PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of InsWeb Corporation, a Delaware corporation (“InsWeb” or the “Company”), for use at its annual meeting of stockholders to be held on July 18, 2011, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The date of this Proxy Statement is June 7, 2011, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders.

SOLICITATION AND VOTING OF PROXIES

The cost of soliciting proxies will be borne by InsWeb. In addition to soliciting stockholders by mail, InsWeb will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have stock of InsWeb registered in the names of such persons and will reimburse them for their reasonable, out-of-pocket costs. InsWeb may use the services of its officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, InsWeb has retained American Stock Transfer & Trust Co., a registrar and transfer agent firm, for assistance in connection with the annual meeting at no additional cost except for reasonable out-of-pocket expenses.

On May 20, 2011, there were 5,729,298 shares of InsWeb’s Common Stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of Common Stock held by him or her. InsWeb’s bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and “broker non-votes” will each be counted as present for purposes of determining the presence of a quorum.

All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a stockholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before the time it is exercised by delivering to the Secretary of InsWeb a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Related Person Transaction Review Policies

Mr. Richard A. Natsch, President, Potrero Media and Mrs. Heather K. Natsch, Chief Financial Officer, Potrero Media are owners of Mission Potrero Properties, LLC, which are the lessors of the property that Potrero Media occupies under an anon-cancelable lease dated August 20, 2008. Potrero Media currently pays rent of \$12,500 per month. The initial term of the lease will expire on October 1, 2014, but Potrero Media has four consecutive options to extend the term, each for a five year period.

The Audit Committee is provided authority under its charter to review and approve any related-party transactions, after reviewing each such transaction for potential conflicts of interests and other improprieties.

Board Structure and Role

Mr. Enan serves as CEO and Chairman of the Board of Directors. He is the founder of the Company and owns approximately 31% of the Company's stock. The Board believes that at InsWeb's current stage of growth, the Board is best served by a Chairman who is involved with the Company on a full-time basis and is therefore able to bring great depth of knowledge about the Company to this role. The Board does not have a designated lead independent director.

The Board of Directors and its committees have an active role in overseeing the management of our risks. At each regularly scheduled board meeting, management presents to the Board of Directors relevant information regarding the risks associated with our current operations. In addition, each of the committees considers the risks within its areas of responsibility. The Board and the Audit Committee each receive regular reports on the status of the Company's internal controls and each has reviewed key operational risks. The Audit Committee regularly meets in executive session without the executive officers. The Compensation Committee and the Board have reviewed senior executive officer compensation arrangements and analyzed the compensation incentives, potential risks, and factors to mitigate such potential risks, and determined that the Company's executive compensation program does not encourage the senior executives to take unnecessary and excessive risks that threaten the value of the Company. The Board's risk oversight role has no effect on its leadership structure as all directors other than Mr. Enan are independent directors and therefore have no conflict that might discourage critical review.

Board Meetings and Committees

During the year ended December 31, 2010, the Board of Directors of InsWeb held nine meetings. During that period, the Audit Committee of the Board held five meetings, the Compensation Committee of the Board held five meetings, and the Nominating and Corporate Governance Committee of the Board held one meeting. All directors attended or participated in more than 75% of the total number of meetings of the Board and any of the committees of the Board on which such director served during that period.

Audit Committee. The current members of the Audit Committee are Messrs. Orr, Corroon and Puccinelli and, as of February 2, 2011, Ms. DeMarse. Mr. Orr is chairman of the committee. The Board of Directors has determined that each of the members of the Audit Committee is independent for purposes of the Nasdaq Marketplace Rules as they

apply to audit committee members. The Board of Directors has also determined that Mr. Orr is an “audit committee financial expert,” as defined in the rules of the Securities and Exchange Commission. The functions of the Audit Committee include overseeing the quality of our financial reports and other financial information, retention of the independent registered public accounting firm, reviewing and approving the planned scope, proposed fee arrangements and results of InsWeb’s annual audit, reviewing our critical accounting policies and the adequacy of our accounting and financial controls, and reviewing the independence of InsWeb’s independent registered public accounting firm.

