**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

Q:

Why am I receiving these materials?

A:

The Board of Directors (the "Board") of Heska Corporation, a Delaware corporation ("Heska" or the "Company"), is providing these proxy materials for you in connection with Heska's Annual Meeting of Stockholders, which will take place on Thursday, May 13, 2004. As a stockholder, you are invited to attend the Annual Meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

Q:

What information is contained in these materials?

A:

The information included in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our directors and most highly paid executive officers, and certain other required information. Our 2003 Annual Report to Stockholders is also enclosed.

Q:

What items of business will be voted on at the Annual Meeting?

A:

The items of business scheduled to be voted on at the Annual Meeting are:

(1)

The election of two nominees to serve on our Board of Directors for a three year term;

(2)

The approval of the Company's Amended and Restated 1997 Employee Stock Purchase Plan to, among other things, increase the number of shares available under the plan by 1,000,000 shares; and

(3)

The ratification of independent auditors for fiscal 2004.

We will also consider other business that properly comes before the Annual Meeting.

Q:

How does the Board recommend I vote on the proposals?

A:

The Board recommends a vote FOR each of the director nominees, FOR approval of the Company's Amended and Restated 1997 Employee Stock Purchase Plan and FOR the ratification of KPMG LLP as the Company's independent auditors.

Q:

Who is entitled to vote?

A:

Stockholders as of the close of business on April 6, 2004 (the "Record Date") are entitled to vote at the Annual Meeting. As of the Record Date, 48,993,779 shares of the Company's common stock were issued and outstanding. Each stockholder is entitled to one vote for each share of common stock held on the Record Date. A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the meeting during normal business hours at our offices at 1613 Prospect Parkway, Fort Collins, Colorado 80525, by contacting the Secretary of the Company.

Q:

How do I vote?

A:

There are two ways you can vote:

(1)

Edgar Filing: HESKA CORP - Form DEF 14A

Sign and date each proxy card you receive and return it in the prepaid envelope.

(2)

Vote in person at the Annual Meeting. If your shares are held of record by a broker, bank or other nominee and you wish to vote your shares at the Annual Meeting, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the Annual Meeting.

Q:

How can I change my vote or revoke my proxy?

A:

You have the right to revoke your proxy and change your vote at any time before the meeting by notifying the Company's Secretary, or returning a later-dated proxy card. You may also revoke your proxy and change your vote by voting in person at the meeting.

1

Q:

Who can help answer my questions?

A:

If you have any questions about the annual meeting or how to vote or revoke your proxy, you should contact:

Heska Corporation
Attn: Corporate Secretary
1613 Prospect Parkway
Fort Collins, Colorado 80525
(970) 493-7272

If you need additional copies of this proxy statement or voting materials, please contact our Corporate Secretary as described above.

Q:

What does it mean if I get more than one proxy card?

A:

It means that you hold shares registered in more than one account. Sign and return all proxies to ensure that all of your shares are voted.

Q:

Who will serve as inspector of elections?

A:

The inspector of elections will be a representative of Computershare Investor Services, LLC, the Company's transfer agent.

Q:

What are the quorum and voting requirements for the Annual Meeting?

A:

The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of the outstanding shares of Heska common stock entitled to vote must be present in person at the meeting or represented by proxy. Both abstentions and broker non-votes are counted for the purposes of determining the presence of a quorum. Because abstentions represent shares entitled to vote, the effect of an abstention will be the same as a vote against a proposal. However, abstentions will have no effect on the election of directors. If you hold shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters to be acted upon. If you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be considered as present and entitled to vote with respect to those matters. For example, with respect to Proposal No. 2, abstentions and broker non-votes may result in the failure to

Edgar Filing: HESKA CORP - Form DEF 14A

obtain the affirmative vote of the holders of a majority of our outstanding common stock required to approve the proposal.

The holders of a majority of the outstanding shares of our common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Election of directors by stockholders will be determined by a plurality of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the election of directors. The other matters submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the subject matter.

Q:
Who can attend the Annual Meeting?

A:
All stockholders as of the Record Date can attend. If you wish to vote your shares at the Annual Meeting and your shares are held of record by a broker, bank or other nominee, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the Annual Meeting.

Q:
What happens if additional matters are presented at the Annual Meeting?

A:
Other than the three items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxyholders, Robert B. Grieve, Heska's Chairman and Chief Executive Officer, and Jason A. Napolitano, Heska's Executive Vice President and Chief Financial Officer, will have the discretion to vote your shares on any additional matters presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholders, Dr. Grieve, and Mr. Napolitano, will vote your proxy for

2

such other candidate or candidates who may be nominated by the Board.

Q:
Where can I find the voting results of the meeting?

A:
We intend to announce preliminary voting results at the Annual Meeting and publish final results in our quarterly report on Form 10-Q for our second fiscal quarter of 2004.

Q:
May I propose actions for consideration at next year's annual meeting or nominate individuals to serve as directors?

