Item 6. *Indemnification of Directors and Officers.*

Under Minnesota corporate law, a corporation shall, unless prohibited or limited by its Articles of Incorporation or Bylaws, indemnify its directors, officers, employees and agents against judgments, penalties, fines, settlements, expenses and disbursements incurred by such person who was, or is threatened to be, made a party to a proceeding by reason of the fact that the person is or was a director, officer, employee or agent of the corporation if generally, with respect to the acts or omissions of the person complained of in the proceeding, the person: (i) has not been indemnified by another organization with respect to the same acts or omissions; (ii) acted in good faith; (iii) received no improper personal benefit; (iv) in the case of a criminal proceeding, had no reasonable cause to believe

2

the conduct was unlawful; and (v) reasonably believed the conduct was in the best interests of the corporation or, in certain circumstances, reasonably believed that the conduct was not opposed to the best interests of the corporation. Minnesota corporate law also provides that a corporation may purchase and maintain insurance on behalf of any indemnified party against any liability asserted against such person, whether or not the corporation would have been required to indemnify the person against liability under the provisions of Minnesota corporate law. The Registrant's Articles of Incorporation and Bylaws do not limit the Registrant's obligation to indemnify such persons.

The Registrant's Articles of Incorporation limit the liability of its directors to the full extent permitted by the Minnesota Business Corporation Act. Specifically, directors of the Registrant will not be personally liable for monetary damages for breach of fiduciary duty as directors except liability for (i) any breach of the duty of loyalty to the Registrant or its shareholders, (ii) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) dividends or other distributions of corporate assets that are in contravention of certain statutory or contractual restrictions, (iv) violations of certain Minnesota securities laws or (v) any transaction from which the director derives an improper personal benefit.

Subject to exclusions and limitations, the Registrant maintains certain insurance coverage against liability which a director or officer may incur in his or her capacity as such.

- (a) The undersigned Registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

Edgar Filing: MEDTRONIC INC - Form S-8

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by final adjudication of such issue.
