**PROXY STATEMENT**  
Relating to  
Annual Meeting of Shareholders  
to be held on August 27, 2008

---

**INTRODUCTION**

This Proxy Statement is being furnished by the Board of Directors of New Jersey Mining Company (the "Company") to holders of shares of the Company's no par value common stock (the "Common Stock") in connection with the solicitation by the Board of Directors of Proxies to be voted at the Annual Meeting of Shareholders of the Company and any adjournment or adjournments thereof (the "Annual Meeting") to be held at 10:00 a.m. on August 27, 2008 at the Best Western Wallace Inn, 100 Front Street, Wallace, Idaho 83873 for the purposes set forth in the accompanying Notice of Annual Meeting. This Proxy Statement is first being mailed to Shareholders on or about August 1, 2008 and is accompanied by a proxy card for use at the Annual Meeting.

Members of the Company's management are the record and beneficial owners of an aggregate of 10,384,727 shares (approximately 28.2 %) of the Company's outstanding Common Stock. It is management's intention to vote all of their shares in favor of each matter to be considered by the Shareholders.

**PURPOSES OF ANNUAL MEETING**

**Election of Directors**

At the Annual Meeting, Shareholders will be asked to consider and to take action on the election of five (5) members to the Board of Directors to serve for one-year terms or until their respective successors are elected and qualified. (See "Election of Directors").

**Ratification of Appointment of Independent Registered Public Accounting Firm**

At the Annual Meeting, Shareholders will be asked to ratify the appointment of DeCoria, Maichel & Teague P.S. as the independent registered public accounting firm for the Company for the year ending December 31, 2008. (See "Ratification of Appointment of Independent Registered Public Accounting Firm").

**Other Business**

To transact such other business as may properly come before the Annual Meeting or any postponements or adjournments thereof.

*Because your vote is important, it is requested that you complete and sign the enclosed proxy card and mail it promptly in the return envelope provided. Shares cannot be voted at the meeting unless the owner is present to vote or is represented by Proxy.*

### VOTING AT ANNUAL MEETING

- 1. Record Date; Shares Entitled to Vote.** The Board of Directors of the Company has fixed the close of business on June 30, 2008, as the record date (the "Record Date") for the purpose of determining Shareholders of the Company entitled to notice of and to vote at the Annual Meeting. At the close of business on that date, there were 36,800,892 issued and outstanding shares of Common Stock. Each holder of Common Stock is entitled to one vote for each share of Common Stock owned as of the Record Date.
- 2. Quorum.** A majority of the shares issued and outstanding as of the record date will constitute a quorum for the transaction of business at the Annual Meeting. Proxies that are submitted but are not voted for or against (because of abstention, broker non-votes or otherwise) will count toward a quorum and will be treated as present for all matters considered at the meeting.
- 3. Vote Required.** Directors are elected by a plurality of the votes cast by the holders of the Common Stock at a meeting of shareholders at which a quorum is present. "Plurality" means that the individuals who receive the largest number of votes cast are elected as Directors up to the maximum number of Directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstentions, broker non-votes or otherwise) have no impact on the election of Directors, except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. The election of Directors will be accomplished by determining the five nominees receiving the highest total number of votes.

If a quorum exists at the Annual Meeting, the affirmative vote by the holders of a majority of the Common Stock present in person or represented by proxy and entitled to vote is required to approve the ratification of the appointment of DeCoria, Maichel & Teague P.S. as the independent registered public accounting firm for the Company for the year ending December 31, 2008.

- 4. Solicitation of Proxies.** The Board of Directors requests that you complete, date and sign the proxy card accompanying this Proxy Statement and promptly return the card in the enclosed postage-paid envelope. The accompanying proxy card is solicited on behalf of the Company, and the cost of solicitation will be borne by the Company. Although they do not presently intend to do so, following the original mailing of the Proxy materials, directors, officers and employees of the Company may, without additional remuneration, solicit Proxies by mail, internet, telephone, facsimile, or personal interviews. The Company may request brokers, custodians, nominees, and other record holders to forward copies of the Proxies and soliciting materials to persons for whom they hold shares of the Company and to request authority for the exercise of Proxies. In such cases, the Company will reimburse such holders for their reasonable expenses.

**5. Revocation of Proxy.** You may revoke your proxy at any time by taking any of the following actions before your proxy is voted at the Annual Meeting:

- Deliver to the Company a written notice bearing a date later than the date of the proxy card, stating that you revoke the proxy;
- Sign and deliver to the Company a proxy card relating to the same shares and bearing a later date; or
- Attend the meeting and vote in person, although attendance at the meeting will not, by itself, revoke a proxy.

year term or until his or her respective successor is elected and qualified; and (2) to appoint DeCoria, Maichal & Teague P.S. as the independent registered public accounting firm for the Company for the year ending December 31, 2008.

