PROPOSED MERGER YOUR VOTE IS VERY IMPORTANT

Dear Stockholder:

You are cordially invited to attend a special meeting of stockholders of Forestar Group Inc., which we refer to as "Forestar" or the "Company," to be held on October 3, 2017, at 9:00 a.m. (Central time), at 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746.

At the special meeting, you will be asked to consider and vote upon (1) a proposal to adopt the Agreement and Plan of Merger, dated as of June 29, 2017, as it may be amended from time to time (which we refer to as the "Merger Agreement"), among D.R. Horton, Inc. (which we refer to as "D.R. Horton"), Force Merger Sub, Inc. (which we refer to as "Merger Sub"), a wholly owned subsidiary of D.R. Horton, and Forestar, pursuant to which Merger Sub will merge with and into Forestar (which we refer to as the "merger") and Forestar will continue as the surviving entity in the merger; (2) a non-binding advisory proposal to approve specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger; and (3) a proposal to adjourn the special meeting, if necessary or appropriate, including to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement.

If the merger is completed, for each existing share of common stock, par value \$1.00 per share, of Forestar (which we refer to as "Forestar common stock") that you own, unless you have properly exercised your appraisal rights with respect to such shares, you will be entitled to elect to receive \$17.75 in cash (which we refer to as the "cash consideration"), without interest and less applicable withholding taxes, or one new share of Forestar common stock (which we refer to as the "stock consideration"), subject to proration such that D.R. Horton will buy approximately 75% of the new shares of Forestar common stock for cash. Forestar will remain a public company following completion of the merger.

Forestar's board of directors has unanimously determined that the Merger Agreement and the transactions contemplated by the Merger Agreement are advisable, fair to and in the best interests of Forestar and its stockholders, and approved and declared advisable the Merger Agreement and the transactions contemplated by the Merger Agreement. Forestar's board of directors unanimously recommends that you vote (i) "FOR" the proposal to adopt the Merger Agreement, (ii) "FOR" the proposal to approve, by non-binding advisory vote, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger and (iii) "FOR" the proposal to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger

Agreement.

The enclosed proxy statement/prospectus provides detailed information about the special meeting, the Merger Agreement and the merger. A copy of the Merger Agreement is attached as Annex A to the proxy statement/prospectus. The proxy statement/prospectus also describes the actions and determinations of Forestar's board of directors in connection with its evaluation of the Merger Agreement and the merger. We encourage you to read the proxy statement/prospectus and its annexes, including the Merger Agreement, carefully and in their entirety. You should also carefully consider the risks that are described in the section entitled "*Risk Factors*" beginning on page 16. You may also obtain more information about Forestar from documents we file with the Securities and Exchange Commission from time to time.

Whether or not you plan to attend the special meeting in person, please complete, sign, date and return, as promptly as possible, the enclosed proxy card in the accompanying prepaid reply envelope or grant your proxy electronically over the internet or by telephone. If you attend the special meeting and vote in person by ballot, your vote will revoke any proxy that you have previously submitted. If you hold your shares in "street name," you should instruct your broker how to vote in accordance with the voting instruction form you will receive from your broker, bank or other nominee.

Your vote is very important, regardless of the number of shares that you own. We cannot complete the merger unless the proposal to adopt the Merger Agreement is approved by the affirmative vote of the holders of a majority of the outstanding shares of Forestar common stock entitled to vote thereon. Failure to complete, sign, date and return a signed proxy card, grant a proxy electronically over the internet or by telephone or to vote in person by ballot at the special meeting will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement. If you hold your shares in "street name," the failure to instruct your broker, bank or other nominee on how to vote your shares will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement.

If you have any questions or need assistance voting your shares of Forestar common stock, please contact D. F. King & Co., Inc., our proxy solicitor, by calling 800-290-6431 toll-free.

Thank you for your support of Forestar.

Sincerely,

James A. Rubright
Chairman of the Board

Neither the Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved of the transactions described in this document, including the merger, or determined if the information contained in this document is accurate or adequate. The accompanying proxy statement/prospectus is dated August 25, 2017 and, together with the enclosed form of proxy card, is first being mailed to Forestar stockholders on or about August 28, 2017.

1. to adopt the Agreement and Plan of Merger, dated as of June 29, 2017, as it may be amended from time to time, among D.R. Horton, Inc., Force Merger Sub, Inc. and Forestar;
2. to approve, on a non-binding advisory basis, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger contemplated by the Merger Agreement; and
3. to approve the adjournment of the special meeting, if necessary or appropriate, including to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement.

Failure to complete, sign, date and return a signed proxy card, grant a proxy electronically over the internet or by telephone or to vote in person by ballot at the special meeting will result in your shares of Forestar common stock not being counted for purposes of determining whether a quorum is present at the special meeting and will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement. For more information concerning the special meeting, the Merger Agreement and the merger, please review the accompanying proxy statement/prospectus and the copy of the Merger Agreement attached as Annex A thereto.

Only stockholders of record as of the close of business on August 21, 2017 are entitled to notice of the special meeting and to vote at the special meeting or at any adjournment or postponement thereof. QUESTIONS AND ANSWERS ABOUT THE FORESTAR SPECIAL MEETING

The following questions and answers are intended to address briefly some commonly asked questions regarding the special meeting, the Merger Agreement and the transactions contemplated thereby. These questions and answers may not address all questions that may be important to you as a Forestar stockholder. Please refer to the "Summary" section and the more detailed information contained elsewhere in this proxy statement/prospectus, the annexes to this proxy statement/prospectus and the other documents referred to in this proxy statement/prospectus, all of which you should read carefully.

Q: Why am I receiving this proxy statement/prospectus?

A: On June 29, 2017, Forestar and D.R. Horton entered into the Merger Agreement providing for the merger of Merger Sub with and into Forestar, with Forestar surviving the merger. You are receiving this proxy statement/prospectus in connection with the solicitation of proxies by Forestar's board of directors (which we refer to as the "Board") in favor of the proposal to adopt the Merger Agreement and to approve the other proposals to be voted on at the special meeting.

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of approximately 75% of Forestar's common stock by D.R. Horton through the merger pursuant to the Merger Agreement. Following the effective time of the merger, as a result of the merger, D.R. Horton will own approximately 75% of Forestar common stock and Forestar stockholders immediately prior to the merger will own approximately 25% of Forestar common stock.

In connection with the execution of the Merger Agreement, Forestar and D.R. Horton entered into a Stockholder's Agreement (which we refer to as the "Stockholder's Agreement") and a Master Supply Agreement (which we refer to as the "Master Supply Agreement"), each dated as of June 29, 2017, each of which will become effective at the effective time of the merger. The Stockholder's Agreement establishes, among other things, certain rights of the Company and D.R. Horton concerning the corporate governance of the Company following completion of the merger, restrictions on transfers and acquisitions of new shares of Forestar common stock held by D.R. Horton and its affiliates, preemptive rights and registration rights for new shares of Forestar common stock, and allocation of corporate opportunities between the Company and D.R. Horton. For more information, see the section entitled "*The Stockholder's Agreement*." The Master Supply Agreement establishes a strategic relationship between the Company and D.R. Horton for the supply of developed lots following completion of the merger. Under the Master Supply Agreement, the Company will, and D.R. Horton may, present lot development opportunities that it desires to develop to the other party, subject to certain exceptions. The parties will collaborate with respect to such opportunities and, if they elect to develop such opportunities, D.R. Horton will have a right of first refusal to acquire some or all of the lots developed by the Company, as set forth in the Master Supply Agreement, on market terms as determined by the parties. For more information, see the section entitled "*The Master Supply Agreement*."

Q: What will I receive in the merger?

A: If the merger is completed, each share of common stock, par value \$1.00 per share, of Forestar ("Forestar common stock") will be converted into the right to receive, either

an amount in cash equal to \$17.75 (the "cash consideration"), or

one new share of Forestar common stock (the "stock consideration"),

in each case at the election of the applicable Forestar stockholder, subject to proration procedures applicable to oversubscription and undersubscription for the cash consideration described below,

Table of Contents

which, as described below, may result in a Forestar stockholder not receiving the form of merger consideration that such stockholder elects. We refer to the cash consideration and the stock consideration as the "merger consideration."

The Company will not issue any fractional shares of Forestar common stock in the merger, and the paying agent will round amounts of the cash consideration and the stock consideration, as provided in the Merger Agreement.

The Merger Agreement provides that the aggregate cash consideration is fixed at \$558,256,373 (which we refer to as the "cash component").

Each Forestar stockholder may elect to receive the cash consideration or the stock consideration, or, to the extent the stockholder holds multiple shares, a combination of the two (for example, a Forestar stockholder who holds 100 shares of Forestar common stock could make a cash election with respect to 50 shares and a stock election with respect to the other 50 shares), in exchange for shares of Forestar common stock. Please note that Forestar stockholders will not be receiving any interest in D.R. Horton or D.R. Horton's common stock in connection with the merger or the other transactions described in this proxy statement/prospectus.

Q:
Will Forestar stockholders receive the form of consideration they elect?

A:
A Forestar stockholder may not receive the form of consideration that such stockholder elects in the merger. The proration and adjustment procedures in the Merger Agreement will result, regardless of the elections made, in the aggregate cash consideration being equal to the cash component (i.e., \$558,256,373). Accordingly, the number of shares of Forestar common stock to be converted into the right to receive the cash consideration (which we refer to as the "cash conversion number") will be determined by dividing the cash component by the per share cash consideration (resulting in a cash conversion number of 31,451,063), and the balance of the shares will be converted into the right to receive the stock consideration. Pursuant to proration and adjustment procedures in the Merger Agreement, if the number of shares of Forestar common stock for which a cash election has been made exceeds the cash conversion number, a pro rata portion of all those shares for which a cash election has been made will instead be converted into the right to receive the stock consideration. Similarly, if the number of shares of Forestar common stock for which a cash election has been made is less than the cash conversion number, a pro rata portion of all the shares of Forestar common stock for which a stock election has been made will instead be converted into the right to receive the cash consideration. In each case, outstanding shares of Forestar common stock with respect to which no election has been made (i.e., "non-election" shares) will be converted to the undersubscribed form of merger consideration first. To the extent there is an increase, if any, in the number of outstanding shares of Forestar common stock between the date of the Merger Agreement and the effective time of the merger (to the extent permitted by the Merger Agreement), the aggregate number of shares issued as stock consideration will be increased accordingly, but the aggregate amount of the cash component will not change. The allocation of the consideration payable to Forestar stockholders in the merger will not be known until the results of the merger consideration elections made by Forestar stockholders are tallied, which will not occur until near the closing of the merger. See the section entitled "*The Merger Agreement Merger Consideration.*"

Q:
How will Forestar stockholders make their election to receive either the cash consideration or the stock consideration in the merger?

A:
An election form has been mailed to each holder of record of Forestar common stock as of the record date for the special meeting together with this proxy statement/prospectus. The election deadline is expected to be 5:00 p.m. New York time on the date that is six business days before the expected closing date of the merger (which we refer to as the "closing date"). Forestar will use

Table of Contents

reasonable best efforts to make an election form available to each Forestar stockholder who requests such form before the election deadline. Each Forestar stockholder should complete and return the election form, together with any Forestar stock certificate(s) (or a properly completed notice of guaranteed delivery), or, in the case of uncertificated shares, all additional documents specified in the instructions included with the election form.

If you own shares of Forestar common stock in "street name" through a bank, broker or other nominee and you wish to make an election, you should seek instructions from the bank, broker or other nominee holding your shares concerning how to make an election. If the paying agent does not receive the election form, together with any Forestar stock certificate(s) (or a properly completed notice of guaranteed delivery) or, in the case of uncertificated shares, all additional documents specified in the instructions included with the election form, by the election deadline, you will be treated as though you did not make an election.

You may change your election by delivering a later dated election form before the election deadline. You may revoke your election by written notice of revocation before the election deadline.

None of Forestar, the Board or D.R. Horton makes any recommendation about whether any Forestar stockholder should make an election to receive the cash consideration, the stock consideration or, if electing for multiple shares, a combination of the two, or no election. Each holder of shares of Forestar common stock must make his or her own decision about whether to make an election and, if so, what election to make.

Q: What happens if a Forestar stockholder does not make a valid election to receive either the cash consideration or the stock consideration?

A: If the paying agent does not receive a properly completed election form from a Forestar stockholder, together with any Forestar stock certificate(s) (or a properly completed notice of guaranteed delivery) or, in the case of uncertificated shares, all additional documents specified in the instructions included with the election form, by the election deadline specified in the instructions included with the election form, such stockholder's shares of Forestar common stock will be considered "non-election" shares and will be converted into the right to receive the stock consideration or the cash consideration according to the allocation procedures specified in the Merger Agreement. Generally, in the event one form of merger consideration (i.e., cash or new shares of Forestar common stock) is undersubscribed, shares of Forestar common stock for which no election was validly made will be allocated to that form of merger consideration pursuant to the proration and adjustment procedures. Although electing one form of merger consideration will not guarantee that you will receive that form of merger consideration for all of your shares of Forestar common stock, in the event proration is necessary, electing shares will be allocated the undersubscribed form of merger consideration only after such form of merger consideration is allocated to "non-election" shares.

Q: What will happen to Forestar's outstanding equity awards?

A: For information regarding the treatment of Forestar's outstanding equity awards, see the section entitled "*The Merger Agreement Treatment of Forestar Equity Awards.*"

Table of Contents

Q: Who is entitled to vote at the special meeting?

A: All shares of Forestar common stock owned by you as of the record date, which is the close of business on August 21, 2017, may be voted by you. You may cast one vote per share of Forestar common stock that you held on the record date. These shares include shares that are:

held directly in your name as the stockholder of record; and

held for you as the beneficial owner through a broker, bank or other nominee.

On the record date, there were 41,934,751 shares of Forestar common stock issued and outstanding.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Stockholders of Record. If your shares of Forestar common stock are registered directly in your name with Forestar's transfer agent, Computershare, you are considered the stockholder of record with respect to those shares, and this proxy statement/prospectus was sent directly to you by Forestar. As the stockholder of record, you have the right to grant your voting proxy directly to certain officers of Forestar or to vote in person at the special meeting.

Beneficial Owner. If your shares of Forestar common stock are held in an account at a broker, bank or other nominee, like many of our stockholders, you are considered the beneficial owner of shares held in street name, and this proxy statement/prospectus was forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares, and you are also invited to attend the special meeting, although only your broker, bank or other nominee will have the right to vote your shares at the special meeting, and only to the extent you have previously instructed it to do so.

Q: What must I do if I want to attend the special meeting in person?

A: Attendance at the special meeting is limited to individuals who were Forestar stockholders as of the record date. Registration and seating will begin at 8:30 a.m. (Central time). Each stockholder will be asked to present proof of identification, such as a driver's license or passport, prior to admission to the special meeting. Beneficial owners of shares held in "street name" will need to bring proof of share ownership as of the record date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the special meeting.

Q: If I am a stockholder of record of shares of Forestar common stock, how do I vote?

A: If you are a stockholder of record, there are four ways you can vote or have your shares voted by submitting a proxy:

by submitting a proxy via the internet, at the internet address provided on the proxy card;

by submitting a proxy by telephone, by calling 800-690-6903;

Edgar Filing: Forestar Group Inc. - Form 424B3

by submitting a proxy by mail, by completing, signing and dating the proxy card and returning it in the enclosed postage-paid envelope; or

by voting in person at the special meeting.

Q: If I am a beneficial owner of shares of Forestar common stock held in street name, how do I vote?

A: If you are a beneficial owner of shares of Forestar common stock held in street name, you will receive instructions from the holder of record as to how to vote your shares. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the special meeting, you should contact your broker, bank or other nominee to obtain a "legal proxy" or broker's proxy card and bring it to the special meeting in order to vote. Please note that if you hold your shares through broker, bank or other nominee, such nominee cannot vote your shares unless you have given your nominee specific instructions as to how to vote. In order for your vote to be counted, please make sure that you submit your vote to your broker, bank or other nominee.

Q: Will my shares of Forestar common stock held in "street name" or another form of record ownership be combined for voting purposes with shares I hold of record?

A: No. Because any shares of Forestar common stock you may hold in "street name" will be deemed to be held by a different stockholder of record than any shares of Forestar common stock you hold of record, any shares held in "street name" will not be combined for voting purposes with shares you hold of record. Similarly, if you own shares in various registered forms, such as jointly with your spouse, as trustee of a trust or as custodian for a minor, you will receive, and will need to sign and return, a separate proxy card or submit a proxy separately by telephone or internet with respect to those shares because they are held in a different form of record ownership. Shares of Forestar common stock held by a corporation or business entity must be voted by an authorized officer of the entity. Shares of Forestar common stock held in an individual retirement account must be voted under the rules governing such account.

Q: What is the quorum requirement for the special meeting?

A: A quorum is necessary to hold a valid special meeting. A quorum exists if the holders of a majority of Forestar common stock issued and outstanding and entitled to vote at the special meeting are present in person or represented by proxy. If a quorum is not present at the special meeting, the special meeting may be adjourned or postponed from time to time until a quorum is obtained.

If you submit a proxy but fail to provide voting instructions or abstain on any of the proposals listed on the proxy card, your shares will be counted for the purpose of determining whether a quorum is present at the special meeting.

If your shares are held in "street name" by your broker, bank or other nominee and you do not instruct the nominee how to vote your shares, these shares will not be counted for purposes of determining whether a quorum is present for the transaction of business at the special meeting.

Q: What happens if I do not give specific voting instructions?

A: *Stockholders of Record.* If you are a Forestar stockholder of record and you submit a signed proxy card or submit your proxy by telephone or the internet, but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations of the Board on all matters presented in this proxy statement/prospectus.

Beneficial Owners. If you are a beneficial owner of shares of Forestar common stock held in "street name," under the rules of the New York Stock Exchange (which we refer to as the "NYSE") the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote without instructions on non-routine matters. The proposals to (i) adopt

Table of Contents

the Merger Agreement, (ii) approve, on a non-binding advisory basis, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger and (iii) approve the adjournment of the special meeting, if necessary or appropriate, including to solicit additional proxies, are considered non-routine matters under applicable rules. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the representative counting votes that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." Therefore, we urge you to give voting instructions to your broker, bank or other nominee. Shares represented by such "broker non-votes" will not be counted in determining whether there is a quorum. A "broker non-vote" will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement.

Q:
What is the voting requirement to approve each of the proposals?

A:
Adoption of the Merger Agreement requires Forestar stockholders holding a majority of the shares of Forestar common stock outstanding at the close of business on the record date for the special meeting to vote "FOR" the proposal to adopt the Merger Agreement. A failure to vote your shares of Forestar common stock or an abstention from voting will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement. If your shares are held in "street name" by your broker, bank or other nominee and you do not instruct the broker, bank or other nominee how to vote your shares, a "broker non-vote" will arise and will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement.

The approval, on a non-binding advisory basis, of the proposal regarding specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger requires the affirmative vote of a majority of the votes cast at the special meeting at which a quorum is present. Assuming a quorum is present at the special meeting, failure to vote your shares of Forestar common stock, an abstention from voting or a "broker non-vote" will have no effect on this proposal.

The affirmative vote of a majority of the votes cast at the special meeting, whether or not a quorum is present, is required to approve the proposal to approve the adjournment of the special meeting, if necessary or appropriate. A failure to vote your shares of Forestar common stock, an abstention from voting or a "broker non-vote" will have no effect on this proposal.

Q:
How do Forestar's directors and executive officers intend to vote?

A:
We currently expect that Forestar's directors and executive officers will vote their shares of Forestar common stock in favor of the proposal to adopt the Merger Agreement and the other proposals to be considered at the special meeting, although they have no obligation to do so.

Q:
What effects will the merger have on Forestar?

A:
Forestar common stock is currently registered under the Exchange Act and is listed on the NYSE under the symbol "FOR." Following completion of the merger, the Company will remain a public company, and shares of Forestar common stock will continue to be registered under the Exchange Act, as well as listed and traded on the NYSE.

Q:
When is the merger expected to be completed?

A:
We and D.R. Horton are working toward completing the merger as quickly as possible. We cannot be certain when or if the conditions to the merger will be satisfied (or, to the extent permitted, waived). The merger cannot be completed until the conditions to closing are satisfied (or, to the

Table of Contents

extent permitted, waived), including the adoption of the Merger Agreement by Forestar stockholders. Assuming timely satisfaction of the closing conditions, we currently expect to complete the merger in the fourth quarter of 2017.

Q: What happens if the merger is not completed?

A: If the Merger Agreement is not adopted by Forestar stockholders, or if the merger is not completed for any other reason, Forestar stockholders will not receive any payment for their shares of Forestar common stock in connection with the merger. Upon a termination of the Merger Agreement prior to consummation of the merger, under certain circumstances, we will be required to pay D.R. Horton a termination fee of \$20 million. In addition, under certain circumstances, we will be required to reimburse D.R. Horton for up to \$4 million of its transaction expenses. See the section entitled "*The Merger Agreement Termination*."

Q: What will happen if stockholders do not approve, on a non-binding advisory basis, the proposal on specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger?

A: The inclusion of this proposal is required by the SEC rules; however, the approval of this proposal is not a condition to the completion of the merger and the vote on this proposal is an advisory vote and will not be binding on Forestar or D.R. Horton. If the Merger Agreement is adopted by Forestar stockholders and the merger is completed, the merger-related compensation may be paid to Forestar's named executive officers even if stockholders fail to approve this proposal.

Q: Can I revoke my proxy or change my vote?

A: Yes. You may revoke or change your proxy for any reason by:

providing a written notice that is received before the meeting to Forestar's Corporate Secretary, Matthew S. Stark, at Forestar Group Inc., 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746;

delivering a valid, later-dated proxy either by telephone or online (your last delivery before the meeting begins will be counted); or

if you are a registered stockholder (or if you hold your shares in "street name" and have a proper legal proxy from your broker), attending the special meeting and voting in person.

Please note that simply attending the special meeting in person will not cause your previously granted proxy to be revoked. Shares held in "street name" may be voted in person by you at the special meeting only if you obtain a signed "legal proxy" from the stockholder of record giving you the right to vote the shares.

Q: What happens if I do not vote or if I abstain from voting on the proposals?

A: The requisite number of shares to approve the proposal to adopt the Merger Agreement is based on the total number of shares of Forestar common stock outstanding on the record date, not just the shares that are voted. If you do not vote or abstain from voting on the proposal to adopt the Merger Agreement, it will have the same effect as a vote "**AGAINST**" the proposal to adopt the Merger Agreement and will have no effect on the non-binding advisory proposal to approve specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger and the proposal regarding adjournment of the special meeting.

Table of Contents

Q: What happens if I sell my shares of Forestar common stock before completion of the merger?

A: In order to receive the merger consideration, you must hold your shares of Forestar common stock through completion of the merger. Consequently, if you transfer your shares of Forestar common stock before completion of the merger, you will have transferred your right to receive the merger consideration in the merger.

The record date for stockholders entitled to vote at the special meeting is earlier than the consummation of the merger. If you transfer your shares of Forestar common stock after the record date but before the closing of the merger, you will have the right to vote at the special meeting but will have transferred your right to receive the merger consideration in the merger.

Q: Should I send in my stock certificates or other evidence of ownership now?

A: No. Please do not send any Forestar stock certificates with your proxy. You should submit your Forestar stock certificates, if any, with your election form to the address specified in the instructions received with your election form. Any Forestar stockholder who has not submitted their physical stock certificate(s), if any, with an election form will be sent materials after completion of the merger with detailed written instructions for exchanging their shares of Forestar common stock evidenced by stock certificates for the merger consideration. If your shares of Forestar common stock are held in "street name" by your broker, bank or other nominee, you may receive instructions from your broker, bank or other nominee as to what action, if any, you need to take in order to effect the surrender of your "street name" shares in exchange for the merger consideration. See the section entitled "*The Merger Agreement Exchange of Shares; Elections as to Form of Consideration.*"

Q: If I do not know where my stock certificates are, how will I get the merger consideration for my shares?

A: The election form includes the procedures that you must follow if you cannot locate your stock certificates, including an affidavit that you will need to sign attesting to the loss of your stock certificates. You may also be required to post a bond as indemnity against any potential loss.

Q: Am I entitled to exercise dissenters' or appraisal rights instead of receiving the merger consideration for my shares of Forestar common stock?

A: Yes. In order to exercise your appraisal rights, you must follow the requirements set forth in Section 262 of the Delaware General Corporation Law (which we refer to as the "DGCL"). Under Delaware law, if the merger is completed, Forestar stockholders who do not vote in favor of adopting the Merger Agreement and who meet the other requirements set forth in Section 262 of the DGCL will have the right to receive payment of the fair value of their shares of Forestar common stock as determined by the Delaware Court of Chancery, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with interest to be paid on the amount determined to be fair value as determined by the court (subject, in the case of interest payments, to any voluntary cash payments made by the surviving entity pursuant to subsection (h) of Section 262 of the DGCL). Your appraisal rights are subject to a number of restrictions and technical requirements (including minimum aggregate share requirements for stockholders seeking appraisal). Appraisal rights will only be available to Forestar stockholders that deliver to Forestar a written demand for appraisal of their shares prior to the special meeting, do not vote in favor of the proposal to adopt the Merger Agreement, hold their shares continuously through the effective time of the merger, do not submit their shares for payment of the merger consideration (or make an election to receive the cash consideration or the stock consideration), and otherwise comply with the statutory procedures and requirements set forth in Section 262 of the DGCL, which are summarized in this proxy statement/prospectus. The amount determined by

Table of Contents

the Delaware Court of Chancery to be the fair value of Forestar stock as of the effective time of the merger could be more than, the same as, or less than the merger consideration a stockholder would be entitled to receive under the terms of the Merger Agreement. A summary of Section 262 of the DGCL can be found, along with additional information about appraisal rights, in the section entitled "*The Merger Appraisal Rights*." The discussion of appraisal rights contained in this proxy statement/prospectus is not a full summary of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by the full text of Section 262 of the DGCL that is attached as Annex E to this proxy statement/prospectus. Because of the complexity of the DGCL relating to appraisal rights, if you are considering exercising your appraisal rights, we encourage you to seek the advice of your own legal counsel.

Q: Will I be subject to U.S. federal income tax upon the exchange of Forestar common stock for cash pursuant to the merger?

A: If you are a U.S. Holder (as defined in the section entitled "*U.S. Federal Income Tax Consequences of the Merger*"), whether you will be required to recognize gain or loss for U.S. federal income tax purposes pursuant to the merger will depend on whether you receive new shares of Forestar common stock, cash or a combination thereof in exchange for your existing Forestar common stock. If you receive solely new shares of Forestar common stock, you generally will not recognize gain or loss pursuant to the merger. If you receive solely cash, you generally will recognize gain or loss in an amount equal to the difference, if any, between such cash and your adjusted tax basis in your existing shares of Forestar common stock surrendered in exchange therefor. If you receive a combination of new shares of Forestar common stock and cash pursuant to the merger, you generally will (i) not recognize gain or loss on the receipt of the new shares of Forestar common stock pursuant to the merger, and (ii) recognize gain or loss on the receipt of cash pursuant to the merger in an amount equal to the difference, if any, between such cash and your adjusted tax basis in your existing shares of Forestar common stock surrendered in exchange therefor. A Non-U.S. Holder (as defined in the section entitled "*U.S. Federal Income Tax Consequences of the Merger*") generally will not be subject to U.S. federal income tax with respect to the exchange of existing shares of Forestar common stock for merger consideration in the merger unless such Non-U.S. Holder exceeds certain ownership levels in Forestar or has certain connections to the United States. Because your particular circumstances may differ, you should consult your tax advisor to determine the U.S. federal income tax consequences relating to the merger in light of your particular circumstances and any consequences arising under the laws of any state, local or foreign taxing jurisdiction. A more complete discussion of U.S. federal income tax consequences of the merger is provided in the section entitled "*U.S. Federal Income Tax Consequences of the Merger*."

Q: What does it mean if I get more than one proxy card?

A: If your shares of Forestar common stock are registered differently or are held in more than one account, you will receive more than one proxy or voting instruction form. Please complete and return all of the proxy cards you receive (or submit each of your proxies by telephone or the internet, if available to you) to ensure that all of your shares of Forestar common stock are voted.

Q: How many copies should I receive if I share an address with another stockholder?

A: Some banks, brokers and other nominee record holders may participate in the practice of "householding" proxy statements, annual reports and notices of internet availability of proxy materials. This means that a single set of our proxy materials may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of our proxy materials to you if you write or call our Corporate Secretary, Matthew S. Stark, at Forestar Group Inc., 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746, telephone: (512) 433-5200.

Table of Contents

Q: Who will count the vote?

A: A representative of Broadridge Financial Solutions, Inc. will tabulate the votes.

Q: Who will solicit and bear the cost of soliciting votes for the special meeting?

A: Forestar will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Forestar has engaged D. F. King & Co., Inc. (which we refer to as "D. F. King") to assist in the solicitation of proxies for the special meeting. Forestar estimates that it will pay D. F. King a fee of approximately \$20,000, plus reimbursement of certain expenses. In addition, Forestar may reimburse its transfer agent, brokerage firms and other persons representing beneficial owners of shares of Forestar common stock for their expenses in forwarding solicitation material to such beneficial owners.

Q: Where can I find the voting results of the special meeting?

A: Forestar will announce preliminary voting results at the special meeting and publish preliminary, or final results if available, in a Current Report on Form 8-K filed with the SEC within four business days after the special meeting.

Q: Where can I find more information about Forestar?

A: You can find more information about us from various sources described in the section entitled "*Where You Can Find More Information.*"

Q: Who can help answer my other questions?

A: If you have more questions about the merger, or require assistance in submitting your proxy or voting your shares or need additional copies of the proxy statement/prospectus or the enclosed proxy card, please contact D. F. King, which is acting as the proxy solicitation agent and information agent for Forestar in connection with the merger, or Forestar.

Horton closed 44,833 homes, which is 59% more than its next largest competitor based on publicly reported information as of July 27, 2017. In addition, during this same twelve month period, D.R. Horton made investments in land, lots and land development in excess of \$3.5 billion. D.R. Horton also provides mortgage financing and title services for homebuyers through its mortgage and title subsidiaries. D.R. Table of Contents

Force Merger Sub, Inc.

Force Merger Sub, Inc., which we refer to as "Merger Sub," is a newly formed Delaware corporation and a wholly owned subsidiary of D.R. Horton. Merger Sub was formed in connection with the merger.

The Merger (page 26)

At the special meeting, you will be asked to consider and vote upon a proposal to adopt the Agreement and Plan of Merger, dated as of June 29, 2017, as it may be amended from time to time (the "Merger Agreement") among D.R. Horton, Merger Sub and Forestar. Pursuant to the Merger Agreement, Merger Sub will merge with and into Forestar (the "merger") and Forestar will continue as the surviving entity following the merger. Each share of Forestar common stock issued and outstanding immediately prior to the effective time of the merger (except for shares of Forestar common stock that are held by Forestar as treasury shares or by Forestar or D.R. Horton or their respective subsidiaries or that are dissenting shares) will be converted into the right to receive, at the election of the holders of such shares of Forestar common stock, either the cash consideration or the stock consideration, subject to proration procedures applicable to oversubscription and undersubscription for the cash consideration. Following the effective time of the merger, as a result of the merger, D.R. Horton will own approximately 75% of Forestar common stock and Forestar stockholders immediately prior to the merger will own approximately 25% of Forestar common stock. Because Merger Sub will have no material assets or liabilities at the effective time of the merger, we do not consider the merger to be a significant business combination for accounting and presentation purposes.

Consideration to be Received in the Merger (page 81)

If the merger is completed, each share of Forestar common stock will be converted into the right to receive, either

an amount in cash equal to \$17.75 (the "cash consideration"), or

one new share of Forestar common stock (the "stock consideration),

in each case at the election of the applicable Forestar stockholder, subject to proration procedures applicable to oversubscription and undersubscription for the cash consideration described below, which, as described below, may result in a Forestar stockholder not receiving the form of merger consideration that such stockholder elects.

The Company will not issue any fractional shares of Forestar common stock in the merger, and the paying agent will round amounts of the cash consideration and the stock consideration, as provided in the Merger Agreement.

The Merger Agreement provides that the aggregate cash consideration is fixed at \$558,256,373 (the "cash component").

Each Forestar stockholder may elect to receive the cash consideration or the stock consideration, or, to the extent the stockholder holds multiple shares, a combination of the two (for example, a Forestar stockholder who holds 100 shares of Forestar common stock could make a cash election with respect to 50 shares and a stock election with respect to the other 50 shares), in exchange for shares of Forestar common stock. Please note that Forestar stockholders will not be receiving any interest in D.R. Horton or D.R. Horton's common stock in connection with the merger or the other transactions described in this proxy statement/prospectus.

Table of Contents

Proration Procedures (page 82)

A Forestar stockholder may not receive the form of consideration that such stockholder elects in the merger. The proration and adjustment procedures in the Merger Agreement will result, regardless of the elections made, in the aggregate cash consideration being equal to the cash component (i.e., \$558,256,373). Accordingly, the number of shares of Forestar common stock to be converted into the right to receive the cash consideration (the "cash conversion number") will be determined by dividing the cash component by the per share cash consideration (resulting in a cash conversion number of 31,451,063), and the balance of the shares will be converted into the right to receive the stock consideration. Pursuant to proration and adjustment procedures in the Merger Agreement, if the number of shares of Forestar common stock for which a cash election has been made exceeds the cash conversion number, a pro rata portion of all those shares for which a cash election has been made will instead be converted into the right to receive the stock consideration. Similarly, if the number of shares of Forestar common stock for which a cash election has been made is less than the cash conversion number, a pro rata portion of all the shares of Forestar common stock for which a stock election has been made will instead be converted into the right to receive the cash consideration. In each case, outstanding shares of Forestar common stock with respect to which no election has been made will be converted to the undersubscribed form of merger consideration first. The allocation of the consideration payable to Forestar stockholders in the merger will not be known until the results of the merger consideration elections made by Forestar stockholders are tallied, which will not occur until near the closing of the merger. See the section entitled "*The Merger Agreement Merger Consideration.*"

Election Procedures (page 83)

An election form has been mailed to each holder of record of Forestar common stock as of the record date for the special meeting together with this proxy statement/prospectus. The election deadline is expected to be 5:00 p.m. New York time on the date that is six business days before the expected closing date of the merger (the "closing date"). Forestar will use reasonable best efforts to make an election form available to each Forestar stockholder who requests such form before the election deadline. Each Forestar stockholder should complete and return the election form, together with any Forestar stock certificate(s) (or a properly completed notice of guaranteed delivery) or, in the case of uncertificated shares, all additional documents specified in the instructions included with the election form.

If you own shares of Forestar common stock in "street name" through a bank, broker or other nominee and you wish to make an election, you should seek instructions from the bank, broker or other nominee holding your shares concerning how to make an election. If the paying agent does not receive the election form, together with any Forestar stock certificate(s) (or a properly completed notice of guaranteed delivery) or, in the case of uncertificated shares, all additional documents specified in the instructions included with the election form, by the election deadline, you will be treated as though you did not make an election.

You may change your election by delivering a later dated election form before the election deadline. You may revoke your election by written notice of revocation before the election deadline.

None of Forestar, the Board or D.R. Horton makes any recommendation about whether any Forestar stockholder should make an election to receive the cash consideration, the stock consideration or, if electing for multiple shares, a combination of the two, or no election. Each holder of shares of Forestar common stock must make his or her own decision about whether to make an election and, if so, what election to make.

Table of Contents

The Special Meeting (page 110)

The special meeting will be held on October 3, 2017, at 9:00 a.m. (Central time), at 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746.

Record Date and Quorum (page 111)

Only Forestar stockholders of record as of the close of business on August 21, 2017 are entitled to notice of the special meeting and to vote at the special meeting or at any adjournment or postponement thereof.

The presence at the special meeting, in person or by proxy, of the holders of record of a majority of Forestar common stock outstanding at the close of business on the record date will constitute a quorum, permitting Forestar to conduct its business at the special meeting.

Required Vote (page 111)

Each share of Forestar common stock outstanding at the close of business on the record date is entitled to one vote at the special meeting.

For Forestar to complete the merger, Forestar stockholders holding a majority of the shares of Forestar common stock outstanding at the close of business on the record date must vote "**FOR**" the proposal to adopt the Merger Agreement. A failure to vote your shares of Forestar common stock or an abstention from voting for the proposal to adopt the Merger Agreement will have the same effect as a vote "**AGAINST**" the proposal to adopt the Merger Agreement.

The approval, on a non-binding advisory basis, of the proposal regarding specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger requires the affirmative vote of a majority of the votes cast at the special meeting at which a quorum is present. Assuming a quorum is present, a failure to vote your shares of Forestar common stock, an abstention from voting or a "broker non-vote" will have no effect on this proposal.

The affirmative vote of a majority of the votes cast at the special meeting, whether or not a quorum is present, is required to approve the proposal to approve the adjournment of the special meeting, if necessary or appropriate. A failure to vote your shares of Forestar common stock, an abstention from voting or a "broker non-vote" will have no effect on this proposal.

As of the record date, there were 41,934,751 shares of Forestar common stock outstanding.

We currently expect that Forestar's directors and executive officers will vote their shares of Forestar common stock, representing approximately 3.03% of the outstanding shares of Forestar common stock, in favor of the proposal to adopt the Merger Agreement and the other proposals to be considered at the special meeting, although they have no obligation to do so.

Conditions to Completion of the Merger (page 95)

The following are some of the conditions that must be satisfied or, where permitted by law, waived before each party is required to consummate the merger:

no applicable law, temporary restraining order, injunction or other judgment, order or decree of a governmental entity shall be in effect which has the effect of prohibiting the consummation of the merger or making consummation of the merger illegal;

the adoption of the Merger Agreement by the affirmative vote of the holders of a majority of the outstanding shares of Forestar common stock (which we refer to as the "Company stockholder approval");

the accuracy of the representations and warranties of Forestar, on the one hand, and D.R. Horton and Merger Sub, on the other hand, in the Merger Agreement, subject in some instances to materiality, material adverse effect or other qualifiers, as of the date of the Merger Agreement and as of the closing date of the merger;

the performance or compliance in all material respects by Forestar, on the one hand, and D.R. Horton and Merger Sub, on the other hand, of their respective obligations required to be performed or complied with by them under the Merger Agreement at or prior to the closing date of the merger;

the number of dissenting shares representing less than 20% of the shares of Forestar common stock outstanding immediately prior to the closing;

the effectiveness of the registration statement of which this proxy statement/prospectus is a part and such registration statement not being the subject of any stop order or proceedings seeking a stop order;

the new shares of Forestar common stock to be issued in the merger shall have been approved for listing on the NYSE, subject to official notice of issuance; and

the absence of a "Company material adverse effect" since the date of the Merger Agreement.

While it currently is anticipated that the merger will be completed in the fourth quarter of 2017, there can be no assurance that such conditions will be satisfied in a timely manner or at all, or that an effect, event, development or change will not transpire that could delay or prevent these conditions from being satisfied.

When the Merger Becomes Effective (page 81)

The respective obligations of the parties to complete the merger are subject to the adoption of the Merger Agreement by Forestar stockholders and the satisfaction or waiver of the other closing conditions. The Merger Agreement provides that the closing of the merger is to occur on the third business day after the satisfaction or waiver of the last of the closing conditions set forth in the Merger Agreement, unless another date is agreed to in writing by Forestar and D.R. Horton.

Recommendation of the Forestar Board of Directors and Reasons for the Merger (page 47)

The Board unanimously recommends that the stockholders of Forestar vote "FOR" the proposal to adopt the Merger Agreement. For a description of the reasons considered by the Board in deciding to recommend the adoption of the Merger Agreement, see the section entitled "*The Merger Recommendation of the Forestar Board of Directors and Reasons for the Merger.*"

Opinion of Forestar's Financial Advisor (page 51)

In connection with the merger, the Board received a written opinion, dated June 28, 2017, from JMP Securities LLC (which we refer to as "JMP") as to the fairness, from a financial point of view and as of the date of the opinion, to holders of Forestar common stock (other than D.R. Horton and its affiliates) of the aggregate merger consideration to be received by such holders in the merger.

The full text of JMP's written opinion, which is attached to this proxy statement/prospectus as Annex D, sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken. JMP's opinion was provided to the Board (in its capacity as such) in connection with its consideration of the merger. JMP's opinion did not address the underlying decision of Forestar to proceed with or effect the merger or the relative merits of the merger as compared to any alternative strategy or transaction that might exist for Forestar (including, without limitation, the previously proposed Starwood merger). JMP's opinion does not constitute a recommendation as to how

Table of Contents

the Board or any stockholder should act or vote with respect to the merger or any other matter, including whether any stockholder should elect to receive either the cash consideration or the stock consideration or make no election. Forestar stockholders are urged to read carefully JMP's opinion in its entirety.

For a more complete description, please see the section of this proxy statement/prospectus entitled "*The Merger Opinion of Forestar's Financial Advisor.*"

Treatment of Forestar Equity Awards (page 85)

The Merger Agreement provides that each equity incentive compensation award denominated in shares of Forestar common stock (which we refer to as an "equity award") that is outstanding immediately prior to the effective time of the merger will be cancelled as of the effective time. In exchange for such cancellation, the holders of equity awards will receive from Forestar the cash consideration for each share of Forestar common stock underlying the equity award (plus payment in cash, without interest, of all accrued dividend equivalents, if any, with respect thereto and, in the case of equity awards that are stock options, less the aggregate exercise or strike price thereunder, but not less than \$0), whether or not such equity award was vested as of the effective time of the merger, with such payment subject to applicable tax withholding.

With respect to any equity award that is a market-leveraged stock unit, the number of shares of Forestar common stock subject to such equity awards will be determined according to the terms set forth in the applicable award agreements, with the vesting date fair market value (as used in such agreements) equal to the sum of the cash consideration and reinvested dividends (as defined in such agreement).

Such payments with respect to the equity awards will be made as soon as practicable, and in any event within 10 business days, after the closing of the merger.

Interests of Forestar's Directors and Executive Officers in the Merger (page 63)

You should be aware that Forestar's directors and executive officers have interests in the merger that are different from, or in addition to, the interests of Forestar stockholders generally. These interests are described in more detail in the section entitled "*The Merger Interests of Forestar's Directors and Executive Officers in the Merger.*" The Board was aware of these interests and considered them, among other matters, in approving the merger and in making its recommendations that Forestar stockholders adopt the Merger Agreement. These interests include the following, among others:

the accelerated vesting, cancellation and cash-out of equity awards;

a cash retention incentive award for current executive officers;

the entitlement of the current executive officers to receive severance benefits under their respective change in control/severance agreements upon a qualifying termination of employment following completion of the merger (and, in the case of Mr. Grimm, to receive the benefits that would have been provided under such agreement in those circumstances had his employment with Forestar not already terminated); and

continued indemnification and directors' and officers' liability insurance to be provided by the surviving entity.

Financing (page 75)

D.R. Horton and Merger Sub have represented to Forestar that D.R. Horton will have sufficient funds at the closing of the merger to pay all cash amounts required to be paid by D.R. Horton and Merger Sub under the Merger Agreement.

Table of Contents

D.R. Horton anticipates that the funds needed to close the merger will be funded through cash on hand and other immediately available capital.

The consummation of the merger is not subject to any financing conditions.

U.S. Federal Income Tax Consequences of the Merger (page 76)

If you are a U.S. Holder (as defined in the section entitled "*U.S. Federal Income Tax Consequences of the Merger*"), whether you will be required to recognize gain or loss for U.S. federal income tax purposes pursuant to the merger will depend on whether you receive new shares of Forestar common stock, cash or a combination thereof in exchange for your existing Forestar common stock. If you receive solely new shares of Forestar common stock, you generally will not recognize gain or loss pursuant to the merger. If you receive solely cash, you generally will recognize gain or loss in an amount equal to the difference, if any, between such cash and your adjusted tax basis in your existing shares of Forestar common stock surrendered in exchange therefor. If you receive a combination of new shares of Forestar common stock and cash pursuant to the merger, you generally will (i) not recognize gain or loss on the receipt of the new shares of Forestar common stock pursuant to the merger, and (ii) recognize gain or loss on the receipt of cash pursuant to the merger in an amount equal to the difference, if any, between such cash and your adjusted tax basis in your existing shares of Forestar common stock surrendered in exchange therefor. A Non-U.S. Holder (as defined in the section entitled "*U.S. Federal Income Tax Consequences of the Merger*") generally will not be subject to U.S. federal income tax with respect to the exchange of existing shares of Forestar common stock for merger consideration in the merger unless such Non-U.S. Holder exceeds certain ownership levels in Forestar or has certain connections to the United States.

Because your particular circumstances may differ, you should consult your tax advisor to determine the U.S. federal income tax consequences relating to the merger in light of your particular circumstances and any consequences arising under the laws of any state, local or foreign taxing jurisdiction. A more complete discussion of U.S. federal income tax consequences of the merger is provided in the section entitled "*U.S. Federal Income Tax Consequences of the Merger*."

Regulatory Matters (page 70)

We are not aware of any material U.S. federal, state or foreign regulatory requirements or approvals that are required for the execution of the Merger Agreement or the completion of the merger, other than the filing of a Certificate of Merger with respect to the merger with, and the acceptance of such Certificate of Merger for record by, the Secretary of State of the State of Delaware.

Appraisal Rights (page 70)

Under Delaware law, you are entitled to appraisal rights in connection with the merger, in lieu of the merger consideration.

If you comply with the requirements of Section 262 of the DGCL, you will have the right under Delaware law to receive, in lieu of the merger consideration, the fair value of your shares of Forestar common stock as determined by the Delaware Court of Chancery, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with interest to be paid on the amount determined to be fair value as determined by the court (subject, in the case of interest payments, to any voluntary cash payments made by the surviving entity pursuant to subsection (h) of Section 262 of the DGCL). The amount determined by the Delaware Court of Chancery to be the fair value of Forestar common stock as of the effective time of the merger could be more than, the same as or less than the merger consideration a stockholder would be entitled to receive under the terms of the Merger Agreement. Your appraisal rights are subject to a number of restrictions and technical requirements (including minimum aggregate share requirements for stockholders seeking appraisal).

Edgar Filing: Forestar Group Inc. - Form 424B3

Table of Contents

Generally, in order to perfect your appraisal rights, you must, among other things, comply with the following procedures:

prior to the vote on the merger proposal at the special meeting, you must deliver to Forestar a written demand for appraisal of your shares that complies with the applicable statutory requirements;

you must not vote "FOR" the proposal to adopt the Merger Agreement, approving the transactions contemplated thereby, including the merger, either by proxy or in person, at the special meeting;

you must continue to hold your shares through the effective time of the merger;

if the proposal to adopt the Merger Agreement is approved at the special meeting, you must not submit your shares for payment of the merger consideration or otherwise make an election to receive the cash consideration or the stock consideration; and

within 120 days of the effective time of the merger, you must file a petition in the Court of Chancery of the State of Delaware, requesting a determination of the fair value of your shares of Forestar common stock as of the effective time of the merger.

Merely voting against the merger proposal will not perfect your appraisal rights. If you hold your shares in "street name," you must instruct your broker or other nominee to take action in strict compliance with the DGCL to exercise your appraisal rights. Requirements under Delaware law for exercising appraisal rights are described in further detail in the section entitled "*The Merger Appraisal Rights*." The discussion of appraisal rights contained in this proxy statement/prospectus is not a full summary of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by the full text of Section 262 of the DGCL regarding appraisal rights available to stockholders of Delaware corporations in certain mergers and consolidations that is reproduced and attached as Annex E to this proxy statement/prospectus. If you wish to avail yourself of your appraisal rights, you should consult your legal advisor due to the complexity of the appraisal process. Your failure to follow exactly the procedures specified under the DGCL will result in the loss of your appraisal rights.

Non-Solicitation; Takeover Proposals (page 90)

Except as expressly permitted by the Merger Agreement, Forestar has agreed that it shall, and shall cause each of its subsidiaries and its and their respective directors, officers, employees, auditors, attorneys financial advisors and other agents (referred to as "representatives") to (i) immediately cease and terminate all existing activities, discussions or negotiations with any person with respect to an acquisition proposal, as described in the section entitled "*The Merger Agreement Non-Solicitation; Acquisition Proposals*," (ii) cease providing information with respect to Forestar, its subsidiaries or any acquisition proposal, (iii) terminate access to physical or electronic data rooms for such persons, (iv) request that persons in possession of confidential information about Forestar, furnished by Forestar in connection with previous discussions, to destroy such information, and (v) not, directly or indirectly:

solicit, request, initiate or knowingly facilitate or encourage any proposal, offer or inquiry that constitutes or could reasonably be expected to lead to an acquisition proposal;

participate in discussions with, furnish any information to, or afford access to the business of Forestar to, any third persons in connection with an acquisition proposal;

grant any waiver or release under or fail to enforce any standstill or similar agreement with respect to any class of equity securities of Forestar or any of its subsidiaries, unless the Board decides that the failure to grant such waiver or release would be inconsistent with its fiduciary duties;

approve any third person becoming an "interested stockholder" under Section 203 of the DGCL;

enter into any agreement in principle, letter of intent or other agreement relating to an acquisition proposal; or

propose publicly to do any of the foregoing,

as described in the section entitled "*The Merger Agreement Non-Solicitation; Acquisition Proposals.*"

Under the Merger Agreement, generally, the Board may not: (i) withdraw, modify, or propose publicly or resolve to withhold or modify, in any manner adverse to D.R. Horton or Merger Sub, the Board's recommendation that the Forestar stockholders vote in favor of the proposal to adopt the Merger Agreement (referred to as a "change in Company recommendation"), (ii) adopt, approve, authorize, recommend or declare advisable any acquisition proposal, (iii) take or fail to take any formal action or make or fail to make any public statement in connection with a tender or exchange offer, other than a recommendation against such offer or a "stop, look and listen" communication by the Board to Forestar stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act or (iv) enter into an agreement relating to an acquisition proposal.

However, prior to receipt of Company stockholder approval, the Board, in certain circumstances and subject to certain limitations set forth in the Merger Agreement, may, (i) make a change in Company recommendation in connection with an acquisition proposal that constitutes a "superior proposal" or in connection with an intervening event that was not known to or reasonably foreseeable by the Board as of the date of the Merger Agreement, or (ii) cause Forestar to terminate the Merger Agreement in order to enter into a definitive agreement relating to an acquisition proposal that constitutes a "superior proposal," in each case as more fully described in the section entitled "*The Merger Agreement Non-Solicitation; Acquisition Proposals,*" and in each case, subject to specified notice obligations to D.R. Horton and specified obligations to negotiate and consider in good faith any revisions proposed by D.R. Horton to the Merger Agreement, as more fully described in the section entitled "*The Merger Agreement Non-Solicitation; Acquisition Proposals Notice of Acquisition Proposal.*"

Termination (page 97)

The Merger Agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger:

by mutual written agreement of Forestar and D.R. Horton;

by either Forestar or D.R. Horton:

if the effective time shall not have occurred by 5:00 p.m. (Eastern Time) on January 25, 2018 (referred to as the "outside date"); provided, however, that the right to terminate the Merger Agreement on this basis shall not be available to any party whose failure to fulfill any covenant contained in the Merger Agreement has been a principal cause of the failure of the effective time to have occurred by such date;

if any judgment shall have become final that permanently restrains, prior to the closing, the consummation of the merger; provided that the party terminating the Merger Agreement shall have used its reasonable best efforts to resist such judgment, and shall have complied in all material respects with the covenant requiring reasonable best efforts in obtaining requisite approvals by applicable governmental entities or other third parties;

if the Company stockholder approval shall not have been obtained at the special meeting; or

by Forestar:

if there shall have been a material breach by D.R. Horton or Merger Sub of any of its representations, warranties or covenants set forth in the Merger Agreement, such that either of the conditions relating to the truth and correctness of D.R. Horton's representations and warranties and D.R. Horton's performance of all of its obligations would not be satisfied, which breach is incapable of being cured by the outside date or is not cured within 10 business days after D.R. Horton receives written notice of such breach from Forestar;

at any time prior to obtaining the Company stockholder approval, in order to enter into a definitive, written agreement for a superior proposal, and prior to or concurrently with such termination, Forestar pays to D.R. Horton the Company termination fee, as described below under " *Termination Fee; Expense Reimbursement*."

by D.R. Horton:

at any time prior to the closing, if there shall have been a material breach by Forestar of any of its representations, warranties or covenants set forth in the Merger Agreement, such that either of the conditions relating to the truth and correctness of Forestar's representations and warranties and Forestar's performance of all of its obligations would not be satisfied, which breach is incapable of being cured by the outside date or is not cured by Forestar within 10 business days after Forestar receives written notice of such breach from D.R. Horton or Merger Sub; or

at any time prior to obtaining the Company stockholder approval, if the Board shall effect a change in Company recommendation or fail to publicly reaffirm the Board's recommendation within 10 business days after D.R. Horton or Merger Sub so requests in writing.

Termination Fee; Expense Reimbursement (page 98)

If the Merger Agreement is terminated in specified circumstances, Forestar will be required to pay D.R. Horton a termination fee of \$20 million (which we refer to as the "Company termination fee").

