**PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS  
AUGUST 5, 2004**

---

We are providing these proxy materials in connection with the solicitation of proxies by DRS Technologies, Inc. ("DRS") on behalf of the board of directors of DRS (the "board") for DRS's 2004 annual meeting of stockholders to be held on Thursday, August 5, 2004, at 11:00 a.m., local time, at the Hanover Marriott, 1401 Route 10 East, Whippany, New Jersey 07981, or any adjournments or postponements thereof (the "meeting"). "We," "our," "us," "the Company" and "DRS" each refers to DRS Technologies, Inc.

We are sending these proxy materials on or about July 2, 2004 to all stockholders of DRS as of June 24, 2004, the record date for the meeting. Stockholders who owned DRS common stock at the close of business on June 24, 2004 are entitled to attend and vote at the meeting. As of June 24, 2004, there were 27,073,453 shares of common stock outstanding. A stockholder list will be available for examination by DRS stockholders at the meeting and at the offices of the Company at 5 Sylvan Way, Parsippany, New Jersey 07054, during ordinary business hours during the ten-day period prior to the meeting for any purpose germane to the meeting.

**VOTING AND REVOCATION OF PROXIES**

If your proxy is properly submitted and you do not revoke it, the persons named on the proxy card, or their substitutes, will vote the shares of common stock represented by your proxy in accordance with your directions. You are urged to grant or withhold authority to vote for the nominees for election as directors and to specify your choice between approval or disapproval of, or abstention with respect to, any other matter by marking the appropriate boxes on the proxy. If you submit a proxy without instructions marked on it, it will be voted for the nominees named on the card and as recommended by the board with respect to other matters.

The delivery of a proxy does not affect your right to attend the meeting and vote in person. You may revoke your proxy at any time before it is voted by giving written notice of its revocation to the Secretary of DRS at 5 Sylvan Way, Parsippany, New Jersey 07054, by executing and delivering another proxy dated after the proxy to be revoked or by attending the meeting and voting in person.

**VOTING RIGHTS**

Each share of common stock entitles the holder to one vote on all matters presented at the meeting. The presence at the meeting in person or by proxy of a majority of the shares of the common stock shall constitute a quorum for the election of directors and for the transaction of other business at the meeting. If you are present in person or by proxy and you abstain as to any matter or if we have received a broker non-vote on your behalf, your abstention or broker non-vote will not be counted as a vote cast as to the matter to which it relates. Abstentions and broker non-votes will, however, be considered part of the quorum.

**ELECTION OF DIRECTORS**

The board is divided into three classes: Class I directors, Class II directors and Class III directors. The members of one of the three classes of directors are elected each year. Directors hold office for three-year terms and until their successors are elected and qualified. The size of the whole board is

---

eleven directors; the board currently is composed of ten directors. The stockholders will elect four Class III directors at the meeting.

If a quorum of stockholders is present in person or by proxy at the meeting, stockholders will elect directors by a plurality of the votes cast by such holders. A proxy that has properly withheld authority with respect to one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. The Class I directors, Messrs. Mark S. Newman and Steven Honigman and Dr. Donald C. Fraser, will continue to serve until the expiration of their terms in 2005. The Class II directors, Messrs. Ira Albom and Mark N. Kaplan and General Dennis J. Reimer, will continue to serve until the expiration of their terms in 2006.

The following section contains certain information concerning nominees for election at the meeting, as well as the directors whose terms of office will continue after the meeting, including their ages, any positions held with DRS, and their business experience. If any of the nominees listed below are unavailable to stand for election, an event which is not anticipated, the proxies named on the relevant proxy card may vote for a substitute nominee(s) chosen by the board.

#### **NOMINEES FOR ELECTION AS CLASS III DIRECTORS**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU  
VOTE FOR THE ELECTION OF THE NOMINEES.**

**RATIFYING THE APPOINTMENT OF KPMG AS  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**Principal Accountant Fees and Services**

KPMG LLP audited our annual consolidated financial statements for the year ended March 31, 2004. In addition, KPMG reviews our interim consolidated financial statements. If a majority of votes cast at the meeting is not voted for ratification of this selection of auditors, the board will reconsider its appointment of KPMG as our independent registered public accounting firm (the "independent auditors") for the year ending March 31, 2005.

We have been advised by KPMG that KPMG are independent accountants with respect to DRS within the meaning of the Securities Acts administered by the Securities and Exchange Commission (the "SEC") and the requirements of the Independence Standards Board.

