PROXY STATEMENT

This proxy statement contains information relating to the annual meeting of stockholders of the Company to be held on Wednesday, June 7, 2006, beginning at 11:00 a.m. at the offices of Monster, 5 Clock Tower Place, Maynard, Massachusetts 01754, and at any postponements or adjournments thereof.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, consisting of the election of directors, the ratification of the appointment of BDO Seidman, LLP as our independent registered public accounting firm and, if properly presented at the annual meeting, the consideration of and voting on a stockholder proposal. In addition, management will report on the performance of the Company during 2005 and respond to questions from stockholders. The Board of Directors is not currently aware of any other matters which will come before the meeting.

Proxies for use at the meeting are being solicited by the Board of Directors of the Company. Proxies were mailed to stockholders on or about May 5, 2006 and will be solicited chiefly by mail. The Company will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. Should it appear desirable to do so in order to ensure adequate representation of shares at the meeting, officers, agents and employees of the Company may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile or in person to request that proxies be furnished. All expenses incurred in connection with this solicitation will be borne by the Company. The Company has no present plans to hire special employees or paid solicitors to assist in obtaining proxies, but reserves the option of doing so.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on April 25, 2006, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting, or any postponements and adjournments thereof. If you were a stockholder of record on that date, you will be entitled to vote all of the shares you held on that date at the meeting, or any postponements or adjournments of the meeting.

The Company has two classes of common stock: common stock and Class B common stock. Holders of both common stock and Class B common stock as of the record date will be entitled to participate at the meeting.

What are the voting rights of the holders of common stock and Class B common stock?

Each outstanding share of common stock will be entitled to one vote on each matter acted upon. Each outstanding share of Class B common stock will be entitled to ten votes on each matter acted upon.

On April 25, 2006, there were 123,378,781 shares of common stock outstanding, and 4,762,000 shares of Class B common stock outstanding. Andrew J. McKelvey, our Chairman and CEO, holds all of the Class B common stock which combined with the common stock held by him gives him approximately 32% of the combined voting power of the Company. It is expected that Mr. McKelvey will vote for Proposals No. 1 and No. 2. The Company has not been advised as to how Mr. McKelvey will vote with respect to Proposal No. 3 in the event that proposal is properly presented at the meeting.

What constitutes a quorum?

The presence at the meeting in person or by proxy, of the holders of a majority of the outstanding votes, represented by shares of common stock and Class B common stock as of the record date, will constitute a quorum, permitting the conduct of business at the meeting. As of the record date, 123,378,781 shares of common stock, representing the same number of votes, were outstanding, and 4,762,000 shares of Class B common stock, representing in the aggregate 47,620,000 votes, were outstanding. Thus, the presence of holders representing at least 85,499,391 votes will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be counted for purposes of determining whether a quorum has been attained. Brokers who do not receive stockholder voting instructions are entitled to vote on the election of directors and the ratification of the independent registered public accounting firm. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote or votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. Abstentions have the same effect as votes against the matter.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it in the enclosed return envelope it will be voted as you direct or you may vote by telephone or on the Internet as detailed below. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Can I vote by telephone or electronically?

If you are a registered stockholder (that is, you hold your stock in certificate form), you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card.

If your shares are held in "street name," please check your proxy card and contact your broker or nominee to determine whether you will be able to vote by telephone or electronically. A large number of banks and brokerage firms are participating in ADP Investor Communication Services' online program. This program provides eligible stockholders the opportunity to vote via the Internet or by telephone. Voting forms will provide instructions for stockholders whose bank or brokerage firm is participating in ADP's program. If you vote by telephone or electronically through the Internet, please do not mail your proxy. Stockholders not wishing to vote electronically through the Internet or whose form does not reference Internet or telephone voting information should complete and return the enclosed proxy card.

Signing and returning the proxy card or submitting the proxy via the Internet or by telephone does not affect the right to vote in person at the meeting.

How do I vote my 401(k) Plan shares?

Our 401(k) plan provides participants holding shares of our common stock with pass-through voting. The Trustee of our 401(k) plan, Charles Schwab, votes the shares of our common stock in the 401(k) plan since it is the record holder. Participants in the 401(k) plan receive with their proxy materials instructions for directing how the shares of our common stock allocated to the participant's 401(k) account should be voted. Voting instructions are tabulated by an independent third party, on a confidential basis, and the voting instructions are provided to the Trustee. Shares of our common stock for which no instructions are received or shares of our common stock that have not been allocated to

any participant's account are voted by the Trustee in the same proportion as the shares of our common stock for which voting instructions have been received.