Forestar will be required to pay the Company termination fee if the Merger Agreement is terminated:

by Forestar, in order to enter into a definitive, written agreement for a superior proposal;

by D.R. Horton, if the Board effects a change in Company recommendation or fails to reaffirm the Board's recommendation within 10 business days after D.R. Horton or Merger Sub so requests; or

(i) (A) by either D.R. Horton or Forestar, if the merger has not closed by the outside date, (B) by either D.R. Horton or Forestar, if the Company stockholder approval has not been obtained, or (C) by D.R. Horton, if there has been a material breach by Forestar of any of its representations, warranties or covenants, (ii) there has been publicly disclosed or proposed an acquisition proposal that remains outstanding as of the date of termination of the Merger Agreement, and (iii) if within 12 months after such termination, Forestar enters into a definitive agreement with respect to an acquisition proposal (provided that references to "15%" in the definition of "acquisition proposal" shall be deemed to be references to "50%").

If the Merger Agreement is terminated:

by either party if the Company stockholder approval is not been obtained; or

Table of Contents

by D.R. Horton if there has been a material breach by Forestar of any of its representations, warranties or covenants such that certain conditions are not satisfied,

then Forestar shall reimburse D.R. Horton for its actual and reasonable out-of-pocket expenses in an amount not to exceed \$4,000,000. In no event shall Forestar be required to reimburse D.R. Horton's expenses on more than one occasion and in no event shall the sum of the amount reimbursed and Company termination fee payable by Forestar exceed the amount of the Company termination fee.

The Stockholder's Agreement (page 100)

In connection with the execution of the Merger Agreement, Forestar and D.R. Horton entered into the Stockholder's Agreement, dated as of June 29, 2017, which will become effective at the effective time of the merger. The Stockholder's Agreement establishes, among other things, certain rights of the Company and D.R. Horton concerning the corporate governance of the Company following completion of the merger, restrictions on transfers and acquisitions of new shares of Forestar common stock held by D.R. Horton and its affiliates, preemptive rights and registration rights for new shares of Forestar common stock, and allocation of corporate opportunities between the Company and D.R. Horton. For more information, see the section entitled "*The Stockholder's Agreement*."

The Master Supply Agreement (page 107)

In connection with the execution of the Merger Agreement, Forestar and D.R. Horton entered into the Master Supply Agreement, dated as of June 29, 2017, which will become effective at the effective time of the merger. The Master Supply Agreement establishes a strategic relationship between the Company and D.R. Horton for the supply of developed lots following completion of the merger. Under the Master Supply Agreement, the Company will, and D.R. Horton may, present lot development opportunities that it desires to develop to the other party, subject to certain exceptions. The parties will collaborate with respect to such opportunities and, if they elect to develop such opportunities, D.R. Horton will have a right of first refusal to acquire some or all of the lots developed by the Company, as set forth in the Master Supply Agreement, on market terms as determined by the parties. For more information, see the section entitled "*The Master Supply Agreement*."

Provided through August 24, 2017

We have never declared or paid any cash dividends on our common stock. Under our current dividend policy, we intend to retain any future earnings to support our business. The declaration and payment of any future dividends will be at the discretion of the Board after taking into account various factors, including without limitation, our financial condition, earnings, capital requirements of our business, the terms of any credit agreements or indentures to which we may be a party at the time, legal requirements, industry practice, and other factors that the Board deems relevant. Under the terms of the Merger Agreement, from the date of the Merger Agreement until the earlier of the effective time of the merger or the termination of the Merger Agreement, we may not declare or pay any dividends on Forestar common stock without D.R. Horton's written consent.

The closing sale price of Forestar common stock on June 2, 2017, the last trading day prior to announcement of D.R. Horton's initial submission of a non-binding proposal, was \$14.20, and the closing sale price of Forestar common stock on June 28, 2017, which was the last trading day prior to announcement of the Merger Agreement, was \$17.45 per share. On August 24, 2017, the most recent practicable date before this proxy statement/prospectus was mailed to our stockholders, the closing price for Forestar common stock was \$17.10 per share. No assurance can be given concerning the market prices of Forestar common stock before the completion of the merger or the market price of Forestar common stock after the completion of the merger. Immediately following completion of the merger, D.R. Horton will hold approximately 75% of outstanding shares of Forestar common stock and Forestar stockholders will hold the remaining approximately 25% of the outstanding shares of Forestar common stock. These percentages are fixed in the Merger Agreement and will not be adjusted for changes in the business, financial condition or operating results of Forestar or changes in the market price of Forestar common stock. As a result, the stock price of the shares of Forestar common stock that Forestar stockholders will receive in the merger may vary significantly from the prices set forth above. You are encouraged to obtain current market quotations for Forestar common stock in connection with voting your existing shares of Forestar common stock.

RISK FACTORS

In addition to the other information included and incorporated by reference in this proxy statement/prospectus, including the matters addressed in the section entitled "Cautionary Statement Regarding Forward-Looking Statements," you should carefully consider the following risks before deciding how to vote for the proposals presented in this proxy statement/prospectus. You should also read and consider the other information in this proxy statement/prospectus and the other documents incorporated by reference in this proxy statement/prospectus. See the section entitled "Where You Can Find More Information."

Additional risks and uncertainties not presently known to Forestar or D.R. Horton or that are not currently believed to be important to Forestar stockholders, if they materialize, also may adversely affect the merger and Forestar as the surviving entity in the merger.

Risks Relating to the Merger

In the event you receive new shares of Forestar common stock as merger consideration, whether by reason of electing the stock consideration or as a result of the proration and allocation rules described in this proxy statement/prospectus, the number of new shares of Forestar common stock you receive will be a fixed number and will not vary based on the market price of existing Forestar common stock before the effective time of the merger.

At the effective time of the merger, each existing share of Forestar common stock will be exchanged for either one new share of Forestar common stock or \$17.75 in cash, subject to proration and allocation rules. The dollar value of the new shares of Forestar common stock that Forestar stockholders receive (whether by electing to receive stock or, even if they have not elected to receive new shares of Forestar common stock, as a result of proration or allocation rules) as merger consideration at the effective time of the merger will be based upon the market value of Forestar common stock at such time, which may be different from, and lower than, the closing price of Forestar common stock prior to the public announcement of the merger or at any time thereafter. The market value of Forestar common stock has ranged from \$16.10 to \$17.77 during the period from June 22, 2017, the last trading day prior to the issuance by Forestar of a press release relating to a potential transaction between Forestar and D.R. Horton including cash consideration of \$17.75 per share, to August 24, 2017, the last full trading day prior to the date of this proxy statement/prospectus. Based on these market values, and assuming that approximately 25% of the market value of Forestar common stock represents the value of the aggregate stock consideration and approximately 75% of the market value of the Forestar common stock represents the cash component (because those percentages represent the approximate stock/cash mix of the aggregate merger consideration, in each case, based on the number of outstanding shares of Forestar common stock as of the date of the Merger Agreement), and assuming no other market or other factors that affect the value of the Forestar common stock after completion of the merger differently from the effect of such factors on Forestar common stock before completion of the merger, the implied market value of the new shares of Forestar common stock to be issued in connection with the merger has ranged from \$16.51 to \$17.77 during this period. Further, the market value of Forestar common stock will continue to vary in the future due to changes in the business, operations or prospects of Forestar after completion of the merger, market assessment of the merger, market and economic considerations and other factors. As a result of the foregoing and other factors, the value of Forestar common stock at the effective time of the merger and at any time thereafter cannot be predicted.

There will be no adjustment to the stock consideration or the cash consideration, and the parties do not have a right to terminate the Merger Agreement, solely based upon changes in the market price of Forestar common stock. Forestar stockholders are urged to obtain recent market quotations for Forestar common stock.

Table of Contents

The value of a new share of Forestar common stock that you may receive in the merger may be less than the \$17.75 cash consideration, and the trading price of Forestar common stock immediately following the effective time of the merger may be different from, and lower than, the closing price of Forestar common stock at the time of the first public announcement of the merger or at any time thereafter. See the section entitled " *Risks Relating to the Company After Completion of the Merger New shares of Forestar common stock issued in connection with the merger may have a value that is less than the cash consideration and the value could fluctuate significantly.*"

Forestar stockholders may receive merger consideration that is different from that which they elected to receive.

At the effective time of the merger, each existing share of Forestar common stock will be exchanged for either one new share of Forestar common stock or \$17.75 in cash, subject to proration and allocation rules, such that at the effective time of the merger, D.R. Horton will hold approximately 75% of Forestar common stock and former Forestar stockholders will hold approximately 25% of Forestar common stock. Because the cash component is fixed, we cannot assure you that a Forestar stockholder will receive the form of merger consideration that such stockholder elects to receive with respect to all shares of Forestar common stock held by such stockholder. If elections are made by Forestar stockholders that would result in an oversubscription of the cash consideration, those electing to receive the cash consideration will have the cash component of their merger consideration reduced by a pro rata amount and will receive the remainder of their merger consideration in the form of new shares of Forestar common stock. If elections are made by Forestar stockholders that would result in an oversubscription of the stock consideration, those electing to receive stock will have the stock component of their merger consideration reduced by a pro rata amount and will receive the remainder of their merger consideration in the form of cash. Accordingly, even if you make a cash or stock election, there is a risk that you will receive a portion of the merger consideration in a form that you do not elect, which could result in, among other things, tax consequences that differ from those that would have resulted had you received only the form of merger consideration you elected (including with respect to the recognition of taxable gain to the extent cash is received). For more information about the tax consequences, see the section entitled "U.S. Federal Income Tax Consequences of the Merger."

None of Forestar, the Board or D.R. Horton makes any recommendation regarding the new shares of Forestar common stock to be issued in connection with the merger or with respect to whether any Forestar stockholder should make an election to receive cash, new shares of Forestar common stock or, if electing for multiple shares, a combination of the two, or no election.

None of Forestar, the Board or D.R. Horton makes any recommendation regarding the new shares of Forestar common stock to be issued in connection with the merger or as to whether any Forestar stockholder should make an election to receive cash, new shares of Forestar common stock or, if electing for multiple shares, a combination of the two, or no election. A stockholder's determination to make an election to receive cash, new shares of Forestar common stock or, if electing for multiple shares, a combination of the two is a purely voluntary decision, and in certain circumstances, you may receive new shares of Forestar common stock in exchange for some of your existing shares of Forestar common stock, despite that you elected only cash or did not make any election. The per share value of the new shares of Forestar common stock that you may receive in the merger may have a value less than the cash consideration, and the trading price of Forestar common stock immediately following the effective time of the merger may be different from, and lower than, the closing price of Forestar common stock prior to the first public announcement of the merger or at any time thereafter. See the section entitled " *Risks Relating to the Company After Completion of the Merger New shares of Forestar common stock issued in connection with the merger may have a value that is less than the cash consideration and the value could fluctuate significantly.*" You should carefully consider all of the

information included or incorporated in this proxy statement/prospectus, including the risk factors set forth in this section.

If you deliver shares of Forestar common stock to make an election, you will not be able to sell those shares unless you revoke your election prior to the election deadline.

If you are a holder of Forestar common stock and want to elect to receive the cash consideration or stock consideration in the merger, you will have to deliver your Forestar stock certificate(s), if any, and a properly completed election form by the election deadline. Following the delivery of a completed election form, you will not be able to transfer such shares unless you revoke your election before the election deadline by providing written notice to the paying agent. If you do not revoke your election before the election deadline, you will not be able to liquidate your investment in Forestar common stock for any reason until you receive the merger consideration. In the time between the election deadline and the closing of the merger, the trading price of Forestar common stock may decrease, and you might otherwise want to sell your shares of Forestar common stock to gain access to cash, make other investments or reduce the potential for a decrease in the value of your investment. The date that you will receive your merger consideration depends on the completion date of the merger, which is uncertain. The completion date of the merger might be later than expected due to events not within the control of Forestar or D.R. Horton.

Officers and directors of Forestar may have certain interests in the merger that are different from, or in addition to or in conflict with, interests of Forestar stockholders. These interests may be perceived to have affected their decision to support or approve the merger.

Forestar's officers and directors may have certain interests in the merger that are different from, or in addition to or in conflict with, interests of Forestar stockholders. Forestar stockholders should be aware that certain of Forestar's directors and executive officers have agreements or arrangements that provide them with interests in the merger, including financial interests, that may be different from, or in addition to, the interests of the other Forestar stockholders. The Board was aware of these interests during its deliberations of the merits of the merger and in determining to recommend to Forestar stockholders that they vote for the proposal to adopt the Merger Agreement and thereby approve the transactions contemplated thereby, including the merger. See the section entitled "*The Merger Interests of Forestar's Directors and Officers in the Merger.*"

The Merger Agreement contains provisions that could affect the decisions of a third party considering making an alternative acquisition proposal to the merger.

Under the terms of the Merger Agreement, in certain circumstances Forestar may be required to pay to D.R. Horton a termination fee of \$20 million, or to reimburse certain fees of D.R. Horton in connection with termination of the Merger Agreement not to exceed \$4 million. In addition, the Merger Agreement limits the ability of Forestar to initiate, solicit, encourage or facilitate acquisition or merger proposals from a third party. These provisions could affect the decision by a third party to make a competing acquisition proposal, or the structure, pricing and terms proposed by a third party seeking to acquire or merge with Forestar. See the sections entitled "*The Merger Agreement Termination*" and "*The Merger Agreement Non-Solicitation; Acquisition Proposals.*"

Lawsuits may be filed against Forestar, D.R. Horton, their respective directors or Merger Sub challenging the merger, and an adverse ruling in such lawsuits may prevent the merger from becoming effective or from becoming effective within the expected timeframe.

Forestar, D.R. Horton, their respective directors and Merger Sub may be named as defendants in putative class action lawsuits challenging the proposed merger and seeking, among other things, equitable relief to enjoin consummation of the merger, rescission of the merger and/or rescissory

Table of Contents

damages. One of the conditions to the closing of the merger is that no temporary restraining order, preliminary or permanent injunction or other judgment, order or decree entered, enacted, promulgated, enforced or issued by an governmental entity of competent jurisdiction in the United States or any material foreign jurisdictions shall be and remain in effect prohibiting the consummation of the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement or making consummation of the merger illegal. As such, if any such lawsuits are filed and any potential plaintiffs are successful in obtaining at temporary restraining order, preliminary or permanent injunction or other judgment, order or decree prohibiting the consummation of the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement or making consummation of the merger illegal, then such injunction may prevent the merger from being completed or from being completed within the expected timeframe.

The merger is subject to various closing conditions, and uncertainties related to the merger or the failure to complete the merger could negatively impact Forestar's business or share price.

The merger is subject to the satisfaction of a number of conditions beyond Forestar's or D.R. Horton's control, and there is no assurance that the merger and the respective related transactions will occur on the terms and timeline currently contemplated or at all, or that the conditions to the merger will be satisfied or waived in a timely manner or at all. Any delay in completing the merger could cause Forestar not to realize, or delay the realization of, some or all of the benefits that Forestar expects to achieve from the merger. In addition, the efforts to satisfy the closing conditions of the merger may place a significant burden on Forestar's management and internal resources. Any significant diversion of management attention away from ongoing business and any difficulties encountered in the merger process could adversely affect Forestar's business, results of operations and financial condition.

The Merger Agreement limits Forestar's ability to pursue alternatives to the merger. These restrictions may prevent Forestar from pursuing attractive business opportunities and making other changes to its business prior to the effective time of the merger or termination of the Merger Agreement. Forestar could also be subject to litigation related to any failure to complete the merger.

Uncertainty about the completion and effect of the merger on Forestar or its employees, customers or joint venture partners may have an adverse effect on Forestar's share price and business, including with respect to customer or joint venture partner uncertainty regarding the operations of the Company after completion of the merger. These uncertainties may also impair Forestar's ability to preserve employee morale and attract, retain and motivate key employees until the merger is completed. If key employees depart because of uncertainty about their future roles and the potential complexities of the merger or a desire not to remain with the business after the completion of the merger, the Company's business could be harmed.

If the proposed merger is not completed, the share price of Forestar's common stock may decline to the extent that the current market price of Forestar common stock reflects an assumption that the merger and related transactions will be completed. In addition, upon termination of the Merger Agreement, under specified circumstances (including in connection with a superior offer), Forestar may be required to pay a termination fee of \$20 million. Also, if the Merger Agreement is terminated under specified circumstances, Forestar may be required to reimburse D.R. Horton for its fees and expenses incurred in connection with the Merger Agreement not to exceed \$4 million. See the section entitled " *The Merger Agreement contains provisions that could affect the decisions of a third party considering making an alternative acquisition proposal to the merger.*"

Further, a failed or significantly delayed merger may result in negative publicity and a negative impression of Forestar in the investment community. Any disruptions to Forestar's business resulting

Table of Contents

from the announcement and pendency of the merger, including any adverse changes in its relationships with its customers, joint venture partners, vendors, suppliers and employees or recruiting and retention efforts, could continue or accelerate in the event of a failed transaction. There can be no assurance that Forestar's business, these relationships or its financial condition will not be negatively impacted, as compared to the condition prior to the announcement of the merger, if the merger is not consummated.

The projected financial information included in this proxy statement/prospectus is presented for informational purposes only and may not be an indication of Forestar's financial condition or results of operations before or after completion of the merger.

The projected financial information contained in this proxy statement/prospectus is presented for informational purposes only based on various adjustments, assumptions and preliminary estimates and may not be an indication of the Company's financial condition or results of operations following completion of the merger for several reasons. The projected financial information was prepared during the period prior to the execution of the Merger Agreement on June 29, 2017 and has not been updated. See the section entitled "*The Merger Projected Financial Information.*" The actual financial condition and results of operations of the Company following completion of the merger may not be consistent with, or evident from, the projected financial information. In addition, the assumptions used in preparing the projected financial information may not prove to be accurate, and other factors may affect the Company's financial condition or results of operations following completion of the merger. Any potential decline in the Company's financial condition or results of operations may cause significant variations in the stock price of the Company after completion of the merger.

The opinion of Forestar's financial advisor to the Forestar Board was delivered prior to the signing of the Merger Agreement and does not reflect changes in circumstances since such opinion was delivered.

The opinion of Forestar's financial advisor to the Board was delivered prior to the signing of the Merger Agreement. Changes in the operations and prospects of Forestar, general market and economic conditions and other factors that may be beyond the control of Forestar may significantly alter the value or prices of shares of Forestar common stock by the time the merger is completed. The opinion does not speak as of the date of this proxy statement/prospectus, as of the time the merger will be completed, or as of any date other than the date of such opinion.

Risks Relating to the Company After Completion of the Merger

So long as D.R. Horton controls the Company, other holders of Forestar common stock after completion of the merger will have limited ability to influence matters requiring stockholder approval, and if you are a holder of Forestar common stock after completion of the merger, D.R. Horton's interest may conflict with yours.

Following completion of the merger, D.R. Horton will beneficially own approximately 75% of the Company. As a result, until such time as D.R. Horton and its controlled affiliates hold shares representing less than a majority of the votes entitled to be cast by the holders of outstanding Forestar common stock at a stockholder meeting, D.R. Horton generally will have the ability to control the outcome of any matter submitted for the vote of Company stockholders, except in certain circumstances set forth in the Company's new certificate of incorporation or bylaws. In addition, under the terms of the Stockholder's Agreement, so long as D.R. Horton or its affiliates own 35% or more of the voting securities of the Company, the Company may not take certain actions without D.R. Horton's approval, including certain actions with respect to equity issuances, indebtedness, acquisitions and executive hiring, termination and compensation. See "*The Stockholder's Agreement Approval Rights.*"

Table of Contents

In addition, pursuant to the Stockholder's Agreement, the Company will be subject to certain requirements and limitations regarding the composition of the Board. However, many of those requirements and limitations expire 15 months after the effective time of the merger. Thereafter, for so long as D.R. Horton and its controlled affiliates hold shares of Forestar common stock representing at least a majority of the votes entitled to be cast by the holders of Forestar common stock at a stockholder meeting, D.R. Horton will be able to nominate and elect all the members of the Board, subject to a requirement that D.R. Horton and the Company use reasonable best efforts to cause at least three directors qualify as "independent directors," as such term is defined in the NYSE listing rules, and applicable law. The directors elected by D.R. Horton will have the authority to make decisions affecting the capital structure of the Company, including the issuance of additional capital stock or options, the incurrence of additional indebtedness, the implementation of stock repurchase programs and the declaration of dividends.

The interests of D.R. Horton may not coincide with the interests of the other Company stockholders, and the other Company stockholders will not have received any interest in D.R. Horton or D.R. Horton's common stock in connection with the merger or the other transactions described herein. The business, financial and operating policies of Forestar in effect prior to the effective time of the merger may not continue following the effective time of the merger. D.R. Horton's ability, subject to the limitations in the Stockholder's Agreement and the Company's new certificate of incorporation and bylaws, to control matters submitted to the Company's stockholders for approval will limit the ability of other stockholders to influence corporate matters, and the Company may take actions that its stockholders do not view as beneficial. In such circumstances, the market price of Forestar common stock could be adversely affected. In addition, the existence of a controlling stockholder of the Company may have the effect of making it more difficult for a third party to acquire, or discouraging a third party from seeking to acquire, the Company. A third party would be required to negotiate any such transaction with D.R. Horton, and the interests of D.R. Horton with respect to such transaction may be different from the interests of other Company stockholders. See the sections entitled "*Comparison of Rights of Stockholders Before and After the Merger*" and "*Control and Management of the Company After the Merger*."

Subject to limitations in the Stockholder's Agreement and the Company's new certificate of incorporation, as will be in effect at the effective time of the merger, that limit D.R. Horton's ability to take advantage of certain corporate opportunities, D.R. Horton is not restricted from competing with the Company or otherwise taking for itself or its other affiliates certain corporate opportunities that may be attractive to the Company.

The rights of Forestar stockholders will be different before and after completion of the merger.

The rights of Forestar stockholders who receive new shares of Forestar common stock in the merger will be governed by the Second Amended and Restated Certificate of Incorporation (which we refer to as the "new charter") and Second Amended and Restated Bylaws (which we refer to as the "new bylaws") of the Company. As a result, there will be material differences between the current rights of Forestar stockholders and the rights they can expect to have as stockholders following completion of the merger. You should carefully review the forms of the Company's new charter and new bylaws to be in effect following completion of the merger, copies of which are attached as Exhibits A and B, respectively, to Annex A to this proxy statement/prospectus. By becoming a holder of new shares of Forestar common stock issued in connection with the merger, Forestar stockholders are deemed to have notice of and to have consented to the provisions of the Company's new charter and new bylaws, including with respect to the provisions that are described above and elsewhere in this proxy statement/prospectus, including in the sections entitled "*Comparison of Rights of Stockholders Before and After the Merger*" and "*Control and Management of the Company After the Merger*."

Table of Contents

New shares of Forestar common stock issued in connection with the merger may have a value that is less than the cash consideration, and the value could fluctuate significantly.

The new shares of Forestar common stock for which Forestar stockholders may make an election in the merger may have a value that differs from the cash consideration of \$17.75 per existing share of Forestar common stock. No third-party appraisal or other determination of value was requested or obtained by the Board with respect to the value of the new shares of Forestar common stock to be issued in connection with the merger. Accordingly, holders of existing shares of Forestar common stock who receive new shares of Forestar common stock, whether by reason of electing stock or as a result of the proration and allocation rules described in this proxy statement/prospectus, instead of the cash consideration of \$17.75 per share, in connection with the merger will be subject to the risk that the per share value of the new shares of Forestar common stock may be less than the amount of the cash consideration, and the trading price of new shares of Forestar common stock immediately following the effective time of the merger may be different from, and lower than, the closing price of existing shares of Forestar common stock at the time of the first public announcement of the merger or at any time thereafter. In addition, the value of new shares of Forestar common stock could fluctuate significantly for many reasons, including:

the risks described in this proxy statement/prospectus;

the Company's operating and financial performance and prospects, including based on the implementation of the terms of the Master Supply Agreement;

changes to the competitive landscape;

the arrival or departure of key personnel;

speculation in the press or the investment community; and

general market conditions.

Any inability to resolve favorably any disputes that may arise between the Company and D.R. Horton may result in a significant reduction of the Company's revenues and earnings.

Disputes may arise between D.R. Horton and the Company in a number of areas, including:

business combinations involving the Company;

sales or dispositions by D.R. Horton of all or any portion of its ownership interest in the Company;

performance under the Master Supply Agreement;

arrangements with third parties that are exclusionary to D.R. Horton or the Company; and

business opportunities that may be attractive to both D.R. Horton and the Company.

The Company may not be able to resolve any potential conflicts, and even if it does, the resolution may be less favorable than if the Company were dealing with an unaffiliated party.

Edgar Filing: Forestar Group Inc. - Form 424B3

New agreements may be entered into between the Company and D.R. Horton, including under the Master Supply Agreement, and agreements the Company enters into with D.R. Horton may be amended upon agreement between the parties. While the Company is controlled by D.R. Horton, it may not have the leverage to negotiate these agreements, or amendments thereto if required, on terms as favorable to the Company as those that the Company would negotiate with an unaffiliated third party.

Table of Contents

D.R. Horton's ability to control the Board may make it difficult for the Company to recruit independent directors.

For so long as D.R. Horton and its controlled affiliates hold shares of Forestar common stock representing at least a majority of the votes entitled to be cast by the holders of Forestar common stock at a stockholders' meeting, D.R. Horton will be able to elect all of the members of the Board, subject to the requirement to nominate one individual from the current Board at the Company's 2018 annual meeting of stockholders. Further, the interests of D.R. Horton and the Company's other stockholders may diverge. Under these circumstances, persons who might otherwise accept an invitation to join the Board may decline.

After completion of the merger, the Company will be a "controlled company" within the meaning of the NYSE rules and, as a result, may rely on exemptions from certain corporate governance requirements that provide protection to stockholders of companies that are not "controlled companies."

Following completion of the merger, D.R. Horton will own more than 50% of the total voting power of Forestar common stock and, as a result, the Company will be a "controlled company" under the NYSE corporate governance standards. As a controlled company, the Company will be exempt under the NYSE standards from the obligation to comply with certain NYSE corporate governance requirements, including the requirements:

that a majority of the Board consists of independent directors;

that the Company have a nominating and governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities;

that the Company have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and

that an annual performance evaluation of the nominating and governance committee and compensation committee be performed.

If the Company uses the "controlled company" exemptions, holders of Forestar common stock after completion of the merger will not have the same protection afforded to stockholders of companies that are subject to all of the NYSE corporate governance requirements.

The Company may not realize potential benefits of the strategic relationship with D.R. Horton, including the transactions contemplated by the Master Supply Agreement.

The Master Supply Agreement establishes a strategic relationship between the Company and D.R. Horton for the supply of developed lots following completion of the merger. Under the Master Supply Agreement, the Company will, and D.R. Horton may, present lot development opportunities that it desires to develop to the other party, subject to certain exceptions. The parties will collaborate with respect to such opportunities and, if they elect to develop such opportunities, D.R. Horton will have a right of first refusal to acquire some or all of the lots developed by the Company, as set forth in the Master Supply Agreement, on market terms as determined by the parties. There are numerous uncertainties associated the Company's relationship with D.R. Horton, including the risk that the parties will be unable to negotiate mutually acceptable terms for lot development opportunities and the fact that D.R. Horton is not obligated to present lot development opportunities to the Company. As a result, the Company may not realize potential benefits of the strategic relationship with D.R. Horton, which may affect the Company's financial condition or results of operations following completion of the merger. For more information, see the section entitled "*The Master Supply Agreement.*"

Table of Contents

D.R. Horton's control of the Company or the strategic relationship between D.R. Horton and the Company may negatively affect the Company's business relationships with other builder customers.

So long as D.R. Horton controls the Company or the strategic relationship between D.R. Horton and the Company remains in place, the Company's business relationships with other builder customers may be negatively affected, including as a result of the risk that such other builder customers may believe that the Company will favor D.R. Horton over its other customers. In addition, the Company has in the past relied on builder referrals as a source for land development opportunities, and there is a risk that builders may refer such opportunities to land developers other than the Company as a result of the Company's close alignment with D.R. Horton.

An investment in Forestar common stock after completion of the merger may be less liquid than an investment in Forestar common stock before completion of the merger.

Forestar common stock after completion of the merger may be less liquid than Forestar common stock before completion of the merger because (a) the aggregate value of the publicly held Forestar common stock at the effective time of the merger will be substantially less than the aggregate value of the publicly held Forestar common stock outstanding immediately prior to the merger (as a result of the payment of the cash consideration), and (b) unlike the publicly held Forestar common stock before completion of the merger, all of the publicly held new Forestar common stock after completion of the merger will be minority shares of a company controlled by D.R. Horton, which will own approximately 75% of the equity of the Company following completion of the merger. See " *So long as D.R. Horton controls the Company, other holders of Forestar common stock after completion of the merger will have limited ability to influence matters requiring stockholder approval, and if you are a holder of Forestar common stock after completion of the merger, D.R. Horton's interest may conflict with yours.*"

Forestar will experience an "ownership change" under Section 382 of the Internal Revenue Code of 1986, as amended (the "Code"), potentially limiting its use of tax attributes, such as unrealized built-in losses and other tax attributes, to reduce future tax liabilities after completion of the merger.

Forestar has substantial unrealized built-in losses and other tax attributes for U.S. federal income tax purposes. The utilization of these tax attributes following completion of the merger depends on the timing and amount of taxable income earned by the Company in the future, which Forestar is not able to predict. Moreover, Forestar will experience an "ownership change" under Section 382 of the Code as a result of the merger, potentially limiting the use of the Company's tax attributes to reduce future tax liabilities for U.S. federal income tax purposes. This limitation may affect the timing of when these tax attributes may be used which, in turn, may impact the timing and amount of cash taxes payable by the Company.

Other Risk Factors of Forestar

Forestar's business is and will be subject to the risks described above. In addition, Forestar's business is, and will continue to be, subject to the risks described in Forestar's Annual Report on Form 10-K for the year ended December 31, 2016, as updated by subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, all of which (other than information deemed, in accordance with SEC rules, to be furnished and not filed) are or will be filed with the SEC and incorporated by reference into this proxy statement/prospectus. THE MERGER

The following is a discussion of the merger and the material terms of the Merger Agreement. This summary does not purport to be complete and may not contain all of the information about the Merger Agreement that is important to you. We encourage you to read carefully the Merger Agreement, a copy of which is attached to this proxy statement/prospectus as Annex A, in its entirety, as the rights and obligations of the parties thereto are governed by the express terms of the Merger Agreement and not by this summary or any other information contained in this proxy statement/prospectus.

Background of the Merger

The Board continuously evaluates Forestar's strategic direction and business with a goal of maximizing stockholder value. On December 8, 2014, the Company issued a press release approved by the Board announcing that the Board, working together with its management team and financial advisor, was exploring strategic alternatives to enhance stockholder value. Thereafter, on May 12, 2015, the Company announced that, as a result of its review of strategic alternatives, the Board had approved and initiated a plan to focus on growing the Company's core real estate business, including harvesting cash flows from its non-core oil and gas business by significantly reducing capital expenditures and operating costs.

On June 15, 2015, the chief executive officer of a publicly traded real estate operating company ("Party A") sent a letter to the Company's chief executive officer to express an interest in discussing a potential combination of the Company and Party A, but no price or valuation was specified.

On July 15, 2015, the chief executive officer of the Company participated in a telephone conference with the chief executive officer of Party A to elaborate on the Company's focus on the plan announced on May 12, 2015.

On August 6, 2015, the chief executive officer of Party A sent another letter to the chief executive officer of the Company, copying the Board, reiterating Party A's desire to consider a combination of the two companies and outlining the potential benefits of a combination. The letter did not include any indicative valuation of the Company. Forestar's closing stock price was \$12.92 on August 6, 2015.

On August 11, 2015, the Board held an in-person meeting, with members of Forestar management in attendance. Representatives of the Company's then-financial advisor (which was not JMP) were also present during a portion of the meeting. Forestar management provided an overview of Party A and its strategy and certain financial information. The Company's financial advisor summarized certain considerations with a possible combination of Party A and the Company, including relative trading activity and implied historical exchange ratios. After discussion among the Board, management and its financial advisor, the Board determined to direct management to inform Party A that the Company was not interested in pursuing a transaction, among other reasons due to the fact that the Company and Party A were pursuing different real estate strategies as Party A was focused on acquiring and holding income producing properties and the Company was principally a land developer for single-family communities. After the meeting, Forestar's chief executive officer sent a letter to the chief executive officer of Party A advising that the Board had determined that exploration of a business combination with Party A at this time was not in the best interests of Forestar and its stockholders.

On September 28, 2015, among other management and Board changes, the Company announced the appointment of Phillip J. Weber as its new chief executive officer, and that James A. Rubright would be Forestar's non-executive chairman effective December 31, 2015. On October 2, 2015, the Company announced the appointment of Charles D. Jehl as the new chief financial officer of the Company.

On October 22, 2015, Forestar's management team held introductory meetings with a publicly traded real estate investment firm ("Party B") to explore Party B acquiring Forestar's community

development portfolio or all of the equity interests in the Company. This meeting arose out of discussions between a representative of Forestar and a representative of Party B who had a pre-existing personal relationship. Forestar and Party B entered into a confidentiality agreement on November 13, 2015, and Party B initiated due diligence of the Company. Shortly thereafter, Party B informed the Company it would not proceed with a transaction due to Party B's belief that Party B would not be able to offer a price at which the Company would be willing to transact.

The Board held an in-person meeting on November 10, 2015, with members of Forestar management in attendance. At the meeting, in connection with the Board's plan to focus on the core business, the Board determined to engage financial advisors to commence the sales process for certain non-core assets, including specifically the sale of its hotel property in Austin, Texas, and its oil and gas working interest assets in North Dakota. Forestar's closing stock price was \$13.37 on November 10, 2015.

In early December 2015, Bruce Dickson, then the Company's chief real estate officer, met with representatives of a private residential and commercial real estate company ("Party C") to discuss possible strategic alternatives between Forestar and Party C. This meeting was arranged at the request of the Company as it continued to evaluate its strategy for the community development business.

During the last two months of 2015 and in 2016 prior to the ultimate engagement of JMP as the Company's financial advisor in August 2016, the Forestar management team met with several potential financial advisors and invited JMP and four other potential financial advisors to prepare materials and presentations for the Board regarding such firms' views on Forestar's business and alternatives. Throughout 2016 and 2017, the Company continued to pursue its initiatives to reduce operating costs, exit certain non-core assets and focus on maximizing stockholder value. As the Company narrowed its core business to community development and continued to divest certain non-core assets, Forestar management also worked with various advisors to consider future alternatives for Forestar in light of the business challenges facing Forestar and the Company's future financial plan and prospects.

On January 7, 2016, the Board held a telephonic meeting, with members of Forestar management in attendance. Mr. Weber provided an update on ongoing initiatives with respect to the Company's non-core assets, and Mr. Jehl provided information regarding net asset value scenarios for the Company as well as a review of its core business. The Board discussed these reviews and the status of the core community development business, and discussed the strategic direction of the Company.

On January 19 and January 20, 2016, Mr. Weber, Mr. Dickson and Michael Quinley, the Company's president community development, met with representatives of Party C to introduce Mr. Weber and Mr. Quinley to the Party C representatives and to further discuss possible strategic alternatives between Forestar and Party C. Party C had executed a confidentiality agreement with Forestar on January 12, 2016. Thereafter, the parties determined not to proceed with further discussions regarding a transaction due to a perceived lack of strategic alignment between the parties as Party C was focused on growing its multifamily business, which Forestar was considering for opportunistic exit over time.

On January 26, 2016, the Board held a telephonic meeting, with members of Forestar management in attendance. At the meeting, the Board determined the Company's multifamily business was non-core, and to opportunistically exit Forestar's multifamily portfolio and no longer allocate capital to new projects in that business.

On February 8 and February 9, 2016, the Board held an in-person meeting, which members of Forestar management attended. At the meeting, a potential financial advisor made a presentation to the Board regarding the advisor's observations about the Company, its market positioning, and the Company's strategic alternatives. The Board engaged in a discussion regarding the Company's strategic alternatives, and in furtherance of the objective to focus on the Company's core community

development business the Board directed management to commence the process to market its timberland assets and to begin the process to determine potential values for legacy oil and gas and mineral assets. Forestar's closing stock price was \$8.60 on February 9, 2016.

In April 2016, a representative of a private real estate investment firm ("Party D") discussed with Mr. Quinley Party D's potential interest in an acquisition of the Company's community development business in the course of Mr. Quinley's regular business interactions with such representative. Mr. Quinley had been acquainted with the Party D representative for over 30 years during which both Mr. Quinley and the Party D representative had been employed by various firms associated with Atlanta-area real estate development activities or providing services thereto. After initial discussions, Party D executed a confidentiality agreement with Forestar on April 19, 2016, and Mr. Quinley had additional discussions with the Party D representative during May 2016.

In late April 2016, a representative of a private investment firm ("Party E") contacted a member of the Board (who is no longer a member of the Board) with whom the Party E representative was already acquainted to inquire about a potential transaction with the Company. The Forestar director spoke with the representative of Party E regarding Forestar and its business (without sharing any material non-public information). The director suggested that the Party E representative contact Mr. Weber if Party E was interested in engaging in further discussions regarding a potential transaction with the Company, and no further contact from Party E was received by the Company in regard to a potential transaction.

The Board held a regularly scheduled in-person meeting on May 9 and May 10, 2016, with members of Forestar management and representatives of two potential financial advisors (neither of which were the potential financial advisor that presented at the February 8 and February 9, 2016 Board meeting) and Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden"), the Company's legal counsel, in attendance (with the two potential financial advisors and Skadden in attendance for part of the meeting). At the meeting, Mr. Weber reviewed the evolution of considerations and decisions since October 2015 related to the Company's portfolio of assets, and discussed with the Board certain historical financial information and pro forma community development information. Representatives of the first potential financial advisor joined the meeting to discuss their recommendations, including strategic alternatives, repurchasing or refinancing indebtedness, valuation considerations for the Company's community development business and their recommendation to initiate a tender offer for the Company's 8.500% senior secured notes due 2022. The second potential financial advisor then joined the meeting to discuss the Company's net asset value, potential deleveraging alternatives and recommendations on strategic alternatives. After the presentations by the two potential financial advisors, Mr. Weber advised the Board that the Company had been approached by a representative of Moelis & Company ("Moelis"), representing a publicly traded company, the identity of which had not been disclosed to Mr. Weber, that was interested in engaging in discussions with the Company. The Board discussed the strategic alternatives for the community development business and considerations regarding the financial advisor the Company may want to engage. Representatives of Skadden joined the meeting to discuss and respond to questions from the directors regarding their fiduciary duties with respect to the exploration of strategic alternatives. After discussion of the various presentations and alternatives presented to the Board, the Board determined to initiate a cash tender offer and consent solicitation for the Company's senior secured notes, and to continue to focus on the Company's core community development business. Forestar's closing stock price was \$12.43 on May 10, 2016.

After the Board meeting, the Moelis representative that had contacted Mr. Weber prior to the Board meeting about potentially engaging in discussions with the Company disclosed to Mr. Weber the identity of the advisor's client, D.R. Horton. On May 11, 2016, Mr. Weber and Mr. Quinley had an in-person meeting with representatives of D.R. Horton to discuss Forestar and D.R. Horton and whether the parties would be interested in a potential transaction or other strategic business arrangement.

On May 18, 2016, Mr. Weber, Mr. Jehl and Mr. Quinley had a follow-up meeting with representatives of D.R. Horton to discuss further whether the parties would be interested in a potential transaction or other strategic business arrangement.

On May 27, 2016, the Company entered into a confidentiality agreement with D.R. Horton, which agreement included a "standstill" provision (which "standstill" expired in accordance with its terms on February 27, 2017).

On June 1, 2016, Mr. Weber, Mr. Jehl, David M. Grimm, then the Company's chief administrative officer and general counsel, and Mr. Quinley met with representatives of D.R. Horton, including D.R. Horton's financial advisor, and the parties discussed a potential strategic alliance and other potential business arrangements. In the days following, the parties and their advisors continued to discuss a potential transaction.

On June 6, 2016, D.R. Horton delivered a draft term sheet to Forestar proposing an equity investment by D.R. Horton in Forestar. The term sheet provided for a proposed investment in Forestar by D.R. Horton to acquire a combination of common stock representing 19.9% of the fully diluted Forestar common shares outstanding prior to the issuance at a purchase price equal to the market value per share, and convertible preferred stock representing an additional 20% of the fully diluted Forestar common shares outstanding on an as-converted basis. The term sheet provided that D.R. Horton would have proportional representation on the Board and on a newly formed investment committee composed of Forestar management and D.R. Horton representatives, and D.R. Horton would have certain veto rights at the Board level and on the investment committee. The term sheet also provided that the Company would use the proceeds of the investment to pursue lot development projects in which D.R. Horton would have rights to purchase a significant portion of the lots, and the parties would also enter into an agreement providing D.R. Horton with preferential rights to acquire developed lots from the Company at market prices.

On June 13, 2016, Mr. Quinley met with representatives of Party D and discussed Party D acquiring Forestar's community development portfolio.

On June 16, 2016, the Board held a telephonic meeting, with members of Forestar management in attendance. Mr. Weber reviewed the fact that several parties had previously expressed an interest in Forestar's community development business (such as Party B, Party C and Party D), and discussed D.R. Horton's proposal and the status of conversations with D.R. Horton. In light of the potential interest in the community development business and the D.R. Horton proposal, Forestar management recommended to the Board that the Company would benefit from engaging a financial advisor to assist with the identification and evaluation of strategic alternatives, and noted that the Company had been in contact with several potential firms. Following discussions, the Board authorized Forestar management (i) to continue discussions with potential financial advisors with a goal of identifying a firm for recommendation to the Board and (ii) to continue discussions with D.R. Horton to enable D.R. Horton to better understand the value of the Company for purposes of its potential strategic investment and address other aspects of D.R. Horton's proposal.

During June and July 2016, Forestar management reached out to and met with potential financial advisors regarding the Company. On June 21, 2016, Mr. Weber and Mr. Jehl held a telephone conference with representatives of JMP to invite JMP to attend the August 2016 meeting of the Board for discussions regarding the Company's strategic alternatives.

On June 23, 2016, Mr. Jehl and other Forestar employees participated in a conference call with D.R. Horton and its financial advisor to discuss the potential strategic investment and Forestar's financial position.

On June 29, 2016, Mr. Weber, Mr. Jehl and Mr. Quinley met with representatives of Party D to introduce Mr. Weber and Mr. Jehl and continue the discussions regarding Party D's potential acquisition of Forestar's community development portfolio.

On July 13, 2016, Forestar management, in furtherance of the process authorized by the Board to evaluate potential financial advisors, authorized JMP, in contemplation of potential formal engagement, to reach out to five initial parties to discuss possible interest in a potential transaction with Forestar (with respect to the community development business or otherwise), including two private investment firms ("Party F" and "Party G"), a real estate investment firm ("Party H"), a private owner and developer of mixed-use, master-planned communities ("Party I"), and a non-U.S. publicly traded real estate firm ("Party J").

On July 14, 2016, Mr. Weber, Mr. Jehl, Mr. Grimm and Mr. Quinley met with representatives of D.R. Horton at D.R. Horton's corporate offices to further discuss the potential strategic investment by D.R. Horton in Forestar.

Party G executed a confidentiality agreement with Forestar on July 21, 2016.

On July 22, 2016, Mr. Weber met with representatives of D.R. Horton at its corporate offices to discuss valuation considerations with respect to Forestar and the terms of the potential strategic investment by D.R. Horton.

On July 26, 2016, Forestar delivered to D.R. Horton a revised draft of the term sheet regarding D.R. Horton's potential strategic investment in the Company, consistent with the general feedback to the term sheet from the Board at the June 16, 2016 meeting. The term sheet contemplated an acquisition of 19.9% of Forestar common stock at an unspecified premium to the market price and eliminated the proposed preferred stock investment, and, among other changes to D.R. Horton's proposed term sheet, limited D.R. Horton's board of directors veto rights and removed D.R. Horton's investment committee veto rights and added a five-year customary standstill that limited D.R. Horton's ability to acquire more than 25% of Forestar common stock or to take certain other actions. Forestar's closing stock price was \$12.24 on July 26, 2016.

On July 27, 2016, Party F and Party J each executed a confidentiality agreement with Forestar.

On August 1, 2016, Mr. Rubright met with representatives of D.R. Horton at his home to further discuss the potential strategic investment by D.R. Horton in Forestar.

On August 4, 2016, D.R. Horton delivered to the Company a revised draft of the term sheet regarding D.R. Horton's proposed strategic investment in the Company. The revised term sheet contemplated an acquisition by D.R. Horton of 19.9% of Forestar common stock, and convertible preferred stock that, together with the common stock, would result in D.R. Horton owning 25% of the fully diluted Forestar common shares outstanding on an as-diluted basis, at a purchase price of \$13.75 per share in each case. Among other changes to the Forestar July 26, 2016 draft term sheet, the revised draft (i) included expanded board of directors veto rights, (ii) reinstated certain of D.R. Horton's veto rights on the investment committee and (iii) provided for a more limited two-year standstill agreement that allowed D.R. Horton to acquire up to 30% of Forestar common stock.

The Board held an in-person meeting on August 8 and August 9, 2016, with members of Forestar management in attendance. Representatives of JMP and another potential financial advisor were also in attendance for portions of the meeting. As the Board was evaluating which financial advisor it would engage, Forestar management invited JMP and the other potential financial advisor to attend portions of the Board meeting, and each of JMP and the other financial advisor separately joined the meeting to discuss potential strategic alternatives that the Company might wish to consider and valuation matters. JMP discussed with the Board three potential options for the Company: sale, liquidation or status quo with growth, and discussed the five parties contacted for preliminary outreach in July, as

Table of Contents

well as additional potential transaction parties. After discussion of the various alternatives presented and considerations regarding the appropriate financial advisor, the Board decided to engage in a process to explore a potential sale of the Company and approved the engagement of JMP to assist with the process (at no time did JMP participate in any discussions of the Board regarding JMP's engagement). The Board's selection was based on JMP's reputation and experience and familiarity with Forestar and its business. The Board also discussed D.R. Horton's most recent proposal. The Board determined that the proposed investment construct was problematic to Forestar because the proposed D.R. Horton governance rights were excessive in comparison to the proposed level of investment. Shortly after the Board meeting, Forestar management informed D.R. Horton of these conclusions and the fact that the Company intended to engage JMP to explore strategic alternatives. Thereafter, D.R. Horton advised Forestar management that D.R. Horton was not interested in participating in a formal process with other parties. Forestar's closing stock price was \$12.16 on August 9, 2016.

On August 11, 2016, Party H executed a confidentiality agreement with Forestar.

JMP was formally engaged on August 18, 2016 pursuant to the approval granted by the Board in the August 8 and August 9, 2016 meeting. Forestar's closing stock price was \$12.25 on August 18, 2016. Beginning on August 18, 2016 and through September, at the direction of the Company and consistent with direction of the Board to initiate a potential sale process, JMP reached out to, or continued engagement with, 18 parties (including Parties A - J mentioned above, other than Party E, in light of their lack of response to the prior discussions, and Party D, who Forestar management was dealing with directly at the time) to solicit interest in an acquisition of Forestar, including several parties that had reached out to JMP or Forestar inquiring about a possible transaction. The contacted parties included public and private strategic acquirors, including national homebuilders, and private investment firms.

On September 6, 2016, Forestar opened an electronic data room for potential acquirors that had executed confidentiality agreements.

On September 14, 2016, a non-binding indication of interest was received from Party D based on the prior discussions between Party D and Forestar management. The indication of interest consisted of an offer to purchase only Forestar's community development assets for \$250 million. Forestar management had informed Party D that JMP had been retained by Forestar to assist it with evaluating strategic alternatives for the Company as a whole. Also on that day, Party I executed a confidentiality agreement with Forestar and was granted access to the electronic data room shortly thereafter.

On September 22, 2016, at the direction of the Company, JMP transmitted a process letter to the 10 parties included in the initial outreach group (including Party B and Parties G - J) that had expressed an interest in a potential transaction inviting them to submit by no later than October 7, 2016 initial indications of interest to acquire Forestar. Forestar's closing stock price was \$11.67 on September 22, 2016.

On September 28, 2016, Forestar executed a confidentiality agreement with Party I with respect to information to be provided to Forestar by Party I.

Throughout late September and October 2016, JMP and the Company's management held various telephone conferences and in-person meetings with the various parties considering a transaction to provide further information on Forestar and its business.

From September 26, 2016 to October 6, 2016, Mr. Weber, Mr. Jehl, Mr. Quinley, Mr. Thomas H. Burleson, the Company's Executive Vice President - Real Estate, West Region, other Forestar employees and representatives of JMP held telephone or in-person conferences with each of Party G, Party I, Party F and a private investment firm ("Party K") to provide information regarding Forestar and its business. Party K had initially inquired about purchasing the Company's receivables from the Cibolo Canyons Special Improvement District, but Party K subsequently contacted JMP to be involved

Table of Contents

in the potential sale process. Party K executed a confidentiality agreement with Forestar on October 5, 2016 and was granted access to the electronic data room shortly thereafter.

On October 7, 2016, Party F submitted an initial non-binding indication of interest for Forestar for an all-cash acquisition of Forestar at a preliminary valuation of \$14.00 per share.

On October 11, 2016, Mr. Jehl, Mr. Quinley, Mr. Burleson and other Forestar employees and representatives of JMP held separate telephone conferences with representatives of a publicly traded homebuilder ("Party L") and a publicly traded real estate investment trust ("Party M") to provide an overview of Forestar and its community development business by project and market, each of whom had been part of the initial outreach group contacted by JMP. Party L had executed a confidentiality agreement with Forestar on September 29, 2016 and Party M had executed a confidentiality agreement with Forestar on September 26, 2016, and each were granted access to the electronic data room shortly after executing such confidentiality agreements.

On October 14, 2016, Party I submitted an initial non-binding indication of interest. The indication of interest provided for a non-cash, all-stock private-to-public merger transaction pursuant to which Party I and Forestar would merge with Forestar as the surviving corporation, and Forestar stockholders would own approximately 13%-14% of the merged company. The offer implied a valuation of Forestar of approximately \$600 million to \$625 million based on Party I's proposed valuation of itself (a price per share of \$14.05 to \$14.64). Party I indicated that it would consider including a cash portion of the purchase price if Forestar preferred such a structure. In response to Party I's initial indication of interest, JMP requested that Party I provide financial information to support the valuation of Party I included in its initial indication of interest.

On October 18, 2016, D.R. Horton withdrew its earlier offer that had valued the Company at \$13.75 per share, informing the Company that it was not interested in an acquisition of the entire company and that it did not wish to participate in the potential sale process. D.R. Horton indicated that it would not work on a potential strategic investment in the Company until the potential sale process was concluded. Also on that day, Party I provided initial diligence information in response to Forestar's request to provide financial information to support the Party I valuation included in its initial indication of interest.

On October 19, 2016, the Board held a telephonic meeting, with members of Forestar management and representatives of JMP and Skadden in attendance (with JMP in attendance for part of the meeting). The representative of Skadden reviewed with the members of the Board their fiduciary duties. JMP summarized the status of the potential sale process to date, noting that of the parties that had been contacted as part of the initial outreach group or that had otherwise engaged in discussions with Forestar as noted above, nine (including Party A) had either declined to participate in the process or had withdrawn from the process after executing a confidentiality agreement with the Company. Four of the parties had submitted initial indications of interest: D.R. Horton (at a value of \$13.75 per share, which offer had been withdrawn on October 18, 2016), Party D (at an implied value of \$5.87 per share for the community development business only), Party F (at a value of \$14.00 per share) and Party I (at an implied value of \$14.05 to \$14.64 per share based on Party I's valuation of itself included in its indication of interest). The Board engaged in discussion with the JMP representatives regarding the process and the parties that had indicated, or were expected to indicate based on discussions with JMP, interest in a transaction with Forestar. Forestar's closing stock price was \$11.20 on October 19, 2016.

Also on October 19, 2016, an initial non-binding indication of interest was received from Party M, which contemplated that Party M would contribute a master planned community land portfolio to Forestar in exchange for Forestar common stock, preferred equity, or other consideration to be determined. Party M did not include an indicative valuation in its indication of interest. After discussions between representatives of the Company and Party M regarding the proposed transaction, including the possibility of Party M providing debt financing to an acquirer of the Company, the parties

concluded that a transaction involving Forestar and Party M was not a strategic fit given Party M's proposed transaction structure, and Party M did not continue in the potential sale process.

On October 24, 2016, Mr. Jehl, Mr. Quinley, Mr. Burselson and other Forestar employees and representatives of JMP held a telephone conference with representatives of a private community developer ("Party N") to provide an overview of Forestar and its community development business by project and market. Party N had executed a confidentiality agreement with Forestar on October 11, 2016 and was granted access to the electronic data room shortly thereafter.

Also on October 24, 2016, consistent with the discussions at the October 19, 2016 meeting of the Board, Forestar management instructed JMP to initiate an expanded outreach to six additional potential acquirors, including Starwood Capital Group ("Starwood"), a private real estate developer ("Party O") and investment firms and publicly traded real estate companies. In the days following, JMP reached out to all six parties to solicit their interest in participating in the potential sale process. On that same day, JMP transmitted a detailed request list to Party I for financial information so that Forestar, with the assistance of its advisors, could assess Party I's proposed valuation of itself.

