INFORMATION STATEMENT  
-----

This Information Statement is furnished by the Board of Directors of AccessTel, Inc., to provide notice of a special meeting of stockholders to be held at 101 West Mineral Avenue, Denver, Colorado 80120, on Monday, March 15, 2004, at 10:00 a.m., Rocky Mountain Standard Time, or any adjournment of the meeting, for the purposes set forth in the foregoing Notice of Special Meeting of Stockholders.

## Edgar Filing: ACCESSTEL INC /UT/ - Form PRE 14C

Our Board of Directors has fixed the close of business on February 2, 2004, as the record date for the determination of stockholders who are entitled to notice of and to vote at the meeting, or any adjournment of the meeting. There were 34,781,031 shares of common stock issued and outstanding on February 2, 2004. We anticipate that this Information Statement will be mailed or furnished on or about February 21, 2004, to all stockholders of record as of the record date.

Messrs. Randall L. Middleton and Thomas Rowan, our executive officers, directors and controlling stockholders, will vote their shares of common stock in favor of the name change and the proposal to permit us to take action by majority written consent of stockholders.

PLEASE NOTE THAT THIS IS NOT A REQUEST FOR YOUR VOTE OR A PROXY STATEMENT, BUT RATHER AN INFORMATION STATEMENT DESIGNED TO INFORM YOU OF THE ACTION TO BE TAKEN AT THE SPECIAL MEETING OF STOCKHOLDERS, INCLUDING APPROVAL OF THE NAME CHANGE AMENDMENT AND PERMISSION FOR US TO TAKE ACTION BY MAJORITY WRITTEN CONSENT OF STOCKHOLDERS.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

PLEASE NOTE THAT THIS IS NOT AN OFFER TO PURCHASE YOUR SHARES.

We will bear the cost of the distribution of the Notice of Special Meeting of Stockholders and Information Statement to stockholders. We may also make arrangements with brokers, fiduciaries, custodians and nominees to send the Notice of Special Meeting of Stockholders and Information Statement to the beneficial owners of our common stock held of record by these persons. Upon request, we will reimburse these organizations for their reasonable out-of-pocket expenses incurred in forwarding this Information Statement and Notice of Special Meeting of Stockholders to their clients.

### RECORD DATE AND VOTING RIGHTS

Our common stock is our only outstanding class of voting securities. Stockholders of record at the close of business on February 2, 2004, the record date for determining stockholders entitled to notice, are the only stockholders entitled to vote at the meeting. As of the record date, there were 34,781,031 shares of our common stock outstanding and entitled to vote. Each stockholder entitled to vote shall have one vote for each share of common stock registered in the stockholder's name on our books as of the record date. A complete list of our stockholders entitled to vote at the meeting will be available and open to the examination of any stockholder for any purpose germane to the meeting during ordinary business hours from and after February 23, 2004, at our office, 101 West Mineral Avenue, Denver, Colorado 80120.

### QUORUM FOR MEETING

Our Bylaws require that 30% of the outstanding shares entitled to vote, present in person or by proxy, shall constitute a quorum for the conduct of business at all meetings of stockholders. A total of 27,500,000 shares, representing 79% of our outstanding shares, of common stock owned by Messrs. Randall L. Middleton and Thomas Rowan, our executive officers and directors, will be present in person at the meeting. Thus, there will be a quorum for purposes of approving the proposed amendment to the Articles of Incorporation to change our name and the proposal to permit us to take action by majority written consent of stockholders without calling a stockholders' meeting.

## Edgar Filing: ACCESSTEL INC /UT/ - Form PRE 14C

### VOTING AT MEETING

On January 19, 2004, our Board of Directors unanimously approved an amendment to our Articles of Incorporation that would change our name from "AccessTel, Inc.," to "Euro Offline, Inc.," and the proposal to permit our company to take action by written consent of a majority of the stockholders entitled to vote with respect to the subject matter of the action. Our Board of Directors directed that these matters be submitted for approval at a special meeting of stockholders. At the special meeting of stockholders to be held on March 15, 2004, stockholders holding 79% of our outstanding voting stock will approve the Articles of Amendment to the Articles of Incorporation of AccessTel, Inc., the form of which is attached to this Information Statement as Exhibit A, and the proposal to permit our company to take action by the stockholders' majority written consent. The proposed Articles of Amendment to the Articles of Incorporation of AccessTel, Inc., will become effective when they are filed with the Utah Secretary of State. We anticipate that this filing will occur shortly following the meeting. The proposal to permit us to take action by majority written consent of stockholders will take effect upon its approval at the meeting.

### NAME CHANGE

#### Purpose of Name Change

On December 16, 2003, we purchased all of the issued and outstanding shares of common stock of Euro Offline, Inc., a privately-held, Colorado corporation with offices in Littleton, Colorado. Euro Offline is a retailer of high-end, modern furniture, dealing exclusively in European lines such as DeSede (Switzerland), Minotti, MDF, Cappellini and Bonacina (Italy) and Walter Knoll and Draenert (Germany). In light of this new strategic focus, our Board of Directors has determined that it is in our best interest to adopt a name more readily identifiable with our current business plan. Our Board of Directors approved the change of name of our company to "Euro Offline, Inc.," to more accurately reflect our future business. Consequently, the Board of Directors has recommended changing our name from "AccessTel, Inc.," to "Euro Offline, Inc."

#### Effects of Name Change

Changing our name will not have any effect on our corporate status, the rights of stockholders or the transferability of outstanding stock certificates. Outstanding stock certificates bearing the name "AccessTel, Inc.," will continue to be valid and represent shares of common stock of Euro Online, Inc., a Utah corporation, following the name change. In the future, new stock certificates will be issued bearing our new name, but this will in no way affect the validity of your current stock certificates.