A:
You may submit proposals, including director nominations, for consideration at future stockholder meetings. All proposals or nominations should be addressed to: Corporate Secretary, Heska Corporation, 1613 Prospect Parkway, Fort Collins, Colorado 80525.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in Heska's proxy statement for the annual meeting next year, the written proposal must be received by our corporate secretary at our principal executive offices no later than December 14, 2004. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in Heska's proxy statement is instead a reasonable period of time before Heska begins to print and mail its proxy materials. Such proposals also will need to comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of stockholder proposals in company-sponsored proxy materials. For a stockholder proposal that is not intended to be included in Heska's proxy statement under Rule 14a-8, the stockholder must deliver a written notice of intent to propose such action in accordance with the bylaws of Heska, which in general require that the notice be received by us not less than 60 days nor more than 90 days prior to the first anniversary of the date on which notice of the prior year's annual meeting was mailed to stockholders. For the 2005 Annual Meeting, this means that any such proposal must be submitted no

earlier than January 13, 2005 and no later than February 12, 2005.

Director Nominees: You may propose director candidates for consideration by the Board's Corporate Governance Committee. Any such recommendations should be directed to our corporate secretary at our principal executive offices. In addition, you must give timely notice to the corporate secretary of Heska of your intention to make such nomination in accordance with the bylaws of Heska, which require that the notice be received by the corporate secretary within the time periods described above under "Stockholder Proposals."

Copy of Bylaw Provisions: You may contact our corporate secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Q: *Who bears the costs of soliciting votes for the Annual Meeting?*

A: Heska is making this solicitation and will pay the entire cost of preparing, printing, assembling and mailing these proxy materials. In addition to the mailing of these proxy materials, certain of our directors and employees may solicit proxies on our behalf in person, by telephone, electronic transmission or facsimile. No additional compensation will be paid to these people for such solicitation. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

3

BOARD STRUCTURE AND COMMITTEES

The Board is divided into three classes serving staggered three-year terms. The Board currently has eight directors and the following three standing committees, each of which is chaired by an outside director: (1) Audit, (2) Compensation and (3) Corporate Governance. The membership during 2003 and the function of each committee are described below. The Board held six meetings during 2003. Each director attended at least 75% of all Board and applicable committee meetings. While the Company does not have a formal policy, directors are generally encouraged to attend annual meetings of stockholders. All of our directors attended our last annual meeting of stockholders.

Board Independence

The Board has determined that each of the directors standing for re-election has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and meets the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards. Furthermore, the Board has determined that, with the exception of Dr. Grieve, Heska's Chairman and Chief Executive Officer, all current members of the Board meet the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards.

Audit Committee

The Audit Committee has the following responsibilities:

appoint and replace the Company's independent auditors;

compensate and oversee the work of the Company's independent auditors;

Edgar Filing: HESKA CORP - Form DEF 14A

oversee and monitor the integrity of the annual and quarterly financial statements of the Company;

review and discuss with management and the Company's independent auditors significant financial reporting issues and critical accounting policies and practices;

oversee and monitor the qualifications, independence and performance of the Company's independent auditors;

oversee and monitor the Company's internal accounting and financial controls; and

provide the results of examinations and recommendations derived therefrom to the Board.

During 2003, the Audit Committee met eight times. In January 2003, the Audit Committee consisted of Mr. Gordon, Mr. Aylesworth, Mr. Eio, Dr. Stevenson and Mr. Dolan. In February 2003, the Audit Committee was reconstituted and currently consists of Mr. Gordon, as Chairman, Mr. Aylesworth, Mr. Eio and Dr. Stevenson.

The Board has determined that each of the current members of the Audit Committee meets the requirements of "independence" as set forth in Section 10A(m)(3) of the Securities Exchange Act of 1934, the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards. William Aylesworth is qualified as an Audit Committee financial expert within the meaning of the rules and regulations promulgated by the Securities and Exchange Commission and the Board has determined that he has accounting and related financial management expertise within the meaning of the Nasdaq Stock Market listing standards.

The Audit Committee has a written charter, which was revised by the Board in January 2003 in light of the additional responsibilities resulting from the Sarbanes-Oxley Act of 2002. The revised

4

charter is available on our website at www.heska.com. The Board reassessed the adequacy of the Audit Committee charter following the final adoption of new corporate governance standards by the National Association of Securities Dealers and the new rules regarding audit committee responsibility enacted through the Sarbanes-Oxley Act of 2002. The Board has determined that the Audit Committee charter is consistent with such standards and rules.

Compensation Committee

The Compensation Committee has the following responsibilities:

discharge the Board's responsibilities relating to compensation of the Company's executive officers, including the CEO;

oversee all compensation programs involving the use of the Company's stock; and

produce an annual report on executive compensation for inclusion in the Company's proxy statement for its annual meeting of stockholders.

During 2003, the Compensation Committee, which consisted of Mr. Sasen, as Chairman, Mr. Dolan, Mr. Eio and Dr. Hohnke, met three times.

The Board has determined that each of the current members of each of the Compensation Committee meets the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards.

Edgar Filing: HESKA CORP - Form DEF 14A

In January 2003, the Board revised its Compensation Committee Charter, which is available on our website at www.heska.com.

Corporate Governance Committee

The Corporate Governance Committee has the following responsibilities:

assist the Board by identifying qualified candidates for director, and select the director nominees for each annual meeting of stockholders;

lead the Board in its annual review of the Board's performance;

recommend to the Board director nominees for each Board Committee; and

develop and recommend to the Board the corporate governance guidelines applicable to the Company.

During 2003, the Corporate Governance Committee met four times. In January 2003, the Corporate Governance Committee consisted of Mr. Aylesworth, as Chairman, Mr. Dolan, Mr. Gordon, Dr. Hohnke and Mr. Sasen. In February 2003, the Corporate Governance Committee was reconstituted and currently consists of Mr. Aylesworth, as Chairman, Mr. Dolan, Mr. Gordon, and Dr. Hohnke.