Starwood executed a confidentiality agreement with Forestar on October 24, 2016 and was granted access to the electronic data room shortly thereafter.

On October 26, 2016, Mr. Burselson and other Forestar employees and representatives of JMP held a telephone conference with representatives of Party K to provide an overview of Forestar and its community development business by project and market.

On October 27, 2016, Party I provided additional high level financial due diligence information. Forestar, in consultation with JMP, did not consider such information sufficient to assess Party I's proposed valuation of itself. At the Company's direction, JMP communicated to Party I the need for additional due diligence materials in order for the Company to assess Party I's proposed valuation of itself.

On November 1, 2016, Party F informed JMP that it wanted to introduce another private investment firm into the process ("Party P") to evaluate the potential transaction as a potential partner with Party F. Representatives of JMP spoke with representatives of Party P and Party P executed a confidentiality agreement on November 4, 2016 and was granted access to the electronic data room shortly thereafter. Party P began to work with Party F to evaluate the potential transaction as potential partners.

On November 7, 2016, Party N submitted an initial non-binding indication of interest for an all-cash acquisition of the Company at \$14.50 per share.

In November 2016, based on discussions at the Board meeting on November 7 and November 8, 2016, Forestar determined to invite Starwood and Party O (based on discussions with such parties) and Party F and Party P, Party I and Party N (based on the terms of the initial indications of interest submitted by, and discussions with, such parties) to participate in the second round of the potential sale process. Such parties were included in the second round of the potential sale process based on the potential benefit to Forestar stockholders of the participation of such parties in light of their perceived interest level in and ability to consummate a transaction and in the interest of furthering a competitive process. Forestar determined not to invite Party D into the second round due to the lower valuation and structural impediments to a transaction compared to the other prospective acquirors. During the course of the second round of the potential sale process, the Company arranged various site tours and telephone conferences at the request of the potential acquirors in connection with their due diligence, as detailed below.

On November 11, 2016, Mr. Jehl and other Forestar employees and Forestar's external tax counsel participated in a conference call with Party F in which the parties discussed structuring alternatives for a potential transaction.

In addition, Forestar provided additional information and an update on the core community development business and the status of the non-core asset divestitures.

On December 2, 2016, Mr. Burselson met with representatives of Party O, with Mr. Jehl and other Forestar employees and representatives of JMP joining by telephone conference. Also on that day, at the direction of the Company, JMP contacted three additional parties that had expressed interest in providing financing to Party N in the potential sale process.

On January 3, 2017, Mr. Jehl participated in a telephone conference with representatives of Party F and Party P to provide an update on the non-core asset divestitures and SG&A discussions.

Also on January 3, 2017, Party N informed the Company that it would not be submitting a final offer because Party N was only interested in purchasing the community development assets of Forestar and not the equity of the Company (including the Company's liabilities), and Party N had not yet been able to arrange financing for a transaction.

On January 4, 2017, Mr. Weber and Mr. Jehl met with representatives of Party O to discuss an acquisition of Forestar and to provide a presentation regarding Forestar's water assets.

On January 12, 2017, Mr. Weber and Mr. Jehl and representatives of JMP met with Mr. Moser and Mr. David Baker, a Vice President of Starwood, in Austin, Texas, to discuss financial and business due diligence matters for the potential transaction between the Company and Starwood.

On January 16, 2017, Mr. Weber participated in a conference call with a representative of Party O to discuss the possible acquisition of Forestar by Party O.

On January 19, 2017, Party F and Party P informed JMP that they would not be submitting a final offer for the acquisition of Forestar because based on their additional due diligence reviews of the Company, the valuation of the Company would be substantially lower than the values provided in Party F's initial indication of interest. Party O also informed JMP that it would not be submitting a final offer for Forestar for the same reasons but it expressed an interest in acquiring solely the Company's community development assets if a transaction for sale of the entire Company was not consummated.

On January 27, 2017, Party I submitted its second non-binding offer for a merger of Forestar and Party I, which continued to reflect a stock-for-stock merger pursuant to which Party I would acquire Forestar and become a public company. The offer included a proposed value of Party I within the range provided in its initial indication of interest, and Forestar stockholders would own approximately 15% of the merged company. Party I did not submit a revised draft of the proposed merger agreement with its offer.

On January 28, 2017, the Board held a telephonic meeting, with members of Forestar management and representatives of JMP in attendance (with JMP in attendance for part of the meeting). The representatives of JMP provided an update on the potential sale process, identifying the parties that had withdrawn from the process and that only Party I had provided a final offer and that the January 20, 2017 deadline for such offers included in the process letter had passed, and that Party I continued to propose a stock-for-stock transaction without supplying necessary data for the Company to assess Party I's own valuation. After consultation with JMP, the Board determined that, in addition to Party I, the Company should continue to engage with Starwood to encourage submission of a final offer and with Party F and Party P with the goal of encouraging Party F and Party P to reengage in the potential sale process and submit a final offer. Forestar's closing stock price was \$13.00 on January 27, 2017.

On January 31, 2017, JMP had a telephone conference with representatives of Party I to discuss their offer and to request the necessary information for the Company to assess the proposed valuation of Party I.

On February 1, 2017, Party I provided additional financial due diligence information consisting primarily of a third party liquidation analysis at a value substantially below Party I's proposed valuation in its final offer, and which Forestar, in consultation with JMP, did not consider sufficient to substantiate Party I's proposed valuation of itself.

On February 8, 2017, Starwood submitted its non-binding second offer, which included an offer to acquire the Company for a price of \$13.65 per share and proposed a 30-day exclusivity period to continue its due diligence and execute transaction documents, followed by a post-signing due diligence period of 30 days, with Starwood having the right to terminate the merger agreement (which we refer to as the "Starwood merger agreement") in its sole discretion during such 30-day diligence period. Starwood indicated to Forestar management that it had reduced the offer price from \$15.00 per share price included in Starwood Land's initial indication of interest as a result of findings during the course of its due diligence investigation of the Company, including, among other things, the fact that a greater percentage of the Company's residential lots were under contract than Starwood had initially assumed and Starwood's belief that obtaining entitlements for one of the Company's assets was less feasible or likely to take longer than Starwood had initially assumed.

On February 13 and February 14, 2017, the Board held an in-person meeting, with members of Forestar management and representatives of JMP and Skadden in attendance (with JMP and Skadden in attendance for part of the meeting). JMP informed the Board that JMP had reached out to Party F after the January 28, 2017 Board meeting to encourage Party F and Party P to reengage in the potential sale process and submit a final offer, and Party F had declined on behalf of both such parties. In addition to the offers from Starwood and Party I, the Board discussed the Company's 2016 performance, historical community development results and projected performance, key performance indicators, inventory of lots, historical and projected SG&A targets. The Board also reviewed potential net asset value scenarios, which scenarios compared net asset values in the event of the Company's dissolution and winding up of its affairs or the continuation of the Company's business plan at different levels of investment (which scenarios are set forth below under " *Projected Financial Information Alternative Net Asset Value Scenarios*"). The Skadden representative reviewed with the Board the process and potential timing for the Company to dissolve or wind up its affairs under Delaware law. JMP and Forestar management reviewed with the Board the potential recoveries for stockholders under management's estimates of asset values, liabilities and carry costs, including sensitivities on a per share basis depending on the estimated sales price of the Company's community development business. The Board engaged in a discussion of the offers from Starwood and Party I and the other strategic options available to the Company on a going-forward basis, including the potential sale of the community development portfolio combined with liquidation of the remaining non-core assets and dissolution and winding up of the Company's affairs. JMP noted that, based on Party I's valuation of Party I's stock included in Party I's second offer and the due diligence materials provided by Party I, the implied per share value of the Party I offer was in a range of \$10.96 per share to \$16.00 per share. The Board discussed that, as a private company, Party I's valuation of itself was subject to various assumptions which would require significant additional due diligence to assess, as well as other considerations with respect to Party I's stock merger proposal, including the fact that Forestar Stockholders would own less than 20% of the merged entity. The representative of Skadden reviewed with the members of the Board their fiduciary duties in the context of the two offers. Following discussion by the Board, the Board directed Forestar management to continue to engage with Starwood and Party I, and to continue to request the due diligence items from Party I necessary for the Company to further assess the valuation of Party I in light of the proposed stock-for-stock transaction structure. The Board directed JMP to inform Starwood that it should raise its offer price in order to remain competitive on value and if it desired to enter into an exclusivity agreement with the Company. Forestar's closing stock price was \$13.25 on February 13, 2017.

On February 16, 2017, representatives of JMP held a telephonic meeting with Starwood in which it was conveyed to Starwood that the Board had determined that Starwood's \$13.65 per share offer was insufficient and that the Board was unwilling to grant an exclusivity period longer than 30 days or a "diligence out" allowing Starwood to unilaterally terminate the Starwood merger agreement.

On the same day, JMP sent a supplemental detailed due diligence request list to Party I and participated in a telephone conference with representatives of Party I to discuss the requests and the need for the information to allow Forestar to further assess the value of Party I's offer. Later that day, Party I informed JMP that it was withdrawing from the potential sale process, and did not give a reason for the withdrawal.

On February 21, 2017, Starwood submitted another non-binding indication of interest to the Company, increasing its offer price from \$13.65 per share to \$14.25 per share, and proposing a 30-day exclusivity agreement to complete due diligence and negotiate the transaction documents. On the same day, Kirkland & Ellis LLP ("Kirkland"), Starwood's legal counsel, delivered a revised draft of the Starwood merger agreement to Skadden.

On February 24, 2017, the Board held a telephonic meeting, with members of Forestar management and representatives of JMP and Skadden in attendance (with JMP in attendance for part of the meeting). JMP provided a process update and overview, and noted that with Party I's refusal to provide the requested diligence information and withdrawal from the potential sale process, Starwood was the sole party that remained in the potential sale process. JMP reviewed Starwood's revised offer of \$14.25 per share, which was the highest cash final offer received by the Company. The representative from Skadden discussed the proposed exclusivity agreement and several points in the revised draft of the Starwood merger agreement submitted by Starwood. After discussion, the Board directed Forestar management to seek improvement of certain terms in the Starwood merger agreement, including regarding termination fees, interim operating covenants, closing conditions and the outside date for the merger, as a condition to entering into the exclusivity agreement with Starwood.

Following the Board meeting, representatives of JMP reached out to Starwood to discuss the matters raised at the meeting to seek improvement to certain terms in exchange for Forestar agreeing to enter into an exclusivity agreement with Starwood.

On February 27, 2017, the Board held a telephonic meeting, with members of Forestar management and representatives of JMP and Skadden in attendance (with JMP in attendance for part of the meeting). JMP reported on its discussions with Starwood, including Starwood's requirement of a 30-day exclusivity period in order to continue pursuing a transaction. JMP updated the Board on Starwood's response to issues raised with respect to certain terms in the Starwood merger agreement and Skadden summarized the proposed exclusivity agreement. After discussion, the Board authorized Forestar management to enter into a 30-day exclusivity agreement with Starwood and to continue the negotiation of the Starwood merger agreement during this period. Later that day, Forestar and Starwood entered into a 30-day exclusivity agreement, with the exclusivity period expiring on March 29, 2017. Forestar's closing stock price was \$13.45 on February 27, 2017.

During the exclusivity period, Starwood and its advisors worked to complete its due diligence of Forestar, including via access to an electronic data room provided by Forestar, while Starwood's and Forestar management and advisors worked to finalize the Starwood merger agreement and other definitive transaction documents.

On March 3, 2017, Skadden provided Kirkland with a revised draft of the Starwood merger agreement. On March 18, 2017, Kirkland provided Skadden with a revised draft of the Starwood merger agreement. On March 24, 2017, Skadden provided Kirkland with a revised draft of the Starwood merger agreement. During this period, representatives from Skadden and Kirkland engaged in numerous telephonic meetings to discuss the Starwood merger agreement.

On March 27, 2017, the Board held a telephonic meeting, with members of Forestar management and representatives of JMP and Skadden in attendance (with JMP in attendance for part of the meeting). JMP provided an update on the progress of Starwood's due diligence process and that Starwood continued to seek information and desired to perform additional analysis but that Starwood's advisors had made substantial progress in their due diligence review. JMP noted that Starwood had originally requested a 21 day extension to the exclusivity period, but after further discussion between Starwood and Forestar, had reduced its request to an extension to April 14, 2017. The representative of Skadden provided an overview of the status of negotiation of the Starwood merger agreement, including significant open items. Following discussion among the directors, the Board authorized extending the exclusivity period to April 14, 2017.

During the period from March 27, 2017 to April 13, 2017, Forestar's and Starwood's management and advisors worked to finalize the definitive transaction documents and Starwood's due diligence review of Forestar.

On April 3, 2017, Kirkland provided Skadden with a revised draft of the Starwood merger agreement, which included consents of various counterparties to Forestar joint ventures as a closing condition to the merger. Forestar and Starwood and their representatives discussed the approach to these consents over the next several days and determined to seek to obtain certain consents prior to the execution of the Starwood merger agreement if possible.

On April 6, 2017, Skadden provided Kirkland with a revised draft of the Starwood merger agreement.

On April 10, 2017, Kirkland provided Skadden with Starwood's proposal on the key remaining open issues in the Starwood merger agreement, including the joint venture counterparty closing condition, termination fees and expense reimbursement triggers and amounts and expanding the divestiture condition. Later that day, Skadden and Kirkland discussed and negotiated the open issues, and Kirkland provided Skadden with drafts of the Starwood equity commitment letter and limited guarantee.

From April 10 through April 13, 2017, representatives of the Company and Starwood further negotiated, and reached resolution on, certain open points in the Starwood merger agreement, which included, among others, the lack of the joint venture counterparty consents condition, termination fees and expense reimbursement triggers and amounts and the scope of the divestiture condition, and the terms and conditions of the Starwood limited guarantee.

On April 12, 2017, the Board held a telephonic meeting to consider the Starwood offer and the terms of the Starwood merger agreement. Forestar management and representatives of JMP and Skadden were in attendance (with JMP in attendance for part of the meeting). Skadden's representative reviewed the director fiduciary duties and other legal matters, and provided an overview of the status of the terms of the Starwood merger agreement and the resolution of certain issues, including that the Company and Starwood had obtained consents from certain joint venture counterparties and that the associated closing condition had been removed from the Starwood merger agreement. Skadden's representative noted that certain issues remained open in the Starwood merger agreement, including with respect to termination fees and expense reimbursement amounts and triggers, and the Board provided guidance to Forestar management and Skadden as to the acceptable approach to such issues. After discussing the transaction with Forestar management and the representatives of JMP and Skadden, the Board determined to reconvene the following afternoon to consider approval of the Starwood transaction. The Board directed Skadden to discuss and attempt to resolve with Kirkland the remaining open points, including the triggers for the expense reimbursement provisions. Representatives of Skadden and Kirkland held telephonic meetings to discuss these open issues and finalized the Starwood merger agreement.

On April 13, 2017, Starwood informed the Company that the Starwood investment committee met that morning to consider the transaction and approved the merger with Starwood (which we refer to as the "Starwood merger").

In the afternoon of April 13, 2017, the Board convened a telephonic meeting to consider the Starwood offer and the terms of the Starwood merger agreement. Forestar management and representatives of JMP and Skadden were in attendance (with JMP in attendance for part of the meeting). Skadden's representatives reviewed the director fiduciary duties and other legal matters and the terms of the Starwood merger agreement, and confirmed that all open issues with respect to the Starwood merger agreement and other transaction documents had been satisfactorily resolved, including with respect to termination fees and expense reimbursement amounts and triggers. JMP provided an overview of the potential sale process, including that 29 parties had either been contacted or contacted the Company or JMP during the process that launched in August 2016 (or had been in previous contact with Forestar as discussed above), that 22 parties had executed a confidentiality agreement in relation to a potential transaction (none of which contained a "standstill" provision, except for the

Table of Contents

confidentiality agreement with D.R. Horton, as noted above), that eight parties had submitted initial indications of interest and were invited to conduct further due diligence and that two parties (Starwood and Party I) had submitted final offers, with Party I subsequently withdrawing its offer. JMP reviewed with the Board JMP's financial analysis of the \$14.25 per share consideration to be received in the Starwood merger and rendered to the Board an oral opinion, confirmed by delivery of a written opinion dated April 13, 2017, to the effect that, as of that date and based on and subject to the various assumptions and limitations set forth in its opinion, the \$14.25 per share consideration to be received by the holders of Forestar common stock (other than Starwood and its affiliates) in the Starwood merger was fair, from a financial point of view, to such holders. After discussing the proposed transaction and considering the presentations by Skadden and JMP, the Board unanimously determined the merger with Starwood to be advisable and in the best interests of Forestar stockholders, determined to approve the Starwood merger agreement and resolved to recommend adoption of the Starwood merger agreement by Forestar stockholders. Following the meeting, Forestar confirmed to Starwood that it had obtained its required Board approval and the Starwood merger agreement was executed by Forestar and Starwood in the evening of April 13, 2017.

Later on April 13, 2017, Forestar and Starwood issued a press release announcing the execution of the Starwood merger agreement.

On June 1, 2017, Forestar filed with the SEC a definitive proxy statement for the special meeting of the Company's stockholders to be held in regards to the Starwood merger.

On June 5, 2017, Mr. Weber received an email from a representative of Moelis, attaching a letter to the Board in which D.R. Horton proposed to acquire 75% of the Company for \$16.25 in cash per share (the "D.R. Horton \$16.25 Proposal"). In connection with the D.R. Horton \$16.25 Proposal, D.R. Horton delivered to the Company proposed drafts of the Stockholder's Agreement and Master Supply Agreement. D.R. Horton and the Company each issued a press release announcing the D.R. Horton \$16.25 Proposal and D.R. Horton held an investor call related to the D.R. Horton \$16.25 Proposal. Later on June 5, 2017, the Board held a telephonic meeting, with members of Company management and representatives of Skadden in attendance, to discuss the D.R. Horton \$16.25 Proposal. Representatives of Skadden gave an overview of the fiduciary duties of the Board and the terms of the Starwood merger agreement relating to the consideration of, and permitted actions with respect to, alternative proposals to the Starwood merger. Pursuant to the terms of the Starwood merger agreement, the Company delivered notice of the D.R. Horton \$16.25 Proposal to Starwood on June 5, 2017.

On June 6, 2017, Mr. Weber spoke with Mr. Moser to discuss the D.R. Horton \$16.25 Proposal.

On June 7, 2017, upon Starwood's request, Citigroup Inc. ("Citi"), Starwood's financial advisor, was given access to the Company's electronic data room. On behalf of the Company, representatives of JMP spoke with Mr. Baker and Mr. Alexis Kantt from Starwood regarding the D.R. Horton \$16.25 Proposal and the Company's expected timing to consider D.R. Horton \$16.25 Proposal. Representatives of Skadden spoke with representatives of Kirkland regarding the D.R. Representatives of JMP discussed initial considerations regarding the financial aspects of the D.R. Horton \$16.25 Proposal. After discussion of the D.R. Horton proposal with management, JMP and Skadden, including discussion of preliminary implied relative values of the consideration in the D.R. Horton \$16.25 Proposal compared to the \$14.25 per share price in the Starwood merger, the Board determined, based on the information then available to

Table of Contents

it, that the D.R. Horton \$16.25 Proposal could reasonably be expected to lead to a "Superior Proposal," as defined in the Starwood merger agreement and that failing to participate in discussions or negotiations regarding, or to furnish or disclose information (including non-public information) in response to, the D.R. Horton \$16.25 Proposal would be inconsistent with the Board's fiduciary duties to Forestar stockholders under applicable law. Accordingly, the Board instructed management to proceed to negotiate a confidentiality agreement with D.R. Horton and, upon execution of such agreement, enter into discussions or negotiations with D.R. Horton regarding the D.R. Horton \$16.25 Proposal. Following the meeting of the Board, the Company notified Starwood of the determination of the Board, as required by the Starwood merger agreement.

On June 8, 2017, the Company published a press release announcing the determination of the Board and that it expected to engage in discussions or negotiations with D.R. Horton regarding the D.R. Horton \$16.25 Proposal and furnish information to D.R. Horton in compliance with the Starwood merger agreement. Representatives of Skadden delivered an initial draft of a confidentiality agreement to Gibson, Dunn & Crutcher LLP ("Gibson Dunn"), D.R. Horton's legal counsel. Later that day, following negotiations between the parties, the Company and D.R. Horton executed a confidentiality agreement and the Company provided D.R. Horton with a copy of the Company Disclosure Letter delivered by the Company in connection with the Starwood merger agreement. Gibson Dunn delivered an initial draft of the Merger Agreement to Skadden.

On June 9, 2017, the Company delivered notice to Starwood that the Company and D.R. Horton had executed the confidentiality agreement and that a draft Merger Agreement had been delivered to the Company. D.R. Horton and its advisors were granted access to the Company's electronic data room and representatives of Skadden delivered to Gibson Dunn a list of initial questions with respect to the D.R. Horton \$16.25 Proposal and the initial draft of the Merger Agreement. Representatives of Gibson Dunn and Skadden held a telephone conference to discuss the D.R. Horton \$16.25 Proposal and timing and status of D.R. Horton's due diligence review, including the expectation that D.R. Horton's due diligence review would be largely completed within two to three days. From June 9 to June 11, 2017, the Company and its representatives responded to questions and provided additional due diligence materials to D.R. Horton and its representatives. Representatives of JMP discussed various preliminary valuation considerations, particularly with respect to the approximately 25% of Forestar common stock that would remain outstanding and publicly traded after the closing of the D.R. Horton merger. After discussion among the Board, including negotiation options with respect to the D.R. Horton \$16.25 Proposal, the Board directed the Company's management, with the assistance of JMP and Skadden, to further review the growth projections for the Company provided by D.R. Horton and negotiate with D.R. Horton various items of the D.R. Horton \$16.25 Proposal and the terms of the proposed agreements, including D.R. In addition to valuation considerations, the Board, JMP and Skadden discussed the timing and process with respect to the D.R. Horton \$16.25 Proposal. After the discussion, the Board directed the Company's management and its representatives to revise the transaction documents and deliver them to D.R. Horton, and directed JMP to complete its work comparing financial aspects of the D.R. Horton \$16.25 Proposal and the Starwood merger agreement. The Board expected that it would be in a position to make a determination at its next meeting whether the D.R. Horton \$16.25 Proposal constituted a "Superior Proposal" under the Starwood merger agreement. After the meeting, Skadden delivered to Gibson Dunn updated drafts of the Merger Agreement, Stockholder's Agreement, Master Supply Agreement and Company Disclosure Letter. Skadden and Gibson Dunn held a conference call in which Skadden conveyed that if D.R. Horton would like the Board to consider a revised proposal from D.R. On June 21, 2017, Skadden delivered to Gibson Dunn a revised Company Disclosure Letter. Skadden informed Kirkland that the Board would be meeting and expected to make its determination with respect to whether the D.R. Horton \$16.25 Proposal constituted a Superior Proposal. Prior to the meeting of the Board, Starwood transmitted a letter to the Company with a proposed amendment to the Starwood merger agreement, executed by the Starwood parties, to increase the merger consideration in the Starwood merger from \$14.25 per share to \$15.50 per share (the "Starwood \$15.50 Amendment"). The Starwood \$15.50 Amendment provided that other than the increase in the merger consideration to \$15.50 per share, the terms of the Starwood merger agreement would be unchanged. Starwood included with its letter a financial presentation prepared by Citi comparing the value of the D.R. Horton \$16.25 Proposal and the proposed increased \$15.50 per share price in the Starwood merger. Thereafter, the Board held a telephonic meeting, with members of the Company's management and representatives of JMP and Skadden in attendance, to discuss the D.R. Horton \$16.25 Proposal and the Starwood \$15.50 Amendment. Skadden presented an overview of the fiduciary duties of the Board, and provided a summary of the expected binding offer for the D.R. Horton \$16.25 Proposal and the proposed Starwood \$15.50 Amendment. The Company's management presented its views on the comparative value of the transactions. JMP discussed a comparison of financial aspects of the transactions. During the meeting, D.R. Horton submitted the expected binding offer with respect to the D.R. Horton \$16.25 Proposal, which included executed versions of the Merger Agreement, the Stockholder's Agreement and the Master Supply Agreement and a binding offer letter which stated that the binding offer would automatically terminate if, among other things, (a) the Company failed to provide notice to D.R. Horton by 5:30 p.m. New York time on June 22, 2017 that the Company had provided notice to Starwood that the Board had determined that the D.R. Horton \$16.25 Proposal was a Superior Proposal under the Starwood merger agreement, or (b) the Company failed to terminate the Starwood merger agreement and return the Company's countersignatures to the transaction agreements by 1:00 p.m. New York time on June 29, 2017. After discussing the D.R. Horton proposal and the proposed Starwood \$15.50 Amendment, the Board determined not to make a determination at the meeting regarding whether the D.R. Horton \$16.25 Proposal constituted a Superior Proposal in order to allow JMP to update its work comparing financial aspects of the transactions in light of the increased \$15.50 per share price proposed by Starwood, and to provide the Board with adequate time to consider the two transactions. The Board resolved to approve the Company's entry into the Starwood \$15.50 Amendment and reaffirmed its prior determination, in light of the Starwood \$15.50 Amendment, that the D.R. Horton \$16.25 Proposal could reasonably be expected to lead to a Superior Proposal. Thereafter, the Company executed the Starwood \$15.50 Amendment and Skadden delivered notice to Starwood of the execution of the Starwood \$15.50 Amendment and of the determination by the Board that the D.R. Horton \$16.25 Proposal could reasonably be expected to lead to a Superior Proposal. Skadden also delivered notice to Starwood of Gibson Dunn's delivery to Skadden of the D.R. Horton binding offer and of Skadden's delivery of an updated Company Disclosure Letter to Gibson Dunn. Later on June 21, 2017, the Company issued a press release announcing the Starwood \$15.50 Amendment and the determination by the Board that the D.R. Horton \$16.25 Proposal could reasonably be expected to lead to a Superior Proposal. That evening, representatives of JMP spoke with representatives of Moelis to discuss the D.R. Horton proposal in light of the Starwood \$15.50 Amendment.

On June 22, 2017, D.R. Horton issued a pre-market press release in which it noted its commitment to the D.R. Horton \$16.25 Proposal. Representatives of Skadden and Gibson Dunn held a conference call to discuss the upcoming meeting of the Board, scheduled for later in the day, and Skadden informed Gibson Dunn that it was expected that the Board would make a determination at the meeting regarding whether the D.R. Horton \$16.25 Proposal was a Superior Proposal. Prior to the Board meeting, D.R. Horton submitted a revised binding offer to the Company increasing the cash consideration to acquire 75% of the Company from \$16.25 per share to \$16.75 per share (the "D.R. Horton \$16.75 Proposal"). The binding offer with respect to the D.R. Horton \$16.75 Proposal,

which included executed versions of the Merger Agreement, the Stockholder's Agreement and the Master Supply Agreement unchanged from the June 21 versions other than with respect to the increase in the cash consideration to \$16.75 per share, provided that the binding offer would automatically terminate if, among other things, (a) the Company failed to provide notice to D.R. Horton by 11:59 p.m. New York time on June 22, 2017 that the Company had provided notice to Starwood that the Board had determined that the D.R. Horton \$16.75 Proposal was a Superior Proposal under the Starwood merger agreement, or (b) the Company failed to terminate the Starwood merger agreement and return the Company's countersignatures to the transaction agreements by 1:00 p.m. New York time on June 29, 2017. After receiving the D.R. Horton \$16.75 Proposal, but before the Board meeting, Skadden telephoned Kirkland to update them that there had been developments with respect to the D.R. Horton transaction and that Skadden would likely have additional information to share following the meeting with the Board. The Board held a telephonic meeting at 5:00 p.m. New York time, with members of the Company's management and representatives of JMP and Skadden in attendance. In light of the recent receipt of the D.R. Horton \$16.75 Proposal, the Board discussed the relative valuations of the two transactions, but determined to make no immediate determination with respect to whether the D.R. Horton \$16.75 Proposal constituted a Superior Proposal. JMP again discussed a comparison of financial aspects of the transactions and discussed transaction timing, considerations related to stockholder approval, considerations related to recent trading of the Company's stock and other strategic considerations. The Board also discussed its approach with respect to the Starwood and D.R. Horton transactions and concluded that it would likely determine that a D.R. Horton transaction was a Superior Proposal at a price of \$17.25 per share, if the Starwood price remained at \$15.50 per share. The Board directed the Company's management, JMP and Skadden to reach out to Starwood and D.R. Horton to encourage each party to present a revised offer that evening for consideration by the Board ahead of the 11:59 p.m. New York time expiration of the D.R. Horton \$16.75 Proposal. The Board determined to reconvene later in the evening.

After the conclusion of the 5:00 p.m. New York time meeting of the Board, representatives of JMP telephoned representatives of Moelis to convey that no determination was made with respect to the D.R. Horton \$16.75 Proposal but that, based on the Starwood \$15.50 Amendment, the Board had authorized JMP to communicate that the Board would likely declare a D.R. Horton transaction at a price of \$17.25 per share a Superior Proposal and that, in any event, the Board was scheduled to reconvene that evening. Skadden telephoned Kirkland to notify them of the D.R. Horton \$16.75 Proposal and informed them that if an improved Starwood offer were to be forthcoming, it would be preferable to be made that evening. Subsequently, Kirkland delivered to Skadden a second proposed amendment to the Starwood merger agreement, executed by the Starwood parties, to increase the merger consideration from \$15.50 to \$16.00 per share (the "Starwood \$16.00 Amendment"). The Starwood \$16.00 Amendment provided that other than the increase in the merger consideration to \$16.00 per share, the terms of the Starwood merger agreement would be unchanged. The Board held another telephonic meeting, at 9:30 p.m. New York time, to discuss its approach while awaiting a possible response from D.R. Horton. The Board was informed that a response from D.R. Horton had not been received and was likely to be provided, if one were forthcoming, only on the morning of June 23, 2017. Representatives of JMP discussed with the Board the relative valuation of the Starwood \$16.00 Amendment and the D.R. Horton transaction at various potential values of the cash consideration in the D.R. Horton merger. After such discussion, the Board instructed JMP to notify Moelis that the Board would likely determine the D.R. Horton transaction a Superior Proposal at a price of \$17.75 per share in light of the increased Starwood price. In light of the lack of response from D.R. Horton and the Starwood \$16.00 Amendment, the Board opted to allow the D.R. Horton \$16.75 Proposal to expire at 11:59 p.m., approved the execution and delivery of the Starwood \$16.00 Amendment and decided to reconvene at 7:00 a.m. New York time on June 23, 2017. Representatives of JMP telephoned Moelis to inform Moelis that the Board would reconvene at that time to consider any binding offer that was provided by D.R. Horton ahead of such meeting.

On June 23, 2017, prior to the 7:00 a.m. New York time Board meeting, D.R. Horton submitted a revised binding offer to the Company increasing the cash consideration to acquire 75% of the Company from \$16.75 per share to \$17.75 per share (the "D.R. Horton \$17.75 Proposal"). The D.R. Horton \$17.75 Proposal, which included executed versions of the Merger Agreement, the Stockholder's Agreement and the Master Supply Agreement unchanged from the June 21 versions other than with respect to consideration, provided that the binding offer would automatically terminate if, among other things, (a) the Company failed to provide notice to D.R. Horton by 9:30 a.m. New York time on June 23, 2017 that the Company had provided notice to Starwood that the Board had determined that the D.R. Horton \$17.75 Proposal was a Superior Proposal under the Starwood merger agreement, or (b) the Company failed to terminate the Starwood merger agreement and return the Company's countersignatures to the transaction agreements by 1:00 p.m. New York time on June 30, 2017. The Board held a telephonic Board meeting at 7:00 a.m. New York time, with members of Company management and representatives of JMP and Skadden in attendance. Representatives of Skadden provided an overview of the Board's fiduciary duties and the proposed terms of the transaction documents with D.R. Horton, and JMP discussed financial aspects of the D.R. Horton \$17.75 Proposal compared to the \$16.00 per share price from Starwood. After discussing the D.R. Horton \$17.75 Proposal and the Starwood merger agreement, including the Starwood \$16.00 Amendment, the Board determined that the D.R. Horton \$17.75 Proposal constituted a Superior Proposal, and that failure to terminate the Starwood merger agreement to enter into an agreement concerning the D.R. Horton \$17.75 Proposal would be inconsistent with its fiduciary duties to the stockholders of the Company under applicable law. Following the Board meeting, Skadden delivered a notice to Starwood that the Board has determined that the D.R. Horton \$17.75 Proposal constituted a Superior Proposal and that the Board intended to terminate the Starwood merger agreement to enter into a definitive, written agreement with respect to the D.R. Horton \$17.75 Proposal. In accordance with the Starwood merger agreement, the Company informed Starwood that it would discuss and negotiate with Starwood in good faith (to the extent requested by Starwood) until 5:00 p.m. New York time on June 28, 2017 such adjustments in the terms and conditions of the Starwood merger agreement as would permit the Board not to terminate the Starwood merger agreement with Starwood, and provided notice to D.R. Horton of its delivery of such notice to Starwood. The Company also delivered written notice to Starwood of the D.R. Horton \$16.75 Proposal and the D.R. Horton \$17.75 Proposal, as well as the execution by the Company of the Starwood \$16.00 Amendment. Representatives from JMP spoke with Mr. Baker at Starwood regarding the decision of the Board and the pending press release. The Company issued a press release announcing the Superior Proposal determination and the Starwood \$16.00 Amendment on the morning of June 23, 2017.

Following the notice on June 23, 2017 until the end of the notice period at 5:00 p.m. New York time on June 28, 2017, Starwood did not request that the Company discuss and negotiate with Starwood in good faith any adjustments to the terms and conditions of the Starwood merger agreement. During such period, representatives of Starwood contacted representatives of D.R. Horton to discuss the potential acquisition of certain Forestar assets by Starwood. D.R. Horton informed Starwood that it did not have the authority to negotiate any such transaction on behalf of Forestar and that it was not currently in a position to determine the appropriate sale value of any of Forestar's assets.

On the evening of June 28, 2017, the Board convened a telephonic meeting to consider the D.R. Horton \$17.75 Proposal. Representatives of Company management and representatives of JMP and Skadden were in attendance. Skadden's representatives reviewed the director fiduciary duties and other legal matters and the terms of the Merger Agreement, the Stockholder's Agreement and the Master Supply Agreement and confirmed that the transaction documents were unchanged from those discussed at the previous Board meeting, other than the increased price. JMP reviewed with the Board JMP's financial analysis of the D.R. Horton \$17.75 Proposal and rendered to the Board an oral opinion, confirmed by delivery of a written opinion dated June 28, 2017, to the effect that, as of that

Table of Contents

date and based on and subject to the various assumptions and limitations set forth in its opinion, the aggregate merger consideration to be received by the holders of Forestar common stock (other than D.R. Horton and its affiliates) in the merger was fair, from a financial point of view, to such holders. After discussing the proposed transaction and considering the presentations by Skadden and JMP, the Board unanimously resolved that the D.R. Horton \$17.75 Proposal remained a Superior Proposal, to terminate the Starwood merger agreement, to authorize the Company to pay the \$20 million termination fee to Starwood, that the merger with D.R. Horton is advisable and in the best interests of Forestar stockholders and to approve the Merger Agreement and recommend adoption of the Merger Agreement by Forestar stockholders.

On the morning of June 29, 2017, the Company paid the \$20 million termination fee to Starwood as required under the Starwood merger agreement and provided a notice of termination of the Starwood merger agreement to Starwood. Immediately thereafter, the Company executed the Merger Agreement, the Stockholder's Agreement and the Master Supply Agreement and provided such documents to D.R. Horton, together with a notice of the Company's termination of the Starwood merger agreement.

Later on the morning of June 29, 2017, prior to the market opening, the Company issued a press release announcing the termination of the Starwood merger agreement and the entry into the Merger Agreement, and the Company and D.R. Horton issued a joint press release announcing the execution of the Merger Agreement.

Following the execution of the merger agreement, representatives of Starwood again contacted representatives of D.R. Horton to discuss a potential transaction involving the acquisition of certain Forestar assets by Starwood. Representatives of D.R. Horton informed representatives of Forestar regarding the Starwood inquiry, and subsequently representatives of D.R. Horton met with representatives of Starwood to discuss Starwood's interest in a transaction. Following such meeting, D.R. Horton again informed Starwood that it did not have the authority to negotiate any such transaction on behalf of Forestar and that it was not currently in a position to determine the appropriate sale value of any of Forestar's assets.

Recommendation of the Forestar Board of Directors and Reasons for the Merger

Recommendation of Our Board of Directors

The Board, after considering the various factors described below, (i) unanimously determined that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the merger, are advisable, fair to and in the best interests of Forestar and its stockholders, (ii) declared the Merger Agreement advisable under Delaware law and (iii) unanimously approved, adopted and authorized the Merger Agreement and the transactions contemplated by the Merger Agreement, including the merger.

The Board unanimously recommends that you vote (i) "FOR" the proposal to adopt the Merger Agreement, (ii) "FOR" the proposal to approve, by non-binding advisory vote, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger and (iii) "FOR" the proposal to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement.

Reasons for the Merger

In evaluating the merger, the Merger Agreement and the other transactions contemplated by the Merger Agreement, the Board consulted with our management team and our outside legal and financial advisors and, in reaching its decision to approve the merger, the Merger Agreement and the

Table of Contents

other transactions contemplated by the Merger Agreement, the Board considered a number of factors, including the following material factors which it viewed as supporting its decision to approve and recommend approval of the merger and the adoption of the Merger Agreement by our stockholders:

the fact that the Company considered a variety of strategic alternatives over an extensive, approximately two-year period;

the fact that the Company sought offers to purchase from a broad group of potential bidders, including financial sponsors and strategic bidders, 22 of which entered into confidentiality agreements with the Company and received information related to the Company, and D.R. Horton's offer was the highest value final offer in the judgment of the Board;

the fact that the implied value of the proposed aggregate consideration to be received by the holders of Forestar's common stock of \$16.00 to \$17.82 on a per share basis (as indicated by the illustrative pro forma Forestar discounted cash flow analysis performed by Forestar's financial advisor described below under "*Opinion of Forestar's Financial Advisor*") was equal to or above the price of \$16.00 per share to be paid in the amended Starwood merger agreement, and a premium of between 13.8% and 26.8% over the Company's closing stock price on April 12, 2017, the day prior to the announcement of the Starwood merger agreement; and

the belief of the Board that the per share transaction consideration of \$17.75 in cash for 75% of the shares of Forestar common stock is more favorable to Forestar stockholders than the consideration of \$16.00 per share in cash per share of Forestar common stock that was to be paid under the amended Starwood merger agreement;

the fact that the price proposed by D.R. Horton reflected extensive negotiations between the Company and D.R. Horton, as well as extensive negotiations between the Company and Starwood;

the Company's current and historical financial condition, results of operations, competitive position, strategic options and prospects, as well as the Company's future financial plan and prospects, and the Board's and management's knowledge of D.R. Horton's business, strategy and future prospects, and the assessment, based on such knowledge, that the transaction would be favorable to Forestar and its stockholders;

the perceived challenges and risks, and the general and administrative costs, of continuing as a stand-alone public company and the assessment by the Board that no other internally developed alternatives were reasonably likely in the near term to create greater value for Forestar stockholders than the merger, taking into account business, competitive, industry and market risks;

the Board's view of D.R. Horton's successful track record in the real estate business and the potential benefits of the strategic alliance with D.R. Horton, the nation's largest homebuilder (as measured by number of homes closed and revenues), including pursuant to the Master Supply Agreement, and discussions with Forestar's management and its financial advisor regarding D.R. Horton's business, assets, financial condition, business plan and prospects;

the financial analyses presented by JMP, as well as the oral opinion of JMP delivered to the Board on June 28, 2017, and subsequently confirmed by delivery of a written opinion by JMP, dated June 28, 2017, as to the fairness, from a financial point of view and as of the date of the opinion, to holders of Forestar common stock (other than D.R. Horton and its affiliates) of the aggregate merger consideration, which opinion was based on and subject to the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, as more fully described below under "*Opinion of Forestar's Financial Advisor*," and in considering JMP's opinion, the Board noted that JMP had informed the Board on June 6,

Edgar Filing: Forestar Group Inc. - Form 424B3

Table of Contents

2017, that during the two year period ended June 6, 2017, JMP had not been engaged by Forestar, D.R. Horton or Starwood Land Ventures, and there was no potential engagement pending with such persons, other than in its role as financial advisor to Forestar in connection with the merger, and that JMP believed that it did not have any relationships with D.R. Horton or Starwood that would prevent JMP from acting independently as Forestar's financial advisor in connection with the merger;

the current state of the economy and uncertainty surrounding forecasted economic conditions both in the near term and the long term, generally, and within our industry in particular which could reduce revenue generated by our projects;

the fact that the Forestar stockholders may elect to receive the merger consideration either in (i) all cash or (ii) all Forestar common stock (subject, in each case, to proration), providing Forestar stockholders with the option to receive immediate value through the cash consideration or to continue to participate in the equity value of Forestar as an affiliate of D.R. Horton following the D.R. Horton merger recognizing that Forestar stockholders will hold approximately 25% on a fully diluted basis of Forestar equity immediately after the D.R. Horton merger, and that one current Forestar director will continue to serve on the Board after the D.R. Horton merger;

the fact that the termination fee of \$20 million payable by us in certain circumstances was viewed by the Board, after consultation with our advisors, as reasonable and not likely to preclude any other party from making a competing acquisition proposal, including in light of D.R. Horton's acquisition proposal;

the fact that the expense reimbursement of \$4 million payable by us if the Merger Agreement is terminated in certain circumstances was viewed by the Board, after consultation with our advisors, as reasonable;

the reasonable likelihood that the merger and the other transactions contemplated by the Merger Agreement would be completed based on, among other things, D.R. Horton's size and financial liquidity and its status as a strategic acquiror, and the Company's ability to seek to specifically enforce D.R. Horton's obligations under the Merger Agreement, including the obligation to consummate the merger, and the lack of a financing condition for the merger;

the Company's ability, under circumstances described in the Merger Agreement, to provide information to and engage in discussions or negotiations with a third party that makes an unsolicited bona fide acquisition proposal if the Board, prior to taking any such actions, determines in good faith that such acquisition proposal either constitutes a superior proposal or could reasonably be expected to lead to a superior proposal and the fact that none of the confidentiality agreements entered into by the Company in the potential sales process contains a "standstill" provision that remains effective;

the ability of the Board, under circumstances described in the Merger Agreement, to withdraw, modify or amend the Board's recommendation that Forestar stockholders vote to adopt the Merger Agreement, subject to payment of a termination fee of \$20 million if the Merger Agreement is terminated in such case;

our ability to terminate the Merger Agreement, under certain circumstances, in order to enter into a definitive agreement providing for a superior proposal if the Board determines, after consultation with advisors and after taking into account any changes to the terms of the Merger Agreement proposed by D.R. Horton, that the superior proposal continues to constitute a superior proposal, upon payment of a termination fee of \$20 million;

the terms and conditions of the Merger Agreement, which were reviewed by the Board in consultation with our advisors, and the fact that such terms were derived from arm's-length negotiations among the parties;

the belief of the Board that there are a limited number of potential purchasers of the Company based on, among other things, strategic fit and financial ability;

the fact that the receipt of new shares of Forestar common stock, if applicable, is not expected to be taxable to Forestar stockholders for U.S. federal income tax purposes;

the fact that the Merger Agreement would be subject to adoption by our common stockholders, and our common stockholders would be free to reject the merger by voting against the merger for any reason, including if a higher offer were to be made prior to the special meeting (although we may be required to pay expense reimbursement of \$4 million in such circumstances or, if we subsequently were to enter into a definitive agreement relating to and/or consummate an acquisition proposal, a termination fee of \$20 million under certain circumstances);

the minority stockholder protections contained in the D.R. Horton Stockholder's Agreement and Forestar organizational documents, including independent director approval of certain actions of Forestar for a period of time after consummation of the D.R. Horton merger; and

the fact that stockholders who do not vote to adopt the Merger Agreement and who follow certain prescribed procedures are entitled to appraisal rights under Delaware law.

The Board also considered the following potentially negative factors in its deliberations concerning the merger, the Merger Agreement and the other transactions contemplated by the Merger Agreement:

the fact that the transaction is not all cash, which precludes Forestar stockholders from enjoying certainty of value for their shares of Forestar common stock;

the fact that the receipt of cash, if applicable, is expected to be taxable to Forestar stockholders for U.S. federal income tax purposes;

the fact that the existence of a controlling stockholder of Forestar may have the effect of making it more difficult for a third party to acquire, or discouraging a third party from seeking to acquire, Forestar, and that a third party would be required to negotiate any such transaction with D.R. Horton, and the interests of D.R. Horton with respect to such transaction may be different from the interests of other Forestar stockholders;

the risk that the merger could be delayed or not completed;

the fact that, although the Board has determined that the merger is advisable and in the best interests of the Company and our stockholders and reflects the best price reasonably available in a sale of the Company at this time, and despite the fact that we conducted an extensive marketing process, with the assistance of our financial advisor, there can be no assurances that another alternative would not have resulted in a higher amount per share than the price payable pursuant to the merger;

the significant costs involved in connection with entering into and completing the merger and the substantial time and effort of management required to complete the merger, which may disrupt the Company's business operations;

the restrictions on the conduct of our business prior to the completion of the merger, which could delay or prevent us from undertaking acquisition, development, redevelopment, disposition and other business opportunities that may arise pending completion of the proposed transactions and generally change the manner in which we have conducted our business and operations in the past;

Edgar Filing: Forestar Group Inc. - Form 424B3

the risk that the pending transactions or failure to complete the merger may negatively impact our relationships with our lenders, stockholders, joint venture partners and other business partners, and may divert attention away from the day-to-day operation of our business;

the risk that the conditions to the merger may not be satisfied, including if holders of 20% or more of our common stock properly exercise appraisal rights;

our inability to solicit competing acquisition proposals and the possibility that the \$20 million termination fee payable by us upon the termination of the Merger Agreement under the circumstances described in the Merger Agreement could discourage other potential bidders from making a competing bid to acquire us;

the risk that the potential benefits of the strategic relationship with D.R. Horton, including the transactions contemplated by the Master Supply Agreement, may not be realized;

the risk that other builder customers may be reluctant to purchase lots from or refer new development projects to Forestar due to the relationship with D.R. Horton;

the risk that after the merger, D.R. Horton will control Forestar and D.R. Horton's interests may conflict with the interests of the other Forestar stockholders.

the fact that some of our directors and executive officers may have interests in the merger and the other transactions contemplated by the Merger Agreement that are different from, or in addition to, those of our stockholders; and

the fact that the Company will experience an "ownership change" under Section 382 of the Code, potentially limiting its use of tax attributes, such as unrealized built-in losses and other tax attributes, to reduce future tax liabilities after completion of the merger.

The foregoing discussion is not meant to be exhaustive, but summarizes the material factors considered by the Board in its consideration of the merger. After considering these and other factors, the Board concluded that the potential benefits of the merger outweighed the uncertainties and risks. In view of the variety of factors considered by the Board and the complexity of these factors, the Board did not find it practicable to, and did not, quantify or otherwise assign relative weights to the foregoing factors in reaching its determination and recommendations. Moreover, each member of the Board applied his or her own personal business judgment to the process and may have assigned different weights to different factors. Based upon the totality of the information presented to and considered by the Board, the Board unanimously approved the Merger Agreement and the consummation of the merger in accordance with the terms and subject to the conditions of the Merger Agreement and recommends that Forestar stockholders adopt the Merger Agreement.

Opinion of Forestar's Financial Advisor

Forestar has retained JMP as its financial advisor in connection with the merger. In connection with this engagement, Forestar requested that JMP evaluate the fairness, from a financial point of view, to holders of Forestar common stock (other than D.R. Horton and its affiliates) of the aggregate merger consideration to be received by such holders in the merger. On June 28, 2017, at a meeting of the Board at which the merger was approved, JMP rendered to the Board an oral opinion, confirmed by delivery of a written opinion dated June 28, 2017, to the effect that, as of that date and based on and subject to the matters described in its opinion, the aggregate merger consideration to be received by the holders of Forestar common stock (other than D.R. Horton and its affiliates) in the merger was fair, from a financial point of view, to such holders.

The full text of JMP's written opinion, dated June 28, 2017, which describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken, is attached to this proxy statement/prospectus as Annex D and is incorporated into this proxy statement/prospectus by

reference. The description of JMP's opinion set forth in this proxy statement/prospectus is qualified in its entirety by reference to the full text of JMP's opinion. **JMP's opinion was provided to the Board (in its capacity as such) in connection with its consideration of the merger. JMP's opinion did not address the underlying decision of Forestar to proceed with or effect the merger or the relative merits of the merger as compared to any alternative strategy or transaction that might exist for Forestar (including, without limitation, the previously proposed Starwood merger). JMP's opinion does not constitute a recommendation as to how the Board or any stockholder should act or vote with respect to the merger or any other matter, including whether any stockholder should elect to receive either the cash consideration or the stock consideration or make no election. Forestar stockholders are urged to read carefully JMP's opinion in its entirety.**

For purposes of its opinion, JMP:

reviewed the financial terms and conditions of the Merger Agreement;

reviewed certain publicly available business and financial information relating to Forestar, including Forestar's audited financial statements for the years ended December 31, 2016, 2015 and 2014;

reviewed certain financial projections provided to JMP by Forestar relating to Forestar and its community development projects, as well as to the estimated sale value of Forestar's multifamily assets (as summarized below under " *Projected Financial Information*"), and certain other historical and current financial and business information provided to JMP by Forestar, including purchase price information from certain letters of intent and draft purchase agreements as well as certain third party appraisals provided to JMP by Forestar relating to certain other real estate assets of Forestar;

reviewed certain financial projections provided to JMP by D.R. Horton relating to the Company after completion of the merger and adjustments thereto provided to JMP by Forestar;

held discussions regarding the operations, financial condition and prospects of Forestar before and after completion of the merger with the respective senior managements of Forestar and D.R. Horton;

reviewed, for informational purposes, the premiums paid in certain publicly announced mergers and acquisitions transactions in certain real estate industries;

reviewed the current and historical trading prices and volume of Forestar common stock;

considered the results of Forestar's efforts, with JMP's assistance, to solicit indications of interest and definitive proposals from certain third parties with respect to a possible acquisition of Forestar, including with respect to the previously proposed Starwood merger; and

performed such other studies, analyses and inquiries and considered such other factors as JMP deemed appropriate.

In arriving at its opinion, JMP, with Forestar's consent, (i) relied upon and assumed the accuracy and completeness of all information from public sources or which was provided to JMP by or on behalf of Forestar or D.R. Horton or otherwise reviewed by JMP, without independent verification, (ii) did not assume any responsibility for independently verifying such information, and (iii) relied on the assurances of the senior management of Forestar that it was not aware of any facts or circumstances that would make such information provided to JMP inaccurate or misleading. In addition, with Forestar's consent, JMP did not make any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of Forestar (with respect to any of its community development projects or otherwise), nor was JMP furnished with any such evaluations or appraisals except as described above. With respect to the financial projections referred to above (including the financial

Table of Contents

projections provided to JMP by D.R. Horton as adjusted by Forestar relating to the Company after completion of the merger) and any other forecasts or forward-looking information, JMP assumed, at the direction of the senior management of Forestar, that such projections, forecasts and information were reasonably prepared and reflected the best currently available estimates and good faith judgments of such management as to the expected future results of operations and financial condition of Forestar before and after completion of the merger and the other matters covered thereby, and JMP relied on such information in arriving at its opinion. Further, with respect to such financial projections and any other forecasts or forward-looking information, as part of JMP's analysis in connection with its opinion, JMP assumed, with Forestar's consent, that the financial results reflected therein could be realized in the amounts and at the times indicated thereby, and JMP did therefore not assess the reasonableness or achievability of such projections, forecasts and information. With respect to the purchase price information from letters of intent and draft purchase agreements as well as the third party appraisals referred to above, JMP assumed, at the direction of the senior management of Forestar, that such purchase price information and third party appraisals represented reasonable estimates of the values of the assets of Forestar to which they relate, and JMP relied on such information in arriving at its opinion. In arriving at its opinion, JMP did not apply a minority discount for purposes of its analysis of the new Forestar common stock to be received as part of the aggregate merger consideration.

In addition, in arriving at its opinion, JMP assumed, with Forestar's consent, that (i) all material information JMP requested from Forestar during the scope of its engagement had been provided to JMP fully and in good faith, (ii) the merger would be consummated in accordance with the terms and conditions set forth in the Merger Agreement (the final terms and conditions of which JMP assumed would not differ in any respect material to JMP's analysis from the aforementioned draft that JMP reviewed), without any waiver, modification or amendment of any material terms or conditions, (iii) the representations and warranties made by the parties to the Merger Agreement were and would be true and correct in all respects material to JMP's analysis, (iv) all governmental and third party consents, approvals and agreements necessary for the consummation of the merger would be obtained without any adverse effect on Forestar or the merger, and (v) the merger would not violate any applicable federal or state statutes, rules or regulations.

