### **RELEVANT NOTICE**

Telesp Celular Participações S.A. ( **TCP** ) announces that it now owns indirectly the totality of Global Telecom S.A. ( **GT** ) capital stock, the B-band mobile operator in the Brazilian states of Paraná and Santa Catarina.

TCP indirectly owned 83% of GT 's total capital stock since February 6, 2001, represented by 49% of the common shares and 100% of the preferred shares of the following Group holdings: KDDI Corporation ( **KDDI** ), ITX Corporation ( **ITX** ) and Inepar S.A. Indústria e Construções ( **Inepar** ).

The acquisition of the remaining 17% of GT's capital stock was done with due regard to the provisions in the Purchase and Sale Agreement entered on January 13, 2001, by the purchase of the remaining 51% of the common shares of KDDI, ITX and Inepar Group holdings for the amount of R\$ 290,282,292.19, after receiving previous authorization from the Brazilian National Telecommunications Agency (Agência Nacional de Telecomunicações - ANATEL), as per the Act n° 32.135, of December 11, 2002, published in the *Diário Oficial da União* newspaper on December 12, 2002.

Therefore and beginning today, TCP indirectly owns 100% of GT 's capital stock, by means of participation in 100% of the capital stock of the afore mentioned GT holdings.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
