B. Audited Annual Consolidated Financial Statements

C. Management's Discussion and Analysis

The Registrant's Management's Discussion and Analysis for the year ended December 31, 2003 is included on pages 54 to 76 of the Registrant's 2003 Annual Report filed as Exhibit 1 to the Registrant's Report of Foreign Issuer on Form 6-K filed with the Securities and Exchange Commission on April 1, 2004, which pages are incorporated by reference herein.

DISCLOSURE REGARDING CONTROLS AND PROCEDURES

A. Evaluation of Disclosure Controls and Procedures

As of the end of the Registrant's fiscal year ended December 31, 2003, an evaluation of the effectiveness of the Registrant's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) was carried out by the Registrant's principal executive officer and principal financial officer. Based upon that evaluation, the Registrant's principal executive officer and principal financial officer have concluded that as of the end of that fiscal year, the Registrant's disclosure controls and procedures are effective to ensure that the information required to be disclosed by the Registrant in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms.

It should be noted that while the Registrant's principal executive officer and principal financial officer believe that the Registrant's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that the Registrant's disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Accordingly, the Registrant's control systems are designed to provide reasonable assurance that the Registrant achieves its desired control objectives and the Registrant's principal executive officer and principal financial officer have concluded that, as of the end of the fiscal year ended December 31, 2003, the Registrant's disclosure controls and procedures are effective in achieving that level of reasonable assurance.

B. Changes in Internal Control over Financing Reporting

During the fiscal year ended December 31, 2003, there were no changes in the Registrant's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Registrant's internal control over financial reporting.

NOTICES PURSUANT TO REGULATION BTR

None.

AUDIT COMMITTEE FINANCIAL EXPERT

The board of directors of EnerMark Inc., on behalf of the Registrant, has determined that Mr. Robert Normand, a member and the chairman of the Registrant's audit and risk management committee, is an audit committee financial expert (as such term is defined by the rules and regulations of the Securities and Exchange Commission) and is independent (as that term is defined by the New York Stock Exchange's listing standards applicable to the Registrant).

The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and the board of directors in the absence of such designation.

CODE OF ETHICS

During the fiscal year ended December 31, 2003, the Registrant adopted an amended code of ethics (as that term is defined by the rule and regulations of the Securities and Exchange Commission), entitled the Code of Business Conduct, that applies to each director, officer (including its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions), employee and consultant of the Registrant. The Code of Business Conduct is available for viewing on the Registrant's website at www.enerplus.com under About Enerplus Corporate Governance. There were not any amendments to any provision of the Code of Business Conduct during the fiscal year ended December 31, 2003 that applied to the Registrant's principal executive officer,

principal financial officer, principal accounting officer or controller, or persons performing similar functions. Further, there were not any waivers, including implicit waivers, from any provision of the Code of Business Conduct during the fiscal year ended December 31, 2003 that applied to the Registrant's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

**PRINCIPAL ACCOUNTANT FEES AND SERVICES AND
PRE-APPROVAL POLICIES AND PROCEDURES**

The aggregate fees paid by the Registrant to Deloitte & Touche LLP for professional services rendered in the Registrant's last two fiscal years are as follows:

	2003	2002
	(in Cdn\$thousands)	
Audit fees(1)	302.0	495.8
Audit-related fees(2)		
Tax fees(3)	47.8	117.3
All other fees(4)		
Total(5)	\$ 349.8	\$ 613.1

(1) Audit fees were for professional services rendered by Deloitte & Touche LLP for the audit of the Registrant's annual financial statements and reviews of the Registrant's quarterly financial statements, as well as services provided in connection with statutory and regulatory filings or engagements.

(2) Audit-related fees are for assurance and related services reasonably related to the performance of the audit or review of the Registrant's financial statements and not reported under Audit Fees above. No audit-related fees were incurred in the Registrant's last two fiscal years.

(3) Tax fees were for tax compliance, tax advice and tax planning. The fees were for services performed by the Registrant's auditors' tax division except those tax services related to the audit.

(4) All other fees are fees for products and services provided by the Registrant's auditors other than those described as audit fees, audit-related fees and tax fees. No such fees were incurred in the Registrant's last two fiscal years.

(5) Total audit fees billed by the Registrant's former auditors, Arthur Andersen LLP, during 2002 prior to their resignation as auditors of the Registrant effective June 3, 2002 were Cdn\$27.9 for audit fees and Cdn\$36.1 for tax fees.

The Registrant's audit and risk management committee has implemented a policy restricting the services that may be provided by the Registrant's auditors and the fees paid to the Registrant's auditors. Prior to the engagement of the Registrant's auditors to perform both audit and non-audit

services, the audit and risk management committee pre-approves the provision of the services. In making their determination regarding non-audit services, the audit and risk management committee considers the compliance with the policy and the provision of non-audit services in the context of avoiding impact on auditor independence. All audit and non-audit fees paid to Deloitte & Touche LLP in 2003 were pre-approved by the Registrant's audit and risk management committee. Based on the audit and risk management committee's discussions with management and the independent auditors, the committee is of the view that the provision of the non-audit services by Deloitte & Touche LLP described above is compatible with maintaining that firm's independence from the Registrant.

OFF-BALANCE SHEET ARRANGEMENTS

The Registrant has no material off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on the Registrant's financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to investors. For a discussion of the Registrant's other off-balance sheet arrangements, please read Notes 10(b) and 10(d) to the Registrant's audited annual consolidated financial statements for the year ended December 31, 2003 included on page 92 of the Registrant's 2003 Annual Report filed as Exhibit 1 to the Registrant's Report of Foreign Issuer on Form 6-K filed with the Securities and Exchange Commission on April 1, 2004, which notes are incorporated by reference herein.