JMP's opinion addressed only the fairness, from a financial point of view, to the holders of Forestar common stock (other than D.R. Horton and its affiliates) of the aggregate merger consideration to be received by such holders in the merger. JMP's opinion did not constitute legal, regulatory, accounting, insurance, tax or other similar professional advice and did not address (i) the underlying decision of Forestar to proceed with or effect the merger, (ii) the terms of the merger (other than the aggregate merger consideration to the extent expressly addressed in JMP's opinion) or any arrangements, understandings, agreements or documents related to the merger (including the terms of the Master Supply Agreement and Stockholder's Agreement contemplated to be entered by Forestar and D.R. Horton), (iii) the fairness of the merger (other than with respect to the aggregate merger consideration to the extent expressly addressed in JMP's opinion) or any other transaction to Forestar's equity holders or creditors or any other person or entity, including, without limitation, the fairness of any consideration to be paid in connection with the merger to the holders of any other class of securities, creditors or other constituencies of Forestar or the fairness of the aggregate merger consideration relative to any such consideration, (iv) the election by holders of Forestar common stock to receive the cash consideration or the stock consideration, or the actual allocation between the cash consideration and the stock consideration among such holders (including, without limitation, any allocation thereof as a result of proration pursuant to the Merger Agreement), or the relative fairness of the cash consideration and the stock consideration, (v) the relative merits of the merger as compared to any alternative strategy or transaction that might exist for Forestar (including, without limitation, the previously proposed Starwood merger), or the effect of any other transaction which Forestar may consider in the future, (vi) the tax, accounting or legal consequences of the merger, or (vii) the solvency, creditworthiness, fair market value or fair value of any of Forestar, D.R. Horton or

their respective assets under any applicable laws relating to bankruptcy, insolvency, fraudulent conveyance or similar matters. JMP's opinion expressed no opinion as to the fairness of the amount or nature of any compensation to any officers, directors or employees of any party to the merger, or any class of such persons, relative to the aggregate merger consideration to be received by the holders of Forestar common stock in the merger.

JMP's opinion was necessarily based on business, economic, monetary, market and other conditions as they existed and could be reasonably be evaluated on, and the information made available to JMP as of, the date of JMP's opinion. Subsequent developments may affect JMP's opinion, and JMP assumed no responsibility for updating or revising its opinion based on circumstances or events occurring after the date of the opinion (regardless of the closing date of the merger). JMP has not been engaged to amend, supplement or update its opinion at any time. JMP expressed no view or opinion as to what the value of the new Forestar common stock actually will be when issued pursuant to the merger or the prices at which Forestar common stock issued before or after completion of the merger may be purchased, sold or exchanged, or otherwise be transferable, at any time. JMP also expressed no view or opinion as to the prices at which any of the real estate assets of Forestar may be purchased, sold or exchanged, or otherwise be transferable, at any time. Forestar imposed no other instructions or limitations on JMP with respect to the investigations made or procedures followed by JMP in rendering its opinion.

In preparing its opinion, JMP performed a variety of financial analyses, including those described below. This summary of the analyses is not a complete description of JMP's opinion or the analyses underlying, and factors considered in connection with, JMP's opinion, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to summary description. JMP arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole, and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinion. Accordingly, JMP believes that its analyses must be considered as a whole and selecting portions of its analyses and factors without considering all analyses and factors could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, JMP considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its opinion, many of which are beyond the control of Forestar. No company, business or transaction reviewed is identical to Forestar, either before or after completion of the merger, or the merger. An evaluation of these analyses is not entirely mathematical; rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies, businesses or transactions reviewed.

The estimates contained in JMP's analyses and the valuation ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by its analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, JMP's analyses are inherently subject to substantial uncertainty.

JMP was not requested to, and it did not, recommend the specific consideration payable in the merger. The type and amount of consideration payable in the merger was determined through negotiations between Forestar and D.R. Horton and the decision of Forestar to enter into the Merger Agreement was solely that of the Board. JMP's opinion was only one of many factors considered by the

Table of Contents

Board in its consideration of the merger and should not be viewed as determinative of the views of the Board or management with respect to the merger or the consideration to be received in the merger.

The following is a summary of the material financial analyses provided to the Board in connection with JMP's opinion. **The financial analyses summarized below include information presented in tabular format. In order to fully understand JMP's financial analyses, the tables must be read together with the text of each summary. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of JMP's financial analyses.**

Implied Aggregate Merger Consideration. JMP calculated implied values of the aggregate merger consideration by adding together the cash component of approximately \$558.3 million and implied values of the aggregate stock consideration based on (1) an implied value of the stock consideration of \$17.75 per share and (2) a range of implied values of the stock consideration based on an illustrative pro forma discounted cash flow analysis described below. These calculations indicated the following:

An implied value of the aggregate merger consideration of \$744.3 million using an implied value of the aggregate stock consideration based on an implied value of the stock consideration of \$17.75 per share; and

A range of implied values of the aggregate merger consideration of \$670.7 million to \$747.2 million (or \$16.00 to \$17.82 on a per share basis based on the total number of outstanding share of Forestar common stock as provided by the management of Forestar and without regard to the allocation of the cash consideration and the stock consideration to individual Forestar stockholders pursuant to the merger agreement) using a range of implied values of the aggregate stock consideration based on an illustrative pro forma discounted cash flow analysis.

JMP also reviewed with the Board for informational purposes (and not as part of JMP's financial analysis with respect to its opinion), among other things, implied values of the aggregate merger consideration by adding together the cash component of approximately \$558.3 million and implied values of the aggregate stock consideration based on the volume weighted average stock prices of Forestar for the 30-day, 60-day, 90-day and 180-day periods ended April 12, 2017, which indicated implied values of the aggregate merger consideration of \$699.2 million, \$697.5 million, \$696.1 million and \$692.8 million, respectively.

Illustrative Pro Forma Discounted Cash Flow Analysis. JMP performed an illustrative pro forma discounted cash flow analysis of the Company after completion of the merger based on financial projections provided to JMP by D.R. Horton as adjusted by Forestar relating to the Company after completion of the merger (as summarized below under "*Projected Financial Information*"). Using discount rates ranging from 9.2% to 13.6%, which were selected by JMP taking into account a weighted average cost of capital calculation performed with data relating to the Company after completion of the merger and selected publicly traded, small-cap homebuilders, JMP calculated (i) a range of implied present values of the projected unlevered free cash flows of the Company after completion of the merger that it was forecasted to generate from April 1, 2017 through calendar year 2022 as summarized in "*Projected Financial Information*" and (ii) a range of implied present values of implied terminal values for the Company after completion of the merger derived by applying a range of terminal multiples of 1.00x to 1.50x selected by JMP to the estimated book value of the Company after completion of the merger as of December 31, 2022. This analysis indicated an approximate implied per share equity value reference range for the Company after completion of the merger of \$10.73 to \$18.02 and an approximate implied value range for the aggregate stock consideration of \$112.5 million to \$188.9 million.

Standalone Forestar Net Asset Valuation Analysis. JMP performed a net asset valuation analysis of Forestar based on (i) financial projections provided to JMP by Forestar relating to Forestar's community development projects as well as the estimated sale value of Forestar's multifamily assets (as summarized below under " *Projected Financial Information*"), (ii) certain purchase price information from letters of intent and draft purchase agreements provided to JMP by Forestar relating to certain other real estate assets of Forestar held for sale, including water and timberland assets and other undeveloped land assets held for sale, and (iii) book values as of March 31, 2017 for Forestar's other assets and liabilities provided to JMP by Forestar. With respect to Forestar's community development projects, JMP calculated a range of implied present values of approximately \$283.8 million to \$310.5 million for the projected cash flows that Forestar's community development projects were forecasted by Forestar to generate using a blended discount rate of 23.0% to 27.0%, which reflected project-by-project adjustments based on project type, project lifecycle, project activity status and other market specific adjustments (weighted by the projected cash flows of each community development project) to an initial discount rate range of 19.5% to 23.5% selected by JMP based on review of industry surveys, industry research and industry experience. With respect to Forestar's multifamily assets, JMP calculated a range of implied present values of approximately \$44.1 million to \$52.8 million for the potential estimated net proceeds that Forestar forecasted could be generated by Forestar from the sale of such assets. Other real estate asset values were based on certain third party appraisals and other purchase price information provided to JMP by Forestar. This analysis indicated an approximate implied per share equity value reference range for Forestar of \$13.71 to \$14.53 and an approximate implied total equity value reference range for Forestar of \$582.6 million to \$617.9 million, as compared to the implied values of the aggregate merger consideration referred to above.

Standalone Forestar Discounted Cash Flow Analysis. JMP performed a discounted cash flow analysis of Forestar based on financial projections provided to JMP by Forestar relating to Forestar (as summarized below in " *Projected Financial Information*"). Using discount rates ranging from 13.1% to 16.1%, which were selected by JMP taking into account a weighted average cost of capital calculation performed with data relating to Forestar, JMP calculated (i) a range of implied present values of the projected unlevered free cash flows of Forestar that Forestar was forecasted to generate from April 1, 2017 through March 31, 2027 as summarized below under " *Projected Financial Information*" and (ii) a range of implied present values of implied terminal values for Forestar derived by applying a range of perpetuity growth rates of 0.5% to 2.5% selected by JMP to Forestar's estimated unlevered free cash flows for the 12-month period ending March 31, 2027. This analysis indicated an approximate implied per share equity value reference range for Forestar of \$12.93 to \$13.85 and an approximate implied total equity value reference range for Forestar of \$550.8 million to \$590.6 million, as compared to the implied values of the aggregate merger consideration referred to above.

Premiums Paid in Selected Historical M&A Transactions. JMP reviewed for informational purposes (and not as part of JMP's financial analysis with respect to its opinion) the implied premiums paid in 25 selected acquisitions of publicly traded U.S. equity REITs and homebuilders relative to the closing stock prices of the acquired companies one day, five days and 30 days prior to public announcement of the relevant transaction and relative to the volume weighted average stock prices of the acquired companies during the 30-day, 60-day, 90-day and 180-day periods (except as otherwise noted) ended on the last trading day prior to public announcement of the relevant transaction. The selected acquisitions consisted of completed transactions consummated between June 26, 2007 and June 26, 2017 with at least 50% cash consideration and announced equity transaction values of between \$250 million and \$5 billion. The medians of the implied premiums paid in the selected acquisitions reviewed by JMP were then compared to the implied premiums paid in the merger based on the \$17.75 cash consideration to be received in the merger relative to the closing stock prices of Forestar on April 12,

2017, April 7, 2017 and March 12, 2017 and relative to the volume weighted average stock prices of Forestar during the 30-day, 60-day, 90-day and 180-day periods ended April 12, 2017, as follows:

	Implied Premiums Paid (Prior to Announcement)						
	Spot Price			Volume Weighted Average Price			
	1-Day	5-Day	30-Day	30-Day	60-Day	90-Day	180-Day

Implied Premiums	26.3%	25.4%	36.5%	32.1%	33.7%	35.0%	38.3%

Note: Volume weighted average stock price of American Realty Capital Healthcare Trust, which was acquired by Ventas, Inc. on January 16, 2015, used to calculate 60-day, 90-day and 180-day median data was based on trading period beginning April 7, 2014, the first day of trading on NASDAQ of American Realty Capital Healthcare Trust common stock.

Miscellaneous. Under the terms of JMP's engagement, Forestar has agreed to pay JMP for its financial advisory services in connection with the merger an aggregate fee currently estimated to be approximately \$7.1 million, portions of which became payable upon JMP's engagement and upon delivery of JMP's opinion, dated April 13, 2017, in connection with the previously proposed Starwood merger, a portion of which was payable upon delivery of JMP's opinion in connection with the merger and approximately \$5.6 million of which is contingent upon completion of the merger. In addition, Forestar has agreed to indemnify JMP against certain claims and liabilities related to or arising out of its engagement. JMP may seek to provide financial advisory services to Forestar, D.R. Horton or their respective affiliates in the future, for which JMP would expect to receive compensation. In the ordinary course of business, JMP and its affiliates may actively trade or hold the securities of Forestar and D.R. Horton for their own account or for the account of their customers and, accordingly, may at any time hold a long or short position in those securities.

Forestar selected JMP as its financial advisor in connection with the merger based on JMP's reputation and experience and familiarity with Forestar and its business. JMP is a nationally recognized investment banking firm which provides capital raising, mergers and acquisitions transaction and other strategic advisory services to corporate clients. JMP's opinion was approved by a JMP Securities LLC fairness opinion committee.

Projected Financial Information

Forestar does not, as a matter of course, publicly disclose long-term projections as to future financial performance due to, among other reasons, the unpredictability of the underlying assumptions and estimates, though Forestar has in the past provided investors with annual lot sale volume guidance among other items, which it may update from time to time during the relevant year. However, in connection with the evaluation of the proposed merger, Forestar provided the Board and/or certain bidders, including Starwood and D.R. Horton, with certain non-public, unaudited prospective financial information prepared by Forestar's management, and D.R. Horton publicly released certain growth projections for Forestar, each as summarized below, which we refer to as the "Forecasts." As noted below, certain Forecasts were also provided to JMP for use in connection with its financial analyses summarized above under " *Opinion of Forestar's Financial Advisor.*"

The Forecasts were not prepared with a view to public disclosure and are included in this proxy statement/prospectus only because such information was made available as described above. The Forecasts were not prepared with a view to compliance with generally accepted accounting principles as applied in the United States, which we refer to as GAAP, the published guidelines of the SEC regarding projections and forward-looking statements or the guidelines established by the American

Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Neither the Company's independent auditors, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and assume no responsibility for, and disclaim any association with, the prospective financial information. Except for the D.R. Horton Forestar projections described below under " *D.R. Horton Forestar Projections*," the Forecasts included in this proxy statement/prospectus have been prepared by, and are the responsibility of, Forestar's management, and are subjective in many respects. D.R. Horton prepared the projections described below under " *D.R. Horton Forestar Projections*," which are included for informational purposes, and Forestar has no responsibility for such prospective financial information.

Although a summary of the Forecasts is presented with numerical specificity, they reflect numerous assumptions and estimates as to future events made by Forestar's management, which it believes were reasonable at the time the Forecasts were prepared, taking into account the relevant information available to management at such time. However, this information is not fact and should not be relied upon as being necessarily indicative of actual future results. Important factors that may affect actual results and cause the Forecasts not to be achieved include general economic conditions, interest rates, accuracy of certain accounting assumptions, timing of development expenditures, demand for residential lots and new housing, changes in actual or projected cash flows, competitive pressures, including from existing and potential new real estate supply, and changes in tax or other laws, governmental policies or regulations. In addition, the Forecasts do not take into account any circumstances or events occurring after the date that they were prepared and, except as noted in the D.R. Horton Forestar Projections and the Forestar Adjusted D.R. Horton Forestar Projections, do not give effect to the merger. As a result, there can be no assurance that the Forecasts will be realized, and actual results may be materially better or worse than those contained in the Forecasts. The inclusion of this information should not be regarded as an indication that the Board, Forestar's management, D.R. Horton, JMP, their respective representatives or any other recipient of this information considered, or now considers, the Forecasts to be material information of Forestar, or necessarily predictive of actual future results nor should it be construed as financial guidance, and it should not be relied upon as such. Community Development Project Cash Flows

The following table presents the estimated future net cash flow data prepared by Forestar's management for the Company's community development business from April 1, 2017 - October 31, 2034. This data does not include any cash flows generated from non-core asset sales or any other sources other than the community development business. The net cash flows include direct project related carry costs, but exclude SG&A costs not directly associated with the projects, interest expense on corporate debt and income taxes. It does not give effect to the merger and related transactions.

The Company has historically prepared this data for internal business purposes and updated the information quarterly to reflect business activity in the prior quarter. The Company made the data available to JMP in connection with its analyses and to all parties in the potential sale process that executed confidentiality agreements, including D.R. Horton, for purposes of evaluating Forestar's community development business. This data is substantially similar to the net cash flow information included in the proxy statement related to the Starwood merger, except that Forestar updated the data for the passage of time from the initial preparation in January 2017.

(1) Represents the Company's existing community development portfolio life of project remaining net cash flows and assumes the existing projects are developed. Assumes residential lots and residential and commercial tracts are sold over time based on the Company's current business plans. Years 2027 - 2034 principally represent net cash flows from utility and improvement districts associated with certain projects. Owned Projects include the Company's two remaining mitigation projects.

(2) Represents Forestar's pro-rata share of the net cash flows distributed from joint ventures.

Alternative Net Asset Value Scenarios

The following table represents net asset value scenarios that were prepared by Forestar's management and presented to the Board in February 2017 as the Board considered various strategic alternatives for Forestar, including the potential bulk sale of the community development assets, sale of the remaining non-core assets and subsequent liquidation of the Company. As noted above, the Company made a number of assumptions and estimates in preparation of the prospective financial information, including assumptions regarding the sales prices of non-core assets and SG&A costs. The potential scenarios depicted in the table below were (a) a bulk sale of community development assets in September 2017 and the sale of the remaining non-core assets by year-end 2017, (b) a bulk sale of the community development assets in December 2019 and the sale of the remaining non-core assets by year-end 2017, (c) a portfolio run-off based on the execution of Forestar's existing business plan with no new acquisitions assumed and the sale of the remaining non-core assets by year-end 2017, (d) a plan to continue operating Forestar as a standalone public company executing the existing business plans with additional investment in the business to maintain approximately 1,800 lots sold per year on average over the next five years and the sale of the remaining non-core assets by year-end 2017, and

(e) a plan to continue operating Forestar as a standalone public company executing the existing business plans with additional investment in the business to maintain approximately 2,500 lots sold per year on average over the next five years and the sale of the remaining non-core assets by year-end 2017. This financial data was not provided to D.R. Horton or other potential acquirors prior to such data being included in the Company's proxy statement with respect to the Starwood merger.

- (1) Assumes the community development business plan is executed through September 2017 with the net present value of \$44.7 million estimated at December 31, 2016 and a sale of the remaining community development assets at September 30, 2017 for \$370.5 million at an estimated net present value of \$305.3 million at December 31, 2016. Assumes the remaining non-core assets are sold by year-end 2017 for \$191 million, which includes multifamily assets, undeveloped land and timberland assets, minerals and water assets; repayment of \$125.3 million in outstanding debt upon the sale of assets, receipt of other current assets and taxes receivable and settlement of accounts payable and other liabilities.
- (2) Assumes the community development business plan is executed 2017 - 2019 with the net present value of \$253.8 million estimated at December 31, 2016 and a sale of the remaining community development assets at December 31, 2019 for \$194.3 million, at an estimated net present value of \$114.2 million at December 31, 2016. Assumes the remaining non-core assets are sold by year-end 2017 for \$191 million, which includes multifamily assets, undeveloped land and timberland assets, minerals and water assets; repayment of \$125.3 million in outstanding debt upon the sale of the remaining community development assets, receipt of other current assets and taxes receivable and settlement of accounts payable and other liabilities.
- (3) Assumes the community development assets are sold per the execution of the existing business plan with no new acquisitions but including \$252.2 million in development (including contributions to joint ventures), essentially running off the portfolio over time; assumes the remaining non-core assets are sold for \$191 million by year-end 2017, which includes multifamily assets, undeveloped land and timberland assets, minerals and water assets; repayment of the \$125.3 million in outstanding debt by first quarter-end 2020 and receipt of other current assets and taxes receivable and settlement of accounts payable and other liabilities.
- (4) Assumes the Company continues to operate as a standalone public company executing the existing business plan (consistent with the portfolio run-off scenario) with investment of \$522.3 million in community development, including acquisition of approximately 7,000 lots for \$151.7 million over five years and the investment of \$370.6 million in development (including contributions to joint ventures); assumes the remaining non-core assets are sold by year-end 2017 for \$191 million, which includes multifamily assets, undeveloped land and timberland assets, minerals and water assets; repayment of \$125.3 million in outstanding debt by first quarter-end 2020, receipt of other current assets and taxes receivable and settlement of accounts payable and other liabilities.

- (5) Assumes the Company continues to operate as a standalone public company executing the existing business plan (consistent with the portfolio run-off scenario) with investment of \$739.1 million in community development, including acquisition of approximately 12,000 lots for \$257.2 million over five years and the investment of \$481.9 million in development (including contributions to joint ventures); assumes the remaining non-core assets are sold by year-end 2017 for \$191 million, which includes multifamily assets, undeveloped land and timberland assets, minerals and water assets; repayment of \$125.3 million in outstanding debt by first quarter-end 2020, receipt of other current assets and taxes receivable and settlement of accounts payable and other liabilities.
- (6) Includes assumptions on SG&A and headcount, interest expense, income taxes (which for the 2017 bulk sale/liquidation scenario includes sales of community development assets with built-in tax losses that fully offset federal income tax liability from non-core asset sales) and transaction costs. Also includes, in the 2017 bulk sale/liquidation scenario, the 2019 bulk sale/liquidation scenario and the portfolio run-off scenario, estimated contingent liability reserve for unknown liabilities assuming the Company is dissolved and winds up its affairs in accordance with Delaware law.
- (7) Assumes 42.6 million fully diluted shares outstanding.

April 1, 2017 - March 31, 2027 Financial Model

The following table presents selected unaudited prospective financial data for April 1, 2017 to March 31, 2027 for Forestar as provided to JMP in June 2017 in connection with its financial analyses summarized above under " *Opinion of Forestar's Financial Advisor.*" This financial data generally incorporates and reflects the financial information included in " *Community Development Project Cash Flows*" above, except for changes relating to updated timing assumptions with respect to two community development projects to reflect developments after the preparation of the financial information included in " *Community Development Project Cash Flows*" above. The data does not give effect to the merger and related transactions. This financial data was not provided to D.R. Horton or other potential acquirors prior to a version of such information being included in the proxy statement for the Starwood merger. This data is substantially similar to the 2017 - 2026 Financial Model information included in the Company's proxy statement related to the Starwood merger, except that Forestar has updated the data for the passage of time from the initial preparation in April 2017.

- (1) The model assumes Forestar would deploy capital to re-invest in its community development business to achieve the sale of approximately 1,700 - 1,800 lots per year from the business, generally consistent with the average range of lots sold 2012 - 2016, including approximately \$94 million invested in acquisitions and development (including contributions to ventures) per year on average to fund the replacement of residential lot inventory sold from the community development business as projected. The model also assumes the Company's senior secured notes of \$5.3 million are paid in full in third quarter of 2017 and the Company's convertible notes are held and paid in full at maturity in the first quarter of 2020. The model assumes all growth is funded through cash flow generated from operations and assumes no additional leverage on the business. The model assumes income tax liability of \$36.4 million net of refunds in April 2017 - December 2017 related to gains from non-core asset sales and from operations of the community development business. Income taxes are calculated in 2018 first quarter 2027 based on a 37% income tax rate with limited ability to utilize any built in losses from the community development business due to the continued operations and capitalization of costs for tax purposes. The model assumes Forestar continues operating over the 10 year period as a standalone public company and the Company executes its cost savings related to targeted SG&A levels.

Table of Contents

For use in connection with its financial analyses summarized above under " *Opinion of Forestar's Financial Advisor*," JMP Securities arithmetically calculated projected unlevered free cash flow for April 1, 2017 to March 31, 2027 using the information contained in the prospective April 1, 2017 to March 31, 2027 financial model prepared by Forestar's management, as follows (in millions): April 1, 2017 to December 31, 2017: \$111.5; 2018: \$80.3; 2019: \$44.9; 2020: \$76.6; 2021: (\$3.6); 2022: \$44.1; 2023: \$30.1; 2024: \$28.1; 2025: \$3.7; 2026: \$26.1; January 1, 2027 to March 31, 2027: \$5.2. Unlevered free cash flow is defined for purposes of the Forecasts as net cash flow generated excluding debt repayment and interest expense, interest income and tax benefit of interest tax deductible. Calculation also excludes consolidated venture cash flows due to third parties. Unlevered free cash flow is a non-GAAP financial measure and should not be considered as an alternative to revenue or net income as a measure of operating performance or net change in cash flow as a measure of liquidity. The foregoing estimates of unlevered free cash flows were calculated solely for purposes of the standalone discounted cash flow analysis in connection with JMP's opinion, and none of Forestar, D.R. Horton or JMP assumes any responsibility for any use of such estimates, or reliance on such estimates, for any other purpose.

D.R. Horton Forestar Projections

The following table presents the D.R. Horton growth projections that D.R. Horton publicly released in connection with the announcement of its initial submission of a non-binding proposal on June 5, 2017. The D.R. Horton projections were based on future D.R. Horton-sourced projects and did not include lot deliveries, revenue or operating profits from Forestar's existing assets. D.R. Horton noted that (a) it expects to accelerate lot absorptions and improve the return profile across Forestar's existing asset base, but those benefits are not included in the analysis, (b) the projections assume D. R. Horton sources eight projects for Forestar within the first year, scaling up to a run-rate of 24 projects per year by 2021 across D.R. Horton's 78 operating markets, (c) project level assumptions are based on a representative sample of deals that D.R. Horton either currently owns or controls and (d) the growth plan is funded with Forestar's existing balance sheet and assumes modest project-level leverage and no new equity. Corporate operating costs were allocated based on the projected D.R. Horton-sourced lot sales as a percentage of estimated total lot sales by the Company, and such costs do not include all of the estimated corporate and project level operating costs associated with the Company's ongoing business.

Forestar Adjusted D.R. Horton Forestar Projections

The following table presents the D.R. Horton growth projections presented in the prior section, as adjusted by Forestar management. The adjusted projections are based on the adjusted D.R. Horton-sourced projects and do not include lot deliveries, revenue or operating profits from Forestar's existing assets, but do include 100% of the estimated corporate operating costs of the Company's ongoing business and the projected D.R. Horton-sourced projects (unlike the *D.R. Horton Forestar Projections* above, which allocated the estimated corporate operating costs based on the projected D.R. Horton-sourced lot sales as a percentage of estimated total lot sales by the Company). Forestar's management reviewed the D.R. Horton projections and made certain adjustments to such projections, including (a) a 20% reduction in lot absorption over the life of the four representative land development projects provided by D.R. Horton to Forestar, (b) project-level development spending timeframe increased from a median of nine months to 12 months to reflect cash expenditures over a longer time period and (c) a 40% increase in corporate operating costs compared to D.R. Horton's projected corporate operating

Interests of Forestar's Directors and Executive Officers in the Merger

In considering the recommendation of the Board that you vote to adopt the Merger Agreement, you should be aware that Forestar's directors and current and former executive officers have interests in the merger that are different from, or in addition to, those of Forestar stockholders generally. The Board was aware of and considered those interests, among other matters, in reaching its decisions to (i) approve the merger and (ii) resolve to recommend that Forestar stockholders adopt the Merger Agreement. Stockholders should take these interests into account in deciding whether to vote "FOR" the proposal to adopt the Merger Agreement. These interests are described in more detail below, and certain of them are quantified in the narrative below and, for the executive officers, in the Golden Parachute Compensation table below under " *Merger-Related Compensation for Forestar's Named Executive Officers.*"

Overview

Certain directors hold unvested stock options that will vest and become payable upon consummation of the merger. The non-employee directors otherwise have no interests in the merger that are different from, or in addition to, those of Forestar stockholders generally, though the directors do also hold fully vested restricted stock units and, together with the executive officers of Forestar, will be entitled to receive indemnification, advancement of expenses and exculpation from the surviving entity and coverage under directors' and officers' liability insurance policies following the merger. See the section entitled " *The Merger Agreement Other Covenants and Agreements Indemnification and Insurance.*"

Each of the Company's current executive officers (Messrs. Weber, Jehl and Quinley) hold unvested equity awards that will vest and become payable upon consummation of the merger, and each will be entitled to certain severance benefits upon and by reason of a qualifying termination of employment following the merger. Moreover, each of the current executive officers has been granted a cash retention incentive award. Mr. Grimm, the Company's former Chief Administrative Officer & General Counsel, holds unvested equity awards that will vest and become payable upon and by reason of consummation of the merger, and he is also party to a Separation Agreement and Release that will provide him additional benefits by reason of consummation of the merger. Mr. Dickson, the Company's former Chief Real Estate Officer (together with Messrs. Weber, Jehl, Quinley and Grimm, the "named executive officers") holds performance-based equity awards that will become payable upon consummation of the merger, but he is not entitled to any other compensation or benefits by reason of the merger.

Table of Contents

These interests are described further below.

Equity Award Acceleration

Pursuant to the Merger Agreement, each equity incentive compensation award denominated in shares of Forestar common stock (an "equity award") that is outstanding immediately prior to the effective time of the merger will be cancelled as of the effective time. In exchange for such cancellation, the holders of equity awards will receive from Forestar the cash consideration for each share of Forestar common stock underlying the equity award (plus payment in cash, without interest, of all accrued dividend equivalents, if any, with respect thereto and, in the case of equity awards that are stock options, less the aggregate exercise or strike price thereunder, but not less than \$0), whether or not such equity award was vested as of the effective time of the merger, with such payment subject to applicable tax withholding.

With respect to any equity award that is a market-leveraged stock unit, the number of shares of Forestar common stock subject to such equity awards will be determined according to the terms set forth in the applicable award agreements, with the vesting date fair market value (as used in such agreements) equal to the sum of the cash consideration and reinvested dividends (as defined in such agreement).

Several of our directors hold unvested equity awards in the form of stock options (in addition to restricted stock units that will either vest by reason of service before consummation of the merger or cease to be of effect at the time of the merger). The number of options (based on holdings as of August 21, 2017, the latest practicable date prior to the filing of this proxy statement/prospectus) and their value (based on the excess of the merger consideration over the applicable exercise price) are set out in the table below as applicable.

Director	Number of Unvested Options	Value of Unvested Options
M. Ashton Hudson	13,500	\$ 123,525
William Powers, Jr.*		
James A. Rubright		
Daniel B. Silvers	7,000	\$ 25,690
Richard M. Smith		
Richard D. Squires	13,500	\$ 123,525

*

Mr. Powers retired from the Board effective May 9, 2017.

In addition, each named executive officer holds market-leveraged stock units, and each of our named executive officers other than Mr. Dickson hold unvested stock options and time-based restricted stock units. The value of those various awards is reflected in the Golden Parachute Compensation table below under " *Merger-Related Compensation for Forestar's Named Executive Officers.*"

Cash Retention Incentive Award

In anticipation of the potential for a corporate transaction involving the Company, its executive officers did not receive long-term incentive grants that otherwise would have been authorized in the ordinary course in February 2017. In lieu thereof, and with the consent of D.R. Horton, the Company on August 22, 2017 granted cash-settled retention incentive awards to its current executive officers in the aggregate amount of \$405,000 for Mr. Weber, \$375,000 for Mr. Jehl and \$225,000 for Mr. Quinley. The awards are payable in three equal installments, in each case, notwithstanding the terms and conditions of any other agreement such respective officer may have with the Company, conditioned

Table of Contents

upon the continued employment of the officer through, respectively, (i) the earlier of February 13, 2018 or the closing date of the merger, (ii) February 13, 2019, and (iii) February 13, 2020.

Change in Control/Severance Agreements with Current Executive Officers

Each of our current executive officers is a party to a Change in Control/Severance Agreement with the Company that provides certain payments and benefits upon a qualifying termination of the executive officer's employment by the Company without "cause" (as defined below) or by the executive for "good reason" (as defined below) within two years following a "change in control" of the Company (which would include consummation of the merger). Upon such a qualifying termination of employment, the executives would be entitled to:

a prorated current cycle annual incentive bonus if the termination is before the end of the first half of the cycle or a full annual incentive bonus if termination is during the second half of the cycle (in each case, assuming achievement of performance goals at the target level);

any earned but unpaid incentive compensation that has been allocated or awarded to the executive for a completed bonus cycle preceding the date of termination (presently \$0);

lump sum cash severance payment equal to two times their highest base salary during the three-year period prior to the change in control plus two times the target annual bonus during the year of the termination, or if higher, the actual bonus in any of the three fiscal years preceding the termination;

health and welfare benefits for two years at no greater cost to the executive;

full acceleration of vesting of all unvested or restricted equity or equity-based awards, including stock options, stock appreciation rights, restricted shares, restricted stock units, market-leveraged stock units, and performance stock units (though, in regard to awards outstanding immediately before consummation of the merger, such acceleration will occur by reason of the consummation of the merger without regard to any subsequent employment termination);

a lump sum payment equal to two years' match and contributions under the Company's 401(k) plan plus two years' contributions under the Company's Supplemental Executive Retirement Plan ("SERP"), assuming, in each case, that the executive made the maximum permissible contributions and earned compensation at the highest rate of compensation during the three-year period prior to the termination;

three years (two years in the case of Mr. Jehl) of additional service credit under the SERP (though no such additional service credit will increase the executives' benefit under that plan);

reimbursement for outplacement services for one year not to exceed 15% of the sum of the applicable executive's highest base salary during the three years preceding the termination and his target bonus for the year of the termination, or if higher, the actual bonus in any of the three fiscal years before the termination; and

two years' continuation of current perquisites.

The agreements with Messrs. Jehl and Quinley include gross-up provisions in the event the executive is required to pay excise tax on these amounts, but only if their value exceeds 110% of the amount that would not be subject to excise tax; otherwise the amount would be reduced to the maximum amount that would not trigger the excise tax. Mr. Weber is not entitled to any excise tax gross-up; however, if any amounts payable to him would be subject to excise tax, the amount payable to him would be reduced to the extent such reduction would provide him with a greater after-tax benefit.

Edgar Filing: Forestar Group Inc. - Form 424B3

For purposes of the Change in Control/Severance Agreement, "cause" generally means (i) the willful and continued failure by the executive officer to substantially perform his or her duties with the

Table of Contents

Company after a written demand for substantial performance is delivered by the Board or (ii) the willful engaging by the executive officer in conduct which is demonstrably and materially injurious to the Company, monetarily or otherwise.

For purposes of the Change in Control/Severance Agreement, "good reason" generally means (i) a material reduction in the executive officer's authority, duties, or responsibilities, which for purposes of the Change in Control/Severance Agreement, shall include only the assignment to the executive officer of any duties substantially inconsistent with the executive officer's status as a senior executive officer of the Company or a material adverse alteration in the nature or status of the executive officer's responsibilities from those in effect immediately prior to the change in control (including, as applicable and without limitation, the executive officer ceasing to be an executive officer of a public company), (ii) a material diminution in base salary as in effect immediately prior to the change in control, (iii) relocation of the executive officer's principal place of employment to a location more than fifty miles from the Company's headquarters immediately prior to the change in control or (iv) any other action or inaction that constitutes a material breach of certain successor employer obligations or employee benefits continuation provisions of the Change in Control/Severance Agreement. Any such "good reason" must be asserted by the executive officer in a notice of termination given within ninety days following the date of the first act or failure to act constituting such "good reason."

The Golden Parachute Compensation table below under "*Merger-Related Compensation for Forestar's Named Executive Officers*" quantifies the payments and benefits that may be provided under the Change in Control/Severance Agreements upon a qualifying termination of employment following consummation of the merger. In addition, pursuant to the terms of a separate employment agreement with the Company, if he becomes eligible for benefits under his Change in Control/Severance Agreement by reason of a termination of employment following consummation of the merger, Mr. Weber would be subject to a two-year noncompetition and employee/customer nonsolicitation restrictive covenant.

Separation Agreement and Release with Mr. Grimm

On April 13, 2017, the Company and Mr. Grimm entered into a Separation Agreement and Release pursuant to which Mr. Grimm's employment with the Company terminated effective April 14, 2017. Pursuant to that agreement, Mr. Grimm provided a release of claims against the Company, agreed to certain other restrictive covenants and cooperation undertakings, and also agreed to provide post-employment consulting services to the Company on an as-needed basis generally through July 13, 2017 for a monthly consulting fee of \$25,000 and (pursuant to a modification of the agreement effected June 29, 2017) thereafter from time to time through consummation of the merger (subject to earlier termination by either Mr. Grimm or the Company) for an hourly fee of \$500.

Upon and by reason of his employment termination, the Company agreed to provide Mr. Grimm termination benefits in the form of a lump-sum cash payment of \$550,000, reimbursement for medical insurance continuation costs for one year and for the cost of converting his Company-provided life and AD&D insurance to a personal policy (provided that such reimbursement obligations will cease to the extent he acquires other employer-provided coverage), and reimbursement for outplacement expenses of up to \$25,000 to the extent incurred not more than six months following his termination.

Upon consummation of the merger, the Company will provide to Mr. Grimm the payments and benefits that would have been provided to him (based on his compensation levels in effect upon his employment termination) pursuant to the Change in Control/Severance Agreement that was in effect between him and the Company immediately before his termination as if he had experienced a qualifying termination of employment thereunder immediately following consummation of the merger, less the termination benefits provided to him under the Separation Agreement and Release. Mr. Grimm's Change in Control/Severance Agreement was substantially identical to the Change in

Control/Severance Agreement applicable to Mr. Jehl, as described above under " *Change in Control/Severance Agreements with Current Executive Officers.*" The amounts that would become payable to Mr. Grimm under his Separation Agreement and Release by reason of the consummation of the merger are set out in the Golden Parachute Compensation table below under " *Merger-Related Compensation for Forestar's Named Executive Officers.*"

Indemnification and Insurance

Pursuant to the terms of the Merger Agreement, members of the Board and executive officers of Forestar will be entitled to certain ongoing indemnification and coverage under directors' and officers' liability insurance policies following the merger. Such indemnification and insurance coverage is further described in the section entitled "*The Merger Agreement Other Covenants and Agreements Indemnification and Insurance.*"

Merger-Related Compensation for Forestar's Named Executive Officers

In accordance with Item 402(t) of Regulation S-K, the Golden Parachute Compensation table below sets forth the estimated amount of compensation that is based on or that otherwise relates to the merger and that may be payable to the Company's "named executive officers" identified above, who are those individuals listed in the "Summary Compensation Table" that is part of the Company's most recent securities filing for which disclosure was required under Item 402(c) of Regulation S-K (its proxy statement for the 2017 annual meeting). These amounts have been calculated assuming the merger was consummated on August 21, 2017 (the latest practicable date prior to the filing of this proxy statement/prospectus), equity incentive compensation award holdings as of such date and, for purposes of determining equity award values, the per-share merger consideration (a per-share cash value of \$17.75). The amounts in the table below do not include amounts that are already vested without regard to the merger (such as vested equity awards and benefits under the Company's Supplemental Executive Retirement Plan) or amounts that may be granted following the date of this proxy statement/prospectus.

Other than a portion of the amounts shown for Messrs. Weber, Jehl and Quinley in the "Cash" column of the table (as described in footnote 1 to the table), the amounts shown in the "Equity" column of the table and the amounts shown in the table for Mr. Grimm, which respective amounts will become payable upon and solely by reason of consummation of the merger, the amounts set out in the table below are payable only if there shall occur a qualifying termination of employment within two years following consummation of the merger (a termination of Messrs. Weber, Jehl or Quinley by the Company without "cause" or by such executive for "good reason") and were determined as if such executive experienced a qualifying termination of employment as of the date of the merger's consummation.

See the discussion above for further information about the compensation disclosed in the table below. The amounts indicated below are estimates of amounts that might become payable to the named executive officers and the estimates are based on multiple assumptions that may not prove correct, including assumptions that are based on information not currently available. Accordingly, the actual amounts, if any, received by a named executive officer (other than Mr. Dickson) may differ in material respects from the amounts set forth below. The amounts set forth in the table below do not reflect any reduction that might apply by reason of the applicable limits on paying amounts subject to a golden parachute excise tax; it is not expected that any payments would be grossed up in respect of such taxes.

Mr. Grimm's employment with the Company terminated April 14, 2017. As explained more fully above under " *Separation Agreement and Release with Mr. Grimm*," the amounts shown for him (in other than the "Equity" column) represent amounts that would have been provided to him (based on his compensation levels in effect upon his actual termination of employment) pursuant to the Change in Control/Severance Agreement that was in effect between him and the Company immediately before his termination as if he had experienced a qualifying termination of employment thereunder immediately following consummation of the merger, less the \$550,000 already paid to him upon his termination of employment and less certain medical insurance cost amounts described in footnote 3 to this table.

**

Mr. Dickson's employment with the Company terminated March 31, 2016. The amount shown for him represents payment in respect of market-leveraged stock units that were prorated upon his retirement and otherwise would have settled as of February 10, 2018 based on the Company's average stock price during the 40 trading days preceding such date.

(1)

Includes, for Messrs. Weber, Jehl and Quinley, the portion of a retention incentive that is payable on the closing date of the merger (i.e., on a "single-trigger" basis); the table does not reflect additional retention amounts that would be payable on February 13, 2019 and February 13, 2020 subject to continued employment through the respective dates, as described above under " *Cash Retention Incentive Award*." Otherwise represents lump-sum severance payable upon a qualifying termination of employment (a termination of employment by the Company without "cause" or by the executive for "good reason" within two years following consummation of the merger) i.e., on a "double-trigger" basis except for Mr. Grimm, who would be paid such amount in a lump sum upon and by reason of the consummation of the merger i.e., on a "single-trigger" basis. As described in greater detail above, the severance payments would consist of the following (in the case of Mr. Grimm, less the \$550,000 already paid under his Separation Agreement and Release): (i) two times their respective highest base salary during the three-year period prior to the merger plus two times the target annual bonus during the year of the termination, or if higher, the actual bonus in any of the three fiscal years preceding the termination, (ii) a pro-rated short-term incentive bonus based on the number of months in the year of termination that the individual was employed prior to the termination date if the termination date occurred in the first half of the bonus cycle or (as is assumed here) the full incentive bonus if the termination date occurred during the second half of the cycle, in each case assuming achievement of performance goals at the target level, and (iii) a lump sum payment equal to two years' match and contributions under the Company's 401(k) plan plus two years' contributions under the Company's SERP, assuming, in each case, that the executive made the maximum permissible contributions and earned compensation at the highest rate of compensation during the three-year period prior to

As described in greater detail above, each named executive officer holds market-leveraged stock units, and each of our named executive officers other than Mr. Dickson hold unvested stock options and time-based restricted stock units. The payment amount reflected in the "Equity" column in the "Golden Parachute Compensation" table above reflects the value of accelerated vesting of those awards based on the number of such equity-based awards held by each named executive officer on August 21, 2017, and the following table sets out the various components of those respective amounts (in the case of stock options, net of the aggregate exercise price and, in the case of market-leveraged stock units pursuant to the terms thereof, performance attainment based on the per-share merger consideration of \$17.75):

Named Executive Officer	Stock Options	Restricted Stock Units	Market- Leveraged Stock Units	Total
Phillip J. Weber	\$ 305,567	\$ 481,593	\$ 548,759	\$ 1,335,919
Charles D. Jehl	\$ 33,724	\$ 756,771	\$ 399,091	\$ 1,189,586
Michael Quinley	\$ 107,596	\$ 696,368	\$ 399,091	\$ 1,203,055
David M. Grimm	\$ 42,153	\$ 206,397	\$ 498,864	\$ 747,414
Bruce Dickson			\$ 226,668	\$ 226,668

Each of the awards will vest on a "single-trigger" basis upon and by reason of the consummation of the merger, whether or not employment is terminated.

Represents the value of: (i) for Messrs. Weber, Jehl and Quinley, two years of continued medical/welfare benefits (\$34,113, \$34,113 and \$26,122, respectively) and, for Mr. Grimm, two years of continued medical/welfare benefits less the medical continuation coverage amount already provided to him in respect of the period beginning May 1, 2017 and ending upon consummation of the merger (\$20,480); and (ii) one year of outplacement assistance (\$150,000 for Mr. Weber, \$101,250 for Mr. Jehl, \$80,250 for Mr. Quinley and, assuming that he will not have incurred any other outplacement expense before consummation of the merger, \$84,750 for Mr. Grimm); and (iii) the value of two years of continued perquisites (\$1,853). Continued medical coverage amounts reflect actual Company costs for 2017 and assume an annual 15% cost increase. These benefits and payments are "double-trigger" in nature as they will be provided only in the event of a termination of employment by the Company without "cause" or by the executive for "good reason" within two years following consummation of the merger, except in the case of Mr. Grimm, who becomes eligible for them upon and by reason of the consummation of the merger i.e., on a "single-trigger" basis.

Accounting Treatment of the Merger

The merger will be accounted for under the acquisition method in accordance with U.S. generally accepted accounting principles. D.R. Horton is considered to be acquiring Forestar in the merger based upon the following factors: (i) D.R. Horton will own approximately 75% of the common stock of Forestar immediately following the closing of the merger, and (ii) directors appointed by D.R. Horton will hold the majority of the board seats in Forestar. Forestar will remain a public reporting company and will continue to issue separate financial statements following the closing of the merger.

Regulatory Approvals Required for the Merger

We are not aware of any material U.S. federal, state or foreign regulatory requirements or approvals that are required for the execution of the Merger Agreement or the completion of the merger, other than the filing of a Certificate of Merger with respect to the merger with, and the acceptance of such Certificate of Merger for record by, the Secretary of State of the State of Delaware.

Appraisal Rights

If the merger is completed, stockholders who do not vote in favor of the adoption of the merger proposal and who properly demand appraisal of their shares and who do not withdraw such demand or lose their right to appraisal will be entitled to appraisal rights in connection with the merger under Section 262 of the DGCL.

The following discussion is not a complete statement of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by the full text of Section 262, which is attached to this proxy statement/prospectus as Annex E and incorporated herein by reference. The following summary does not constitute any legal or other advice and does not constitute a recommendation that stockholders exercise their appraisal rights under Section 262. Only a holder of record of shares of Forestar common stock is entitled to demand appraisal rights for the shares registered in that holder's name. A person having a beneficial interest in shares of Forestar common stock held of record in the name of another person, such as a bank, broker or other nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect appraisal rights. If you hold your shares of Forestar common stock through a bank, broker or other nominee and you wish to exercise appraisal rights, you should consult with your bank, broker or the other nominee.

Under Section 262, holders of shares of Forestar common stock who (1) do not vote in favor of the merger proposal; (2) continuously hold such shares through the effective time of the merger; and (3) otherwise follow the procedures set forth in Section 262 will be entitled to have their shares appraised by the Court of Chancery of the State of Delaware and to receive in lieu of the merger consideration payment in cash of the amount determined by the Court of Chancery to be the "fair value" of the shares of Forestar common stock, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with interest to be paid on the amount determined to be fair value as determined by the court (subject, in the case of interest payments, to any voluntary cash payments made by the surviving entity pursuant to subsection (h) of Section 262 of the DGCL). Unless the Court of Chancery, in its discretion, determines otherwise for good cause shown, interest on an appraisal award will accrue and compound quarterly from the effective time of the merger through the date the judgment is paid at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during such period. Stockholders considering seeking appraisal should be aware that the fair value of their shares as determined pursuant to Section 262 of the DGCL could be more than, the same as or less than the merger consideration payable pursuant to the Merger Agreement.

Table of Contents

Under Section 262, where a merger agreement is to be submitted for adoption at a meeting of stockholders, the corporation, not less than twenty days prior to the meeting, must notify each of its stockholders entitled to appraisal rights that appraisal rights are available and include in the notice a copy of Section 262. This proxy statement/prospectus constitutes Forestar's notice to stockholders that appraisal rights are available in connection with the merger, and the full text of Section 262 is attached to this proxy statement/prospectus as Annex E. In connection with the merger, any holder of shares of Forestar's common stock who wishes to exercise appraisal rights or who wishes to preserve such holder's right to do so should review Annex E carefully. Failure to strictly comply with the requirements of Section 262 in a timely and proper manner will result in the loss of appraisal rights under the DGCL. In addition, the Delaware Court of Chancery will dismiss appraisal proceedings as to all Forestar stockholders who assert appraisal rights unless (x) the total number of shares of common stock for which appraisal rights have been pursued and perfected exceeds 1% of Forestar outstanding shares of common stock measured in accordance with subsection (g) of Section 262 of the DGCL or (y) the value of the merger consideration in respect of the shares of common stock for which appraisal rights have been pursued and perfected exceeds \$1 million.

Because of the complexity of the procedures for exercising the right to seek appraisal of shares of Forestar common stock, Forestar believes that if a stockholder is considering exercising appraisal rights, that stockholder should seek the advice of legal counsel.

Stockholders wishing to exercise the right to seek an appraisal of their shares of Forestar common stock must fully comply with Section 262, which means doing, among other things, ALL of the following:

the stockholder must not vote in favor of the merger proposal;

the stockholder must deliver to Forestar a written demand for appraisal before the vote on the merger proposal at the special meeting;

the stockholder must continuously hold the shares from the date of making the demand through the effective time of the merger (a stockholder will lose appraisal rights if the stockholder transfers the shares before the effective time); and

the stockholder or the surviving entity must file a petition in the Court of Chancery of the State of Delaware requesting a determination of the fair value of the shares within 120 days after the effective time of the merger. The surviving entity is under no obligation to file any petition.

Filing Written Demand

Any holder of shares of Forestar common stock wishing to exercise appraisal rights must deliver to Forestar at the address below, before the vote on the merger proposal at the special meeting, a written demand for the appraisal of the stockholder's shares, and that stockholder must not vote in favor of the merger proposal either in person or by proxy. A holder of shares of Forestar common stock exercising appraisal rights must hold of record the shares on the date the written demand for appraisal is made and must continue to hold the shares of record through the effective time of the merger. A proxy that is submitted and does not contain voting instructions will, unless revoked, be voted in favor of the merger proposal, and it will cause a stockholder to lose the stockholder's right to appraisal and will nullify any previously delivered written demand for appraisal. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must submit a proxy containing instructions to vote against the merger proposal or abstain from voting on the merger proposal. However neither voting against the merger proposal nor abstaining from voting or failing to vote on the merger proposal will, in and of itself, constitute a written demand for appraisal satisfying the requirements of Section 262. The written demand for appraisal must be in addition to and separate from any proxy or vote on the merger proposal. A stockholder's failure to make the written demand prior to the taking of the vote on

Edgar Filing: Forestar Group Inc. - Form 424B3

the merger proposal at the special meeting will cause the stockholder to lose its appraisal rights in connection with the merger.

Only a holder of record of shares of common stock is entitled to demand appraisal rights for the shares registered in that holder's name. A demand for appraisal in respect of shares of common stock should be executed by or on behalf of the holder of record and must reasonably inform Forestar of the identity of the holder and state that the person intends thereby to demand appraisal of the holder's shares in connection with the merger. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, such demand must be executed by or on behalf of the record owner, and if the shares are owned of record by more than one person, such as in a joint tenancy or a tenancy in common, the demand should be executed by or on behalf of all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute a demand for appraisal on behalf of a holder of record; however, the agent must identify the record owner or owners and expressly disclose that, in executing the demand, the agent is acting as agent for the record owner or owners.

STOCKHOLDERS WHO HOLD THEIR SHARES IN BROKERAGE OR BANK ACCOUNTS OR OTHER NOMINEES AND WHO WISH TO EXERCISE APPRAISAL RIGHTS SHOULD CONSULT WITH THEIR BANK, BROKER OR OTHER NOMINEES, AS APPLICABLE, TO DETERMINE THE APPROPRIATE PROCEDURES FOR THE BANK, BROKER OR OTHER NOMINEE TO MAKE A DEMAND FOR APPRAISAL OF THOSE SHARES. A PERSON HAVING A BENEFICIAL INTEREST IN SHARES HELD OF RECORD IN THE NAME OF ANOTHER PERSON, SUCH AS A BANK, BROKER OR OTHER NOMINEE, MUST ACT PROMPTLY TO CAUSE THE RECORD HOLDER TO FOLLOW PROPERLY AND IN A TIMELY MANNER THE STEPS NECESSARY TO PERFECT APPRAISAL RIGHTS.

All written demands for appraisal pursuant to Section 262 should be mailed or delivered to:

Forestar Group Inc.
6300 Bee Cave Road
Building Two, Suite 500
Austin, Texas 78746
Attn: General Counsel

Any holder of shares of Forestar common stock may withdraw his, her or its demand for appraisal and accept the merger consideration by delivering to Forestar a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the effective time of the merger will require written approval of the surviving entity. No appraisal proceeding in the Court of Chancery of the State of Delaware will be dismissed without the approval of such court and such approval may be conditioned upon such terms as the court deems just.

Notice by the Surviving Entity

If the merger is completed, within ten days after the effective time of the merger, the surviving entity will notify each holder of shares of common stock who has made a written demand for appraisal pursuant to Section 262 and who has not voted in favor of the merger proposal of the date that the merger has become effective.

Filing a Petition for Appraisal

Within 120 days after the effective time of the merger, but not thereafter, the surviving entity or any holder of shares of Forestar common stock who has demanded appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Court of Chancery of the State of Delaware, with a copy served on the surviving entity in the case of a petition filed by a stockholder,

Table of Contents

demanding a determination of the fair value of the shares held by all stockholders entitled to appraisal. A beneficial owner of shares held either in a voting trust or by a nominee on behalf of such person may, in such person's own name file a petition for appraisal. If a petition for appraisal is not timely filed, then the right to an appraisal will cease. Neither D.R. Horton nor the surviving entity is under any obligation, and has no present intention, to file such a petition, and holders should not assume that D.R. Horton or the surviving entity will file a petition. Accordingly, any holders of shares of Forestar common stock who desire to have their shares appraised by the Court of Chancery should assume that they will be responsible for filing a petition for appraisal with the Court of Chancery in the manner prescribed in Section 262. The failure of a holder of Forestar common stock to file such a petition for appraisal within the period specified in Section 262 will nullify the stockholder's previous written demand for appraisal.