Compensation Committee. The current members of the Compensation Committee are Messrs. Chookaszian, Orr and Puccinelli. Mr. Chookaszian is chairman of the committee. The Compensation Committee reviews and determines the salary and bonus criteria of and stock option grants to all executive officers. The Board of Directors has determined that all members of the Compensation Committee are independent for purposes of the Nasdaq Marketplace Rules. For additional information about the Compensation Committee, see “Executive and Director Compensation” below.

Nominating and Corporate Governance Committee. The current members of the Nominating and Corporate Governance Committee are Messrs. Chookaszian, Corroon, Orr and Puccinelli, and, as of February 2, 2011, Ms. DeMarse. All members of the Committee are independent for purposes of the Nasdaq Marketplace Rules. Mr. Corroon is chairman of the committee. The functions of the Nominating and Corporate Governance Committee include selecting, evaluating and recommending to the Board qualified candidates for election or appointment to the Board, and recommending corporate governance principles, codes of conduct and compliance mechanisms applicable to the InsWeb.

Director Nominations

The Nominating and Corporate Governance Committee is responsible for the selection, and recommendation to the Board, of nominees for election as director. When considering the nomination of directors for election at an annual meeting, the Nominating and Corporate Governance Committee reviews the needs of the Board of Directors for various skills, background, experience and expected contributions and the qualification standards established from time to time by the Nominating and Corporate Governance Committee, and considers nominations in light of those needs. When reviewing potential nominees, including incumbents, the Nominating and Corporate Governance Committee also considers the candidate’s relevant background, experience and skills and expected contributions to the Board of Directors. The Nominating and Corporate Committee evaluates its selection criteria and evaluation process periodically, and may in the future include additional qualifications, such as the diversity of backgrounds of candidates. The Nominating and Corporate Governance Committee also seeks appropriate input from the Chief Executive Officer from time to time in assessing the needs of the Board of Directors for relevant background, experience and skills of its members.

The Nominating and Corporate Governance Committee’s goal is to assemble a Board of Directors that brings to InsWeb a diversity of experience at policy-making levels in business and technology, and in areas that are relevant to InsWeb’s activities. Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of our stockholders. They must have an inquisitive and objective outlook and mature judgment. They must also have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are and have been affiliated. Director candidates must have sufficient time available in the judgment of the Nominating and Corporate Governance Committee to perform all Board and committee responsibilities that will be expected of them. Members of the Board of Directors are expected to rigorously prepare for, attend and participate in all meetings of the Board of Directors and applicable committees. Other than the foregoing, there are no specific minimum criteria for director nominees, although the Nominating and Corporate Governance Committee believes that it is preferable that at least one member of the Board of Directors should meet the criteria for an “audit committee financial expert” as defined by SEC rules. Under applicable Nasdaq listing requirements, at least a majority of the members of the Board of Directors must meet the definition of “independent director” set forth in such requirements. The Nominating and Corporate Governance Committee also

believes it appropriate for one or more key members of InsWeb's management, including the Chief Executive Officer, to serve on the Board of Directors.

The Nominating and Corporate Governance Committee will consider candidates for director proposed by directors or management, and will evaluate any such candidates against the criteria and pursuant to the policies and procedures set forth above. If the Nominating and Corporate Governance Committee believes that the Board of Directors requires additional candidates for nomination, the Nominating and Corporate Governance Committee may engage, as appropriate, a third party search firm to assist in identifying qualified candidates. All incumbent directors and nominees will be required to submit a completed directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee will also consider candidates for director recommended by a stockholder, provided that any such recommendation is sent in writing to General Counsel, InsWeb Corporation, 10850 Gold Center Dr. Suite 250, Rancho Cordova, CA 95670 at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders and contains the following information:

the candidate's name, age, contact information and present principal occupation or employment; and

a description of the candidate's qualifications, skills, background and business experience during at least the last five years, including his or her principal occupation and employment and the name and principal business of any company or other organization where the candidate has been employed or has served as a director.