**DISCLOSURE OF AUDITOR FEES**

The chart below sets forth the total amount billed to us by KPMG for services performed for the fiscal years ended March 31, 2004 and 2003 and breaks down these amounts by the category of service:

Year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2004	\$ 2,149,370	\$ 51,500	\$ 963,343	\$ 0
2003	\$ 1,319,000	\$ 0	\$ 696,000	\$ 0

*Audit Fees:* Audit fees are fees we paid KPMG for professional services for the audit of our consolidated financial statements included in Form 10-K and review of consolidated financial statements included in Form 10-Qs, and for services that are normally provided by KPMG in connection with statutory and regulatory filings or engagements, including issuance of comfort letters and consents.

*Audit-Related Fees:* Audit-related fees are fees billed by KPMG for assurance and related services that traditionally are performed by the independent accountants, principally audits of employee benefit plans.

*Tax Fees:* Fees billed for the years ended March 31, 2004 and 2003 related to tax compliance, tax advice and tax planning, including tax reviews of our stock offering and acquisitions, individual expatriate tax assistance and IRS examination assistance.

*All Other Fees:* We did not engage KPMG to provide any advice other than as set forth above during the years ended March 31, 2004 and 2003.

The Audit Committee has considered all services provided by the independent auditors to us and concluded this involvement is compatible with maintaining the auditors' independence.

The Audit Committee is responsible for appointing the Company's independent auditors and approving the terms of the independent auditors' services. The Committee has established a policy for the pre-approval of all audit and permissible non-audit services to be provided by the independent auditors. This policy describes the permitted audit, audit-related, tax and other services (collectively, the "Disclosure Categories") that the independent auditors may perform. The policy requires that for each fiscal year, a description of the services (the "Service List") anticipated to be performed by the independent auditors in each of the Disclosure Categories in the ensuing fiscal year be presented by the Company's chief financial officer (the "CFO") to the Audit Committee for approval.

Any requests for audit, audit-related, tax and other services not covered by the Service List must be submitted to the Audit Committee by the CFO for specific pre-approval, irrespective of the amount,

and work cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee. The Chairman updates the full Audit Committee at the next regularly scheduled meeting for any interim approvals granted.

On a quarterly basis, the Audit Committee reviews the status of services and fees incurred year-to-date as compared with the original Service List and the forecast of remaining services and fees for the fiscal year.

All services performed by KPMG for fiscal 2004 were approved by the Audit Committee in accordance with its policy. Services anticipated to be performed by KPMG for fiscal 2005 also have been approved in accordance with the policies and procedures of the Audit Committee.

KPMG will have a representative at the meeting who will have an opportunity to make a statement, if he or she so desires, and who will be available to respond to appropriate questions from stockholders.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our officers and directors, and persons who own more than 10% of the outstanding shares of our common stock, to file reports of beneficial ownership and reports of changes in beneficial ownership of shares of common stock with the Commission and each securities exchange on which our common stock is traded. Such persons are required by Commission regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of Forms 3 and 4 and amendments to such forms furnished to us during fiscal 2004, and upon a review of Forms 5 and amendments to Forms 5 furnished to us with respect to fiscal 2004, or upon written representations received by us from certain reporting persons that no Forms 5 were required for those persons, we believe that no director, executive officer or holder of more than 10% of the outstanding shares of common stock failed to file on a timely basis the reports required by Section 16(a) of the Securities Exchange Act during, or with respect to, fiscal 2004, except General Reimer who inadvertently filed one untimely Form 4 with respect to one market acquisition of common stock.

### THE BOARD OF DIRECTORS AND CERTAIN COMMITTEES

#### Board Independence

All of our directors, other than Mr. Newman, are "independent" under the standards of the New York Stock Exchange (NYSE).

Our board of directors held eight meetings and approved certain matters by unanimous written consent during fiscal 2004. Each director attended at least 75% of the meetings of the board and meetings of the committees on which the director served during the period of his service as a director. The chairperson of the Nominating and Corporate Governance Committee (the "Lead Director") presides at all executive sessions of non-management directors. Interested stockholders may contact the Lead Director by addressing such correspondence to the Lead Director and sending it to the General Counsel of DRS at 5 Sylvan Way, Parsippany, New Jersey 07054.

