Questions and Answers About Voting

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on April 30, 2003, the record date for our meeting. A total of 12,801,333 shares of common stock can vote at the annual meeting. You get one vote for each share of common stock. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Edgar Filing: GOTTSCHALKS INC - Form DEF 14A

You have four voting options:

INTERNET: You can vote over the Internet at the web address shown on your proxy card. Internet voting is available 24 hours per day. If you have access to the Internet, we encourage you to vote this way. **IF YOU VOTE OVER THE INTERNET, DO NOT RETURN YOUR PROXY CARD.**

TELEPHONE: You can vote by telephone by calling the toll-free telephone number on your proxy card. Telephone voting is available 24 hours per day. Voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. **IF YOU VOTE OVER THE TELEPHONE, DO NOT RETURN YOUR PROXY CARD.**

PROXY CARD: You can vote by mail by signing, dating and mailing your proxy card in the postage-paid envelope provided. Follow the instructions on the enclosed proxy card to vote on the proposal to be considered at the annual meeting. If you vote by mail, sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on the proposal, the proxyholders will vote for you on the proposal. Unless you instruct otherwise, the proxyholders will vote for each of the ten director nominees.

VOTE IN PERSON: You can attend the Annual Meeting and vote at that meeting.

What if other matters come up at the annual meeting?

The matter described in this proxy statement is the only matter we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

Can I change my vote?

Yes. At any time before the vote on a proposal, you can change your vote. If you originally voted by Internet or telephone, merely access the website or toll-free telephone number originally used, and follow the instructions to change your vote. If you originally voted by mail, you may change your vote either by giving the Company's secretary a written notice revoking your proxy or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. You also may attend the annual meeting and revoke your proxy card at that meeting. Your attendance alone does not automatically revoke your proxy card.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, your shares are in "street name" and that party should give you instructions for voting your shares. The availability of Internet and telephone voting depends on their voting process. Please follow the instructions on the voting instruction form they send you.

1

If you are a participant in the Gottschalks Inc. Retirement Savings Plan (the "401(k) Plan"), you will receive separate voting instructions from the trustee of the 401(k) Plan. Internet and telephone voting will not be available to you. Please follow the instructions on the voting instruction form they send to you.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of common stock entitled to vote are represented at the annual meeting in person or by proxy. If you properly execute your proxy, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on the proposal listed on the proxy card.

"Broker non-votes" will be counted as present to determine if a quorum exists but will not be counted as present and entitled to vote on any non-routine proposal. A "broker non-vote" occurs with respect to a proposal when a broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares, and no instruction is given.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this. We also have asked registered banks and brokers to forward copies of these materials to shareholders for whom they act as nominees at our expense.

MANAGEMENT PROPOSAL
Election of Directors

An entire Board of Directors, consisting of ten members, will be elected at the annual meeting. The ten nominees receiving the highest number of votes will be elected. The directors elected will hold office until their successors are elected, which should occur at the next annual meeting. All of the nominees are currently directors of the Company.

At the annual meeting, we will nominate the persons named in this proxy statement as directors. Each of the nominees has agreed to be named in this proxy statement and to serve as director if elected. Although we know of no reason why one of these nominees might not be able to serve, the Board of Directors will propose a substitute nominee if any nominee is not available for election. Biographical information regarding each of the nominees is presented below. The ages listed for the nominees are as of March 31, 2003.

Agreements With Nominees

Edgar Filing: GOTTSCHALKS INC - Form DEF 14A

Mr. Famalette. Under the terms of Mr. Famalette's employment agreement, the Company must cause Mr. Famalette to continue to be elected as a member of the Board of Directors during his term of employment. (See "Employment and Severance Agreements Employment Agreement.")

Mr. Pont Sánchez and Mr. McPeters. The Company, Mr. Joe Levy, Mr. Bret Levy, El Corte Ingles and Harris are parties to a Stockholders' Agreement. Pursuant to the Stockholders' Agreement, El Corte Ingles and Harris nominated Mr. Pont Sánchez and Mr. McPeters to the Gottschalks Board.

On August 20, 1998, the Company acquired substantially all of the assets and business of Harris pursuant to an Asset Purchase Agreement entered into with Harris and El Corte Ingles. Mr. Pont Sánchez is the President and Chief Executive Officer of Harris and is the International Division Director of El Corte Ingles. Mr. McPeters is the Chief Financial Officer and Secretary of Harris. As consideration for such assets and business, Gottschalks issued to Harris 2,095,900 shares of Gottschalks common stock and an 8% Non-Negotiable Extendable Subordinated Note, and assumed certain liabilities. As a condition to closing the acquisition, on the same day:

Gottschalks, Harris, El Corte Ingles, Joe Levy and Bret Levy entered into a Stockholders' Agreement (described below),

Gottschalks and Harris entered into a Registration Rights Agreement granting Harris certain rights to participate in a registration statement filed by Gottschalks with the Securities and Exchange Commission, and

Gottschalks and El Corte Ingles entered into a Standstill Agreement restricting El Corte Ingles' activities as an owner (through Harris) of Gottschalks common stock.