In connection with our name change, our trading symbol on the Over-The-Counter Bulletin Board will change. Our common stock now trades on the Over-The-Counter Bulletin Board under the trading symbol "ACST."

#### Vote Required

Our Bylaws provide that a majority of the votes cast at the meeting by the holders of our outstanding common stock is required to authorize an amendment to the Articles of Incorporation to change our company's name from "AccessTel, Inc." to "Euro Offline, Inc." Messrs. Randall L. Middleton and Thomas Rowan, our executive officers and directors and holders of 27,500,000 shares of our common

stock, representing approximately 79% of our outstanding voting stock, will vote at the special meeting of stockholders to be held on March 15, 2004, in favor of the proposal to approve an amendment to our Articles of Incorporation that would change our name.

### Amendment to Articles of Incorporation

On January 19, 2004, our Board of Directors approved, subject to receiving the approval of the stockholders of our common stock, the amendment to our Articles of Incorporation in the form of Exhibit A attached to this Information Statement, to change the name of our company from "AccessTel, Inc.," to "Euro Offline, Inc." We will obtain stockholder approval for the change of name by the affirmative vote of stockholders owning 27,500,000 shares of our common stock, which represent 79% of our outstanding shares of common stock on the record date of February 2, 2004. The change of name will not become effective until the Articles of Amendment to the Articles of Incorporation of AccessTel, Inc., in the form of Exhibit A, are filed with the Utah Secretary of State. We expect to make the appropriate filing as soon as practicable after the meeting, a period of not less than twenty days after a definitive Information Statement is first mailed to stockholders of our common stock.

### Dissenters' Rights

Under the Utah Revised Business Corporation Act, stockholders are not entitled to dissenters' rights of appraisal in connection with the change of our name.

### AUTHORITY TO TAKE ACTION BY MAJORITY WRITTEN CONSENT OF STOCKHOLDERS

### Purpose of Proposal

On January 19, 2004, our Board of Directors approved the proposal to permit our company to take action by written consent of a majority of the stockholders entitled to vote with respect to the subject matter of the action. Our Board's purpose in approving this proposal is to enable us to take action required to be approved by the stockholders without the necessity of actually calling and holding a meeting if the holders of the requisite number of shares of voting stock entitled to vote approve of the action. Section 16-10a-1704 of the Utah Revised Business Corporation Act prohibits corporations in existence prior to July 1, 1992, like ours, from taking action by written consent of fewer than all of the stockholders entitled to vote with respect to the subject matter of the action, until the date a resolution providing otherwise is approved at a duly convened meeting of stockholders, by the vote of the same percentage of stockholders of each voting group as would be required to include the resolution in an amendment to the articles of incorporation. There is no greater voting requirement under our Articles of Incorporation or Utah law to include the proposal to permit us to take action by majority written consent of stockholders in an amendment to our Articles of Incorporation, than is required to approve any other action.

Our company's ability to act by majority written consent, without the necessity of calling and holding a stockholders' meeting in those instances where holders of the requisite number of shares of voting stock entitled to vote approve of the action, will save us money and time because the notice and/or information statement required to be distributed to stockholders will be less complicated and more concise, thus permitting savings in attorneys' fees and printing and mailing costs, and management will not be required to call and hold a meeting. Consequently, the Board of Directors has recommended approval of the proposal, pursuant to subsection (4)(b) of Section 16-10a-1704 of the Utah

## Edgar Filing: ACCESSTEL INC /UT/ - Form PRE 14C

Revised Business Corporation Act, to permit our company to take action by written consent of a majority of the stockholders entitled to vote with respect to the subject matter of the action.

### Effects of Approval of Proposal

Approval of the proposal to permit our company to take action by written consent of a majority of the stockholders entitled to vote with respect to the subject matter of the action, will not have any effect on our corporate status or the transferability of outstanding stock certificates. The rights of stockholders will only be affected in that we will not hold, and, accordingly, they will have no right to attend, a meeting to approve action that we take by majority written consent of stockholders. However, this action would be approved at a stockholders' meeting in any event because stockholders with the requisite number of shares of voting stock required to approve the action by majority written consent, would vote to approve the action at the meeting.

### Vote Required

Our Bylaws provide that a majority of the votes cast at the meeting by the holders of our outstanding common stock is required to approve the proposal to enable our company to take action by written consent of a majority of the stockholders entitled to vote with regard to the subject matter of the action, in lieu of calling and holding a special meeting of the stockholders. Messrs. Randall L. Middleton and Thomas Rowan, stockholders who own 27,500,000 shares of our common stock, representing approximately 79% of the total number of our outstanding shares of common stock, will vote at the special meeting of stockholders to be held on March 15, 2004, in favor of the proposal to permit us to conduct business by majority written consent rather than by action taken at a duly called meeting of the stockholders.

### Dissenters' Rights

Under Utah law, stockholders are not entitled to dissenters' rights of appraisal in connection with the approval of the proposal to permit us to take action by written consent of a majority of the stockholders entitled to vote with regard to the subject matter of the action.

### PRINCIPAL STOCKHOLDERS AND SECURITY OWNERSHIP OF MANAGEMENT

The following table sets forth certain information regarding the ownership of our common stock as of the record date on February 2, 2004, by each stockholder known by us to be the beneficial owner of more than 5% of our outstanding shares of common stock, each director and executive officer and all directors and executive officers as a group. Each of our stockholders has sole voting and investment power with respect to the shares he beneficially owns.

Name and Address of Beneficial Owner	Shares Beneficially Owned	Percent of Class