The board has four standing committees: the Audit Committee, the Executive Compensation Committee, the Ethics Committee and the Nominating and Corporate Governance Committee. During our last fiscal year, the Audit Committee met five times, the Executive Compensation Committee met eight times and the Ethics Committee met two times. The Nominating and Corporate Governance Committee held its first meeting on May 6, 2004. We encourage directors to attend the Company's annual meeting. All directors attended our 2003 annual meeting.

*Audit Committee.* The Audit Committee of the board consists of Dr. Fraser and Messrs. Heitmann, James and Rosen, with Mr. Heitmann serving as Chairman. All of the members of the Audit Committee are "independent" and, as a result, no member has any relationship with the Company that may interfere with the exercise of his independence from the Company and the Company's management. The board has determined that each member of the Audit Committee has the ability to read and understand fundamental financial statements. The board has determined that each of Messrs. Heitmann and James qualify as an "Audit Committee Financial Expert," as defined by the rules of the SEC.

The Audit Committee oversees and reports to the board concerning our general policies and practices with respect to accounting, financial reporting and internal controls, as well as such policies and practices of our subsidiaries. It also appoints our independent auditors and maintains a direct exchange of information between the board and the independent auditors. The Audit Committee operates under a written charter that was amended by the board on May 13, 2004, a copy of which is attached hereto as Annex A and is also available on our corporate website at [www.drs.com](http://www.drs.com) under the heading "Investor Info." A copy of the charter is also available in print to stockholders, upon request addressed to the Company's Secretary, 5 Sylvan Way, Parsippany, New Jersey 07054. The report of the Audit Committee is set forth below.

*Executive Compensation Committee.* The Executive Compensation Committee consists of Admiral Platt, General Reimer and Messrs. Albom, Honigman and Kaplan, with Mr. Kaplan serving as Chairman. The Executive Compensation Committee establishes policies and programs that govern the compensation of our chief executive officer and other executive officers and administers our 1991 Stock Option Plan, the 1996 Omnibus Plan and stock option plans that were assumed by DRS in connection with an acquisition in fiscal 1999. The Executive Compensation Committee operates under a written charter that was adopted by the board on May 14, 2003, a copy of which is available on our corporate website at [www.drs.com](http://www.drs.com) under the heading "Investor Info." A copy of the charter is also available in print to stockholders, upon request addressed to the Company's Secretary, 5 Sylvan Way, Parsippany, New Jersey 07054. The report of the Executive Compensation Committee is set forth below.

*Ethics Committee.* The Ethics Committee consists of Messrs. Newman and Honigman, General Reimer and Ms. Dunn, Executive Vice President, General Counsel and Secretary of DRS (ex officio), with Mr. Honigman serving as Chairman. The Ethics Committee provides oversight with respect to issues involving compliance with law and our ethics program. The Ethics Committee operates under a written charter that was adopted by the board on May 14, 2003, a copy of which is available on our corporate website at [www.drs.com](http://www.drs.com) under the heading "Investor Info." A copy of the charter is also available in print to stockholders, upon request addressed to the Company's Secretary, 5 Sylvan Way, Parsippany New Jersey 07054.

*Nominating and Corporate Governance Committee.* The Nominating and Corporate Governance Committee (the "Nominating/Governance Committee") consists of Messrs. Kaplan, Albom and General Reimer, with Mr. Kaplan serving as Chairman. Each member of the Nominating/Governance Committee is an independent director under the NYSE listing standards. The Nominating/Governance Committee held its first meeting on May 6, 2004. The functions of the Nominating/Governance Committee include the following:

identifying and recommending to the board individuals qualified to serve as members of the board;

recommending to the board directors to serve on committees of the board;

advising the board with respect to matters of board composition and procedures; and

developing and recommending to the board a set of corporate governance guidelines.

The Nominating/Governance Committee is governed by a written charter, a copy of which is available on our corporate website at [www.drs.com](http://www.drs.com) under the heading "Investor Info." A copy of the charter is also available in print to stockholders, upon request addressed to the Company's Secretary, 5 Sylvan Way, Parsippany, New Jersey 07054.

The Nominating/Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating/Governance Committee will take into consideration the needs of the board and the qualifications of the candidate. The committee also may take into consideration the number of shares held by the recommending

stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating/Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director, if selected by the Nominating/Governance Committee and nominated by the board.

The stockholder recommendation and information described above must be sent to the Company's Secretary at 5 Sylvan Way, Parsippany, New Jersey 07054 and must be received by the Secretary not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating/Governance Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating/Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the board for example, retirement as a CEO or CFO of a public company or exiting government or military service especially business and civic leaders in the communities in which the Company's facilities are located. The Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee also will consider candidates recommended by stockholders.