The Board has determined that each of the current members of each of the Corporate Governance Committee meets the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards.

Heska established a Corporate Governance Committee in August 2001, and in January 2003 the Board adopted a new Corporate Governance Committee charter, which is available on our website at www.heska.com. In January 2003, the Corporate Governance Committee prepared, and the full Board approved, Corporate Governance Guidelines outlining the qualifications, responsibilities and other

issues related to the Board's governance role and functions. A copy of such guidelines is available on our website at www.heska.com.

Consideration of Director Nominees

The Corporate Governance Committee considers candidates for Board membership suggested by its members. The Corporate Governance Committee has also retained a third-party executive search firm to identify candidates from time to time.

The Corporate Governance Committee does not have an established policy for minimum qualifications of director nominees. However, pursuant to the Company's Corporate Governance Guidelines, the Corporate Governance Committee will consider, among other things, diversity, skills and experience in such areas as operations, finance, marketing and sales, manufacturing and the general needs of the Board.

The Corporate Governance Committee will also consider nominees recommended by stockholders provided such recommendations are made in accordance with the procedures described in this proxy statement under "Questions and Answers About the Proxy Materials and the Annual Meeting." Although to date no stockholder has presented any candidate for Board membership to the Company, it is expected that recommendations from stockholders would generally be considered in the same manner as recommendations by a director or an officer of the Company.

Stockholder Communication with the Board

Stockholders can contact the Board, any committee thereof, or any director in particular, by writing to them, c/o Heska Corporation, 1613 Prospect Parkway, Fort Collins, Colorado 80525, Attn: Corporate Secretary. The Company will forward any correspondence sent in the foregoing manner to the appropriate addressee without review by management.

6

DIRECTOR COMPENSATION

Each new non-employee director elected to the Board is automatically granted an option to purchase 40,000 shares of our common stock, vesting in annual intervals over a four-year period. Each non-employee director who serves as chairperson of a committee of the Board automatically receives an additional option, as of the date of the annual meeting, to purchase 2,000 shares of our common stock. These annual grants vest on the first anniversary of the date of grant.

In addition, during 2003, non-employee directors received option awards for attendance at Board and committee meetings. For each in-person Board meeting attended, non-employee directors received a grant of options to purchase a number of shares of common stock of the Company equal to \$2,000 divided by the fair market value of the Company's common stock. For each in-person Board committee meeting attended, non-employee directors received a grant of options to purchase a number of shares of common stock of the Company equal to \$1,000 divided by the fair market value of the Company's common stock. In November 2003, the Board revised its policy regarding the award of options to directors for attendance at Board and committee meetings. Commencing January 1, 2004, non-employee directors will be entitled to choose on an annual basis whether to receive meeting fees in options or cash.

Directors are also reimbursed for customary and usual travel expenses. Our sole employee director, Dr. Grieve, receives no compensation for serving on the Board other than his employee compensation.

PROPOSAL NO. 2
AMENDED AND RESTATED 1997 EMPLOYEE STOCK PURCHASE PLAN

General

We are seeking your approval to amend and restate our 1997 Employee Stock Purchase Plan (the "Plan") to increase the number of shares of our common stock available for issuance under the Plan by 1,000,000 shares, from 1,750,000 to 2,750,000 shares. The Board of Directors approved this amendment in February 2004. The purpose of the Plan is to provide our employees with an opportunity to increase their stake in the success of our business by purchasing our stock at a discount to the fair market value through a convenient payroll deduction plan. We believe that the Plan is an important component of our employee compensation package and approximately 48% of our employees participated in the Plan during the most recent purchase period. We also believe that the Plan assists us in attracting and retaining skilled personnel.

The Board also amended the Plan in February 2004 to reduce the potential dilution thereunder. Such amendments included reducing the length of offering periods from twenty-four (24) months to twelve (12) months and reducing the maximum number of shares a participant can purchase in each accumulation period from 5,000 shares to 2,500 shares. The essential features of the Plan are summarized below.

Summary of Employee Stock Purchase Plan

General. The Plan was originally approved by the Board of Directors and stockholders in April 1997, and provides our employees with the opportunity to purchase shares of common stock through payroll deductions. The number of shares of common stock previously reserved for issuance under the Plan was 1,750,000. As of December 31, 2003, 1,659,148 shares of common stock had been sold under the Plan, leaving 90,852 shares available for purchase. The Board of Directors approved this amendment in February 2004. The Plan was suspended in January 2004, as there are currently not sufficient shares available for purchase. We will reinstate the Plan at the next regularly scheduled offering period in July 2004 if this share increase is approved. If this increase is not approved, the Plan will be terminated.

Administration. The Compensation Committee administers the Plan. The Plan, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Internal Revenue Code. All questions of interpretation or application of the Plan are determined by the Board of Directors or its appointed committee, and its decisions are final, conclusive and binding upon all participants.

Eligibility and Participation. Currently, all U.S. employees who work more than 20 hours per week for more than five months per calendar year, and are employed by us or one of our U.S. subsidiaries are eligible to participate in the Plan, unless the employee would own 5% or more of the total combined voting power of our stock at the start of an offering period. Participation in the Plan is voluntary. Currently, ninety-seven percent of our employees are eligible to participate in the Plan.