Within 120 days after the effective time of the merger, any holder of shares of Forestar common stock who has complied with the requirements for the exercise of appraisal rights, or a beneficial owner of shares held either in a voting trust or by a nominee on behalf of such person, will be entitled, upon written request, to receive from the surviving entity a statement setting forth the aggregate number of shares not voted in favor of the merger proposal and with respect to which Forestar received demands for appraisal, and the aggregate number of holders of such shares. The surviving entity must mail this statement to the requesting stockholder within ten days after receipt of the written request for such a statement or within ten days after the expiration of the period for delivery of demands for appraisal, whichever is later.

If a petition for an appraisal is duly filed by a holder of shares of Forestar common stock and a copy thereof is served upon the surviving entity, the surviving entity will then be obligated within twenty days after such service to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached. After notice to the stockholders as required by the court, the Court of Chancery of the State of Delaware is empowered to conduct a hearing on the petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights thereunder. The Court of Chancery may require the stockholders who demanded appraisal of their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings, and if any stockholder fails to comply with the direction, the Court of Chancery may dismiss that stockholder from the proceedings.

Determination of Fair Value

After determining the holders of Forestar common stock entitled to appraisal, the Court of Chancery of the State of Delaware will appraise the "fair value" of the shares of common stock, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining fair value, the Court of Chancery will take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Supreme Court of Delaware discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court" should be considered, and that "[f]air price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court has stated that in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which could be ascertained as of the date of the merger which throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that

Table of Contents

such exclusion is a "narrow exclusion [that] does not encompass known elements of value," but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court also stated that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered."

Stockholders considering seeking appraisal should be aware that the fair value of their shares as so determined by the Court of Chancery of the State of Delaware could be more than, the same as or less than the consideration they would receive pursuant to the merger if they did not seek appraisal of their shares and that an opinion of an investment banking firm as to the fairness from a financial point of view of the consideration payable in a merger is not an opinion as to, and does not in any manner address, fair value under Section 262 of the DGCL. Although Forestar believes that the merger consideration is fair, no representation is made by Forestar, D.R. Horton or the surviving entity as to the outcome of the appraisal of fair value as determined by the Court of Chancery of the State of Delaware, and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the merger consideration. Each of Forestar, D.R. Horton, and the surviving entity reserves the right to assert, in any appraisal proceeding, that for purposes of Section 262, the "fair value" of a share of Forestar common stock is less than the \$17.75 cash consideration.

Unless the Court of Chancery of the State of Delaware in its discretion determines otherwise for good cause shown, interest from the effective time through the date of payment of the judgment will be compounded quarterly and will accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective time of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving entity may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court of Chancery, and (2) interest theretofore accrued, unless paid at that time. The costs of the appraisal proceedings (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Court of Chancery of the State of Delaware and taxed upon the parties as the Court of Chancery deems equitable under the circumstances. Upon application of a stockholder, the Court of Chancery may also order that all or a portion of the expenses incurred by a stockholder in connection with an appraisal, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, be charged pro rata against the value of all the shares entitled to be appraised.

If any stockholder who demands appraisal of his, her or its shares of Forestar's common stock under Section 262 fails to perfect, or loses or successfully withdraws, such holder's right to appraisal, the stockholder's shares of common stock will be deemed to have been converted at the effective time of the merger into the right to receive the merger consideration. From and after the effective time of the merger, no stockholder who has demanded appraisal rights will be entitled to vote such shares of Forestar common stock for any purpose or to receive payment of dividends or other distributions on the stock, except dividends or other distributions on the holder's shares of Forestar common stock, if any, payable to stockholders as of a time prior to the effective time of the merger.

NYSE Listing of Forestar Common Stock

Forestar will use its reasonable best efforts to cause the new shares of Forestar common stock that are to be issued in connection with the merger to be approved for listing (subject to notice of issuance) on the NYSE, and the approval of such listing is a condition to the effective time of the merger. Forestar common stock will continue to be traded on the NYSE under Forestar's current symbol, which is "FOR."

Financing

D.R. Horton and Merger Sub have represented to Forestar that D.R. Horton will have sufficient funds at the closing of the merger to pay all cash amounts required to be paid by D.R. Horton and Merger Sub under the Merger Agreement.

D.R. Horton anticipates that the funds needed to close the merger will be funded through cash on hand and other immediately available capital.

The consummation of the merger is not subject to any financing conditions.

U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following is a discussion of U.S. federal income tax consequences of the merger to holders of existing shares of Forestar common stock that exchange their shares for new shares of Forestar common stock, cash or a combination thereof pursuant to the merger. This discussion is based upon the Code, Treasury regulations promulgated thereunder, court decisions, published positions of the Internal Revenue Service (the "IRS") and other applicable authorities, all as in effect on the date of this proxy statement/prospectus and all of which are subject to change or differing interpretations, possibly with retroactive effect. Any such change or differing interpretation could affect the accuracy of the conclusions set forth herein. This discussion is limited to holders who hold their existing shares of Forestar common stock as "capital assets" within the meaning of the Code (generally, property held for investment purposes). This discussion does not describe any tax consequences arising under the laws of any state, local or foreign tax jurisdiction and does not consider any aspects of U.S. federal tax law other than income taxation (such as state, gift or alternative minimum tax or the Medicare net investment income surtax). In addition, this discussion does not address the U.S. federal income tax consequences to holders of shares who exercise appraisal rights under Delaware law. For purposes of this discussion, a "holder" is a U.S. Holder, a Non-U.S. Holder or both, as the context may require.

This discussion is for general information only and does not address all of the tax consequences that may be relevant to holders in light of their particular circumstances, including:

holders who may be subject to special treatment under U.S. federal income tax laws, such as: financial institutions, tax-exempt organizations, S corporations or any other entities or arrangements treated as partnerships or pass-through entities for U.S. federal income tax purposes (and investors therein), insurance companies, mutual funds, dealers in stocks and securities, traders in securities that elect to use the mark-to-market method of accounting for their securities, regulated investment companies, real estate investment trusts, certain expatriates or former long-term residents of the United States or holders subject to the alternative minimum tax;

holders holding shares as part of a hedging, constructive sale or conversion, straddle or other risk reducing transaction;

holders who received their existing shares of Forestar common stock in a compensatory transaction; and

U.S. Holders whose "functional currency" is not the U.S. dollar.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of shares of Forestar common stock, the tax treatment of a person treated as a partner in such partnership for U.S. federal income tax purposes will generally depend upon the status of the partner and the activities of the partnership. Partnerships holding existing shares of Forestar common stock and partners therein should consult their tax advisors regarding the tax consequences of the merger.

We have not sought, and do not intend to seek, any ruling from the IRS with respect to the statements made and the conclusions reached in the following discussion. No assurance can be given that the IRS will agree with the views expressed in this discussion or that a court will not sustain any challenge by the IRS in the event of litigation.

U.S. Holders

For purposes of this discussion, a "U.S. Holder" is a beneficial owner of shares of Forestar common stock that is for U.S. federal income tax purposes:

an individual who is a citizen or resident of the United States;

Table of Contents

a corporation (or other entity classified as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;

an estate the income of which is subject to U.S. federal income taxation regardless of its source; or

a trust (i) if a court within the United States is able to exercise primary supervision over the administration of such trust and one or more U.S. persons have the authority to control all substantial decisions of such trust or (ii) that has made a valid election under applicable Treasury regulations to be treated as a U.S. person.

The U.S. federal income tax consequences of the merger to a U.S. Holder will depend on whether such holder receives new shares of Forestar common stock, cash or a combination thereof. At the time that the U.S. Holder makes a cash or stock election pursuant to the terms of the Merger Agreement, the U.S. Holder will not know whether, and to what extent, the proration rules of the Merger Agreement may alter the mix of consideration to be received by such holder. As a result, the U.S. federal income tax consequences to U.S. Holders will not be ascertainable with certainty until the precise amount of new shares of Forestar common stock and cash that will be received by each U.S. Holder pursuant to the merger has been determined.

Exchange Solely for New Shares of Forestar Common Stock

A U.S. Holder that receives solely new shares of Forestar common stock pursuant to the merger generally will not recognize gain or loss on the receipt of the new shares of Forestar common stock, and such holder will have the same aggregate tax basis and holding period in its new shares of Forestar common stock received pursuant to the merger as it had in its existing shares of Forestar common stock surrendered in exchange therefor.

Exchange Solely for Cash

A U.S. Holder that receives solely cash pursuant to the merger generally will recognize gain or loss in an amount equal to the difference, if any, between such cash and such holder's aggregate adjusted tax basis in the existing shares of Forestar common stock surrendered in exchange therefor. A U.S. Holder's adjusted tax basis in its existing shares of Forestar common stock generally will equal the amount that such holder paid for such shares. A U.S. Holder's gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if such holder's holding period in such shares exceeds one year at the time of the completion of the merger. A reduced tax rate on capital gains will generally apply to long-term capital gains of individuals and other non-corporate U.S. Holders. There are limitations on the deductibility of capital losses. A U.S. Holder that acquired blocks of shares of Forestar common stock at different times or different prices must determine its adjusted tax basis, holding period, and gain or loss separately with respect to each block of shares.

Exchange for a Combination of New Shares of Forestar Common Stock and Cash

A U.S. Holder that receives a combination of new shares of Forestar common stock and cash pursuant to the merger generally will (i) not recognize gain or loss on the receipt of the new shares of Forestar common stock pursuant to the merger, and such holder will have the same aggregate tax basis and holding period in its new shares of Forestar common stock received pursuant to the merger as it had in its existing shares of Forestar common stock surrendered in exchange therefor, and (ii) recognize gain or loss on the receipt of cash pursuant to the merger in an amount equal to the difference, if any, between such cash and such holder's adjusted tax basis in its shares of existing Forestar common stock treated as surrendered in exchange therefor. A U.S. Holder's adjusted tax basis in its existing shares of Forestar common stock generally will equal the amount that such holder paid

Table of Contents

for such shares. Any gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if such holder's holding period in such shares exceeds one year at the time of the completion of the merger. A reduced tax rate on capital gains generally will apply to long-term capital gains of individuals and other non-corporate U.S. Holders. There are limitations on the deductibility of capital losses.

A U.S. Holder that acquired different blocks of shares of Forestar common stock at different times or different prices and receives a combination of new shares of Forestar common stock and cash pursuant to the merger must determine its adjusted tax basis, holding period, and gain or loss separately with respect to each block of shares. The election form and letter of transmittal will each permit a U.S. Holder to designate which blocks of Forestar common stock such holder would like to exchange for cash and which of such blocks it would like to exchange for new shares of Forestar common stock. Absent an express designation by a U.S. Holder, the election form and letter of transmittal will each provide for a deemed designation, which will provide that any new shares of Forestar common stock received by a U.S. Holder will be deemed to be allocated to existing shares of Forestar common stock surrendered in the following order of priority: (1) to those existing shares of Forestar common stock with a holding period of less than one year that have the lowest tax basis, in ascending order until such shares are exhausted or the stock portion of the merger consideration is fully allocated, and (2) to those existing shares of Forestar common stock with a holding period of more than one year that have the lowest tax basis, in ascending order until the stock portion of the merger consideration is fully allocated. It is unclear whether an express or deemed designation will be accepted by the IRS. As a result, no assurance can be given that, if a holder reports gain or loss on its U.S. federal income tax return on the basis of such a designation, the IRS will not challenge it. If the IRS successfully challenged the position taken on a holder's return, such holder could be required to recalculate its amount of gain recognized through a different allocation method, such as by allocating the new shares of Forestar common stock and the cash received on a pro rata basis to each existing share of Forestar common stock surrendered pursuant to the merger. U.S. Holders who acquired different blocks of shares at different times or different prices should consult their tax advisors regarding the manner in which gain or loss should be determined and the advisability of making express designations on the election form or letter of transmittal.

Non-U.S. Holders

For purposes of this discussion, a "Non-U.S. Holder" is a beneficial owner of shares of Forestar common stock that is not a U.S. Holder or an entity or arrangement treated as a partnership or other pass-through entity for U.S. federal income tax purposes.

A Non-U.S. Holder generally will recognize gain or loss in the same manner as described above under "*U.S. Holders.*" Any gain recognized by a Non-U.S. Holder as a result of the merger generally will not be subject to U.S. federal income tax unless:

such gain is effectively connected with a trade or business of such Non-U.S. Holder in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States), in which case such gain generally will be subject to U.S. federal income tax at rates applicable to U.S. Holders, and if such Non-U.S. Holder is a corporation, such gain may also be subject to a branch profits tax at a rate of 30% (or a lower rate under an applicable tax treaty);

such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of the merger and meets certain other specified conditions, in which case such gain will be subject to U.S. federal income tax at a rate of 30% (or a lower rate under an applicable tax treaty) and may be offset by certain U.S. source capital losses (provided such Non-U.S. Holder has timely filed U.S. federal income tax returns with respect to such losses); or

Table of Contents

we are or have been a U.S. real property holding corporation ("USRPHC") at any time within the shorter of the five-year period preceding the merger and such Non-U.S. Holder's holding period (the "Relevant Period") with respect to such holder's shares of Forestar common stock. We believe that we are currently a USRPHC for U.S. federal income tax purposes. However, as long as our common stock continues to be regularly traded on an established securities market in the United States, within the meaning of applicable Treasury regulations, a Non-U.S. Holder will not be subject to U.S. federal income tax on any gain recognized as a result of the merger if such Non-U.S. Holder has not held (actually or constructively) more than 5% of our outstanding common stock at any time within the Relevant Period. If a Non-U.S. Holder has held (actually or constructively) more than 5% of outstanding Forestar common stock at any time within the Relevant Period, any gain recognized as a result of the merger generally will be treated as effectively connected with a trade or business of such Non-U.S. Holder in the United States, which will have the consequences described above.

Certain Tax Reporting

Current Treasury regulations may require certain holders of Forestar common stock who are 'significant holders' (generally, a holder that owns at least 5% of the outstanding Forestar common stock immediately before the merger) and who receive Forestar common stock pursuant to the merger to comply with certain reporting requirements. Significant holders may generally be required to file a statement with their U.S. federal income tax returns for the taxable year in which the merger occurs setting forth certain information with respect to the transaction. Holders should consult their tax advisors to determine whether they are required to provide the foregoing statement.

HOLDERS SHOULD CONSULT THEIR TAX ADVISORS CONCERNING THE U.S. FEDERAL INCOME TAX CONSEQUENCES RELATING TO THE MERGER IN LIGHT OF THEIR PARTICULAR CIRCUMSTANCES AND ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN TAXING JURISDICTION.

Explanatory Note Regarding the Merger Agreement

The following summary of the Merger Agreement, and the copy of the Merger Agreement attached as Annex A to this proxy statement/prospectus, are intended to provide information regarding the terms of the Merger Agreement and are not intended to provide any factual information about Forestar or modify or supplement any factual disclosures about Forestar in its public reports filed with the SEC. Any material facts in Forestar's public reports previously filed with the SEC that are incorporated by reference into this proxy statement/prospectus that contradict the factual disclosures about Forestar contained in the representations and warranties in the Merger Agreement shall modify such factual disclosures. In particular, the Merger Agreement and the related summary are not intended to be disclosures regarding any facts and circumstances relating to Forestar. Structure of the Merger; Certificate of Incorporation; Bylaws; Directors and Officers

At the effective time of the merger, Merger Sub will merge with and into Forestar and the separate corporate existence of Merger Sub will cease. The Company will be the surviving entity (sometimes referred to herein as the "surviving entity") in the merger. At the effective time of the merger, all of the property, rights, privileges, powers and franchises of Forestar and Merger Sub shall vest in the surviving entity, and all debts, liabilities and duties of Forestar and Merger Sub shall become the debts, liabilities and duties of the surviving entity, all as provided under the DGCL.

At the effective time of the merger, (a) the certificate of incorporation of Forestar will be amended to read as set forth on Exhibit A to the Merger Agreement, and, as so amended, shall be the certificate of incorporation of the Company until thereafter changed or amended as provided therein or by applicable law and (b) the bylaws of Forestar will be amended to read as set forth in Exhibit B to the Merger Agreement until thereafter changed or amended as provided therein or by applicable law.

The Board shall take all action necessary such that, effective as of the effective time of the merger, the Board will consist of five members, including four individuals (including the Executive Chairman) selected by D.R. Horton as well as one individual selected from the current Board. The officers of

Table of Contents

Forestar immediately prior to the effective time of the merger shall continue as the officers of the Company until the earlier of their resignation or removal or until their respective successors are duly elected and qualified.

Because Merger Sub will have no material assets or liabilities at the effective time of the merger, we do not consider the merger to be a significant business combination for accounting and presentation purposes.

When the Merger Becomes Effective

The closing of the merger will take place at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 1440 New York Avenue NW, Washington, District of Columbia 20005 on the third business day after the satisfaction or waiver of all of the conditions set forth in the Merger Agreement (other than those conditions that by their nature are to be satisfied at the closing, but subject to the satisfaction or waiver of such conditions at the closing), unless another time, date or place is agreed to in writing by Forestar and D.R. Horton.

On the closing date of the merger, the parties will cause a certificate of merger to be duly executed and filed with the Secretary of State of the State of Delaware as provided under the DGCL. The merger shall become effective at such time as the certificate of merger is duly filed with the Secretary of State of the State of Delaware or on such later date and time as shall be agreed to by the parties and specified in the certificate of merger.

Merger Consideration

Each share of Forestar common stock issued and outstanding immediately prior to the effective time (except for shares of Forestar common stock that are held by Forestar as treasury shares or by Forestar or D.R. Horton or their respective subsidiaries or that are dissenting shares) will be converted into the right to receive, at the election of the holders of such shares of Forestar common stock, either the cash consideration or the stock consideration, subject to proration procedures applicable to oversubscription and undersubscription for the cash consideration.

As described in more detail below, the aggregate amount of cash consideration is fixed. Accordingly, depending on the elections made by other Forestar stockholders, a Forestar stockholder might receive a portion of the merger consideration in the form such holder did not elect.

When making an election, Forestar stockholders may specify different elections with respect to different shares of Forestar common stock held by them (for example, a Forestar stockholder who holds 100 shares of Forestar common stock could make a cash election with respect to 50 shares and a stock election with respect to the other 50 shares).

Cash Consideration

The Merger Agreement provides that each share of Forestar common stock for which a valid cash election has been made will be converted into the right to receive, subject to proration and adjustment as described below, an amount in cash equal to the sum of \$17.75. The aggregate amount of the cash consideration is fixed at \$558,256,373 (the "cash component").

Stock Consideration

The Merger Agreement provides that each share of Forestar common stock for which a valid stock election has been made will be converted into the right to receive, subject to proration and adjustment as described below, one new share of Forestar common stock.

Table of Contents

If prior to the effective time the outstanding shares of Forestar common stock is increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in capitalization, or there is any extraordinary dividend or distribution, an appropriate and proportionate adjustment will be made to the merger consideration to provide Forestar stockholders the same economic effect as contemplated by the Merger Agreement.

Non-Election Shares

The Merger Agreement provides that the shares of any Forestar stockholder who does not make a valid election of either the cash consideration or the stock consideration with respect to such shares in accordance with the election procedures described below will be treated as "non-election" shares and will be converted to the right to receive such stock consideration or cash consideration as determined in accordance with the proration and allocation provisions described below.

Proration and Allocation of Merger Consideration

The cash conversion number is 31,451,063, which was determined by dividing the cash component (i.e., \$558,256,373) by the cash consideration. All other shares of Forestar common stock (excluding certain shares owned by D.R. Horton, Forestar or their subsidiaries that will be cancelled as provided in the Merger Agreement) will be converted into the right to receive the stock consideration.

Promptly, and in any event no later than three business days after the election deadline, D.R. Horton and Forestar will cause the paying agent to effect the allocation among Forestar stockholders of rights to receive the cash consideration and the stock consideration as described below.

If Cash Consideration is Oversubscribed: New shares of Forestar common stock may be issued to Forestar stockholders who make cash elections if the aggregate number of shares of Forestar common stock with respect to which cash elections have been made, including for this purpose dissenting shares (which we refer to as the "cash election number") exceeds the cash conversion number. If the cash consideration is oversubscribed, then

a Forestar stockholder who made a stock election, no election or an invalid election will receive the stock consideration for each share of Forestar common stock as to which such holder made a stock election, no election or an invalid election;

a Forestar stockholder who made a cash election will receive:

the cash consideration for a number of shares of Forestar common stock equal to the product obtained by multiplying (1) the number of shares of Forestar common stock for which such holder has made a cash election by (2) a fraction, the numerator of which is the cash conversion number and the denominator of which is the number of cash election shares (with the paying agent to determine, consistent with the fixed aggregate cash consideration, whether fractions of cash election shares will be rounded up or down); and

the stock consideration for the remaining shares of Forestar common stock for which the Forestar stockholder made a cash election.

If Cash Consideration is Undersubscribed: Cash may be paid to Forestar stockholders who make stock elections if the number of cash election shares is less than the cash conversion number (the amount by which the number of cash election shares is less than the cash conversion number is referred to as the "shortfall number").

If the cash consideration is undersubscribed, then all Forestar stockholders who make a cash election will receive the cash consideration for all shares of Forestar common stock as to which they made a cash election. Forestar stockholders who make a stock election, no election or an invalid

election will receive cash and/or new Forestar common stock based in part on whether the shortfall number is less or greater than the number of non-election shares, as follows:

Scenario 1: If the shortfall number is less than or equal to the number of non-election shares, then:

a Forestar stockholder who made a stock election will receive the stock consideration for each share of Forestar common stock as to which such holder made a stock election; and

a Forestar stockholder who made no election or an invalid election with respect to any of such holder's shares of Forestar common stock (i.e., non-election shares) will receive:

the cash consideration for the number of non-election shares equal to the product obtained by multiplying (1) the number of such non-election shares by (2) a fraction, (x) the numerator of which is the shortfall number and (y) the denominator of which is the total number of non-election shares (with the paying agent to determine, consistent with the fixed aggregate cash consideration, whether fractions of non-election shares will be rounded up or down); and

the stock consideration for the remaining number of such non-election shares.

Scenario 2: If the shortfall number exceeds the number of non-election shares, then:

a Forestar stockholder who made no election or an invalid election will receive the cash consideration for each share of Forestar common stock for which he or she made no election or did not make a valid election; and

a Forestar stockholder who made a stock election will receive:

the cash consideration for the number of shares of Forestar common stock equal to the product obtained by multiplying (1) the number of shares of Forestar common stock with respect to which such holder made a stock election by (2) a fraction, (x) the numerator of which is equal to the amount by which the shortfall number exceeds the number of non-election shares and (y) the denominator of which is equal to the total number for which Forestar stockholders made a stock election (with the paying agent to determine, consistent with the fixed aggregate cash consideration, whether fractions of stock election shares will be rounded up or down); and

the stock consideration with respect to the remaining shares of Forestar common stock as to which such holder made a stock election.

Conversion of Merger Sub Shares

At the effective time of the merger, all of the shares of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the effective time of the merger and held by D.R. Horton shall be converted, in the aggregate, into a number of new shares of Forestar common stock that is equal to (x) the number of shares of Forestar common stock issued and outstanding immediately prior to the effective time of the merger or held by Forestar as treasury shares, minus (y) the aggregate number of shares of Forestar common stock that are held by Forestar as treasury shares or by Forestar or its subsidiaries, minus (z) the cash conversion number (i.e., 31,451,063). As result, after the consummation of the merger, D.R. Horton will own approximately 75% of the issued and outstanding shares of Forestar common stock.

Exchange of Shares; Elections as to Form of Consideration

Edgar Filing: Forestar Group Inc. - Form 424B3

The conversion of Forestar common stock into the right to receive the merger consideration will occur automatically at the effective time of the merger. From and after the effective time of the merger

Table of Contents

and the completion of the allocation procedures described above, upon proper surrender of shares of Forestar common stock and delivery of a duly executed letter of transmittal (if not previously submitted pursuant to a properly completed and timely delivered election form as described below), the paying agent will exchange shares of Forestar common stock for the applicable merger consideration, as well as any dividends or distributions to be paid pursuant to the Merger Agreement, in each case, without interest. Until surrendered in accordance with the provisions of the Merger Agreement, each share of Forestar common stock shall be deemed at any time after the effective time to represent only the right to receive, upon surrender, the applicable merger consideration and any cash in respect of such dividends or distributions.

Election Form

The Merger Agreement provides that Forestar stockholders will be provided with an election form and other customary transmittal materials. The election form will allow each holder of Forestar common stock to specify (i) the shares of Forestar common stock owned by such holder with respect to which such holder desires to receive the cash consideration and (ii) the shares of Forestar common stock owned by such holder with respect to which such holder desires to receive the stock consideration.

D.R. Horton will direct the paying agent to mail the election form with the proxy statement/prospectus to record holders of Forestar common stock as of the record date for the Forestar stockholders meeting. Following the mailing date, D.R. Horton will use all reasonable efforts to make available as promptly as possible an election form to any stockholder who requests an election form prior to the election deadline. The election deadline will be 5:00 p.m. local time (in the city in which the principal office of the paying agent is located) on the date which D.R. Horton and Forestar agree is as near as practicable to six business days before the closing date of the transaction. Forestar and D.R. Horton will cooperate to issue a press release reasonably satisfactory to each of them announcing the election deadline not more than 15 business days before, and at least five business days prior to, the election deadline.

An election will be valid only if the paying agent receives, prior to the election deadline, a properly completed and signed election form (including duly executed transmittal materials included in the election form). The election form must also be accompanied by any certificates representing all certificated shares of Forestar common stock to which such election form relates (or by an appropriate customary guarantee of delivery of such certificates, as set forth in such election form, from a member of any registered national securities exchange or a commercial bank or trust company in the United States) or, in the case of uncertificated shares, all additional documents specified in the instructions included with the election form.

A Forestar stockholder may, at any time prior to the election deadline, change or revoke an election by written notice to the paying agent received by the paying agent prior to the election deadline accompanied by a properly completed and signed revised election form, or by withdrawing his or her shares of Forestar common stock previously deposited with the paying agent. If any election is not properly made with respect to any shares of Forestar common stock, such election will be deemed to be not in effect, and the shares of Forestar common stock covered by such election will be deemed to be non-election shares, unless a proper election is subsequently timely made.

Letter of Transmittal

Promptly after the effective time, D.R. Horton and Forestar shall cause the paying agent to mail to each holder of record of shares of Forestar common stock that have been converted to the right to receive the merger consideration who did not previously surrender its shares of Forestar common stock with an election form, a letter of transmittal and instructions on how to surrender such shares of

Table of Contents

Forestar common stock in exchange for the applicable merger consideration the holder is entitled to receive as well as any dividends or other distributions to be paid to such holder as described below.

If a certificate for Forestar common stock has been lost, stolen or destroyed, the paying agent will issue the applicable merger consideration upon receipt of (1) an affidavit of that fact by the claimant and (2) if required by D.R. Horton, the delivery of an agreement of indemnification in form reasonably satisfactory to D.R. Horton against any claim that may be made against it with respect to such certificate.

Fractional Shares

Forestar will not issue any fractional shares of common stock in the merger.

Withholding

Forestar or the paying agent will be entitled to deduct and withhold from the consideration otherwise payable pursuant to the Merger Agreement to any holder of Forestar common stock or equity awards such amounts as Forestar or the paying agent is required to deduct and withhold with respect to such payments under applicable law. To the extent that amounts are so withheld and paid over to the appropriate taxing authority, such withheld amounts will be treated for all purposes of the Merger Agreement as having been paid to the holder from whom they were withheld.

Dividends and Other Distributions

No dividends or other distributions declared with respect to Forestar common stock after the effective time of the merger will be paid to the holder of any unsurrendered shares of Forestar common stock until the holder surrenders such shares in accordance with the Merger Agreement. After the surrender of a share of Forestar common stock in accordance with the Merger Agreement, the record holder thereof will be entitled to receive any such dividends or other distributions, without any interest, which had previously become payable with respect to the stock consideration that such share has been converted into the right to receive under the Merger Agreement.

Treatment of Forestar Equity Awards

The Merger Agreement provides that each equity incentive compensation award denominated in shares of Forestar common stock (an "equity award") that is outstanding immediately prior to the effective time of the merger will be cancelled as of the effective time. In exchange for such cancellation, the holders of equity awards will receive from Forestar the cash consideration for each share of Forestar common stock underlying the equity award (plus payment in cash, without interest, of all accrued dividend equivalents, if any, with respect thereto and, in the case of equity awards that are stock options, less the aggregate exercise or strike price thereunder, but not less than \$0), whether or not such equity award was vested as of the effective time of the merger, with such payment subject to applicable tax withholding.

With respect to any equity award that is a market-leveraged stock unit, the number of shares of Forestar common stock subject to such equity awards will be determined according to the terms set forth in the applicable award agreements, with the vesting date fair market value (as used in such agreements) equal to the sum of the cash consideration and reinvested dividends (as defined in such agreement).

Such payments with respect to the equity awards will be made as soon as practicable, and in any event within 10 business days, after the closing of the merger.

Exchange of Shares and Certificates

Prior to the mailing of the proxy statement/prospectus, D.R. Horton and Forestar will, at D.R. Horton's expense, engage a paying agent for the purpose of receiving elections and exchanging Forestar common stock for the merger consideration. Prior to the effective time of the merger, D.R. Horton will deposit with the paying agent an amount in cash sufficient to pay the cash component of the merger consideration. Promptly after the effective time of the merger, D.R. Horton will cause the paying agent to transmit to each record holder of shares of Forestar common stock that were converted into the right to receive the merger consideration (other than those holders who have properly completed and timely submitted, and not revoked, an election form), a letter of transmittal and instructions for use in such payment.

Upon surrender of a certificate or book-entry share, as applicable, to the paying agent together with the letter of transmittal, duly completed and validly executed, the holder of such certificate or book-entry share will be entitled to receive the applicable merger consideration (less any amount that may be withheld with respect to any applicable withholding taxes) for each share of Forestar common stock formerly represented by the certificate or book-entry share. No interest will be paid or accrued on the cash payable upon the surrender or transfer of such certificate.

Representations and Warranties

The Merger Agreement contains representations and warranties of Forestar, D.R. Horton and Merger Sub.

Some of the representations and warranties in the Merger Agreement are subject to materiality qualifications or a "Company material adverse effect" qualification with respect to Forestar or a "Parent material adverse effect" qualification with respect to D.R. Horton. For purposes of the Merger Agreement, a "Company material adverse effect" with respect to Forestar means any change, effect, event, occurrence, circumstance, condition, development or combination of the foregoing that, individually or in the aggregate, (i) results in any change that is materially adverse to the business of Forestar and its subsidiaries, taken as a whole or (ii) has or would reasonably be expected to prevent or delay the consummation of the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement, provided, however, that, in the case of clause (i), "Company material adverse effect" shall not be deemed to include the impact of:

changes in general economic, business, labor or regulatory conditions, or changes in securities, credit or other financial markets;

changes generally affecting the real estate industry in the United States;

changes or proposed changes in any applicable law or changes in GAAP or its interpretation;

participate in discussions with, furnish any information to, or afford access to the business of Forestar to, any third persons in connection with an acquisition proposal;

approve any third person becoming an "interested stockholder" under Section 203 of the DGCL;

enter into any agreement in principle, letter of intent or other agreement relating to an acquisition proposal; or

propose publicly to do any of the foregoing.

Under the Merger Agreement, an "acquisition proposal" means any proposal by any third person, (i) to acquire, directly or indirectly, Forestar common stock (or securities exercisable, convertible, redeemable or exchangeable for common stock) that, if consummated in accordance with its terms, would result in such third person beneficially owning, directly or indirectly, more than 15% of the combined voting power of Forestar common stock outstanding after giving effect to the consummation of such transaction, (ii) to acquire (including by joint venture), directly or indirectly, more than 15% of the consolidated tangible assets of Forestar and its subsidiaries taken as a whole (measured by fair market value), (iii) to effect any merger, consolidation, recapitalization, business combination or other similar transaction involving Forestar pursuant to which any third person would hold, directly or indirectly, more than 15% of the combined voting power of the shares of outstanding Forestar common stock or of the surviving or resulting entity of such transaction or (iv) to effect any combination of the foregoing.

Receipt of an Acquisition Proposal

Prior to obtaining the Company stockholder approval, Forestar and its subsidiaries may participate in discussions regarding, and furnish information in response to, an unsolicited, bona fide written acquisition proposal made after the date of the Merger Agreement and not resulting from any breach of the no solicitation section of the Merger Agreement, provided that: (i) the Board determines in good faith, after consultation with its financial advisor and outside legal counsel, that such acquisition proposal constitutes or could reasonably be expected to lead to a superior proposal, (ii) the Board determines in good faith, after consultation with its outside legal counsel, that failing to take such action would be inconsistent with its fiduciary duties to Forestar stockholders under applicable law, (iii) Forestar receives an executed confidentiality agreement containing terms not less favorable to Forestar than the terms of the confidentiality agreement between Forestar and D.R. Horton, and (iv) promptly (and in any event within 48 hours) after furnishing any non-public information concerning Forestar or its subsidiaries, Forestar furnishes such information to D.R. Horton, if such information had not been previously furnished.

Under the Merger Agreement, a "superior proposal" means a bona fide, unsolicited written acquisition proposal (substituting the term "50%" for the term "15%" in each instance where such term appears in that definition) by any third person, that the Board determines in good faith would be reasonably likely to be consummated if accepted, and more favorable to Forestar stockholders from a financial point of view than the merger (including any adjustments to the terms hereof that D.R. Horton might offer pursuant to the no solicitation section of the Merger Agreement), after taking into account all circumstances that the Board determines are relevant, including the legal, financial and regulatory aspects of such acquisition proposal, the identity of the person making the acquisition proposal, and the anticipated timing, conditions and ability of the person making such acquisition proposal to consummate the transactions contemplated by such acquisition proposal (based upon, among other things, expectation of obtaining required approvals or any necessary financing).

Table of Contents

Notice of Acquisition Proposal

Under the terms of the Merger Agreement, Forestar must notify D.R. Horton in writing promptly (and in any event within 24 hours) after receipt by Forestar or its representatives of any acquisition proposal, any bona fide written indication that a third person intends to make an acquisition proposal or certain written requests for information, in each case by any third person that intends to make an acquisition proposal. Forestar must identify the third person making, and the material terms and conditions of, any such acquisition proposal, indication or request. Forestar must keep D.R. Horton reasonably informed of any material developments, discussions or negotiations regarding any such acquisition proposal, indication or request and shall promptly (and in any event within 24 hours) provide to D.R. Horton copies of all written materials provided to Forestar or any of its subsidiaries that describe any terms of any acquisition proposal as well as written summaries of any material oral communications addressing such matters.

The Company Recommendation; Change in Company Recommendation; Fiduciary Exception

As described above, and subject to the provisions described below, the Board has made the recommendation that the Forestar stockholders vote "**FOR**" the proposal to adopt the Merger Agreement, which recommendation we refer to as the "Company recommendation." The Merger Agreement provides that the Board will not effect a change in the Company recommendation except as described below.

Under the Merger Agreement, generally, the Board may not: (i) withdraw, modify, or propose publicly or resolve to withhold or modify, in any manner adverse to D.R. Horton or Merger Sub, the Company recommendation (a "change in Company recommendation"), (ii) adopt, approve, authorize, recommend or declare advisable any acquisition proposal, (iii) take or fail to take any formal action or make or fail to make any public statement in connection with a tender or exchange offer, other than a recommendation against such offer or a "stop, look and listen" communication by the Board to Forestar stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act or (iv) enter into an agreement relating to an acquisition proposal.

If, prior to obtaining the Company stockholder approval, Forestar receives an acquisition proposal that the Board concludes in good faith, after consultation with its financial advisor and outside legal counsel, constitutes a superior proposal, the Board may effect a change in Company recommendation or terminate the Merger Agreement to enter into a definitive, written agreement concerning such superior proposal, if:

Forestar shall have provided prior written notice to D.R. Horton, at least four business days in advance, of its intention to effect a change in Company recommendation or to terminate the Merger Agreement to enter into a definitive, written agreement concerning a superior proposal, which notice shall contain certain information regarding the acquisition proposal specified in the Merger Agreement, including the material terms and conditions and the identity of the person making the acquisition proposal;

The Board shall have determined in good faith, after consultation with its outside legal counsel, that failure to effect a change in Company recommendation or terminate the Merger Agreement to enter into a superior proposal, as applicable, would be inconsistent with its fiduciary duties to Forestar stockholders under applicable law and Forestar shall have complied with its obligations under the applicable provisions of the Merger Agreement;

after providing the required notice, Forestar and its representatives shall have discussed and negotiated with D.R. Horton in good faith (to the extent D.R. Horton has requested that Forestar discuss and negotiate with D.R. Horton and its representatives) during the notice period such adjustments in the terms and conditions of the Merger Agreement as would permit

Table of Contents

the Board not to effect a change in Company recommendation or terminate the Merger Agreement, as applicable; and

the Board shall have considered any proposed changes to the Merger Agreement offered in writing by D.R. Horton no later than 5:00 p.m. (Eastern Time) on the last day of the notice period, and, taking into account any such proposed changes, shall have determined in good faith, after consultation with its financial advisor and outside legal counsel, that the superior proposal would continue to constitute a superior proposal if such changes were to be given effect and the failure to take such action would continue to be inconsistent with the Board's fiduciary duties to the Forestar stockholders under applicable law, and, in the case of any termination of the Merger Agreement in order to cause or permit Forestar to enter into an agreement concerning a superior proposal, Forestar shall have validly terminated the Merger Agreement, including paying the required Company termination fee.

The Merger Agreement does not prohibit the Board from complying with Rule 14e-2(a) under the Exchange Act with respect to any acquisition proposal or making a "stop, look and listen" disclosure of the type contemplated by Rule 14d-9(f) under the Exchange Act.

In addition, the Board may effect a change in Company recommendation in response to certain intervening events that do not relate to D.R. Horton or Merger Sub and were not known and not reasonably foreseeable (or the implications and effects of which were not fully known) to the Board as of the date of the Merger Agreement (or if known, the consequences of which were not known or reasonably foreseeable) which event becomes known to the Board prior to the closing, if the Board shall have determined that the failure to take such action would be inconsistent with its fiduciary duties; provided, that, (i) Forestar promptly notified D.R. Horton in writing at least four business days before taking such action, of its intention to do so, attaching a reasonably detailed description of the facts relating to such adverse recommendation change, (ii) during such period, if requested by D.R. Horton, Forestar negotiated with D.R. Horton regarding any proposal by D.R. Horton to amend the terms of the Merger Agreement in response to such potential adverse recommendation change; and (iii) after such period, the Board determined that the failure to take such action would still be inconsistent with its fiduciary duties.

Other Covenants and Agreements

Access to Information

Subject to certain exceptions and limitations, Forestar must afford to D.R. Horton reasonable access at reasonable times on reasonable notice to all of its properties, books, contracts, commitments, personnel and records, and Forestar must furnish promptly to D.R. Horton a copy of every document it files pursuant to federal or state securities laws, and all other information concerning its business, properties, litigation and personnel as D.R. Horton may reasonably request (subject to Forestar's right to restrict access if such access would violate applicable law or its confidentiality obligations, would result in the loss of attorney-client privilege, or, with respect to environmental investigations, would unreasonably intrude upon the operations of Forestar or its subsidiaries).

No review by D.R. Horton or its representatives will affect or be deemed to modify any representation or warranty, covenant, or condition set forth in the Merger Agreement.

Indemnification and Insurance

From and after the effective time of the merger, Forestar is required to indemnify the present and former directors and officers of Forestar and its subsidiaries (the "indemnified persons") against all expenses paid in settlement in connection with any actual or threatened claim alleged to occur at or prior to the closing, whether asserted or claimed prior to, at or after the closing.

The surviving entity must purchase as of the closing a tail endorsement to the current policies of directors' and officers' liability insurance maintained by Forestar which tail endorsement shall be effective for a period of six years after the closing with respect to claims arising from facts or events that occurred at or prior to the closing, and the tail endorsement shall contain coverage at least as favorable to the indemnified persons as the current coverage; provided, that in no event shall the surviving entity be required to pay annual premiums for insurance that exceed 300% of the most recent annual premiums paid by Forestar prior to the date of the Merger Agreement. If the annual premiums of such insurance coverage exceed that amount, the surviving entity shall be obligated to provide such coverage as may be obtained for such 300% amount.

From and after the effective time of the merger, Forestar will not, directly or indirectly, amend, modify, limit or terminate the indemnification, advancement and reimbursement of expenses and exculpation provisions of the certificate of incorporation, bylaws or other similar governing documents of Forestar or its subsidiaries as in effect at the effective time of the merger in any manner that would adversely affect the rights thereunder of individuals who at the effective time of the merger were directors, officers, employees or agents of Forestar or any of its subsidiaries.

Efforts to Complete the Merger; Approvals

The Merger Agreement provides that Forestar, D.R. Horton and Merger Sub will each use their respective reasonable best efforts to:

take all actions necessary under applicable laws to consummate the merger as promptly as practicable, including using their reasonable best efforts to obtain any requisite approvals by any governmental entity or other third party in connection with the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement and to fulfill the conditions to the merger; and

not take any action that would materially delay or prevent consummation of the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement.

Each of Forestar, on the one hand, and D.R. Horton and Merger Sub, on the other hand, are required to:

promptly notify the other of any substantive communications with any governmental entity with respect to the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement;

permit the other to review in advance, and consider in good faith the views of the other in connection with, any proposed substantive communication with any such governmental entity with respect to the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement;

not participate in any substantive meeting or have any substantive communication with any such governmental entity with respect to the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement unless it has given the other an opportunity to consult with it in advance and, to the extent permitted by such governmental entity, give the other the opportunity to attend and participate; and

furnish the other with copies of all filings and communications between it and any such governmental entity with respect to the merger or the other transactions contemplated by the Merger Agreement, the Stockholder's Agreement or the Master Supply Agreement; provided, however, that materials may be redacted to remove reference concerning valuation, as necessary

to comply with contractual arrangements and as necessary to address reasonable attorney-client or other privilege or confidentiality concern.

In no event will D.R. Horton or Merger Sub be obligated to agree to accept, and Forestar shall not discuss, propose or commit to without D.R. Horton's consent, any undertaking or condition, to enter into any consent decree, to make any divestiture, to accept any operational restriction, or take any other action that, in the reasonable judgment of D.R. Horton, could be expected to limit the right of D.R. Horton or its subsidiaries to own or operate all or any portion of their respective businesses or assets, including those of Forestar.

Employee Matters

From and after the closing, Forestar will honor all employment agreements and Forestar employee benefit plans in accordance with their current terms, except as otherwise specifically provided in the Merger Agreement.

Forestar shall provide each Forestar employee who incurs a termination of employment during the twelve month period following the closing with severance benefits that are no less favorable than the severance benefits described in the Company disclosure letter, which are generally consistent with Forestar's existing severance benefits. These severance benefits apply to employees at or below the senior vice president level immediately before the closing date, and so will not apply to any of Forestar's named executive officers. Severance benefits for Forestar's named executive officers are described in "*The Merger Interests of Forestar's Directors and Executive Officers in the Merger.*"

at any time prior to obtaining the Company stockholder approval, in order to enter into a definitive, written agreement for a superior proposal, and prior to or concurrently with such termination, Forestar pays to D.R. Horton the Company termination fee; or

by D.R. Horton:

at any time prior to the closing, if there shall have been a material breach by Forestar of any of its representations, warranties or covenants set forth in the Merger Agreement, such that either of the conditions relating to the truth and correctness of Forestar's representations and warranties and Forestar's performance of all of its obligations would not be satisfied, which breach is incapable of being cured by the outside date or is not cured by Forestar within 10 business days after Forestar receives written notice of such breach from D.R. Horton or Merger Sub; or

at any time prior to obtaining the Company stockholder approval, if the Board shall effect a change in Company recommendation or fail to publicly reaffirm the Board's recommendation within 10 business days after D.R. Horton or Merger Sub so requests in writing.

Company Termination Fee

If the Merger Agreement is terminated in specified circumstances, Forestar will be required to pay D.R. Horton a termination fee of \$20 million (which we refer to as the "Company termination fee").

Forestar will be required to pay the Company termination fee if the Merger Agreement is terminated:

by Forestar, in order to enter into a definitive, written agreement for a superior proposal;

by D.R. Horton, if the Board effects a change in Company recommendation or fails to reaffirm the Board's recommendation within 10 business days after D.R. Horton or Merger Sub so requests; or

(i) (A) by either D.R. Horton or Forestar, if the merger has not closed by the outside date, (B) by either D.R. Horton or Forestar, if the Company stockholder approval has not been obtained, or (C) by D.R. Horton, if there has been a material breach by Forestar of any of its representations, warranties or covenants, (ii) there has been publicly disclosed or proposed a Company acquisition proposal that remains outstanding as of the date of termination of the Merger Agreement, and (iii) if within 12 months after such termination, Forestar enters into a definitive agreement with respect to a Company acquisition proposal (provided that references to "15%" in the definition of "Company acquisition proposal" shall be deemed to be references to "50%").

Payment by Forestar of the Company termination fee will not relieve Forestar from any liability or damages for fraud or for any willful and material breach of the Merger Agreement.

Expense Reimbursement

If the Merger Agreement is terminated:

by either party if the Company stockholder approval is not been obtained, or

Table of Contents

by D.R. Horton if there has been a material breach by Forestar of any of its representations, warranties or covenants such that certain conditions are not satisfied,

then Forestar shall reimburse D.R. Horton for its actual and reasonable out-of-pocket expenses in an amount not to exceed \$4,000,000. In no event shall Forestar be required to reimburse D.R. Horton's expenses on more than one occasion and in no event shall the sum of the amount reimbursed and Company termination fee payable by Forestar exceed the amount of the Company termination fee.

Amendment; Waivers

The Merger Agreement may be amended at any time before or after receipt of the Company stockholder approval and prior to the effective time; provided, however, that after the Company stockholder approval has been obtained, there shall not be (i) any amendment that changes the amount or the form of the consideration to be delivered to the holders of Forestar common stock, or which by applicable law requires the further approval of the stockholders of Forestar without such further approval of such stockholders, or (ii) any amendment not permitted under applicable law.

At any time prior to the effective time, any party may (i) extend the time for the performance of any of the covenants, agreements, obligations or other acts of any other party, or (ii) waive any inaccuracy of any representations or warranties or compliance with any of the covenants or conditions of any other party or with any conditions to its own obligations.

Expenses

Except as otherwise provided in the Merger Agreement, all fees and expenses incurred in connection with the merger shall be paid by the party incurring such fees or expenses, whether or not the merger is consummated.

Jurisdiction

Each party submits to the exclusive jurisdiction of the Delaware Court of Chancery, including any appellate courts, for any dispute arising out of or relating to the Merger Agreement. Each party waives any objection that it may have to the laying of the venue of any such proceedings brought in Delaware courts. With respect to any such proceeding, each of the parties waives and agrees not to claim in any such court that (i) it is not personally subject to the jurisdiction of the Delaware courts for any reason other than the failure to serve process in accordance with applicable law, (ii) it or its property is exempt from jurisdiction of the Delaware courts or (iii) the suit in the Delaware courts is brought in an inconvenient forum, the venue of such suit, action or proceeding is improper or the Merger Agreement may not be enforced by the Delaware courts.

Specific Performance; Remedies

Except when the Merger Agreement is properly terminated, the parties are entitled to seek an injunction to prevent breaches or threatened breaches of the Merger Agreement and to specifically enforce the terms of the Merger Agreement. Nothing in the Merger Agreement will relieve any party from liability or damages for fraud or for any willful or material breach of the Merger Agreement prior to the date of termination.

The Merger Agreement is governed by Delaware law.

THE STOCKHOLDER'S AGREEMENT

Below is a summary of the material provisions of the Stockholder's Agreement entered into on June 29, 2017 between Forestar and D.R. Horton, a copy of which is attached to this proxy statement/prospectus as Annex B and which is incorporated by reference into this proxy statement/prospectus. This summary does not purport to be complete and may not contain all of the information about the Stockholder's Agreement that is important to you. We encourage you to read carefully the Stockholder's Agreement in its entirety, as the rights and obligations of the parties thereto are governed by the express terms of the Stockholder's Agreement and not by this summary or any other information contained in this proxy statement/prospectus. For purposes of this summary, a reference to D.R. Horton's affiliates does not include the Company or its subsidiaries.

Corporate Governance

Board Composition

Initial Board Representation. For a period of 15 months following the effective time of the merger (the "Lock-Up Period"), the Board shall have five directors, comprised of four individuals designated by D.R. Horton (which shall include the Executive Chairman of the Company and at least two independent directors) and one individual from the current Board designated by mutual agreement of Forestar and D.R. Horton prior to the effective time of the merger, with D.R. Horton's agreement not to be unreasonably withheld (which we refer to as the "Legacy Director"), or his replacement. Forestar and D.R. Horton have each agreed to use their reasonable best efforts to cause the Legacy Director to be nominated as a Non-Stockholder Designee (as defined below) at the Company's annual meeting to be held in 2018.

Continued Board Representation. After the Lock-Up Period, at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, the Board shall have five directors unless otherwise agreed in writing between the Company (as approved by a majority of the independent directors) and D.R. Horton, and D.R. Horton will have the right to designate a number of directors (which we refer to as the "D.R. Horton Designees") equal to the percentage of the voting securities of the Company beneficially owned by D.R. Horton and its affiliates multiplied by the total number of directors that the Company would have if there were no vacancies, rounded up to the nearest whole number (and in any event not less than one). The Nominating and Governance Committee will have the right to designate the remaining number of individuals (and in any event not less than one) to the Board (which we refer to as the "Non-Stockholder Designees"). Forestar and D.R. Horton have each agreed to use their reasonable best efforts to cause the D.R. Horton Designees and the Non-Stockholder Designees to be appointed or elected to the Board. D.R. Horton shall have the right to designate the Executive Chairman of the Company.

Independent Directors. Forestar and D.R. Horton have also each agreed to use their reasonable best efforts to cause at least three of the directors to be considered "independent" under the rules of the SEC and under applicable listing standards.

Director Removal and Vacancies

Removal. Any director may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at least a majority of the voting power of all of the outstanding shares of the Company's capital stock entitled to elect such director, voting separately as a class, at a duly organized meeting of stockholders or by written consent; provided that no D.R. Horton Designee may be removed without the prior written consent of D.R. Horton. Pursuant to the Stockholder's Agreement, D.R. Horton has agreed to cause its shares of Forestar common stock not to be voted in favor of the removal of any Non-Stockholder Designee other than for cause.

Table of Contents

Vacancies. Upon the resignation, retirement, death or other removal (with or without cause) from office of any D.R. Horton Designee serving as a director at a time when the D.R. Horton has the right under the Stockholder's Agreement to designate a replacement D.R. Horton Designee, D.R. Horton shall be entitled promptly to designate a replacement D.R. Horton Designee. Upon the resignation, retirement, death or other removal (with or without cause) from office of the Legacy Director or any other Non-Stockholder Designee serving as a director, the Nominating and Governance Committee shall be entitled promptly to designate a replacement Non-Stockholder Designee. In each case, the Company and D.R. Horton shall cause the prompt appointment or election of such replacement director.

D.R. Horton Agreement to Vote

D.R. Horton has agreed (and has agreed to cause each of its affiliates and it and their respective representatives) to cause its shares of Forestar common stock to be (i) present for quorum purposes at any Company stockholder meeting, (ii) voted in favor of all Non-Stockholder Designees and (iii) not voted in favor of the removal of any Non-Stockholder Designee other than for cause.

Committees

General. At all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, no committee of the Board shall have more than three members unless otherwise agreed in writing between the Company (as approved by a majority of the independent directors) and D.R. Horton, and each committee of the Board shall include in its membership (i) a number of D.R. Horton Designees equal to the percentage of the voting securities of the Company beneficially owned by D.R. Horton and its affiliates multiplied by the total number of members that such committee would have if there were no vacancies on such committee, rounded up to the nearest whole number (and in any event not less than one), and (ii) at least one member not designated by D.R. Horton.

Nominating and Governance Committee. At all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, the Board shall maintain a Nominating and Governance Committee, and the Legacy Director shall be a member of the Nominating and Governance committee for so long as the Legacy Director serves on the Board. During the Lock-Up Period, the Nominating and Governance Committee shall have three members, including the Legacy Director (as long as the Legacy Director is then on the Board) and at least one additional independent director.