Once a person has been identified by the Nominating/Governance Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the board, the Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conduct one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

#### **Stockholder Communications with Directors**

The board has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the board (including, without limitation, the Lead Director or the non-management directors as a group), any board committee or any chair of any such committee by mail. To communicate with the

board of directors, any individual directors or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to the General Counsel at 5 Sylvan Way, Parsippany, New Jersey 07054. All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

#### **Compensation Committee Interlocks and Insider Participation**

In the fiscal year ended March 31, 2004, there were no interlocking relationships existing between the Company's board of directors or compensation committee of any other company.

#### **Compensation of Directors**

Directors who are our employees or employees of our subsidiaries do not receive directors' fees. Each non-employee director receives as compensation for his or her services a fee of \$8,750 per quarter, plus a fee of \$2,500 for each meeting of the board attended. The chair of the Audit Committee receives an additional fee of \$1,250 per quarter and the chair of the Executive Compensation Committee receives an additional fee of \$625 per quarter. Directors who also serve on committees of the board receive an additional \$1,250 (\$2,000 for the committee chairpersons) for services rendered in connection with each committee meeting attended.

On February 7, 1996 the then-existing stock option committee of the board adopted, and the board ratified, resolutions which instituted an arrangement under our 1991 Stock Option Plan by which each director who was not or has never been our employee or an employee of one of our subsidiaries (a "non-employee director") as of such date would be (a) immediately granted a non-qualified stock option to purchase 5,000 shares of common stock, and (b) on the date of each annual meeting, commencing with the annual meeting following the annual meeting at which these resolutions were approved, granted a non-qualified stock option to purchase 2,500 shares of common stock. Our stockholders approved these resolutions on August 7, 1996. Under our 1996 Omnibus Plan, the non-employee directors described above are eligible to receive grants of options to purchase 2,500 shares of common stock on the dates described above. However, provisions in each of the resolutions and the 1996 Omnibus Plan state that a non-employee director may not be granted options to purchase more than 2,500 shares of common stock under the 1996 Omnibus Plan or any other stock option plan during any tax year of DRS, thus avoiding any potential for overlap.

We paid \$2.9 million, \$2.5 million and \$1.8 million in fees to the firm during fiscal 2004, 2003 and 2002, respectively.

Kronish Lieb Weiner & Hellman LLP, a law firm of which Alison Newman, sister of Mark Newman, is a partner, provided legal services to us during the 2004, 2003 and 2002 fiscal years. The amount paid to the firm during each of the years in the three-year period ended March 31, 2004 was immaterial.

In addition, we pay premiums on policies maintained in connection with our Supplemental Executive Retirement Plan (see "Supplemental Executive Retirement Plan" below). Under certain of the life insurance policies, DRS is a beneficiary to the extent of the premiums paid. ### Termination of Employment and Change in Control Agreements

In November 1996, we entered into an agreement with Mr. Newman (the "Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, or (ii) termination of the Employment Agreement by Mr. Newman for good reason, as defined therein. Severance benefits include continuation of salary for the remaining

term of the Employment Agreement or twelve (12) months, whichever is greater, plus payment of a pro-rata portion of the bonus earned for the previous fiscal year. In the event of a termination of his employment by DRS other than for cause or by Mr. Newman for good reason following a change in control of DRS, the severance benefit would be equal to 2.99 times the sum of Mr. Newman's base salary plus the bonus earned in the previous fiscal year. In either case, we also would be required to provide outplacement assistance to Mr. Newman and continuation of benefits for the remaining term of the Employment Agreement. In addition, all stock options granted to Mr. Newman would vest immediately and would remain exercisable during the twelve (12)-month period following termination.

In April 1997, we entered into an agreement with Ms. Dunn (the "Dunn Employment Agreement"), which provides for severance benefits in the event of (i) termination of her employment by DRS other than for cause, or (ii) termination of the Dunn Employment Agreement by Ms. Dunn for good reason, as defined therein. Severance benefits include continuation of salary for the remaining term of the Dunn Employment Agreement or twenty-four (24) months, whichever is greater, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of termination of her employment by DRS other than for cause or by Ms. Dunn for good reason following a change in control of DRS, the severance benefit would be equal to 2.99 times the sum of Ms. Dunn's base salary plus the bonus earned in the previous fiscal year. In either case, we also would be required to provide outplacement assistance to Ms. Dunn and continuation of benefits for the remaining term of the Dunn Employment Agreement. In addition, all stock options granted to Ms. Dunn would vest immediately and would remain exercisable during the twelve (12)-month period following termination.

