**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On July 15, 2004, NEON announced in a press release attached to NEON's Current Report on Form 8-K filed with the Securities and Exchange Commission on July 28, 2004 (the "Acquisition 8-K") as Exhibit 99.1 announcing the closing of its acquisition of InnerAccess Technologies Inc., a company incorporated under the laws of the province of Quebec, Canada ("InnerAccess"). InnerAccess is a company that develops, markets and licenses web services technology and provides services related to the integration of mainframe data sources with modern distributed computing systems. In connection with the acquisition, NEON and InnerAccess entered into a Combination Agreement dated May 28, 2004 in the form attached to the Acquisition 8-K as Exhibit 2.1, which provided for the amalgamation of InnerAccess, three single-purpose entities holding the majority of the shares of InnerAccess (the "Principal Shareholders"), and NEON's wholly-owned subsidiary, NEON Systems Canada Inc. (the "Amalgamated Entity"). In connection with the amalgamation, the shareholders of InnerAccess and the Principal Shareholders (together, the "InnerAccess Shareholders") exchanged their shares of the capital stock of InnerAccess for (i) class A redeemable shares of the Amalgamated Entity, which entitled such InnerAccess Shareholders to receive \$0.174 per share redeemed by the Amalgamated Entity and (ii) class B redeemable shares of the Amalgamated Entity, which entitled such InnerAccess Shareholder to receive 0.02952 of a share of NEON common stock per share redeemed by the Amalgamated Entity. Upon the full redemption of the redeemable preferred shares, NEON will have paid the InnerAccess Shareholders a total of \$2.4 million dollars in cash purchase price and issued 407,123 shares of NEON common stock in consideration for the acquisition of InnerAccess by NEON.

In addition, NEON has assumed certain special warrants of InnerAccess, which (on a converted basis) represent the right to acquire an additional 19,894 shares of NEON common stock at a cash exercise price equal to \$9.50 per share. In connection with the issuance of the shares of NEON common stock, NEON has also agreed to enter into a registration rights agreement with each former InnerAccess Shareholder in the form attached to the Acquisition 8-K as Exhibit 4.1. Such Registration Rights Agreement grants to each such former InnerAccess Shareholder a right to piggyback on any public offering of NEON shares of common stock during the one year period following the closing of the acquisition of InnerAccess by NEON.

The financial statements required by Rule 3-05 of Regulation S-X and the proforma financial statements required by Article 11 of Regulation S-X are attached hereto as Exhibits 99.2 and 99.3, respectively.