Offering Dates. Shares of stock are offered for purchase through a series of consecutive, overlapping 12-month offering periods. New offering periods start on each January 1 and July 1. Each offering period is comprised of two successive six-month accumulation periods.

Purchase Price. The purchase price per share is 85% of the lower of (a) the closing price per share on the last trading day before the commencement of the applicable offering period, or Entry Price, or (b) the closing price of the stock on the last trading day of the accumulation period. If the fair market value of the shares on any purchase date is less than the fair market value of the shares on

the first day of the offering period, then every participant shall automatically be withdrawn and re-enrolled in the next offering period.

Payroll Deductions; Payment of Purchase Price. Employees may authorize payroll deductions in 1% multiples of cash compensation for each accumulation period they complete within an offering period, up to a maximum of 10%. An employee may discontinue his or her participation in the Plan at any time and may increase or decrease the rate of payroll deduction not more than two times during any accumulation period.

Purchase of Stock. By executing an enrollment form, an employee is entitled to purchase shares on the last day of the accumulation period. The maximum number of shares that may be purchased during an accumulation period is determined at the end of the period by dividing the amount accumulated in such participant's account during the period by the applicable purchase price, subject to a maximum of 2,500 shares. Unless the employee's participation is discontinued prior to such purchase date, his or her purchase of the shares will occur automatically at the end of the accumulation period at the applicable price.

Notwithstanding the foregoing, no participant may participate in the Plan if immediately after such election to participate, the participant would own stock and/or outstanding options to purchase stock possessing five percent or more of the total combined voting power of our stock. In addition, no participant is permitted to purchase stock with a value in excess of \$25,000 (determined at the fair market value of the stock as of the beginning of the applicable offering period) in any calendar year.

Withdrawal. Generally, a participant may withdraw from an offering period at any time by written notice without affecting his or her eligibility to participate in future offering periods. However, once a participant withdraws from a particular offering period, that participant may not participate again in the same offering period. To participate in a subsequent offering period, the participant must deliver a new subscription agreement to us.

Termination of Employment. Termination of a participant's employment for any reason, including disability or death, cancels his or her participation in the Plan immediately. In such event, the payroll deductions credited to the participant's account will be returned to him or her or, in the case of death, to the person or persons entitled thereto as provided in the Plan.

Changes in Capitalization. The number of shares reserved under the Plan, the accumulation period share purchase limit and relevant accumulation and offering period purchase price per share provisions under the Plan shall be proportionately adjusted for any increase or decrease in the number of outstanding shares of our common stock resulting from a subdivision or consolidation of shares or the payment of a stock dividend, any other increase or decrease in such shares effected without receipt or payment of consideration by us, the distribution of the shares of a subsidiary to our stockholders or a similar event. Such adjustment shall be made by the Board of Directors, whose determination in that respect shall be final, binding and conclusive.

Change of Control, Merger or Consolidation. In the event of a change of control (as defined in the Plan), the Board of Directors shall shorten any accumulation periods and offering periods then in progress shall end immediately prior to the effective time of the change in control. In the event of a merger or consolidation which does not constitute a change of control, the Plan shall continue unless the plan of merger or consolidation provides otherwise.

Amendment and Termination of the Plan. The Board of Directors may at any time terminate or amend the Plan. No amendment shall be effective unless it is approved by the holders of a majority of the votes cast at a duly held stockholders' meeting, if such amendment would require stockholder approval in order to comply with Section 423 of the Code.

Incorporation by Reference. The foregoing is only a summary of the Plan and is qualified in its entirety by reference to its full text, a copy of which is attached hereto as Appendix A.

Federal Income Tax Consequences

The proposed amendment will have no effect upon the tax consequences to participants or us.

Edgar Filing: HESKA CORP - Form DEF 14A

The following brief summary of the effect of federal income taxation upon the participant and us with respect to the shares purchased under the Plan does not purport to be complete, and does not discuss the tax consequences of a participant's death or the income tax laws of any state or foreign country in which the participant may reside.

The Plan, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the Plan are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax in an amount that depends upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the applicable offering period and one year from the applicable date of purchase, the participant will recognize ordinary income measured as the lesser of (a) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (b) an amount equal to 15% of the fair market value of the shares as of the first day of the applicable offering period. Any additional gain will be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of these holding periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on the holding period. We generally are not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above.

Participation in the Plan

We are unable to predict the amount of benefits that will be received by or allocated to any particular participant under the Plan. The following table sets forth the number of shares purchased under the Plan during 2003 by each of (i) the named executive officers; (ii) all executive officers as a

12

group; and (iii) all employees, including all officers who are not currently executive officers, as a group. Non-employee directors are not eligible for participation in the Plan.

Vote Required; Recommendation of the Board of Directors

The affirmative vote of the holders of a majority of our outstanding common stock is required to approve this proposal. Therefore, failure to vote will have the same effect as a vote against the amendment and restatement. If approved by the stockholders, the proposed Amended and Restated 1997 Employee Stock Purchase Plan will become effective immediately.

The Board of Directors recommends a vote FOR the proposal to amend and restate the 1997 Employee Stock Purchase Plan.

PROPOSAL NO. 3
RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee has approved the appointment of KPMG LLP as our independent auditors for fiscal 2004, subject to your approval. KPMG has served as our independent auditors since July 30, 2002. Representatives of KPMG LLP will attend the Annual Meeting to answer appropriate questions and, if they desire, to make a statement.