In February 1999, we entered into an agreement with Mr. Schneider (the "Schneider Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, or (ii) termination of the Schneider Employment Agreement by Mr. Schneider for good reason, as defined therein. Severance benefits include continuation of salary for twelve (12) months, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of termination of his employment by DRS other than for cause or by Mr. Schneider for good reason following a change in control of DRS, the severance benefit would be equal to the bonus earned in the previous fiscal year plus 2.0 times Mr. Schneider's base salary. In either case, we also would be required to provide outplacement assistance to Mr. Schneider and continuation of benefits for the remaining term of the Schneider Employment Agreement. In addition, all stock options granted to Mr. Schneider would vest immediately and would remain exercisable during the twelve (12)-month period following termination.

In August 2000, we entered into an agreement with Mr. Casner (the "Casner Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, or (ii) termination of the Casner Employment Agreement by Mr. Casner for good reason, as defined therein. Severance benefits in the event of termination include continuation of salary for twelve (12) months, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of termination of his employment by DRS other than for cause or by Mr. Casner for good reason following a change in control of DRS, the severance benefit would be equal to the bonus earned in the previous fiscal year plus 2.0 times Mr. Casner's base salary. In either case, we also would be required to provide outplacement assistance to Mr. Casner and continuation of benefits for the remaining term of the Casner Employment Agreement. In addition, all stock options granted to Mr. Casner would vest immediately and would remain exercisable during the twelve (12)-month period following termination.

In June 2002, we entered into an agreement with Mr. Mehmel (the "Mehmel Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, or (ii) termination of the Mehmel Employment Agreement by Mr. Mehmel for good reason, as defined therein. Severance benefits in the event of termination include

continuation of salary for twelve (12) months, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of termination of his employment by DRS other than for cause or by Mr. Mehmel for good reason following a change in control of DRS, the severance benefit would be equal to the bonus earned in the previous fiscal year plus 2.0 times Mr. Mehmel's base salary. In either case, we also would be required to provide outplacement assistance to Mr. Mehmel and continuation of benefits for the remaining term of the Mehmel Employment Agreement. In addition, all stock options granted to Mr. Mehmel would vest immediately and would remain exercisable during the twelve (12)-month period following termination.

See "Supplemental Executive Retirement Plan" below.

#### **Retirement/Savings Plan**

The Summary Compensation Table above includes amounts deferred by the Named Officers, pursuant to our Retirement/Savings Plan under Section 401(k) of the Internal Revenue Code of 1986. The value of a participant's contributions to the Retirement/Savings Plan is fully vested at all times; the value of employer contributions becomes 100% vested after completion of three years of service.

#### **Medical Reimbursement Plan**

At the beginning of each calendar year, we accrue fixed annual amounts for the benefit of certain officers to be paid as needed to reimburse Named Officers for the amounts of medical and hospital expenses actually incurred by them which are not covered under our group medical and hospitalization plans. The amount accrued for the benefit of each Named Officer is included in the officer's compensation for tax purposes, regardless of whether such accrued amount is actually paid to him or her. The excess of the amount accrued over the amounts paid is used to offset the administrative expenses payable by DRS to the medical insurance carrier.

#### **Supplemental Executive Retirement Plan**

On February 1, 1996, we established a Supplemental Executive Retirement Plan (the "SERP") for the benefit of certain key executives, which include the Named Officers. Pursuant to the SERP, we will provide retirement benefits to each key executive, based on years of service and final average annual compensation, in accordance with the benefit class to which such executive is assigned by the Executive Compensation Committee, as defined in the SERP. In addition, with respect to participants who entered the SERP prior to April 1, 2004, we advance premiums for life insurance policies, which provide a pre-retirement death benefit equal to five times the participant's salary at time of death. With respect to persons who become participants after April 1, 2004, the SERP provides for a death benefit equal to the present value of such participant's accrued benefit. Effective as of April 1, 2004, participants can retire early under the SERP after age 55 and 10 years of deemed service with DRS. In the event of a change in control, as defined in the SERP, benefits become fully vested and, effective as of May 14, 2004, are paid out to participants in a single lump sum amount (not reduced for early payment). The SERP is non-contributory and, until the end of fiscal 2004, was unfunded.