Can I receive more than one set of annual meeting materials?

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Company's proxy statement or annual report to stockholders may have been sent to multiple stockholders in each household. The Company will promptly deliver a separate copy of either document to any stockholder upon written or oral request to the Investor Relations Department of the Company, Monster Worldwide, Inc., 622 Third Avenue, New York, New York 10017, telephone (212) 351-7000. Any stockholder who wants to receive separate copies of the proxy statement or annual report to stockholders in the future, or any stockholder who is receiving multiple copies and would like to receive only one copy per household, should contact the stockholder's bank, broker, or other nominee record holder, or the stockholder may contact the Company at the above address and phone number.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting alone will not by itself revoke a previously granted proxy.

How are nominees for election to our Board of Directors selected?

The purpose of the Nominating Committee of our Board of Directors is to recommend to our Board of Directors individuals as nominees for election to our Board of Directors at the annual meeting of stockholders and to fill any vacancy or newly created directorship on the Board of Directors. The Nominating Committee does not have specific minimum qualifications that must be met by a candidate in order to be considered for nomination to our Board of Directors. In identifying and evaluating nominees for director, the Nominating Committee considers each candidate's experience, integrity, background and skills, as well as other qualities that the candidate may possess and factors that the candidate may be able to bring to the Board of Directors.

The Nominating Committee will consider stockholder nominations as nominees for election to our Board of Directors. In evaluating such nominations, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Any stockholder may suggest a nominee by sending the following information to our Nominating Committee: (i) your name, mailing address and telephone number, (ii) the suggested nominee's name, mailing address and telephone number, (iii) a statement whether the suggested nominee knows that his or her name is being suggested by you, (iv) the suggested nominee's resume or other description of his or her background and experience and (v) your reasons for suggesting that the individual be considered. The information should be sent to the Nominating Committee addressed as follows: Nominating Committee of the Board of Directors, Monster Worldwide, Inc., 622 Third Avenue, New York, New York 10017.

Stockholders who do not wish to follow the foregoing procedure but who wish instead to nominate directly one or more persons for election to the Board of Directors must comply with the procedures established by our by-laws. To be timely, the Company must receive such nomination for the 2007 Annual Meeting at its principal office at 622 Third Avenue, New York, New York 10017 no earlier than February 27, 2007 and no later than March 29, 2007.

Edgar Filing: MONSTER WORLDWIDE INC - Form DEF 14A

All seven of the director nominees identified in this proxy statement currently serve as directors of the Company and all have been recommended by our Nominating Committee to our Board of Directors for re-election. The Company has not paid a fee to any third party for the identification or evaluation of the nominees for our Board of Directors.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote to approve Proposal No. 1, for election of the nominated slate of directors to serve for the ensuing year and to approve Proposal No. 2, for ratification of the appointment of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006. The Board does not make a recommendation with respect to Proposal No. 3, the stockholder proposal, in the event that proposal is properly presented at the meeting. With respect to any other matter that properly comes before the meeting, the proxy holders will vote in accordance with their best judgment.

What vote is required to approve each item?

Election of Directors. The seven nominees receiving the highest number of affirmative votes of the votes cast at the meeting, either in person or by proxy, shall be elected as directors. A properly executed proxy card marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Brokers who do not receive stockholder voting instructions are entitled to vote on the election of directors. Broker non-votes, if any, will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

Ratification of the Appointment of BDO Seidman, LLP as our Independent Registered Public Accounting Firm. The affirmative vote of a majority of the outstanding shares present in person or represented by proxy and entitled to vote is required for the ratification of the appointment of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006. Brokers who do not receive stockholder voting instructions are entitled to vote on the ratification of the independent registered public accounting firm. Broker non-votes, if any, with respect to this matter will be treated as neither a vote "for" nor a vote "against" the matter, and will not be counted in determining the number of votes necessary for ratification. Abstentions from voting by a stockholder present in person or represented by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present in person or represented by proxy at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to ratify the appointment of BDO Seidman, LLP as our independent registered public accounting firm.