Vote Required; Recommendation of the Board of Directors

Approval by the stockholders of the selection of independent auditors is not required, but the Audit Committee believes that it is desirable to submit this matter to the stockholders. If holders of a majority of the common stock present and entitled to vote on the matter do not ratify the appointment of KPMG LLP, the Audit Committee will consider whether it should select other independent auditors. Abstentions will be considered a vote against this proposal and broker non-votes will have no effect on such matter since these votes will not be considered present and entitled to vote.

The Audit Committee of the Board of Directors unanimously recommends a vote FOR the approval of KPMG LLP as our independent auditors for 2004.

We have entered into distribution agreements with various subsidiaries and/or divisions of Novartis AG, one of our principal stockholders. In August 1998, we entered into an agreement with Novartis Agro K.K. (now Novartis Animal Health K.K., Tokyo) to be our exclusive distributor for SOLO STEP CH and SOLO STEP FH heartworm diagnostic products and certain feline respiratory viral vaccines in Japan upon obtaining regulatory approval in Japan for such products. In June 2003, we added the canine and feline E.R.D.-HEALTHSCREEN Urine Tests to this distribution agreement. We entered into an agreement with Novartis Animal Health, Canada, Inc., in February 2001, to distribute our Flu AVERT I.N. vaccine in Canada; that agreement was terminated in December 2003. We completed a transaction with Novartis Animal Health, Inc., in August 2001, under which we assigned our rights to a Leishmania vaccine we had been co-developing. We have also completed certain research and development projects sponsored by Novartis. We entered into two marketing agreements, a right of first refusal agreement and a screening and development agreement, each related to certain products, targets and/or technologies, with Novartis AG (then Ciba-Geigy Ltd.) in April 1996. In addition, we entered into a right of first refusal agreement with Novartis AG and Novartis Agro K.K. in August 1998. The two marketing agreements expire on the latter of December 31, 2010 or the date on which Novartis stops selling products covered by those agreements in the affiliated territories; however, USDA prelicensing serials for any product covered under these agreements must be completed before December 31, 2005. We currently consider it unlikely that any affiliated USDA prelicensing serials will be completed prior to December 31, 2005 and therefore we consider it unlikely that either of these marketing agreements will apply to any commercial products. The screening and development agreement expires on the latter of December 31, 2005 or at the end of the lifetime of any product covered by this agreement in development or being sold by Novartis as of December 31, 2005. We currently consider it unlikely that any product covered under this screening and development agreement will be in development or being sold by Novartis as of December 31, 2005 and therefore we consider it likely this agreement will expire on December 31, 2005. The two right of first refusal agreements both terminate on

December 31, 2005.

REPORT OF THE COMPENSATION COMMITTEE

This report on executive compensation is provided by the Compensation Committee of the Board of Directors to assist stockholders in understanding the objectives and procedures used in establishing the compensation of our executive officers. The Compensation Committee administers the Company's executive compensation program and establishes the salaries of the Company's executive officers. The Compensation Committee consists of only non-employee Directors, who are appointed by the Board, and all of whom meet the requirements of "independence" as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards.

The Compensation Committee's responsibilities are to review the performance and development of the Company's management in achieving corporate goals and objectives and to assure that senior executives of the Company are compensated effectively in a manner consistent with the strategy of the Company and competitive practices. Toward that end, the Committee is responsible for establishing a compensation policy for executives that is designed to (i) enhance the value and profitability of the Company and increase shareholder value, (ii) reward executive officers for their contribution to the Company's financial performance, (iii) recognize individual initiative, leadership, achievement, and other contributions, and (iv) provide competitive compensation that will attract and retain qualified executives. A copy of the charter for the Compensation Committee is available on our website at www.heska.com.

Compensation Philosophy

The general philosophy of the Compensation Committee is to provide executive compensation designed to enhance shareholder value, including annual compensation, consisting of salary and bonus awards, and long-term compensation, consisting of stock options and other equity based compensation. To this end, the Compensation Committee designs compensation plans and incentives designed to link the financial interests of the Company's executive officers to the interest of its shareholders, to encourage support of the Company's long-term goals, to tie executive compensation to the Company's performance, to attract and retain talented leadership and to encourage significant ownership of the Company's common stock by executive officers.

In reviewing the compensation of our executives, we review the nature and scope of the executive officers responsibilities as well as his or her effectiveness in supporting the Company's long-term goals. We also consider and review the compensation practices and programs of other companies competitive with the Company and have utilized the services of an outside consultant with extensive experience advising on compensation matters. Competition for skilled employees, particularly management level employees, in the Company's industry is intense and the Compensation Committee seeks to provide total compensation packages that will attract and retain superior caliber individuals, yet be consistent with the Company's financial situation and stage of development. Based upon these and other factors that it considers relevant, the Committee has considered it appropriate, and in the best interests of the Company's shareholders, to set the overall executive compensation in the mid-point of the range of average compensation of companies in the comparison group reviewed by the Committee.

Compensation Components

The Company's compensation structure for executive officers currently includes a combination of base salary, stock options and an annual performance based cash incentive under a management incentive compensation plan.

Because the Company had not achieved operational profitability prior to the fourth quarter of 2002, the Compensation Committee believed that the use of traditional performance standards, such as profit levels and return on equity, was not appropriate in the evaluation of executive performance.

