ANNUAL MEETING OF SHAREHOLDERS
FOR THE FISCAL YEAR ENDED MARCH 31, 2007
TO BE HELD ON NOVEMBER 29, 2007 AT 1:00 PM (MACAO TIME)

GENERAL

This Proxy Statement is being furnished to the shareholders of Bonso Electronics International Inc. ("Bonso" or the "Corporation") in connection with the solicitation of proxies by the Board of Directors of the Corporation (the "Board of Directors") from the shareholders of the Corporation ("Shareholders") for use at the Annual Meeting of Shareholders to be held at 1:00 p.m., Macao time, on November 29, 2007, at Room 510, Milan of The Venetian Macao-Resort-Hotel Taipa Island, Macao, China, and any adjournments or postponements thereof (the "Meeting").

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

A Notice of Internet Availability of Proxy Materials (the "Internet Notice") for the Annual Meeting for the fiscal year ended March 31, 2007 will be mailed on or about October 26, 2007, to all record and beneficial owners entitled to notice of and to vote at the Meeting (the "Internet Notice"). The Internet Notice contains information concerning the Internet availability of the proxy materials and the Company's Annual Report on Form 20-F for the year ended March 31, 2007 ("Annual Report").

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on October 19, 2007 (the "Record Date"), are entitled to notice of and to vote the shares of Common Stock of the Corporation held by them on such date at the Meeting. As of the Record Date, 5,577,639 shares of Common Stock were outstanding. There was no other class of voting securities outstanding at that date. Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Meeting.

The presence, in person or by proxy, of the holders of one-third of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business. Assuming that a quorum is present, in the election of directors, the five nominees receiving the highest number of affirmative votes will be elected. Accordingly, abstentions and broker "non-votes" will have no effect in determining which nominees have been elected directors. Assuming that a quorum is present, the ratification of the selection of PricewaterhouseCoopers as the Corporation's public accountants for the fiscal year ending March 31, 2008 will require the affirmative vote of a majority of the shares of the Corporation's Common Stock present in person or represented by proxy at the Annual Meeting. As a result, abstentions and broker "non-votes" will have the effect of a vote against the ratification of the selection of PricewaterhouseCoopers.

If the accompanying Proxy Card is properly signed and returned to the Corporation and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card will vote

3

"FOR" each of the five director nominees named in this Proxy Statement and "FOR the ratification of the selection of PricewaterhouseCoopers as the Corporation's independent public accountants for the fiscal year ending March 31, 2008. The Company's executive officers and directors have advised the Company that they intend to vote their shares 2,280,877 (including those shares over which they hold voting power), representing approximately 41.5% as of August 21, 2007, of the outstanding shares of Common Stock, in favor of each of the proposals above.

Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Corporation prior to the Meeting, or by execution and delivery of a subsequent Proxy, or by voting again at a later date on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the meeting will be counted, or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall be cast pursuant to the authority conferred by such Proxy.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Corporation.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Corporation to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

Compensation Pursuant to Options to Purchase Common Stock

Stock Option and Bonus Plans

The 1996 Stock Option Plan

In October 1996, our stockholders adopted the 1996 Stock Option Plan (the "Employees' Plan") which provides for the grant of options to purchase an aggregate of not more than 400,000 shares of our common stock. In January 2000, our shareholders approved the proposal of the Board of Directors to increase from 400,000 to 900,000 in the aggregate the number of options to purchase common stock under the Employees' Plan. The purpose of the Employees' Plan is to make options available to management and employees in order to encourage them to secure or increase on reasonable terms their stock ownership and to encourage them to remain with the Company.

The Employees' Plan is administered by a committee appointed by the Board of Directors which determines the persons to be granted options under the Employees' Plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

may be exercisable more than ten years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of common stock. No options granted under the Employee Plan are transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable during the lifetime of the optionee, only by such optionee

The exercise price of an option granted pursuant to the Employees' Plan may be paid in cash, by the surrender of options, in common stock, in other property, including the optionee's promissory note, or by a combination of the above, at our discretion.