5

In the Stockholders' Agreement, El Corte Ingles, Harris, Joe Levy and Bret Levy agreed, among other things, to do the following for the term of the agreement:

Initially, cause two El Corte Ingles nominees to be added to the Gottschalks Board. As a result, Mr. Álvarez Álvarez and Mr. Pont Sánchez were added to the Gottschalks Board during fiscal 1998. Upon the resignation of Mr. Álvarez Álvarez in September 2002, Mr. McPeters was added to the Gottschalks Board.

Cause the Gottschalks Board to be structured to consist of not more than eleven members, of which two members will be El Corte Ingles nominees and the remaining nine members will be management nominees and independent nominees. Joe Levy chooses the management nominees from management or persons affiliated with management.

Vote all Gottschalks common stock they own or have the power to vote in favor of the El Corte Ingles nominees, the management nominees and the independent nominees. Gottschalks also agreed to solicit proxies in favor of such nominees.

The Stockholders' Agreement provides for the El Corte Ingles nominees to be increased or decreased as a result of changes in the amount of Gottschalks common stock that El Corte Ingles owns (through Harris) as follows:

Impact of Changes In Ownership of Gottschalks' Outstanding Common Stock or Disposal of Common Stock (In Either Case Fully Diluted)	Change to Number of El Corte Ingles Nominees	Change to Size of Board
El Corte Ingles, directly or indirectly, beneficially owns at least 30% of common stock	Increased to 3	Increased to 12
El Corte Ingles disposes of more than 700,000 shares of common stock or El Corte Ingles and its affiliates beneficially own less than 10% of common stock	Decreased to 1	Decreased by number of El Corte Ingles nominees that must resign

**Impact of Changes In Ownership of
Gottschalks' Outstanding Common Stock or
Disposal of Common Stock
(In Either Case Fully Diluted)**

**Change to Number of
El Corte Ingles Nominees**

Change to Size of Board

El Corte Ingles disposes of more than 1,350,000 shares of common stock or El Corte Ingles and its affiliates beneficially own less than 5% of common stock
The Stockholders' Agreement also:

Decreased to 0

Decreased by number of El Corte Ingles nominees that must resign

provides for proportional adjustments to the number of El Corte Ingles nominees in the event of an increase in the Board size (other than as the result of an acquisition transaction approved by the Board),

contains restrictions on the transfer by Harris of the Gottschalks common stock,

contains other agreements between the parties regarding voting on change in control transactions and participation by Mr. Joe Levy's family in a Gottschalks registration statement, and

includes a non-compete agreement from Harris and El Corte Ingles.

6

The Stockholders' Agreement term (other than the provisions relating to restrictions on transfer by Harris of its shares, which have a different termination date) lasts until the earlier of (1) the date El Corte Ingles is no longer entitled to nominees on the Gottschalks Board and (2) the expiration of the Standstill Agreement other than as the result of an Early Standstill Termination Event (as such term is defined in the Standstill Agreement). Gottschalks has previously filed the Stockholders' Agreement, the 8% Non-Negotiable Extendable Subordinated Note, the Registration Rights Agreement and the Standstill Agreement with the Securities and Exchange Commission.

The Board of Directors of the Company recommends that you vote for the nominees listed above. If you send in your proxy (either by Internet, telephone or by mail), it will be voted in favor of these nominees unless you specify otherwise.

COMMITTEE REPORTS
Audit Committee Report

The following report does not constitute soliciting material and is not considered filed or incorporated by reference into any filing by the Company under the Securities Act of 1933 or under the Securities Exchange Act of 1934, unless we specifically state otherwise.

The Audit Committee of Gottschalks Inc. (the "Audit Committee") is composed of five independent directors and operates under a written charter adopted by the Board of Directors. The written charter was last filed as Appendix A to the Company's fiscal 2001 proxy statement. The current members of the Audit Committee are Joseph J. Penbera (Chairman), James L. Czech, Max Gutmann, Frederick R. Ruiz and O. James Woodward III. The members of the Audit Committee meet the standards of independence and other qualifications required by the New York Stock Exchange.