These amounts are subject to offset by income resulting from amounts contributed by DRS to the Retirement/Savings Plan (See "Retirement/Savings Plan" above) and social security benefits. A retiring employee may elect to receive a reduced retirement benefit with joint and survivor rights and/or a period-certain benefit.
- (b) Defined as the employee's average annual salary over the last 36 months of employment. Covered compensation under the SERP is the amount described as "Salary" in the Summary Compensation Table above for all participants other than the Chief Executive Officer and the Chief Operating Officer, as to whom covered compensation under the SERP is the sum of the amounts described as "Salary" and "Bonus" in the Summary Compensation Table above.
- (c) Mr. Newman receives benefits set forth for Benefit Class A. Messrs. Casner, Mehmel and Schneider and Ms. Dunn receive benefits set forth for Benefit Class B.
- (d) As of May 31, 2004, the Named Officers have been credited with the following years of service: Mr. Newman, 30 years; Mr. Casner, 13 years; Ms. Dunn, 12 years; Mr. Mehmel, 3 years; and Mr. Schneider, 16 years.

**CODE OF ETHICS**

We have adopted a Code of Ethics that applies to all of our employees and directors, including our chief executive officer, chief financial officer and controller. Our Code of Ethics has been posted on our corporate web site at [www.drs.com](http://www.drs.com) under the heading "Investor Info."

**EXECUTIVE COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

The members of the Executive Compensation Committee are Messrs. Albom, Honigman, Kaplan and Admiral Platt and General Reimer. None of the foregoing individuals is currently an officer or an employee of DRS. Skadden, Arps, Slate, Meagher & Flom LLP, a law firm to which Mr. Kaplan is of counsel, provided legal services to us during our 2004 fiscal year (see "Certain Relationships and Related Transactions" above). Although Mr. Newman made recommendations to the Executive Compensation Committee with regard to the compensation of the other executive officers, including the other Named Officers, he did not participate in the committee's deliberations with respect to his own compensation.

**REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE**

The Executive Compensation Committee establishes, administers and reviews DRS's senior management compensation program and policies and recommends the form and amount of compensation to be paid to executive officers. Each member of the Executive Compensation Committee is an independent director as determined by our board of directors, based on the New York Stock Exchange listing rules. However, for purposes of Section 162(m) of the Internal Revenue Code, Mr. Kaplan is not an independent director. The committee's charter is published in the Investor Info/Corporate Governance section of the DRS web site at [www.drs.com](http://www.drs.com).

DRS's senior executive compensation program is intended to attract, retain and motivate key executives critical to the success of our business. The goal of the committee is to develop compensation policies and practices that encourage and reward superior executive performance that will create long-term stockholder value and to encourage those key executives to remain with DRS and to continue to deliver that level of performance. This is accomplished by providing for compensation opportunities that are comparable to those offered by similar companies, rewarding long-term strategic management and the enhancement of stockholder value and creating a performance-oriented environment.

Compensation packages consist of cash, certain benefits and equity-based compensation. We offer competitive base salaries that reflect individual competencies, skills, experience, performance and level of responsibility and that are related to compensation paid by companies in our industry of comparable size and complexity and located in similar geographic areas. Annual bonuses, when given, are linked to the financial performance of DRS and its subsidiaries as a whole, individual job performance, accomplishment of the individual's specified goals and contributions to operational performance, as well as the individual's adherence to high ethical standards as set forth in our *Code of Ethics* and *Code of Business Conduct*, including in dealing with DRS's stakeholders, such as our customers and vendors. Long-term incentives, in the form of stock option grants and grants of restricted stock or restricted stock units, also focus on performance and link executive rewards with growth in stockholder value over time.

The Executive Compensation Committee consulted with Mercer Human Resource Consulting ("Mercer"), an independent compensation consulting firm, to assist in the design, assessment and implementation of the compensation program. The committee reviewed the compensation program with Mercer to determine that our program continues to accomplish our objectives.

With the consultants' guidance, the committee reviewed changes in DRS's and its business units' overall financial results over time, comparing the results with goals identified for both financial and non-financial factors and also reviewed similar data for comparable companies to the extent available. The committee reviewed each executive officer's leadership performance, potential to enhance long-term stockholder value and commitment to fostering a culture of the highest integrity and compliance with applicable law.