The 1996 Non-Employee Directors' Stock Option Plan

In October 1996, our stockholders adopted the 1996 Non-Employee Directors' Stock Option Plan (the "Non-Employee Directors' Plan") which provides for the grant of options to purchase an aggregate of not more than 100,000 shares of common stock. In January 2000, our shareholders approved the proposal of the Board of Directors to increase from 100,000 to 600,000 in the aggregate the number of options to purchase common stock under the Non-Employee Directors' Plan.

On November 16, 2006, the Board of Directors of the Company voted to rescind the Company's 1996 Non-Employee Directors' Stock Option Plan (the "Non-Employee Directors' Plan"). All options previously granted under the Non-Employee Directors' Plan continue in full force and effect pursuant to their terms of grant.

During the fiscal year ended March 31, 2007, no options were granted under the 1996 Non-Employee Directors' Plan.

The 2004 Stock Option Plan

On March 23, 2004, our stockholders adopted the 2004 Stock Option Plan (the "2004 Plan") which provides for the grant of up to six hundred thousand (600,000) shares of the Company's common stock in the form of stock options, subject to certain adjustments as described in the 2004 Plan.

The purpose of the 2004 Plan is to secure key employees to remain in the employ of the Company and to encourage such employees to secure or increase on reasonable terms their common stock ownership in the Corporation. The Company believes that the 2004 Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Company.

The 2004 Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of who shall be a non-employee of the Company. The committee members currently are Anthony So and Woo Ping Fok. The committee determines the specific terms of the options granted, including the employees to be granted options under the plan, the number of shares subject to each option grant, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of common stock. No options granted under the plan will be transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 2004 Plan may be

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

paid in cash, by the surrender of options, in common stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the Committee.

As of March 31, 2007, no shares option had been granted under the Stock Bonus Plan.

The 2004 Stock Bonus Plan

On September 7, 2004, our stockholders adopted the 2004 Stock Bonus Plan (the "Stock Bonus Plan") which authorizes the issuance of up to five hundred thousand (500,000) shares of the Corporation's Common Stock in the form of stock a stock bonus.

The purpose of this Stock Bonus Plan is to: (i) induce key employees to remain in the employ of the Corporation, or of any subsidiary of the Corporation; (ii) encourage such employees to secure or increase their stock ownership in the Corporation; and (iii) reward employees, non-employee directors, advisors and consultants for services rendered or to be rendered to or for the benefit of the Corporation, or any of its subsidiaries. The Corporation believes that Stock Bonus Plan will promote continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The Stock Bonus Plan shall be administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of who shall be a non-employee of the Corporation. The Committee members currently are Anthony So and Woo Ping Fok. The Committee has the authority, in its sole discretion: (i) to determine the parties to receive bonus stock, the times when they shall receive such awards, the number of shares to be issued, and the time, terms and conditions of the issuance of any such shares; (ii) to construe and interpret the terms of the Stock Bonus Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Stock Bonus Plan; and (iv) to make all other determinations necessary or advisable for administering the Stock Bonus Plan.

As of March 31, 2007, no shares had been granted under the Stock Bonus Plan.

CERTAIN TRANSACTIONS

Over the years, the Corporation has provided to and received cash advances from its officers and directors. In October 1994, the Board of Directors adopted a policy prohibiting the Corporation from making any loan or advance of money or property, or guaranteeing the obligation of any directors of the Corporation, and limiting the Corporation's ability to make such loans, advances or guarantees to officers of the Corporation or its subsidiaries unless a majority of independent, disinterested outside directors determine that such loan, advance or guarantee may reasonably be expected to benefit the Corporation. Further, all future material affiliated transactions, loans and loan guarantees, if any, will be made on terms that are no less favorable to the Corporation than those that are generally available from unaffiliated third parties. The Corporation has neither provided nor received any cash advances to its officers or directors since this policy was adopted.

During the fiscal year ended March 31, 2007 we paid Schlueter & Associates, P.C. an aggregate of \$14,571 for legal fees and expenses. Mr. Henry F. Schlueter, a director, is the Managing Director of Schlueter & Associates, P.C.
