Item 1.01 Entry Into a Material Definitive Agreement

Extension of Maturity Date of Secured Bridge Loan from Nedbank Limited

Nord Resources Corporation (Nord) is indebted to Nedbank Limited (Nedbank) under a loan (the Nedbank Bridge Loan) evidenced by an Amended and Restated Secured Promissory Note dated May 31, 2006, in the principal amount of \$4,900,000. The Nedbank Bridge Loan was to have matured on the earlier of (a) December 22, 2006, and (b) the closing of a registered equity offering by the Corporation which raises not less than U.S.\$20,000,000.

Nord and Nedbank have entered into a letter agreement dated for reference December 19, 2006, and executed by Nord on December 20, 2006, to extend the maturity date of the Nedbank Bridge Loan to the earlier of (a) January 15, 2007, and (b) the closing of a registered equity offering by the Corporation which raises not less than U.S.\$20,000,000.

Extension of Maturity Dates of Convertible Notes Dated August 19, 2004 and October 4, 2004

Nord has issued a convertible promissory note to Stephen Seymour dated August 19, 2004 in the principal amount of \$66,000, and a convertible promissory note to Ronald Hirsch (collectively with Mr. Seymour, the Lenders) dated October 4, 2004 in the principal amount of \$106,000. Each Lender is a director of Nord, and Mr. Hirsch also serves Nord as Chairman of the Board of Directors.

The loans evidenced by these convertible notes accrue interest at 10% per annum, are unsecured and were to have matured on the earlier of: (a) December 22, 2006, and (b) the closing of (i) a registered equity offering and/or a debt project financing in which Nord raises not less than \$25 million, or (ii) a significant corporate transaction in which any person (either alone or together with its affiliates and associates) acquires 51% or more of Nord's common stock, or there is a sale, lease, exchange or other transfer of all or substantially all of Nord's assets or assets valued at \$12,000,000 or greater.

Pursuant to Amending Agreements between Nord and each Lender effective as of December 22, 2006, these convertible notes have been extended to mature on the earlier of: (a) January 19, 2007, and (b) the closing of (i) a registered equity offering and/or a debt project financing in which Nord raises not less than \$25 million, or (ii) a significant corporate transaction in which any person (either alone or together with its affiliates and associates) acquires 51% or more of Nord's common stock, or there is a sale, lease, exchange or other transfer of all or substantially all of Nord's assets or assets valued at \$12,000,000 or greater. These loans continue to be repayable upon maturity: (a) in the case of an equity offering or a debt financing, as to 50% in cash and as to the balance in fully paid shares of common stock at a deemed price of \$0.20 per share; (b) in the case of a significant corporate transaction or a sale, lease or transfer of assets, solely in fully paid shares of common stock at a deemed price of \$0.20 per share; and (c) in any other case, in such mix of cash and/or fully paid shares of common stock at a deemed price of \$0.20 per share as the holder may determine.

Effective June 29, 2004, Nord issued a convertible promissory note to Mr. Hirsch in the amount of \$35,000. The debt evidenced by this convertible note accrues interest at 10% per annum, is unsecured and was to have matured on the earlier of: (a) December 22, 2006, and (b) the closing of (i) a registered equity offering and/or a debt project financing in which Nord raises not

less than \$25 million, or (ii) a significant corporate transaction in which any person (either alone or together with its affiliates and associates) acquires 51% or more of Nord's common stock, or there is a sale, lease, exchange or other transfer of all or substantially all of Nord's assets or assets valued at \$12,000,000 or greater.

Pursuant to an Amending Agreement between Nord and Mr. Hirsch effective as of December 22, 2006, this convertible note has been extended to mature on the earlier of: (a) January 19, 2007, and (b) the closing of (i) a registered equity offering and/or a debt project financing in which Nord raises not less than \$25 million, or (ii) a significant corporate transaction in which any person (either alone or together with its affiliates and associates) acquires 51% or more of Nord's common stock, or there is a sale, lease, exchange or other transfer of all or substantially all of Nord's assets or assets valued at \$12,000,000 or greater. This loan is repayable upon maturity: (a) in the case of an equity offering or a debt financing, as to 50% in cash and as to the balance in fully paid shares of common stock at a deemed price of \$0.175 per share; (b) in the case of a significant corporate transaction or a sale, lease or transfer of assets, solely in fully paid shares of common stock at a deemed price of \$0.175 per share; and (c) in any other case, in such mix of cash and/or fully paid shares of common stock at a deemed price of \$0.175 per share as the holder may determine.

Extension of \$600,000 Revolving Line of Credit Facility Dated June 21, 2005

On June 21, 2005, Nord entered into a \$600,000 secured revolving line of credit agreement with the Lenders. The line of credit bears interest at a rate equal to M&T Bank's prime rate and is collateralized by accounts receivable, inventory, property and equipment, and other assets. The line of credit was to have matured on the earlier of: (a) December 22, 2006, and (b) the closing of a registered equity offering and/or a debt project financing in which Nord raises not less than \$20 million.

SECTION 8 OTHER EVENTS

Item 8.01 Other Events

The closing of the proposed acquisition of Nord by Platinum Diversified Mining, Inc. (Platinum) in the all-cash merger transaction (the Merger), announced on October 23, 2006, did not take place as scheduled on December 22, 2006.

Platinum has advised Nord that Platinum's inability to close the Merger on the scheduled closing date results from the fact that Platinum was informed by its Nominated Advisor that, based on the position taken by the AIM during consultations between the AIM and Platinum's Nominated Advisor, Platinum is not to close the Merger because it does not have formal loan documentation in place for its project financing. Nord has not received any direct communication from the AIM that the Merger is not to close. Platinum has advised Nord that it anticipates having the formal loan documentation in place in mid to late January, 2007, and expects to be in a position to close once it is in place.

Nord has advised Platinum that it is Nord's position that Platinum should have completed the Merger on December 22, in accordance with the provisions in an agreement and plan of merger dated October 23, 2006 (the Merger Agreement). Nord has been advised by Platinum that it disagrees with Nord's position that the Merger should have closed on December 22.

Nord's management believes that completing the Merger on the terms agreed to by all parties represents the best alternative for Nord and its shareholders. Nord's management plans to keep all shareholders apprised as developments occur under the Merger Agreement.

Pursuant to the Merger Agreement, upon consummation of the Merger, substantially all the Nedbank Bridge Loan, and all of the debt to Mr. Hirsch and Mr. Seymour as the Lenders under the revolving line of credit facility, will be repaid out of purchase price payable by Platinum.

Mr. Hirsch and Mr. Seymour, as the holders of the convertible promissory notes referred to above, will be entitled to receive, upon consummation of the Merger: (a) an amount in cash equal to the product of (i) the Per Share Merger Consideration (as defined in, and determined in accordance with, the Merger Agreement) multiplied by (ii) the quotient obtained when (A) the amount of outstanding principal and accrued interest pursuant to each convertible note divided by (B) the conversion price of the convertible note; and (b) a contingent right to receive a portion the Per Share Net Holdback Consideration (as defined in, and determined in accordance with, the Merger Agreement) in an amount equal to (i) the amount of the Per Share Net Holdback Consideration, multiplied by (ii) the number of shares of Nord's common stock otherwise issuable upon conversion of each convertible note immediately prior to the effective time of the Merger.