21

Instead, the Compensation Committee evaluated the performance of executives and set their compensation based primarily on the Company's achievement of its business objectives, specifically developing and introducing products, improving financial performance, obtaining appropriate financing, developing its intellectual property portfolio and entering into collaborations with other companies and academia. As the

Company begins to approach sustained profitability, the Compensation Committee expects that profitability and other financial metrics will play an increasing role in future compensation decisions. Revenue growth and operating cash flow, with certain adjustments ("EBITDA"), were the key metrics used in the 2003 annual incentive bonus program, which was reinstated in 2003 after being suspended in 2002. The Compensation Committee also evaluates each executive's individual contribution toward the achievement of these objectives and of other individual objectives

Base Salary. The Compensation Committee annually reviews each executive's base salary. When reviewing base salaries, the Compensation Committee considers compensation data from companies in medical, biotechnology and general industry groups that have similar revenues and/or are in a similar stage of development. Consideration is also given to prior performance, relevant experience, level of responsibility and skills and abilities. The Compensation Committee believes that the Company's salary levels for the executive officers are at a level that, at the time such salary determinations were made, were reasonable and necessary given the Company's financial resources and the stage of its development.

Stock Options. The Compensation Committee believes that stock options provide excellent long-term incentives for executive officers to increase the Company's market value for the benefit of all stockholders. The Compensation Committee is responsible for determining the number and terms of options to be granted to executive officers, taking into account such factors as individual and Company performance, policies regarding cash compensation and practices of comparable companies. Options granted to executive officers have exercise prices equal to fair market value on the date of grant, generally vest over a four-year period, and expire ten years from the date of grant. Vesting ceases and the vested portion of options must be exercised should the executive leave the Company's employ (subject to any rights to partial acceleration of vesting upon termination without cause under employment agreements). Accordingly, the option grants will provide a return to the executive officer only if the executive officer remains with the Company and only if the market price appreciates over the option term. The Compensation Committee believes that these vesting provisions help both to retain qualified employees and to motivate them to achieve long-term increases in stock value, providing continuing benefits to the Company and its stockholders beyond those in the year of grant.

Management Incentive Compensation Plan. The Compensation Committee believes that short-term (annual) performance based incentives play an important role in executive compensation. The Company adopted a management incentive compensation plan in 1999 to provide incentives to the executives of the Company to meet and exceed certain predetermined annual goals. Target annual incentives and specific performance criteria are established each year by the Compensation Committee for executives, with the actual payout based on the extent to which the performance criteria are met. The Compensation Committee believes this approach provides a very strong incentive to the Company's management to achieve the stated annual goals. The plan was suspended in 2002 at management's request in an effort to assist the Company in reaching its financial goals and reinstated in 2003, with revenue growth and EBITDA as the primary components. Based on the Company's performance during 2003 against the stated objectives, the aggregate amount of incentive bonuses earned by the executive officers was approximately \$312,000. Revenue growth and net income will be the two primary performance criteria for the 2004 incentive bonus plan.

Chief Executive Officer Compensation

The annual salary of Robert B. Grieve, the Company's Chief Executive Officer, was \$310,000 in 2003, which remained unchanged from the prior year. In November 2003, the Compensation Committee awarded Dr. Grieve a one-time special cash bonus of \$50,000 for his extraordinary services to the Company in 2003, including his significant achievements in increasing revenue growth, reducing operating expenses and bringing the Company closer to achieving sustained profitability. Dr. Grieve also earned a bonus under 2003 management incentive plan, of \$60,289, payable in 2004, based on the achievement of performance objectives in 2003 previously approved by the Compensation Committee.

On January 6, 2003, the Compensation Committee awarded Dr. Grieve an option to purchase 70,000 shares of common stock. This award was part of a special option grant to the Company's senior management team to reward them for their significant contributions made in 2002, including achieving the Company's first profitable month and first profitable quarter in its history. In making this award the Committee also took account that the Company's cash bonus program, or management incentive plan, had been suspended during 2002 to conserve its cash and build its business. On January 31, 2003, the Compensation Committee awarded Dr. Grieve an option to purchase 275,000 shares of common stock. This award was made at the same time the Compensation Committee granted stock options to other executive officers of the Company, and is part of an annual grant program to substantially all employees of the Company under the Company's broad based stock option program. The award reflects Dr. Grieve's continued leadership of the Company and is intended to provide him with additional incentives to reach the financial metrics and goals of the Company in the near term and beyond. Both option awards in 2003 are subject to a four-year vesting schedule, to provide further incentives to Dr. Grieve to continue to maintain his superior performance and leadership with Heska and place a significant portion of his total compensation at risk, since the option grants deliver a return only if Heska's common stock appreciates over the option term.

Compliance with Internal Revenue Code Section 162(m)

It is the Company's policy generally to qualify compensation paid to executive officers for deductibility under section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows the Company from deducting the compensation of executive officers that exceeds \$1,000,000 unless that compensation is based on the satisfaction of objective performance goals. The Company has structured the proposed 2003 Equity Incentive Plan, the 1997 Stock Incentive Plan and the Management Incentive Plan to qualify awards under such plans as performance-based compensation and to maximize the tax deductibility of such awards. However, the Company reserves the discretion to pay compensation to its executive officers that may not be deductible.