*Chief Executive Officer's Compensation*

Mr. Newman's compensation was based on the policies described above. The committee considered the compensation paid to chief executive officers and other members of senior management of comparable companies, as well as Mr. Newman's strategic, financial and leadership skills. Mr. Newman's bonus award for fiscal 2004 was computed on the basis of a formula that applied a weighted performance factor to a target award established for his salary level. The weighted performance factor was derived as a result of Mr. Newman's achievement of certain individual and Company performance targets including, but not limited to, the achievement of a certain level of revenues, operating income, bookings and return on invested capital for fiscal 2004. The committee

## Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

determined that Mr. Newman had continued to successfully lead DRS during an ever-changing and intensely competitive environment, including the integration of a major strategic acquisition that doubled the size of the Company and through implementation of a successful debt offering.

Base salary and bonus awards for the other executive officers were computed by the committee on a basis similar to that used for Mr. Newman, using specific target awards that had been established for each individual's salary level, and considering Mr. Newman's assessment of each officer's accomplishments and performance. In making its determination of salary increases and regular bonus awards the committee considered the advice of Mercer.

DRS's 1996 Omnibus Plan, which has been approved by our stockholders, is designed to give the committee (functioning as the Stock Option Committee under the 1996 Omnibus Plan) the flexibility to make annual long-term incentive awards that are comparable to those found in the marketplace in which DRS competes for executive talent. Stock options link compensation to the future return of DRS's stock on an absolute basis. Such awards are integral components of our compensation packages and are intended to provide executive officers with strong incentive to increase DRS's value. All options awarded to executive officers and other key personnel in fiscal 2004 have an exercise price equal to the closing market price of our common stock on the date of grant and are subject to a four-year vesting schedule.

In addition, a portion of the compensation paid to key personnel during fiscal 2004 was in the form of restricted stock or restricted stock units. Grants of restricted stock or restricted stock units tie the executives' interests to those of stockholders, but do not overly dilute the interests of stockholders. Such grants give executives a direct interest in stockholder returns, and help to retain talent while using fewer shares of stock. In future years, as the accounting treatment for stock-based compensation changes, we believe that the use of restricted shares will better position the Company to reduce expenses while rewarding performance.

Section 162(m) of the Internal Revenue Code limits the deductibility of certain compensation paid to the chief executive officer and the four most highly compensated executive officers (the "covered employees") in excess of the statutory minimum of \$1 million per covered employee. Compensation which is "performance based" is not subject to this statutory minimum on deductibility. The committee's general policy is, where feasible, to structure the compensation paid to the covered employees so as to allow it to be deductible under Section 162(m) of the Code; however, the committee retains the flexibility, where necessary to meet competitive market pressures and promote incentive and retention goals, to pay compensation which may not be so deductible. For fiscal 2004, all of the compensation paid to the covered employees was deductible under Section 162(m).

**REPORT OF THE AUDIT COMMITTEE**

*In accordance with the rules of the SEC, the Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the SEC and shall not be deemed to be incorporated by reference in any of our company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after this filing and irrespective of any general language to the contrary.*

The Audit Committee assists the board in oversight of DRS's accounting, auditing and financial reporting practices. Our function is more fully described in our written charter, which was adopted by the board of directors on May 14, 2003 and amended and restated on May 13, 2004 to be consistent with the provisions of the Sarbanes-Oxley Act of 2002 as well as the corporate governance rules issued by the Securities and Exchange Commission and the New York Stock Exchange, as they relate to audit committee requirements.

The Audit Committee consists of four members, each of whom is independent based on the New York Stock Exchange listing rules. Each member of the committee also satisfies the SEC's additional requirements for members of audit committees. In addition, our board of directors has determined that William F. Heitmann and C. Shelton James are each an "audit committee financial expert," as defined by SEC rules.

Management is responsible for DRS's internal controls and financial reporting process. The independent accountants are responsible for performing an independent examination of DRS's annual consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), and for issuing a report thereon.

In performing our oversight function, we reviewed and discussed the audited consolidated financial statements for the year ended March 31, 2004 with management and the independent auditors. We also discussed with DRS's independent auditors all matters required by the standards of the Public Company Accounting Oversight Board (United States), including those described in Statement on Auditing Standards No. 61, as amended, *Communication with Audit Committees (Codification of Statements on Auditing Standards, AU §380)*, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements.

We obtained from the independent auditors the written disclosures and a formal written statement describing all relationships between the independent auditors and DRS that might bear on the auditors' independence consistent with the requirements of Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. The committee discussed with the auditors any relationships that may have an impact on their objectivity and independence and considered the compatibility of permissible non-audit services with the auditors' independence, and satisfied itself as to the auditors' independence.

