

Edgar Filing: SUTRON CORP - Form 8-K

Hydrological Network consisting of 174 Streamflow Gauging Stations. The contract was signed for the total amount of \$5,992,384 and required the receipt of a Performance Security in the amount of \$599,238. The Performance Security was issued on behalf of Sutron Corporation by Standard Chartered Bank Branch Office in Kabul, Afghanistan on June 5, 2007. The contract period of performance is two (2) years from signing after which time another contract will be signed to provide three (3) years of maintenance services. The installation and maintenance services will be provided by Sutron's in-country partner.

Sutron will be responsible for installation and set up of all 174 Streamflow Gauging Stations and commissioning of the Entire system including the training of the MEW staff. Sutron will be responsible for transport of goods from the Kabul to the field locations. There shall be a Receiving Inspection when goods arrive in Afghanistan, a Factory Acceptance Test at Sutron's in-country partner's facilities in Kabul, Site Operational Testing and Acceptance at each station by MEW assigned representatives who will accompany Sutron's in-country partner's installation teams and a Final Acceptance Test of the Entire System. During the two year contract period, the Streamflow Gauging Stations shall be delivered and installed in four lots.

The contract is funded by a loan from the International Development Association (IDA), a part of the World Bank to MEW. The contractual terms of payment for goods supplied from abroad are a 10% advance payment of the total goods amount against receipt of a bank guarantee for the equivalent amount, 80% within 45 days after delivery of the goods, 5% upon issue of the Site Operational Testing and Acceptance Certificate and 5% upon issue of Final Acceptance Certificate. The contractual terms of payment for goods supplied from within Afghanistan are 10% advance payment of the total goods amount against receipt of a bank guarantee for the equivalent amount, 80% within 45 days after delivery of the goods, 5% upon issue of the Site Operational Testing and Acceptance Certificate and 5% upon issue of Final Acceptance Certificate. A weekly penalty of .5% will be applied up to a maximum amount of 10% of the contract amount for late performance. The entire contract amount will be paid in US dollars.