Stockholder Proposal. The affirmative vote of a majority of the outstanding shares present in person or represented by proxy and entitled to vote is required to approve Proposal No. 3. Brokers who do not receive stockholder voting instructions are not entitled to vote on Proposal No. 3. Broker non-votes, if any, with respect to this matter will be treated as neither a vote "for" nor a vote "against" the matter, and will not be counted in determining the number of votes necessary for approval. Abstentions from voting by a stockholder present in person or represented by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present in person or represented by proxy at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve Proposal No. 3.

Other Items. Unless otherwise required by the Company's certificate of incorporation, for each other item that may properly come before the meeting, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy entitled to vote on the item will be required for approval.

What is the Company's policy regarding director attendance at annual meetings?

It is the policy of our Board of Directors that directors are encouraged to attend all annual stockholders meetings. All of the members of our Board of Directors attended the 2005 annual meeting of stockholders.

How are directors compensated?

Each of the Company's non-employee directors receives \$35,000 per year for services rendered as a director, plus a per meeting fee of \$1,000 for each meeting of the Board of Directors or a committee of the Board of Directors attended in person or telephonically (limited to a maximum fee of \$3,000 per day), plus reimbursement of expenses incurred in connection with his or her duties as director and life insurance in accordance with the Company's standard life insurance offering for employees. In addition, the chairman of the compensation committee receives an additional \$25,000 per year and the chairman of the audit committee receives an additional \$96,000 per year.

Pursuant to the Company's 1999 Long Term Incentive Plan, each non-employee director of the Company is granted 5,000 shares of common stock upon his or her commencement of service as a non-employee director and each non-employee director who was a non-employee director at, or appointed or elected to, the Board of Directors as a non-employee director at the prior annual meeting is granted 2,500 shares of common stock on the day following each annual meeting. Of the 5,000 shares of common stock granted to non-employee directors upon their commencement of service, 2,500 shares will be vested on the date of grant and the remaining 2,500 shares will vest on the first anniversary of the date of grant. Of the 2,500 shares of common stock granted to non-employee directors on an annual basis, 1,250 shares will become vested on each of the first two anniversaries of the date of grant. In addition, all unvested shares of common stock will immediately vest in full upon a "change in control" (as defined in the 1999 Long Term Incentive Plan) of the Company.

How often did the Board meet during the year ended December 31, 2005?

During the fiscal year ended December 31, 2005, the Board of Directors held seven meetings and acted 15 times by unanimous written consent in lieu of a meeting. In addition, the non-employee directors held four meetings. Each director attended at least 75% of the total number of meetings of the Board and the Committees on which he served.

What committees has the Board established?

The Board of Directors has standing Compensation, Audit and Nominating Committees. Each member of the Compensation, Audit and Nominating Committees has been determined by the Board of the Directors to be "independent" within the meaning of Nasdaq Rule 4200(a)(15) and, in addition, each member of the Audit Committee is "independent" within the meaning of applicable rules and regulations of the Securities and Exchange Commission regarding the independence of audit committee members.

Compensation Committee. The Compensation Committee is charged with recommending to the Board the compensation for the Company's executives and administering the Company's stock incentive and benefit plans. The Compensation Committee is currently composed of Messrs. Kaufman, Gaulding, Kramer and Swann. The charter of the Compensation Committee is available on the Company's website www.monsterworldwide.com. During 2005, the Compensation Committee held ten meetings and acted once by unanimous written consent in lieu of a meeting.

Audit Committee. The Audit Committee is charged with, among other things, the appointment of independent auditors of the Company, as well as discussing and reviewing with the independent auditors the scope of the annual audit and results thereof, pre-approving the engagement of the independent auditors for all audit-related services and permissible non-audit related services, and reviewing and approving all related-party transactions. The Audit Committee also reviews interim financial statements included in the Company's quarterly reports and reviews documents filed with the Securities and Exchange Commission. The Audit Committee is currently composed of Messrs. Kramer, Gaulding and Kaufman. The Board of Directors has determined that each of Messrs. Kramer and Kaufman qualify as an "audit committee financial expert" as defined by Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The charter of the Audit Committee is available on the Company's website www.monsterworldwide.com. During 2005, the Audit Committee met 16 times.

Nominating Committee. The Nominating Committee is charged with assisting the Board in its selection of individuals as nominees for election to the Board at annual meetings of the Company's stockholders and to fill any vacancies or newly created directorships on the Board. The Nominating Committee is currently composed of Messrs. Stein and Swann. The charter of the Nominating Committee is available on the Company's website www.monsterworldwide.com. During 2005, the Nominating Committee met once.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's executive officers and directors, and persons who beneficially own more than ten percent of the Company's common stock, to file initial reports of ownership and reports of changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Executive officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based upon a review of the copies of such forms furnished to the Company and written representations from the Company's executive officers and directors, the Company believes that during fiscal 2005 all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with.