REPORT OF THE AUDIT COMMITTEE

The ultimate responsibility for good corporate governance rests with the Board, whose primary roles are oversight, counseling and direction to Heska's management in the best long-term interests of the Company and its stockholders. The Board's Audit Committee has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the Company's financial statements. During the past year, the Sarbanes-Oxley Act of 2002 added a number of provisions to federal law to strengthen the authority of, and increase the responsibility of, corporate audit committees. In December 2003, related rules concerning audit committee structure, membership, authority and responsibility were approved by the Nasdaq Stock Market.

The Audit Committee operates under a written charter that was revised in January 2003, a copy of which is available on our website at www.heska.com. As described more fully in its charter, the purpose of the Audit Committee is to assist the Board in its oversight and monitoring of Heska's financial reporting, internal controls and audit function. Management is responsible for the preparation, presentation and integrity of Heska's financial statements; accounting and financial reporting principles;

25

internal controls; and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. KPMG LLP, Heska's independent auditors, are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards. In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace Heska's independent auditors.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditors, nor can the Audit Committee certify that the independent auditors are "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis on the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

In this context, during the year 2003, the Audit Committee met and held discussions with management and KPMG LLP. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and KPMG LLP. In the Audit Committee meetings with KPMG LLP, the Audit Committee discussed matters as required by Statement of Auditing Standards No. 61 (Communication with Audit Committees). This review included a discussion with management of the quality, not merely the acceptability, of Heska's accounting principles, the reasonableness of significant estimates and judgments and the disclosure in Heska's financial statements and financial reports.

The Audit Committee received from KPMG LLP the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG LLP its independence. In reliance on the reviews and discussions noted above, and the report of the independent auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2003, and be filed with the Securities and Exchange Commission.

The Report of the Compensation Committee of the Board on Executive Compensation, the Report of the Audit Committee and the Stock Price Performance graph shown above, shall not be deemed "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates them by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

"Householding" of Proxy Materials

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Heska and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Investor Relations, Heska Corporation, 1613 Prospect Parkway, Fort Collins, Colorado 80525.

OTHER MATTERS

The Board knows of no other matters to be presented for stockholder action at the Annual Meeting. However, if other matters do properly come before the Annual Meeting or any adjournments or postponements thereof, the Board intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.

Edgar Filing: HESKA CORP - Form DEF 14A

(b) **Amount of Payroll Deductions.** An Eligible Employee shall designate on the enrollment form the portion of his or her Compensation that he or she elects to have withheld for the purchase of Stock. Such portion shall be a whole percentage of the Eligible Employee's Compensation, but not less than 1% nor more than 10%. Any other provision of the Plan notwithstanding, no Participant shall have more than \$21,250 withheld in the aggregate during all Accumulation Periods ending in the same calendar year. If a Participant is precluded by this Subsection (b) from making additional employee contributions, then his or her employee contributions shall automatically be discontinued and shall resume at the beginning of the earliest Accumulation Period ending in the next calendar year (if he or she then is an Eligible Employee).

(c) **Changing Withholding Rate.** If a Participant wishes to change the rate of payroll withholding, he or she may do so by filing a new enrollment form with the Company at the prescribed location at any time. The new withholding rate shall be effective as soon as reasonably practicable after such form has been received by the Company. (d) **Discontinuing Payroll Deductions.** If a Participant wishes to discontinue employee contributions entirely, he or she may do so by filing a new enrollment form with the Company at the prescribed location at any time. Payroll withholding shall cease as soon as reasonably practicable after such form has been received by the Company. (In addition, employee contributions may be discontinued automatically pursuant to Section 4(b) or 8(b).) A Participant who has discontinued employee contributions may resume such contributions by filing a new enrollment form with the Company at the prescribed location. Payroll withholding shall resume as soon as reasonably practicable after such form has been received by the Company.

(e) **Limit on Number of Elections.** No Participant shall make more than two elections under Subsection (c) or (d) above during any Accumulation Period.

SECTION 5. WITHDRAWAL FROM THE PLAN.

(a) **Withdrawal.** A Participant may elect to withdraw from the Plan by filing the prescribed form with the Company at the prescribed location at any time before the last day of an Accumulation Period. As soon as reasonably practicable thereafter, payroll deductions shall cease and the entire amount credited to the Participant's Plan Account shall be refunded to him or her in cash, without interest. No partial withdrawals shall be permitted.

A-2

(b) **Re-Enrollment After Withdrawal.** A former Participant who has withdrawn from the Plan shall not be a Participant until he or she re-enrolls in the Plan under Section 3(c). Re-enrollment may be effective only at the commencement of an Offering Period.

SECTION 6. CHANGE IN EMPLOYMENT STATUS.

(a) **Termination of Employment.** Termination of employment as an Eligible Employee for any reason, including death, shall be treated as an automatic withdrawal from the Plan under Section 5(a). (A transfer from one Participating Company to another shall not be treated as a termination of employment.)

(b) **Leave of Absence.** For purposes of the Plan, employment shall not be deemed to terminate when the Participant goes on a military leave, a sick leave or another *bona fide* leave of absence, if the leave was approved by the Company in writing and if continued crediting of service for such purpose is expressly required by the terms of such leave or by applicable law (as determined by the Company). Employment, however, shall be deemed to terminate 90 days after the Participant goes on a leave, unless a contract or statute protects his or her right to return to work. Employment shall be deemed to terminate in any event when the approved leave ends, unless the Participant immediately returns to work.

