company's Annual Meeting in 2006. The Board has nominated Charles S. Loring, Frank Ali and Dr. Mark S. Brody to fill these positions. Each of the nominees is a current member of the Company's Board of Directors. You can find information about the nominees below.

The persons named in the enclosed proxy card will vote such proxy "for" the election of each of the nominees named above unless you indicate that your vote should be withheld. If elected, each nominee will continue in office until his successor has been duly elected and qualified, or until the earliest of his death, resignation, retirement or removal. Each of the nominees has indicated to the Company that he will serve if elected. The Company does not anticipate that any of the nominees will be unable to stand for election, but, if that happens, your proxy will be voted in favor of another person nominated by the Board.

The Board of Directors has nominated and recommends a vote **FOR** the election of Mr. Loring, Mr. Ali and Dr. Brody.

Meetings of the Board of Directors and Committee Meetings

During the fiscal year ended December 31, 2002, the Board of Directors of the Company held 14 meetings. During the fiscal year ended December 31, 2002, no director attended fewer than 75% of the aggregate of (i) the meetings of the Board of Directors, and (ii) meetings of the Committees of the Board of Directors on which such director served.

The Company maintains an Audit Committee of the Board of Directors, which consisted of Messrs. Ali, Brody, Loring and Tucker during the fiscal year ended December 31, 2002. The Audit Committee met ten times in 2002. The functions of the Audit Committee are described in the Report of the Audit Committee below. The Board has determined that Mr. Loring is an "audit committee

financial expert" as defined in Item 401(h) of Securities and Exchange Commission Regulation S-K and that Mr. Loring is "independent" for purposes of NASDAQ listing standards.

During 2002, the entire Board of Directors of the Company performed the equivalent functions of a compensation committee with regard to executive compensation.

The Company does not maintain a separate Nominating Committee. The full Board of Directors acts as a Nominating Committee.

Report of the Audit Committee

The Audit Committee meets periodically to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with the Company's independent auditors and the Company's internal auditors, who have unrestricted access to the Audit Committee.

All Directors who serve on the Audit Committee are "independent" for purposes of NASDAQ listing standards. The Board has adopted a written charter for the Audit Committee setting forth the audit-related functions that the Audit Committee is to perform. A copy of the Charter was attached as an exhibit to the Company's Proxy Statement for the 2001 Annual Meeting.

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and KPMG LLP, the Company's independent auditors. We have discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). We also have received the written disclosures and letters from KPMG LLP, that are required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and have discussed with representatives of KPMG LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the U.S. Securities and Exchange Commission.

During 2002, the entire Board of Directors of the Company and the Bank performed the equivalent functions of a compensation committee with regard to executive compensation. None of the members of the Board of Directors except Anthony J. Feraro and James A. Hughes are or at any time have been an employee of the Company or the Bank. Directors David D. Dallas and Robert H. Dallas II are members of partnerships from which the Company leases its Clinton, New Jersey headquarters and its Scotch Plains, New Jersey office. Board of Directors Report on Executive Compensation

The Board of Directors is responsible for establishing the compensation levels and benefits for executive officers of the Company and the Bank. The Board of Directors has the following goals for compensation programs affecting the executive officers of the Company and the Bank:

to align the interests of executive officers with the long-term interests of shareholders through awards that can result in ownership of Common Stock;

to retain the executive officers who the Board of Directors believes will increase the Company's level of performance and to allow the Company to attract high quality executive officers in the future by providing total compensation opportunities which are consistent with competitive norms of the industry; and

to maintain "fixed" compensation at competitive amounts for the industry and the geographic area of the Company.

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

Anthony J. Feraro is the Company's President and Chief Executive Officer and was also the President and Chief Executive Officer of the Bank during 2002. In determining Mr. Feraro's compensation for 2002, the Board of Directors took into account the positive steps the Company had made in returning toward profitability. The strides that the Company took during 2002 can be seen by the Company's ultimate return to profitability and the removal of certain regulatory orders in early 2002. The Board of Directors also took into account Mr. Feraro's performance in repositioning the

8

Company's funding mix, improving the Company's net interest margin, decreasing the Company's cost of funds and increasing the Company's loan portfolio.

For 2003, the Board of Directors will review Mr. Feraro's total compensation package in light of the Company's continued efforts to increase its profitability, augment its capital and increase its base of earning assets.