Vote Required

The seven nominees receiving the highest number of affirmative votes of the shares present in person or represented by proxy and entitled to vote for them, a quorum being present, shall be elected as directors. Only votes cast for a nominee will be counted, except that the accompanying proxy will be voted for all nominees in the absence of instruction to the contrary. Broker non-votes and instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 1 ELECTION OF DIRECTORS" TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

AUDIT MATTERS

What services have been provided by the Company's auditors?

The Company incurred professional fees from BDO Seidman, LLP ("BDO"), its principal auditor, and BDO International affiliate firms for the following professional services:

Audit Fees. Fees in the amount of \$3.5 million and \$3.8 million in 2005 and 2004, respectively, related to the audits of the Company's annual financial statements and internal controls; the review of the interim financial statements included in the Company's quarterly reports; the review of documents filed with the Securities Exchange Commission; and fees for statutory audits required internationally.

Audit-Related Fees. Fees in the amount of \$0.2 million and \$0.4 million in 2005 and 2004, respectively, primarily related to the audits of the Company's employee benefit plan, due diligence related to mergers and acquisitions and accounting consultation.

Tax Fees. Fees in the amount of \$0.3 million and \$0.5 million in 2005 and 2004, respectively, related to professional services rendered for tax compliance, tax advice and tax planning.

All Other Fees. The Company did not incur such fees in 2005 or 2004.

The Company's Audit Committee has determined that the non-audit services provided by the Company's auditors in connection with the year ended December 31, 2005 were compatible with the auditors' independence.

Pre-Approval Policies

The Audit Committee pre-approves all audit and non-audit services provided by our independent auditors prior to the engagement of the independent auditors with respect to such services. With respect to audit services and permissible non-audit services not previously approved, the Audit Committee has authorized the Chairman of the Audit Committee to approve such audit services and permissible non-audit services, provided the Chairman informs the Audit Committee of such approval at its next regularly scheduled meeting. All "Audit Fees," "Audit-Related Fees" and "Tax Fees" set forth above were pre-approved by the Audit Committee in accordance with its pre-approval policy.

Report of Audit Committee

The Audit Committee of the Board of Directors of the Company serves as the representative of the Board of Directors for general oversight of the Company's financial accounting and reporting process, system of internal controls, audit process, and process for monitoring compliance with laws and regulations. Each of the members of the Audit Committee is independent, as defined under the listing standards of The Nasdaq National Market and in accordance with the applicable rules and regulations of the Securities and Exchange Commission. The Audit Committee operates under a written charter adopted by the Board of Directors that was originally adopted in 2000 and was amended in 2003.

Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles in the United States of America. The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. The Committee's responsibility is to oversee and review these processes. The Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations, or generally accepted accounting principles in the United States of America or as to auditor independence. The Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditors.

Edgar Filing: MONSTER WORLDWIDE INC - Form DEF 14A

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met 16 times during 2005.

In overseeing the preparation of the Company's financial statements, the Committee met with both management and the Company's outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)* and *No. 90 (Audit Committee Communications)*.

With respect to the Company's outside auditors, the Committee, among other items, discussed with BDO Seidman, LLP, matters relating to BDO Seidman, LLP's independence, including the disclosures made to the Committee as required by the *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

Finally, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program, including proposals for adequate staffing and to strengthen internal procedures and controls where appropriate.

On the basis of these reviews and discussion, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Report of the Compensation Committee on Executive Compensation

The Compensation Committee was formed in September 1996 and currently consists of Messrs. Kaufman, Gaulding, Kramer and Swann, each of whom is an "independent" director within the meaning of Nasdaq Rule 4200(a)(15). The Compensation Committee is charged with recommending to the Board of Directors the compensation for the Company's executives and administering the Company's stock incentive and benefit plans.

What is the Company's philosophy of executive compensation?

