SHAREHOLDERS' ACTION
AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE
NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

General Information

As of the Record Date, we are authorized, pursuant to our Articles of Incorporation, to issue up to Two Hundred and Thirty-Nine Million, Five Hundred Thousand (239,500,000) shares of our Common Stock. We propose to increase our authorized shares from Two Hundred and Thirty-Nine Million, Five Hundred Thousand (239,500,000) shares to Five Hundred Million (500,000,000) shares of Common Stock, par value \$0.001.

The holders of shares representing a majority of the Company's outstanding voting stock have given their written consent to increase the number of authorized shares. Under Nevada corporation law and the Company's bylaws, the consent of the holders of a majority of the voting power is effective as stockholders' approval. We will file an Amendment to the Articles of Incorporation of the Company (the "Amendment") in order to increase the number of authorized shares, provided, however, that in accordance with the requirements of the Exchange Act and Regulation 14C promulgated thereunder, the increase in the number of authorized shares will not be filed with the Secretary of State of Nevada or become effective until at least twenty (20) calendar days after the mailing of this Information Statement.

The Amendment will not result in any changes to the issued and outstanding shares of Common Stock of the Company and will only affect the number of shares that may be issued by the Company in the future.

Reasons for the Proposal

The primary purpose of this Amendment is to make available for future issuance by us additional shares of Common Stock and to have a sufficient number of authorized and unissued shares of Common Stock to maintain flexibility in our corporate strategy and planning. Such corporate purposes might include acquiring other businesses in exchange for shares of the Company's Common Stock; facilitating broader ownership of the Company's stock by effecting stock splits or issuing a stock dividend; flexibility for possible future financings; and attracting and retaining valuable employees and directors through the issuance of additional stock options or awards. The Board of Directors believes that these additional shares will provide the Company with needed flexibility to issue shares in the future without potential expense and delay incident to obtaining stockholder approval for a particular issuance in the future.

As of November 2, 2009, the Company had 172,021, 946 shares issued and outstanding and approximately 35,802,506 reserved for conversion of outstanding Convertible Notes, Convertible Class B and Class C Preferred Stock and Warrants leaving approximately 31,675,548 authorized, unissued and unreserved shares of Common Stock available for future issuance. If this proposal was not adopted, the Company may not have sufficient additional shares of Common Stock available for future employee retention, financings, acquisition or other corporate purposes. Although we are in negotiations with a potential acquisition candidate and for private financing, at the present time there have been no definitive agreements executed for any public or private financing or issuance of shares in an acquisition. The Board of Directors has determined that it is desirable for the Company to increase the number of shares of authorized Common Stock in order to meet needs that may arise from time to time in the future.

Amendment

The Third Article of the Company's Article of Incorporation will be amended to read as follows:

"The total authorized shares shall be 510,500,000 shares consisting of the following:

Edgar Filing: MACH ONE CORP - Form DEF 14C

- (i) 500,000,000 shares of Common Stock at the par value of \$0.001;
- (ii) 1,000,000 shares of Series A Preferred Stock par value \$0.05;
- (iii) 500,000 shares of Series B Preferred Stock par value \$0.05;
- (iv) 8,000,000 shares of Series C Preferred Stock par value \$0.05, and
- (v) 1,000,000 shares of Preferred stock par value \$0.05 of which the rights, preferences, series and designations shall be determined by the Board of Directors.”

A copy of the Certificate of Amendment to the Articles of Incorporation is attached as Exhibit A.

Potential Anti-Takeover Aspects

Shares of authorized and unissued Common Stock could be issued in one or more transactions that could make it more difficult, and therefore less likely, for a takeover of the Company. Although the Board of Directors does not have the present intention to use the additional authorized shares as an anti-takeover device, the issuance of additional Common Stock could have the effect of diluting the stock ownership of persons seeking control of the Company and the possibility of such dilution could have a deterrent effect on persons seeking to acquire control. For example, shares of Common Stock can be privately placed with purchasers who support a board of directors in opposing a tender offer or other hostile takeover bid, or can be issued to dilute the stock ownership and voting power of a third party seeking a merger or other extraordinary corporate transaction. Accordingly, the power to issue additional shares of Common Stock could enable the Board of Directors to make it more difficult to replace incumbent directors and to accomplish business combinations opposed by the incumbent Board of Directors.

Principal Effects on Outstanding Common Stock

The proposal to increase the authorized capital stock will affect the rights of existing holders of Common Stock to the extent that future issuances of Common Stock will reduce each existing stockholder's proportionate ownership and may dilute earnings per share of the shares outstanding at the time of any such issuance. The amendment to the Articles of Incorporation will be effective upon filing with the Secretary of State for Nevada.

No Dissenter's Rights

Under Nevada Law, our dissenting shareholders are not entitled to appraisal rights with respect to our amendment, and we will not independently provide our shareholders with any such right.
