### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On May 12, 2005, Southridge Partners LP exercised its option to purchase an additional note and warrant pursuant to a Second Securities Purchase Agreement. In connection with such exercise, we issued to Southridge a convertible promissory note in the principal amount of \$125,000 and a warrant to purchase up to 5,000,000 shares of our common stock to Southridge in exchange for its \$125,000 investment.

The note is convertible, at the option of the holder, into shares of our common stock at a conversion price of \$0.02 per share. Southridge may require us to repurchase some or all of its note if the market price of our common stock falls below \$0.03 per share for ten (10) consecutive trading days, at a repurchase price equal to 140% of the principal amount of the note. In the event we default under the terms of the note, the entire outstanding principal (and any outstanding interest accrued thereon) shall become immediately due and payable, and the interest rate will rise to 18% per annum. The note matures on May 12, 2007.

We have secured the payment of the note with a subordinated security interest in our accounts, general intangibles, inventories, and other collateral. In addition, in the event we propose to register securities under the Securities Act of 1933, as amended, we are required to notify Southridge in advance of such registration and, at its request (subject to limited exceptions), include the shares of our common stock underlying the note and warrant on the registration statement filed in connection with such registration (and assume any expenses associated therewith).

The warrant has an expiration date of May 12, 2010. It contains a cashless exercise provision whereby the holder may pay the exercise price associated with any exercise by having us withhold a number of shares otherwise issuable upon such exercise having a fair market value equal to the applicable aggregate exercise price. In the event such provision is used with respect to an exercise, we would receive no proceeds upon such exercise.

The discussion in this current report is only a summary and is qualified in its entirety by reference to the warrant, the note, and the Securities Purchase Agreement, which are included as Exhibits 4.1, 4.2, and 10.1, respectively, to this current report on Form 8-K and are incorporated by reference in this Item.