The Company believes that executive compensation should be closely related to increased stockholder value. One of the Company's strengths contributing to its successes is a strong management team, many of whom have been with the Company for a number of years. The compensation program is designed to enable the Company to attract, retain and reward capable employees who can contribute to the continued success of the Company, principally by linking portions of compensation with the attainment of key business objectives. Equity participation and a strong alignment to stockholders' interests are key elements of the Company's compensation philosophy. Accordingly, the Company's executive compensation program is designed to provide competitive compensation, support the Company's strategic business goals and reflect the Company's performance.

The compensation program reflects the following principles:

Compensation should encourage increased stockholder value.

Compensation programs should support the short- and long-term strategic business goals and objectives of the Company.

Compensation programs should reflect and promote the Company's values and reward individuals for outstanding contributions toward business goals.

Compensation programs should enable the Company to attract and retain highly qualified professionals.

The Company's executive compensation is comprised of two components, base salary and incentives, each of which is intended to serve the overall compensation philosophy.

Base Salary. The Company's salary levels are intended to be consistent with competitive pay practices and level of responsibility, with salary increases reflecting competitive trends, the overall financial performance and resources of the Company, general economic conditions as well as a number of factors relating to the particular individual, including the performance of the individual executive, and level of experience, ability and knowledge of the job.

Incentives. Incentives generally consist of stock options, restricted stock grants, restricted stock unit grants and cash awards paid to the Company's senior and middle management executives. Non-guaranteed portions of bonuses payable to senior executives are generally tied to the overall performance of the Company.

The Committee strongly believes that the pay program should provide key employees with an opportunity to increase their ownership and potentially gain financially from Company stock price increases. By this approach, the best interests of stockholders, executives and key employees will be closely aligned. Therefore, executives and other key employees are eligible to receive stock options, giving them the right to purchase shares of common stock of the Company at a specified price in the future, grants of restricted stock and grants of restricted stock units. The grant of options, restricted stock and restricted stock units is based in large part on a key employee's potential contribution to the Company's growth and profitability, based on the Committee's discretionary evaluation. Options are

granted at the prevailing market value of the Company's common stock and will only have value if the Company's stock price increases. Awards of restricted stock and restricted stock units are frequently based on the Company's attainment of specified performance-based criteria. If the performance-based criteria are not met, a reduced portion or no restricted stock or restricted stock units may be awarded. Generally, grants of options, restricted stock and restricted stock units vest over a period of time and executives must be employed by the Company for such options, restricted stock and restricted stock units to vest. The Committee has determined to make greater use of restricted stock and restricted stock units in delivering annual long-term awards and also has determined to deemphasize the grant of stock options.

How is the Company's Chief Executive Officer compensated?

As Chief Executive Officer and Chairman of the Board, Mr. McKelvey is compensated pursuant to an employment agreement, effective as of November 15, 1996, as amended. The agreement continues through May 17, 2007 and provides for automatic renewal for successive one-year periods unless prior written notice is given by either party. The agreement provides Mr. McKelvey with a base salary of \$1,000,000 and provides that he is eligible to receive bonuses, stock or stock options in the Compensation Committee's sole discretion. Mr. McKelvey's bonus of \$1,800,000 paid in 2006, was based on the Company meeting certain earnings per share goals during the 2005 calendar year; \$1,000,000 of such bonus was paid in cash and \$800,000 was paid pursuant to a grant of 16,782 fully vested shares of the Company's common stock, 7,636 shares of which were withheld to satisfy tax and other withholding obligations.

The aggregate compensation of Mr. McKelvey was deemed appropriate by the Compensation Committee considering the overall performance of the Company and Mr. McKelvey.

Section 162(m) of the Code generally limits to \$1,000,000 the annual income tax deduction for certain "non-performance based" compensation paid to the chief executive officer or any of the four other highest paid officers of a publicly held corporation. The Company's 1999 Long Term Incentive Plan permits the grant of several types of awards. Some will qualify for the exception to the deduction limitation for performance-based compensation and others may not qualify for the exception. In general, the Compensation Committee wishes to structure performance-based awards in a way that will preserve the deductibility of compensation under such awards. The Compensation Committee may from time to time approve awards which would not qualify for the performance-based compensation exception. It is not anticipated that loss of deduction, if any, for compensation realized by any executive officer under the Company's existing compensation plans will be material.

The Compensation Committee believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate business goals and stockholder value. The Committee believes its compensation practices are directly tied to stockholder returns and linked to the achievement of annual and longer-term financial and operational results of the Company on behalf of the Company's stockholders. In view of the Company's performance and achievement of goals and competitive conditions, the Compensation Committee believes that compensation levels during 2005 adequately reflect the Company's compensation goals and policies.