The Nominating and Corporate Governance Committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

In addition, stockholders may make direct nominations of directors for election at an annual meeting, provided the advance notice requirements set forth in our Bylaws have been met. Under our Bylaws, written notice of any such nomination, including certain information and representations specified in the Bylaws, must be delivered to our principal executive offices, addressed to the General Counsel, at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or the date of the annual meeting has been advanced by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be received not later than the close of business on the tenth day following the day on which the public announcement of the date of such meeting is first made.

Stockholder Communications with Directors; Director Attendance at Annual Meetings

Stockholders may communicate with any and all members of our Board of Directors by transmitting correspondence by mail or facsimile addressed to one or more directors by name (or to the Chairman, for a communication addressed to the entire Board) at the following address and fax number:

Name of the Director(s)
c/o Corporate Secretary
InsWeb Corporation
10850 Gold Center Dr., Suite 250
Rancho Cordova, CA 95670
(916-631-0846) (FAX)

Communications from our stockholders received as indicated above will be forwarded to the indicated director or directors unless the communication is primarily commercial in nature or relates to an improper or irrelevant topic.

We do not have a policy regarding directors' attendance at annual meetings. All directors attended the 2010 Annual Meeting.

Committee Charters and Other Corporate Governance Materials

The Board has adopted a Code of Business Conduct and Ethics that applies to all of our employees and officers and members of the Board of Directors. A copy of the Code of Business Conduct and Ethics is available on the Company's website at <http://investor.insweb.com/index.cfm>.

The Board has also adopted a written charter for each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. Each charter is available on the Company's website at <http://investor.insweb.com/index.cfm>.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires InsWeb's executive officers, directors and persons who beneficially own more than 10% of InsWeb's Common Stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish InsWeb with copies of all Section 16(a) forms filed by such persons.

Based on InsWeb's review of reports furnished to InsWeb and representations from certain reporting persons, InsWeb believes that reports of changes in ownership (Form 4) during the year ended December 31, 2010 were timely filed, except that stock options granted to each of the directors and executive officers on December 15, 2010 were reported on Form 4s on January 11, 2011.

EXECUTIVE AND DIRECTOR COMPENSATION

The Compensation Committee is authorized by the Board of Directors to review and approve annual performance objectives and goals relevant to compensation for the Chief Executive Officer and evaluate the performance of the Chief Executive Officer in light of these goals and objectives. In setting such objective, the Compensation Committee is directed to consider the Company's performance and relative shareholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the Company's Chief Executive Officer in past years. The Compensation Committee is also directed to periodically review and advise the Board concerning both regional and industry wide compensation practices and trends in order to assess the adequacy and competitiveness of the Company's compensation programs for the CEO, other executive officers and directors relative to comparable companies in the Company's industry.

Summary Compensation Information

The following table presents certain summary information concerning compensation paid or accrued by InsWeb for services rendered in all capacities during the years ended December 31, 2010 and December 31, 2009 for the Chief Executive Officer, the Chief Financial Officer and the SVP, General Counsel and Secretary ("the Named Executive Officers").

Executive officers and certain other key members of management are eligible to participate in the InsWeb Executive Retention and Severance Plan approved by the Board of Directors on June 14, 2004 and revised on December 22, 2008. Participants in the Plan are entitled to receive cash severance payments and health and medical benefits in the event their employment is terminated in connection with a change in control. InsWeb is not obligated to make any cash payments to these executives if their employment is terminated by us for cause or by the executive not for good reason. No severance or benefits are provided for any of the executive officers in the event of death or disability. A change in control does not affect the amount or timing of these cash severance payments.

Additional Information Regarding Executive Compensation

On December 15, 2010, the Compensation Committee of the Board of Directors (the “Committee”) of InsWeb Corporation approved the 2011 compensation plan for InsWeb’s directors and executive officers. The compensation plan is comprised of cash compensation and option grants. In approving the 2011 compensation plan, the Committee considered, among other factors, InsWeb’s financial and operating performance, market conditions and general compensation trends for publicly traded companies. The objectives of the compensation plan are to attract, motivate and retain talented and dedicated employees, and to provide InsWeb’s executive officers with both cash and equity incentives to further the Company’s interests and those of our stockholders.