- 10. Dissenters' Rights.** There are no dissenters' rights applicable to any matters to be considered at the Annual Meeting.

[The balance of this page intentionally left blank]

**PROPOSAL 1. ELECTION OF DIRECTORS**

At the meeting, five (5) Directors are to be elected who shall hold office until the next Annual Meeting of Shareholders and until their respective successors shall have been elected and qualified.

The Proxies appointed in the accompanying proxy card intend to vote, unless directed to the contrary therein, in their discretion, for the election to the Board of Directors of the five persons named below, all of whom have consented to serve the Company in such capacity if elected. However, if any nominee at the time of election is unable or unwilling to serve, or is otherwise unavailable for election, the Board of Directors shall designate a substitute nominee. Unless instructions to the contrary are specified on the proxy card, proxies will be voted in favor of the persons who have been nominated by the Board of Directors.

The nominees for Directors, together with certain information with respect to each of them, are as follows:

## INFORMATION CONCERNING THE BOARD OF DIRECTORS

### Board Meetings

During the fiscal year ended December 31, 2007 there were three meetings of the Board of Directors. All Directors were present at each meeting. It is the Company's policy that members of the Board of Directors should attend all annual meetings of Shareholders except for absences due to causes beyond the reasonable control of the Directors. The Company did not hold an annual meeting of shareholders during 2007.

### Affirmative Determinations Regarding Director Independence

The Board of Directors has determined that each of the following Directors is an "independent director" as such term is defined by the rules of the Financial Industry Regulatory Authority ("FINRA"). FINRA and the Securities Exchange Commission (the "SEC"):

Ivan R. Linscott, PhD William C. Rust M. Kathleen Sims

The rules of FINRA and the SEC generally provide that an "independent director" is a person other than an officer or employee of the Company or any other individual having a relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. The FINRA rules also provide specific criteria that, if met, disqualify a director from being independent.

### Audit Committee

The Company has an audit committee established in accordance with the Securities Exchange Act of 1934, as amended, (the "Exchange Act") for the purpose of overseeing the Company's accounting and financial reporting processes, the audits of the financial statements, as well as compliance with legal and regulatory requirements. The Audit Committee is also responsible for appointing and reviewing the performance of the Company's independent registered public accounting firm. The members of the Company's audit committee are William C. Rust and M. Kathleen Sims. Each member of the audit committee is deemed to be an independent director as that term is defined under the listing standards of FINRA. Ms. Sims is considered to be an audit committee financial expert as the term is defined under applicable SEC rules, and is the Chairperson of the Audit Committee. The Audit Committee held two meetings during 2007. The Company does not have a written Audit Committee Charter.

### Nominating Committee

The entire Board of Directors serves as the Nominating Committee and all Directors participate in the consideration and selection of nominees to the Board of Directors. The Nominating Committee identifies potential nominees from various sources, including recommendations from Directors and officers of the Company. The Nominating Committee will consider nominees recommended by shareholders upon submission in writing to the Chairman of the Board of Directors the names of such nominees, together with their qualifications for service as Directors of the Company. Individuals recommended by shareholders are evaluated in the same manner as other potential nominees. The Nominating Committee reviews and discusses recommendations received for Director candidates and evaluates the qualifications of such candidates before

selecting a slate of nominees to be recommended by the Board. Qualifications that the Nominating Committee will consider in evaluating Director candidates include their mining, scientific, or business experience, contacts within the Company's market area, relevant skills, and time availability. A candidate's level of share ownership in the Company is also considered as part of the evaluation along with such other criteria as the Nominating Committee determines to be relevant. The Nominating Committee did not hold any meetings in 2007. The Company does not have a written charter for the Nominating Committee.

### **Compensation Committee**

The entire Board of Directors serves as the Compensation Committee and all Directors review personnel policies of the Company that include, but are not limited to, compensation for executive officers of the Company, as well as employee compensation and benefit programs. The Board of Directors has determined that a Compensation Committee is not currently necessary because the Company is a small business. The Company does not have a written charter for the Compensation Committee.

The compensation for the President and Vice President, as the executive officers of the Company, is generally set on an annual basis by the disinterested members of the Board. In determining the appropriate compensation levels for the executive officers, the Board of Directors considers a number of factors, including, but not limited to the executive officers' mining experience and experience with the Company, and the level of compensation paid by the Company's peers in the mining industry. Compensation for the Board of Directors has been approved by the entire Board of Directors. The President and Vice President have been authorized by the Board of Directors to set the salaries and wages of the non-executive employees of the Company, subject to the review of the Board of Directors.