Further, in the event that Mr. Camara's employment is not renewed by the Company or is terminated by the Company for any reason other than "cause", the Company has agreed to make available to Mr. Camara, certain medical and dental benefits. The agreement also provides that Mr. Camara will not to compete with the Company for a period of five years after the termination of his employment with the Company.

At December 31, 2005, Mr. Baker held 50,000 shares of restricted stock at an aggregate dollar value of \$2,041,000 based on the Company's closing stock price on that date of \$40.82 per share. These restricted shares of common stock, once issued by the Company, are eligible to receive dividends, when and if declared.

Option Grants for 2005

Certain Relationships and Related Transactions

Through May 2, 2005, Messrs. McKelvey, Eisele and Camara had approximately 69.4%, 10% and 5% interests, respectively, in International Drive, L.P., the lessor of the Company's then 48,000 square foot office in Mt. Olive, New Jersey. The Company's rent for this space was approximately \$46,200 per month. This lease was terminated on May 2, 2005 in connection with the disposition of the Company's TMP Direct direct marketing business, and the Company no longer occupies this space.

The Company periodically pays for its use of an aircraft which through December 31, 2003 was owned by a company controlled by Mr. McKelvey. Mr. McKelvey has advised the Company that on December 31, 2003, Mr. McKelvey sold such holding company to General Yellow Pages Consultants, Inc. d/b/a The Marquette Group ("The Marquette Group") but Mr. McKelvey continues to have obligations to a third party lender with respect to the aircraft.

On June 17, 2003, the Company entered into a contract with a third party chartering company unaffiliated with the Company, Mr. McKelvey or The Marquette Group which governs the Company's use of the plane. That charter agreement provided the Company with up to 200 charter hours of flight time annually at a rate of \$4,500 per hour. The charter agreement was not effected by the December 31, 2003 sale by Mr. McKelvey of the holding company which owned the plane. Effective February 5, 2005, the Company entered into an amendment to the charter agreement with such third party chartering company which provides the Company with up to 150 charter hours of flight time annually at a rate of \$6,000 per hour. On April 29, 2005, the Company gave notice of termination to the chartering company. On the same day, the Company entered into a new charter agreement, on substantially the same terms as the terminated contract, with a different third party chartering company unaffiliated with the Company, Mr. McKelvey or The Marquette Group. The new charter agreement provides the Company with up to 150 charter hours of flight time annually at a rate, through December 31, 2005, of \$6,000 per hour. Effective January 1, 2006, the Company entered into an amendment to the new charter agreement with such third party chartering company which provides the Company with up to 150 charter hours of flight time annually at a rate of \$8,000 per hour. The charter agreement automatically renews for one year terms unless terminated by either party by written notice at least 30 days before the expiration of the agreement. For calendar 2005, the Company paid approximately \$1,024,461 for its use of such plane.

On October 5, 2004, the Company entered into a Stock Purchase Agreement with The Marquette Group and US Motivation, Inc., the Company's wholly-owned subsidiary. Pursuant to the terms of this Agreement, the Company sold all of the issued and outstanding capital stock of US Motivation to The Marquette Group in exchange for a net cash payment of Ten Million Dollars (\$10,000,000), subject to a post-closing adjustment of \$1,800,000 which was paid to the Company in 2005.

Stuart McKelvey served as President Directional Marketing, Monstermoving of the Company through June 1, 2005 when such division was sold to a third party. Stuart McKelvey is the son of Andrew J. McKelvey, the Company's Chairman of the Board and CEO. As compensation for his employment from January 1, 2005 through June 1, 2005, Stuart McKelvey received base salary of \$161,700 and a bonus of \$110,000 from the Company. Neither the Company nor any of its subsidiaries has any obligation to Stuart McKelvey with respect to his continued employment. Stuart McKelvey is employed by the third party buyer of the Directional Marketing business and invested \$250,000 of his own money into the sold business, for a 1.5% equity interest. In addition, Stuart McKelvey also has the ability, subject to business performance and time-based vesting, to receive up to a 7.5% interest in the sold Directional Marketing business. On May 4, 2005, the Compensation Committee of the Company's Board of Directors approved the modification of most at or out-of-the-money options held by employees of the Company's Directional Marketing business so that following the sale of such business such options will generally remain exercisable until the latest of specified dates, including the date

which is six months after the holder's last day of employment with the purchaser of the business. 204,758 options held by Stuart McKelvey were so modified.