As recommended by the Committee and approved by the Board of Directors, the 2011 annual base cash compensation for Hussein Enan (CEO) increases from \$12 to \$300,000. Mr. Enan’s annual salary has been \$12 since 2006. The 2011 annual base cash compensation for Kiran Rasaretnam (CFO) increases from \$206,000 to \$212,180; the 2011 annual base cash compensation for Steve Yasuda (Chief Accounting Officer) increases from \$160,144 to \$169,753; and the 2011 annual case cash compensation for Eric Loewe (General Counsel and Secretary) increases from \$206,000 to \$218,360. In connection with a corporate reorganization on May 2, 2011, Mr. Enan, Mr. Rasaretnam, Mr. Yasuda and Mr. Loewe also were granted stock options which vest over two years.

To align the compensation of the executive officers with increased shareholder value, the Compensation Committee also approved a quarterly performance-based cash bonus for Mr. Enan, Mr. Rasaretnam, Mr. Yasuda and Mr. Loewe. Subject to certain minimum and maximum thresholds, the amount of the cash bonus paid is based on quarterly revenue and Adjusted EBITDA targets established by the Compensation Committee at its meeting in February, 2011.

In addition, on April 28, 2011, the Board of Directors approved a corporate reorganization that will combine the operations of InsWeb Corporation and its wholly-owned subsidiary, Potrero Media Corporation, into a single entity under the InsWeb name. In connection with the reorganization, Richard A. Natsch was promoted to President and Chief Operating Officer of the combined organization, and Mr. Brad F. Cooper was promoted to the position of Chief Revenue Officer. The Compensation Committee of the Board of Directors increased Mr. Natsch’s 2011 base salary from \$12 to \$250,000 per year, and Mr. Cooper’s 2011 salary was increased to \$230,000 per year, in recognition of their increased responsibilities in the combined company. Mr. Natsch and Mr. Cooper also will be eligible for cash performance bonuses pursuant to the 2011 executive compensation plan approved by the Compensation Committee on December 15, 2010.

On February 2, 2011, the Compensation Committee of the InsWeb Board of Directors approved a resolution accelerating the vesting of an option grant to Mr. Kiran Rasaretnam, CFO, for 4,500 shares and to Mr. Steven Yasuda, CAO, for 1,500 shares. The option grants will be exercisable as of February 2, 2011. Without the acceleration of the vesting, the options under the grants would have both vested and expired on April 20, 2011.

A description of the maximum payouts for each officer (and their 2011 base compensation) is shown in the table below:

Name/Title	2011 Base Salary	Cash Bonus (1)	Long-term Incentive Options	Performance Options	Total Options

The current members of the Audit Committee are Mr. Orr, Mr. Corroon, Mr. Puccinelli and as of February 2, 2011, Ms. DeMarse. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors.

The Audit Committee oversees the quality of InsWeb's financial statements and financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Annual Report for the period ending December 31, 2010 with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity, in all material respects, of those audited financial statements with United States generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards including Statement on Auditing Standards No. 61, (Codification of Statements on Auditing Standards, AU §380). In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board No. 1 (Independence Discussions with Audit Committees), and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 filed with the Securities and Exchange Commission.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the chair of the Audit Committee the authority to approve permitted services, provided that the chair reports any decisions to the Audit Committee at its next scheduled meeting.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

InsWeb has a classified Board of Directors consisting of two Class I directors (Mr. Puccinelli and Ms. DeMarse), two Class II directors (Mr. Corroon and Mr. Orr), and two Class III directors (Mr. Enan and Mr. Chookaszian) who will serve until the Annual Meetings of Stockholders to be held in 2012, 2013 and 2011, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting date.

The term of the Class III directors will expire on the date of the 2011 annual meeting. Accordingly, two individuals are to be elected to serve as Class III directors of the Board of Directors at the meeting. The Nominating and Corporate Governance Committee nominated for election by the stockholders the current Class III directors, Mr. Hussein A. Enan and Mr. Dennis Chookaszian. If elected the nominees will serve as directors until InsWeb's Annual Meeting of Stockholders in 2014, and until successors are elected and qualified. If the nominees decline to serve or become unavailable for any reason, or if a vacancy occurs before the election (although InsWeb knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominee as InsWeb may designate.