Employment and Change in Control Agreements

The Company and Mr. Feraro entered into an employment agreement in February 2002 pursuant to which Mr. Feraro will serve as President of the Company and the Bank. The agreement has an initial term of three years that will be extended on a day-to-day basis until either the Company or Mr. Feraro provides written notice of their intention to terminate the agreement. The agreement provides for an initial base salary of \$305,000 for fiscal 2002, to be reviewed and, if appropriate, adjusted each year by the Board. In addition, Mr. Feraro may be entitled to receive a bonus under his agreement, based upon the attainment of performance criteria set annually by Mr. Feraro and the Board of Directors. If Mr. Feraro is terminated for "cause" as defined in the agreement, the Company will not be obligated to provide Mr. Feraro with any further benefits. If Mr. Feraro is terminated "without cause", he is entitled to receive a payment equal to twice his then current base salary payable in a lump sum and the Company is obligated to maintain Mr. Feraro's insurance benefits for 12 months following the date of his termination. In the event there is a "change in control" of the Company as defined under the agreement and Mr. Feraro and the Company's successor negotiate a mutually acceptable replacement employment agreement, Mr. Feraro will be entitled to a bonus payment equal to one and one-half times his then current base salary. However, in the event there is a change in control of the Company and Mr. Feraro and the Company's successor do not enter into a mutually acceptable replacement agreement and either Mr. Feraro is terminated or voluntarily resigns his employment, he is entitled to receive a lump sum payment equal to three times his then current base salary, subject to reduction in the event the payment will trigger the

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

excise tax provisions of Section 280G of the Internal Revenue Code of 1986.

The Company also entered into a Retention Agreement with Mr. Hughes in February 2002. Under this agreement, Mr. Hughes may be terminated at any time for "cause" as defined in the agreement. However, in the event Mr. Hughes is terminated "without cause" or in the event he resigns for "good cause" (each as defined under the agreement), he is entitled to receive a severance payment equal to nine months of his then current base salary. Resignation for good cause under his agreement includes resignation in the event: his duties, responsibilities, title or employment status are materially reduced; his total annual compensation is reduced below \$140,000 regardless of the Company's performance; his total compensation is reduced below \$175,000 if the Company is achieving at least 80% of its budgeted earnings; or the Company terminates the agreement. In addition, upon a "change in control" of the Company, as defined under the agreement, regardless of whether Mr. Hughes' employment is continued, he will be entitled to receive a bonus payment equal to nine months of his then current base salary and the Company, or its successor, will be required to maintain his insurance coverage in place for a nine month period following the date of the change in control.

The Company also entered into change in control agreements with Messrs. Bono and Kauchak in February 2002 and Mr. Downes in March 2002. In the event of a "change in control" of the Company, as defined under each of the agreements, each of Messrs. Bono, Downes and Kauchak will be entitled to receive a bonus payment. The amount of such payment is dependent upon whether the employment of Messrs. Bono, Downes or Kauchak is terminated in connection with the change in control, or is continued for at least twelve months after the change in control. In the event of a termination within twelve months of a change in control, Messrs. Bono and Downes, respectively, will be entitled to a payment equal to 18 months of his then current base salary and Mr. Kauchak will be entitled to a payment equal to three months of his then current base salary. In the event that Messrs. Bono or Downes are employed by the Company's successor for at least 12 months following a change in control, each is entitled to receive a payment equal to nine months of his then current base salary. Mr. Kauchak will receive a payment equal to six months of his then current base salary if he is

employed by the Company's successor for 12 months following a change in control. Under their agreements, each of Messrs. Bono, Downes and Kauchak have agreed that they will not compete with the Company for a period of six months after their termination by the Company in connection with a change in control.

Stock Benefit Plans for Employees

The Company has several stock option plans that allow the Board of Directors to grant stock options to the Company's officers, employees and directors. The exercise price of options is determined by the Board, but may not be less than 85% of the fair market value of the Common Stock on the date of grant. Options typically vest over a period of time determined by the Board and may not be exercised more than ten years after the date of grant.

The Company also has two stock bonus plans under which officers, employees and directors may receive awards of Common Stock.

401(k) Plan

The Bank has a 401(k) savings plan covering substantially all employees. Under this plan, an employee can contribute up to 20% of his or her salary on a tax deferred basis. The Bank may also make discretionary contributions to the plan.

Certain Transactions with Management

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to directors, executive officers and their associates (i.e., corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

The Company leases its Clinton, New Jersey headquarters and its Scotch Plains, New Jersey office from partnerships in which Messrs. D. Dallas and R. Dallas are partners. Under the leases for these facilities, such partnerships received aggregate rental payments of \$593,588 in 2002. The Company believes that these rent payments reflect market rents and that the leases reflect terms that are comparable to those which could have been obtained in a lease with an unaffiliated third party. The annual base rent under each of these leases will increase by the higher of the Urban Consumer Price Index or 3% annually.