Investment Committee. Forestar has also agreed to establish and maintain an Investment Committee (which will not be considered a committee of the Board), the members of which shall be officers or employees of the Company who are (A) experienced professionals in the land acquisition and development business or (B) the Chief Executive Officer, the Chief Financial Officer, the General Counsel or the President of Community Development (or any person serving in an equivalent role). The Executive Chairman of the Company shall be a member of the Investment Committee at all times. The other members of the Investment Committee will be appointed by the Nominating and Governance Committee. The Investment Committee will be vested with sole responsibility over investment decisions of the Company involving capital expenditures of \$20,000,000 or less (which we refer to as an "Investment Committee Approval Transaction"). All decisions of the Investment Committee will require the approval of a majority of the members of the Investment Committee. Any investment decision that does not involve an Investment Committee Approval Transaction will be subject to approval by the Board.

the number of shares of Forestar common stock subject to such transfer, together with the aggregate number of shares of Forestar common stock subject to all other transfers effected pursuant to this clause during the Lock-Up Period, does not in the aggregate exceed one-third (1/3) of the aggregate amount of shares of Forestar common stock held by D.R. Horton and its affiliates immediately following the effective time of the merger;

such transferee agrees to be bound by the restrictions on transfer set forth in the Stockholder's Agreement;

such transferee agrees and acknowledges that, other than certain registration rights, such transferee has no rights under the Stockholder's Agreement.

Standstill and Squeeze-Out Transactions

During the Lock-Up Period, D.R. Horton and its affiliates generally may not (subject to customary exceptions) participate in any transactions that would result in D.R. Horton and its affiliates beneficially owning more than 80% of the voting power of the Forestar common stock, provided that D.R. Horton is permitted, under certain conditions, to make private proposals to the non-D.R. Horton affiliated directors on the Board.

In addition, at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, D.R. Horton shall not (and shall cause each of its affiliates and it and their respective representatives not to):

Table of Contents

Pre-emptive Rights

During the term of the Stockholder's Agreement, D.R. Horton has a pre-emptive right (but not the obligation) to participate in any issuance of equity or other securities of the Company by purchasing up to D.R. Horton's and its subsidiaries' pro rata portion of such equity or other securities at the price and otherwise upon the same terms and conditions as offered to other investors. This pre-emptive right generally will not apply to equity issuances (i) pursuant to compensation and benefits plans approved by the Board, (ii) in connection with any proportionate stock split or stock dividend or recapitalization approved by the Board, (iii) as consideration in any direct or indirect acquisition or business combination by the Company or any of its subsidiaries, or (iv) upon conversion of the Company's or any of its subsidiaries' notes, debentures or other indebtedness in accordance with the terms of such notes, debentures or other indebtedness.

Registration Rights

The Stockholder's Agreement provides for customary registration rights with respect to Forestar common stock held by D.R. Horton (and its affiliates and their permitted transferees). Pursuant to such registration rights, the Company has agreed to file, prior to expiration of the Lock-Up Period, and to use its reasonable best efforts to make and keep effective, a shelf registration statement permitting the resale of Forestar common stock by D.R. Horton. Thereafter, if the Company is then eligible to file a registration statement on Form S-3 (pursuant to the General Instructions to Form S-3), the Company shall, as promptly as reasonably practicable following the written request of D.R. Horton for a firm commitment underwritten offering of D.R. Horton's Forestar common stock pursuant to such shelf registration statement with anticipated aggregate gross proceeds of at least \$50 million (a "takedown request"), file a prospectus supplement to such shelf registration statement filed under Rule 424 promulgated under the Securities Act with respect to such underwritten offering.

In addition, after expiration of the Lock-Up Period, if at any time the shelf registration statement described above is not available, D.R. Horton has the right to require the Company to register for resale D.R. Horton's Forestar common stock with anticipated aggregate gross proceeds of at least \$50 million. Subject to certain limitations, the Company shall, as promptly as reasonably practicable following written request of D.R. Horton (a "demand request"), file such registration statement, and shall use its reasonable best efforts to cause such registration statement to be declared effective as promptly as reasonably practicable after the filing thereof.

D.R. Horton may not make more than one takedown request or demand request in any 70-day period, and the Company will not be obligated to effect any takedown request or demand request if, as of the date of the request, at least three underwritten offerings of D.R. Horton's Forestar common stock have been consummated within the trailing 12-month period pursuant to takedown requests and/or demand requests. Under certain circumstances, the Company is entitled to postpone and delay, for reasonable periods of time not in excess of 60 days, but in no event more than twice in any 365-day period, the filing or effectiveness of any prospectus supplement or registration statement pursuant to any takedown request or demand request.

D.R. Horton also has piggyback registration rights in connection with offerings of Forestar common stock by the Company or other stockholders. If the Company at any time proposes or is required to register any Forestar common stock under the Securities Act on its behalf or on behalf of any of its stockholders, then D.R. Horton may require the Company to include any of D.R. Horton's shares of Forestar common stock in such registration statement, subject to certain limitations set forth in the Stockholder's Agreement.

Additionally, the Company has agreed to comply with the requirements of Rule 144(c)(1) under the Exchange Act with respect to public information about the Company.

Table of Contents

The registration rights described above will apply to D.R. Horton, its affiliates and permitted lock-up period transferees. Registration rights may not be transferred, other than to a permitted lock-up period transferee. D.R. Horton's registration rights will terminate on the first day on which D.R. Horton and its affiliates beneficially own less than 5% of the voting securities of the Company or the first day on which there are no longer any "registrable securities" (as defined in the Stockholder's Agreement) outstanding, whichever is earlier.

Corporate Opportunities

Pursuant to the Stockholder's Agreement, D.R. Horton and its affiliates, and their respective representatives, shall not in any way be prohibited or restricted from engaging or investing in any business opportunity of any type or description, and the Company shall not have any right in or to such business opportunities or to the income or proceeds derived therefrom. None of D.R. Horton, its affiliates or their respective representatives will be obligated to present any business opportunity to the Company or any other stockholder, even if the opportunity is of the character that, if presented to the Company, could be taken by the Company, or if presented to any other stockholder, could be taken by such stockholder, unless the opportunity is offered to an individual who is both an affiliate of D.R. Horton and an officer or director of the Company and the offer is made in writing to the individual in his or her capacity as an officer or director of the Company.

Effectiveness; Term and Termination

The terms of the Stockholder's Agreement become effective as of the effective time of the merger.

The Stockholder's Agreement shall terminate upon termination of the Merger Agreement or on the first day that D.R. Horton and its affiliates beneficially own less than 15% of the voting securities of the Company, provided that the provisions of the Stockholder's Agreement relating to D.R. Horton's registration rights, the waiver of business opportunities and certain customary provisions will survive the termination of the Stockholder's Agreement after the effective time of the merger.

THE MASTER SUPPLY AGREEMENT

Below is a summary of the material provisions of the Master Supply Agreement entered into on June 29, 2017 between Forestar and D.R. Horton, a copy of which is attached to this proxy statement/prospectus as Annex C and which is incorporated by reference into this proxy statement/prospectus. This summary does not purport to be complete and may not contain all of the information about the Master Supply Agreement that is important to you. We encourage you to read carefully the Master Supply Agreement in its entirety, as the rights and obligations of the parties thereto are governed by the express terms of the Master Supply Agreement and not by this summary or any other information contained in this proxy statement/prospectus.

Sourcing

Under the Master Supply Agreement, the Company will present to D.R. Horton all lot development opportunities (subject to certain exceptions) that the Company desires to acquire and develop that have been approved or conditionally approved by the Investment Committee (a "Forestar Sourced Opportunity"); and D.R. Horton shall have the right, but not the obligation, to present the Company with lot development opportunities that D.R. Horton desires to acquire for development (if presented to the Company, a "D.R. Horton Sourced Opportunity").

Unless the parties agree otherwise, the following opportunities are excluded from Forestar Sourced Opportunities and so are not subject to the Master Supply Agreement: (a) any opportunities, developments or ventures owned, under contract, the subject of a letter of intent or otherwise being pursued, by the Company, as of the effective time of the merger, or (b) any opportunities presented to the Company by a third-party builder.

Collaboration, Evaluation and Contract Rights

Pursuant to the Master Supply Agreement, the Company and D.R. Horton will collaborate regarding all Forestar Sourced Opportunities and all D.R. Horton Sourced Opportunities, after considering current and future market conditions and dynamics. If the parties agree to pursue a Forestar Sourced Opportunity or a D.R. Horton Sourced Opportunity, such agreement will be evidenced by a mutually agreed upon written development plan prepared at the direction of the Investment Committee (a "Development Plan"), addressing, among other things, the number, size, layout and projected price of lots, phasing, timing, amenities and entitlements, and thereafter a Forestar Sourced Opportunity or a D.R. Horton Sourced Opportunity will be referred to as either a "Forestar Sourced Development" or a "D.R. Horton Sourced Development," as the case may be.

D.R. Horton or its affiliates will have (a) a right of first offer (a "ROFO") to buy up to 50% of the lots in the first phase (and in any subsequent phase in which D.R. Horton purchased at least 25% of the lots in the previous phase) in each Forestar Sourced Development; and (b) the right to purchase up to 100% of the lots in each D.R. Horton Sourced Development, at the then current fair market price and terms per lot, as mutually agreed to by the Company and D.R. Horton. All lots in a Forestar Sourced Development in which a D.R. Horton affiliate participates as a buyer will be equitably allocated among D.R. Horton and any other builders in each phase taking into consideration the location, size and other attributes associated with the lots. The agreement evidencing the ROFO for the lots in a Forestar Sourced Development (the "ROFO Agreement"), and the purchase and sale agreement for the lots in a D.R. Horton Sourced Development (the "PSA"), will be negotiated, finalized and executed as a part of the Development Plan, and in all events the Development Plan will be finalized, and the ROFO Agreement will be negotiated, finalized and executed, prior to the expiration of the feasibility period in any contract to acquire a Forestar Sourced Development. D.R. Horton will assign to the Company on an "as-is," "where-is basis" the contract to acquire a

Company's General Development Duties and Obligations

The Company, at its sole cost and expense, will perform and direct, through its employees, agents and contractors, all functions relative to diligence, entitlement, financing, planning, design and construction of all on-site and off-site improvements required for any development.

Effectiveness; Term and Termination

The terms of the Master Supply Agreement become effective as of the effective time of the merger, and unless earlier terminated, continue until the earlier of (a) the date that D.R. Horton and its affiliates beneficially own less than 15% of the voting securities of the Company and (b) June 29, 2037.

In addition to termination for breach or by mutual agreement of the parties, the Company may terminate the Master Supply Agreement at any time that D.R. Horton and its affiliates beneficially own less than 25% of the voting securities of the Company.

Miscellaneous

Except for the obligations set forth in the Master Supply Agreement, the Master Supply Agreement will not prevent or limit either party from engaging in any business activities, as it shall determine in its sole discretion, including activities that compete with the other party, any opportunities or any developments.

Each party generally agrees to keep confidential any nonpublic information of the other party disclosed to it by the other party.

The Master Supply Agreement is generally not assignable without consent, except to an affiliate or to any successor to all or substantially all of the assets of a party.

FORESTAR SPECIAL MEETING

Forestar is furnishing this proxy statement/prospectus to its stockholders as part of the solicitation of proxies by the Board for use at the special meeting or any adjournment or postponement thereof. This proxy statement/prospectus provides Forestar stockholders with the information they need to know to be able to vote or instruct their vote to be cast at the special meeting or any adjournment or postponement thereof.

Date, Time and Place of the Special Meeting

This proxy statement/prospectus is being furnished to our stockholders as part of the solicitation of proxies by the Board for use at the special meeting to be held on October 3, 2017, at 9:00 a.m. (Central time), at 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746, or at any adjournment or postponement thereof.

Attendance at the special meeting is limited to individuals who were stockholders as of the record date and their authorized representatives. Registration and seating will begin at 8:30 a.m. (Central time). Each stockholder will be asked to present proof of identification, such as a driver's license or passport, prior to admission to the special meeting. Beneficial owners of shares held in "street name" who desire to attend the special meeting, will need to bring proof of share ownership as of the record date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the special meeting.

If you are a stockholder of record, you may vote in person at the special meeting by requesting a ballot when you arrive. You must bring valid picture identification such as a driver's license or passport and may be requested to provide proof of stock ownership as of the record date. If you are a beneficial owner of shares held in "street name" and wish to vote in person at the special meeting, you must obtain a "legal proxy" from the organization that holds your shares. A "legal proxy" is a written document that will authorize you to vote your shares held in "street name" at the special meeting. Please contact the organization that holds your shares for instructions regarding obtaining a "legal proxy."

Purposes of the Special Meeting

One purpose of the special meeting is for our stockholders to consider and vote upon the proposal to adopt the Merger Agreement. Our stockholders must adopt the Merger Agreement in order for the merger to occur and for you to receive the merger consideration. If our stockholders fail to adopt the Merger Agreement, the merger will not occur and you will not receive the merger consideration. A copy of the Merger Agreement is attached as Annex A to this proxy statement/prospectus, and the material provisions of the Merger Agreement are summarized in the section of this proxy statement/prospectus entitled "*The Merger Agreement*."

In addition, Forestar is providing its stockholders with the opportunity to cast a non-binding advisory vote on specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger, the value of which is disclosed in the table in the section of this proxy statement/prospectus entitled "*The Merger Interests of Forestar's Directors and Executive Officers in the Merger*." The non-binding advisory vote on specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger is separate and apart from the vote to adopt the Merger Agreement. Accordingly, a stockholder may vote to approve the executive compensation and vote not to adopt the Merger Agreement and vice versa. Because the vote on executive compensation is advisory in nature only, it will not be binding on Forestar or the Board. Accordingly, if the Merger Agreement is adopted by Forestar stockholders and the merger is completed, the merger-related compensation may be paid to Forestar's named executive officers even if stockholders fail to approve the proposal.

Table of Contents

Our stockholders are also being asked to approve the adjournment of the special meeting, if necessary or appropriate, including to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement.

This proxy statement/prospectus and the enclosed form of proxy are first being mailed to our stockholders on or about August 28, 2017.

Record Date and Quorum

The holders of record of Forestar common stock as of the close of business on August 21, 2017, the record date for the special meeting, are entitled to receive notice of and to vote at the special meeting. On the record date, 41,934,751 shares of Forestar common stock were outstanding.

The presence at the special meeting, in person or represented by proxy, of the holders of record of a majority of Forestar's capital stock issued and outstanding and entitled to vote at the close of business on the record date will constitute a quorum, permitting Forestar to conduct its business at the special meeting. Once a share is represented at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting. However, if a new record date is set for an adjourned special meeting, then a new quorum will have to be established. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present for the purpose of determining a quorum at the special meeting. "Broker non-votes," described below under " *Required Vote*," will not be included in the calculation of the number of shares considered to be present for the purpose of determining a quorum at the special meeting.

Required Vote

Each share of Forestar common stock outstanding at the close of business on the record date is entitled to one vote on each of the proposals to be considered at the special meeting.

For Forestar to complete the merger, Forestar stockholders holding a majority of the shares of Forestar common stock outstanding at the close of business on the record date and entitled to vote thereon must vote "**FOR**" the proposal to adopt the Merger Agreement. A failure to vote your shares of Forestar common stock or an abstention from voting will have the same effect as a vote "**AGAINST**" the proposal to adopt the Merger Agreement. If your shares are held in "street name" by your broker, bank or other nominee and you do not instruct the nominee how to vote your shares, this will be deemed a "broker non-vote," which will have the same effect as a vote "**AGAINST**" the proposal to adopt the Merger Agreement.

The approval, on a non-binding advisory basis, of the proposal regarding specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger requires the affirmative vote of a majority of the votes cast at the special meeting at which a quorum is present. Assuming a quorum is present, a failure to vote your shares of Forestar common stock, an abstention from voting or a "broker non-vote" will have no effect on this proposal.

The affirmative vote of a majority of the votes cast at the special meeting, whether or not a quorum is present, is required to approve the proposal to approve the adjournment of the special meeting, if necessary or appropriate. A failure to vote your shares of Forestar common stock, an abstention from voting or a "broker non-vote" will have no effect on this proposal.

As of the record date, there were 41,934,751 shares of Forestar common stock outstanding.

Voting by Forestar's Directors and Executive Officers

At the close of business on August 21, 2017, directors and executive officers of Forestar were entitled to vote 1,271,954 shares of Forestar common stock, or approximately 3.03% of the shares of

Table of Contents

Forestar common stock issued and outstanding on that date. We currently expect that Forestar's directors and executive officers will vote their shares representing 3.03% of the outstanding shares of Forestar common stock in favor of the proposal to adopt the Merger Agreement and in favor of the other proposals to be considered at the special meeting, although they have no obligation to do so.

Voting; Proxies; Revocation

Attendance

All holders of Forestar common stock as of the close of business on August 21, 2017, the record date, including stockholders of record and beneficial owners of Forestar common stock registered in the "street name" of a broker, bank or other nominee, are invited to attend the special meeting. If you are a stockholder of record, please be prepared to provide proper identification, such as a driver's license or passport. If you hold your shares in "street name," you will need to provide proof of ownership, such as a recent account statement or voting instruction form provided by your broker, bank or other nominee or other similar evidence of ownership, along with proper identification.

Voting in Person

Stockholders of record will be able to vote in person at the special meeting. If you are not a stockholder of record, but instead hold your shares of Forestar common stock in "street name" through a broker, bank or other nominee, you must provide a "legal proxy" from the organization that holds your share in order to be able to vote in person at the special meeting.

Providing Voting Instructions by Proxy

To ensure that your shares of Forestar common stock are voted at the special meeting, we recommend that you provide voting instructions promptly by proxy, even if you plan to attend the special meeting in person.

Shares of Forestar Common Stock Held by Record Holder

If you are a stockholder of record, you may provide voting instructions by proxy using one of the methods described below.

Via the internet. You can submit a proxy over the internet at www.proxyvote.com by following the instructions on the proxy card.

By Telephone. You can submit a proxy by telephone by calling 800-690-6903 and following the instructions on the proxy card.

By Mail. You can submit a proxy by mail by signing, dating and mailing the enclosed proxy card.

If you submit a signed proxy card or submit your proxy by telephone or the internet, but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations of the Board on all matters presented in this proxy statement/prospectus. With respect to any other matters properly presented for a vote at the special meeting, the proxy holders will vote your shares in accordance with their best judgment. If you fail to return your proxy card and you are a holder of record on the record date, unless you attend the special meeting and vote in person, your shares of Forestar common stock will not be considered present at the special meeting for purposes of determining whether a quorum is present at the special meeting, which will have the same effect as a vote against the proposal to adopt the Merger Agreement and, assuming a quorum is present, will have no effect on the proposal to approve, on a non-binding advisory basis, specified compensation that may be paid or become payable to Forestar's named

executive officers in connection with the merger, or the vote regarding the adjournment of the special meeting, if necessary or appropriate, including to solicit additional proxies.

Shares of Forestar Common Stock Held in "Street Name"

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record as to how to vote your shares. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the special meeting, you should contact your broker or agent to obtain a "legal proxy" or broker's proxy card and bring it to the special meeting in order to vote.

In accordance with the rules of the NYSE, brokers, banks and other nominees who hold shares of Forestar common stock in "street name" for their customers do not have discretionary authority to vote the shares with respect to the proposal to adopt the Merger Agreement, the non-binding advisory proposal to approve specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger, or the adjournment of the special meeting, if necessary or appropriate, including to solicit additional proxies. Accordingly, if brokers, banks or other nominees do not receive specific voting instructions from the beneficial owner of such shares, they may not vote such shares with respect to these proposals. Under such circumstances, a "broker non-vote" would result. "Broker non-votes," if any, will not be considered present at the special meeting for purposes of determining whether a quorum is present at the special meeting, will have the same effect as a vote "**AGAINST**" the proposal to adopt the Merger Agreement and, assuming a quorum is present, will have no effect on the proposal to approve, on a non-binding advisory basis, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger or on the adjournment proposal. Thus, for shares of Forestar common stock held in "street name," only shares of Forestar common stock affirmatively voted "**FOR**" the proposal to adopt the Merger Agreement will be counted as a vote in favor of such proposal.

Revocation of Proxies

Any person giving a proxy pursuant to this solicitation has the power to revoke and change it at any time before it is voted. If you are a stockholder of record, you may revoke your proxy at any time before the vote is taken at the special meeting by:

submitting a new proxy with a later date, by using the telephone or internet proxy submission procedures described above, or by completing, signing, dating and returning a new proxy card by mail to Forestar;

attending the special meeting and voting in person; or

delivering a written notice of revocation by mail to Forestar's Secretary, Matthew S. Stark, at Forestar Group Inc., 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746.

Please note, however, that only your last-dated proxy will count. Attending the special meeting without taking one of the actions described above will not in itself revoke your proxy. Please note that if you want to revoke your proxy by mailing a new proxy card or by sending a written notice of revocation to Forestar, you should ensure that you send your new proxy card or written notice of revocation in sufficient time for it to be received by Forestar before the special meeting.

If you hold your shares in "street name" through a broker, bank or other nominee, you will need to follow the instructions provided to you by your broker, bank or other nominee in order to revoke your proxy or submit new voting instructions.

Table of Contents

Abstentions

An abstention occurs when a stockholder attends a meeting, either in person or by proxy, but abstains from voting. Abstentions will be included in the calculation of the number of shares of Forestar common stock present or represented at the special meeting for purposes of determining whether a quorum has been achieved. Abstaining from voting will have the same effect as a vote "AGAINST" the proposal to adopt the Merger Agreement and will have no effect on the non-binding advisory proposal to approve specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger or the adjournment proposal.

Adjournments and Postponements

Although it is not currently expected, the special meeting may be adjourned or postponed if necessary or appropriate, including for the purpose of soliciting additional proxies. In the event that a sufficient number of shares of Forestar common stock is present or represented, in person or by proxy, and voted in favor of the proposal to adopt the Merger Agreement at the special meeting such that the Company stockholder approval shall have been obtained, Forestar does not anticipate that it will adjourn or postpone the special meeting.

The special meeting may be adjourned by the affirmative vote of the holders of a majority of the votes cast in respect of shares of Forestar common stock present in person or represented by proxy at the special meeting and entitled to vote at the special meeting or as otherwise permitted by law. Any adjournment or postponement of the special meeting will allow Forestar stockholders who have already sent in their proxies to revoke them at any time before their use at the special meeting that was adjourned or postponed.

Solicitation of Proxies

The Board is soliciting your proxy, and Forestar will bear the cost of this solicitation of proxies. This includes the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Forestar has engaged D. F. King & Co., Inc., which we refer to as "D. F. King," to assist in the solicitation of proxies for the special meeting. Forestar estimates that it will pay D. F. King a fee of approximately \$20,000, plus reimbursement of certain expenses. In addition, Forestar may reimburse its transfer agent, brokerage firms and other persons representing beneficial owners of shares of Forestar common stock for their expenses in forwarding solicitation material to such beneficial owners.

Anticipated Date of Completion of the Merger

Assuming timely satisfaction of necessary closing conditions, including the approval by our stockholders of the proposal to adopt the Merger Agreement, we anticipate that the merger will be consummated in the fourth quarter of 2017.

Householding of Special Meeting Materials

We may send a single copy of this proxy statement/prospectus to any household at which two or more stockholders reside in accordance with SEC rules, unless we have received contrary instructions. Each stockholder in the household will continue to receive a separate proxy card. This process, known as "householding," reduces the volume of duplicate information received at your household and helps to reduce our expenses.

Table of Contents

If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement/prospectus, please notify your broker or direct your written request to Forestar's Secretary, Matthew S. Stark, at Forestar Group Inc., 6300 Bee Cave Road, Building Two, Suite 500, Austin, Texas 78746, or by telephone at (512) 433-5200. We will promptly deliver upon written or oral request a separate copy of the proxy statement/prospectus to a stockholder at a shared address to which a single copy of the proxy statement/prospectus was delivered. Stockholders who currently receive multiple copies of the proxy statement/prospectus at their addresses and would like to request "householding" of their communications should contact their broker.

Other Information

You should not return your stock certificates, if any, or send documents representing Forestar common stock with the proxy card. If the merger is completed and you have not submitted an election form, the paying agent for the merger will send to you a letter of transmittal and related materials and instructions for exchanging your shares of Forestar common stock for the merger consideration.

FORESTAR PROPOSALS

Proposal 1. Adoption of the Merger Agreement

(Item 1 on Proxy Card)

We are asking you to adopt the Merger Agreement. For a summary of, and detailed information regarding, this proposal, see the information about the Merger Agreement throughout this proxy statement/prospectus, including the information set forth under "*The Merger Agreement*." A copy of the Merger Agreement is attached as Annex A to this proxy statement/prospectus.

Approval of this proposal requires the affirmative vote of the Company stockholders holding a majority of the shares of Forestar common stock outstanding at the close of business on the record date and entitled to vote thereon. A failure to vote your shares of Forestar common stock or an abstention from voting will have the same effect as a vote against the proposal to adopt the Merger Agreement.

The Board unanimously recommends that stockholders vote "**FOR**" the proposal to adopt the Merger Agreement.

Proposal 2. The Non-Binding Advisory Merger-Related Compensation Proposal

(Item 2 on Proxy Card)

Section 14A of the Exchange Act, which was enacted as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, requires that we provide our stockholders with the opportunity to vote to approve, on a non-binding advisory basis, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger, as disclosed in the section entitled "*The Merger Interests of Forestar's Directors and Executive Officers in the Merger Merger-Related Compensation for Forestar's Named Executive Officers*." This non-binding advisory proposal gives Forestar stockholders the opportunity to express their views on the merger-related compensation of Forestar's named executive officers.

The Board encourages you to review carefully the named executive officer merger-related compensation information disclosed in this proxy statement/prospectus. The Board unanimously recommends that you vote "**FOR**" the following resolution:

"RESOLVED, that the stockholders of Forestar approve, on a non-binding advisory basis, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger as disclosed pursuant to Item 402(t) of Regulation S-K in the section entitled "*The Merger Interests of Forestar's Directors and Executive Officers in the Merger Merger-Related Compensation for Forestar's Named Executive Officers*" in Forestar's proxy statement for the special meeting."

Forestar stockholders should note that this proposal is not a condition to completion of the merger and, as an advisory vote, the result will not be binding on Forestar or the Board. Further, the underlying plans and arrangements are contractual in nature and payments under them are, by their terms, not subject to stockholder approval. Accordingly, regardless of the outcome of the advisory vote, if the merger is consummated our named executive officers will be entitled to receive the compensation that is based on or that otherwise relates to the merger subject to and in accordance with the terms and conditions applicable to those payments.

The Board unanimously recommends that you vote "**FOR**" the proposal to approve, by a non-binding advisory vote, specified compensation that may be paid or become payable to Forestar's named executive officers in connection with the merger.

Forestar does not intend to call a vote on this proposal if Proposal No. 1 is approved by holders of the requisite number of shares of Forestar common stock at the special meeting.

The Board unanimously recommends that stockholders vote "**FOR**" the proposal to adjourn the special meeting to a later date or time if necessary or appropriate, including to solicit additional proxies in favor of the proposal to adopt the Merger Agreement if there are insufficient votes at the time of the special meeting to approve the proposal to adopt the Merger Agreement.

The issuance of preferred stock may have the effect of diluting the earnings per share and book value per share of outstanding shares of Forestar common stock. In addition, the Board may issue preferred stock with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of Forestar common stock. After completion of the merger, the Company will not be governed by Section 203 of the DGCL until such time as D.R. While we believe that the following chart covers the material terms with respect to the rights of holders of the Company's existing capital stock and its capital stock that will be in effect if the merger is completed, this summary may not contain all of the information that is important to you. You should carefully read this entire document and the other documents to which we refer for a more complete understanding of the comparison of rights of a Company stockholder before and after completion of the merger. For more information on how to obtain the documents that are not attached to this proxy statement/prospectus, see "Where You Can Find More Information."

After completion of the merger, the Company will continue to be incorporated under the laws of the State of Delaware and, accordingly, will continue to be governed by the DGCL. Upon completion of the merger, the Company will adopt the new charter and the new bylaws, which, as amended from time to time, will govern the rights of the Company's stockholders after the merger.

In addition to the provisions described in the following table, the new charter, the new bylaws and the Stockholder's Agreement will contain various provisions relating to, among other things, certain rights of the Company and D.R. Horton concerning the corporate governance of the Company following completion of the merger, restrictions on transfers and acquisitions of new shares of Forestar common stock held by D.R. Horton and its affiliates, preemptive rights and registration rights for new shares of Forestar common stock, and allocation of corporate opportunities between the Company and D.R. Horton. Rights Before Completion of the Merger

The existing bylaws currently govern, and the new charter, the new bylaws and the Stockholder's Agreement will govern, stockholder nominations of candidates for election as directors except with respect to the rights of holders of preferred stock. Under both the existing bylaws and the new bylaws, nominations of persons for election to the Board may be made at an annual meeting by a stockholder of record on the date of giving notice to the Company's secretary and as of the record date for the determination of stockholders entitled to vote at the meeting, if the stockholder submits a timely notice of nomination. A notice of a stockholder nomination will be timely only if it is delivered to the Company's principal executive offices not less than 75 days nor more than 100 days prior to the anniversary date of the immediately preceding annual meeting of stockholders. However, if the annual meeting is called for a date more than 50 days prior to the anniversary date, notice must be received not later than the close of business on the 10th day following the day on which such notice of the meeting date was mailed or public disclosure of the meeting date was made, whichever occurs first.

Under both the existing bylaws and the new bylaws, the notice of a stockholder nomination must contain specified information, including, without limitation:

the name, age, business and, if known, residence addresses of each nominee;

the principal occupation or employment of each nominee;

the number of shares of Forestar common stock beneficially owned by each such nominee and the nominating stockholder;

any derivative instrument directly or indirectly owned beneficially by such stockholder, or any short interest in any security of the Company;

the consent of each nominee to serve as a director if so elected; and

any other information concerning the nominee that would be required to be included in a proxy statement or other filings pursuant to the proxy rules of the SEC.

If the chairman of the meeting determines that the stockholder nomination was not properly brought before the meeting in accordance with the provisions of the existing bylaws or the new bylaws, as applicable, that person will not be eligible for election as a director.

Notwithstanding the foregoing, under the terms of the new charter and the Stockholder's Agreement, D.R. Horton will have the right to designate a specified number of directors to the Board (i.e., the D.R. Horton Designees), as more fully described below under " *Election and Removal of Directors.*" With respect to each meeting of the stockholders of the Company at which directors are to be elected, the Company is required to provide D.R. Horton with notice of such meeting not less than 120 days prior to the date thereof, and the D.R. Horton is required to provide the Company with written notice of the names (together with all other information requested by the Company pursuant to Stockholder's Agreement) of the D.R. Horton Designees to be nominated for election at such meeting not more than 60 days following the delivery of such notice. The Company shall cause D.R. Horton Designees to be included in the slate of directors approved and recommended by the Board for election at such meeting and shall use its reasonable best efforts to cause the election of each such D.R. Horton Designees, including soliciting proxies in favor of the election of such D.R. Horton Designees at such meeting. In addition, D.R. Horton has agreed to use its reasonable best efforts to cause the Legacy Director to be nominated at the Company's 2018 annual meeting of stockholders.

Other Stockholder Proposals

The existing bylaws currently govern, and the new bylaws will govern, the notification process of all other stockholder proposals to be brought before an annual meeting. Under both the existing bylaws and the new bylaws, notice of a stockholder proposal will be timely only if it is delivered to the Company's principal executive offices not less than 75 days nor more than 100 days prior to the anniversary of the date of the immediately preceding annual meeting of stockholders. However, in the event that the annual meeting is called for a date more than 50 days prior to the anniversary date, notice must be received not later than the close of business on the 10th day following the day on which such notice of the meeting date was mailed or public disclosure of the meeting date was made, whichever occurs first. The notice of a stockholder proposal must contain specified information as described in the existing bylaws or the new bylaws, as applicable.

If the chairman of the meeting determines that the proposal was not properly brought before the meeting in accordance with the provisions of the existing bylaws or the new bylaws, as applicable, that business will not be conducted at the meeting.

Stockholder Action by Written Consent

The DGCL allows action by written consent to be made by the holders of the minimum number of votes that would be needed to approve such a matter at an annual or special meeting of stockholders if all shares entitled to vote thereat were present and voted, unless this right to act by written consent is denied in the certificate of incorporation.

The existing charter provides that the Company's stockholders may not act by written consent and that stockholder action must take place at the annual or a special meeting of the Company's stockholders.

The new charter will provide that any action required or permitted to be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing setting forth the action so taken shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Number of Directors	<p>The DGCL provides that the board of directors of a corporation must consist of one or more directors as fixed by the corporation's certificate of incorporation or bylaws.</p> <p>The existing charter and existing bylaws provide that the Board will fix the exact number of directors to comprise the Board. Newly created directorships resulting from any increase in the authorized number of directors will be filled by a majority of the Board then in office and any vacancies in the Board resulting from death, resignation, retirement, disqualification, removal from office or other cause will be filled generally by the majority vote of the remaining directors in office, even if less than a quorum is present, except that any vacancy caused by the removal of a director for cause by a majority vote of the Company's stockholders may be filled by a majority vote of the stockholders. There are currently six directors serving on the Board.</p>	<p>The new charter and the Stockholder's Agreement provide that from and after the effective time of the merger, during the Lock-Up Period (i.e., the period of 15 months following the effective time of the merger) and at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, the Board shall have five directors unless otherwise agreed in writing between the Company (as approved by a majority of the independent directors) and D.R. Horton. Otherwise, the number of directors constituting the entire Board shall be as specified from time to time by vote of a majority of the entire Board, but not less than three. Immediately following the effective time of the merger, the Board will consist of five directors, as more fully described below under " <i>Election and Removal of Directors.</i>"</p> <p>In addition, immediately following the effective time of the merger and during the Lock-Up Period, the Company will have at least three directors considered "independent" under the rules of the SEC, the NYSE and any other or additional exchange on which the securities of the Company are listed. At all times thereafter, the Company and D.R. Horton shall use their reasonable best efforts to cause at least three of the directors to be considered independent directors.</p>
Election and Removal of Directors	<p>The DGCL provides that, unless the certificate of incorporation or bylaws provide otherwise, directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at a meeting and entitled to vote thereon.</p> <p>The Board was previously divided into three classes, each elected for a three-year term, with one class being elected each year by the Company's stockholders. Pursuant to the existing charter and the existing bylaws, the Company's classified board structure is being phased out over a three-year period which began in 2016. All directors will be elected on an annual basis beginning with the 2018 annual meeting of stockholders. Director nominees in uncontested elections must receive a majority of the votes cast to be elected. Director nominees in contested elections must receive a plurality of the votes cast to be elected.</p>	<p>The new charter and the new bylaws will provide that all of the directors of the Company shall be of one class and shall be elected annually. Subject to the two immediately following paragraphs, director nominees in uncontested elections must receive a majority of the votes cast to be elected, and director nominees in contested elections must receive a plurality of the votes cast to be elected.</p> <p>Notwithstanding the foregoing, under the terms of the Stockholder's Agreement, during the Lock-Up Period, the Board shall have five directors, comprised of four individuals designated by D.R. Horton (which shall include the executive chairman and at least two independent directors) and one Legacy Director from the current Board designated by mutual agreement of the Company and D.R. Horton (or his replacement). D.R. Horton has agreed to use its reasonable best efforts to cause the Legacy Director to be nominated at the Company's 2018 annual meeting of stockholders.</p>

In addition, under the terms of the new charter and the Stockholder's Agreement, from and after the effective time of the merger, at all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, D.R. Horton will have the right to designate a number of directors equal to the percentage of the voting securities of the Company beneficially owned by D.R. Horton and its affiliates multiplied by the total number of directors that the Company would have if there were no vacancies, rounded up to the nearest whole number (and in any event not less than one). The Nominating and Governance Committee will have the right to designate the remaining number of individuals (and in any event not less than one) (i.e., the Non-Stockholder Designees). The Company and D.R. Horton have each agreed to use their reasonable best efforts to cause such D.R. Horton Designees and Non-Stockholder Designees to be appointed or elected to the Board. In addition, D.R. Horton has agreed to cause its shares of Forestar common stock to be voted in favor of all Non-Stockholder Designees. For more information, see the section entitled "*The Stockholder's Agreement Corporate Governance Board Composition.*"

Pursuant to the existing charter, a director may only be removed from office for cause by the affirmative vote of holders of a majority of shares of Forestar common stock entitled to vote in the election of directors.

Pursuant to the new charter, any director may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at least a majority of the voting power of all of the outstanding shares of the Company's capital stock entitled to elect such director, voting separately as a class, at a duly organized meeting of stockholders or by written consent; provided that no D.R. Horton Designee may be removed without the prior written consent of D.R. Horton. Pursuant to the Stockholder's Agreement, D.R. Horton has agreed to cause its shares of Forestar common stock not to be voted in favor of the removal of any Non-Stockholder Designee other than for cause.

Consent Rights

The existing charter does not provide any individual stockholder with consent rights with respect to actions proposed to be taken by the Company.

The new charter prohibits the Company from taking certain actions without the prior written consent of D.R. Horton for so long as D.R. Horton and its affiliates beneficially own 35% or more of the voting securities of the Company. For a more detailed description of such actions, see the section entitled "*The Stockholder's Agreement Corporate Governance Approval Rights D.R. Horton Approval Rights.*"

Limitation on Liability of Directors

The existing charter and the existing bylaws currently provide, and the new charter and the new bylaws will continue to provide, that no director will be personally liable to the Company or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director. Notwithstanding the foregoing, a director shall be liable to the extent provided by applicable law (i) for breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

Independent Director Approval Rights. At all times when D.R. Horton and its affiliates beneficially own 35% or more of the voting securities of the Company, the Company and its subsidiaries may not take any of the following actions without approval of a majority of the independent directors who are not also affiliated with D.R. Horton: (i) enter into, amend, modify, terminate or approve any transaction between the Company or any of its subsidiaries, on one hand, and D.R. Horton or any of its affiliates, on the other hand, or enter into any waiver, consent or election thereunder (other than an Investment Committee Approval Transaction); (ii) amend, modify or terminate, or enter into any waiver, consent or election under, the Stockholder's Agreement or enter into any merger or business combination with D.R. Horton receives consideration for its Forestar common stock of greater value or in a different form than other Company stockholders; or (iv) settle any claim between the Company and D.R. Horton (other than an Investment Committee Approval Transaction). For a more detailed description of such actions, see the section entitled "*The Stockholder's Agreement Corporate Governance Approval Rights Independent Director Approval Rights.*"

Amendments to Organizational Documents. For so long as D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, the Company may not amend its or its subsidiaries' organizational documents in any manner that could adversely affect the rights of D.R. Horton under the Stockholder's Agreement. In addition, the Company may not amend its or its subsidiaries' organizational documents in any manner that could adversely affect the rights of or the other Company stockholders under the Stockholder's Agreement.

Certain D.R. Horton Rights and Obligations

Lock-Up. During the Lock-Up Period, D.R. Horton generally may not (subject to customary exceptions) transfer shares of Forestar common stock, other than transfers of up to one-third of the aggregate amount of shares of Forestar common stock beneficially held by D.R. Horton and its subsidiaries immediately following the effective time of the merger in an offering that is not registered under the Securities Act to transferees agreeing to be bound by the lock-up provisions in the Stockholder's Agreement. For more information, see the section entitled "*The Stockholder's Agreement Restrictions on Transfers and Acquisitions Lock-Up.*"

Standstill. During the Lock-Up Period, D.R. Horton and its affiliates generally may not (subject to customary exceptions) participate in any transactions that would result in D.R. Horton and its affiliates beneficially owning more than 80% of the voting power of the Forestar common stock,

Table of Contents

provided that D.R. Horton is permitted, under certain conditions, to make private proposals to the non-D.R. Horton affiliated directors on the Board. For more information, see the section entitled "*The Stockholder's Agreement Restrictions on Transfers and Acquisitions Standstill and Squeeze-Out Transactions.*"

Squeeze-Out Transactions. At all times when D.R. Horton and its affiliates beneficially own 20% or more of the voting securities of the Company, D.R. Horton shall not (and shall cause each of its affiliates and it and their respective representatives not to) undertake certain actions in furtherance of "squeeze-out," "freeze-out," or similar transactions. For more information, see the section entitled "*The Stockholder's Agreement Restrictions on Transfers and Acquisitions Standstill and Squeeze-Out Transactions.*"

Buyouts. Any proposal by D.R. Horton to acquire all of the shares of Forestar common stock must be (i) subject to review, evaluation and prior written approval of a majority of the independent directors and (ii) submitted for approval to the Company's stockholders, with a nonwaivable condition that a majority of the voting power of the Company's non-D.R. Horton stockholders approve the transaction. For more information, see the section entitled "*The Stockholder's Agreement Restrictions on Transfers and Acquisitions Buyouts.*"

Pre-emptive Rights. Except in certain cases, D.R. Horton has a pre-emptive right (but not the obligation) to participate in any issuance of equity or other securities of the Company by purchasing up to D.R. Horton's and its subsidiaries' pro rata portion of such equity or other securities at the price and otherwise upon the same terms and conditions as offered to other investors. For more information, see the section entitled "*The Stockholder's Agreement Pre-emptive Rights.*"

Controlled Company

Upon completion of the merger, D.R. Horton will control a majority of the voting power of outstanding Forestar common stock. As a result, the Company will be a "controlled company" under the NYSE's corporate governance standards. As a controlled company, exemptions under the standards will mean that, subject to the terms of the Stockholder's Agreement, the Company will not be required to comply with certain corporate governance requirements, including the requirements:

that a majority of the Board consists of "independent directors," as defined under the rules of the NYSE;

that it have a nominating and governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities;

that it have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and

that an annual performance evaluation of the nominating and governance committee and compensation committee be performed.

As a result of the Company's use of some or all of the "controlled company" exemptions, holders of Forestar common stock after completion of the merger will not have the same protections afforded to stockholders of companies that are subject to all of the NYSE corporate governance requirements.

These exemptions do not modify the independence requirements for the Company's Audit Committee, and the Company intends to comply with the applicable requirements of the Sarbanes-Oxley Act and rules with respect to its Audit Committee. See the section entitled "*Risk Factors Risks Relating to the Company After Completion of the Merger After completion of the merger, the Company will be a 'controlled company' within the meaning of the NYSE rules and, as a result, may rely on*

exemptions from certain corporate governance requirements that provide protection to stockholders of companies that are not 'controlled companies.'"

Certain Relationships and Related Party Transactions

General. At all times when D.R. Horton and its affiliates beneficially own 35% or more of the voting securities of the Company, the Company may not undertake certain related party transactions with D.R. Horton without approval of a majority of the independent directors who are not also affiliated with D.R. Horton, unless such transaction constitutes, or is the subject of, a transaction for which the Company's investment committee has sole responsibility, as further described above under "*Corporate Governance Approval Rights Independent Director Approval Rights.*" In connection with the merger, the Company and D.R. Horton have entered into the Stockholder's Agreement and Master Supply Agreement, which have previously been approved by the Board. Any amendment, modification, or termination of, or waiver, consent or election under, the Stockholders Agreement or Master Supply Agreement will require approval of a majority of the independent directors who are not also affiliated with D.R. Horton, except to the extent any of the foregoing constitutes, or is the subject of, a transaction for which the Investment Committee has sole responsibility.

Corporate Opportunities. Pursuant to the Stockholder's Agreement, D.R. Horton and its affiliates, and their respective representatives, shall not in any way be prohibited or restricted from engaging or investing in any business opportunity of any type or description, and the Company shall not have any right in or to such business opportunities or to the income or proceeds derived therefrom. None of D.R. Horton, its affiliates or their respective representatives will be obligated to present any business opportunity to the Company or any other stockholder, even if the opportunity is of the character that, if presented to the Company, could be taken by the Company, or if presented to any other stockholder, could be taken by such stockholder, unless the opportunity is offered to an individual who is both an affiliate of D.R. Horton and an officer or director of the Company and the offer is made in writing to the individual in his or her capacity as an officer or director of the Company.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements contained in this Agreement and intending to be legally bound hereby, the Parties agree as follows:

RESERVED

ARTICLE II

THE MERGER

Section 2.1 *The Merger.* Upon the terms and subject to the conditions of this Agreement, and in accordance with the DGCL, at the Effective Time, Merger Sub shall be merged with and into the Company and as a result of the Merger, the separate corporate existence of Merger Sub shall cease and the Company shall continue its existence under the DGCL as the surviving entity in the Merger (sometimes referred to herein as the "*Surviving Entity*").

Section 2.2 *Closing; Effective Time.*

(a) The closing of the Merger (the "*Closing*") shall take place on the third Business Day after the satisfaction or waiver of all of the conditions set forth in *Article VII* (other than those conditions that by their nature are to be satisfied at the Closing, it being understood that the occurrence of the Closing shall remain subject to the satisfaction or waiver of such conditions at the Closing), at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 1440 New York Avenue NW, Washington, District of Columbia 20005, unless another time, date or place is agreed to in writing by the Parties. The date on which the Closing occurs is referred to herein as the "*Closing Date*."

(b) Upon the terms and subject to the conditions of this Agreement, as soon as practicable on the Closing Date, the Parties shall cause the Merger to be consummated by filing a certificate of merger (the "*Certificate of Merger*") with the Secretary of State of the State of Delaware in such form as is required by the relevant provisions of the DGCL, and shall make all other deliveries, filings or recordings required by the DGCL in connection with the Merger. The Merger shall become effective at such time as the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware, or at such subsequent date or time as Parent and the Company may agree and specify in the Certificate of Merger. The time at which the Merger becomes effective is referred to herein as the "*Effective Time*."

Section 2.3 *Effect of the Merger.*

(a) At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the DGCL, this Agreement and the Certificate of Merger. Without limiting the generality of the foregoing, and subject thereto at the Effective Time except as otherwise provided herein all the property rights privileges powers and franchises of the Company and Merger Sub shall vest in the Surviving Entity, and all debts, liabilities, obligations, restrictions and duties of the Company and Merger Sub shall become the debts, liabilities, obligations, restrictions, disabilities and duties of the Surviving Entity.

(b) If at any time after the Effective Time the Surviving Entity shall determine, in its sole discretion, or shall be advised, that any deeds, bills of sale, instruments of conveyance, assignments, assurances or any other actions or things are necessary or desirable to vest, perfect or confirm of record or otherwise in the Surviving Entity its right, title or interest in, to or under any of the assets of either of the Company or Merger Sub acquired or to be acquired by the Surviving Entity as a result of, or in connection with, the Merger and the other transactions contemplated by this Agreement, then the officers and directors of the Surviving Entity shall be authorized to execute

and deliver, in the name and on behalf of either the Company or Merger Sub, all such deeds, bills of sale, instruments of conveyance, assignments and assurances and to take and do, in the name and on behalf of each of such corporation, company or otherwise, all such other actions and things as may be necessary or desirable to vest, perfect or confirm any and all right, title or interest in, to or under such assets in the Surviving Entity or otherwise to carry out this Agreement.

Section 2.4 *Certificate of Incorporation; Bylaws.*

(a) At the Effective Time, the certificate of incorporation of the Company shall be amended so that it reads in its entirety as set forth in *Exhibit A* hereto (the "*New Charter*"), and, as so amended, shall be the certificate of incorporation of the Surviving Entity until thereafter changed or amended as provided therein or by applicable Law.

(b) At the Effective Time, the bylaws of the Company shall be amended so that they read in their entirety as set forth in *Exhibit B* hereto (the "*New Bylaws*"), and, as so amended, shall be the bylaws of the Surviving Entity until thereafter changed or amended as provided therein or by applicable Law.

Section 2.5 *Directors.* The Company Board shall take all action necessary such that, effective as of the Effective Time, the board of directors of the Surviving Entity shall consist of five members, including four individuals (including the Executive Chairman) selected by Parent as well as one individual selected from the Company Board.

Section 2.6 *Officers.* The officers of the Company immediately prior to the Effective Time shall be the officers of the Surviving Entity until the earlier of their resignation or removal or until their respective successors are duly elected and qualified.

Section 2.7 *Tax Treatment of the Merger.* It is the intent of the Parties that for U.S. federal income tax purposes, the Merger will be treated as a taxable sale of Company Common Stock by a holder of Company Common Stock only to the extent such holder receives the Cash Consideration for its Company Common Stock.

ARTICLE III

**EFFECTS OF THE MERGER ON CAPITAL STOCK;
EXCHANGE OF CERTIFICATES**

Section 3.1 *Effect on Capital Stock.* Upon the terms and subject to the conditions of this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company or the holders of any shares of Company Common Stock or of any shares of capital stock of Merger Sub:

(a) *Merger Consideration.* Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (including, for the avoidance of doubt, any Company restricted stock, but not including the Cancelled Shares or the Dissenting Shares) shall be converted, in accordance with the procedures set forth in this Agreement (including subject to the allocation procedures set forth in *Section 3.2*), into the right to receive, without interest:

(i) for each share of Company Common Stock with respect to which an election to receive cash (a "*Cash Election*") has been effectively made and not revoked or deemed revoked pursuant to *Section 3.3* (collectively, the "*Cash Election Shares*"), an amount in cash equal to the Per Share Cash Consideration (the "*Cash Consideration*");

(ii) for each share of Company Common Stock with respect to which an election to receive Surviving Entity Common Stock (a "*Stock Election*") has been effectively made and

Table of Contents

not revoked or deemed revoked pursuant to *Section 3.3* (collectively, the "*Stock Election Shares*"), one share of Surviving Entity Common Stock (the "*Stock Consideration*"); and

(iii) for each share of Company Common Stock other than shares as to which a Cash Election or a Stock Election has been effectively made and not revoked pursuant to *Section 3.3* (collectively, the "*Non-Election Shares*"), such Stock Consideration or Cash Consideration as is determined in accordance with *Section 3.2*.

(b) *Certain Defined Terms.*

(i) "*Merger Consideration*" shall mean the Cash Consideration and/or Stock Consideration described in *Section 3.1(a)*, as applicable.

(ii) "*Per Share Cash Consideration*" shall mean \$17.75.

(iii) "*Surviving Entity Common Stock*" shall mean the common stock, par value \$1.00 per share, of the Surviving Entity.

(c) *Adjustments to Merger Consideration.* If, between the date of this Agreement and the Effective Time, the outstanding shares of Company Common Stock shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities, in any such case as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in capitalization, or there shall be any extraordinary dividend or distribution, an appropriate and proportionate adjustment shall be made to the Merger Consideration to give holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such event; *provided*, that nothing in this sentence shall be construed to permit the Company to take any action with respect to its securities or otherwise that is prohibited by the terms of this Agreement.

(d) *Cancellation of Certain Shares.* Each share, if any, of (i) Company Common Stock that is held by the Company as a treasury share, (ii) each share of Company Common Stock that is owned by the Company or by any direct or indirect wholly-owned Subsidiary of the Company (the shares described in *clauses (i)* and *(ii)*, collectively, the "*Specified Cancelled Shares*"), and (iii) each share of Company Common Stock that is owned by the Parent or by any direct or indirect wholly-owned Subsidiary of Parent shall be cancelled without any conversion (the shares described in *clauses (i)*, *(ii)* and *(iii)*, collectively, the "*Cancelled Shares*"), and no consideration shall be delivered in respect thereof.

(e) *Merger Sub.* At the Effective Time, all of the shares of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time and held by Parent shall be converted, in the aggregate, into a number of shares of Surviving Entity Common Stock that is equal to (x) the aggregate number of shares of Company Common Stock issued and outstanding or held by the Company in its treasury as of immediately prior to the Effective Time, minus (y) the aggregate number of Specified Cancelled Shares, minus (z) the Stock Consideration Number.

(f) *Company Equity Awards.* At the Effective Time, (i) each award made or otherwise denominated in shares of Company Common Stock (each, an "*Equity Award*") that is outstanding immediately prior to the Effective Time under the Company Benefit Plans shall be cancelled and of no further force or effect as of the Effective Time and (ii) in exchange for the cancellation of such Equity Award, the holder of such Equity Award shall receive from the Surviving Entity the Per Share Cash Consideration for each share of Company Common Stock underlying such Equity Award (plus payment in cash, without interest, of all accrued dividend equivalents, if any, with respect to such Equity Award and, in the case of Equity Awards that are stock options or stock appreciation rights, less the aggregate exercise or strike price thereunder, but not less than \$0),

Table of Contents

whether or not otherwise vested as of the Effective Time, with such payment to be subject to any applicable Tax withholding in accordance with *Section 3.1(g)*, provided that with respect to any such Equity Award that is a Company market-leveraged stock unit, the number of shares of Company Common Stock underlying such Equity Award for purposes of this *Section 3.1(f)(ii)* shall be determined pursuant to the terms set forth in the applicable award agreement with the Vesting Date Fair Market Value (as such term is used in such agreements) equal to the sum of: (1) the Per Share Cash Consideration; and (2) Reinvested Dividends (as defined in such agreements). The payments described in this *Section 3.1(f)* (collectively, the "*Equity Award Payments*") shall be made as soon as practicable following the Closing Date, and in any event within 10 Business Days following the Closing Date. The Company and, as necessary, the Surviving Entity will take all actions necessary to effect this *Section 3.1(f)*.

(g) *Withholding.* The Surviving Entity or the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of Company Common Stock or Equity Awards such amounts as the Surviving Entity or the Paying Agent is required to deduct and withhold with respect to the making of such payment under applicable Law. To the extent that amounts are so withheld and paid over to the appropriate taxing authority by the Surviving Entity or the Paying Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Company Common Stock or Equity Awards in respect of which such deduction and withholding was made by the Surviving Entity or the Paying Agent.