David Farrey serves as an operations analyst in the Company's network operations group. David Farrey is the brother of Brian Farrey, the Company's President, Monster Worldwide Technologies. As compensation for his employment during 2005, Mr. David Farrey received approximately \$62,550 from the Company.

The Company entered into a Stock Purchase Agreement on May 2, 2005 with GECKO Inc., an entity owned 65% by George Eisele. Pursuant to the Agreement, the Company sold to GECKO Inc. all of the issued and outstanding capital stock of three of the Company's wholly-owned subsidiaries which together constituted the Company's TMP Direct business unit, a direct marketing business. The total consideration for the transaction was \$2,500,000 payable at closing plus an amount payable on May 2, 2006 equal to 50% of TMP Direct's working capital as of the closing. George Eisele and another individual shareholder of GECKO Inc. personally guaranteed the May 2, 2006 payment obligation of GECKO Inc. In connection with this transaction, the Company entered into a sublease with GECKO Inc. for certain office space located at 7800 West Brown Deer Road, Milwaukee, Wisconsin 53223. The monthly base rent under such sublease was \$6,000 through October 31, 2005 at which time the sublease was renewed for an additional eighteen month term at a monthly base rent of \$6,000 for the first six months of the renewal term and at a monthly base rent of \$6,350 for the final twelve months of the renewal term. From and after the closing of this transaction, the Company's obligations under the Mt. Olive, New Jersey lease described above were terminated. The Company and GECKO Inc. also entered into a license agreement, dated May 2, 2005, permitting GECKO Inc. to use the Company's "globe logo" mark until November 2, 2005.

The Company believes that all of the above transactions with the aforementioned directors and executive officers were made on terms no less favorable to the Company than would have been obtained from unaffiliated third parties.

Mr. McKelvey has advised the Company that he (i) received a \$3,000,000 interest-free personal loan in 2002 from The Marquette Group, then a directional marketing competitor of the Company, and (ii) repaid such loan in full during the first quarter of 2004. Mr. McKelvey inadvertently violated a Company personnel policy by not getting prior approval for this loan. From 1997 through June 1, 2005, the Company also provided The Marquette Group with various yellow pages ordering, billing and back office services. For such services rendered in 2005, 2004 and 2003, the Company was paid approximately \$118,000, \$284,000 and \$299,000, respectively. Mr. McKelvey has advised the Company that (i) in 1996 (prior to the Company's initial public offering), Mr. McKelvey loaned \$1,000,000 to an individual in connection with this individual's acquisition of The Marquette Group, (ii) this loan was subsequently assumed by The Marquette Group's current owner in 1998, and (iii) this loan has been repaid.

PERFORMANCE GRAPH

The above graph compares the performance of the Company from December 31, 2000 through December 31, 2005, against the performance of (i) the Standard & Poor's 500 Composite Index and (ii) the Company's Peer Group (SIC Code Index) for the same period. The companies included in the Company's Peer Group are Adsouth Partners, Inc., Catalina Marketing Corp., Dialog Group, Inc., EMAK Worldwide, Inc., Focus Media Holding Limited, Havas, Interpublic Group of Companies, Inc., Lamar Advertising Co., MDC Partners Inc., Omnicom Group, Inc., Publicis Groupe SA Ads, Purchase Point Media Corporation, Valueclick Inc. and WPP Group plc.

PROPOSAL NUMBER 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed BDO Seidman, LLP as the independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2006. BDO Seidman, LLP has been the independent registered public accounting firm for the Company since November 15, 1992. During 2005, BDO Seidman, LLP served as our independent registered public accounting firm and also provided certain tax and other audit-related services. See "Audit Matters" on page 10. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interest of the Company and its stockholders. If the appointment is not ratified by our stockholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of BDO Seidman, LLP will be present (either in person or by telephone) at the 2006 annual meeting and will have an opportunity to make a statement if he or she desires to do so, and will respond to appropriate questions from stockholders.

