The Rt. Hon. The Earl of Cromer
Chairman, JPMorgan China Region Fund, Inc.
1 Beacon Street, 18th Floor
Boston, MA 02108
USA

Dear Lord Cromer,

City of London Investment Management Company, Inc. ("City of London") was, at the time of the most recent filing, the beneficial owner of in excess of 2,750,000 shares of common stock of the JPMorgan China Region Fund, Inc. (the "Fund"). City of London submits the enclosed shareholder proposal for inclusion in the Fund's proxy statement to be circulated to shareholders in advance of the Fund's 2017 Annual Meeting. City of London submits this proposal pursuant to Securities and Exchange Commission Rule 14a-8 promulgated under the Securities Exchange Act of 1934. City of London's material interest in the proposed business is limited to its capacity as beneficial owner of the shares acting as a Registered Investment Adviser.

The proposal requests that all investment advisory and management agreements between the Fund and JF International Management Inc. be terminated by the Fund at the earliest date the Fund is legally permitted to do so.

An imbalance between supply and demand for Fund shares has existed over an extended period, as reflected by the widening discount trend highlighted in our previous letters. The Board of Directors did not reduce the supply of Fund shares to match demand. Meanwhile, the investment results achieved by the investment manager have not sufficiently increased demand for Fund shares. In light of the lack of demand for Fund shares, we believe we are unfortunately left with no alternative other than to submit the proposal to terminate the investment management agreement.

City of London continuously owned at least \$2,000.00 in market value of the common stock of the Fund for more than one year prior to the date of the submission of this proposal. Attached hereto are copies of City of London's filings and any amendments thereto filed with the Securities and Exchange Commission by City of London demonstrating that City of London has beneficially and continuously owned at least \$2,000.00 in market value of the common stock of the Fund for well in excess of 12 months. City of London intends to continue to own at least \$2,000.00 in market value of the common stock of the Fund at least through the date of the Fund's 2017 annual meeting.

Please advise us immediately if this notice is deficient in any way or if any additional information is required so that we may promptly provide that information or cure any deficiencies.

Sincerely,

Jeremy Bannister
Director, Corporate Governance

Stockholder Proposal to JPMorgan China Region Fund, Inc.
December 5, 2016

RESOLVED: All investment advisory and management agreements between JPMorgan China Region Fund, Inc. and JF International Management Inc. shall be terminated by the Fund, pursuant to the right of stockholders as embodied in Section 15(a)(3) of the Investment Company Act of 1940 and as required to be included in such agreements, at the earliest date the Fund is legally permitted to do so.

SUPPORTING STATEMENT

The relationship between supply and demand for Fund shares is out of balance. The JPMorgan China Region Fund's persistently wide discount is reflected by the discount history (see table below) [Source: Bloomberg].

Time Period	Discount
2016 YTD through November 30	10.9%
2015 full-year (average)	14.8%
2014 full-year (average)	11.9%
2013 full-year (average)	11.2%
2012 full-year (average)	12.0%
2011 full-year (average)	11.7%

The Board of Directors did not reduce the supply of Fund shares to match demand. Meanwhile, the investment results achieved by the investment manager have not sufficiently increased demand for Fund shares. In light of the lack of demand for Fund shares, we believe we are unfortunately left with no alternative other than to submit the proposal to terminate the investment management agreement.

The Board of Directors attempted to fashion a merger to address the over-supply of Fund shares but suspended discussions based on the conclusion that the Board of Directors' adoption of the Maryland Business Combination Act had "created significant uncertainties concerning the successful consummation of the contemplated transaction." In essence, the Board of Directors created a set of conditions that derailed the merger.

Demand for Fund shares is inadequate because the investment manager, JF International Management Inc., failed to generate investment performance to counterbalance the current supply of Fund shares. The solution to this problem, therefore, is for shareholders to vote to terminate the investment management contract.

For the reasons outlined above, we urge stockholders to exercise their right pursuant to Section 15(a)(3) of the Investment Company Act to vote to terminate all investment advisory and management agreements with JF International Management Inc.