Based on the above-mentioned review and discussions with management and the independent auditors as described in this report, and subject to the limitation on the role and responsibilities of the Audit Committee, the committee recommended to the board of directors that the audited consolidated financial statements be included in DRS's Annual Report on Form 10-K for the fiscal year ended March 31, 2004 to be filed with the Securities and Exchange Commission.

### STOCKHOLDERS' PROPOSALS

Any stockholder who desires to submit a proposal for inclusion in the proxy materials for our 2005 annual meeting of stockholders must comply with the requirements concerning both the eligibility of the proponent and the form and substance of the proposal established by applicable law and regulations. We must receive such proposal, directed to DRS's Secretary, 5 Sylvan Way, Parsippany, New Jersey 07054, no later than the close of business on March 4, 2005 or the date that is 120 calendar days prior to the anniversary of the mailing date of this proxy.

The advance notice provisions of the by-laws provide that stockholders are required to give advance notice to us of (i) any stockholder-proposed director nomination or (ii) any business to be introduced by a stockholder at any annual meeting. The advance notice provisions provide that any stockholder entitled to vote in the election of directors generally may nominate one or more persons for election as director or directors at an annual meeting only if written notice of such stockholder's intent has been given to DRS's Secretary not less than 60 days nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting. In the event the annual meeting is called for a date that is not within 30 days before or after such anniversary date, the stockholder's written notice of such intent must be given within 10 days before or after such anniversary date. In the case of a special meeting of stockholders called for the purpose of electing directors, to be timely, a stockholder's notice must be delivered to or mailed and received not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made by us, whichever first occurs. The chairman of the meeting may determine that the nomination of any person was not made in compliance with the advance notice provisions.

The advance notice provisions further provide that, for business to be properly introduced by a stockholder when such business is not specified in the notice of meeting or brought by or at the direction of the board, the stockholder must have given notice not less than 60 nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting of the stockholders. In the event the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the stockholder must be given 10 days before or after such anniversary date. The chairman of the meeting may, if the facts warrant, determine and declare that any business was not properly brought before such meeting and such business will not be transacted.

Under the advance notice provisions, the date by which stockholders were required to give notice to the Company of any stockholder-proposed director nomination or any business to be introduced by a stockholder at the annual meeting was June 7, 2004. For purposes of the 2004 annual meeting, the company determined to extend the deadline until July 6, 2004 by which stockholders are required to give advance notice to the Company of any stockholder-proposed director nomination or any business to be introduced by a stockholder at the 2004 annual meeting.

### OTHER MATTERS

The board is not aware of any business to come before the meeting other than those matters described above in this proxy statement. However, if any other matters should properly come before the meeting, the proxies confer discretionary authority with respect to acting on such other matters, and the persons named in the proxies intend to vote, act and consent in accordance with their best judgment.

### SOLICITATION EXPENSES

We will pay the costs of this solicitation. Proxies will be solicited principally by mail, but our officers and employees may make some telephone or personal solicitations of stockholders. DRS officers or employees who make or assist in such solicitations will receive no compensation for doing so

other than their regular salaries, but may be reimbursed for out-of-pocket expenses in connection with the solicitation. We will request brokers, banks and other custodians or fiduciaries holding shares in their names or in the names of nominees to forward copies of the proxy soliciting materials to the beneficial owners of the shares, and we will reimburse them for their reasonable expenses incurred in doing so.

#### **HOUSEHOLDING INFORMATION**

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker, if your shares are held in a brokerage account, or the Company, if you hold registered shares. You can notify the Company by sending a written request to: 5 Sylvan Way, Parsippany, New Jersey 07054, Attention: Investor Relations Officer.

#### **COPIES OF ANNUAL REPORT TO STOCKHOLDERS**

A copy of our Annual Report on Form 10-K filed with the SEC for our latest fiscal year will be mailed to stockholders entitled to vote at the meeting with these proxy materials and also is available without charge to stockholders upon written request to the Company at: 5 Sylvan Way, Parsippany, New Jersey 07054, Attention: Investor Relations Officer.

**GENERAL**

**UPON RECEIPT OF A WRITTEN REQUEST, WE WILL FURNISH TO ANY STOCKHOLDER WITHOUT CHARGE A COPY OF OUR ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED MARCH 31, 2004 AND THE EXHIBITS THERETO REQUIRED TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED.
