

Item 8.01 Other Events

On January 15, 2013, the Board of Directors of Greene County Bancorp, Inc. announced a quarterly cash dividend of \$0.175 per share. A press release announcing the details of the declaration is attached as exhibit 99.

On January 15, 2013, the Company also announced that Greene County Bancorp, MHC (the "MHC"), the 55.1% majority-owner and mutual holding company of the Company, intends to seek the approval of the MHC's members (depositors of The Bank of Greene County) to waive the MHC's receipt of this dividend, as well as any future dividends declared by the Company on its common stock during the twelve months subsequent to the members' approval of the dividend waiver proposal, at a special meeting of members scheduled for February 19, 2013.

Historically, the MHC has waived its right to receive dividends declared on its shares of the Company's common stock, and the MHC has waived the receipt of dividends for the quarter end December 31, 2012, subject to the non-objection of the Federal Reserve Board. The Federal Reserve Board has adopted interim final regulations that impose significant conditions and restrictions on the ability of mutual holding companies to waive the receipt of dividends from their subsidiaries. If the MHC obtains approval of its members at the special meeting of members to waive the dividend, it will then seek the non-objection of the Federal Reserve Board for such dividend waiver. If this non-objection is obtained prior to April 1, 2013, the expected payment date of the dividend, the MHC intends to waive its receipt of the dividend.