Section 3.2 *Proration.*

(a) Notwithstanding any other provision contained in this Agreement, the total number of shares of Company Common Stock that shall be entitled to receive the Cash Consideration pursuant to *Section 3.1(a)* shall be equal to the quotient of (i) the Cash Component divided by (ii) the Per Share Cash Consideration (such total number of shares, the "*Cash Conversion Number*"). All other shares of Company Common Stock (excluding the Cancelled Shares) shall be converted into the right to receive the Stock Consideration (such number of other shares, the "*Stock Consideration Number*"). The aggregate amount of the Cash Consideration shall equal \$558,256,373 (the "*Cash Component*").

(b) Promptly (and in any event no later than three Business Days) after the Election Deadline, Parent and the Surviving Entity shall cause the Paying Agent to effect the allocation among holders of Company Common Stock of rights to receive the Cash Consideration and the Stock Consideration as follows:

(i) If the aggregate number of shares of Company Common Stock with respect to which Cash Elections shall have been made (which, for this purpose, shall be deemed to include the Dissenting Shares determined as of the Effective Time) (the "*Cash Election Number*") exceeds the Cash Conversion Number, then all Stock Election Shares and all Non-Election Shares shall be converted into the right to receive the Stock Consideration, and Cash Election Shares of each holder thereof will be converted into the right to receive the Cash Consideration in respect of that number of Cash Election Shares equal to the product obtained by multiplying (A) the number of Cash Election Shares held by such holder by (B) a fraction, the numerator of which is the Cash Conversion Number and the denominator of which is the Cash Election Number (with the Paying Agent to determine, consistent with *Section 3.2(a)*, whether fractions of Cash Election Shares shall be rounded up or down), with the remaining number of such holder's Cash Election Shares being converted into the right to receive the Stock Consideration; and

(ii) If the Cash Election Number is less than the Cash Conversion Number (the amount by which the Cash Conversion Number exceeds the Cash Election Number being referred to

Table of Contents

herein as the "*Shortfall Number*"), then all Cash Election Shares shall be converted into the right to receive the Cash Consideration and the Non-Election Shares and Stock Election Shares shall be treated in the following manner:

(A) If the Shortfall Number is less than or equal to the number of Non-Election Shares, then all Stock Election Shares shall be converted into the right to receive the Stock Consideration, and the Non-Election Shares of each holder thereof shall be converted into the right to receive the Cash Consideration in respect of that number of Non-Election Shares equal to the product obtained by multiplying (x) the number of Non-Election Shares held by such holder by (y) a fraction, the numerator of which is the Shortfall Number and the denominator of which is the total number of Non-Election Shares (with the Paying Agent to determine, consistent with *Section 3.2(a)*, whether fractions of Non-Election Shares shall be rounded up or down), with the remaining number of such holder's Non-Election Shares being converted into the right to receive the Stock Consideration; or

(B) If the Shortfall Number exceeds the number of Non-Election Shares, then all Non-Election Shares shall be converted into the right to receive the Cash Consideration, and Stock Election Shares of each holder thereof shall be converted into the right to receive the Cash Consideration in respect of that number of Stock Election Shares equal to the product obtained by multiplying (x) the number of Stock Election Shares held by such holder by (y) a fraction, the numerator of which is the amount by which the Shortfall Number exceeds the total number of Non-Election Shares, and the denominator of which is the total number of Stock Election Shares (with the Paying Agent to determine, consistent with *Section 3.2(a)*, whether fractions of Stock Election Shares shall be rounded up or down), with the remaining number of such holder's Stock Election Shares being converted into the right to receive the Stock Consideration.

(c) The Paying Agent will make all the computations contemplated by this Section 3.2, including the determination of the number of Cash Election Shares, Stock Election Shares and Non-Election Shares, and all such computations will be conclusive and binding on the former holders of shares of the Company Common Stock absent manifest error.

Section 3.3 Election Procedures. Each holder of record of shares of Company Common Stock to be converted into the right to receive the Merger Consideration in accordance with, and subject to, this *Article III* (a "*Holder*") shall have the right, subject to the limitations set forth in this *Article III*, to submit an election in accordance with the following procedures:

(a) Each Holder may specify in a request made in accordance with the provisions of this *Section 3.3* (herein called an "*Election*") (i) the number of shares of Company Common Stock owned by such Holder with respect to which such Holder desires to make a Stock Election and (ii) the number of shares of Company Common Stock owned by such Holder with respect to which such Holder desires to make a Cash Election. Holders of record of Company Common Stock who hold such Company Common Stock as nominees, trustees or in other representative capacities may submit a separate Form of Election on or before the Election Deadline with respect to each beneficial owner for whom such nominee, trustee or representative holds such Company Common Stock. Any Holder who makes an Election shall be required to waive all appraisal rights in connection with making such Election.

(b) Prior to the mailing of the Proxy Statement/Prospectus pursuant to *Section 6.16(a)*, the Company and Parent shall, at Parent's expense, jointly engage a nationally-recognized financial institution reasonably satisfactory to Parent to act as paying agent (the "*Paying Agent*") for the purpose of receiving elections and exchanging, in accordance with this *Article III*, Company Common Stock for the Merger Consideration.

Table of Contents

(c) Parent shall prepare a form of election reasonably acceptable to the Company, including appropriate and customary transmittal materials in such form as prepared by Parent and reasonably acceptable to the Company (the "*Form of Election*"), so as to permit Holders to exercise their right to make an Election, and (i) shall direct the Paying Agent to mail the Form of Election with the Proxy Statement/Prospectus to the record holders of Company Common Stock as of the record date for the Company Stockholders Meeting, and (ii) following such mailing date, shall use reasonable best efforts to make available as promptly as practicable a Form of Election to any stockholder who requests such Form of Election prior to the Election Deadline, which Form of Election shall be used by each record holder of shares of Company Common Stock who wishes to make an Election. The time period between such mailing date and the Election Deadline is referred to herein as the "*Election Period*".

(d) Any Election shall have been made properly only if the Paying Agent shall have received, during the Election Period, a Form of Election properly completed and signed (including duly executed transmittal materials included in the Form of Election) and accompanied by a certificate or certificates representing outstanding shares of Company Common Stock (the "*Certificates*") (or, in lieu of such Certificates, affidavits and agreements of indemnification regarding the loss of such Certificates) to which such Form of Election relates, by an appropriate customary guarantee of delivery of such Certificates, as set forth in such Form of Election, from a member of any registered national securities exchange or a commercial bank or trust company in the United States (provided that such Certificates are in fact delivered to the Paying Agent by the time required in such guarantee of delivery) or by, in the case of holders of uncertificated shares of Company Common Stock (the "*Uncertificated Shares*"), any additional documents specified in the procedures set forth in the Form of Election. As used herein, unless otherwise agreed in advance by the Parties, "*Election Deadline*" means 5:00 p.m. local time (in the city in which the principal office of the Paying Agent is located) on the date which the Parties shall agree is as near as practicable to six Business Days preceding the Closing Date. The Company and Parent shall cooperate to issue a press release reasonably satisfactory to each of them announcing the date of the Election Deadline not more than 15 Business Days before, and at least five Business Days prior to, the Election Deadline.

(e) Any Holder may, at any time prior to the Election Deadline, change or revoke such Holder's Election by written notice received by the Paying Agent prior to the Election Deadline accompanied by a properly completed and signed revised Form of Election or by withdrawal prior to the Election Deadline of such Holder's Certificates, or of the guarantee of delivery of such Certificates, or any documents in respect of Uncertificated Shares, previously deposited with the Paying Agent. After an Election is validly made with respect to any shares of Company Common Stock, such Election must be revoked prior to any subsequent transfer of the shares of Company Common Stock as to which such Election relates. Notwithstanding anything to the contrary in this Agreement, all Elections shall be automatically deemed revoked upon receipt by the Paying Agent of written notification from the Company that this Agreement has been terminated in accordance with *Article VIII*. The Paying Agent shall have reasonable discretion to determine if any Election is not properly made with respect to any shares of Company Common Stock (none of the Parties or the Paying Agent being under any duty to notify any stockholder of any such defect). In the event the Paying Agent makes such a determination, such Election shall be deemed to be not in effect, and the shares of Company Common Stock covered by such Election shall, for purposes hereof, be deemed to be Non-Election Shares, unless a proper Election is thereafter timely made with respect to such shares.

(f) Subject to the terms of this Agreement and the Form of Election, Parent, in the exercise of its reasonable discretion, shall have the right to make all determinations, not inconsistent with

the terms of this Agreement, governing the validity of the Forms of Election and compliance by any Holder with the Election procedures set forth herein.

Section 3.4 *Exchange of Shares and Certificates.*

(a) At or prior to the Closing, Parent shall deposit with the Paying Agent, in trust for the benefit of the holders of shares of Company Common Stock immediately prior to the Effective Time, an amount in cash sufficient to pay the Cash Component. All cash deposited with the Paying Agent shall hereinafter be referred to as the "Exchange Fund." If for any reason (including losses) the Exchange Fund shall be insufficient to fully satisfy all of the payment obligations to be made by the Paying Agent hereunder with respect to the payment of the Cash Component, Parent will, or will cause Merger Sub to, promptly deposit cash with the Paying Agent in an amount which is equal to the deficiency required to fully satisfy such cash payment obligations.

(b) *Exchange Procedures.* Promptly after the Effective Time, Parent and the Surviving Entity shall cause the Paying Agent to mail to each holder of record of (i) a Certificate or (ii) an Uncertificated Share, in each case, which at the Effective Time were converted into the right to receive the Merger Consideration pursuant to *Section 3.1* (other than those holders who have properly completed and submitted, and have not revoked, a Form of Election pursuant to *Section 3.3*), (A) a letter of transmittal (which, in the case of Certificates, shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Paying Agent and shall be in such form and have such other provisions as Parent and the Company or the Surviving Entity, as applicable, may reasonably agree) and (B) instructions for use in effecting the surrender of the Certificates or Uncertificated Shares in exchange for that number of whole shares of Surviving Entity Common Stock and/or Cash Consideration that the holder thereof has the right to receive pursuant to this *Article III*, as well as any dividends or distributions to be paid pursuant to *Section 3.4(h)*. Upon (1) surrender of Certificates for cancellation to the Paying Agent or to such other agent or agents as may be appointed by Parent, together with such Form of Election or letter of transmittal, duly completed and validly executed in accordance with the instructions thereto or (2) receipt of an "agent's message" by the Paying Agent (or such other evidence, if any, of transfer as the Paying Agent may reasonably request) in the case of a book-entry transfer of Uncertificated Shares, and such other documents as may reasonably be required by the Paying Agent, the holder of such Certificates or Uncertificated Shares shall be entitled to receive in exchange therefor (i) that whole number of shares of Surviving Entity Common Stock (in book-entry shares, unless the holder of such Certificate expressly requests in writing that such shares be delivered in certificated form) that such holder has the right to receive pursuant to this *Article III*, (ii) Cash Consideration that such holder has the right to receive pursuant to this *Article III*, and (iii) any dividends or distributions that such holder has the right to receive pursuant to *Section 3.4(h)*, and any Certificates so surrendered shall forthwith be cancelled. If any portion of the Merger Consideration is to be registered or paid to a Person other than the Person in whose name the surrendered Certificate or the transferred Uncertificated Share is registered, it shall be a condition to the registration of such shares or such payment, as applicable, that (I) either such Certificate shall be properly endorsed or shall otherwise be in proper form for transfer or such Uncertificated Share shall be properly transferred and (II) the Person requesting such registration or payment shall pay to the Paying Agent any transfer or other Taxes required as a result of such registration or payment to a Person other than the registered holder of such Certificate or Uncertificated Share or establish to the satisfaction of Parent that such Tax has been paid or is not payable. Until surrendered as contemplated by this *Section 3.4(b)*, each Certificate or Uncertificated Share shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender that whole number of shares of Surviving Entity Common Stock and/or Cash Consideration that such holder has the right to receive pursuant to this *Article III*, and any cash in respect of dividends or

distributions as contemplated by this *Section 3.4(b)*. No interest shall be paid or will accrue on any consideration payable to holders of Certificates or Uncertificated Shares pursuant to the provisions of this *Article III*.

(c) *No Further Ownership Rights in Company Common Stock.* All Merger Consideration issued and paid upon the surrender for exchange of Certificates or Uncertificated Shares in accordance with the terms of this *Article III* shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to the shares of Company Common Stock previously represented by such Certificates or Uncertificated Shares. At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers on the stock transfer books of the Surviving Entity of the shares of Company Common Stock (excluding, for the avoidance of doubt, the Surviving Entity Common Stock) which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates or Uncertificated Shares are presented to the Surviving Entity or the Paying Agent for any reason, they shall be cancelled and exchanged as provided in this *Article III*.

(d) *Termination of Exchange Fund.* Any portion of the Exchange Fund which remains undistributed to the holders of Company Common Stock 12 months after the Effective Time shall be delivered to the Surviving Entity, upon demand, and any holders of Company Common Stock who have not theretofore complied with this *Article III* shall thereafter look only to the Surviving Entity for their claim for issuance of shares of Surviving Entity Common Stock and/or payment of Cash Consideration and any unpaid dividends and distributions on the Surviving Entity Common Stock delivered in respect of each former share of Company Common Stock such stockholders hold as determined pursuant to this Agreement, in each case, without interest thereon.

(e) *No Liability.* None of Parent, the Surviving Entity, Merger Sub, the Company or the Paying Agent or any of their respective directors, officers, employees and agents shall be liable to any Person in respect of Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificate or Uncertificated Share shall not have been surrendered prior to two years after the Effective Time, or immediately prior to such earlier date on which any cash would otherwise escheat to or become the property of any Governmental Entity, any such cash shall, to the extent permitted by applicable Law, become the property of the Surviving Entity, free and clear of all claims or interests of any Person previously entitled thereto.

(f) *Investment of Exchange Fund.* The Paying Agent shall invest any cash included in the Exchange Fund as directed by Parent; provided that no such investment or loss thereon shall affect the amounts payable to stockholders of the Surviving Entity or former stockholders of the Company after the Effective Time pursuant to this *Article III*. Any interest and other income resulting from such investment shall become a part of the Exchange Fund, and any amounts in excess of the amounts payable pursuant to this *Article III* shall promptly be paid to Parent.

(g) *Lost, Stolen or Destroyed Certificates.* In the event any Certificates shall have been lost, stolen or destroyed, the Paying Agent shall issue and pay in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, such portion of the Merger Consideration (less any applicable withholding Taxes as provided herein) as may be required pursuant to *Section 3.1(a)*; provided, however, that Parent may, in its discretion and as a condition precedent to the issuance and payment of such portion of the Merger Consideration, require the owner of such lost, stolen or destroyed Certificates to deliver an agreement of indemnification in form reasonably satisfactory to Parent against any claim that may be made against Parent, the Surviving Entity or the Paying Agent in respect of the Certificates alleged to have been lost, stolen or destroyed.

(h) *Dividends.* No dividends or other distributions declared with respect to Surviving Entity Common Stock shall be paid to the holder of any unsurrendered Certificate or Uncertificated Share until the holder thereof shall surrender such Certificate or Uncertificated Share in accordance with this *Article III*. After the surrender of Certificate or Uncertificated Shares in accordance with this *Article III*, the record holder thereof shall be entitled to receive any such dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to the Stock Consideration which the shares of Company Common Stock represented by such Certificate or Uncertificated Share have been converted into the right to receive.

Section 3.5 *Dissenting Shares.* Notwithstanding any provision of this Agreement to the contrary, shares of Company Common Stock that are issued and outstanding immediately prior to the Effective Time and which are held by holders of such shares of Company Common Stock who properly exercise appraisal rights with respect thereto in accordance with Section 262 of the DGCL (the "*Dissenting Shares*") shall not be converted into or represent the right to receive the Merger Consideration pursuant to this *Article III*, and holders of such Dissenting Shares will be entitled only to receive payment of the appraised value of such shares of Company Common Stock in accordance with the provisions of such Section 262 unless and until such holders fail to perfect or effectively withdraw or lose their rights to appraisal and payment under the DGCL. If, after the Effective Time, any such holder fails to perfect or effectively withdraws or loses such right, such shares of Company Common Stock will thereupon be treated as if they had been converted into and to have become exchangeable for, at the Effective Time, the right to receive the Merger Consideration as provided in *Section 3.1(a)* without any interest thereon. The Company shall give Parent (i) prompt notice of any demands received by the Company for appraisals of shares of Company Common Stock and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal under the DGCL. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

(b) The Proxy Statement/Prospectus, at the time of mailing thereof and at the time of Company Stockholders Meeting, will not contain any untrue statement of material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(c) The representations and warranties contained in this *Section 4.21* do not apply to statements or omissions in the Proxy Statement/Prospectus based upon information furnished or caused to be furnished to the Company in writing by Parent or Merger Sub specifically for inclusion therein.

Section 4.22 *Existing Indebtedness.*

(a) There are no material agreements, documents or other instruments evidencing or securing Indebtedness of the Company, any of its Subsidiaries or, to the knowledge of the Company, any Joint Venture, including outstanding commitments under any lines of credit, to which the Company, any of its Subsidiaries or, to the knowledge of the Company, any Joint Venture is a party or by which the Company, any of its Subsidiaries, to the knowledge of the Company, any Joint Venture or any of their respective properties or assets is bound, including loans secured by Liens encumbering the Owned Real Property or JV Owned Real Property as of the date hereof (the "*Existing Indebtedness*") other than as set forth on *Section 4.22(a)* of the Company Disclosure Letter (the "*Existing Loan Documents*"). Except as set forth on *Section 4.22(a)* of the Company Disclosure Letter, the Company has made available to Parent true, correct and complete copies in all material respects of all Existing Loan Documents together with all material amendments and other material modifications thereto.

As of the date hereof, there is no material Indebtedness of the Company, its Subsidiaries or, to the knowledge of the Company, the Joint Ventures other than as set forth on *Section 4.22(b)* of the Company Disclosure Letter. Except as set forth on *Section 4.22(b)* of the Company Disclosure Letter, as of the date hereof, there are no escrows, reserves or deposits or letters of credits held or established in connection with the Existing Indebtedness. (c) The Existing Loan Documents are in full force and effect with respect to the Company, its applicable Subsidiaries and, to the knowledge of the Company, the Joint Ventures, as applicable, and, to the knowledge of the Company, with respect to the other parties thereto, except for such failures to be in full force and effect that would not, individually or in the aggregate, reasonably be expected to be material to the Company and its Subsidiaries, taken as a whole. None of the Company, any of its Subsidiaries or, to the knowledge of the Company, any Joint Venture is in default in any material respect, nor has it received written notice that it is in default in any material respect, under the Existing Loan Documents that remains uncured, and, to the knowledge of the Company, no other party is in breach or violation of, or default under, any Existing Loan Document, except for such defaults, violations or breaches that would not, individually or in the aggregate, reasonably be expected to be material to the Company and its Subsidiaries, taken as a whole. The Company, each of its Subsidiaries and, to the knowledge of the Company, each Joint Venture, as to the applicable Encumbered Property, is current in all payments of principal and interest due under each Existing Loan Document applicable to it through the most recent scheduled payment date, except as would not, individually or in the

No event has occurred which would result in a breach or violation of, or a default under, any Existing Loan Document by the Company, any of its Subsidiaries or, to the knowledge of the Company, any Joint Venture, or to the knowledge of the Company, any other party thereto (in each case, with or without notice or lapse of time or both), except for such breaches, violations or that would not, individually or in the aggregate, reasonably be expected to be material to the Company and its Subsidiaries, taken as a whole.

Section 4.23 *Takeover Statutes.* Assuming the accuracy of Parent's and Merger Sub's representations and warranties in *Section 5.8*, the Company has taken all action necessary to exempt the Merger, this Agreement, the Related Agreements and the transactions contemplated hereby and thereby from Section 203 of the DGCL, and, accordingly, neither such section nor any other antitakeover or similar statute or regulation applies to any such transactions. Assuming the accuracy of Parent's and Merger Sub's representations and warranties in *Section 5.8*, no other "control share acquisition," "fair price," "moratorium" or other antitakeover Laws enacted under U.S. state or federal Laws apply to this Agreement, the Related Agreements or the transactions contemplated hereby or thereby.

Section 4.24 *Brokers.* No broker, investment banker, financial advisor or other Person, other than JMP Securities LLC, is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Merger and the other transactions contemplated by this Agreement or the Related Agreements based upon arrangements made by or on behalf of the Company. The Company will make available to Parent a correct and complete copy of the form of such opinion solely for informational purposes after receipt thereof by the Company.

Section 4.26 *Affiliate Transactions.* Since January 1, 2014, there has been no transaction, or series of similar transactions, agreements, arrangements or understandings, nor are there any currently proposed transactions, or series of similar transactions, agreements, arrangements or understandings to which the Company or any of its Subsidiaries was or is to be a party, that would be required to be disclosed under Item 404 of Regulation S-K promulgated by the SEC.

The Company has taken all necessary action so that neither the execution and delivery of this Agreement nor the Related Agreements, nor the consummation of the Merger and the other transactions contemplated hereby and thereby, will (a) cause the Rights (as defined in the Tax Benefits Preservation Plan) to become exercisable, (b) cause any Person to become an Acquiring Person (as defined in the Tax Benefits Preservation Plan) or (c) give rise to a Distribution Date or a Stock Acquisition Date (as defined in the Tax Benefits Preservation Plan).

Section 4.29 *No Other Representations and Warranties.* Except for the representations and warranties made by the Company in this *Article IV*, neither the Company nor any other Person makes any express or implied representation or warranty with respect to the Company or any of its Subsidiaries or their respective businesses, assets, operations, liabilities, condition (financial or otherwise) or prospects, and the Company hereby disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, except for the representations and warranties made by Company in this *Article IV*, neither the Company nor any other Person makes or has made any representation or warranty to Parent, Merger Sub or any of their Representatives, with respect to (i) any financial projection, forecast, estimate, budget or prospective information relating to the Company, any of its Subsidiaries or their respective businesses or operations or (ii) any oral or written information furnished or made available to Parent, Merger Sub or any of their Representatives in the course of their due diligence investigation of the Company, the negotiation of this Agreement or the Related Agreements or the consummation of the Merger and the other transactions contemplated hereby and thereby, including the accuracy, completeness or currency thereof, and neither the Company nor any other Person will have any liability to Parent, Merger Sub or any other Person in respect of such information, including any subsequent use of such information, except in the case of fraud. Notwithstanding anything contained in this Agreement to the contrary, the Company acknowledges and agrees that neither Parent, Merger Sub nor any other Person has made or is making any representations or warranties whatsoever, express or implied, beyond those expressly made by Parent and Merger Sub in *Article V*, including any implied representation or warranty as to the accuracy or completeness of any information regarding Parent furnished or made available to the Company or any of its Representatives.

ARTICLE V

**REPRESENTATIONS AND WARRANTIES
OF PARENT AND MERGER SUB**

Each of Parent and Merger Sub represents and warrants to the Company as follows:

Section 5.1 *Organization and Good Standing.* Each of Parent and Merger Sub is a corporation duly incorporated, validly existing and in good standing under the Laws of its jurisdiction of incorporation. Parent is the legal and beneficial owner of all of the outstanding shares of capital stock of Merger Sub. contemplated hereby or thereby (other than the filing and recordation of the Certificate of Merger and any other documents required by the DGCL). This Agreement has been duly executed and delivered by each of Parent and Merger Sub and, assuming the due authorization, execution and delivery by the other Parties, constitutes a legal, valid and binding obligation of each of Parent and Merger Sub enforceable against each of Parent and Merger Sub in accordance with its terms except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws relating to or affecting creditors generally or by general equitable principles (regardless of whether such enforceability is considered in a proceeding in equity or at Law).

Section 5.3 *No Conflict.* The execution and delivery of this Agreement by each of Parent and Merger Sub and the Related Agreements by Parent do not, and the performance of this Agreement by each of Parent and Merger Sub and the Related Agreements by Parent and the consummation of the Merger and the other transactions contemplated hereby and thereby will not (a) conflict with or violate the organizational documents of Parent or Merger Sub, (b) assuming receipt of the Consents contemplated by Section 5.4, conflict with or violate any Law or Order, or (c) result in a breach of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, give to others any right of termination, amendment, acceleration or cancellation of, result in the triggering of any payment or other obligation or any right of consent, or result in the creation of a Lien on any property or asset of Parent or any of its Subsidiaries pursuant to any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other obligation to which Parent or any of its Subsidiaries is a party or by which Parent or any of its Subsidiaries or any property or asset of any of them is bound or affected except, in the case of clauses (b) and (c) above, for any such conflicts, violations, breaches, defaults or other occurrences which would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

Section 5.4 *Required Filings and Consents.* The execution and delivery by each of Parent and Merger Sub of this Agreement and by Parent of the Related Agreements do not, and the consummation of the Merger and the other transactions contemplated hereby and thereby by each of Parent and Merger Sub and the performance by each of Parent and Merger Sub of this Agreement and by Parent of the Related Agreements will not, require any Consent, except for (i) applicable requirements, if any, of (A) the Securities Act or the Exchange Act, (B) state securities or "blue sky" Laws, and (C) the DGCL to file the Certificate of Merger or other appropriate documentation and (ii) such Consents, the failure of which to obtain, would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

Section 5.5 *Litigation; Orders.* As of the date hereof:

(a) there is no Litigation pending or, to the knowledge of Parent, threatened against or affecting Parent, Merger Sub or any Subsidiary of Parent or Merger Sub or any of their respective assets which, if adversely determined, would, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect; and

(b) there is no Order of any Governmental Entity or arbitrator outstanding against Parent, Merger Sub or any of their respective Subsidiaries that would, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

Section 5.6 *Sufficient Funds.* Parent has, and will have at the Closing, sufficient cash, marketable securities and other sources of immediately available funds necessary to pay the Cash Component to be paid in respect of the shares of Company Common Stock, and to pay any other amounts incurred or otherwise payable by Parent or Merger Sub in connection with the Merger and the other transactions contemplated by this Agreement, and there is no restriction on the use of such cash for such purposes. Parent acknowledges and agrees that its obligations hereunder are not subject to any conditions regarding Parent's, Merger Sub's or any other Person's ability to obtain financing for the consummation of the Merger and the other transactions contemplated by this Agreement.

Section 5.7 *Merger Sub's Operations.* Merger Sub was formed solely for the purpose of engaging in the Merger and the other transactions contemplated hereby and has not owned any assets, engaged in any business activities or conducted any operations, and will not at any time prior to the Effective Time own any assets, engage in any business activities or conduct any operations, in each case, other than in connection with the Merger and the other transactions contemplated hereby.

Section 5.8 *Section 203 Matters.* Neither Parent nor Merger Sub is, nor at any time during the last three years has it been, an "interested stockholder" as defined in Section 203 of the DGCL (other than as contemplated by this Agreement).

Section 5.9 *Solvency.* Assuming the accuracy of the representations and warranties of the Company in *Article IV* that relate to the subject matter of clauses (i) - (iii) of this *Section 5.9* (including *Section 4.7*), after giving effect to the Merger and the other transactions contemplated by this Agreement, the payment of all amounts required to be paid in connection with the consummation of the transactions contemplated in this Agreement (including payment of all amounts payable under Article II and *Article III* in connection with or as a result of the Merger) and the payment of all related fees and expenses, Parent and its consolidated Subsidiaries (including the Surviving Entity and its Subsidiaries) will be Solvent as of the Closing Date immediately after the consummation of the transactions contemplated hereby. For the purposes of this Agreement, the term "Solvent" when used with respect to any Person, shall mean that, as of any date of determination, (i) the amount of the "fair saleable value" of the assets of such Person will, as of such date, exceed (A) the sum of the value of all "liabilities of such Person, including contingent and other liabilities" as of such date, and the capital of such Person as computed in accordance with applicable Law as of such date, as such quoted terms are generally determined in accordance with applicable Laws governing determinations of the insolvency of debtors, and (B) the amount that will be required to pay the probable liabilities of such Person on its existing debts (including contingent and other liabilities) as such debts become absolute and mature, (ii) such Person will not have, as of such date, an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged following such date, and (iii) such Person will be able to pay its liabilities, including contingent and other liabilities, as they mature. For purposes of this definition, "not have an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged" and "able to pay its liabilities, including contingent and other liabilities, as they mature" mean that such Person will be able to generate enough cash from operations, asset dispositions or refinancings, or a combination thereof, to meet its obligations as they become due. Parent is not entering into the transactions contemplated by this Agreement with the actual intent to hinder, delay or defraud either present or future creditors of the Company or any of its Subsidiaries.

Section 5.10 *Disclosure Documents.* The information with respect to Parent or any of its Subsidiaries that Parent or Merger Sub furnishes, or causes to be furnished, to the Company in writing specifically for inclusion in the Proxy Statement/Prospectus will not, at the time of the mailing thereof or at the time the Company Stockholders Meeting is to be held, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

Section 5.11 *Compliance with Laws and Orders.* Parent and each of its Subsidiaries are in compliance in all respects with all Laws and Orders applicable to Parent or any of its Subsidiaries or by which any property, business or asset of Parent or any of its Subsidiaries is bound or affected and has not been given written notice of any violation of any such Laws or Orders, except for failures to comply with or violation of such Laws or Orders as would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

Section 5.12 *Brokers.* No broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Merger and the other transactions contemplated hereby based upon arrangements made by or on behalf of Parent for which the Surviving Entity or any of its Subsidiaries will have any liability.

Section 5.13 *Reserved.*

Section 5.14 *No Other Representations and Warranties.* Except for the representations and warranties made by Parent and Merger Sub in this *Article V*, neither Parent, Merger Sub nor any other Person makes any express or implied representation or warranty with respect to Parent, Merger Sub or any of their respective Subsidiaries or their respective businesses, assets, operations, liabilities, condition (financial or otherwise) or prospects, and each of Parent and Merger Sub hereby disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, except for the representations and warranties made by Parent and Merger Sub in this *Article V*, neither Parent, Merger Sub nor any other Person makes or has made any representation or warranty to the Company or any of its Representatives, with respect to (i) any financial projection, forecast, estimate, budget or prospective information relating to Parent, any of its Subsidiaries or their respective businesses or operations or (ii) any oral or written information furnished or made available to the Company or any of its Representatives in the course of its due diligence investigation of Parent, the negotiation of this Agreement or the Related Agreements or the consummation of the Merger and the other transactions contemplated hereby and thereby, including the accuracy, completeness or currency thereof, and neither Parent, Merger Sub nor any other Person will have any liability to the Company or any other Person in respect of such information, including any subsequent use of such information, except in the case of fraud. Notwithstanding anything contained in this Agreement to the contrary, each of Parent and Merger Sub acknowledges and agrees that neither the Company nor any other Person has made or is making any representations or warranties whatsoever, express or implied, beyond those expressly made by the Company in *Article IV*, including any implied representation or warranty as to the accuracy or completeness of any information regarding the Company furnished or made available to Parent or Merger Sub or any of their respective Representatives.

This *Section 6.3* shall not constitute a covenant, agreement or obligation of the Company for purposes of *Section 8.1(d)(i)* or *Section 7.2(b)*.

Nothing in this *Section 6.5* shall prohibit the Company, its Subsidiaries and its and their respective Representatives from informing any Person of the existence of the provisions contained in this *Section 6.5* or clarifying the terms and conditions thereof. It is understood that any violation of the restrictions on the Company set forth in this *Section 6.5* by any Subsidiary of the Company or any of their respective Representatives shall be deemed a breach of this *Section 6.5* by the Company.

(b) Notwithstanding *Section 6.5(a)*, at any time prior to obtaining the Company Stockholder Approval, the Company, its Subsidiaries and its and their respective Representatives may participate in discussions or negotiations regarding, and furnish or disclose information (including non-public information) in response to, an unsolicited, *bona fide* written Acquisition Proposal which was made after the date of this Agreement and did not result from any breach of this *Section 6.5* that is submitted to the Company, any of its Subsidiaries or its or their respective Representatives; provided that (i) the Company Board determines in good faith, based on the information then available and after consultation with a financial advisor of nationally recognized reputation and outside legal counsel, that such Acquisition Proposal constitutes or could reasonably be expected to lead to a Superior Proposal, (ii) the Company Board determines in good faith, based on the information then available and after consultation with its outside legal counsel, that failing to take such action would be inconsistent with its fiduciary duties to the Company's stockholders under applicable Law, (iii) prior to participating in discussions or negotiations with, or furnishing or disclosing any non-public information to, a Third Person with respect to such Acquisition Proposal, the Company receives from such Third Person an executed confidentiality agreement containing terms not less favorable to the Company than the terms then applicable under the Confidentiality Agreement and (iv) promptly (and in any event within 48 hours) after furnishing or making available any non-public information concerning the Company and its Subsidiaries to any such Third Person, the Company furnishes or makes available such information to Parent or its Representatives (to the extent such information has not been previously furnished or made available by the Company to Parent or its Representatives).

(c) The Company shall notify Parent in writing promptly (but in no event later than 24 hours) after receipt by the Company, its Subsidiaries or any of their respective Representatives of any Acquisition Proposal, any *bona fide* written indication that a Third Person intends to make an Acquisition Proposal or any written request for information relating to the Company and its Subsidiaries or for access to the business, books or records of the Company or any of its Subsidiaries, in each case by any Third Person that intends to make an Acquisition Proposal in connection therewith. and conditions of, any such Acquisition Proposal, indication or request (including any material changes thereto). The Company shall keep Parent reasonably informed on a current basis of any material developments, discussions or negotiations regarding any such Acquisition Proposal, indication or request (including any changes thereto), and shall promptly (but in no event later than 24 hours after receipt) provide to Parent copies of all correspondence and written materials sent or provided to the Company or any of its Subsidiaries that describes any terms or conditions of any Acquisition Proposal (as well as written summaries of any material oral communications addressing such matters).

(d) Except as expressly permitted by this *Section 6.5*, the Company Board shall not (i) withhold, withdraw, modify, amend or qualify, or propose publicly or resolve to withhold, withdraw, modify, amend or qualify, in any manner adverse to Parent or Merger Sub, the Company Recommendation (a "*Change in Company Recommendation*") (it being understood that the Company Board may refrain from taking a position with respect to an Acquisition Proposal until the close of business of the tenth Business Day following a written request by Parent to the Company Board to affirm the Company Recommendation after the commencement of a tender or exchange offer in connection with such Acquisition Proposal without such action being considered an adverse modification), (ii) adopt, approve, authorize or recommend or otherwise declare advisable, or propose publicly to adopt, approve, authorize or recommend or otherwise declare advisable, any Acquisition Proposal, (iii) take or fail to take any formal action or make or fail to make any recommendation or public statement in connection with a tender or exchange offer, other than a recommendation against such offer or a "stop, look and listen" communication by the Company Board (or a committee thereof) to the Company's stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any substantially similar communication) or (iv) enter into any Acquisition Agreement.

(e) If, prior to obtaining the Company Stockholder Approval, the Company receives an Acquisition Proposal that the Company Board concludes in good faith, after consultation with a financial advisor of nationally recognized reputation and outside legal counsel, constitutes a Superior Proposal, the Company Board may effect a Change in Company Recommendation or terminate this Agreement pursuant to *Section 8.1(c)(ii)* to enter into a definitive, written agreement concerning such Superior Proposal, if, and only if:

(i) the Company shall have provided prior written notice to Parent, at least four Business Days in advance (the "*Notice Period*"), of its intention to effect a Change in Company Recommendation pursuant to this *Section 6.5(e)* or to terminate this Agreement to enter into a definitive, written agreement concerning a Superior Proposal pursuant to *Section 8.1(c)(ii)*, which notice shall specify the basis for such Change in Company Recommendation or termination and the identity of the party making such Superior Proposal, the material terms and conditions thereof and all material documents relating to such Acquisition Proposal; provided that in the event of any material revisions to the Acquisition Proposal that the Company Board has determined to be a Superior Proposal, the Company shall be required to deliver a new written notice to Parent and to comply with the requirements of this *Section 6.5(e)* with respect to such new written notice (it being understood that the "*Notice Period*" in respect of such new written notice shall be two Business Days);

(ii) the Company Board shall have determined in good faith, after consultation with outside legal counsel, that failure to effect a Change in Company Recommendation or terminate this Agreement to enter into a Superior Proposal, as applicable, would be inconsistent with its fiduciary duties to the stockholders of the Company under applicable Law and the Company shall have complied in all material respects with all of its obligations under this *Section 6.5*;

(iii) after providing the notice contemplated by *Section 6.5(e)(i)*, the Company shall have discussed and negotiated, and shall have caused its Representatives to discuss and negotiate, with Parent and its Representatives in good faith (to the extent Parent has requested that the Company discuss and negotiate with Parent and its Representatives) during the Notice Period such adjustments in the terms and conditions of this Agreement as would permit the Company Board not to effect a Change in Company Recommendation or terminate this Agreement to enter into a Superior Proposal, as applicable; and

(iv) (A) the Company Board shall have considered in good faith any proposed changes to this Agreement offered in writing by Parent no later than 5:00 p.m. (Eastern Time) on the last day of the Notice Period, and, taking into account any such proposed changes, shall have determined in good faith, after consultation with a financial advisor of nationally recognized reputation and outside legal counsel, that the Superior Proposal would continue to constitute a Superior Proposal if such changes were to be given effect and the failure to take such action would continue to be inconsistent with the Company Board's fiduciary duties to the stockholders of the Company under applicable Law and (B) in the case of any termination of this Agreement in order to cause or permit the Company or any of its Subsidiaries to enter into an Acquisition Agreement concerning a Superior Proposal, the Company shall have validly terminated this Agreement in accordance with *Section 8.1(c)*, including paying the Company Termination Fee in accordance with *Section 8.2(h)*.

(f) Nothing contained in this *Section 6.5* shall prohibit the Company Board, directly or indirectly through its Representatives, from (i) complying with Rule 14e-2(a) under the Exchange Act with respect to any Acquisition Proposal; provided that any such position taken or disclosed that relates to an Acquisition Proposal shall be deemed to be a Change in Company Recommendation unless the Company Board reaffirms the Company Recommendation in such statement or in connection with such Acquisition Proposal requiring compliance with Rule 14e-2(a) no later than the ten business day deadline set forth in Rule 14e-2(a) or (ii) making a "stop, look and listen" disclosure or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act, an express rejection of any Acquisition Proposal or an express reaffirmation of the Company Recommendation.

(g) Notwithstanding anything to the contrary set forth in this Agreement, other than in connection with an Acquisition Proposal received by the Company or its Subsidiaries, the Company Board may effect a Change in Company Recommendation (and the Company shall not be required to include the Company Recommendation in the Proxy Statement/Prospectus) in response to an Intervening Event if the Company Board shall have determined in good faith, after consultation with its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties to the stockholders of the Company under applicable Law; provided, that, (i) the Company promptly notified Parent in writing at least four Business Days before taking such action, of its intention to do so, attaching a reasonably detailed description of the facts relating to such Change in Company Recommendation, (ii) during such four Business Day period, if requested by Parent, the Company and its Representatives shall have discussed and negotiated in good faith (to the extent that Parent has requested that the Company discuss and negotiate) with Parent and its Representatives regarding any proposal by Parent to amend the terms of this Agreement in response to such potential Change in Company Recommendation; and (iii) after such four Business Day period, the Company Board shall have determined in good faith, after considering advice from its outside legal counsel, and taking into account any proposal by Parent to amend the terms of this Agreement made during such period, that the failure to take such action would still be inconsistent with its fiduciary duties under applicable Law.

Without limiting the preceding sentence, the Company shall give Parent the opportunity to review and comment on all filings or responses to be made by the Company in connection with any such stockholder litigation (and the Company will in good faith take such comments into account), the opportunity to consult on any settlement, understanding or other agreement with respect to such stockholder litigation; *provided, however*, that without Parent's prior written consent the Company shall only be permitted to offer to make or make any payment with respect to any such stockholder litigation and to enter into any settlement, understanding or other agreement relating to any such stockholder litigation if the terms thereof, in the aggregate, are no less favorable to the Company than those described in *Section 6.6* of the Company Disclosure Letter.

Section 6.7 Indemnification; Director and Officer Insurance.

(a) From and after the Effective Time, the Surviving Entity shall indemnify, defend and hold harmless, and provide advancement of expenses to, the present and former directors and officers of the Company and its Subsidiaries (each such director or officer an "*Indemnified Person*"), in each case to the fullest extent a Delaware corporation would be permitted by Law to indemnify such individuals, including to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date hereof that increase the extent to which a corporation may indemnify its officers and directors, from and against any and all costs or expenses (including attorneys' fees, expenses and disbursements), judgments, fines, losses, claims, damages, penalties, liabilities and amounts paid in settlement in connection with any actual or threatened claim, action, suit, proceeding or investigation, whether civil, criminal, administrative, regulatory or investigative, arising out of, relating to or in connection with any circumstances, developments or matters in existence, or acts or omissions occurring or alleged to occur at or prior to the Effective Time (including, throughout this *Section 6.7*, for acts or omissions occurring in connection with the negotiation, execution, delivery and approval of this Agreement, the performance of the Company's obligations under this Agreement and the Related Agreements and the consummation of the transactions contemplated by this Agreement and the Related Agreements or arising out of or pertaining to the Merger and the other transactions contemplated by this Agreement and the Related Agreements and any other transaction considered by the Company in lieu of the Merger and the other transactions contemplated by this Agreement and the Related Agreements) whether asserted or claimed prior to, at or after the Effective Time.

(b) The Surviving Entity shall, at no expense to the beneficiaries, purchase as of the Effective Time a tail endorsement to the current policies of directors' and officers' liability insurance maintained by the Company which tail endorsement shall be effective for a period from the Effective Time through and including the date six years after the Closing Date (a "*Reporting Tail Endorsement*") with respect to claims arising from facts or events that occurred at or prior to the Effective Time, and which Reporting Tail Endorsement shall contain coverage and amounts at least as favorable to the Indemnified Persons as the coverage currently provided by Company's current directors' and officers' liability insurance policies (in the aggregate); provided, that in no event shall the Surviving Entity be required to pay annual premiums for insurance under this *Section 6.7(b)* that exceed 300% of the most recent annual premiums paid by Company or any of its Subsidiaries, as applicable, prior to the date of this Agreement for such purpose, it being understood that if the annual premiums of such insurance coverage exceed such amount, the Surviving Entity shall nevertheless be obligated to provide such coverage as may be obtained for such 300% amount. Such Reporting Tail Endorsement shall be placed through such broker(s) as may be specified by Parent and as is reasonably acceptable to the Company. exclusive option to purchase the Reporting Tail Endorsement (in lieu of the Surviving Entity) prior to the Effective Time, subject to the proviso of the first sentence of this *Section 6.7(b)*.

(c) From and after the Effective Time, the Surviving Entity shall not, directly or indirectly, amend, modify, limit or terminate the indemnification, advancement and reimbursement of expenses and exculpation provisions of the certificate of incorporation, bylaws or other similar governing documents of the Surviving Entity or any of its Subsidiaries as in effect at the Effective Time in any manner that would adversely affect the rights thereunder of individuals who at the Effective Time were directors, officers, employees or agents of the Company or any of its Subsidiaries.

(d) From and after the Effective Time, the Surviving Entity shall not, directly or indirectly, amend, modify, limit or terminate the indemnification, advancement and reimbursement of expenses and exculpation provisions of the agreements listed in *Section 6.7(d)* of the Company Disclosure Letter between the Company or any Subsidiary of the Company and any of the Indemnified Persons or employees.

(e) Any Indemnified Person wishing to claim indemnification under *Section 6.7(a)*, upon learning of any such claim, action, suit, proceeding or investigation, shall notify the Surviving Entity thereof, but the failure to so notify shall not relieve the Surviving Entity of any liability it may have to such Indemnified Person to the extent such failure does not materially prejudice the indemnifying party. In the event of any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), as of the Effective Time, the Surviving Entity shall have the right to assume the defense thereof through counsel (i) with recognized competence and experience in connection with claims, actions, suits, proceedings or investigations of the type involved, and (ii) reasonably acceptable to the Indemnified Persons, and the Surviving Entity shall not be liable to such Indemnified Persons for any legal expenses of other counsel or any other expense subsequently incurred by such Indemnified Persons in connection with the defense thereof, except that if the Surviving Entity elects not to assume such defense or counsel or the Indemnified Persons advise that there are issues which raise conflicts of interest between the Surviving Entity and the Indemnified Persons or between the Indemnified Persons, the Indemnified Persons may retain counsel satisfactory to them, and the Surviving Entity shall pay all reasonable fees and expenses of such counsel for the Indemnified Persons promptly as statements therefor are received; provided, however, pursuant to this *Section 6.7(e)*, (x) the Indemnified Persons will cooperate in the defense of any such matter and (y) the Surviving Entity shall not be liable for any settlement effected without its prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed; and provided, further, that the Surviving Entity shall have no obligation hereunder to any Indemnified Person if and when a court of competent jurisdiction shall ultimately determine, and such determination shall have become final and non-appealable, that the indemnification of such Indemnified Person in the manner contemplated by *Section 6.7(a)* is prohibited by applicable Law. The Surviving Entity shall not settle, compromise or consent to the entry of any judgment in any such claim, action, suit, proceeding or investigation in respect of which indemnification has been sought by an Indemnified Person hereunder unless such settlement, compromise or judgment includes an unconditional release of such Indemnified Person from all liability arising out of such claim, action, suit, proceeding or investigation, or such Indemnified Person otherwise consents thereto, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, the Surviving Entity may not replace any counsel engaged by any Indemnified Person prior to the Effective Time without the prior written consent of such Indemnified Person.

(f) Notwithstanding anything herein to the contrary, if any claim, action, suit, proceeding or investigation (whether arising before, at or after the Effective Time) is made against any Indemnified Persons or employee on or prior to the sixth anniversary of the Effective Time, the

Table of Contents

provisions of this *Section 6.7* shall continue in effect until the final and non-appealable disposition of such claim, action, suit, proceeding or investigation.

(g) The covenants and agreements contained in this *Section 6.7* are intended to be for the irrevocable benefit of and to grant third-party rights to, and shall be enforceable by, each of the Indemnified Persons or employees and their respective heirs and legal representatives and shall not be deemed exclusive of any other rights to which an Indemnified Person or employee is entitled, whether pursuant to Law, Contract or otherwise and shall be binding on all successors and assigns of the Surviving Entity. The obligations of the Surviving Entity under this *Section 6.7* shall not be terminated or modified in such a manner as to adversely affect any Indemnified Person or employee unless the affected Indemnified Person or employee shall have consented in writing to such termination or modification. It is expressly agreed that each Indemnified Person and or employee shall be a third-party beneficiary of this *Section 6.7*, and entitled to enforce the covenants and agreements contained in this *Section 6.7*. If any Indemnified Person or employee makes any claim for indemnification or advancement of expenses under this *Section 6.7* that is denied by the Surviving Entity, and a court of competent jurisdiction determines that the Indemnified Person or employee is entitled to such indemnification, then the Surviving Entity shall pay such Indemnified Person's or employee's costs and expenses, including legal fees and expenses, incurred in connection with pursuing such claim against the Surviving Entity. The rights of the Indemnified Persons and employees under this *Section 6.7* shall be in addition to, and not in substitution for, any rights such Indemnified Persons or employees may have under the Company Organizational Documents, the certificate of incorporation and bylaws (or comparable organizational documents) of any of the Company's Subsidiaries or the certificate of incorporation and bylaws of the Surviving Entity or under any applicable Contracts, insurance policies or Laws, and the Surviving Entity shall honor and perform under all indemnification agreements entered into by the Company or any of its Subsidiaries.

(h) In the event that the Surviving Entity or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or Surviving Entity or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, the Surviving Entity shall cause proper provision to be made prior to consummation of any transaction of the type described in *clauses (i) and (ii)* of this sentence so that the successors or assigns of the Surviving Entity, as the case may be, shall succeed to the obligations set forth in this *Section 6.7*. Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company or any of its respective Subsidiaries for any of their respective directors, officers, employees or other Indemnified Person, it being understood and agreed that the indemnification provided for in this *Section 6.7* is not prior to or in substitution for any such claims under such policies.

Section 6.8 Public Announcements. The initial press release relating to the Merger and the other transactions contemplated by this Agreement shall be a joint press release and thereafter, during the period between the date hereof and the earlier of the Effective Time and the termination of this Agreement in accordance with *Section 8.1*, the Company and Parent each shall obtain the prior consent of the other prior to issuing any press releases or making other public statements and communications with respect to the Merger and the other transactions contemplated by this Agreement and the Related Agreements (which consent shall not be unreasonably withheld, conditioned or delayed), except as may be required by Law or by obligations pursuant to any listing agreement with or rules of the NYSE. In addition to the foregoing, except to the extent disclosed in the Proxy Statement/Prospectus in accordance with the provisions of this Agreement, neither Parent nor the Company shall issue any press release or otherwise make any public statement or disclosure concerning the other Party or the

other Party's business, financial condition or results of operations without the consent of the other Party. Notwithstanding anything herein to the contrary, the restrictions set forth in this *Section 6.8* shall not apply to any release or public statement made or proposed to be made by the Company in accordance with *Section 6.5* or in connection with any dispute between the Parties regarding this Agreement, the Related Agreements the Merger or the other transactions contemplated hereby or thereby.

Section 6.9 *Employees.*

(a) From and after the Effective Time, the Surviving Entity shall, and shall cause its Subsidiaries to, honor all employment agreements and Company Benefit Plans in accordance with their terms as in effect immediately before the Effective Time, except as otherwise specifically provided herein.

(b) The Surviving Entity shall provide each Company Employee who incurs a termination of employment during the twelve month period following the Effective Time with severance benefits that are no less favorable than the severance benefits described in *Section 6.9(b)* of the Company Disclosure Letter.

(c) Nothing contained in this *Section 6.9*, express or implied, will: (i) be construed to establish, amend, terminate or modify any Company Benefit Plan or other employee benefit or compensation plan, program, agreement, policy, Contract, or arrangement; (ii) create any third-party beneficiary rights or obligations in any Person (including any Company Employee, other employee of the Company or the Surviving Entity or any of their respective Subsidiaries or their respective beneficiaries), including with respect to any right to employment or continued employment or to a particular term or condition of employment; (iii) obligate Parent, Merger Sub, the Company, the Surviving Entity or any of their Subsidiaries, or their respective Affiliates to (A) maintain any particular Company Benefit Plan or any other employee benefit or compensation plan, program, agreement, policy, Contract, or arrangement or (B) hire or retain the employment or any particular Company Employee for any period following the Closing Date or limit the ability of Parent, Merger Sub, the Company, the Surviving Entity or any of their Subsidiaries, or any of their respective Affiliates to terminate the employment of any employee (including a Company Employee) following the Effective Time at any time and for any or no reason; or (iv) alter or limit the ability of Parent, Merger Sub, the Company, the Surviving Entity or any of its Subsidiaries, or any of their respective Affiliates to amend, modify or terminate any Company Benefit Plan or other employee benefit or compensation plan, program, agreement, policy, Contract or arrangement at any time following the Effective Time.

Section 6.10 *Rule 16b-3.* Prior to the Closing, the Company shall use reasonable best efforts to cause any dispositions of Company Common Stock (including derivative securities with respect to Company Common Stock) resulting from the transactions contemplated hereby by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.11 *State Takeover Laws.* If any state takeover Law becomes applicable to the Merger or the other transactions contemplated by this Agreement or the Related Agreements, the Company and the Company Board shall grant such approvals and take such actions as are necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to eliminate or minimize the effects of such statute or regulation on such transactions.

Section 6.12 *Convertible Notes Supplemental Indenture.* The Company shall take all actions as and when reasonably necessary to satisfy the Company's obligations under the Indenture, dated as of February 26, 2013, between the Company and U.S. Bank National Association, as Trustee, as supplemented by the First Supplemental Indenture, dated as of February 26, 2013, in connection with

the Merger and the other transactions contemplated by this Agreement, including entering into a supplemental indenture in accordance with Section 4.07(a) of such First Supplemental Indenture.

Section 6.13 *No Control of Other Party's Business.* Nothing contained in this Agreement shall give Parent, directly or indirectly, the right to control or direct the Company's operations prior to the Closing, and nothing contained in this Agreement shall give the Company, directly or indirectly, the right to control or direct Parent's or its Subsidiaries' operations. Prior to the Closing, each of the Company and Parent shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

Section 6.14 *NYSE Listing.* Prior to the Effective Time, the Company shall cause the shares of Surviving Entity Common Stock to be issued in connection with the Merger and such other shares of Surviving Entity Common Stock to be reserved for issuance in connection with the Merger to be approved for listing on the New York Stock Exchange, subject to official notice of issuance.

Section 6.15 *Obligations of Merger Sub.* Parent shall cause Merger Sub to perform its obligations under this Agreement and to consummate the Merger and the other transactions contemplated hereby on the terms and conditions set forth in this Agreement. Parent hereby guarantees the payment by Merger Sub of any amounts payable by Merger Sub pursuant to the Merger or otherwise pursuant to this Agreement.