Vote Required

The affirmative vote of a majority of the outstanding shares of common stock of the Company present in person or represented by proxy at the 2006 annual meeting and entitled to vote is required for the approval of the ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. Brokers who do not receive stockholder voting instructions are entitled to vote on the ratification of the independent registered public accounting firm. Broker non-votes, if any, with respect to this matter will be treated as neither a vote "for" nor a vote "against" the matter and will not be counted in determining the number of votes necessary for approval, although they will be counted in determining if a quorum is present. However, abstentions will be considered in determining the number of votes required to attain a majority of the shares present in person or represented by proxy at the meeting entitled to vote. Accordingly, an abstention from voting by a stockholder present in person or represented by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present in person or represented by proxy at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 2 "RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED ACCOUNTING FIRM" TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL NUMBER 3
STOCKHOLDER PROPOSAL BOARD DIVERSITY

The Company is informed that Domini Social Investments, with the co-sponsorship of the Board of Pensions of the Evangelical Lutheran Church in America, whose address and stock ownership will be furnished promptly upon receipt of any oral or written requests therefor, intends to introduce at the 2006 annual meeting the following proposal:

In accordance with Federal securities laws, the stockholder proposal and supporting statement is presented exactly as submitted by the stockholders and is quoted verbatim. The Company disclaims all responsibility for the content of the proposal.

"WHEREAS

Monster Worldwide, Inc. currently has a distinguished board of seven persons, all of whom are white males;

We note that only a relatively small number of S&P 500 companies have all white male boards. We believe that many publicly held corporations have benefited from the perspectives brought by many well-qualified board members who are women or minority group members;

Recent corporate scandals resulted in the enactment of the Sarbanes-Oxley Act and both the stock exchanges and the SEC have taken actions to enhance the independence, accountability and responsiveness of corporate boards, including requiring greater board and committee independence;

We believe that in order to enhance such independence it is necessary for corporations to aggressively seek diversity by gender, age and race among their board candidates. Several leading corporations (including JPMorganChase, Coca-Cola Co., Johnson & Johnson, Pfizer, Procter and Gamble and TimeWarner) have included their commitment to board diversity (by gender and race) in the charter for their nominating committee. We believe that the judgment and perspectives offered from deliberations of a diverse board of directors improve the quality of corporate decision making and will enhance business performance by enabling a company to respond more effectively to the needs of customers worldwide;

According to Connecticut State Treasurer Denise Nappier, principal fiduciary of the 20 billion Connecticut Retirement and Trust Funds, "I regard diversity as key to the functioning of an effective board. In a complex global market you need to pick from the largest pool of talent available to you." We believe that Treasurer Nappier's point is particularly relevant for our Company, a leading job recruiting firm with operations in 19 countries. We believe that a diverse board would provide valuable perspectives that would help our Company better understand the global job market, and more effectively compete within that market;

We urge the Board to enlarge its search for qualified members by casting a wider net;

We believe that our Board should take every reasonable step to ensure that women and persons from minority racial groups are in the pool from which Board nominees are chosen; therefore be it

RESOLVED that the shareholders request the Board:

1. In connection with its search for suitable Board candidates, to ensure that women and persons from minority racial groups are among those it considers for nomination to the Board.
2. To publicly commit itself to a policy of board inclusiveness, including steps to be taken and a timeline for implementing that policy.
3. To report to shareholders, at reasonable expense (and omitting proprietary information) by September 2006:
 - a. On its efforts to encourage diversified representation on the board,
 - b. Whether, in the nominating committee's charter or its procedures, diversity is included as a criterion in selecting the total membership of the Board."

Vote Required

If the stockholders or their respective representatives, who are qualified under Delaware law, are present at the annual meeting and submit their proposal for a vote, the stockholder proposal will be voted on at the annual meeting. The affirmative vote of a majority of the outstanding shares of common stock of the Company present in person or represented by proxy at the 2006 annual meeting and entitled to vote is required for the approval of Proposal No. 3. Broker non-votes with respect to

this matter will be treated as neither a vote "for" nor a vote "against" the matter and will not be counted in determining the number of votes necessary for approval, although they will be counted in determining if a quorum is present. However, abstentions will be considered in determining the number of votes required to attain a majority of the shares present in person or represented by proxy at the meeting entitled to vote. Accordingly, an abstention from voting by a stockholder present in person or represented by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present in person or represented by proxy at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

THE BOARD OF DIRECTORS DOES NOT MAKE A RECOMMENDATION WITH RESPECT TO PROPOSAL NO. 3.

CORPORATE GOVERNANCE CODE OF BUSINESS CONDUCT AND ETHICS

The Secretary will forward such communications to the Board of Directors or the specified individual director to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding such communication.