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to: (1) serve as an independent and objective party to monitor the Company's financial reporting process and internal control system, (2) review and appraise the audit efforts of the Company's independent accountants and internal audit department, (3) review the Company's compliance with applicable laws and regulations and its Corporate Code of Conduct and (4) perform other oversight functions as requested by the Board of Directors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In fulfilling the Audit Committee's responsibilities, the Audit Committee has met and held various discussions with management and the independent accountants, including meetings conducted prior to the issuance of quarterly and annual earnings to the public. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees."

Edgar Filing: GOTTSCHALKS INC - Form DEF 14A

The Company's independent accountants also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the report of the independent accountants, the Audit Committee recommended that the Board of Directors approve the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended February 1, 2003.

This Audit Committee Report is submitted by the members of the Fiscal 2002 Audit Committee.

Compensation Committee Report

The following report and the performance graph on page 21 do not constitute soliciting materials and are not considered filed or incorporated by reference into any filing by the Company under the Securities Act of 1933 or under the Securities Exchange Act of 1934, unless we specifically state otherwise.

The policy of the Compensation Committee of the Board of Directors is that the compensation of the executives of the Company should be closely aligned with the interests of the stockholders of the Company and linked with the Company's overall financial performance and the executive's individual performance. The Compensation Committee generally believes compensation should be limited to

10

amounts that are deductible under present income tax law. However, under certain circumstances, the Compensation Committee may authorize the payment of compensation that is not deductible. Such policies have been incorporated into a performance-based compensation program developed and implemented by the Compensation Committee for the senior executive officers of the Company.

Compensation Program

The Company's executive compensation program consists primarily of three components: (1) a base salary that is designed to attract and retain qualified employees for the Company; (2) annual incentives which are tied to the performance of the Company; and (3) stock options.

Base Salary. The base salary of the Chief Executive Officer was originally determined by the Compensation Committee based on factors such as scope of responsibility, current performance and the overall financial performance of the Company. In making such determination, the Compensation Committee also considered salary ranges of chief executive officers of certain competitors of the Company. The annual base salary paid to Mr. James Famalette, as President and Chief Executive Officer for fiscal 2002, was \$530,000. This amount was paid pursuant to Mr. Famalette's employment contract and his voluntary agreement to reduce his annual base salary by \$30,000 from March 1, 2002 through the end of fiscal 2002. (See "Employment and Severance Agreements Employment Agreement"). The Chief Executive Officer, in turn, recommends an original annual base salary for the senior executive officers of the Company based on factors such as the scope of responsibility and base salary ranges of similarly positioned executives of the Company. Annual adjustments to such base salaries are determined based on factors including, but not limited to, the executive's individual performance, the performance of areas within the executive's scope of responsibility and the overall performance of the Company. The Compensation Committee reviews the Chief Executive Officer's recommendations for such officers' annual base salary levels and makes the final determination of such levels based on the factors referred to above and such other factors as it may consider relevant in the circumstances.

Annual Incentives. The Company's bonus program currently in effect ("Bonus Program") offers the Chief Executive Officer and key executives of the Company a bonus opportunity linked to Company performance. Under the Bonus Program, the Board of Directors establishes a goal at the beginning of each fiscal year to achieve a targeted earnings per share ("EPS") amount. If the Company achieves the EPS goal for the

year, the Chief Executive Officer may be paid a bonus in the following fiscal year of up to 50% of his base salary, and key executives may be paid a bonus in the following fiscal year ranging from 10% to 30% of their respective base salaries. With respect to the bonus awarded to the Chief Executive Officer, the Compensation Committee determines the actual bonus amounts within these ranges based on the guidelines described below and based on its analysis of the Company's actual performance and each individual's performance. The Chief Executive Officer, in turn, recommends bonus amounts for the senior executive officers of the Company. Generally, 50% of the potential bonus is based solely on the Company's performance, 30% of the potential bonus is based on the key executive's performance measured against the key executive's goals and 20% of the potential bonus is based on a subjective evaluation of the key executive's performance. Bonuses are generally not paid if the Company does not achieve its EPS goal for the applicable year. The maximum bonus to be paid under the Bonus Program to the Chief Executive Officer and each other key executive is generally 50% and 30%, respectively, of his or her respective base salary amount. Bonuses paid in fiscal 2001 and fiscal 2000 consist of (i) bonuses based on the Company's performance because the Company's fiscal 2000 and fiscal 1999 EPS goals were achieved and (ii) bonuses based on the other factors described

above as determined by the Compensation Committee and Chief Executive Officer. The Company's fiscal 2001 and fiscal 2002 EPS goals were not achieved and, accordingly, no bonuses under the Bonus Program were paid in fiscal 2002 and no bonuses are expected to be paid under the program in fiscal 2003.