Section 6.16 *Proxy Statement/Prospectus; Company Stockholders Meeting.*

(a) As promptly as reasonably practicable following the date of this Agreement (but in any event no more than 40 days following the date of this Agreement), (i) the Company shall prepare and cause to be filed with the SEC, a proxy statement and a registration statement on Form S-4 in connection with the registration under the Securities Act of the Surviving Entity Common Stock to be issued in the Merger (as amended or supplemented from time to time, the "*Form S-4*") in which the proxy statement will be included as a prospectus (the "*Proxy Statement/Prospectus*"). The Company shall use its reasonable best efforts to have the Form S-4 declared effective under the Securities Act as promptly as reasonably practicable after such filing (including by responding to comments of the SEC) and to keep the Form S-4 effective as long as necessary to consummate the Merger. Prior to the effective date of the Form S-4, the Company shall also use its reasonable best efforts to satisfy all necessary state securities Laws or "blue sky" notice requirements in connection with the Merger, including the payment of all expenses incident thereto. The Company shall promptly notify Parent of the time when the Form S-4 has become effective or any supplement or amendment to the Form S-4 has been filed, and of the issuance of any stop order or suspension of the qualification of the shares of Surviving Entity Common Stock issuable in connection with the Merger. The Company shall use its reasonable best efforts to mail or deliver the Proxy Statement/Prospectus to its stockholders as promptly as practicable after the Form S-4 shall have become effective. Parent shall furnish all information concerning itself, its Affiliates and the holders of its capital stock as may be reasonably requested by the Company and provide such other assistance as may be reasonably requested by the Company in connection with the preparation, filing and distribution of the Proxy Statement/Prospectus. The Company shall promptly notify Parent upon the receipt of any comments from the SEC or any request from the SEC for amendments or supplements to the Proxy Statement/Prospectus, and shall, as promptly as practicable after receipt thereof, provide Parent with copies of all correspondence between it and its Representatives, on one hand, and the SEC, on the other hand, and all written comments with respect to the Proxy Statement/Prospectus received from the SEC and advise Parent of any oral comments with respect to the Proxy Statement/Prospectus received from the SEC. The Company shall use its reasonable best efforts to respond as promptly as practicable to any comments with respect to the Proxy Statement/Prospectus or requests for additional information from the SEC. Notwithstanding the foregoing, prior to filing or mailing the Proxy Statement/Prospectus (or any amendment or

supplement thereto) or any other document to be filed by the Company with the SEC in connection with the Merger or the other transactions contemplated by this Agreement or the Related Agreements, or any dissemination thereof to the stockholders of the Company, or responding to any comments of the SEC with respect thereto, each of Parent and the Company shall cooperate and provide such other Party a reasonable opportunity to review and comment on such document or response (including the proposed final version of such document or response) and related correspondence and filings, and the Company shall (A) consider in good faith and include in such drafts, correspondence and filings all comments reasonably proposed by Parent and (B) promptly (and in no event later than the fifth Business Day following the date of this Agreement) initiate a "broker search" in accordance with Rule 14a-13 of the Exchange Act.

(b) The Company shall cause the Proxy Statement/Prospectus and any amendments or supplements thereto, when filed, to comply as to form, with all material legal requirements applicable thereto. The Company agrees that none of the information to be included or incorporated by reference in the Proxy Statement/Prospectus shall, at the date it is first mailed to the stockholders of the Company or at the time of the Company Stockholders Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading; *provided, however*, that no representation or warranty is made by the Company with respect to statements made or incorporated by reference therein to the extent based on information supplied by or on behalf of Parent or Merger Sub or any Affiliate of Parent or Merger Sub in connection with the preparation of the Proxy Statement/Prospectus for inclusion or incorporation by reference therein. Parent and Merger Sub hereby covenant and agree that none of the information to be supplied by or on behalf of Parent or Merger Sub or any Affiliate of Parent or Merger Sub for inclusion or incorporation by reference in the Proxy Statement/Prospectus shall, at the date it is first mailed to the stockholders of the Company or at the time of the Company Stockholders Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading; *provided, however*, that no representation or warranty is made by either Parent or Merger Sub with respect to statements made or incorporated by reference therein to the extent based on information supplied by the Company or any Affiliate of the Company in connection with the preparation of the Proxy Statement/Prospectus for inclusion or incorporation by reference therein.

(c) If, at any time prior to the receipt of the Company Stockholder Approval, any information relating to the Company or Parent, or any of their respective Affiliates, should be discovered by the Company or Parent which, in the reasonable judgment of the Company or Parent, should be set forth in an amendment of, or a supplement to, the Proxy Statement/Prospectus, so that such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party that discovers such information shall promptly notify the other Parties hereto, and, to the extent required by applicable Law, the Company and Parent shall cooperate in the prompt filing with the SEC of any necessary amendment of, or supplement to, the Proxy Statement/Prospectus and in disseminating the information contained in such amendment or supplement to stockholders of the Company. Nothing in this *Section 6.16(d)* shall limit the obligations of any Party under *Section 6.16(a)* or *Section 6.16(b)*.

(d) As promptly as practicable following the date of this Agreement, the Company shall, in accordance with applicable Law and the Company Organizational Documents, establish a record date for, duly call, give notice of, convene and hold the Company Stockholders Meeting. As soon as reasonably practicable, the Company shall use its reasonable best efforts to cause the Proxy Statement/Prospectus and all other proxy materials for the Company Stockholders Meeting to be mailed to the stockholders of the Company entitled to vote at the Company Stockholders Meeting and to hold the Company Stockholders Meeting. The Company shall, through the Company Board, recommend to its stockholders that they provide the Company Stockholder Approval, include such recommendation in the Proxy Statement/Prospectus and solicit and use its reasonable best efforts to obtain the Company Stockholder Approval, except to the extent that the Company Board shall have made a Change in Company Recommendation as permitted by Section 6.5. Notwithstanding the foregoing provisions of this Section 6.16(d), (i) if, on a date for which the Company Stockholders Meeting is scheduled, the Company has not received proxies representing a sufficient number of shares of the Company Common Stock to obtain the Company Stockholder Approval, whether or not a quorum is present, the Company shall have the right to make one or more successive postponements or adjournments of the Company Stockholders Meeting solely for the purpose of soliciting additional proxies and votes in favor of the Merger and the other transactions contemplated by this Agreement and the Related Agreements, which postponements or adjournments shall be for the minimum time, in the reasonable judgment of the Company, as is necessary to obtain such additional proxies and votes required to obtain the Company Stockholder Approval and (ii) the Company may postpone or adjourn the Company Stockholders Meeting to allow reasonable additional time for any supplemental or amended disclosure if the Company Board has determined in good faith after consultation with outside counsel that the failure to take such action would be inconsistent with its fiduciary duties to the stockholders of the Company under applicable Law and then only for the minimum time as the Company Board has determined in good faith after consultation with outside counsel is reasonably necessary to give the holders of Company Common Stock the required time to evaluate any applicable information or disclosure; provided, further, that the Company shall, if requested by Parent, delay, adjourn or postpone convening the Company Stockholders Meeting (x) for the absence of a quorum or (y) for up to 10 Business Days to allow additional time to solicit additional proxies if necessary in order to obtain the Company Stockholder Approval.

Section 6.17 *Financing.* Parent shall keep the Company reasonably informed with respect to Parent's activities, if any, relating to the financing of the Merger Consideration.

Section 6.18 *Joint Venture Cooperation.*

(a) Prior to the Closing, the Company shall cooperate, and shall cause its Subsidiaries to cooperate, and shall use its and their reasonable best efforts to cause their respective Representatives to cooperate with Parent in connection with seeking and negotiating, as applicable and as directed by Parent, waivers, consents or amendments to the Joint Venture Organizational Documents ("*Joint Venture Consents and Amendments*"), including providing and executing documents as may be reasonably requested by Parent in connection with the Joint Venture Consents and Amendments. Parent shall, at Closing or, if Closing does not timely occur, promptly upon request by the Company, reimburse the Company for all reasonable out-of-pocket costs incurred by the Company, its Subsidiaries and their respective Representatives in connection with such cooperation. Parent and Merger Sub shall, on a joint and several basis, indemnify and hold harmless the Company, its Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them in connection with the Joint Venture Consents and Amendments. Notwithstanding anything in this Agreement to the contrary, until the Closing occurs, none of the Company or its directors, officers, managers, members, employees, stockholders, representatives

The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. The term "or" is not exclusive. References to a Person are also to its permitted successors and assigns.

Section 9.6 *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflict of laws thereof.

Section 9.7 *Assignment.* Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the Parties without the prior written consent of the other Parties. Any assignment in violation of the preceding sentence shall be void. Subject to the preceding two sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

Section 9.8 *Consent to Jurisdiction.* Each Party hereby submits to the exclusive jurisdiction of the Delaware Court of Chancery, including any appellate courts thereof (the "*Delaware Courts*"), for any dispute arising out of or relating to this Agreement or the breach, termination or validity thereof (whether based on contract, tort or otherwise). Each Party hereby irrevocably and unconditionally waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such proceedings brought in the Delaware Courts. With respect to any such proceeding, each of the Parties irrevocably and unconditionally waives and agrees not to plead or claim in any such court (a) that it is not personally subject to the jurisdiction of the Delaware Courts for any reason other than the failure to serve process in accordance with applicable Law, (b) that it or its property is exempt or immune from jurisdiction of the Delaware Courts or from any legal process commenced in the Delaware Courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) to the fullest extent permitted by applicable Law that (i) the suit, action or proceeding in the Delaware Courts is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by the Delaware Courts.

Section 9.9 *Headings, etc.* The headings and table of contents contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. The disclosure of any matter in the Company Disclosure Letter shall expressly not be deemed to constitute an admission by the Company or Parent, respectively, or to otherwise imply, that any such matter is material for the purpose of this Agreement.

Section 9.10 *Severability.* If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, insofar as the foregoing can be accomplished without materially affecting the economic benefits anticipated by the Parties. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

Section 9.11 *Failure or Indulgence Not Waiver; Remedies Cumulative.* No failure or delay on the part of any Party in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement herein, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

Section 9.12 *Waiver of Jury Trial.* EACH OF PARENT, MERGER SUB AND THE COMPANY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF PARENT, MERGER SUB

Section 9.13 *Specific Performance.* The Parties acknowledge and agree that irreparable harm would occur and that there would be no adequate remedy at Law (a) for any actual or threatened breach of the provisions of this Agreement or (b) in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that, except where this Agreement is terminated in accordance with *Section 8.1*, each Party shall be entitled to seek an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to specifically enforce the terms and provisions of this Agreement and any other agreement or instrument executed in connection herewith, and each Party further agrees to waive any requirement for the securing or posting of any bond or proving actual damages in connection with such remedy. In circumstances where the Parties are obligated to consummate the Merger and the Merger has not been consummated as a result of a Party's refusal to consummate the Merger in violation of this Agreement, each of the Parties expressly acknowledges and agrees that the other Party and its stockholders shall have suffered irreparable harm, that monetary damages will be inadequate to compensate such other Party and its stockholders, and that such other party on behalf of itself and its stockholders shall be entitled to enforce specifically the breaching party's obligation to consummate the Merger. Each Party hereby consents to the right of the other Parties to seek the issuance of such injunction or injunctions, and to the grant of such injunction or injunctions. Each Party further agrees that (i) by seeking the remedies provided for in this *Section 9.13*, each other Party, as applicable, shall not in any respect waive its right to seek any other form of relief that may be available to such Party under this Agreement, including payment of the Company Termination Fee, or other monetary damages and (ii) nothing contained in this *Section 9.13* shall require any Party to institute any proceeding for (or limit either such Party's right to institute any proceeding for) specific performance under this *Section 9.13* before exercising any termination right under *Section 8.1* (and pursuing the payment of the Company Termination Fee or other monetary damages after such termination) nor shall the commencement of any action pursuant to this *Section 9.13* or anything contained in this *Section 9.13* restrict or limit any Party's right to terminate this Agreement in accordance with the terms of *Section 8.1* or pursue any other remedies under this Agreement that may be available then or thereafter. Each Party further agrees not to assert that a remedy of specific performance is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide for an adequate remedy.

Section 4.1 The total number of shares of all classes of stock that the Corporation shall have authority to issue is 225,000,000, consisting of (1) 25,000,000 shares of Preferred Stock, par value \$0.01 per share ("*Preferred Stock*"), and (2) 200,000,000 shares of Common Stock, par value \$1.00 per share ("*Common Stock*"). The consideration for the issuance of the shares shall be paid to or received by the Corporation in full before the issuance and shall not be less than the par value per share. The consideration shall be as permitted by the laws of the State of Delaware. In the absence of actual fraud in the transaction, the judgment of the Board of Directors as to the value of such consideration shall be conclusive. Upon payment of such consideration, such shares shall be deemed to be fully paid and nonassessable. In the case of a stock dividend, that part of the surplus of the Corporation that is transferred to stated capital upon the issuance of shares as a stock dividend shall be deemed to be consideration for such issuance.

Section 4.2 Subject to any qualifications, limitations and restrictions set forth elsewhere in this Article IV or in Article VII, the Board of Directors is hereby expressly authorized, by resolution or resolutions from time to time adopted, to provide, out of the unissued shares of Preferred Stock, for the issuance of serial Preferred Stock. Before any shares of any such series are issued, subject to any qualifications, limitations and restrictions set forth elsewhere in this Article IV or in Article VII, the Board of Directors shall fix and state, and hereby is expressly empowered to fix, by resolution or resolutions, the designations, preferences, and relative, participating, optional or other special rights of the shares of each such series, and the qualifications, limitations or restrictions thereon, including but not limited to, determination of any of the following:

(a) the designation of such series, the number of shares to constitute such series and the stated value thereof if different from the par value thereof;

(b) whether the shares of such series shall have voting rights, in addition to any voting rights provided by law, and, if so, the terms of such voting rights, which may be full or limited;

(c) the dividends, if any, payable on such series, whether any such dividends shall be cumulative, and, if so, from what dates, the conditions and dates upon which such dividends shall be payable, the preference or relation that such dividends shall bear to the dividends payable on any shares of stock of any other class or any other series of this class;

(d) whether the shares of such series shall be subject to redemption by the Corporation, other than as set forth in Section 4.4, and, if so, the times, prices and other terms and conditions of such redemption;

(e) the amount or amounts payable upon shares of such series upon, and the rights of the holders of such series in, the voluntary or involuntary liquidation, dissolution or winding up, or upon any distribution of the assets, of the Corporation;

(f) whether the shares of such series shall be subject to the operation of a retirement or sinking fund and, if so, the extent to and manner in which any such retirement or sinking fund shall be applied to the purchase or redemption of the shares of such series for retirement or other corporate purposes and the terms and provisions relative to the operation thereof;

(g) whether the shares of such series shall be convertible into, or exchangeable for, shares of stock of any other class or any other series of this class or any other class or classes of securities and, if so, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of conversion or exchange;

(h) the limitations and restrictions, if any, to be effective while any shares of such series are outstanding upon the payment of dividends or the making of other distributions on, and upon the

The powers, preferences and relative, participating, optional and other special rights of each series of Preferred Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding. All shares of any one series of Preferred Stock shall be identical in all respects with all other shares of such series, except that shares of any one series issued at different times may differ as to the dates from which dividends thereon shall be cumulative. The Board of Directors may increase the number of shares of the Preferred Stock designated for any existing series by a resolution adding to such series authorized and unissued shares of the Preferred Stock not designated for any other series. The Board of Directors may decrease the number of shares of Preferred Stock designated for any existing series by a resolution subtracting from such series unissued shares of the Preferred Stock designated for such series, and the shares so subtracted shall become authorized, unissued, and undesignated shares of the Preferred Stock.

Section 4.3 Each holder of Common Stock shall be entitled to one vote for each share of Common Stock held of record on all matters on which stockholders generally are entitled to vote. Subject to the provisions of law and the rights of the Preferred Stock and any other class or series of stock having a preference as to dividends over the Common Stock then outstanding, dividends may be paid on the Common Stock out of assets legally available for dividends, but only at such times and in such amounts as the Board of Directors shall determine and declare. Section 4.4 Notwithstanding any other provision of this Certificate of Incorporation to the contrary, but subject to the provisions of any resolution or resolutions of the Board of Directors adopted pursuant to this Article IV creating any series of Preferred Stock or any other class or series of stock having a preference over the Common Stock as to dividends or upon liquidation, outstanding shares of Common Stock, Preferred Stock or any other class or series of stock of the Corporation, shall always be subject to redemption by the Corporation, by action of the Board of Directors, if in the judgment of the Board of Directors such action should be taken, pursuant to Section 151(b) of the General Corporation Law of the State of Delaware (or by any other applicable provision of law), to the extent necessary to prevent the loss or secure the reinstatement of any license or franchise from any governmental agency held by the Corporation or any Subsidiary to conduct any portion of the business of the Corporation or such Subsidiary, which license or franchise is conditioned upon some or all of the holders of the Corporation's stock of any class or series possessing prescribed qualifications. The terms and conditions of such redemption shall be as follows:

Section 5.4 **Vacancies.** Except as otherwise provided in the Certificate of Incorporation of the Company, a vacancy in any office because of resignation, retirement, death or other removal (with or without cause) may be filled for the unexpired portion of the term in the manner prescribed in these Bylaws for election to such office.

Section 5.5 **Chief Executive Officer.** The Chief Executive Officer shall have general supervision and direction of the business and affairs of the Company (subject to the control of the Board of Directors) and shall see that all orders and resolutions of the Board of Directors are carried into effect. The Chief Executive Officer may sign and execute in the name of the Company deeds, mortgages, bonds, contracts or other instruments authorized by the Board or any committee thereof empowered to authorize the same. The Chief Executive Officer, or his or the Board's designee, shall vote all securities held by the Company.

Section 5.6 **Chief Financial Officer.** The Chief Financial Officer of the Company shall have general supervision over the financial operations of the Company, subject to the direction of the Chairman of the Board or the Board of Directors. **ARTICLE VI
INDEMNIFICATION**

Section 6.1 *Power to Indemnify in Actions, Suits or Proceedings Other Than Those by or in the Right of the Company.* Subject to Section 6.3, the Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Company) by reason of the fact that he is or was a director, officer or employee of the Company, or is or was a director, officer or employee of the Company or any direct or indirect wholly owned subsidiary of the Company serving at the request of the Company as a director, officer, employee or agent of any such subsidiary or another corporation, savings and loan association, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 6.2 *Power to Indemnify in Actions, Suits or Proceedings by or in the Right of the Company.* Subject to Section 6.3, the Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he is or was a director, officer or employee of the Company, or is or was a director, officer or employee of the Company or any direct or indirect wholly owned subsidiary of the Company serving at the request of the Company as a director, officer, employee or agent of any such subsidiary or another corporation, savings and loan association, partnership, joint venture, trust, employee benefit plan or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Company unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 6.3 *Authorization of Indemnification.* Any indemnification under this Article VI (unless ordered by a court) shall be made by the Company only as authorized in the specific case as permitted by applicable law upon a determination that indemnification of the director, officer or employee is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 6.1 or Section 6.2, as the case may be. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders. To the extent, however, that a director, officer or employee has been successful on the

Table of Contents

merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith, without the necessity of authorization in the specific case.

Section 6.4 *Good Faith Defined.* For purposes of any determination under Section 6.3, a person shall be deemed to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe his conduct was unlawful, if his action is based on the records or books of account of the Company or another enterprise, or on information supplied to him by the officers of the Company or another enterprise in the course of their duties, or on the advice of legal counsel for the Company or another enterprise or on information or records given or reports made to the Company or another enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Company or another enterprise. The terms "*another enterprise*" or "*other enterprise*" as used in this Article VI shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which such person is or was serving at the request of the Company as a director, officer, employee or agent. The provisions of this Section 6.4 shall not be deemed to be exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in Section 6.1 or Section 6.2, as the case may be.

Section 6.5 *Indemnification by a Court.* Notwithstanding any contrary determination in the specific case under Section 6.3, and notwithstanding the absence of any determination thereunder, any director, officer or employee may apply to any court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under Section 6.1 and Section 6.2. The basis of such indemnification by a court shall be a determination by such court that indemnification of the director, officer or employee is proper in the circumstances because he has met the applicable standards of conduct set forth in Section 6.1 or Section 6.2, as the case may be. Neither a contrary determination in the specific case under Section 6.3 nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the director, officer or employee seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 6.5 shall be given to the Company promptly upon the filing of such application.

Section 6.6 *Expenses Payable in Advance.* Expenses incurred in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, officer or employee to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized in this Article VI.

Section 6.7 *Non-exclusivity of Indemnification and Advancement of Expenses.* The indemnification and advancement of expenses provided by or granted pursuant to this Article VI shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any Bylaw, agreement, contract, vote of stockholders or disinterested directors or pursuant to the direction (howsoever embodied) of any court of competent jurisdiction or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, it being the policy of the Company that indemnification of the persons specified in Section 6.1 and Section 6.2 shall be made to the fullest extent permitted by law. The provisions of this Article VI shall not be deemed to preclude the indemnification of any person who is not specified in Section 6.1 or Section 6.2 but whom the Company has the power or obligation to indemnify under the provisions of the General Corporation Law of the State of Delaware, or otherwise.

Section 6.8 **Insurance.** The Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, savings and loan association, partnership, joint venture, trust, employee benefit plan or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Company would have the power or the obligation to indemnify him against such liability under the provisions of this Article VI.

Section 6.9 **Certain Definitions.** For purposes of this Article VI, references to "the Company" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees, so that any person who is or was a director, officer or employee of such constituent corporation, or is or was a director, officer or employee of such constituent corporation or any direct or indirect wholly owned subsidiary of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of any such subsidiary or another corporation, savings and loan association, partnership, joint venture, trust, employee benefit plan or other enterprise, shall stand in the same position under the provisions of this Article VI with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued. For purposes of this Article VI, references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Company" shall include any service as a director, officer or employee of the Company which imposes duties on, or involves services by, such director, officer or employee with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the Company" as referred to in this Article VI.

Section 6.10 **Survival of Indemnification and Advancement of Expenses.** The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such a person.

**ARTICLE VII
CAPITAL STOCK**

Section 7.1 **Certificates for Shares.** Shares of the capital stock of the Company may be certificated or uncertificated, as provided under the General Corporation Law of the State of Delaware. Each stockholder, upon written request to the transfer agent or registrar of the Company, shall be entitled to a certificate representing the capital stock of the Company in such form as may from time to time be prescribed by the Board of Directors. Certificates representing shares of stock of each class shall be issued in consecutive order and shall be numbered in the order of their issue, shall be signed by, or in the name of, the Company by the Chairman of the Board, the President, or a Vice President and by the Secretary or an Assistant Secretary or the Treasurer or an Assistant Treasurer of the Company, and sealed with the seal of the Company, which may be by a facsimile thereof. Any or all such signatures may be facsimiles if countersigned by a transfer agent or registrar. Although any officer, transfer agent or registrar whose manual or facsimile signature is affixed to such a certificate ceases to be such officer, transfer agent or registrar before such certificate has been issued, it may nevertheless be issued by the Company with the same effect as if such officer, transfer agent or registrar were still such at the date of its issue. Absent a specific request for such a certificate by the registered owner or transferee thereof, all shares may be uncertificated upon the original issuance

thereof by the Company or upon surrender of the certificate representing such shares to the Company or its transfer agent.

The stock ledger and blank share certificates shall be kept by the Secretary or by a transfer agent or by a registrar or by any other officer or agent designated by the Board.

Section 7.2 *Transfer of Shares.* Transfers of shares of stock of each class of the Company shall be made only on the books of the Company by the holder thereof, or by such holder's attorney there unto authorized by a power of attorney duly executed and filed with the Secretary of the Company or a transfer agent for such stock, if any, and on surrender of the certificate or certificates for such shares properly endorsed or accompanied by a duly executed stock transfer power or other evidence of succession, assignment or authority to transfer and the payment of all taxes thereon. The person in whose name shares stand on the books of the Company shall be deemed the owner thereof for all purposes as regards the Company; provided, however, that whenever any transfer of shares shall be made for collateral security and not absolutely, and written notice thereof shall be given to the Secretary or to such transfer agent, such fact shall be stated in the entry of the transfer. No transfer of shares shall be valid as against the Company, its stockholders and creditors for any purpose, except to render the transferee liable for the debts of the Company to the extent provided by law, until it shall have been entered in the stock records of the Company by an entry showing from and to whom transferred.

Section 7.3 *Addresses of Stockholders.* Each stockholder shall designate to the Secretary or transfer agent of the Company an address at which notices of meetings and all other corporate notices may be served or mailed to such person, and, if any stockholder shall fail to designate such address, corporate notices may be served upon such person by mail directed to such person at such person's post office address, if any, as the same appears on the share record books of the Company or at such person's last known post office address.

Section 7.4 *Lost, Destroyed and Mutilated Certificates.* The holder of any share of stock of the Company shall immediately notify the Company of any loss, theft, destruction or mutilation of the certificate therefor. The Company may issue uncertificated shares, or if requested by the registered owner a new certificate or cause a new certificate to be issued, in place of any certificate theretofore issued by the Company alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate to be lost, stolen or destroyed. The Board of Directors, or a committee designated thereby, or the transfer agents and registrars for the stock, may, in their discretion, require the owner of the lost, stolen or destroyed certificate, or such person's legal representative, to give the Company a bond in such sum and with such surety or sureties as they may direct to indemnify the Company and said transfer agents and registrars against any claim that may be made on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate.

Section 7.5 *Regulations.* The Board of Directors may make such additional rules and regulations as it may deem expedient concerning the issue and transfer of certificates representing shares of stock of each class of the Company and may make such rules and take such action as it may deem expedient concerning the issue of certificates in lieu of certificates claimed to have been lost, destroyed, stolen or mutilated.

Section 7.6 *Fixing Date for Determination of Stockholders of Record.* In order that the Company may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournments thereof, or entitled to receive payment of any dividend or other distribution or allotment or any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action. A determination of stockholders entitled to notice of

or to vote at a meeting of the stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

**ARTICLE VIII
SEAL**

The Board of Directors shall provide a corporate seal, which shall be in the form of a circle and shall bear the full name of the Company and the words and figures "Corporate Seal Delaware", or such other words or figures as the Board of Directors may approve and adopt. The seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any other manner reproduced. Unless otherwise provided in these Bylaws or by law, it shall not be mandatory that the corporate seal or its facsimile be impressed or affixed on any document executed on behalf of the Company.

**ARTICLE IX
FISCAL YEAR**

The fiscal year of the Company shall end at the close of business on December 31 in each year.

**ARTICLE X
WAIVER OF NOTICE**

Whenever any notice whatsoever is required to be given by these Bylaws, by the Certificate of Incorporation of the Company or by law, the person entitled thereto may, either before or after the meeting or other matter in respect of which such notice is to be given, waive such notice in writing, which writing shall be filed with or entered upon the records of the meeting or the records kept with respect to such other matter, as the case may be, and in such event such notice need not be given to such person and such waiver shall be deemed equivalent to such notice.

**ARTICLE XI
AMENDMENTS**

Except as otherwise provided in the Certificate of Incorporation of the Company, any Bylaw (other than this Bylaw) may be adopted, repealed, altered or amended by a majority of the entire Board of Directors at any meeting thereof, provided that such proposed action in respect thereof shall be stated in the notice of such meeting and any such action by the Board of Directors shall be effective without the necessity for any approval or ratification by the stockholders of the Company.

**ARTICLE XII
MISCELLANEOUS**

Section 12.1 *Execution of Documents.* The Board of Directors shall designate the officers, employees and agents of the Company who shall have power to execute and deliver deeds, contracts, mortgages, bonds, debentures, checks, drafts and other orders for the payment of money and other documents for and in the name of the Company and may authorize such officers, employees and agents to delegate such power (including authority to redelegate) by written instrument to other officers, employees or agents of the Company. Such delegation may be by resolution or otherwise and the authority granted shall be general or confined to specific matters, all as the Board may determine. In the absence of such designation referred to in the first sentence of this Section, the officers of the Company shall have such power so referred to, to the extent incident to the normal performance of their duties.

Section 12.2 *Deposits.* All funds of the Company not otherwise employed shall be deposited from time to time to the credit of the Company or otherwise as the Board of Directors or any officer of the Company to whom power in that respect shall have been delegated by the Board shall select.

(iii) use its reasonable best efforts to keep such registration statement effective until (A) with respect to a registration statement filed pursuant to *Section 5.1* hereof, such time as all of such Registrable Securities subject thereto shall have been disposed of in accordance with such registration statement and (B) with respect to any other registration statement, the date that is 45 days after the date such registration statement is initially declared effective (or such shorter period as shall terminate when all of the securities covered by the registration statement have been disposed or withdrawn, or if such registration statement relates to an Underwritten Offering, such longer period as, in the opinion of counsel for the underwriters

for such offering, a prospectus is required under the Securities Act to be delivered in connection with sales of Registrable Securities by an underwriter or dealer (but not in excess of 90 days) (the "*Effective Period*"), prepare and file with the SEC such amendments, post-effective amendments and supplements to the registration statement and the prospectus as may be necessary to maintain the effectiveness of the registration for the Effective Period) and cause the prospectus (and any amendments or supplements thereto) to be filed with the SEC;

(vii) during the Effective Period, use its reasonable best efforts to obtain, as promptly as reasonably practicable, the withdrawal of any order enjoining or suspending the use or effectiveness of the registration statement or any post-effective amendment thereto or the lifting of any suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction at the earliest date reasonably practicable;

(viii) use its reasonable best efforts to deliver promptly to the Stockholder and the managing underwriters, if any, copies of all correspondence between the SEC and the Company, its counsel or its auditors and all memoranda relating to discussions with the SEC or its staff with respect to the registration statement (except to the extent such correspondence is currently available via EDGAR) and permit the Stockholder to do such investigation with respect to information contained in or omitted from the registration statement as it deems reasonably necessary for the purpose of conducting due diligence with respect to the Company;

(ix) use its reasonable best efforts to, as promptly as reasonably practicable, provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such registration statement not later than the effective date of such registration statement;

(x) use its reasonable best efforts to cooperate with the Stockholder and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing the Registrable Securities to be sold under the registration statement in a form eligible for deposit with the Depository Trust Corporation not bearing any restrictive legends (other than as required by the Depository Trust Corporation) and not subject to any stop transfer order with any transfer agent, and cause such Registrable Securities to be issued in such denominations and registered in such names as the managing underwriters, if any, may request in writing or, if not an Underwritten Offering, in accordance with the instructions of the Stockholder, in each case at least two Business Days prior to any sale of Registrable Securities;

(xv) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the SEC and any applicable national securities exchange; and

(xvi) comply with the requirements of Rule 144(c)(1) with respect to public information about the Company.

(b) In the event that the Company would be required, pursuant to *Section 5.7(a)(vi)(E)*, to notify the Stockholder or the managing underwriter or underwriters, if any, of the happening of any event specified therein, the Company shall, subject to *Section 5.3(b)*, as promptly as practicable, prepare and furnish to the Stockholder and to each such underwriter a reasonable number of copies of a supplement or amendment to the applicable registration statement, prospectus or prospectus supplement so that, as thereafter delivered to purchasers of Registrable Securities that have been registered pursuant to this Agreement, such prospectus shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Stockholder agrees that, upon receipt of any notice from the Company pursuant to *Section 5.7(a)(vi)(E)*, it shall, and shall use its reasonable best efforts to, cause any sales or placement agent or agents for the Registrable Securities and the underwriters, if any, to forthwith discontinue disposition of the Registrable Securities until such Person shall have received copies of such amended or supplemented prospectus and, if so directed by the Company, to destroy all copies, other than permanent file copies, then in its possession of the prospectus (prior to such amendment or supplement) covering such Registrable Securities as soon as practicable after the Stockholder's receipt of such notice.

(c) If requested by the managing underwriter for an Underwritten Offering (primary or secondary) of any equity securities of the Company, the Stockholder agrees not to effect any Transfer of any Registrable Securities, including any sale pursuant to Rule 144 under the Securities Act, and not to effect any Transfer of any other equity security of the Company (in each case, other than as part of such underwritten public offering) during the ten days prior to, and during the 90-day period (or such longer period as the Stockholder agrees with the underwriter of such offering) beginning on, the consummation of any underwritten public offering covered by a registration statement referred to in *Section 5.4*.

(d) The Stockholder shall furnish to the Company in writing such information regarding the Stockholder and its Subsidiaries and their intended method of distribution of the Registrable Securities as the Company may from time to time reasonably request in order for the Company to comply with its obligations under all applicable securities and other laws and to ensure that the prospectus relating to such Registrable Securities conforms to the applicable requirements of the Securities Act and the rules and regulations thereunder, and such other information reasonably requested by the Company in connection with the performance of its obligations hereunder. The Stockholder shall promptly notify the Company of any inaccuracy or change in information previously furnished by the Stockholder or its Subsidiary to the Company or of the occurrence of any event, in either case as a result of which any prospectus relating to the Registrable Securities contains or would contain an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly furnish to the Company any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(e) In the case of any Underwritten Offering pursuant to a Takedown Prospectus Supplement or a Demand Registration Statement, or in the case of a registration under *Section 5.4* if the

Company has entered into an underwriting agreement in connection therewith, all shares of Common Stock to be included in such offering or registration, as the case may be, shall be subject to the applicable underwriting agreement and no Person may participate in such offering or registration unless such Person agrees to sell such Person's securities on the basis provided therein and completes and executes all questionnaires, indemnities, underwriting agreements and other documents (other than powers of attorney) which must be executed in connection therewith, and provides such other information to the Company or the underwriter as may be reasonably requested to offer or register such Person's Common Stock.

Section 5.8 *Registration Expenses.* In connection with registrations pursuant to *Section 5.1*, *Section 5.2* or *Section 5.4* hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder (the "*Registration Expenses*"), including all (a) registration and filing fees and expenses, including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by the Stockholder and its Subsidiaries, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with the Financial Industry Regulatory Authority, Inc., (h) documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (j) fees and expenses of any special experts retained by the Company in connection with such registration, and (k) reasonable and documented fees and expenses of one firm acting as counsel to the Stockholder, which fees and expenses shall not exceed \$500,000 aggregated for all registrations effected pursuant to this Agreement. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the stockholders of the Company relating to the registrations effected pursuant to this Agreement. The obligation of the Company to bear the expenses described in this *Section 5.8* and to pay or reimburse the Stockholder and its Subsidiaries for the expenses described in this *Section 5.8* shall apply irrespective of whether any sales of Registrable Securities ultimately take place, other than if a Takedown Request or Demand Registration is revoked as set forth in *Section 5.3(a)*. For the avoidance of doubt, the Stockholder and its Subsidiaries shall bear and pay all underwriting discounts and commissions applicable to the Registrable Securities sold pursuant to this Agreement.

Section 5.9 *Indemnification; Contribution.*

(a) The Company shall, and it hereby agrees to, indemnify and hold harmless the Stockholder, the Stockholder's Subsidiaries and their controlling Persons, if any, in any offering or sale of the Registrable Securities, including pursuant to *Section 5.1*, *Section 5.2* or *Section 5.4*, against any losses, claims, damages or liabilities, actions or proceedings (whether commenced or threatened) in respect thereof and expenses (including reasonable actual out-of-pocket fees of counsel) (collectively, "*Claims*") to which each such indemnified party may become subject, insofar as such Claims (including any amounts paid in settlement effected with the consent of the Company as provided herein), or actions or proceedings in respect thereof, arise out of, relate to, are in connection with, or are based upon an untrue statement or alleged untrue statement of a

material fact contained in any registration statement, or any preliminary or final prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or arise out of, relate to, are in connection with, or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and the Company shall, and it hereby agrees to, reimburse periodically the Stockholder and its Subsidiaries for any actual and documented out-of-pocket legal or other actual and documented out-of-pocket expenses reasonably incurred by them in connection with investigating or defending any such Claims; *provided, however*, that the Company shall not be liable to any such Person in any such case to the extent that any such Claims arise out of, relate to, are in connection with, or are based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary or final prospectus, or amendment or supplement thereto, in reliance upon information furnished to the Company by the Stockholder, any of its Subsidiaries, any underwriter or any Representative of the Stockholder, expressly for use therein, or by the Stockholder's failure to furnish the Company, upon request, with the information with respect to the Stockholder or its Subsidiaries, or any underwriter or Representative of the Stockholder, or the Stockholder's or its Subsidiary's intended method of distribution, that is the subject of the untrue statement or omission.

(b) The Stockholder shall, and hereby agrees to, (i) indemnify and hold harmless the Company, its directors, officers, employees and controlling Persons, if any, and each underwriter, its partners, officers, directors, employees and controlling Persons, if any, in any offering or sale of Registrable Securities against any Claims to which each such indemnified party may become subject, insofar as such Claims (including any amounts paid in settlement as provided herein), or actions or proceedings in respect thereof, arise out of, relate to, are in connection with, or are based upon an untrue statement or alleged untrue statement of a material fact contained in any registration statement, or any preliminary or final prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or arise out of, relate to, are in connection with, or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Stockholder expressly for use therein, and (ii) reimburse the Company for any actual and documented out-of-pocket legal or other out-of-pocket expenses reasonably incurred by the Company in connection with investigating or defending any such Claim.

(c) The Stockholder and the Company agree that if, for any reason, the indemnification provisions contemplated by *Section 5.9(a)* or *Section 5.9(b)* are unavailable to or are insufficient to hold harmless an indemnified party in respect of any Claims referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such Claims in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, with respect to the applicable offering of securities. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. If, however, the allocation in the first sentence of this *Section 5.9(c)* is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative fault, but also the relative benefits of the indemnifying party and the indemnified party, as

well as any other relevant equitable considerations. The parties hereto agree that it would not be just and equitable if contributions pursuant to this *Section 5.9(c)* were to be determined by *pro rata* allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the preceding sentences of this *Section 5.9(c)*. The amount paid or payable by an indemnified party as a result of the Claims referred to above shall be deemed to include (subject to the limitations set forth in *Section 5.10*) any actual and documented out-of-pocket legal or other out-of-pocket fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action, proceeding or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

Section 5.10 *Indemnification Procedures.*

(a) If an indemnified party shall desire to assert any claim for indemnification provided for under *Section 5.9* in respect of, arising out of or involving a Claim against the indemnified party, such indemnified party shall notify the Company or the Stockholder, as the case may be (the "*Indemnifying Party*"), in writing of such Claim, the amount or the estimated amount sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Claim), any other remedy sought thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a "*Claim Notice*") promptly after receipt by such indemnified party of written notice of the Claim; *provided, however*, that failure to provide a Claim Notice shall not affect the indemnification obligations provided hereunder except to the extent the Indemnifying Party shall have been materially prejudiced as a result of such failure. The indemnified party shall deliver to the Indemnifying Party, promptly after the indemnified party's receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Claim; *provided, however*, that failure to provide any such copies shall not affect the indemnification obligations provided hereunder except to the extent the Indemnifying Party shall have been materially prejudiced as a result of such failure.

(b) If a Claim is made against an indemnified party, the Indemnifying Party will be entitled to participate in the defense thereof and, if it so chooses and acknowledges without reservation its obligation to indemnify the indemnified party therefore, to assume the defense thereof with separate counsel selected by the Indemnifying Party and reasonably satisfactory to the indemnified party. Should the Indemnifying Party so elect to assume the defense of a Claim, the Indemnifying Party will not be liable to the indemnified party for legal expenses subsequently incurred by the indemnified party in connection with the defense thereof, unless the Claim involves potential conflicts of interest or substantially different defenses for the indemnified party and the Indemnifying Party. If the Indemnifying Party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense (except as provided in the immediately preceding sentence), separate from the counsel employed by the Indemnifying Party. The Indemnifying Party shall be liable for the actual and documented out-of-pocket fees and expenses of counsel reasonably incurred by the indemnified party for any period during which the Indemnifying Party has not assumed the defense thereof and as otherwise contemplated by the two immediately preceding sentences. If the Indemnifying Party chooses to defend any Claim, the other party shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the Indemnifying Party's request) the provision to the Indemnifying Party of records and information that are reasonably relevant to such Claim, and use of reasonable efforts to make employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the Indemnifying Party shall have assumed the defense of a Claim, the indemnified party shall

not admit any liability with respect to, or settle, compromise or discharge, such Claim without the Indemnifying Party's prior written consent. The Indemnifying Party may pay, settle or compromise a Claim without the written consent of the indemnified party, so long as such settlement (i) includes an unconditional release of the indemnified party from all liability in respect of such Claim, (ii) does not subject the indemnified party to any injunctive relief or other equitable remedy, and (iii) does not include a statement or admission of fault, culpability or failure to act by or on behalf of any indemnified party.

Section 5.11 *Lock-Up Period Transferees.* In the event of a Transfer of Purchaser Shares to a Lock-Up Period Transferee, the Company shall, concurrently with such Transfer, enter into a reasonable and customary registration rights agreement with such Lock-Up Period Transferee upon the same terms and conditions as set forth in this *Article V*.

ARTICLE VI

PRE-EMPTIVE RIGHTS

Section 6.1 *Pre-Emptive Rights.*

(a) The Stockholder and/or any one or more of its Subsidiaries designated by the Stockholder shall have the option and right (but not the obligation) to participate in any Equity Issuance by purchasing up to the Stockholder's and such Subsidiaries' Pro Rata Portion of such Equity Issuance at the Equity Issuance Price and otherwise upon the same terms and conditions as offered to other investors in the Equity Issuance. The Company shall take any and all actions, or cause such actions to be taken, as are necessary or appropriate to allow the Stockholder and/or its Subsidiaries, as applicable, to participate fully in every Equity Issuance in accordance with the provisions of this Agreement, subject to compliance with applicable law and the listing standards of the NYSE or such other stock exchange upon which the Common Stock is listed.

(b) In the event the Company proposes to undertake an Equity Issuance, the Company shall, at least 15 Business Days (or in the case of an Equity Issuance pursuant to an underwritten offering, two Business Days) prior to the proposed Equity Issuance, give the Stockholder written notice of its intention, describing the type of equity interests, the price at which such securities are proposed to be issued (or, in the case of an underwritten or a privately placed offering in which the price is not known at the time the notice is given, the method of determining the price and an estimate thereof), and the general terms and conditions upon which the Company proposes to effect the Equity Issuance. The Stockholder and its Subsidiaries shall have 15 Business Days (or in the case of an Equity Issuance pursuant to an underwritten offering, two Business Days) from the date the Stockholder receives notice of the proposed Equity Issuance to elect to purchase their Pro Rata Portion of such Equity Issuance for the consideration and upon the terms specified in the notice by giving written notice to the Company and stating therein the quantity of equity interests to be so purchased.

(c) In the event that neither the Stockholder nor any of its Subsidiaries exercise the right set forth in *Section 6.1(b)* above within the applicable period set forth therein, the Company shall have 90 days thereafter to sell the equity interests in respect of which such pre-emptive rights were not exercised, at a price and upon general terms not materially more favorable to the purchasers thereof than specified in the Company's notice to the Stockholder (and in no event at a price less than the price specified in such notice). In the event that the Company has not sold the equity interests within such 90-day period, the Company shall not thereafter issue or sell any equity interests without first again offering the applicable Pro Rata Portion of such securities to the Stockholder and its Subsidiaries in the manner provided in this *Section 6.1*.

WAIVER OF CORPORATE OPPORTUNITIES

Section 7.1 *Waiver of Corporate Opportunities.* The Company acknowledges that the Stockholder and its Affiliates own and/or manage other businesses, including businesses that may compete with the Company or the other stockholders. Except as otherwise provided in this Agreement, without any accountability to the Company or any stockholder by virtue of this Agreement:

(a) the Stockholder and its Affiliates, and their respective officers, directors, shareholders, partners, stockholders, agents and employees (collectively, the "*Corporate Opportunities Group*"), shall not in any way be prohibited or restricted from engaging or investing in, independently or with others, any business opportunity of any type or description;

(b) subject to the proviso in *Section 7.1(c)*, the Company shall not have any right in or to such other business opportunities of the Stockholder or any Person in the Corporate Opportunities Group or to the income or proceeds derived therefrom; and

(c) neither the Stockholder nor any Person in the Corporate Opportunities Group shall be obligated to present any business opportunity to the Company or any other stockholder, even if the opportunity is of the character that, if presented to the Company, could be taken by the Company, or if presented to any other stockholder, could be taken by such stockholder; *provided* that with respect to any business opportunity that is offered in writing (including by e-mail or other electronic transmission) to any officer or director of the Company (or any of its Affiliates) who is also an officer, director or employee of Stockholder (or any of its Affiliates) which business opportunity is expressly offered to such individual in (and as a direct result of) his or her capacity as a director or officer of the Company (or any of its Affiliates), such business opportunity shall not be taken by Stockholder (or its Affiliate) without the approval of a majority of the Independent Directors.

ARTICLE VIII

MISCELLANEOUS

Section 8.1 *Injunctive Relief.* Each party hereto acknowledges that it would be impossible to determine the amount of damages that would result from any breach of any of the provisions of this Agreement and that the remedy at law for any breach, or threatened breach, of any of such provisions would likely be inadequate and, accordingly, agrees that the other party shall, in addition to any other rights or remedies which it may have, be entitled to such equitable and injunctive relief as may be available from any court of competent jurisdiction to compel specific performance of, or restrain any party from violating, any of such provisions. In connection with any action or proceeding for injunctive relief, each party hereto hereby waives the claim or defense that a remedy at law alone is adequate and agrees, to the maximum extent permitted by law, to have each provision of this Agreement specifically enforced against it, without the necessity of posting bond or other security against it, and consents to the entry of Injunctive relief against it enjoining or restraining any breach or threatened breach of such provisions of this Agreement.

Section 8.2 *Assignment.* This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, heirs, legal representatives and permitted assigns. Neither party may directly or indirectly assign any of its rights or delegate any of its obligations under this Agreement, by operation of law or otherwise, without the prior written consent of the other party other than (a) in connection with a change in control of the Stockholder or to any successor of the Company; and (b) by the Stockholder in whole or in part, to one or more of its Subsidiaries, so long as the Stockholder remains liable for its obligations as contained herein. Any purported direct or indirect assignment in violation of this *Section 8.2* shall be null and void *ab initio*.

Section 8.3 *Amendments; Waiver.* No amendment, modification or discharge of this Agreement, and no waiver hereunder, and no extension of time for the performance of any of the obligations hereunder, shall be valid or binding unless set forth in writing and duly executed by (a) the Company where enforcement of the amendment, modification, discharge, waiver or extension is sought against the Company or (b) the Stockholder where enforcement of the amendment, modification, discharge, waiver or extension is sought against the Stockholder. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the party granting such waiver in any other respect or at any other time. The waiver by the Company or the Stockholder of a breach of, or a default under, any of the provisions hereof, or to exercise any right or privilege hereunder, shall not be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. Except as expressly provided in this Agreement, the rights and remedies herein provided are cumulative and none is exclusive of any other, or of any rights or remedies that any party may otherwise have at law or in equity.

Section 8.10 *Severability.* The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision; and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or

ARTICLE II

SOURCING; SALE AND PURCHASE OF LOTS

Section 2.1 **Sourcing.** During the Term, Supplier will present to Buyer all Lot development opportunities that Supplier desires to acquire and develop that have been approved or conditionally approved by the Company's Investment Committee (as that term is defined in the Stockholder's Agreement), excluding any Excluded Opportunities (a "**Supplier Sourced Opportunity**"), and Buyer shall have the right, but not the obligation, to present Supplier with Lot development opportunities that Buyer desires to acquire for development (if presented to Supplier, a "**Buyer Sourced Opportunity**"). Unless the Parties agree otherwise, this Agreement will not govern, and Buyer will not have any rights with respect to (a) any opportunities, developments or ventures owned, under contract, the subject of a letter of intent or otherwise being pursued, by Supplier, as of the Effective Time, or (b) any opportunities presented to Supplier by a third-party builder (individually, an "**Excluded Opportunity**", and collectively, the "**Excluded Opportunities**").

Section 2.2 **Collaboration, Evaluation and Contract Rights.** Supplier and Buyer will collaborate regarding all Supplier Sourced Opportunities and all Buyer Sourced Opportunities, after considering current and future market conditions and dynamics. If the Parties agree to pursue a Supplier Sourced Opportunity or a Buyer Sourced Opportunity, such agreement will be evidenced by a mutually agreed upon written development plan prepared at the direction of the Company's Investment Committee (a "**Development Plan**") addressing, among other things, the number, size, layout and projected price of Lots, phasing, timing, amenities and entitlements, and will be referred to herein as a "**Supplier Sourced Development**" or a "**Buyer Sourced Development**", as the case may be. Buyer or its Affiliates will have (a) a right of first offer ("**ROFO**") to buy up to fifty percent (50%) of the Lots in the first phase (and in any subsequent phase in which Buyer purchased at least twenty-five percent (25%) of the Lots in the previous phase) in each Supplier Sourced Development and (b) the right to purchase up to one hundred percent (100%) of the Lots in each Buyer Sourced Development, at the then current fair market price and terms per Lot, as mutually agreed to by the Parties. All Lots in a Supplier Sourced Development in which a Buyer participates as a buyer will be equitably allocated among Buyer and any other builders in each phase taking into consideration the location, size and other attributes associated with the Lots. The agreement evidencing the ROFO for the Lots in the Supplier Sourced Development (the "**ROFO Agreement**"), and the purchase and sale agreement for the Lots in the Buyer Sourced Agreement (the "**PSA**"), will be negotiated, finalized and executed as a part of the Development Plan, and in all events the Development Plan will be finalized, and the ROFO Agreement will be negotiated, finalized and executed, prior to the expiration of the feasibility period in any contract to acquire a Supplier Sourced Development. Buyer will assign to Supplier on an "as-is", "where-is basis" the contract to acquire a Buyer Sourced Development after the finalization of the Development Plan and PSA for such Buyer Sourced Development.

ARTICLE III

Annex D

The Board of Directors
Forestar Group Inc.
6300 Bee Cave Road
Building Two, Suite 500
Austin, Texas 78746-5149
Dear Board of Directors:

We understand that Forestar Group Inc. ("Forestar") is contemplating a merger of Forestar and Force Merger Sub, Inc. ("Merger Sub" and, such merger, the "Transaction"), a wholly owned subsidiary of D.R. Horton, Inc. ("D.R. Horton"), with Forestar as the surviving entity in the Transaction (the "Surviving Entity" or "New Forestar"), on the terms and subject to the conditions set forth in the Agreement (as defined below). We also understand that the Agreement provides that, by virtue of the Transaction, each outstanding share of the common stock, par value \$1.00 per share, of Forestar ("Forestar Common Stock"), other than shares held by Forestar, D.R. Horton or their respective subsidiaries and Dissenting Shares (as defined in the Agreement), will be converted into the right to receive, at the election of the holder thereof (subject to proration and allocation as set forth in the Agreement, as to which we express no opinion), either (i) \$17.75 in cash (the "Cash Consideration"), or (ii) one newly-issued share of the common stock, par value \$1.00 per share, of the Surviving Entity ("New Forestar Common Stock" and, such newly-issued share, the "Stock Consideration"); provided, however, that the Agreement provides that the aggregate amount of Cash Consideration will equal \$558,256,373 and the remaining consideration will be in the form of the Stock Consideration. The aggregate Cash Consideration and the aggregate Stock Consideration to be received by the holders of Forestar Common Stock (other than D.R. Horton and its affiliates) in the Transaction are referred to herein as the "Aggregate Merger Consideration." We further understand that, by virtue of the Transaction, D.R. Horton will hold shares of New Forestar Common Stock representing an approximate 75% pro forma equity ownership interest in New Forestar immediately following the consummation of the Transaction.

The Board of Directors of Forestar (the "Board") (i) will be considering certain financial aspects of the Transaction, among other matters, prior to deciding whether or not to approve the execution and delivery of the Agreement and (ii) has requested our opinion as to whether the Aggregate Merger Consideration to be received by the holders of Forestar Common Stock (other than D.R. Horton and its affiliates) in the Transaction is fair, from a financial point of view, to such holders.

For purposes of our opinion, we have:

1. reviewed the financial terms and conditions of the Agreement and Plan of Merger executed by D.R. Horton and Merger Sub on June 23, 2017 and to be executed by Forestar on June 28, 2017 (the "Agreement");
2. reviewed certain publicly available business and financial information relating to Forestar, including Forestar's audited financial statements for the years ended December 31, 2016, 2015 and 2014;
3. reviewed certain financial projections provided to us by Forestar relating to Forestar and its community development projects, as well as to the estimated sale value of Forestar's multifamily assets, and certain other historical and current financial and business information provided to us by Forestar, including purchase price information from certain letters of intent and draft purchase agreements as well as certain third party appraisals provided to us by Forestar relating to certain other real estate assets of Forestar;

SECTION 262 OF THE DGCL

§ 262. Appraisal rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior

to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable, with the word "amendment" substituted for the words "merger or consolidation," and the word "corporation" substituted for the words "constituent corporation" and/or "surviving or resulting corporation."

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d), (e), and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be

Table of Contents

sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein

stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the merger or consolidation the shares of the class or series of stock of the constituent corporation as to which appraisal rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless (1) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of the class or series eligible for appraisal, (2) the value of the consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to § 253 or § 267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal

Table of Contents

proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
