## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The number of underlying securities is based on the stock fund balance on October 31, 2007. The actual number of shares issuable upon the distribution date is not determinable since the stock fund is a unitized account consisting of 96% company stock and 4% money market fund. The stock account balance reflected in this report is based on a October 31, 2007, stock fund price of \$43.72 per share.

(2) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.

(3) The phantom stock units were accrued under the Johnson Controls Annual Incentive Plan and are to be settled 100% in cash upon the reporting person's termination of employment with the company.

(4) The phantom stock units were accrued under the Johnson Controls Equalization 401(k) Benefit Plan and are to be settled 100% in cash upon the reporting person's termination of employment with the company. Phantom stock units accrue in the plan through monthly payroll deductions once the limit has been reached in the 401(k) Plan. The Equalization Plan mirrors the company's broad-based 401(k) Plan.

(5) Includes 40.076 of phantom stock units that were acquired through payroll deductions. The plan mirrors the company's 401(k) plan.

(6) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. The restricted stock units were accrued under the Johnson Controls Restricted Stock Plan and will be paid to the reporting person upon termination of employment with the company, pending vesting.

(7) Award of a restricted stock grant. Fifty percent vests in two years and the balance after four years, contingent upon continued employment with the company. Reporting person elected to defer receipt.

(8) Fifty percent of the options vest after two years and the remaining 50% vests after three years.

(9) On October 2, 2007, the common stock of Johnson Controls Inc., split 3-for-1, resulting in the reporting person's ownership of 32,000 additional option shares of common stock. The original grant price was \$71.895.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