Vote Required and Board of Directors' Recommendation

If a quorum is present, the nominee for Class III directors receiving the highest number of votes will be elected as the Class III directors. Abstentions and broker non-votes have no effect on the vote.

The Board of Directors recommends a vote "FOR" the nominees named above.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

The Audit Committee of InsWeb's Board of Directors has selected Ernst & Young LLP as InsWeb's independent registered public accounting firm to audit the consolidated financial statements of InsWeb for the fiscal year ending December 31, 2011. Ernst & Young LLP has acted in such capacity since its appointment in fiscal year 2001. A representative of Ernst & Young LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the votes cast affirmatively or negatively at the annual meeting of stockholders at which a quorum representing a majority of all outstanding shares of Common Stock of InsWeb is present, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Neither abstentions nor broker non-votes will have any effect on the outcome of the proposal.

The Board of Directors recommends a vote "FOR" ratification of the appointment of Ernst & Young LLP as InsWeb's independent registered public accounting firm for the fiscal year ending December 31, 2011.

PROPOSAL NO. 3
AMENDMENT TO CERTIFICATE OF INCORPORATION

The board of directors is proposing, for approval by the stockholders, an additional amendment (the “Additional Certificate Amendment”) to our Amended and Restated Certificate of Incorporation (the “Current Certificate”). The Additional Certificate Amendment would add a new Article 10 providing that, with certain exceptions, the sole and exclusive forum for certain actions shall be the Court of Chancery of the State of Delaware. Other than as described herein, the approval of the Additional Certificate Amendment will not have any effect on your rights as a stockholder.

Adoption of Forum Selection Clause

On February 3, 2011, InsWeb’s Board of Directors adopted a resolution amending the InsWeb Corporation Bylaws designating the Courts of Chancery of the State of Delaware as the sole and exclusive forum for all actual and purported derivative suits. The resolution adopted by the Board provides that:

Unless the Company consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company’s stockholders, (iii) any action asserting a claim arising pursuant to any provision of the Delaware General Corporation Law, or (iv) any action asserting a claim governed by the internal affairs doctrine.

To further enhance the protections offered by this forum selection clause, however, the Board of Directors deemed it advisable to obtain shareholder approval to add an identical provision to InsWeb’s Certificate of Incorporation. If the Additional Certificate Amendment is approved by our stockholders, the Current Certificate would be amended to include a new Article 10 conforming to the wording of the new Bylaw described above. The Company has been a party to a derivative lawsuit filed on December 5, 2001 in the United States District Court for the Southern District of New York which has not yet been resolved. Neither the Board’s adoption of the Bylaw on forum exclusivity, nor adoption of the proposed amendment to the Certificate of Incorporation, would affect the existing proceedings.

The board of directors believes that InsWeb’s stockholders will benefit from having disputes of this nature litigated in the Delaware Chancery Courts. Delaware’s system of specialized Chancery Courts were established to deal with corporate law questions, and operate under streamlined procedures and processes that help provide relatively quick decisions. The streamlined process helps reduce the time and expense of litigation for all parties. These courts have developed considerable expertise in dealing with corporate law issues, as well as a substantial and influential body of case law construing Delaware’s corporate law, providing InsWeb’s stockholders and the company with more certainty with respect to the outcome of intra-corporate disputes. In addition, adoption of the provision would reduce the risk that the company could be involved in duplicative litigation in more than one forum, as well as the risk that the outcome of cases in multiple forums could be inconsistent, even though each forum purports to follow Delaware law. In addition, the provision would give the board the flexibility to consent to an alternative forum.

The addition of Article 10 to the Current Certificate requires the affirmative vote of a majority of the outstanding shares. Abstaining or otherwise failing to vote on this proposal will have the same effect as a vote against the proposal. Upon shareholder approval, appropriate officers are authorized and directed to take such steps and to execute such documents for and on behalf of InsWeb Corporation as may be necessary or proper to effectuate the change to the Certificate of Incorporation.

The Board of Directors recommends a vote “FOR” the amendment to the InsWeb Corporation Certificate of Incorporation described above.