(c) **Death.** In the event of the Participant's death, the amount credited to his or her Plan Account shall be paid to a beneficiary designated by him or her for this purpose on the prescribed form or, if none, to the Participant's estate. Such form shall be valid only if it was filed with the Company at the prescribed location before the Participant's death.

SECTION 7. PLAN ACCOUNTS AND PURCHASE OF SHARES.

(a) **Plan Accounts.** The Company shall maintain a Plan Account on its books in the name of each Participant. Whenever an amount is deducted from the Participant's Compensation under the Plan, such amount shall be credited to the Participant's Plan Account. Amounts credited to Plan Accounts shall not be trust funds and may be commingled with the Company's general assets and applied to general corporate purposes. No interest shall be credited to Plan Accounts.

(b) **Purchase Price.** The Purchase Price for each share of Stock purchased at the close of an Accumulation Period shall be the lower of:

(i) 85% of the Fair Market Value of such share on the last trading day in such Accumulation Period; or

(ii) 85% of the Fair Market Value of such share on the last trading day before the commencement of the applicable Offering Period (as determined under Section 3(e)).

(c) **Number of Shares Purchased.** As of the last day of each Accumulation Period, each Participant shall be deemed to have elected to purchase the number of shares of Stock calculated in accordance with this Subsection (c), unless the Participant has previously elected to withdraw from the Plan in accordance with Section 5(a). The amount then in the Participant's Plan Account shall be divided by the Purchase Price, and the number of shares that results shall be purchased from the Company with the funds in the Participant's Plan Account. The foregoing notwithstanding, no Participant shall purchase more than 2,500 shares of Stock with respect to any Accumulation Period nor more than the amounts of Stock set forth in Sections 8(b) and 12(a). The Committee may determine with respect to all Participants that any fractional share, as calculated under this Subsection (c), shall be rounded down to the next lower whole share.

(d) **Available Shares Insufficient.** In the event that the aggregate number of shares that all Participants elect to purchase during an Accumulation Period exceeds the maximum number of shares

A-3

remaining available for issuance under Section 12(a), then the number of shares to which each Participant is entitled shall be determined by multiplying the number of shares available for issuance by a fraction, the numerator of which is the number of shares that such Participant has elected to purchase and the denominator of which is the number of shares that all Participants have elected to purchase.

(e) **Issuance of Stock.** Certificates representing the shares of Stock purchased by a Participant under the Plan shall be issued to him or her as soon as reasonably practicable after the close of the applicable Accumulation Period, except that the Committee may determine that such shares shall be held for each Participant's benefit by a broker designated by the Committee (unless the Participant has elected that certificates be issued to him or her). Shares may be registered in the name of the Participant or jointly in the name of the Participant and his or her spouse as joint tenants with right of survivorship or as community property.

(f) **Unused Cash Balances.** An amount remaining in the Participant's Plan Account that represents the Purchase Price for any fractional share shall be carried over in the Participant's Plan Account to the next Accumulation Period. Any amount remaining in the Participant's Plan Account that represents the Purchase Price for whole shares that could not be purchased by reason of Subsection (c) above, Section 8(b) or Section 12(a) shall be refunded to the Participant in cash, without interest.

SECTION 8. LIMITATIONS ON STOCK OWNERSHIP.

(a) **Five Percent Limit.** Any other provision of the Plan notwithstanding, no Participant shall be granted a right to purchase Stock under the Plan if such Participant, immediately after his or her election to purchase such Stock, would own stock possessing more than 5% of the total combined voting power or value of all classes of stock of the Company or any parent or Subsidiary of the Company. For purposes of this Subsection (a), the following rules shall apply:

(i) Ownership of stock shall be determined after applying the attribution rules of section 424(d) of the Code;

(ii) Each Participant shall be deemed to own any stock that he or she has a right or option to purchase under this or any other plan; and

(iii) Each Participant shall be deemed to have the right to purchase 2,500 shares of Stock under this Plan with respect to each Accumulation Period.

(b) **\$25,000 Limit.** Any other provision of the Plan notwithstanding, no Participant shall purchase Stock with a Fair Market Value (determined as of the beginning of the applicable Offering Period) in excess of \$25,000 during any calendar year under this Plan and all other employee stock purchase plans of the Company or any parent or Subsidiary of the Company. For purposes of this Subsection (b), employee stock purchase plans not described in section 423 of the Code shall be disregarded. If a Participant is precluded by this Subsection (b) from purchasing additional Stock under the Plan, then his or her employee contributions shall automatically be discontinued and shall resume at the beginning of the earliest Accumulation Period ending in the next calendar year (if he or she then is an Eligible Employee).

SECTION 9. RIGHTS NOT TRANSFERABLE.

The rights of any Participant under the Plan, or any Participant's interest in any Stock or moneys to which he or she may be entitled under the Plan, shall not be transferable by voluntary or involuntary assignment or by operation of law, or in any other manner other than by beneficiary designation or the laws of descent and distribution. If a Participant in any manner attempts to transfer, assign or otherwise encumber his or her rights or interest under the Plan, other than by beneficiary designation or the laws

A-4

of descent and distribution, then such act shall be treated as an election by the Participant to withdraw from the Plan under Section 5(a).

SECTION 10. NO RIGHTS AS AN EMPLOYEE.