Stock Options. Stock options are granted to the senior executive officers and other employees of the Company at the discretion of the Compensation Committee. The Compensation Committee believes the grant of stock options reinforces the importance of improving stockholder value over the long term, and encourages and facilitates executive and key employee stock ownership of the Company. The determination to grant options is also based on factors such as the current number of unexercised options held by the senior executive officers and employees, the expiration dates of those options and the current financial performance of the Company. Option grants for the Chief Executive Officer are determined by the Compensation Committee. Option grants for the senior executives and other employees of the Company are recommended by the Chief Executive Officer and reviewed and approved by the Compensation Committee. In fiscal 2002, an aggregate of 50,000 options were granted to Messrs. Famalette, Gladding, Geele and Schmidt under the 1998 Stock Option Plan at an exercise price of \$2.64 per share. In fiscal 2002, a total of 280,500 options were also granted to 143 other officers and key employees of the Company under the 1998 Stock Option Plan, also at an exercise price of \$2.64 per share. The exercise price of \$2.64 per share for these grants was the closing market price of the Company's common stock on the date of the grant. Such options vest at a rate of 25% per year beginning on the first anniversary after the date of the grant and expire in ten years.

Other. Compensation for other officers and managers of the Company was paid during fiscal 2002 based upon an evaluation of such individuals' performance, responsibilities and the level of compensation of similarly positioned managers at the Company and its competitors. Bonuses in the aggregate amount of \$271,000 were paid to 59 store managers, merchandising and operations personnel of the Company during fiscal 2002 based primarily upon the fiscal 2001 performance of the particular individual's unit, department, division or store.

Compensation Committee Interlocks And Insider Participation. No member of the current Compensation Committee is a former or current officer or employee of the Company or its subsidiary, or is employed by a company whose board of directors includes a member of management of the Company.

Employment and Severance Agreements

Employment Agreement. The Company has an employment agreement with James R. Famalette as the Company's President and Chief Executive Officer. The terms of the agreement may be extended by mutual written consent. The agreement provides that Mr. Famalette will be a member of the Board of Directors during his term of employment. The agreement further provides for the payment of an annual base salary of at least \$420,000 in the first year of the contract (June 24, 1999 through June 23, 2000), \$460,000 in the second year of the contract (June 24, 2000 through June 23, 2001) and \$500,000 in the third year of the contract (June 24, 2001 through July 2, 2002). The agreement also provided for the payment of an annual bonus under the Company's Bonus Program, under which Mr. Famalette has the ability to earn an annual bonus of 30% of Base Salary if specific goals and objectives adopted by the Board are achieved. Effective November 5, 2000, Mr. Famalette's employment contract was

16

amended and his annual base salary was increased to \$560,000 through the remainder of the contract period, which was extended from June 24, 2002 to July 1, 2004. In connection with this amendment, Mr. Famalette was also granted 100,000 options under the Company's 1998 Stock Option Plan, with 70,000 of those options granted on October 29, 2000 and 30,000 options granted on January 2, 2001. In addition, the total amount that Mr. Famalette may earn under the Company's Bonus Program was increased from 30% of his annual base salary to 50% of his annual base salary if specific goals and objectives adopted by the Board are achieved. Mr. Famalette also receives a car allowance and receives other benefits typically offered to all employees of the Company. The compensation payable pursuant to the agreement will be terminated if Mr. Famalette terminates his employment with the Company through retirement, disability or death, if Mr. Famalette is terminated for cause (as defined) or the Company sells all or part of its business and Mr. Famalette is able to continue his employment with the buyer at or above his then base salary. With the exception of the employment agreement with Mr. Famalette, the Company has no employment agreements with any of the other Named Officers, including the Company's Chairman.

In light of the Company's reduced operating results for fiscal years 2001 and 2002, Mr. Famalette took voluntary reductions in his annual base salary of \$30,000 from the period of March 1, 2002 through the end of fiscal 2002 and for all of fiscal 2003. In addition, based on the Company's fiscal 2001 and fiscal 2002 operating results, Mr. Famalette was not paid any bonus under the Bonus Program in fiscal 2002 and will not be paid any bonus in fiscal 2003.

