Attention: Gregory N. Bressler, Secretary

Re: SunAmerica Focused Alpha Growth Fund, Inc. (NYSE: FGF)

Mr. Bressler:

Our firm, Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus") represents beneficial ownership of 863,277 shares or 4.24% of the outstanding shares of SunAmerica Focused Alpha Growth Fund, Inc. ("FGF" or the "Fund"). We write to you to express our displeasure with respect to the poor management of the Fund's discount. As I am sure you are aware, in its prospectus, the Fund promised it would at least consider repurchases or tenders in an attempt to reduce or eliminate a market value discount from net asset value. The prospectus states: "The fund's board of directors currently contemplates that the fund, at least once each year, may consider repurchasing the common stock in the open market or in private transactions, or tendering for shares, in an attempt to reduce or eliminate a market value discount from net asset value, if one should occur." To date, there is no evidence that such measures have been examined or implemented. Currently, the discount of the Fund is just over 12% and, according to Bloomberg data, even though the Fund is just over 2 years old, its discount history is as follows:

<u>Yearly Average Daily Discount</u>	
2005 (from inception)	-5.26%
2006	-11.99%
2007 (YTD)	-14.4%
SINCE INCEPTION:	-10.72%

Our company firmly believes that the closed-end format is superior to the open-end format. However, discounts must be managed; especially when provisions are included in a fund's prospectus specifically designed to do so. In our view, lifeboat provisions are included to protect shareholders, not to be a token measure to give shareholders a false sense of Board/management accountability. Despite the implementation of a distribution policy, the Fund has traded at a historically wide discount. We believe that the Board must honor its stated safeguards and take proactive steps toward enhancing shareholder value. There are various methods which may be employed to manage discounts. We would hope that the fund closely examines these various alternatives and implements the requisite and necessary solution as it sees fit. Thank you for your consideration.

Sincerely,

/s/