Severance Agreements. The Company has Severance Agreements with each of the Named Officers, including the Company's Chief Executive Officer. Such agreements provide for the continuing payment of the officer's base salary for a period of twelve months, except for Messrs. Levy and Famalette, whose severance benefits will be payable for a period of twenty-four months, and in the case of Mr. Famalette, less the period remaining under his employment agreement. The agreements also provide for continuing coverage in the Company's group medical plan at the Company's expense for one year in the event the officer is terminated by written notice by the Company other than for cause (as defined). The agreements require the officer to continue to report to work and perform the duties of his or her employment until the date set forth as the officer's date of termination in order to receive such continuing payments. The officer is not entitled to receive a severance benefit under certain conditions including: (i) the termination of employment occurs by other than written notice of termination by the Company; (ii) if the

Company sells all or part of its business and the officer has the opportunity to continue his or her employment with the buyer at or above the officer's base rate of pay; and (iii) the termination of employment for cause (as defined). In the event of a change in control, the severance benefits are extended to a period of twenty-four months in the case of Mr. Joe Levy and Mr. Famalette, and to a period of eighteen months in the case of Messrs. Gladding, Geele and Schmidt.

Section 16(a) Beneficial Ownership Reporting Compliance

Our directors and executive officers, as well as persons owning more than 10% of the Company's outstanding shares of stock, must file reports with the Securities and Exchange Commission indicating the number of shares of the Company's common stock they beneficially own and any changes in their beneficial ownership. Copies of these reports must be provided to us. Based solely on our review of these reports and written representations from our directors and officers, we believe each of our directors and executive officers, as well as each of the persons owning more than 10% of our outstanding shares of stock, filed all the required reports during fiscal year 2002.

Certain Relationships and Related Transactions

The Company is indebted to Harris, a stockholder owning more than 5% of the Company common stock. As described under the heading "Agreements With Nominees," on August 20, 1998 the Company

acquired substantially all of the assets and business of Harris. As consideration for the purchase, the Company issued to Harris 2,095,900 shares of common stock and an 8% Non-Negotiable Extendable Subordinated Note and assumed certain other liabilities. The Subordinated Note was originally due and payable on August 20, 2003 in the principal amount of \$22,179,598. Interest on the Subordinated Note is payable semi-annually. The maturity date of the Subordinated Note was extended by three years to August 20, 2006 in accordance with the provisions thereof because the Company's senior secured revolving credit facility does not permit the repayment of the Subordinated Note on its original scheduled maturity date. Mr. Pont Sánchez and Mr. McPeters are directors of Gottschalks and are also directors and/or executive officers of Harris. Mr. Pont Sánchez is the President and Chief Executive Officer of Harris and is the International Division Director of El Corte Ingles. Mr. McPeters is the Chief Financial Officer of Harris.

Except as described, the comparison covers the five-year period from close of market on the last trading day prior to the beginning of the 1998 fiscal year to the last day of the Company's 2002 fiscal year and assumes that \$100 was invested at the beginning of the period in the Company's common stock and in each of the foregoing indices and assumes reinvestment of dividends.

The past stock price performance for the Company's common stock is not necessarily indicative of future price performance.

OTHER INFORMATION

Independent Auditors

The Audit Committee has recommended, and the Board of Directors has selected, Deloitte & Touche LLP as the Company's independent auditors for fiscal 2003. Representatives of Deloitte & Touche LLP are expected to be present at the 2003 annual meeting and will be available to answer appropriate questions and to make any statement they may desire. While it is presently anticipated that Deloitte & Touche LLP will continue to serve as the Company's independent auditors during fiscal 2003, and in that capacity will report on the Company's 2003 annual consolidated financial statements, the Board, upon recommendation by the Audit Committee, reserves the right to select different independent auditors at any time.

Audit Fees.

Edgar Filing: GOTTSCHALKS INC - Form DEF 14A

Fees for audit services performed by Deloitte & Touche LLP relating to the audit of the consolidated annual financial statements, and for reviews of interim financial information included in the Company's quarterly reports on Form 10-Q, totaled approximately \$459,000 during fiscal 2002.

Financial Information System Design and Implementation Fees.

Deloitte & Touche LLP was not engaged to provide services of this nature in fiscal 2002, and therefore no related fees were incurred.

All Other Fees.

Fees for all other services performed by Deloitte & Touche LLP, including tax, agreed upon procedures for the Company's receivables securitization program and other consulting services (both audit and non-audit related), totaled approximately \$932,000 during fiscal 2002. This amount includes \$546,000 contingent fees arising from the settlement of certain federal net operating loss carryback refund claims filed with the Internal Revenue Service. This amount was accrued and charged to results of operations in fiscal 1996.

Our Audit Committee has determined that the rendering of other non-audit services by Deloitte & Touche LLP was compatible with maintaining their auditor independence.
